FORWARD-LOOKING STATEMENTS

The Interim Report of the Company, constituting Exhibits 1.1 to this Form 6-K, contain forward-looking statements that are, by their nature, subject to significant risks and uncertainties. Such forward-looking statements include, without limitation, the Company s operating strategy and future plans; its future business condition and financial results; its abilities to expand network capacity and increase network efficiency; its ability to develop new technology applications and offer new services; the execution of its CDMA related strategy; the Company s ability to leverage its position as an integrated telecommunications operator and expand into new business and new markets; future growth of market demand for the Company s services; and future regulatory and other developments in the Chinese telecommunications industry.

Such forward-looking statements reflect the current views of the Company with respect to future events. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation, any changes in the regulatory policies of the Ministry of Information Industry and other relevant government authorities; the effects of competition on the demand and price of the Company s telecommunications services; any changes in telecommunications and related technology and applications based on such technology; and changes in political, economic, legal and social conditions in China including the Chinese government s policies with respect to economic growth, foreign exchange, foreign investment and entry by foreign companies into China s telecommunications market. Please also see the Risk Factors section of the Company s latest Annual Report on Form 20-F, as filed with the Securities and Exchange Commission.
