EXPLANATORY NOTE

The purpose of this Amendment No. 1 on Form 10-K/A is to amend and restate Part III, Items 10 through 14, of the previously filed Annual Report on Form 10-K of Forward Industries, Inc. (Forward or the Company) for the fiscal year ended September 30, 2011 (Fiscal 2011), filed with the Securities and Exchange Commission (SEC) on December 15, 2011 (the Original Form 10-K), to include information previously omitted in reliance on General Instruction G to Form 10-K, which provides that registrants may incorporate by reference certain information from a definitive proxy statement prepared in connection with the election of directors. Accordingly, Part III and Part IV of the Original Form 10-K is hereby amended and restated as set forth below.

There are no other changes to the Original Form 10-K. This Amendment does not reflect events occurring after the filing of the Original Form 10-K, nor does it modify or update disclosures therein in any way other than as required to reflect the amendment set forth below. Among other things, forward-looking statements made in the Original Form 10-K have not been revised to reflect events that occurred or facts that became known to us after the filing of the Original Form 10-K, and such forward-looking statements should be read in their historical context.

Section 16(A) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), our directors and executive officers and persons who beneficially own more than ten percent of each class of our equity securities that is registered under the Exchange Act are required to file the following reports with the Commission: Form 3 initial reports of ownership and status as an officer or director; Form 4 reports of changes in ownership of our common stock, par value \$.01 per share (Common Stock), and other equity securities of the Company; and Form 5 reports with respect to any fiscal year in which other reports may not have been filed. To our knowledge, based solely on review of the copies of Forms 3 and 4 and amendments thereto furnished to us during the fiscal year ended September 30, 2011, and Form 5 reports and amendments thereto furnished to us with respect to that fiscal year, and based on written representations that no Form 5 or other reports were required with respect to the fiscal year ended September 30, 2011, all Section 16(a) filing requirements applicable to our officers and directors and beneficial owners of more than ten percent of our Common Stock were complied with on a timely basis, except the following: Mr. Brett Johnson late-filed one Form 4 (one transaction).

The Board's Leadership Structure

Our governing documents provide the Board with flexibility to determine the appropriate leadership structure for the Board and the Company, including but not limited to whether it is appropriate to separate the roles of Chairman of the Board and Chief Executive Officer. In making these determinations, the Board considers numerous factors, including the specific needs and strategic direction of the Company and the size and membership of the Board at the time.

Grange Johnson has served as non-executive Chairman of the Board since August 2010 and Brett M. Johnson has served as President and Chief Executive Officer since August 2010. At this time, we believe that it is in the best interest of the Company to separate the roles of Chairman of the Board and Chief Executive Officer. This arrangement has allowed our Chairman to lead the Board, while our Chief Executive Officer focuses primarily on managing the daily operations of the Company. The separation of duties provides strong leadership for the Board while allowing the Chief Executive Officer to be the leader of the Company for customers, employees and operations. We do not have a Lead Independent Director. Rather, the Audit, Compensation, and Nominating and Governance Committees are each comprised solely of independent directors, and they provide strong independent leadership that influences the governance of the Company.

The Board's Role in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings and also through the Board's three committees, each of which examines various components of enterprise risk as part of its responsibilities. Members of each committee report to the full Board as necessary at Board meetings regarding risks discussed by such committee. In addition, an overall review of risk is inherent in the Board's consideration of the Company's long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Code of Ethics

In November 2003, Forward adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees regarding standards of conduct relating to Company affairs. The Nominating and Governance Committee is charged with assessing the adequacy of and monitoring management and director compliance with the Code of Business Conduct and Ethics. The Code of Ethics is available for viewing at the Company's web site at http://www.forwardindustries.com/corporate_governance.php.

Audit Committee

The Company has a separately standing Audit Committee established in accordance with Section 3(a) (58) (A) of the Exchange Act. Our Audit Committee is governed by a written Charter approved by the Board. A copy of the Charter, as amended, is available for viewing at our web site at:

http://www.forwardindustries.com/corporate_governance.php. The members of the Audit Committee are Messrs. Chiste, Key, Hamilton and Lipschitz. Each of Messrs. Chiste, Key, Hamilton and Lipschitz is an independent director. The Audit Committee held six meetings during the fiscal year ended September 30, 2011.

Audit Committee Financial Expert. The Board has determined that Mr. Chiste, who is currently a member and the chairman of the Audit Committee of the Board, is an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K under the Exchange Act.

(3) The following table sets forth the components of All Other Compensation.

No non-equity incentive compensation was paid to any of the Named Executive Officers in Fiscal 2011 or the fiscal year ended September 30, 2010 because financial targets established by the Compensation Committee in order to earn such compensation were not achieved in any such year.

All items of All Other Compensation in the table in note (2) above for Mr. McKenna were paid in accordance with the terms of the Amended Employment Agreement, dated as of April 1, 2011, between the Company and Mr. McKenna.

Narrative Disclosure to Summary Compensation Table

In December 2010 the Compensation Committee approved performance-based targets that, if achieved, would determine whether non-equity incentive compensation would be earned in respect of Fiscal 2011 by Mr. Brett Johnson and Mr. McKenna. Mr. Johnson was eligible to earn bonus compensation equal to 7.0755% of operating income, if any, up to \$2,120,000 recorded by the Company in Fiscal 2011, with a targeted bonus of \$75,000 and a maximum bonus amount of \$150,000. Mr. McKenna was eligible to earn bonus compensation equal to 3.3019% of operating income, if any, up to \$2,120,000 recorded by the Company in Fiscal 2011 with a targeted bonus of \$35,000 and a maximum bonus of \$70,000. These targets were believed by the Committee to be difficult of achievement, but not unreasonable, because of operating losses and adverse sales trends in Fiscal 2010 and 2009. In addition to the performance bonus described above, the Committee reserved its right to award a discretionary bonus to either or both of Messrs. Johnson and McKenna. In December 2011 the Compensation Committee determined that no performance or discretionary bonus compensation was earned by Messrs. Brett Johnson and McKenna as the Company incurred an operating loss for Fiscal 2011. Mr. McKenna received a retention payment of \$175,000 pursuant to a retention agreement the Company entered into with Mr. McKenna in August 2010 providing for a retention bonus if Mr. McKenna performed his duties under his employment agreement until at least March 1, 2011.

In November 2010 the Compensation Committee determined to award Mr. Brett Johnson 200,000 options to purchase Common Stock pursuant to the 2007 Plan. The grant price was the closing price of Common Stock on the grant date, or \$3.55 per share. This award becomes exercisable on the following dates: (i) 100,000 on November 4, 2013, (ii) 50,000 on November 4, 2014, and (iii) 50,000 on November 4, 2015. In December 2010 the Compensation Committee determined to award Mr. McKenna 7,500 options to purchase Common Stock pursuant to the 2007 Plan. The grant price was the closing price of the Common Stock on the grant date, or \$3.36 per share. This award becomes exercisable in equal amounts over five years commencing on the first anniversary of the grant date. In March 2011 the Compensation Committee also determined to award Mr. McKenna 100,000 options to purchase Common Stock pursuant to the 2011 Plan. The grant price was the closing price of Common Stock on the grant date, or \$3.73 per share. This award reflected the Committee's belief that the award of equity-based compensation serves as a significant incentive to a high level of performance as well as a retention incentive. These options reflect the Committee's assessment of the anticipated contributions by Mr. McKenna. This award becomes exercisable on the following dates: (i) 50,000 on March 8, 2014, (ii) 25,000 on March 8, 2015, and (iii) 25,000 on March 8, 2016.

Employment Agreements

Mr. Brett Johnson serves as the Company's President and Chief Executive Officer, on an at-will basis, with an annual base salary of \$250,000.

5

Mr. McKenna serves as the Company's Chief Financial Officer, Treasurer and Assistant Secretary pursuant to an Amended Employment Agreement, dated as of April 1, 2011 (the "Employment Agreement"), between the Company and Mr. McKenna. The Employment Agreement provides for an annual salary of \$225,000 and Mr. McKenna will be eligible to earn bonus compensation based on achievement of targets set by the Board's Compensation Committee in respect of each fiscal year during the term. Under the Employment Agreement, Mr. McKenna is entitled to reimbursement of reasonable out-of-pocket costs incurred in relocation to the Los Angeles area, and payment of a housing allowance of \$7,500 per month, to be phased out over time. The term of the Employment Agreement expires on December 31, 2012, with automatic renewal for successive terms of one year each.

Mr. McKenna has agreed to be bound by certain covenants that restrict his ability to compete with the Company or solicit the employment of Company employees after the term of his employment, prohibits disclosure of Company confidential information, and restricts him, subject to certain customary exceptions, from making investments in entities that compete with the Company.

See "Potential Payments upon Termination or Change in Control" for further discussion on termination, retirement and change-in-control provisions of the employment agreements.

Pension Benefits

The Company maintains no pension plans or other long-term incentive plans or arrangements available to any employees.

Nonqualified Deferred Compensation

We maintain no nonqualified defined contribution or deferred compensation plans or arrangements.

Post-Employment Compensation

The Company does not maintain any pension, deferred compensation, or other post-employment compensation for executives or employees other than its 401(k) plan and, as the case may be, pursuant to the terms of employment agreements with its executive officers. The Compensation Committee has no fixed policy regarding the grant of severance benefits. Rather, severance compensation is determined on a case-by-case basis depending on the executive's term of service, his performance in his position, and other factors.

Potential Payments Upon Termination or a Change in Control

Under the Employment Agreement, Mr. McKenna is entitled to a payment equal to one year of his salary as severance in the event of his termination without cause and termination for good reason (as such terms are defined in the Employment Agreement). In addition, in case of termination for good reason or without cause, in either case within the first 36 months after relocation to the Los Angeles area, Mr. McKenna is entitled to reimbursement of reasonable out-of-pocket costs incurred in connection with relocation of his primary residence back to Florida. The Company's election to give notice of non-renewal in connection with the end of the term is considered to be termination without cause.

The table below sets forth information concerning the potential payments upon termination of employment for each Named Executive Officer to whom the Company has a post-employment compensation obligation. Information is provided as if the termination, death, disability, or change in control had occurred as of September 30, 2011. No Named Executive Officer was entitled to non-equity incentive compensation (bonus) in Fiscal 2011, because the Company's operating and other results failed to meet the targets established by the Compensation Committee of the Board in order for such compensation to be earned.

POTENTIAL PAYMENTS UPON TERMINATION			
Name	Termination For Cause (1)	Termination without Cause or by Executive for Good Reason	Termination upon disability or death (1)
James O. McKenna	--	225,000 (2)	--

- (1) The amounts owed under these circumstances would be limited to accrued salary and benefits payable at the time such termination occurred. Had the executive qualified to earn bonus during the fiscal year, the executive would have been entitled to his pro rata share of bonus at termination (no bonus is earned during any period the executive is determined to be disabled).
- (2) In addition to this amount, Mr. McKenna would be entitled to reimbursement of reasonable out-of-pocket costs incurred in connection with relocation of his primary residence back to Florida if his employment is terminated for good reason or without cause within the first 36 months after his relocation to the Los Angeles area.

Director Compensation

The following table sets forth information with respect to compensation earned by or awarded to each director who served on the Board during the fiscal year ended September 30, 2011.

DIRECTOR COMPENSATION

Grange Johnson	32,000	20,100	52,100

Owen P.J. King	34,000	20,100	54,100

- (1) The dollar values under Option Awards represent the aggregate grant date fair value of the award to the Company computed in accordance with FASB ASC Topic 718. See Note 7 to the Financial Statements included in the Original Form 10-K for a description of the assumptions used in valuing awards of stock options.

Our program for compensation of non-employee directors provides for each non-employee director to receive an annual retainer of \$20,000, payable in quarterly increments of \$5,000, and for the chairman of each committee to receive an additional \$2,000 retainer per committee chair. In addition, each non-employee director receives \$2,000 for each board meeting attended (except those held via conference call, which are \$500 per conference call) and \$1,000 for each committee meeting attended (unless attended in conjunction with a board meeting, in which case no additional fee is paid) and is entitled to reimbursement for actual and reasonable travel expenses incurred for attendance at such meetings. Effective as of January 1, 2012, our policy was revised to provide for the non-executive Chairman of the Board to receive an aggregate annual retainer of \$60,000, payable in quarterly increments of \$15,000. In addition, options to purchase 10,000 shares of Common Stock are granted annually at an exercise price equal to the market price on the date of the grant as quoted on the Nasdaq Capital Market. Executive officers who also serve on the Board receive no director's compensation for such service. In the event any director ceases to serve as director, such options generally expire 90 days after the termination of the director relationship.

In accordance with the policy described in the preceding paragraph, in March 2011 the Compensation Committee recommended to the Board the award of options to purchase 10,000 shares of Common Stock to the six directors then serving on the Board, Messrs. Chiste, Hamilton, Johnson, Key, King and Lipschitz. The Board approved these grants, which were made at the closing price of the Common Stock on March 9, 2011, the grant date, or \$3.73 per share. In August 2011 the Compensation Committee approved the award of options to purchase 10,000 shares of Common Stock to the newly appointed non-executive director on the Board, Ms. Burnham. The grant was made at the closing price of the Common Stock on August 15, 2011, the grant date, or \$2.73, per share.

Item 13. Certain Relationships and Related Transactions, and Director Independence

Certain Relationships and Related Transactions

See [Executive Compensation](#) for information relating to compensation arrangements between the Company and its executive officers and between the Company and its non-employee directors.

On August 10, 2010, the Board appointed Mr. Brett Johnson as the Company's President and Chief Executive Officer. Brett Johnson is the brother of Grange Johnson, the Chairman of the Board. Mr. Brett Johnson's current base salary is \$250,000. See [Executive Compensation](#) for more information regarding Mr. Brett Johnson's compensation.

10

The Nominating and Governance Committee of the Board under the Nominating and Governance Committee Charter (the Committee Charter) is charged with the responsibilities of identification, review, evaluation, and approval or rejection of related party transactions (as described in Item 404 of Regulation S-K under the Exchange Act) and conflicts of interest between the Company and any related party. In evaluating any such transaction or potential conflict of interest, the Nominating and Governance Committee evaluates, among other factors, the utility and cost of services or property to be received by the Company, an assessment of whether comparable property or services can be obtained at better rates in the relevant market, the benefit to be received by the related party, whether such benefit is proper and appropriate in all respects, the absence of any actual or potential harm or prejudice to the Company and its business interests and prospects, and whether the transaction as a whole is believed to be fair and reasonable. Pursuant to the Committee Charter mandates, the Nominating and Governance Committee has adopted governance principles that, among other matters, (i) requires a specific resolution approving any transaction in which any director would provide services to the Company outside his duties as director and (ii) prohibits a director from receiving a personal, compensatory benefit (i.e., one that is not shared by directors or shareholders generally on a pro rata basis), directly or indirectly, arising from a transaction in which the Company is a party or otherwise involved.

Director Independence

In assessing the independence of our directors, our Board has reviewed and analyzed the standards for independence required under the NASDAQ standards, including without limitation, Marketplace Rule 5605(a)(2), and applicable SEC regulations.

After reviewing any material relationships that any of our directors may have with the Company that could compromise his or her ability to exercise independent judgment in carrying out his responsibilities, our Board has determined that each of Ms. Burnham and Messrs. Chiste, Key, King, Hamilton and Lipschitz, who together comprise a majority of the Board, is independent in accordance with applicable NASDAQ standards. The Company has a separately standing Audit Committee, Compensation Committee and Nominating and Governance Committee. Each of the Audit Committee, Compensation Committee and Nominating and Governance Committee have a written charter approved by the Board, current copies of which are available at the Company's web site at http://www.forwardindustries.com/corporate_governance.php. Messrs. Chiste, Key, King, Hamilton and Lipschitz constitute in different combination the entire membership of each of the Audit Committee, Compensation Committee, and Nominating and Governance Committee of the Board in compliance with the independence standards of NASDAQ Marketplace Rules 5605(c)(2), 5605(d), and 5605(e), respectively.

Item 14. Principal Accountant Fees and Services

Our Audit Committee pre-approved all audit and non-audit services involving J.H. Cohn LLP (J.H. Cohn), the Company's independent auditors for Fiscal 2011. The Audit Committee must pre-approve all audit and non-audit services involving J.H. Cohn, the Company's independent auditors for the fiscal year ending September 30, 2012. Unless an audit or non-audit type of service to be provided to the Company by our independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the

Audit Committee. In addition to review and audit work necessary for the Company to file required reports under the Exchange Act (i.e., quarterly reports on Form 10-Q and annual reports on Form 10-K), the Company's independent auditors may perform non-audit services other than those prohibited by the Sarbanes-Oxley Act of 2002, provided that they are pre-approved by the Audit Committee. Non-audit services that our independent accountants may not provide include: bookkeeping or other services related to the accounting records or financial statements of the audit client; financial information systems design and implementation; appraisal or valuation services, fairness opinions or contribution-in-kind reports; actuarial services; internal audit outsourcing services; and legal services and expert services unrelated to the audit.

Our Audit Committee regularly meets to review and approve the audit and review scope concerning the audit or review of the Company's financial statements to be filed with the SEC, including the audit fees associated with this service. Furthermore, the fees and terms of permitted non-audit services that are recurring, if any, must be approved by the Audit Committee.

Proposals for other (i.e., non-recurring) non-audit services to be performed by the Company's independent auditors that are allowable in accordance with this policy must be pre-approved by the Audit Committee. The Company's chief financial officer will review for compliance with this policy and obtain necessary pre-approvals.

The following table sets forth the aggregate fees for professional services billed to us by J.H. Cohn and Kaufman, Rossin & Co., P.A., the Company's independent registered public accounting firm for the fiscal year ended September 30, 2010 (Kaufman), for professional services rendered in Fiscal 2011 and the fiscal year ended September 30, 2010.

- (2) Includes the aggregate fees billed for the fiscal years ended September 30, 2011 and 2010, for assurance and related services by J.H.
