Mr. Charles A. Ross, Sr. and David C. Owen are the Class A directors and their terms expires at this annual meeting. Mr. Roger L. Mason is a Class C director and his term expires in 2006. We, the board of directors has nominated Mr. Owen for reelection as a Class A director for a term of three years and that Mr. Ross for reelection as a Class B director for a term of two years.

Who Can Vote

Only stockholders of record at the close of business on the record date of September 24, 2004, are entitled to receive notice of the annual meeting and to vote the shares of Vista common stock and Vista preferred stock they held on that date. As of August 31, 2003, there were 16,062,000 shares of Vista common stock issued and outstanding and 183,333 shares of preferred stock with the right to vote 1,466,664 shares on an as converted basis. Holders of Vista common stock and preferred stock are entitled to one vote and eight votes per share, respectively and are not allowed to cumulate votes. The enclosed proxy card shows the number of shares that you are entitled to vote.

#### How to Vote

All Vista stockholders currently hold their shares in their own name (as a "stockholder of record"). You may give instructions on how your shares are to be voted by marking, signing, dating and returning the enclosed proxy card in the accompanying postage-paid envelope.

A proxy, when executed and not revoked, will be voted in accordance with its instructions. If no instructions are given, proxies will be voted for the amendment to change the name of the corporation to ICOP Digital, Inc, for the directors recommended in the proxy statement and for the ratification of the appointment of our auditors.

#### Revoking a Proxy

You may revoke a proxy before the vote is taken at the meeting by:

- o submitting a new proxy with a later date,
- o by voting at the meeting, or

#### Quorum and Voting Requirements

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if stockholders of a majority of the outstanding shares of common stock and preferred stock are present at the meeting in person or by proxy. Abstentions count as present for establishing a quorum. Shares held by Vista in its treasury are not entitled to vote and do not count toward a quorum. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

If a quorum is present, the affirmative vote of a majority of shares represented in person or by proxy will be required to (i) elect the directors of the corporation, (ii) the ratification of the appointment of our auditors and (iii) decide any other matter which may properly be submitted to a vote at the meeting. A majority vote of the common stock and preferred stock on an as converted basis is required to approve the name change as that is considered an amendment to our articles of incorporation. Any shares present but not voted, including abstentions, will not be considered when counting votes cast for or against a proposal.

260, Overland Park, KS 66210, Attention: Charles A. Ross, Sr. Part III of the annual report contains the information regarding management normally found in a proxy statement when there is an election of directors.

### PROPOSAL ONE: CHANGING THE NAME OF THE CORPORATION TO ICOP DIGITAL, INC.

On January 13, 2004 the Company completed a merger with ICOP Digital, Inc, a Nevada corporation. Since ICOP Digital operations are presently the only business of the company, management believes it is now in the best interests of the company to change its name to ICOP Digital, Inc, to reflect our current business.

The Board of Directors recommends that the stockholders vote "FOR" approval of the amendment to the articles of incorporation to change the name of the Company to ICOP Digital, Inc, a Colorado corporation.

### Long-Term Incentive Plans

We have a Stock Option Plan that authorizes the grant of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and nonqualified stock options for the purchase of an aggregate of 5,000,000 shares of Common Stock, subject to adjustment for stock splits and similar capital changes. ### Employment Contracts and Termination of Employment Arrangements

Except as set forth above under Officer Compensation, there are no other compensatory plans or arrangements, including payments to be received from us, with respect to the resignation, retirement or other termination of the employment of any executive officer or related to a change in control in us.

### Director Compensation

None of our directors received any compensation during our most recent fiscal year for serving in their position as directors. If we do have funds available in the future, we likely will reimburse our directors for expenses incurred by them in their duties as a director.

### Limitation of Liability and Indemnification

Our Articles of Incorporation contain a provision eliminating our directors' liability to us or our shareholders for monetary damages for a breach of their fiduciary duty. However, a director's liability is not eliminated in circumstances involving certain wrongful acts, such as the breach of a director's duty of loyalty or acts or omissions that involve intentional misconduct or a knowing violation of law. Our Articles of Incorporation also obligate us to indemnify our directors and officers to the fullest extent permitted under Colorado law. While we believe that these provisions are very standard and necessary to assist us in attracting and retaining qualified individuals to serve as directors, they could also serve to insulate our directors against liability for actions which damage us or our shareholders. Furthermore our assets could be used or attached to satisfy any liabilities subject to such indemnification.

The Registrant is not a listed issuer, and has no nomination committee or executive compensation committee, as these functions are performed by the board of directors.

Section 16(a) Beneficial Reporting Compliance

Based upon information provided to us by our directors, executive officers and persons holding more than 10% of our common stock, we believe that there were no late filings.

Audit Committee and Financial Expert

The Company's Board of Directors functions as its audit committee and performs some of the same functions of an audit committee, such as recommending a firm of independent certified public accountants to audit the annual financial statements; reviewing the independent auditors independence, the financial statements and their audit report; and reviewing management's administration of the system of internal accounting controls. The Company does not currently have a written audit committee charter or similar document.

Code of Ethics

A code of ethics relates to written standards that are reasonably designed to deter wrongdoing and to promote;

- o Honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- o Full, fair, accurate, timely and understandable disclosure in reports and documents that are filed with, or submitted to, the SEC and in other public communications made by an issuer;
- o Compliance with applicable governmental laws, rules and regulations;
- o The prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
- o Accountability for adherence to the code.

Due to the limited scope of our current operations, we have not adopted a corporate code of ethics that applies to our principal executive officer, principal accounting officer, or persons performing similar functions.

## Edgar Filing: VISTA EXPLORATION CORP - Form PRE 14A

In anticipation of Mr. Charles Ross' acquisition of a controlling interest in us from Corporate Management Services, Inc. in March 2001, he advanced to us \$10,500 for working capital on February 28, 2001. The advance carried no interest rate and was payable on demand. We repaid the advance in April 2001 from the proceeds of our private placement in April 2001. Mr. Ross also paid travel and administrative expenses totaling \$6,115 on our behalf prior to March 31, 2001, and \$18,403 during the fiscal year ended March 31, 2002. Mr. Ross received reimbursements and advances from us totaling \$32,783 during the fiscal year ended March 31, 2002. The net advance of \$8,265 is included in our financial statements as expenses advanced to an officer at March 31, 2002.

During November 2002, Laredo Enterprises, LLC and Owen Enterprises, LLC loaned us \$2,500 and \$7,500 respectively and received 500,000 and 1,000,000 options respectively as consideration for the loan and for consulting services to be rendered for strategic planning and asset acquisitions. The Note is a demand Note bearing interest at the rate of 10% per annum. The options are exercisable for a period of five years at a price of \$.10 per share of common stock.

Effective January 13, 2004, ICOP Acquisition was merged with and into ICOP Digital, with ICOP Digital continuing as a subsidiary of Vista. Vista's sole asset now consists of its ownership of ICOP Digital. Pursuant to the Merger Agreement, Vista issued approximately 14,500,000 new shares of Vista common stock as consideration for the approximately 14,500,000 new ICOP Digital shares issued and outstanding immediately prior to the Merger.

Prior to the Merger, ICOP Digital had been a privately owned, Kansas-based company engaged primarily in the design, development and marketing of an innovative in-car digital video recorder system for use in the law enforcement industry. Charles A. Ross, Sr., the principal stockholder and sole officer and director of Vista and David C. Owen, an optionholder of Vista, were also stockholders, officers and directors of ICOP Digital. Upon completion of the Merger, Messrs. Ross and Owen cancelled all of their equity interests in Vista. In addition, Mr. Ross terminated his employment agreement with Vista and waived all accrued compensation. The Merger was proposed and completed in order to enhance the capital formation objectives of ICOP Digital and to satisfy the business objectives of Vista. Prior to the Merger, Vista received additional capital investments sufficient to satisfy all of its outstanding debts at the time of the Merger. As a result of the Merger, all Vista notes that had been personally guaranteed by Mr. Ross were paid in full. ICOP Acquisition, as a newly formed entity, had no independent assets or liabilities. Therefore, following the Merger, the assets and liabilities of Vista and its affiliates were only those of ICOP Digital and its subsidiaries prior to the Merger. While this was not an arms length transaction, the board of directors of both companies believe the transaction was fair in all material respects to the respective shareholders of each constituent company.

In February 2003, ICOP had acquired all of the issued and outstanding shares of McCoy's Law Line, a distributor of law enforcement equipment and products located near Kansas City, Kansas for 700,000 shares of ICOP common stock. The purpose of this acquisition was to integrate the ICOP product line with the McCoy's existing product line in an established distribution network. During March 2004, however, management revised its plan of operation and

determined to spin McCoy's back off to its prior owners in exchange for the return of all 700,000 shares, the cancellation of an option to purchase 500,000 shares of our common stock and the contribution by us of \$450,000 to McCoys.

## Edgar Filing: VISTA EXPLORATION CORP - Form PRE 14A

The Board of Directors recommends voting "For" the election of David C. Owen as a Class A director to serve for 3 years and "For" the election of Charles A. Ross, Sr. as a Class B director to serve for 2 years.

### PROPOSAL THREE: RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT ACCOUNTANTS

The Board of Directors has selected Cordovano and Honeck, P.C. as the independent public accountants to audit the financial statements of Vista for its 2004 fiscal year. Cordovano and Honeck, P.C. has served as Vista's independent accountants since 1998 and is familiar with its business and financial procedures. To the knowledge of management, neither Cordovano and Honeck, P.C. nor any of its members has any direct or material indirect financial interest in the Company nor any connection with the Company in any capacity other than as independent public accountants. A representative of Cordovano and Honeck, P.C. is not expected to be present at the annual meeting but will have an opportunity to make a statement if he desires to do so and to respond to appropriate questions.

#### Audit Fees

Cordovano & Harvey, P.C. billed the Company an aggregate of \$5,887 for professional services rendered in the audit of the Company's financial statements for its fiscal year ended December 31, 2004, and rendered in the review of the Company's financial statements for its two fiscal quarters ended March 31, 2004 and June 30, 2004

The Board of Directors recommends that the shareholders vote "For" approval of the motion to ratify the selection of our auditors.

#### Financial Information System Design and Implementation

During the most recent completed fiscal year, Cordovano & Harvey, P.C. did not perform any financial information system design or implementation services for the Company.

#### All Other Fees

During the most recent completed fiscal year, Cordovano & Harvey, P.C. did not perform any services for the Company other than the review and audit of the Company's financial statements.

We plan to establish an audit committee and to appoint an Expert to lead that committee. Once the committee is in place, it will be the sole province of the audit committee to engage our auditors. However, the board of directors now and the audit committee once constituted will seriously consider the ratification vote of the shareholders when engaging the services of our auditors in future periods.

OTHER MATTERS

Management does not know of any other matters to be brought before the annual meeting of stockholders. If any other matters not mentioned in this proxy statement are properly brought before the meeting, the individuals named in the enclosed proxy intend to use their discretionary voting authority under the proxy to vote the proxy in accordance with their best judgment on those matters.
