## Edgar Filing: AGL RESOURCES INC - Form 8-K

The Audit Committee of the board of directors of AGL Resources Inc. ( AGL Resources ) annually considers the selection of AGL Resources independent public accountants. As such, AGL Resources Audit Committee, on March 5, 2003, decided to dismiss Deloitte & Touche LLP ( Deloitte ) as AGL Resources independent public accountants and to engage PricewaterhouseCoopers LLP ( PricewaterhouseCoopers ), as of March 7, 2003, to serve as AGL Resources independent public accountants for the fiscal year ended December 31, 2003. The Audit Committee made the determination as part of its responsibility under the Sarbanes-Oxley Act of 2002 and related regulations adopted and proposed by the SEC and the New York Stock Exchange, which formally charge audit committees of public companies with the responsibility of evaluating, retaining and discharging a company s independent auditor.

Deloitte s reports on AGL Resources consolidated financial statements for the fiscal year ended September 30, 2001, the three-month period ended December 31, 2001 (the Transition Period ) and the fiscal year ended December 31, 2002, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During AGL Resources fiscal year ended September 30, 2001, the Transition Period, the fiscal year ended December 31, 2002 and through the date of this Form 8-K, there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Deloitte s satisfaction, would have caused them to make reference to the subject matter in connection with their report on AGL Resources consolidated financial statements for such years; and there were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

AGL Resources provided Deloitte with a copy of the foregoing disclosures. Attached as Exhibit 16, is a copy of Deloitte s letter, dated March 10, 2003, stating its agreement with such statements.

During AGL Resources fiscal year ended September 30, 2001, the Transition Period, the fiscal year ended December 31, 2002 and through the date of this Form 8-K, AGL Resources did not consult PricewaterhouseCoopers with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on AGL Resources consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.
