**ITEM 5.02(E) DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

On December 20, 2010, the Compensation Committee of the Board of Directors of Forward Industries, Inc. (the "Company") took action as follows:

The Compensation Committee determined not to award bonus to any Named Executive Officer in respect of the fiscal year ended September 30, 2010. Financial targets set in December 2009 were not achieved and the Compensation Committee determined to award no bonus pursuant to the discretionary goals established in December 2009.

The Compensation Committee approved the terms of performance-based targets that will determine the amount, if any, of non-equity incentive (bonus) compensation that can be earned in respect of the fiscal year ending September 30, 2011 ( Fiscal 2011 ), by the Company's Named Executive Officers in accordance with their respective employment agreements.

Target bonus compensation for Brett M. Johnson and James O. McKenna, the Company's Chief Executive Officer and Chief Financial Officer, respectively, was set at \$75,000.00 and \$35,000.00, respectively, based on a formula of specified percentages of the amount of operating income, if any, recorded by the Company in Fiscal 2011, with maximum bonuses capped at twice their respective target amounts. In determining bonus payable for each named executive officer, operating income will be calculated: (i) based on the Company's existing OEM business and planned internal development and expansion of product offerings and geographies; and (ii) excluding other income (expense) .

In addition to eligibility to earn the bonus described above, the Compensation Committee may award a discretionary bonus to either or both of Messrs. Johnson and McKenna.

On December 20, 2010, the Compensation Committee also determined to award Mr. McKenna options to purchase 7,500 shares of common stock, par value 0.01 per share, of the Company pursuant to the Company's 2007 Equity Incentive Plan, as amended. This award shall have a term of ten years and vest in five equal annual amounts over five years, commencing on the first anniversary of the grant date of December 22, 2010, and shall have an exercise price per share equal to the closing price of the common stock at the close of trading on the grant date.
