**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On November 29, 2007, the Board of Directors unanimously resolved to adopt new by-laws for the Company by amending and restating the existing by-laws. The fundamental reasons for the new by-laws are to modernize the existing by-laws (which except for a few certain provisions have not been amended since their original adoption more than forty years ago), including opting in to conform to certain amendments made to New York's Business Corporation Law in 1998, and affording greater time to respond to submissions in response to advance notice provisions. The new by-laws will not become effective until after the close of business on February 13, 2008, and as such will not govern the proceedings with respect to the Company's annual meeting of shareholders scheduled to be held the morning of that day. A copy of the amended and restated by-laws, and a summary of the changes made to the existing by-laws by the adoption of the amended and restated by-laws, are set forth in this Current Report on Form 8-K as Exhibits 99.1 and 99.2, respectively, which are incorporated into this Report by such reference.
