PROXY STATEMENT

Dated May 16, 2012

SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 26, 2012

This Proxy Statement relates to a special meeting of shareholders (the “Special Meeting”) of Accelr8 Technology Corporation (“Accelr8” or the “Company”). The Special Meeting will be held on Tuesday, June 26, 2012, at 2:30 p.m., local time, at The Warwick Hotel, 1776 Grant Street, Denver, Colorado 80203, or at such other time and place to which the Special Meeting may be adjourned or postponed. **The enclosed proxy is solicited by our Board of Directors (the “Board”).** The proxy materials relating to the Special Meeting are first being mailed to shareholders entitled to vote at the meeting on or about May 18, 2012.

ABOUT THE MEETING

What is the purpose of the Special Meeting?

At the Special Meeting, shareholders will act upon the matters outlined in the accompanying Notice of Special Meeting of Shareholders and this Proxy Statement, including:

1. the adoption of a Securities Purchase Agreement entered into by the Company on April 20, 2012 (the “Securities Purchase Agreement”), which provides for, among other things, the issuance and sale of 14,000,000 shares of Accelr8’s common stock, no par value per share (“Common Stock”), to a new investor (the “Purchaser”), for an aggregate cash purchase price of \$14,420,000 (i.e., \$1.03 per share), as well as warrants to purchase up to 14,000,000 additional shares of Common Stock, and to approve the transactions contemplated by the Securities Purchase Agreement, including (without limitation) the proposed grant of a stock option to Lawrence Mehren to purchase up to 2,200,000 shares of Common Stock (the “Mehren Option Grant” and collectively, the “Investment Transaction”);

2.

a proposed amendment to the Company's Articles of Incorporation, as amended, to increase the number of authorized shares of Common Stock by 26,000,000 shares, to a total of 45,000,000 shares, (the "Increase in the Authorized Shares Charter Amendment").

3. a proposed amendment to the Company's Articles of Incorporation, as amended, to permit the Company's shareholders to take action by less than unanimous written consent in the manner contemplated by Colorado law (the "Shareholder Action Charter Amendment") and

4. a proposed amendment to the Company's 2004 Omnibus Stock Option Plan to increase the number of shares of Common Stock available for issuance thereunder by 5,000,000 shares (the "Stock Plan Amendment").

Because the Common Stock is listed on the NYSE Amex Stock Market, shareholder approval is required in connection with the (i) Investment Transaction (which, if consummated, would result in a change of control of the Company), and (ii) the Stock Plan Amendment, in each case pursuant to the NYSE Amex Company Guide. The NYSE Amex Stock Market shareholder approval requirements are described in more detail below. Shareholder approval of the Increase in the Authorized Share Charter Amendment and the Shareholder Action Charter Amendment is required under Colorado law. **Pursuant to the Securities Purchase Agreement, shareholder approval of all matters described above (including the Increase in the Authorized Shares Charter Amendment, the Shareholder Action Charter Amendment and the Stock Plan Amendment) is also a condition precedent to the closing of the Investment Transaction.**

What will I be voting on?

You will be voting to (i) adopt the Securities Purchase Agreement, and to approve the transactions contemplated by the Securities Purchase Agreement (including, without limitation, the Investment Transaction and the Mehren Option Grant), (ii) approve the Increase in the Authorized Shares Charter Amendment, (iii) approve the Shareholder Action Charter Amendment, and (iv) approve the Stock Plan Amendment.

Why did Acceler8 enter into the Securities Purchase Agreement?

The Company entered into the Securities Purchase Agreement to gain access to significant amounts of investment capital, including the \$14,420,000 cash purchase price payable to Accelr8 at the closing of the Investment Transaction and the \$21,210,000 that could be payable to Accelr8 in the future if the Purchaser exercises the warrants described above (for a total potential investment of more than \$35,000,000). Such investment capital would be used to accelerate and enhance the Company's research and development activities, to support product development and marketing initiatives, and for general working capital purposes.

In addition, the Company also believes that the participants in the Investment Transaction, including the principals of the Purchaser, would bring significant human capital and other value to Accelr8. The principals of the Purchaser include Jack Schuler, John Patience and Lawrence Mehren, among others. Each has decades of life sciences expertise in senior management positions. Mr. Schuler was formerly President of Abbott Laboratories, Mr. Patience led McKinsey & Company's global healthcare team, and Mr. Mehren was formerly Head of Global Business of Roche Tissue Diagnostics and CFO of Ventana Medical Systems.

Why is Acceler8 seeking shareholder approval in connection with the transactions contemplated by the Securities Purchase Agreement?

The closing of the Investment Transaction is subject to certain conditions, including approval by the Company's shareholders of the Increase in the Authorized Shares Charter Amendment, the Shareholder Action Charter Amendment and the Stock Plan Amendment. Under Section 7-110-103 of the Colorado Business Corporation Act, the Increase in the Authorized Shares Charter Amendment and the Shareholder Action Charter Amendment must be approved by holders of at least a majority of the shares present in person or by proxy at a meeting of the shareholders at which a quorum is present.

Our Common Stock is listed on the NYSE Amex Stock Market, and therefore Accelr8 is subject to various NYSE Amex Stock Market rules. Section 713(a) of the NYSE Amex Company Guide requires shareholder approval as a prerequisite to approval of applications to list additional shares that are issued in connection with a transaction involving the sale, issuance or potential issuance by an issuer of common stock (or securities convertible into common stock) representing 20% or more of such issuer's presently outstanding stock for less than the greater of book or market

value of the stock. Section 713(b) of the NYSE Amex Company Guide also requires shareholder approval when the issuance or potential issuance of additional shares will result in a change of control of the issuer.

-2-

As of the date hereof, there are 11,103,367 shares of Common Stock issued and outstanding. Accordingly, if the Investment Transaction is completed, the Purchaser would hold approximately 55.8% of the issued and outstanding Common Stock immediately after the closing. Assuming the Purchaser's full exercise of the warrants to be issued in connection with the Investment Transaction (and no other issuances of Common Stock), the Purchaser would hold approximately 71.6% of the issued and outstanding Common Stock. Accordingly, the Investment Transaction is subject to shareholder approval pursuant to Section 713 of the NYSE Amex Company Guide.

Finally, Section 711 of the NYSE Amex Company Guide also provides that shareholder approval is required with respect to the establishment of (or material amendment to) a stock option or purchase plan or other equity compensation arrangement pursuant to which options or stock may be acquired by officers, directors, employees or consultants, regardless of whether or not such authorization is required by law or by the Company's charter. Accordingly, shareholder approval is required to approve the Stock Plan Amendment.

What happens if shareholders adopt the Securities Purchase Agreement and approve the Investment Transaction and the other proposals described in this Proxy Statement?

If shareholders vote to adopt the Securities Purchase Agreement and approve the Investment Transaction (including the Mehren Option Grant), and assuming the other conditions to the closing of the Investment Transaction (including, without limitation, shareholder approval of the Increase in the Authorized Shares Charter Amendment, the Shareholder Action Charter Amendment and the Stock Plan Amendment) are satisfied or waived in accordance with the terms of the Securities Purchase Agreement, among other things:

1. Accele8 will issue and sell to the Purchaser 14,000,000 shares of Common Stock, and the Purchaser will pay to the Company an aggregate cash purchase price of \$14,420,000 (i.e., \$1.03 per share);
Accele8 will also issue to the Purchaser warrants to purchase an aggregate of 14,000,000 additional shares of Common Stock, including a warrant to purchase 7,000,000 shares of Common Stock at an exercise price equal to \$1.03 per share and a warrant to purchase 7,000,000 shares of Common Stock at an exercise price equal to \$2.00 per share, both of which will be exercisable for a period of five years following the closing of the Investment Transaction;
3. Accele8 will enter into a Registration Rights Agreement with the Purchaser, pursuant to which the Purchaser will be granted certain demand and piggy-back registration rights, including for shelf registrations, with respect to the resale of the securities to be issued in connection with the Investment Transaction;
4. Accele8 will complete the Mehren Option Grant;
Charles E. Gerretson and John D. Kucera will resign from the Board, Thomas V. Geimer will resign as Chief Executive Officer and Chief Financial Officer of the Company (but remain a member of the Board), and David C. Howson will resign as President of the Company, in each case effective as of the closing of the Investment Transaction; and
5. Messrs. Schuler, Patience and Mehren will be appointed to the Board, and Mr. Mehren will be appointed as the Company's Chief Executive Officer, in each case effective immediately following the Closing of the Investment Transaction.
- 6.

If the Investment Transaction is completed, the issuance of Common Stock described above will dilute the holdings of existing shareholders of the Company. After giving effect to the closing of the Investment Transaction (but without assuming the exercise of any of the warrants to be issued to the Purchaser), the Purchaser would hold approximately 55.8% of the issued and outstanding Common Stock, and existing shareholders would hold the remaining 44.2%. Accordingly, the Investment Transaction (if completed) will result in a change of control of Accler8. Assuming the Purchaser's full exercise of the warrants to be issued in connection with the Investment Transaction (and no other issuances of Common Stock), the Purchaser would hold approximately 71.6% of the issued and outstanding Common Stock, and existing shareholders would hold the remaining 28.4%. The composition of the Board and senior management team will also be impacted, as described above.

What happens if shareholders do not approve all of the proposals described in this Proxy Statement?

If shareholders fail to approve any of the proposals described in this Proxy Statement, the Purchaser will be under no contractual obligation to complete the Investment Transaction. **In other words, if shareholders do not approve each of the Increase in the Authorized Shares Charter Amendment, the Shareholder Action Charter Amendment and the Stock Plan Amendment, the Purchaser will not be obligated to close the Investment Transaction even if shareholders vote to adopt the Securities Purchase Agreement and approve the Investment Transaction itself.**

In that event, Accler8 anticipates that the Purchaser would decline to invest in the Company, and none of the effects described in response to the preceding question would occur. Correspondingly, the Company would not receive the \$14,420,000 aggregate cash purchase price payable at the closing of the Investment Transaction (nor the \$21,210,000 potentially payable to the Company in the future assuming the full exercise of all warrants to be issued to the Purchaser in connection with the Investment Transaction). Accler8's failure to gain access to significant investment capital, whether through the Investment Transaction described in this Proxy Statement or otherwise, may inhibit the Company's ability to execute its business plan by investing in research and development, and product development and market initiatives, and may jeopardize the Company's ability to continue operations in the future.

Who is entitled to attend and vote at the Special Meeting?

Only holders of record of Common Stock at the close of business on the record date, May 9, 2012, or their duly appointed proxies, are entitled to receive notice of the Special Meeting, attend the meeting and vote the shares that they held on the record date at the Special Meeting or any postponement or adjournment of the Special Meeting. At the close of business on May 9, 2012, there were 11,103,367 shares of Common Stock issued and outstanding, including 1,129,000 shares held in the Thomas V. Geimer Deferred Compensation Rabbi Trust that are entitled to vote at the Special Meeting. Each such share is entitled to one vote in connection with all proposals to be considered at the Special Meeting.

How do I vote?

You may vote on matters to come before the meeting in two ways: (i) you can attend the Special Meeting and cast your vote in person; or (ii) you can vote by completing, signing and dating the enclosed proxy card and returning it to the Company by the use of mail or facsimile. If you return the proxy card, you will authorize the individuals named on the proxy card, referred to as the proxy holders, to vote your shares according to your instructions or, if you provide no instructions, according to the recommendations of the Board. If your shares are held by your broker in "street name," you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted. It is imperative that you provide such instructions in a timely manner, or your shares will not be represented at the Special Meeting.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by either (i) filing with the Company's Secretary a notice of revocation; (ii) sending in another duly executed proxy bearing a later date; or (iii) attending the meeting and casting your vote in person. Your last vote will be the vote that is counted.

How can I get more information about attending the Special Meeting and voting in person?

The Special Meeting will be held on Tuesday, June 26, 2012, at 2:30 p.m., local time, at The Warwick Hotel, 1776 Grant Street, Denver, Colorado 80203, or at such other time and place to which the Special Meeting may be adjourned or postponed. For additional details about the Special Meeting, including directions to the site of the Special Meeting and information about how you may vote in person if you so desire, please call Thomas Geimer, Chief Executive Officer, at (303) 863-8880.

What is the Board's recommendation?

The Board recommends a vote FOR each of the proposals described in the accompanying Notice of Special Meeting of Shareholders and this Proxy Statement. **In order for the Purchaser to be obligated to close the Investment Transaction, among other conditions that must be satisfied, shareholders must approve ALL of the proposals described herein (including the Increase in the Authorized Shares charter Amendment, the shareholder Action Charter Amendment and the Stock Plan Amendment).**

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

What constitutes a quorum?

The presence at the Special Meeting, in person or by proxy, of the holders of one-third of the issued and outstanding shares of Common Stock on the record date will constitute a quorum, permitting the Company to conduct business at the Special Meeting. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether a quorum is present.

What vote is required to approve each item?

Vote Required. Pursuant to applicable law, the Company's governing documents and the NYSE Amex Stock Market listing rules, approval of each proposal to be considered and voted upon at the Special Meeting will require the affirmative vote of the holders of a majority of the shares of Common Stock for which votes are cast at the Special Meeting at which a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to any proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, assuming a quorum is present at the Special Meeting, an abstention will not affect the outcome of the applicable proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to any proposal and are not deemed a vote cast.

Effect of Broker Non-Votes. If your shares are held by your broker in “street name,” you are receiving a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent. No postage is necessary if mailed in the United States. If you do not instruct your broker how to vote, your broker may not exercise voting discretion with respect to the proposal to be considered at the Special Meeting. Votes that could have been cast on the matter in question if the brokers have received their customers’ instructions, and as to which the broker has notified us on a proxy form in accordance with industry practice or has otherwise advised us that it lacks voting authority, are referred to as “broker non-votes.” Thus, if you do not give your broker or nominee specific instructions, your shares will not be voted on those matters and will not be counted as a vote cast in determining the number of shares necessary for approval. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposals to be presented at the Special Meeting and will not be deemed a vote cast with respect to any such proposal. Accordingly, assuming a quorum is present at the Special meeting, a broker non-vote will not affect the outcome of any proposal.

Can I dissent or exercise rights of appraisal?

Neither Colorado law nor Accelr8’s governing documents provide shareholders with dissenters’ or appraisal rights in connection with the proposals to be presented at the Special Meeting. If the proposals are approved at the Special Meeting, shareholders voting against such proposals, or any of them, will not be entitled to seek appraisal for their shares.

How will proxies be solicited and who pays for this proxy solicitation?

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy card and any additional solicitation materials furnished to the shareholders. In addition to soliciting proxies by mail, our officers, directors, and employees, without receiving any additional compensation, may solicit proxies by telephone, fax, in person, or by other means. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners, and we will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith. We will pay all reasonable expenses related to the solicitation of proxies.

The Company may also engage a professional proxy solicitation firm to assist the Board in soliciting proxies for the Special Meeting, although no such firm has been engaged as of the date of this filing. In the event that such a firm is engaged, the Company anticipates that it would solicit proxies by mail, telephone, fax or other means. The Company would agree to customary terms and conditions associated with any such engagement, including an estimated fee of \$5,000-10,000 plus reimbursement for certain out-of-pocket costs and expenses incurred in connection with the solicitation.

Where can I access this Proxy Statement online?

**APPROVAL OF PROPOSED INVESTMENT TRANSACTION
(Proposal No. 1)**

Proposed Resolution

At the Special Meeting, shareholders will be asked to consider the following proposed resolution for approval:

“RESOLVED, that the certain Securities Purchase Agreement entered into on April 20, 2012 by and between the Company and Abeja Ventures, LLC, providing for the issuance and sale by the Company to such investor of 14,000,000 shares of the Company’s common stock, no par value per share, for an aggregate purchase price of \$14,420,000 (i.e., \$1.03 per share), as well as warrants to purchase 14,000,000 additional shares of common stock, and the grant to Lawrence Mehren of options to purchase 2,200,000 shares of common stock, is hereby adopted, and the transactions contemplated by such Securities Purchase Agreement are hereby ratified, adopted and approved in all respects.”

Background

Our Common Stock is listed on the NYSE Amex Stock Market, and therefore Accelr8 is subject to various NYSE Amex Stock Market rules. Section 713(a) of the NYSE Amex Company Guide requires shareholder approval as a prerequisite to approval of applications to list additional shares that are issued in connection with a transaction involving the sale, issuance or potential issuance by an issuer of common stock (or securities convertible into common stock) representing 20% or more of such issuer’s presently outstanding stock for less than the greater of book or market value of the stock. Section 713(b) of the NYSE Amex Company Guide also requires shareholder approval when the issuance or potential issuance of additional shares will result in a change of control of the issuer. **In addition, pursuant to the Securities Purchase Agreement, shareholder approval of this proposal is a condition to the closing of the Investment Transaction.**

As of the date hereof, there are 11,103,367 shares of Common Stock issued and outstanding. Accordingly, if the Investment Transaction is completed, the Purchaser would hold approximately 55.8% of the issued and outstanding Common Stock immediately after the closing. Assuming the Purchaser’s full exercise of the warrants to be issued in connection with the Investment Transaction (and no other issuances of Common Stock), the Purchaser would hold approximately 71.2% of the issued and outstanding Common Stock. Accordingly, the Investment Transaction is subject to shareholder approval pursuant to Section 713 of the NYSE Amex Company Guide.

As described elsewhere in this Proxy Statement, if the Investment Transaction is completed in accordance with the terms of the Securities Purchase Agreement, Lawrence Mehren will become a director of the Company and also the Company’s President and Chief Executive Officer. In recognition of his services as a consultant and his prospective contributions and value to the Company, the Board determined that it was advisable to make a significant equity award to Mr. Mehren, subject to shareholder approval. Such approval is a condition to the closing of the Investment Transaction.

For more information about the terms and conditions of the Securities Purchase Agreement and the Investment Transaction (including the Mehren Option Grant), please refer to other relevant sections of this Proxy Statement and the full text of the Securities Purchase Agreement, which is attached as Annex A to this Proxy Statement.

Recommendation of the Board of Directors

After careful consideration, the Board has unanimously approved the Securities Purchase Agreement, authorized the Company to complete the Investment Transaction (including the Mehren Option Grant), and determined that the terms of the Stock Purchase Agreement and the Investment Transaction (including the Mehren Option Grant) are advisable to, and in the best interests of, the Company and its shareholders. **Accordingly, the Board recommends that you vote “FOR” the adoption of the Securities Purchase Agreement and the approval of Investment Transaction (including the Mehren Option Grant).**

Vote Required

In order for this Proposal No. 1 to be approved, a quorum must be present at the Special Meeting, and the affirmative vote of a majority of the total votes cast on the proposal at the Special Meeting, either in person or by proxy, is required. Abstentions do not count as a vote cast. Assuming a quorum is present at the Special Meeting, abstentions and “broker non-votes” will have no effect on the outcome of the vote.

The Board unanimously recommends that shareholders vote “FOR” Proposal No. 1.

BACKGROUND OF AND RATIONALE FOR THE PROPOSED INVESTMENT TRANSACTION

Background and Description of the Proposed Investment Transaction

In the course of reaching its decision to approve the Securities Purchase Agreement and recommend that the Company’s shareholders vote in favor of adopting the Securities Purchase Agreement and approving the Investment Transaction, the Board consulted with members of the Company’s management team and outside advisors and considered a number of factors, including (without limitation) the following:

the need to gain access to significant investment capital, including the \$14,420,000 cash purchase price payable to Accelr8 at the closing of the Investment Transaction and the \$21,210,000 that could be payable to Accelr8 in the future if the Purchaser exercises the warrants described above (for a total potential investment of more than \$35,000,000), to accelerate and enhance the Company’s research and development activities, to support product development and marketing initiatives, and for general working capital purposes;

the human capital and other value that the principals of the Purchaser (including Messrs. Schuler, Patience and Mehren, who would join the Board and take major roles in the management of the Company upon the closing of the Investment Transaction) would bring to the Company given, among other things, their decades of life sciences expertise in senior management positions;

the Company’s financial condition, results of operations and cash flows, and the need to obtain additional financing in the near future (including, without limitation, to enable the Company to meet its financial obligations on a going forward basis);

the value and importance of the Company’s listing on the NYSE Amex Stock Market;

the terms and conditions of the Securities Purchase Agreement (including, without limitation, the per share purchase price payable by the Purchaser, which, as of the date on which the terms of the Investment Transaction were negotiated, represented a premium to the then current marketing price of the Common Stock), which the Board believes are in the best interests of the Company and its shareholders;

the potential that the Purchaser will invest up to an additional \$21,210,000 if it fully exercises the warrants to be issued in connection with the closing of the Investment Transaction, which would enable the Company to continue to pursue its business plan; and
the fact that the Company's shareholders would have an opportunity to adopt the Securities Purchase Agreement and approve the Investment Transaction.

The Board also considered the following negative factors associated with the Securities Purchase Agreement and the Investment Transaction:

the fact that the Company's existing shareholders will be substantially diluted by the large issuance of new Common Stock provided for in the Securities Purchase Agreement, particularly if the warrants to be issued in connection with the closing of the Investment Transaction are ultimately exercised by the Purchaser;

the fact that the ownership by the Purchaser of a substantial percentage of our total voting power, together with the contractual approval rights that we have agreed to grant to the Purchaser, may make it more difficult and expensive for a third party to pursue a strategic transaction with or involving the Company, even if a change of control would generally be beneficial to our shareholders; and

the fees and expenses to be incurred by the Company in connection with negotiating and completing the Securities Purchase Agreement and the Investment Transaction.

In view of the variety of factors considered in its evaluation of the Securities Purchase Agreement and the complexity of these matters, the Board did not find it practicable to, and did not, quantify or otherwise attempt to assign any relative weight to the various factors considered. In addition, in considering the various factors, individual members of the Board may have assigned different weights to different factors.

After evaluating these and other factors, and taking into account their knowledge of the Company's business, financial condition and prospects, and the views and recommendations of the Company's management, the Board unanimously concluded that the Securities Purchase Agreement (and the Investment Transaction) are in the best interests of the Company and its shareholders. **Accordingly, the Board unanimously recommends that all shareholders vote "FOR" approval of Proposal No. 1 at the Special Meeting.**

Interests of Certain Persons

Other than as set forth below and as described elsewhere in this Proxy Statement, the Company is not aware of any relationships between the Purchaser and the Company, or any of the Company's directors, officers or significant shareholders. Reference is made to the following:

Certain shareholders of the Company, holding approximately 32% of the issued and outstanding Common Stock, have entered into Voting Agreements with the Purchaser pursuant to which they have agreed to vote their shares in favor of the Securities Purchase Agreement, the Investment Transaction and the other transactions contemplated thereby and certain related matters.

Thomas Geimer, an officer and director of the Company, shall enter into an Amendment to Geimer Employment Agreement that provides that a \$1,250,000 payment due to Mr. Geimer upon the change of control resulting from the Investment Transaction shall be paid in two payments of \$650,000 on the Closing Date and \$700,000 on July 1, 2013 as opposed to one payment currently provided for in his employment agreement and shall contain such other key terms as further described in Exhibit A-1 attached to the Securities Purchase Agreement. Further additional information on this payment. See “Potential Payments Upon Termination - Cash Compensation” below.

Thomas Geimer, an officer and director of the Company, shall enter into the Geimer Consulting Agreement, that provides that Mr. Geimer shall receive certain cash payments in the amount of \$20,000 per month plus a “gross-up” amount in respect of additional taxes payable by Mr. Geimer during 2012 from the Closing Date through December 31, 2012 and \$96,000 in the aggregate for the period from January 1, 2013 through December 31, 2013, and that shall also contain the key terms further described on Exhibit A-2 attached to the Securities Purchase Agreement.

If the Investment Transaction is completed in accordance with the terms of the Securities Purchase Agreement (and if the other proposals described in this Proxy Statement are approved by shareholders):

the Stock Plan Amendment will provide for the issuance of sufficient shares of Common Stock under the Company’s 2004 Omnibus Stock Option Plan (the “2004 Plan”) to allow for the exercise of the stock options granted to Mr. Mehren, as described in this Proxy Statement;

Messrs. Geimer, Howson, Kucera and Gerreston will resign from certain positions with the Company, as described above; and

Messrs. Schuler, Patience and Mehren will be appointed to the Board, and Mr. Mehren will be appointed as the Company’s President and Chief Executive Officer, as described above.

Impact on Existing Shareholders

If and when the transactions contemplated by the Securities Purchase Agreement, including the Investment Transaction, are completed, the Purchaser would hold 14,000,000 shares of Common Stock, which would represent approximately 55.8% of issued and outstanding Common Stock on a post-closing basis. Existing shareholders would hold the remaining 44.2%. Subsequently, in the event that the Purchaser were to fully exercise the warrants to be issued in connection with the Closing (and assuming no other issuances of Common Stock), the Purchaser would hold 28,000,000 shares of Common Stock, which would represent approximately 71.6% of the issued and outstanding Common Stock after giving effect to such exercises. Existing shareholders would hold the remaining 28.4%.

Assuming the closing of the Investment Transaction, the Purchaser would hold a majority of the issued and outstanding Common Stock, and principals of the Purchaser would constitute a majority of the Company’s Board and also hold key management positions in the Company (including President and Chief Executive Officer). Accordingly, the Purchaser would have considerable influence in the day-to-day affairs of the Company and/or determining the outcome of any corporate transaction or other matter submitted to shareholders for approval in the future, including the election of directors and approval of mergers, consolidations or the sale of all or substantially all of the Company’s assets.

The Securities Purchase Agreement

This section of the Proxy Statement describes certain material provisions of the Securities Purchase Agreement but does not purport to describe all of the terms of the Securities Purchase Agreement. A copy of the Securities Purchase Agreement is attached to this Proxy Statement as Annex A. We urge you to read the full text of the Securities Purchase Agreement, because that is the legal document that govern the sale of the Common Stock and warrants to the Purchaser, as well as certain other transactions and events contemplated by the Securities Purchase Agreement. This section of the Proxy Statement is not intended to provide you with any other factual information about the Company. Such information can be found elsewhere in this Proxy Statement and in the public filings we make with the SEC, as described below in this Proxy Statement.

General; Purchase and Sale of Securities; Purchase Price

On April 20, 2012, the Company and the Purchaser entered into a Securities Purchase Agreement pursuant to which the Company agreed to sell and issue to the Purchaser (i) 14,000,000 shares of Common Stock for an aggregate cash purchase price of \$14,420,000 (i.e., \$1.03 per share); (ii) a warrant to purchase 7,000,000 additional shares of Common Stock at an exercise price of \$1.03 per share; and (iii) another warrant to purchase 7,000,000 additional shares of Common Stock at an exercise price of \$2.00 per share, with each warrant exercisable prior to the fifth anniversary of the closing of the Investment Transaction. The terms and conditions of the Securities Purchase Agreement are described in more detail below, and the full text of the Securities Purchase Agreement is attached to this Proxy Statement as Annex A.

Under the terms of the Securities Purchase Agreement, the shares of Common Stock (the “Shares”) and the warrants to purchase additional shares of Common Stock (the “Warrants”), and shares of Common Stock issuable upon exercise of the Warrants (the “Warrant Shares” and, together with the Shares and the Warrants, the “Securities”), will be issued in a transaction not involving any public offering and are therefore intended to be exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). The Company expects to rely upon Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder for an exemption from registration. The following discussion of the Securities Purchase Agreement provides only a summary of certain material terms and conditions of the Securities Purchase Agreement.

Representations and Warranties

The Securities Purchase Agreement contains representations and warranties by the Company relating to, among other things, the Company’s corporate organization and capitalization, the due authorization of the Securities Purchase Agreement and the transactions contemplated thereby, the absence of conflicts with the Investment Transaction, the Company’s filings with the SEC (including the financial statements included therein), the Company’s capitalization, litigation, labor relations, regulatory permits and other matters, title to assets, material contracts, intellectual property, taxes, insurance, employee benefits, compliance with the Sarbanes-Oxley Act of 2002 and certain other applicable laws, and required third party approvals in connection with the Investment Transaction.

The Securities Purchase Agreement also contains representations and warranties by the Purchaser relating to, among other things, its status as an accredited investor and its investment intent.

Shareholders are not third-party beneficiaries under the Securities Purchase Agreement and should not construe the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, the Purchaser or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Securities Purchase Agreement, which subsequent information may or may not be fully reflected in the our public disclosures. The provisions of the Securities Purchase Agreement, including the representations and warranties, should not be read alone, but instead should only be read together with the information provided elsewhere in this document and in the documents incorporated by reference into this document, including the periodic and current reports and statements that the Company files with the SEC. For more information regarding these documents incorporated by reference, see “Where You Can Find More Information” and “Financial Information Incorporated by Reference” below.

Closing Conditions

The Securities Purchase Agreement provides that the obligations of the Purchaser to purchase the Shares and the Warrants and complete the other transactions contemplated by the Securities Purchase Agreement are subject to the fulfillment of certain closing conditions (unless otherwise waived by the Purchaser), including:

the representations and warranties of the Company contained in the Securities Purchase Agreement must be true and correct as of the closing date, except for representations and warranties which address matters only as of a particular date, which must be true and correct as of such date;

the Company must have performed and complied with all of its obligations, covenants and agreements contained in the Securities Purchase Agreement that are required to be performed or complied with by it on or before the closing date;

the Company's shareholders must have approved the Securities Purchase Agreement and the transactions contemplated thereby (if and to the extent required by applicable laws, rules and regulations or by the Company's governing documents);

the Common Stock must have continued to be listed on the NYSE Amex Stock Market on an uninterrupted basis from the date of the Securities Purchase Agreement until the closing date, and there must not be any facts or circumstances existing as of the closing that would reasonably be expected to result in the delisting of the Common Stock by the NYSE Amex Stock Market;

there must not have been a Material Adverse Effect (as defined in the Securities Purchase Agreement) with respect to the Company; and

the Purchaser must have completed, to its satisfaction, its due diligence review of the Company.

The Securities Purchase Agreement provides that the obligations of the Company to sell and issue the Shares and the Warrants and complete the other transactions contemplated by the Securities Purchase Agreement are subject to the fulfillment of certain closing conditions (unless otherwise waived by the Company), including:

the representations and warranties of the Purchaser contained in the Securities Purchase Agreement must be true and correct as of the closing date, except for representations and warranties which address matters only as of a particular date, which must be true and correct as of such date;

the Purchaser must have performed and complied with all of its obligations, covenants and agreements contained in the Securities Purchase Agreements that are required to be performed or complied with by it on or before the closing date; and

Accelr8's shareholders must have approved the Securities Purchase Agreement and the transactions contemplated thereby (if and to the extent required by applicable laws, rules and regulations or by the Company's governing documents).

Other Agreements of the Parties; Certain Covenants

Indemnification

The Securities Purchase Agreement provides for mutual indemnification provisions if either party suffers losses resulting from or relating to, among other things, the other party's misrepresentation and/or breach of its warranties or covenants under the Securities Purchase Agreement and other applicable transaction documents.

The Purchaser may elect to be indemnified in the form of a payment of cash by the Company to the Purchaser, or via the Company's issuance of that number of additional shares of Common Stock equal to the indemnification amount due and payable to the Purchaser divided by the average closing price of the Common Stock during the 90-day period immediately preceding the date of payment.

Listing of Common Stock

The Company has agreed to use its commercially reasonable best efforts to maintain the listing of the Common Stock on the NYSE Amex Stock Market and, failing that, any trading market, and, if required by the rules and regulations of the NYSE Amex Stock Market, to list all of the Shares on such trading market as promptly as practicable after the closing. The Company further agreed that, if the Company applies to have the Common Stock traded on any other trading market, it will include in such application all of the Shares, and will take such other action as is necessary to cause all of the Shares to be listed on such other trading market as promptly as reasonably practicable. The Company will take all action reasonably necessary to continue the quotation or listing and trading of the Common Stock on a trading market and will comply in all material respects with the Company's reporting, filing and other obligations under the bylaws and other rules and regulations of the applicable trading market.

No Solicitation

The Securities Purchase Agreement provides for certain limitations on the Company's ability to consider alternative transaction proposals and/or the Board's ability to change its recommendation with respect to the Securities Purchase Agreement and the Investment Transaction during the time period between the execution of the Securities Purchase Agreement and the closing of the Investment Transaction (or earlier termination of the Securities Purchase Agreement). These limitations are subject to certain exceptions and carve-outs. For more information, refer to Section 5.10 of the Securities Purchase Agreement, which is attached to this Proxy Statement as Annex A. Additional information regarding certain fees and expenses that would be payable by the Company in connection with its termination of the Securities Purchase Agreement under specified circumstances is set forth below.

Conduct of Business Pending the Closing

The Securities Purchase Agreement provides for certain limitations on the Company's conduct of its business during the time period between the execution of the Securities Purchase Agreement and the closing of the Investment Transaction (or earlier termination of the Securities Purchase Agreement). These limitations are subject to certain exceptions. For more information, refer to Section 5.12 of the Securities Purchase Agreement, which is attached to this Proxy Statement as Annex A.

Supplemental Listing Application

The Securities Purchase Agreement provides that, as soon as reasonably practicable but in no event later than April 27, 2012, the Company shall file a Supplemental Listing Application with the NYSE Amex Stock Market pertaining to, among other things, the issuance and sale of the Securities. The Company shall cooperate, and shall cause its counsel to cooperate, reasonably in connection with the preparation and filing of such Supplemental Listing Application. The Company shall not file the Supplemental Listing Application, or any amendment or supplement thereto, without providing the Purchaser and its counsel a reasonable opportunity to review and comment thereon (which comments shall be reasonably considered by the Company).

Amendment to Geimer Employment Agreement; Geimer Consulting Agreement

The Securities Purchase Agreement provides that the parties shall cooperate in good faith with Mr. Geimer to mutually agree upon, as soon as practicable and in any event prior to the closing of the Investment Transaction, the definitive forms of the Amendment to Geimer Employment Agreement and Geimer Consulting Agreement, which forms shall contain the key terms described on Exhibits A-1 and A-2 attached to the Securities Purchase Agreement and be executed and delivered in connection with the closing. For more information, refer to Annex A.

Registration Rights Agreement

In connection with the closing of the Investment Transaction, the Company will enter into a Registration Rights Agreement with the Purchaser pursuant to which the Purchaser and certain other parties will be granted certain demand and piggy-back registration rights, including for shelf registrations, with respect to the resale of the Securities. The form of Registration Rights Agreement is attached to the Securities Purchase Agreement as Exhibit C. For more information, refer to Annex A.

Warrants

In connection with the closing of the Investment Transaction, the Company will issue to the Purchaser (i) a warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$1.03 per share; and (ii) another warrant to purchase 7,000,000 shares of Common Stock at an exercise price of \$2.00 per share, with each warrant exercisable prior to the fifth anniversary of the closing of the Investment Transaction. The form of warrant is attached to the Securities Purchase Agreement as Exhibit D. For more information, refer to Annex A.

Transfer Restrictions

The Securities issuable to the Purchaser have not been registered under the Securities Act, nor under the securities laws of any state or other jurisdiction, and unless so registered may not be offered or sold in the United States or to U.S. persons except pursuant to applicable regulation or an exemption from the registration requirements of the Securities Act and applicable state securities laws. Accordingly, for the six (6)-month period beginning on the closing date, the Purchaser would not be permitted to transfer its interest in the Shares or the Warrants purchased under the Securities Purchase Agreement. The Purchaser would also be subject to contractual limitations on the transfer of the Securities, as described above.

As described above, in connection with the closing of the Investment Transaction, the Company will enter into a Registration Rights Agreement with the Purchaser pursuant to which the Purchaser and certain other parties will be granted certain demand and piggy-back registration rights, including for shelf registrations, with respect to the resale of the Securities.

Termination Rights

The Securities Purchase Agreement provides that it may be terminated by either or both of the parties under certain circumstances (including, in some instances, after shareholder approval has been obtained). For more information, refer to Article VI of the Securities Purchase Agreement, which is attached to this Proxy Statement as Annex A. Additional information regarding certain fees and expenses that would be payable by the Company in connection with its termination of the Securities Purchase Agreement under specified circumstances is set forth below.

Fees and Expenses

Pursuant to the Securities Purchase Agreement, the Company is required to pay the Purchaser a break-up fee equal to two percent of the equity value of the Company if (i) the Purchaser terminates the Securities Purchase Agreement because the Board (a) changes its recommendation to the shareholders to approve the transactions contemplated by the Securities Purchase Agreement, (b) refuses to confirm such recommendation when a takeover proposal from a person other than the Purchase is announced, or (c) does not oppose a takeover proposal from a person other than the Purchaser, or (ii) the Company terminates the Securities Purchase Agreement because, prior to the Company's stockholders approving the Securities Purchase Agreement, the Board authorizes the Company to enter into an alternative transaction that is superior to the Securities Purchase Agreement.

Additionally, pursuant to the Securities Purchase Agreement, the Company is required to pay the Purchaser a break-up fee equal to two percent of the equity value of the Company if (i) the Purchaser terminates the Securities Purchase Agreement because the Company breaches any representation, warranty or covenant and the shareholders did not approve the Securities Purchase Agreement at the Special Meeting or (ii) the Company or the Purchaser terminates the Securities Purchase Agreement (A) because the Securities Purchase Agreement did not close by July 2, 2012, as may be extended pursuant to the terms of the Securities Purchase Agreement, and the Company's shareholders did not approve the Securities Purchase Agreement at the Special Meeting or (B) because the Company's shareholders did not approve the Securities Purchase Agreement at the Special Meeting, provided that prior to such terminations described in clauses (i) and (ii) of this paragraph, a takeover proposal from a person other than the Purchaser has been publicly disclosed or communicated to the Company or Board and not withdrawn and within 12 months following the termination of the Securities Purchase Agreement the Company enters into a definitive agreement with respect to such takeover proposal.

The payment of the foregoing break-up fees is subject to certain exceptions set forth in the Securities Purchase Agreement. For more information, refer to Section 6.6 of the Securities Purchase Agreement, which is attached to this Proxy Statement as Annex A.

Other than as set forth above and as described elsewhere in this Proxy Statement, the Company and the Purchaser will each bear their own expenses in connection with the Securities Purchase Agreement and the Investment Transaction.

Governing Law

The Securities Purchase Agreement is governed by Arizona law.

**APPROVAL OF PROPOSED AMENDMENT TO ARTICLES OF INCORPORATION
TO INCREASE AUTHORIZED SHARES
(Proposal No. 2)**

Proposed Resolution

At the Special Meeting, shareholders will be asked to consider the following proposed resolution for approval:

“RESOLVED, that an amendment to the Company’s Articles of Incorporation, as amended, to increase the number of authorized shares of Common Stock by 26,000,000 shares, to a total of 45,000,000 shares, is hereby approved and adopted, and the appropriate officers of the Company are hereby authorized and directed to file Articles of Amendment with the Colorado Secretary of State to effect such amendment.”

Background

On April 20, 2012, the Board unanimously approved an amendment to our Articles of Incorporation, as amended, that would (i) increase the number of authorized shares of Common Stock by 26,000,000 shares, to a total of 45,000,000 shares, and (ii) permit the Company’s shareholders to take action by less than unanimous written consent in the manner contemplated by Colorado law, and directed the submission of the amendment for approval by the Company’s shareholders at the Special Meeting. The form of the proposed amendment to the Articles of Incorporation that provides for the Increase in the Authorized Shares Charter Amendment (this Proposal No. 2) and the Shareholder Action Charter Amendment (Proposal No. 3) is attached to this Proxy Statement as Annex B.

The Company’s Articles of Incorporation, as amended, currently authorize the Company to issue up to 19,000,000 shares of Common Stock. As of May 9, 2012, 11,103,367 shares of Common Stock were issued and outstanding. In addition, as of such date, 992,500 shares of Common Stock were reserved for issuance under the Company’s 1996 Incentive Stock Option Plan, 1996 Non-Qualified Stock Option Plan and the 2004 Omnibus Stock Option Plan, or in respect of issued and outstanding warrants to purchase Common Stock.

The proposed increase in the number of authorized shares of Common Stock is necessary for the Company to complete the Investment Transaction, including the issuance of 14,000,000 shares of Common Stock to the Purchaser at the closing and the potential issuance of up to 14,000,000 additional shares of Common Stock to the Purchaser upon its future exercise of some or all of the warrants to be issued at the closing. The Stock Plan Amendment to be considered for approval at the Special Meeting and the Mehren Option Grant also require that the Increase in the Authorized Shares Charter Amendment and the Shareholder Action Charter Amendment be approved.

Set forth below is a non-exhaustive list of factors that the Board considered when it unanimously approved, and recommended that our shareholders approve, the Increase in the Authorized Shares Charter Amendment.

- If the Increase in the Authorized Shares Charter Amendment is not approved, the Investment Transaction cannot be completed, because there are currently not enough authorized but unissued shares of Common Stock to accommodate the issuance of 14,000,000 shares to the Purchaser at the Closing. The Company and its management are aware of the Purchaser’s intent to acquire a controlling interest in the Company if and when the Investment Transaction is completed. The purposes and effects of the Investment Transaction, which the Board has approved and recommended that shareholders approve, are described in detail in this Proxy Statement.

- The Company only proposes to increase the number of authorized shares of Common Stock by 26,000,000 shares, even though 28,000,000 shares are potentially issuable to the Purchaser in connection with the Investment Transaction (assuming all of the warrants issued at the Closing are exercised in the future), and the Company is also proposing in this Proxy Statement to reserve an additional 5,000,000 shares for issuance under its 2004 Omnibus Stock Option Plan (see Proposal No. 4). In other words, after taking into account the shares that may be issued to the Purchaser in connection with the Investment Transaction and the shares reserved for issuance in respect of equity compensation awards, there will actually be fewer authorized but unissued shares of Common Stock available for the Company to use for transactions or other purposes that may have an anti-takeover effect.

- The Company does not currently have in effect any material anti-takeover measures. For example, the Board is not classified or staggered, the Company does not currently have any authorized or issued preferred stock, and the Company does not have a shareholder rights plan (or “poison pill”) in effect. Management does not presently intend to propose any such anti-takeover measures in future proxy solicitations.
- To the extent that the Increase in the Authorized Shares Charter Amendment and the other proposals described in this Proxy Statement are approved by our shareholders, and if the Investment Transaction is completed, the Purchaser will control a majority of the voting power of the Company. One overall effect of the Investment Transaction might be to render more difficult or to discourage a future merger, tender offer or proxy contest, other significant investment or strategic transaction relating to the Company, and the removal of incumbent management, even if such events might be favorable to the interests of shareholders other than the Purchaser and its affiliates. On the other hand, the Board believes that the Company may suffer certain adverse consequences if the Investment Transaction is not completed, as described in the “About the Meeting” section of this Proxy Statement.

Shareholders are encouraged to consider the above factors, as well as other factors that they deem relevant, in determining how to vote on Proposal No. 2.

If the Increase in the Authorized Shares Charter Amendment is approved by shareholders, it would become effective upon the filing of Articles of Amendment with the Colorado Secretary of State. Assuming the other proposals described in this Proxy Statement are also approved by shareholders (and the satisfaction or waiver of the other conditions to the closing of the Investment Transaction), the Company anticipates that such filing would occur promptly after the Special Meeting.

Shareholder Approval is Condition to Closing of Investment Transaction

Pursuant to the Securities Purchase Agreement, shareholder approval of this proposal is a condition to the closing of the Investment Transaction. In other words, if shareholders do not approve the Increase in the Authorized Shares Charter Amendment described herein, the Purchaser will not be obligated to complete the Investment Transaction even if shareholders vote to adopt the Securities Purchase Agreement and approve the Investment Transaction itself (Proposal No. 1 in this Proxy Statement).

Recommendation of the Board of Directors

After careful consideration, the Board has unanimously approved the Charter Amendment and determined that the terms of the Increase in the Authorized Shares Charter Amendment are advisable to, and in the best interests of, the Company and its shareholders. **Accordingly, the Board recommends that you vote “FOR” the approval of the Increase in the Authorized Shares Charter Amendment.**

Vote Required

In order for this Proposal No. 2 to be approved, a quorum must be present at the Special Meeting, and the affirmative vote of a majority of the total votes cast on the proposal at the Special Meeting, either in person or by proxy, is

required. Abstentions do not count as a vote cast. Assuming a quorum is present at the Special Meeting, abstentions and “broker non-votes” will have no effect on the outcome of the vote.

The Board unanimously recommends that shareholders vote “FOR” Proposal No. 2.

**APPROVAL OF PROPOSED AMENDMENT TO ARTICLES OF INCORPORATION
TO PERMIT SHAREHOLDER ACTION BY LESS THAN UNANIMOUS WRITTEN CONSENT
(Proposal No. 3)**

Proposed Resolution

At the Special Meeting, shareholders will be asked to consider the following proposed resolution for approval:

“RESOLVED, that an amendment to the Company’s Articles of Incorporation, as amended, to permit the Company’s shareholders to take action by less than unanimous written consent in the manner contemplated by Colorado law, is hereby approved and adopted, and the appropriate officers of the Company are hereby authorized and directed to file Articles of Amendment with the Colorado Secretary of State to effect such amendment.”

Background

On April 20, 2012, the Board unanimously approved an amendment to our Articles of Incorporation, as amended, that would (i) increase the number of authorized shares of Common Stock by 26,000,000 shares, to a total of 45,000,000 shares, and (ii) permit the Company’s shareholders to take action by less than unanimous written consent in the manner contemplated by Colorado law, and directed the submission of the amendment for approval by the Company’s shareholders at the Special Meeting. The form of the proposed amendment to the Articles of Incorporation that provides for the Increase in the Authorized Shares Charter Amendment (this Proposal No. 2) and the Shareholder Action Charter Amendment (Proposal No. 3) is attached to this Proxy Statement as Annex B.

Currently, the Company’s shareholders are not permitted to take action by written consent (in lieu of holding a meeting of the shareholders) unless such action is unanimous. Given the Company’s distributed shareholder base and large number of shareholders, it is therefore not feasible to take action by written consent. The Shareholder Action Charter Amendment would permit the Company’s shareholders to take action by less than unanimous written consent in the future, in the manner contemplated and permitted by Colorado law. Such authorization will permit the Company’s shareholders to take action more quickly and cost-effectively if or when the need arises.

If the Investment Transaction is completed, the Purchaser would hold approximately 55.8% of the issued and outstanding Common Stock immediately after the closing and assuming the Purchaser’s full exercise of the warrants to be issued in connection with the Investment Transaction (and no other issuances of Common Stock), the Purchaser would hold approximately 71.2% of the issued and outstanding Common Stock. As a result of the Shareholder Action Charter Amendment, following the closing of the Investment Transaction, the Purchaser will have the ability to take action without seeking the vote of or consent of the other shareholders in the Company.

The Shareholder Action Charter Amendment could have the effect of disenfranchising our minority shareholders so long as the Purchaser owns a majority of the outstanding voting shares. However, the Company will be required to continuously provide all of its shareholders with a notice of the action taken by way of an Information Statement filed with the United States Securities and Exchange Commission pursuant to Section 14 of the Securities Exchange Act of 1934. Accordingly, our shareholder base will always have access to all relevant information.

In addition, to the extent that the Purchaser continues to hold enough voting power following the closing of the Investment Transaction to control the outcome of certain proposals to be considered for approval by our shareholders, allowing the Purchaser to take action by written consent will not change the outcome of such proposals. Rather, the Shareholder Action Charter Amendment will facilitate more efficient action by our shareholders and potentially result in cost savings for the Company.

If the Shareholder Action Charter Amendment is approved by shareholders, the Company anticipates that the Board will adopt a similar amendment to the Company's bylaws at or shortly after the closing of the Investment Transaction.

Shareholder Approval is Condition to Closing of Investment Transaction

Pursuant to the Securities Purchase Agreement, shareholder approval of this proposal is a condition to the closing of the Investment Transaction. In other words, if shareholders do not approve the Shareholder Action Charter Amendment described herein, the Purchaser will not be obligated to complete the Investment Transaction even if shareholders vote to adopt the Securities Purchase Agreement and approve the Investment Transaction itself (Proposal No. 1 in this Proxy Statement).

Recommendation of the Board of Directors

After careful consideration, the Board has unanimously approved the Shareholder Action Charter Amendment and determined that the terms of the Shareholder Action Charter Amendment are advisable to, and in the best interests of, the Company and its shareholders. **Accordingly, the Board recommends that you vote "FOR" the approval of the Shareholder Action Charter Amendment.**

Vote Required

In order for this Proposal No. 3 to be approved, a quorum must be present at the Special Meeting, and the affirmative vote of a majority of the total votes cast on the proposal at the Special Meeting, either in person or by proxy, is required. Abstentions do not count as a vote cast. Assuming a quorum is present at the Special Meeting, abstentions and "broker non-votes" will have no effect on the outcome of the vote.

The Board unanimously recommends that shareholders vote "FOR" Proposal No. 3.

**APPROVAL OF PROPOSED AMENDMENT TO 2004 OMNIBUS STOCK PLAN
(Proposal No. 4)**

Proposed Resolution

At the Special Meeting, shareholders will be asked to consider the following proposed resolution for approval:

“RESOLVED, that an amendment to the Company’s 2004 Omnibus Stock Option Plan to increase the number shares of Common Stock available for issuance thereunder by 5,000,000 shares.”

Background

On April 20, 2012, the Board unanimously approved an amendment to the Company’s 2004 Omnibus Stock Option Plan (the “2004 Plan”) that would increase the number of shares of Common Stock available for issuance thereunder by 5,000,000 shares, and directed the submission of the amendment for approval by the Company’s shareholders at the Special Meeting. The form of the proposed Stock Plan Amendment and the 2004 Plan are attached as Annex C.

As of May 9, 2012, there were 500,000 shares of Common Stock authorized for issuance under the 2004 Plan, of which 495,000 shares have been reserved for awards made previously to the Company’s directors, officers, employees and consultants that were outstanding as of such date, options to acquire 5,000 shares had been exercised, leaving no shares available for award as of such date.

The Board considers the proposed increase in the number of shares of Common Stock available for issuance under the 2004 Plan desirable because it will give the Board the flexibility to issue additional awards to directors, officers, employees and consultants. The Board and management believe that this amount will be sufficient for the Company’s equity compensation needs for the foreseeable future. In addition, the increase is needed to provide for enough shares of Common Stock to issue upon the future exercise (if any) of the Mehren Option Grant and certain other options granted in connection with the Investment Transaction.

Set forth below is a summary of the principal provisions of the 2004 Plan, as amended by the proposed Stock Plan Amendment. The summary is qualified by reference to the full text of the proposed Stock Plan Amendment, which is attached to this Proxy Statement as Annex C.

Purpose

The purpose of the 2004 Plan is to promote the growth of the Company by permitting the Company to grant options (“Options”) to purchase shares of its Common Stock, to attract and retain the best available personnel for positions of substantial responsibility and to provide certain key employees, independent contractors, consultants, technical advisors and directors of the Company with a more direct stake in the future of the Company and provide an additional incentive to contribute to the success of the Company.

Administration

The 2004 Plan shall be administered by the Compensation Committee of the Board or any committee of the Board performing similar functions, as appointed from time to time by the Board (the “Committee”).

The Committee has the discretionary authority to determine the persons who are entitled to receive Options under the 2004 Plan, the type of Option to be granted under the 2004 Plan, the number of Options to be granted under the 2004 Plan, and to promulgate such other rules and regulations necessary and proper for the administration of the 2004 Plan.

-21-

Number of Shares Available for Options

As described under “Background” above, as of May 9, 2012, there were 500,000 shares of Common Stock authorized for issuance under the 2004 Plan, of which 495,000 shares have been reserved for awards made previously to the Company’s directors, officers, employees and consultants that were outstanding as of such date, options to acquire 5,000 shares had been exercised, leaving no shares available for award as of such date.

Subject to the provisions of the 2004 Plan, if an Option granted under the 2004 Plan terminates, expires, lapses or is cancelled for any reason without having been exercised in full, any Common Stock subject to the Option will again be Common Stock available for grant pursuant to the 2004 Plan.

Types of Options

Pursuant to the terms of the 2004 Plan, the Committee may grant either “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”) or nonqualified stock options under the 2004 Plan. Incentive stock options will be granted only to those participants who are employees of the Company. The exercise price of all incentive stock options granted under the 2004 Plan must be equal to the fair market value of such shares on the date of grant as determined by the Committee, based on guidelines set forth in the 2004 Plan. The exercise price of nonqualified stock options granted under the 2004 Plan shall be not less than 50% of the fair market value of a share on the date of grant of such Option. No Option may be exercised more than ten (10) years from the date of grant. Upon exercise of any Option, payment may be made in (i) in cash, or (ii) cash equivalents, or (iii) by other methods as determined by the Committee.

A participant will have none of the rights of a shareholder with respect to Options until the date of the issuance of stock certificates to the participant.

Eligibility

The Committee may, on behalf of the Company, grant Options to any key employee, independent contractor, consultant, technical advisor or director of the Company.

Certain Change in Control Transactions

All Options shall become immediately vested and exercisable upon the date on which the Company or its shareholders enter into an agreement to dispose of all or substantially all of the assets or Common Stock of the Company by means of sale, reorganization, liquidation or other similar transaction.

Non-transferability

No Option granted under the 2004 Plan may be sold, transferred, pledged, or assigned otherwise than by will or by the laws of descent and distribution. In addition, unless as otherwise determined by the Committee, shares of Common Stock acquired upon the exercise of an Option granted pursuant to the 2004 Plan shall not be transferable until six (6) months after the date of grant.

Amendment or Termination

The Committee may, at any time and from time to time, alter, amend, suspend or terminate the 2004 Plan in whole or in part; provided, however, that (i) any such action of the Committee is subject to the approval of the shareholders to the extent required by applicable law or regulation, and (ii) provisions of the 2004 Plan which govern the amount, price or timing of the award of an Option shall not be amended more than once every six (6) months. No amendment or termination shall, without the written consent of the holder of an Option, adversely affect the rights of such holder.

Tax Withholding

The Company and its subsidiaries have the power to withhold, or require a participant to remit to the Company, an amount sufficient to satisfy federal, state, and local withholding tax requirements on any Option awarded under the 2004 Plan.

Federal Income Tax Consequences of the 2004 Plan

The following is a brief summary of certain of the Federal income tax consequences of certain transactions under the 2004 Plan based on federal income tax laws in effect on January 1, 2012. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

Upon exercise of a nonqualified option, the participant will recognize ordinary taxable income in an amount equal to the difference between the amount paid for the Option, if any, and the fair market value of the Common Stock received on the date of exercise. The Company will be entitled to a concurrent income tax deduction equal to the ordinary income recognized by the participant.

A participant who is granted an incentive stock option will not recognize taxable income at the time of exercise. However, the excess of the Common Stock's fair market value over the Option price could be subject to the alternative minimum tax in the year of exercise (assuming the Common Stock received is not subject to a substantial risk of forfeiture or is transferable). If Common Stock acquired upon exercise of an incentive stock option is held for a minimum of two (2) years from the date of grant and one (1) year from the date of exercise, the gain or loss (in an amount equal to the difference between the sales price and the exercise price) upon disposition of the Common Stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any income tax deduction. If the holding period requirements are not met, the incentive stock option will not meet the requirements of the Code and the tax consequences described for nonqualified stock options will apply.

Shareholder Approval is Condition to Closing of Investment Transaction

Pursuant to the Securities Purchase Agreement, shareholder approval of this proposal is a condition to the closing of the Investment Transaction. In other words, if shareholders do not approve the Stock Plan Amendment described herein, the Purchaser will not be obligated to complete the Investment Transaction even if shareholders vote to adopt the Securities Purchase Agreement and approve the Investment Transaction itself (Proposal No. 1 in this Proxy Statement).

Recommendation of the Board of Directors

After careful consideration, the Board has unanimously approved the Stock Plan Amendment and determined that the terms of the Stock Plan Amendment are advisable to, and in the best interests of, the Company and its shareholders. **Accordingly, the Board recommends that you vote "FOR" the approval of the Stock Plan Amendment.**

Vote Required

In order for this Proposal No.4 to be approved, a quorum must be present at the Special Meeting, and the affirmative vote of a majority of the total votes cast on the proposal at the Special Meeting, either in person or by proxy, is required. Abstentions do not count as a vote cast. Assuming a quorum is present at the Special Meeting, abstentions and “broker non-votes” will have no effect on the outcome of the vote.

The Board unanimously recommends that shareholders vote “FOR” Proposal No. 4.

No contribution, premium payment or other payment has been made in support of any Benefit Plan that is in excess of the allowable deduction for federal income tax purposes for the year with respect to which the contribution was made. The Company’s books properly reflect all amounts required to be accrued as liabilities under each Benefit Plan.

(c) No “prohibited transactions” (as defined in Section 4975(c)(1) of the Code) or breaches of fiduciary duty of the Company, or director or officer of the Company, have occurred with respect to any of the Benefit Plans that would reasonably be expected to result in a liability to the Purchaser.

(d) There are no Actions (other than routine claims for benefits), either currently in progress, or, on the basis of facts or circumstances recognized by the Company, expected to be instituted in the future, against (i) any Benefit Plan, or (ii) any “fiduciary” of such plan (within the meaning of Section 3(21)(A) of ERISA) brought on behalf of any participant, beneficiary or fiduciary thereunder, or by any Governmental Authority.

Each such Benefit Plan has been timely amended to meet all requirements of the applicable remedial amendment period and IRS qualification requirements as necessary and appropriate to bring its provisions into compliance with current law. The Company and each of its Affiliates have not taken any action, or failed to take any action, that could reasonably be expected to cause any such Benefit Plan to lose its qualification or for any trust established in connection with such Benefit Plan to lose its exemption.

(h) Except for the payments due pursuant to the Amendment to Geimer Employment Agreement, neither the Company nor any Affiliate is a party to any agreement, contract or arrangement which requires it to make any bonus, severance or other payment, or requires it to accelerate the vesting or timing of payment of any compensation or benefit payment to any of its officers or employees by reason of a change in control of the Company, including the change in control effected by the consummation of the transactions contemplated by this Agreement. So long as the payments provided for on Exhibit A-1 are deemed to be allocated for the items set forth on that Exhibit (or as otherwise determined by Thomas V. Geimer), no amount paid or payable (whether in cash, in property, or in the form of benefits) by the Company in connection with the transactions contemplated hereby (either solely as a result thereof or as a result of such transactions in conjunction with any other event) will be an “excess parachute payment” within the meaning of Section 280G of the Code, or would constitute an “excess parachute payment” if such amounts were subject to the provisions of Section 280G of the Code. The Company has no obligation to make a “gross-up” or similar payment in respect of any taxes that may become payable under Section 4999 of the Code.

(i) There is no violation of ERISA or the Code with respect to the filing of applicable reports, documents or notices regarding any Benefit Plan with the Department of Labor, IRS or Pension Benefit Guarantee Corporation or the furnishing of such reports, documents or notices to the participants or beneficiaries of the Benefit Plans. (k) The Company and its Affiliates have, subject to requisite notice periods or other requirements contained in such Benefit Plans, reserved the right and power to terminate, suspend, discontinue and amend all Benefit Plans, including all welfare plans that provide benefits to any retiree or other former employee, and such right and power have been appropriately and satisfactorily communicated to all employees and participants.

(l) Neither the Company nor any of its Affiliates has any formal plan or commitment, whether or not legally binding, to create any additional Plan or modify or change any existing Benefit Plan in a manner that would impose any liability on Buyer or any of its Affiliates after the Closing Date, nor has any intention to do so been communicated to any current or former employees of the Company or any Affiliate thereof or their dependents, survivors or beneficiaries.

26 Securities Purchase Agreement

(b) Certificates evidencing the Securities will contain the following legend, so long as is required by this Section 5.1(b):

THESE SECURITIES HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES OR BLUE SKY LAWS. The Company shall cause its counsel to issue a legal opinion to the Company's transfer agent promptly after the Effective Date if requested by the Company's transfer agent to effect the removal of the legend hereunder. Following the Effective Date or at such earlier time as a legend is no longer required for the Shares under this Section 5.1(c), the Company will, no later than three (3) Trading Days following the delivery by the Purchaser to the Company or its transfer agent (with notice to the Company) of a certificate containing a restrictive legend and representing such Shares, endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the re-issuance and, if applicable, the transfer, together with any other deliveries from the Purchaser as may be required above in this Section 5.1(c), as directed by the Purchaser, either: (A) provided that the Company's transfer agent is participating in the DTC Fast Automated Securities Transfer Program (the "FAST Program") (or any successor program thereto), cause its transfer agent to credit the aggregate number of unrestricted Shares to which the Purchaser shall be entitled to the Purchaser's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian ("DWAC") system (or any successor program thereto), or (B) if the Company's transfer agent is not participating in the FAST Program, cause its transfer agent to issue and deliver (via reputable overnight courier) to the Purchaser a certificate representing such Shares that is free from all restrictive and other legends, registered in the name of the Purchaser or its designee.

(d) The Company may not make any notation on its records or give instructions to any transfer agent of the Company that enlarge the restrictions on transfer set forth in this Section 5.1.

5.2 Furnishing of Information. From the date of this Agreement until the Closing, and thereafter as long as the Purchaser owns any Securities, (i) the Company covenants to use its commercially reasonable efforts to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act which are required to be filed in order to satisfy the current public information requirements of Rule 144(c)(1), and (ii) if the Company is no longer subject to the periodic reporting requirements of the Exchange Act and Rule 144 is not available to the Purchaser (unless the Purchaser has waived compliance with this provision) with respect to any Securities held, the Company will prepare and furnish to the Purchaser and make publicly available in accordance with Rule 144(c)(2) such information as is required to enable the Purchaser to sell the Securities pursuant to and in compliance with Rule 144.

5.3 Securities Laws Disclosure: Publicity. The Company shall, by 4:30 p.m. Eastern time on the Business Day following the date of this Agreement, file a Current Report on Form 8-K disclosing the material terms of this Agreement and the transactions contemplated hereby; provided, that the actual time of filing of such Form 8-K shall be determined in mutual agreement with the Purchaser so long as it is filed in compliance with applicable Laws. The Company shall, by no later than 4:30 p.m. Eastern time on the Business Day following the date of the Closing (but earlier if requested by Purchaser), file a Current Report on Form 8-K disclosing (i) the results of the Company Stockholders Meeting, (ii) the Charter Amendment, (iii) the material terms of any other Transaction Documents entered into in connection with the Closing, and (iv) any other matters relating to the Transaction Documents or the transactions contemplated thereby, or any other matters affecting the Company not previously reported in a SEC Report, required to be reported in a Current Report on Form 8-K and requested by the Purchaser. In addition, the Company will make such other filings and notices in the manner and time required by the Commission and the principal Trading Market. Notwithstanding the foregoing, the Company shall not publicly disclose the email address, facsimile number or tax identification or similar number of the Purchaser. The Company shall provide the Purchaser with a reasonable opportunity to review and provide comments on (i) such Form 8-K prior to its filing with the Commission, and (ii) any press release issued by the Company relating to the Transaction Documents or any of the transactions contemplated thereby prior to its release.

5.4 Indemnification.

(a) Indemnification of Purchaser. The Company shall indemnify and hold the Purchaser and its shareholders, partners, members, managers, directors, officers, employees and agents (each, a "Purchaser Party") harmless from any and all Losses that any such Purchaser Party may suffer or incur as a result of or relating to any misrepresentation, any inaccuracy of any representation, or any breach of any warranty, covenant or agreement made by the Company in any Transaction Document; provided that such indemnity does not exceed, in the aggregate, the sum of the Investment Amount plus such Purchaser Party's reasonable attorneys' fees and other costs and expenses paid in defense, settlement, investigation and discovery subject to indemnification above. The Purchaser may elect to be indemnified in the form of a payment of cash by the Company to the Purchaser (or other applicable Purchaser Party), or via the Company's issuance of that number of additional shares of Common Stock equal to (i) the indemnification amount due and payable to the Purchaser (or other applicable Purchaser Party) divided by the average closing bid price of the Common Stock, as reported on the applicable Trading Market, during the 90-day period immediately preceding the date of payment.

(b) Indemnification of Company. The Purchaser shall indemnify and hold the Company and its shareholders, partners, members, managers, directors, officers, employees and agents (each, a "Company Party") harmless from any and all Losses that any such Company Party may suffer or incur as a result of or relating to any misrepresentation, any inaccuracy of any representation, or any breach of any warranty, covenant or agreement made by the Purchaser in any Transaction Document; provided that such indemnity does not exceed, with respect to the Purchaser, the sum of the

Investment Amount plus such Company Party's reasonable attorneys' fees and other costs and expenses paid in defense, settlement, investigation and discovery subject to indemnification above.

28 Securities Purchase Agreement

5.5 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would require the registration under the Securities Act of the sale of the Securities to the Purchaser or that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval of the sale of the Securities to the Purchaser unless stockholder approval is obtained before the closing of such subsequent transaction.

5.6 Stockholder Rights Plan. No claim will be made or enforced by the Company or, to the knowledge of the Company, any other Person that the Purchaser is an “Acquiring Person” under any stockholder rights plan or similar plan or arrangement in effect or hereafter adopted by the Company, or that the Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents.

5.7 Investment Company Act. The Company shall conduct its business in a manner so that it will not be required to register as an “investment company” under the Investment Company Act.

5.8 Non-Public Information. The Company warrants that the Company has not provided any material non-public information to the Purchaser in connection with this Agreement and the other Transaction Documents which will remain material and non-public following the disclosure contemplated by Section 5.3.

5.9 Listing of Common Stock. The Company hereby agrees to use its commercially reasonable best efforts to maintain the listing of the Common Stock on the principal Trading Market and, failing that, any Trading Market, and, if required by the rules and regulations of the principal Trading Market, to list all of the Shares on such Trading Market as promptly as practicable after the Closing. The Company further agrees that, if the Company applies to have the Common Stock traded on any other Trading Market, it will include in such application all of the Shares, and will take such other action as is necessary to cause all of the Shares to be listed on such other Trading Market as promptly as reasonably practicable. The Company will take all action reasonably necessary to continue the quotation or listing and trading of its Common Stock on a Trading Market and will comply in all material respects with the Company’s reporting, filing and other obligations under the bylaws and other rules and regulations of the applicable Trading Market.

5.10 No Solicitation.

(a) The Company shall not, and shall not authorize or permit its representatives to, directly or indirectly, solicit, initiate or knowingly take any action to facilitate or encourage the submission of any Takeover Proposal or the making of any proposal that could reasonably be expected to lead to any Takeover Proposal, or, subject to Section 5.10(b), (i) conduct or engage in any discussions or negotiations with, disclose any non-public information relating to the Company to, afford access to the business, properties, assets, books or records of the Company to, or knowingly assist, participate in, facilitate or encourage any effort by, any third party that is seeking to make, or has made, any Takeover Proposal, (ii) amend or grant any waiver or release under any standstill or similar agreement with respect to any class of equity securities of the Company, or (iii) enter into any agreement in principle, letter of intent, term sheet, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other contract relating to any Takeover Proposal (each, a “Company Acquisition Agreement”). Subject to Section 5.10(b), neither the Board nor any committee thereof shall fail to make, withdraw, amend, modify or materially qualify, in a manner adverse to the Purchaser, the Company Board Recommendation (as defined below), or recommend a Takeover Proposal, fail to recommend against acceptance of any tender offer or exchange offer for the shares of Common Stock within ten (10) Business Days after the commencement of such offer, or make any public statement inconsistent with the Company Board Recommendation, or resolve or agree to take any of the foregoing actions (any

of the foregoing, a “Company Adverse Recommendation Change”). The Company shall cease immediately and cause to be terminated, and shall not authorize or knowingly permit any of its representatives to continue, any and all existing activities, discussions or negotiations, if any, with any third party conducted prior to the date hereof with respect to any Takeover Proposal and shall use its commercially reasonable best efforts to cause any such third party (or its agents or advisors) in possession of non-public information in respect of the Company that was furnished by or on behalf of the Company to return or destroy (and confirm destruction of) all such information.

29 Securities Purchase Agreement

(b) Notwithstanding Section 5.10(a), prior to the receipt of the Required Stockholder Approval, the Board, directly or indirectly through any representative, may, subject to Section 5.10(c) (i) participate in negotiations or discussions with any third party that has made (and not withdrawn) a bona fide, unsolicited Takeover Proposal in writing that the Board believes in good faith, after consultation with outside legal counsel satisfactory to the Purchaser, constitutes or would reasonably be expected to result in a Superior Proposal, (ii) thereafter furnish to such third party non-public information relating to the Company pursuant to an executed confidentiality agreement (a copy of which confidentiality agreement shall be promptly (in all events within twenty-four (24) hours) provided for informational purposes only to the Purchaser), (iii) following receipt of and on account of a Superior Proposal, make a Company Adverse Recommendation Change, and/or (iv) take any action that any court of competent jurisdiction orders the Company to take (which order remains unstayed), but in each case referred to in the foregoing clauses (i) through (iv), only if the Board determines in good faith, after consultation with outside legal counsel satisfactory to the Purchaser, that the failure to take such action would reasonably be expected to cause the Board to be in breach of its fiduciary duties under applicable Law. Nothing contained herein shall prevent the Board from disclosing to the Company's stockholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the Exchange Act with regard to a Takeover Proposal, if the Company determines, after consultation with outside legal counsel satisfactory to the Purchaser, that failure to disclose such position would constitute a violation of applicable Law.

(c) The Board shall not take any of the actions referred to in clauses (i) through (iv) of Section 5.10(b) unless the Company shall have delivered to the Purchaser a prior written notice advising the Purchaser that it intends to take such action. The Company shall notify the Purchaser promptly (but in no event later than twenty-four (24) hours) after it obtains knowledge of the receipt by the Company (or any of its representatives) of any Takeover Proposal, any inquiry that would reasonably be expected to lead to a Takeover Proposal, any request for non-public information relating to the Company or for access to the business, properties, assets, books or records of the Company by any third party. In such notice, the Company shall identify the third party making, and details of the material terms and conditions of, any such Takeover Proposal, indication or request. The Company shall keep the Purchaser fully informed, on a current basis, of the status and material terms of any such Takeover Proposal, indication or request, including any material amendments or proposed amendments as to price and other material terms thereof. The Company shall provide the Purchaser with at least forty-eight (48) hours prior notice of any meeting of the Board (or such lesser notice as is provided to the members of the Board) at which the Board is reasonably expected to consider any Takeover Proposal. The Company shall promptly provide the Purchaser with a list of any non-public information concerning the Company's business, present or future performance, financial condition or results of operations, provided to any third party, and, to the extent such information has not been previously provided to the Purchaser, copies of such information.

30 Securities Purchase Agreement

(d) Except as set forth in this Section 5.10(d), the Board shall not make any Company Adverse Recommendation Change or enter into a Company Acquisition Agreement. Notwithstanding the foregoing, at any time prior to the receipt of the Required Stockholder Approval, the Board may make a Company Adverse Recommendation Change or enter into a Company Acquisition Agreement, if: (i) the Company promptly notifies the Purchaser, in writing, at least five (5) Business Days (the “Notice Period”) before making a Company Adverse Recommendation Change or entering into a Company Acquisition Agreement, of its intention to take such action with respect to a Superior Proposal, which notice shall state expressly that the Company has received a Takeover Proposal that the Board intends to declare a Superior Proposal and that the Board intends to make a Company Adverse Recommendation Change and/or the Company intends to enter into a Company Acquisition Agreement; (ii) the Company attaches to such notice the most current version of the proposed agreement (which version shall be updated on a prompt basis) and the identity of the third party making such Superior Proposal; (iii) the Company shall, and shall use its commercially reasonable best efforts to cause its representatives to, during the Notice Period, negotiate with the Purchaser in good faith to make such adjustments in the terms and conditions of this Agreement so that such Takeover Proposal ceases to constitute a Superior Proposal, if the Purchaser, in its discretion, proposes to make such adjustments (it being agreed that in the event that, after commencement of the Notice Period, there is any material revision to the terms of a Superior Proposal, including, any revision in price, the Notice Period shall be extended, if applicable, to ensure that at least three (3) Business Days remains in the Notice Period subsequent to the time the Company notifies the Purchaser of any such material revision (it being understood that there may be multiple extensions)); and (iv) the Board determines in good faith, after consulting with outside legal counsel satisfactory to the Purchaser, that such Takeover Proposal continues to constitute a Superior Proposal after taking into account any adjustments made by the Purchaser during the Notice Period in the terms and conditions of this Agreement.

5.11 Company Stockholders Meeting; Proxy Materials.

(a) Subject to the terms set forth in this Agreement, the Company shall take all action necessary to duly call, give notice of, convene and hold the Company Stockholders Meeting as soon as reasonably practicable after the date of this Agreement, and, in connection therewith, the Company shall mail a proxy statement to the holders of Common Stock in advance of such meeting. Except to the extent that the Board shall have effected a Company Adverse Recommendation Change as permitted by this Agreement, the Company’s proxy statement shall include the recommendation of the Board that the following proposals be approved at the Company Stockholders Meeting (the “Company Board Recommendation”): (i) the adoption and approval of this Agreement and the transactions contemplated hereby, (ii) the Charter Amendment, (iii) the change of control with respect to the Company that will occur if and when the transactions contemplated by this Agreement are consummated, (iv) the election to the Board of individuals nominated by the Purchaser (listed on Schedule 2.2(a)(ix)) and any applicable Rule 14f-1 notice requirements, (v) the Stock Incentive Plan Amendment, (vi) the Option Grant, and (vii) such other business as may be transacted at the Company Stockholders Meeting. The Company shall use commercially reasonable best efforts to (y) solicit from the holders of Common Stock proxies in favor of the adoption of this Agreement and approval of the transactions contemplated hereby (and the other proposals described above) and (z) take all other actions necessary or advisable to secure the vote or consent of the holders of Common Stock required by applicable Law to obtain such approval. The Company shall keep the Purchaser updated with respect to proxy solicitation results upon request. Once the Company Stockholders Meeting has been called and noticed, the Company shall not postpone or adjourn the Company Stockholders Meeting without the consent of the Purchaser (other than (1) in order to obtain a quorum of its stockholders or (2) as reasonably determined by the Company to comply with applicable Law). Notwithstanding anything contained herein to the contrary, the Company shall not be required to hold the Company Stockholders Meeting if this Agreement is terminated before the meeting is held.

(b) In connection with the Company Stockholders Meeting, as soon as reasonably practicable following the date of this Agreement but in no event later than April 27, 2012, the Company shall file a preliminary proxy statement with the Commission. Counsel to the Purchaser and counsel to the Company shall jointly prepare an initial draft of the preliminary proxy statement to be filed in connection with the Company Stockholders Meeting. The Company shall cooperate, and shall cause its counsel to cooperate, reasonably in connection with the preparation and filing of such preliminary proxy statement and the subsequent definitive proxy statement. The Company shall not file the proxy statement, or any amendment or supplement thereto, without providing the Purchaser a reasonable opportunity to review and comment thereon (which comments shall be reasonably considered by the Company). The Company shall use its commercially reasonable best efforts to resolve, and each party agrees to consult and cooperate with the other party in resolving, all Commission comments with respect to the proxy statement as promptly as practicable after receipt thereof and to cause the proxy statement in definitive form to be cleared by the Commission and mailed to the Company's stockholders as promptly as reasonably practicable following filing with the Commission. 6.5 Notice of Termination; Effect of Termination. The party desiring to terminate this Agreement pursuant to this ARTICLE VI (other than pursuant to Section 6.1) shall deliver written notice of such termination to each other party hereto specifying with particularity the reason for such termination, and any such termination in accordance with Section 6.5 shall be effective immediately upon delivery of such written notice to the other party. If this Agreement is terminated pursuant to this ARTICLE VI, it will become void and of no further force and effect, with no liability on the part of any party to this Agreement (or any stockholder, director, officer, employee, agent or representative of such party) to any other party hereto, except (i) with respect to this Section 6.5, Section 6.6 and ARTICLE VII (and any related definitions contained in any such Sections or Article), which shall remain in full force and effect and (ii) with respect to any liabilities or damages incurred or suffered by a party, to the extent such liabilities or damages were the result of fraud or the breach by another party of any of its representations, warranties, covenants or other agreements set forth in this Agreement.

6.6 Fees and Expenses Following Termination.

(a) If this Agreement is terminated by the Purchaser pursuant to Section 6.3(a), then the Company shall pay to the Purchaser (by wire transfer of immediately available funds), within two (2) Business Days after such termination, a fee in an amount equal to the Termination Fee.

(c) If this Agreement is terminated (i) by the Purchaser pursuant to Section 6.3(b), provided that the Required Stockholder Approval shall not have been obtained at the Company Stockholders Meeting (including any adjournment or postponement thereof) or (ii) by the Company or the Purchaser pursuant to (x) Section 6.2(a) hereof and provided that the Required Stockholder Approval shall not have been obtained at the Company Stockholders Meeting (including any adjournment or postponement thereof) or (y) Section 6.2(c) hereof and, in the case of clauses (i) and (ii) immediately above, (A) prior to such termination (in the case of termination pursuant to Section 6.2(a) or Section 6.3(b)) or the Company Stockholders Meeting (in the case of termination pursuant to Section 6.2(c)), a Takeover Proposal shall (1) in the case of a termination pursuant to Section 6.2(a) or Section 6.2(c), have been publicly disclosed and not withdrawn or (2) in the case of a termination pursuant to Section 6.3(b), have been publicly disclosed or otherwise made or communicated to the Company or the Board, and not withdrawn, and (B) within 6 (six) months following the date of such termination of this Agreement the Company shall have entered into a definitive agreement with respect to any Takeover Proposal, or any Takeover Proposal shall have been consummated (in each case whether or not such Takeover Proposal is the same as the original Takeover Proposal made, communicated or publicly disclosed), then in any such event the Company shall pay to the Purchaser (by wire transfer of immediately available funds), immediately prior to and as a condition to consummating such transaction, the Termination Fee. If a Person (other than the Purchaser) makes a Takeover Proposal that has been publicly disclosed and subsequently withdrawn prior to such termination or the Company Stockholders Meeting, as applicable, and, within 6 (six) months following the date of the termination of this Agreement, such Person or any of its controlled Affiliates makes a Takeover Proposal that is publicly disclosed, such initial Takeover Proposal shall be deemed to

have been “not withdrawn” for purposes of clauses (1) and (2) of this paragraph (c).

37 Securities Purchase Agreement

(d) Notwithstanding anything to the contrary set forth in this Section 6.6, until May 1, 2012, the Company shall not be responsible for paying any Termination Fee with respect to two (2) companies, which shall be identified by the Company in a sealed envelope delivered to the Escrow Agent. Such envelope shall be held pursuant to the terms of the Escrow Agreement and released to the Purchaser on the earlier of (i) May 1, 2012 or (ii) the Company's notice to the Purchaser of a Company Adverse Recommendation Change in accordance with Section 5.11 of this Agreement. In the event that the Board implements a Company Adverse Recommendation Change in respect of an unsolicited Takeover Proposal submitted by either of such companies, which Takeover Proposal results in a Company Acquisition Agreement or the termination of this Agreement, in lieu of the Termination Fee, the Company shall reimburse the Purchaser for up to \$80,000 of its documented out-of-pocket costs and expenses (including reasonable fees of counsel) incurred in connection with this Agreement and the transactions contemplated hereby.

(e) The Company acknowledges and hereby agrees that the provisions of this Section 6.6 are an integral part of the transactions contemplated by this Agreement, and that, without such provisions, the Purchaser would not have entered into this Agreement. If the Company shall fail to pay in a timely manner the amounts due pursuant to this Section 6.6, and, in order to obtain such payment, the Purchaser makes a claim against the Company that results in a judgment against the Company, the Company shall pay to the Purchaser the reasonable costs and expenses of the Purchaser (including its reasonable attorneys' fees and expenses) incurred or accrued in connection with such suit, together with interest on the amounts set forth in this Section 6.6 at the prime lending rate prevailing during such period as published in *The Wall Street Journal*. Any interest payable hereunder shall be calculated on a daily basis from the date such amounts were required to be paid until (but excluding) the date of actual payment, and on the basis of a 360-day year. The parties acknowledge and agree that in no event shall the Company be obligated to pay the Termination Fee on more than one occasion.

No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any

subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

39 Securities Purchase Agreement

7.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Purchaser. The Purchaser may assign any or all of its rights under this Agreement and any other Transaction Document to any Person to whom the Purchaser assigns or transfers any Securities; provided that such assignment or transfer is in accordance with this Agreement and the transferee agrees in writing to be bound, with respect to the transferred Securities, by the provisions hereof that apply to the Purchaser.

7.6 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns, and, to the extent set forth in Section 5.4(a) and Section 5.4(b), respectively, the Purchaser Parties and the Company Parties, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

7.7 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of Arizona, without regard to the principles of conflicts of law thereof. Each party agrees that all Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, employees or agents) may be commenced, and to the extent permitted by applicable law shall be commenced exclusively, in the state and federal courts sitting in Maricopa County, Arizona. Each party hereto hereby irrevocably submits to the jurisdiction of the Maricopa County, Arizona courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any such Maricopa County, Arizona court, or that such Proceeding has been commenced in an improper or inconvenient forum. To the extent permitted by applicable law, each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. If any party shall commence a Proceeding to enforce any provisions of a Transaction Document, then the prevailing party in such Proceeding shall be reimbursed by the other party for its attorney's fees and other costs and expenses actually incurred with the investigation, preparation and prosecution of such Proceeding.

7.8 Jury Trial Waiver. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY TO THIS AGREEMENT CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF A LEGAL ACTION, (ii) SUCH PARTY HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.8.

7.9 Survival. The representations, warranties, agreements and covenants contained herein shall survive the applicable Closing for a period of two (2) years; provided that the provisions of Section 5.4

shall survive with respect to Proceedings brought against an indemnified party by a third party.

7.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by the Company and the Purchaser, and such counterparts have been delivered to the signing Purchaser (in the case of the Company's signature) or the Company (in the case of the Purchaser's signature), it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile or electronic transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or electronic signature page were an original thereof.

7.11 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

7.12 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, the Purchaser and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agrees to waive in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

7.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) the Transaction Documents, whenever the Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then the Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

\$700,000 would be payable on July 1, 2013 and shall be allocated as follows, or as may be otherwise be designated in writing by Mr. Geimer:

In the event that Mr. Geimer shall employ counsel to collect upon any amounts due under his Amended and Restated Employment Agreement (as amended by the Amendment to Geimer Employment Agreement), the Company shall pay reasonable attorneys' fees incurred by Mr. Geimer for services of such counsel, including costs incurred in connection therewith, plus interest thereon at a rate of 18% per annum.

The \$75,000 deferred compensation agreement payment due to Mr. Geimer for the fiscal year ending July 31, 2012 shall be paid at the Closing.

EXHIBIT A-2

Geimer Consulting Agreement – Key Terms

Geimer shall be engaged as a consultant/independent contractor, effective immediately following the Closing. Geimer's engagement shall end on December 31, 2013, subject to customary termination rights in favor of both parties. However, if the Company shall terminate Mr. Geimer's consulting agreement prior to December 31, 2013, such termination shall have no impact on the Company's obligation to pay Mr. Geimer the full amounts due pursuant to the Geimer Consulting Agreement.

Geimer's duties shall include facilitating a positive transition and such other duties as the parties agree upon in the definitive Geimer Consulting Agreement.

From the Closing Date through December 31, 2012, Geimer's compensation under the Geimer Consulting Agreement shall be the same as the compensation payable to him under his current employment agreement plus \$20,000; provided, however, that the Geimer Consulting Agreement shall contain a "gross-up" provision in respect of additional taxes payable by Geimer during 2012 as a result of his transition from an employee to a consultant.

From January 1, 2013 through December 31, 2013, Geimer's aggregate consulting fee shall be \$96,000.

Amounts due to Mr. Geimer under the Geimer Consulting Agreement shall not be subject to any right of offset.

EXHIBIT C

REGISTRATION RIGHTS AGREEMENT

THIS Registration Rights Agreement (this “Agreement”) is made and entered into as of _____, 2012, by and among Accele8 Technology Corporation, a Colorado corporation (the “Company”), and Abeja Ventures, LLC, a Delaware limited liability company (the “Purchaser”).

RECITALS

WHEREAS, the Company and the Purchaser are parties to a Securities Purchase Agreement, dated as of April 20, 2012 (the “Purchase Agreement”), pursuant to which the Purchaser is purchasing 14,000,000 shares of common stock, no par value per share (“Common Stock”), of the Company; and

WHEREAS, in connection with the consummation of the transactions contemplated by the Purchase Agreement, and pursuant to the terms of the Purchase Agreement, the parties desire to enter into this Agreement in order to grant certain registration rights to the Purchaser as set forth below.

AGREEMENT

NOW, THEREFORE, IN CONSIDERATION of the mutual covenants contained in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Company and the Purchaser, intending to be legally bound, hereby agree as follows:

1. **Definitions.** Capitalized terms used and not otherwise defined herein that are defined in the Purchase Agreement shall have the meanings assigned to such terms in the Purchase Agreement. For all purposes of this Agreement, the following terms shall have the meanings set forth below:

“Commission” means the United States Securities and Exchange Commission.

“Effective Date” means the date that the Registration Statement is first declared effective by the Commission.

“Effectiveness Date” means the earlier of (a) the 90th day following the Request Date, and (b) the fifth Trading Day following the date on which the Company is notified by the Commission that the Registration Statement will not be reviewed or is no longer subject to further review and comments.

“Effectiveness Period” means the period from the Effective Date until the Termination Date.

“Filing Date” means the 30th day following the Request Date; provided, however, that this date may be tolled for as long as any Holder of Registrable Securities whose Registrable Securities are to be included in the registration statement has failed to provide the Company with reasonably and customarily requested information.

“Holder” means a holder from time to time of Registrable Securities.

“Necessary Holders” means, at any time of determination, any combination of Holders then holding a majority of the outstanding Registrable Securities that were originally purchased pursuant to the Purchase Agreement.

“Original Purchaser” means with respect to the Securities held by any Holder, the Purchaser (which may be the Holder) which purchased the Shares held by such Holder from the Company on the Closing Date.

“Prospectus” means the prospectus included in a Registration Statement (including a prospectus that includes any information previously omitted from a prospectus filed as part of an effective registration statement in reliance upon Rule 430A promulgated by the Commission under the Securities Act), as amended or supplemented by any prospectus supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by the Registration Statement, and all other amendments and supplements to the Prospectus, including post-effective amendments, and all material incorporated by reference or deemed to be incorporated by reference in such Prospectus.

“Registrable Securities” means (i) the Securities, (ii) all shares of Common Stock held or beneficially owned by Thomas V. Geimer as of the date hereof (including shares of Common Stock underlying the Rabbi Trust, dated _____), (iii) all shares of Common Stock (including shares of Common Stock issuable pursuant to warrants) that were not sold pursuant to the Purchase Agreement but that have attendant registration rights as of the date of the Purchase Agreement and for which disclosure has been publicly made in the Company’s filings with the Commission, and (iii) any shares of Common Stock or other securities issued upon any stock split or similar event in respect of, or as a dividend or other distribution upon, any of the foregoing Securities, until such time as such securities (1) have been sold to the public pursuant to a registration statement or other means such that they are no longer “restricted securities” under the Securities Act, or (2) have become Rule 415 Cutback Securities.

“Registration Statement” means the registration statement required to be filed hereunder in accordance with Section 2(a), including (in each case) the Prospectus, amendments and supplements to such registration statement or Prospectus (including pre- and post-effective amendments), all exhibits thereto, and all material incorporated by reference or deemed to be incorporated by reference in such registration statement.

“Request Date” means the date one or more Holders holding in the aggregate not less than 25% of all Registrable Securities requests the Company in writing to register any of its Registrable Securities pursuant to this Agreement; provided that such Holders may make a demand for such registration under this Agreement more than three times.

“Rule 415” means Rule 415 promulgated by the Commission pursuant to the Securities Act, as such Rule may be amended from time to time, or any similar rule or regulation hereafter adopted by the Commission having substantially the same effect as such Rule.

“Rule 424” means Rule 424 promulgated by the Commission pursuant to the Securities Act, as such Rule may be amended from time to time, or any similar rule or regulation hereafter adopted by the Commission having substantially the same effect as such Rule.

“Special Counsel” means such attorney or law firm as shall be designated by one or more Holders holding no less than a majority of the outstanding Registrable Securities. If no Special Counsel is designated, then the obligations of the Company associated with Special Counsel shall not apply.

“Termination Date” means the earlier to occur of (i) the date which is five years after the date that the Registration Statement is declared effective by the Commission, and (ii) the date when all Registrable Securities which are (or pursuant to Section 2(a) may be) covered by the Registration Statement have been sold or may be sold by all Holders without volume or manner of sale limitations pursuant to Rule 144, as determined by the counsel to the Company; provided that if requested by the Company’s transfer agent, such determination shall be made, at the Company’s expense, pursuant to a written opinion letter to such effect, addressed and acceptable to such transfer agent.

2. Registration.

(a) Filing of Registration Statement. On or prior to the Filing Date, the Company shall prepare and file with the Commission a registration statement covering the resale of all Registrable Securities not already covered by an existing and effective Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415. The Registration Statement shall be on Form S-3 (except if the Company is not then eligible to register the Registrable Securities on Form S-3 for resale, in which case such registration shall be on another appropriate form in accordance herewith) and shall contain (except if otherwise agreed by the Holders) the “Plan of Distribution” attached hereto as Appendix A. The Company shall cause the Registration Statement to be declared effective under the Securities Act as soon as possible but, in any event, not later than the Effectiveness Date, and shall use its best efforts to keep the Registration Statement continuously effective under the Securities Act until the Termination Date. The Company shall not be obligated to enter into any underwriting agreement for the sale of any of the Registrable Securities.

(b) Cutback Securities. Notwithstanding the provisions of this Section 2, if (i) after the Effective Date, the Registration Statement ceases to be effective and available to the Holders as to all of the Registrable Securities (whether upon the delivery of a notice pursuant to Section 6(d) or otherwise) at any time prior to the Termination Date without becoming available to the Holders as to all of the Registrable Securities within 20 Trading Days pursuant to the delivery of an Advice, or (ii) at the time of effectiveness of the Registration Statement, such Registration Statement is not available to the Holders as to all of the Registrable Securities; in either case, caused by the assertion by the Commission that the number of shares proposed to be registered under the Registration Statement constitutes an offering by or on behalf of the Company not at a fixed price, the Company shall use its best efforts to register the maximum number of shares permissible by the Commission to retain the status of the offering as a secondary offering under Rule 415. In reducing the number of shares to be registered under the Registration Statement, the Company shall omit Registrable Securities (such omitted Registrable Securities, the “Rule 415 Cutback Securities”) *pro rata* per Holder based on the number of Shares held by the respective Holders. Except as provided in the sentence next preceding, the Company shall not be liable to any Holder for any damages in respect of its failure to register Rule 415 Cutback Securities for resale under the Securities Act or any state securities or “blue sky” laws.

(c) Registration Statement Questionnaire. In connection with a registration request made by a Holder pursuant to Section 2(a) and from time to time thereafter, the Company may require a selling Holder to furnish to the Company a Registration Statement Questionnaire in form and substance reasonably acceptable to the Company based on information required by the Commission. Each Holder shall furnish the information required in a Registration Statement Questionnaire within five Trading Days of the Company’s request.

(d) Piggy-Back Registrations. If at any time prior to the Termination Date an effective Registration Statement is not available for the resale of all Registrable Securities, and the Company determines to prepare and file with the Commission a registration statement under the Securities Act relating to an offering for its own account or the account of others of any of its equity securities, other than on Form S-4 or Form S-8 (each as promulgated under the Securities Act) or their then equivalents relating to equity securities to be issued solely in connection with any acquisition of any entity or business or equity securities issuable in connection with stock option or other employee benefit plans, then the Company shall send to each Holder written notice of such determination and, if within 15 days after the date of such notice, any such Holder shall so request in writing, the Company shall include in such registration statement all or any part of the Registrable Securities such Holder requests to be registered, subject to customary underwriter cutbacks applicable to all holders of registration rights.

3. Registration Procedures. In connection with the Company's registration obligations hereunder, the Company shall:

(a) Holder Review. Not less than two Trading Days prior to the filing of the Registration Statement or any related Prospectus or any amendment or supplement thereto (other than a supplement which attaches a previously filed SEC Report), the Company shall furnish to the Holders and the Special Counsel (if any has been designated) copies of all such documents proposed to be filed, which documents will be subject to the review of such Holders and such Special Counsel. The Company shall not file the Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Holders of a majority of the Registrable Securities or the Special Counsel shall reasonably object in good faith.

(b) Filing; Compliance. (i) Prepare and file with the Commission such amendments, including post-effective amendments, to the Registration Statement and the Prospectus used in connection therewith as may be necessary to keep the Registration Statement continuously effective as to the applicable Registrable Securities for the Effectiveness Period and prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement, and as so supplemented or amended to be filed pursuant to Rule 424; (iii) respond as promptly as reasonably practicable, and in any event within 15 days, to any comments received from the Commission with respect to the Registration Statement or any amendment thereto and, as promptly as reasonably practicable provide the Holders true and complete copies of all correspondence from and to the Commission relating to the Registration Statement (except, with respect to any Holder who does not waive this parenthetical, to the extent such correspondence would disclose material non-public information to a Holder); and (iv) comply in all material respects with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by the Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders thereof set forth in the Registration Statement as so amended or in such Prospectus as so supplemented. Notwithstanding the foregoing, the Company shall not be in breach of its obligations under this Section in the event the delay or inability in filing with the Commission is due to the failure of any Holder of Registrable Securities whose Registrable Securities are to be included in a filing to respond or provide information that is requested in a reasonable and customary fashion.

(c) Notices. Notify the Holders of Registrable Securities to be sold and the Special Counsel as promptly as reasonably possible (and, in the case of clause (i)(A) next below, not less than three Trading Days prior to such filing) and (if requested by any such Person) confirm such notice in writing no later than two Trading Days following the day (i)(A) when a Prospectus or any Prospectus supplement (other than a supplement which attaches a previously filed SEC Report) or post-effective amendment to the Registration Statement is proposed to be filed; (B) when the Commission notifies the Company whether there will be a "review" of such Registration Statement and whenever the Commission comments in writing on such Registration Statement (the Company shall provide true and complete copies thereof and all written responses thereto to each of the Holders, except, with respect to any Holder who does not waive this parenthetical, to the extent such correspondence would disclose material non-public information); and (C) with respect to the Registration Statement or any post-effective amendment, when the same has become effective; (ii) of any request by the Commission or any other Governmental Authority during the period of effectiveness of the Registration Statement for amendments or supplements to the Registration Statement or Prospectus or for additional information; (iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any

Proceeding for such purpose; and (v) of the occurrence of any event or passage of time that makes the financial statements included in the Registration Statement ineligible for inclusion therein or any statement made in the Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to the Registration Statement, Prospectus or other documents so that, in the case of the Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

4

- (d) Stop Orders. Use its reasonable best efforts to avoid the issuance of, or, if issued, obtain the withdrawal as promptly as reasonably practicable of, (i) any order suspending the effectiveness of the Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction.
- (e) Copy of Registration Statement. Furnish to each Holder, without charge, at least one conformed copy of each Registration Statement and each amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference, and all exhibits to the extent requested by such Person (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission.
- (f) Copies of Prospectus. Promptly deliver to each Holder, without charge, as many copies of the Prospectus or Prospectuses (including each form of prospectus) and each amendment or supplement thereto as such Persons may reasonably request. The Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto, except after the giving of any notice pursuant to Section 1(c) to discontinue disposition of Registrable Securities pursuant to the Registration Statement.
- (g) Blue Sky Laws. Prior to any public offering of Registrable Securities, use its commercially reasonable efforts to register or qualify or cooperate with the selling Holders in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of all jurisdictions within the United States as any Holder reasonably requests in writing, to keep each such registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or subject the Company to any material tax in any such jurisdiction where it is not then so subject or file a general consent to service of process in any such jurisdiction.
- (h) Share Certificates. Cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to the Registration Statement, which certificates shall be free, to the extent permitted by the Purchase Agreement, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holders may request in writing a reasonable period of time prior to any sale of Registrable Securities.
- (i) Updates. Upon the occurrence of any event contemplated by Section 1(c)(v), as promptly as reasonably possible, prepare a supplement or amendment, including a post-effective amendment, to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither the Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(j) Commission Rules. Comply in all material respects with all applicable rules and regulations of the Commission.

4. Registration Expenses. All fees and expenses incident to the performance of or compliance with this Agreement by the Company shall be borne by the Company whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include (i) all registration and filing fees (including fees and expenses (A) with respect to filings required to be made with any Trading Market, and (B) in compliance with applicable state securities or Blue Sky laws), (ii) printing expenses (including expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is reasonably requested by the Holders of a majority of the Registrable Securities included in the applicable Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) reasonable fees and disbursements of counsel for the Company and up to \$5,000 of the fees and disbursements of Special Counsel (but only if a Special Counsel is designated), (v) Securities Act liability insurance, if the Company so desires such insurance, and (vi) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement. In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit and the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required under this Agreement or the Purchase Agreement. In no event shall the Company be responsible for any broker or similar commissions, or, except to the extent provided for in the preceding sentence, any legal fees or other costs of the Holders.

5. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Holder, the officers, directors, agents, employees, and investment advisors of each Holder, each Person who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder, and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all Losses, as incurred, arising out of or relating to any untrue or alleged untrue statement of a material fact contained in the Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (1) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto (it being understood that each Holder has approved Appendix A for this purpose) or (2) in the case of an occurrence of an event of the type specified in Section 1(c)(ii)-(v), the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated by Section 6(d). The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding of which the Company is aware in connection with the transactions contemplated by this Agreement.

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its officers, directors, agents and employees, each Person who controls (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) the Company, and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising solely out of or based solely upon (x) such Holder's failure to comply with the prospectus delivery requirements of the Securities Act, or (y) any untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto, or arising solely out of or based solely upon any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading to the extent, but only to the extent, that (1) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in the Registration Statement (it being understood that each Holder has approved Appendix A for this purpose), such Prospectus or such form of Prospectus or in any amendment or supplement thereto or (2) in the case of an occurrence of an event of the type specified in Section 1(c) (ii)-(v), the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated by Section 6(d); provided, however, that in no event shall the liability of any Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings.

(i) Notice. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "Indemnifying Party") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with the defense thereof; provided that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have proximately and materially adversely prejudiced the Indemnifying Party.

(ii) Separate Counsel. An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties, unless (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and the reasonable fees and expenses of one separate counsel shall be at the expense of the Indemnifying Party).

(iii) Settlement. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

(iv) Fees and Expenses. All reasonable fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section 5) shall be paid to the Indemnified Party, as incurred, within ten (10) Trading Days of written notice thereof to the Indemnifying Party (regardless of whether it is ultimately determined that an Indemnified Party is not entitled to indemnification hereunder; provided that the Indemnifying Party may require such Indemnified Party to undertake to reimburse all such fees and expenses to the extent it is finally judicially determined that such Indemnified Party is not entitled to indemnification hereunder).

(k) Contribution.

(i) Relative Fault. If a claim for indemnification under Section 5(a) or Section 5(b) is unavailable to an Indemnified Party (by reason of public policy or otherwise), then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact required to be stated or necessary to make the statements not misleading, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 5(c), any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section 5 were available to such party in accordance with its terms. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 1(k) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph.

(ii) Limitations. Notwithstanding the provisions of this Section 1(k), no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, except in the case of fraud by such Holder.

(iii) Non-Exclusive. The indemnity and contribution agreements contained in this Section 1(k) are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties.

6. Miscellaneous.

(a) Remedies. In the event of a breach by the Company or by any Holder of any of its respective obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Company and each Holder agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate. Notwithstanding the foregoing, the Holders shall have no right to take any action to restrain, enjoin or otherwise delay any registration statement filed by or proposed to be filed by the Company as a result of any controversy that may arise with respect to the interpretation or implementation of this Agreement.

(b) No Piggyback on Registrations. The Company represents and warrants to, and agrees with, the Holders that (i) neither the Company nor any of its security holders may include securities of the Company in the Registration Statement, other than the Registrable Securities, and the Company shall not after the date hereof enter into any agreement providing any such right to any of its security holders without the written consent of the Necessary Holders, and (ii) except as disclosed in or attached to the Company's filings with the Commission, the Company has not previously entered into any agreement granting any registration rights with respect to any of its securities to any Person which have not been fully satisfied.

(c) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it in connection with sales of Registrable Securities pursuant to the Registration Statement.

(d) Discontinued Disposition. Each Holder agrees by its acquisition of such Registrable Securities that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 1(c), such Holder will forthwith discontinue disposition of such Registrable Securities under the Registration Statement until such Holder's receipt of the copies of the supplemented Prospectus and/or amended Registration Statement or until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus may be resumed, and, in either case, has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus or Registration Statement. The Company may provide appropriate stop orders to enforce the provisions of this Section 6(d).

(e) Regulation M. Each Holder agrees not to take any action with respect to any distribution deemed to be made pursuant to any Registration Statement which would constitute a violation of Regulation M under the Exchange Act or any other applicable rule, regulation or law.

(f) Amendments and Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by the Company and Necessary Holders (provided, however, that any such amendment that adversely affects any Holder or class of Holders in a manner that does not apply uniformly to all Holders, Shares, or Registrable Securities, as applicable, shall require the written consent of such adversely affected Holders or class) or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought; provided, however, that a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of certain Holders or Registrable Securities and that does not directly or

indirectly affect the rights of other Holders or Registrable Securities must be given by all Holders or all Holders of such Registrable Securities, as the case may be, to which such waiver or consent relates; and, provided, further, that the provisions of the proviso next preceding may be amended, modified, or supplemented only with the consent of all Holders. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

The Company may not assign its rights or obligations hereunder except (1) with the prior written consent of each Holder, (2) to its successors. Each Holder may assign their respective rights hereunder in the manner and to the Persons permitted under the Purchase Agreement.

(i) Execution and Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile or electronic transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or electronic signature page were an original thereof.

(j) Governing Law. Each party agrees that all Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement (whether brought against a party hereto or its respective Affiliates, employees or agents) may be commenced, and to the extent permitted by applicable law shall be commenced exclusively, in the state and federal courts sitting in Maricopa County, Arizona. (l) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

The obligations of each Holder hereunder are several and not joint with the obligations of any other Holder hereunder, and no Holder shall be responsible in any way for the performance of the obligations of any other Holder hereunder. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Holder pursuant hereto or thereto, shall be deemed to constitute the Holders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Holders constitute a "group" or are in any way acting in concert with respect to such obligations or the transactions contemplated by this Agreement. Each Holder shall be entitled to protect and enforce its rights, including the rights arising out of this Agreement, and it shall not be necessary for any other Holder to be joined as an additional party in any proceeding for such purpose.

APPENDIX A

Plan of Distribution

The selling stockholder may, from time to time, sell any or all of its shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling stockholder may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
 - block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
 - purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
 - an exchange distribution in accordance with the rules of the applicable exchange;
 - privately negotiated transactions;
 - short sales;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
 - any other method permitted pursuant to applicable law.

The selling stockholder may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

The selling stockholder may also engage in short sales against the box, puts and calls and other transactions in our securities or derivatives of our securities and may sell or deliver shares in connection with these trades.

Broker-dealers engaged by the selling stockholder may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholder (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholder does not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares of common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by the selling stockholder. The selling stockholder may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares if liabilities are imposed on that person under the Securities Act.

In connection with the sale of our common stock or interests therein, the selling stockholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholder may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholder may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholder may from time to time pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus after we have filed an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933 amending the list of selling stockholder to include the pledgee, transferee or other successors in interest as selling stockholder under this prospectus.

The selling stockholder also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus and may sell the shares of common stock from time to time under this prospectus after we have filed an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933 amending the list of selling stockholder to include the pledgee, transferee or other successors in interest as selling stockholder under this prospectus.

The selling stockholder and any broker-dealers or agents that are involved in selling the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares of common stock purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

We are required to pay all fees and expenses incident to the registration of the shares of common stock. We have agreed to indemnify the selling stockholder against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

The selling stockholder has advised us that they have not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of their shares of common stock, nor is there an underwriter or coordinating broker acting in connection with a proposed sale of shares of common stock by the selling stockholder. If we are notified by the selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of shares of common stock, if required, we will file a supplement to this prospectus. If the selling stockholder uses this prospectus for any sale of the shares of common stock, it will be subject to the prospectus delivery requirements of the Securities Act.

The anti-manipulation rules of Regulation M under the Securities Exchange Act of 1934 may apply to sales of our common stock and activities of the selling stockholder.

EXHIBIT D

Form of Warrant

NEITHER THIS WARRANT, NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THIS WARRANT (COLLECTIVELY, THE "SECURITIES"), HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR UNDER ANY STATE SECURITIES OR BLUE SKY LAWS. THE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE OFFERED, SOLD, PLEDGED, HYPOTHECATED OR OTHERWISE TRANSFERRED EXCEPT AS PERMITTED UNDER THE SECURITIES ACT AND APPLICABLE STATE SECURITIES OR BLUE SKY LAWS, PURSUANT TO REGISTRATION OR QUALIFICATION OR EXEMPTION THEREFROM. INVESTORS SHOULD BE AWARE THAT THEY MAY BE REQUIRED TO BEAR THE FINANCIAL RISKS OF THIS INVESTMENT FOR AN INDEFINITE PERIOD OF TIME. THE ISSUER OF THE SECURITIES MAY REQUIRE AN OPINION OF COUNSEL IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE ISSUER TO THE EFFECT THAT ANY PROPOSED TRANSFER IS IN COMPLIANCE WITH THE SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES OR BLUE SKY LAWS.

ACCEL8 TECHNOLOGY CORPORATION

WARRANT

Warrant No. [___] Date of Issuance: [_____, 2012]¹

Accel8 Technology Corporation, a Colorado corporation (the "Company"), hereby certifies that, for value received, Abeja Ventures, LLC, a Delaware limited liability company, or its registered assign (the "Holder"), is entitled to purchase from the Company 7,000,000 shares (as adjusted from time to time as provided in Section 11) of common stock, no par value per share, of the Company (the "Common Stock") (each such share, a "Warrant Share" and all such shares, the "Warrant Shares"), at an exercise price determined pursuant to Section 3 (the "Exercise Price"), at any time and from time to time from and after the date hereof through and including the date that is five (5) years following the date of issuance set forth above (the "Expiration Date"), and subject to the following terms and conditions:

1. Purchase Agreement. This Warrant is one of two Warrants (collectively, the "Warrants") issued by the Company in connection with that certain Securities Purchase Agreement, entered into on April 20, 2012 (the "Purchase Agreement"), by and among the Company and Holder, and is subject to, and the Company and the Holder shall be bound by, all the applicable terms, conditions and provisions of the Purchase Agreement.
2. Definitions. In addition to the terms defined elsewhere in this Warrant, capitalized terms that are not otherwise defined herein shall have the meanings assigned to such terms in the Purchase Agreement.
3. Exercise Price. This Warrant may be exercised for a price per Warrant Share equal to \$[_____]², subject to adjustment from time to time pursuant to Section 11.
4. Registration of Warrant. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

¹ Note to Draft: Warrant to be issued on Closing Date.

² Note to Draft: Exercise Price will be \$1.03 for Warrant #1 and \$2.00 for Warrant #2 pursuant to Purchase Agreement.

5. Registration of Transfers. Subject to the Holder's appropriate compliance with the restrictive legend on this Warrant, the Company shall register the transfer of any portion of this Warrant in the Warrant Register, upon surrender of this Warrant, with the Form of Assignment substantially in the form attached hereto as Attachment B duly completed and signed, to the Company at its address specified herein. Upon any such registration or transfer, a new Warrant to purchase Common Stock, in substantially the form of this Warrant (any such new Warrant, a "New Warrant"), evidencing the portion of this Warrant so transferred shall be issued to the transferee and a New Warrant evidencing the remaining portion of this Warrant not so transferred, if any, shall be issued to the transferring Holder. The acceptance of the New Warrant by the transferee thereof shall be deemed the acceptance by such transferee of all of the rights and obligations of a holder of a Warrant.

6. Exercise and Duration of Warrants. This Warrant shall be exercisable by the registered Holder at any time and from time to time on or after the date hereof to and including the Expiration Date. At 6:30 p.m., New York City time, on the Expiration Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value. The Company may not call or redeem all or any portion of this Warrant without the prior written consent of the Holder.

7. Delivery of Warrant Shares.

(a) To effect conversions hereunder, the Holder shall not be required to physically surrender this Warrant unless the aggregate number of Warrant Shares represented by this Warrant is being exercised. Upon delivery of an Exercise Notice substantially in the form attached hereto as Attachment A (an "Exercise Notice") to the Company at its address for notice determined as set forth herein, and upon payment of the applicable Exercise Price multiplied by the number of Warrant Shares that the Holder intends to purchase hereunder, the Company shall promptly (but in no event later than five (5) trading days after the Date of Exercise (as defined below)) issue and deliver, or cause its transfer agent to issue and deliver, to the Holder a certificate for the Warrant Shares issuable upon such exercise registered in the name of the Holder or its designee. A "Date of Exercise" means the date on which the Holder shall have delivered to the Company: (i) an Exercise Notice, appropriately completed and duly signed, and (ii) payment of the Exercise Price (by certified or official bank check, intra-bank account transfer or wire transfer) for the number of Warrant Shares so indicated by the Holder to be purchased.

(b) If by the fifth trading day after a Date of Exercise the Company fails to deliver the required number of Warrant Shares in the manner required pursuant to Section 7(a), the Holder will have the right to rescind such exercise.

(c) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

8. Charges, Taxes and Expenses. Issuance and delivery of certificated or uncertificated shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee, or other incidental tax or expense in respect of the issuance of such shares, all of which taxes and expenses shall be paid by the Company; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.
9. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a new Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity (which shall not include a surety bond), if requested. Applicants for a new warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a new warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver this mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the new warrant.
10. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from Liens or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 11). The Company covenants and warrants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and non-assessable.
11. Certain Adjustments. The number of Warrant Shares issuable upon exercise of this Warrant is subject to adjustment from time to time as set forth in this Section 11.
- (a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of any Warrants), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of Common Stock any shares of capital stock of the Company; then in each such case (A) the Exercise Price will be adjusted by multiplying the Exercise Price then in effect by a fraction, the numerator of which equals the number of shares of Common Stock outstanding immediately prior to such event (excluding treasury shares, if any), and the denominator of which equals the number of shares of Common Stock outstanding immediately after such event, and (B) the number of Warrant Shares issuable hereunder shall be concurrently adjusted by multiplying such number by the reciprocal of such fraction. Such adjustments will take effect (i) if a record date shall have been fixed for determining the stockholders or security holders, as applicable, of the Company entitled to receive such dividend, distribution or issuance by reclassification, as the case may be, immediately after such record date, (ii) otherwise, immediately after the effective date of such dividend, distribution, subdivision, combination, or issuance by reclassification, as the case may be.

(b) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or a series of related transactions, (A) effects any merger or consolidation of the Company with or into another Person, (B) effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets, (C) effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (except for issuances by reclassification contemplated by Section 11(a) (iv)), or (D) consummates a stock or share purchase agreement or other business combination (including a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than fifty percent (50%) of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or group making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination), or (ii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person or group of Persons) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property (each transaction or series of transactions referred to in clause (i) or (ii) above, a “Fundamental Transaction”); then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, (1) the number of shares of common stock of the successor or acquiring corporation or, if it is the surviving corporation, of the Company, and (2) any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount and components of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Board shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration (substituting the most appropriate market-based measure for the Trading Market in determining the daily VWAP from time to time for each component of the Alternate Consideration or, if no market-based measure is reasonably available for any such component, fixing the daily VWAP of such component at the value determined by such apportionment, but subject to further adjustment as provided in this Section 11). If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant of like tenor to this Warrant but adjusted to be consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant for the appropriate number of shares of capital stock and Alternate Consideration, if any, in exchange for this Warrant. The Company shall ensure that the terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 11(b) and ensuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction or series of related transactions analogous to a Fundamental Transaction. “VWAP” means, for any date, the price determined by the first of the following clauses that applies: (A) if the Common Stock is then listed or quoted on a trading market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the principal trading market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a trading day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (B) if prices for the Common Stock are then reported in the “Pink Sheets” published by Pink OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported during trading hours, or (C) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Company’s Board of Directors and reasonably acceptable to the Holder, the fees and expenses of which shall be paid by the Company.

(c) Payment of Exercise Price. The Holder may pay the Exercise Price by certified or official bank check, by intra-bank account transfer or by wire transfer of same-day funds.

12. No Fractional Shares. No fractional shares of Common Stock will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares which would otherwise be issuable, the Company shall pay the Holder an amount of cash equal to the product of such fraction multiplied by the closing price of one share of Common Stock as reported on the principal trading market for the Common Stock on the Date of Exercise.

13. Notices. Any and all notices or other communications or deliveries hereunder (including any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number pursuant to this Section 13 prior to 6:30 p.m. (New York City time) on a trading day, (ii) the next trading day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified pursuant to this Section 13 on a day that is not a trading day or later than 6:30 p.m. (New York City time) on any trading day, (iii) the trading day following the date of mailing, if sent by nationally recognized overnight courier service to the street address specified pursuant to this Section 13, or (iv) upon actual receipt by the party to whom such notice is required to be given. The addresses for such communications shall be as follows:

(a) if to the Company, to:

Denver, Colorado 80221
Attn: Chief Executive Officer
Facsimile: (303) 863-1218

with a copy to (which shall not constitute notice to the Company):

14. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon thirty (30) days notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or stockholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

15. Miscellaneous.

- (a) Assignment. Subject to the restrictions on transfer described herein, the rights and obligations of the Company and the Holder shall be binding upon, and inure to the benefit of, the successors, assigns, heirs, administrators and transferees of the parties. The Company shall not have the right directly or indirectly to assign or transfer this Warrant without the prior written consent of the Holder, which may be withheld in the Holder's sole discretion, or as part of a Fundamental Transaction.
- (b) No Third Party Beneficiaries. Nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant.
- (c) Amendments: Waiver. This Warrant may be amended only in writing signed by the Company and the Holder, and any amendment so effected shall amend each Warrant issued pursuant to the Purchase Agreement and be binding upon each holder of such Warrants (provided, however, that any such amendment that adversely affects any holder or class of holders of such Warrants in a manner that does not apply uniformly to all holders of such Warrants, as applicable, shall require the written consent of such adversely affected holders or class). Any provision of this Warrant may be waived, but only if in writing by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Warrant shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.
- (d) Governing Law. This Warrant shall be governed by and construed in accordance with the laws of the State of Colorado, without regard to principles of conflict of laws.
- (e) Severability. If one or more provisions of this Warrant are held to be unenforceable under applicable law in any respect, such provision shall be excluded from this Warrant and the balance of this Warrant shall be construed and interpreted as if such provision were so excluded and shall be enforceable in accordance with its remaining terms.
