Item 2. ACQUISITION OR DISPOSITION OF ASSETS

On September 10, 2003, Reckson Associates Realty Corp. ("Reckson") announced that it had entered into agreements relating to the disposition of its Long Island industrial portfolio (the "Disposition") to members of the Rechler family for approximately \$315.5 million in cash and other consideration. Subject to the terms and conditions of the agreements, at closing, Reckson will dispose of its 95 property, 5.9 million square foot, Long Island industrial building portfolio for approximately \$225.1 million in cash and debt assumption and 3,932,111 limited partnership units, valued at approximately \$90.4 million in Reckson

## Edgar Filing: RECKSON ASSOCIATES REALTY CORP - Form 8-K

Operating Partnership, L.P. In connection with the Disposition, Reckson estimates that it will recognize for United States GAAP purposes a gain on the sale of real estate of approximately \$138 million. In addition, Reckson estimates that it will recognize a taxable gain on the sale of real estate of approximately \$20 million.

Sales proceeds from the Disposition are anticipated to be used to repay Reckson's unsecured credit facility and for transaction costs. Subsequent to the Disposition Reckson anticipates it will redeem \$50 million, or 100%, of its outstanding 8.85% Series B cumulative preferred stock.

In addition, four of the five remaining options granted to Reckson at the time of its IPO to purchase interests in properties owned by Rechler family members (including three properties in which the Rechler family members hold non-controlling interests and one industrial property) will be terminated. In return Reckson will receive an aggregate payment from the Rechler family members of \$972,000. Rechler family members have also agreed to extend the term of the remaining option on the property located at 225 Broadhollow Road, Melville, New York (Reckson's current headquarters) for five years and to release Reckson from approximately 16,000 square feet under its lease at this property. In connection with the restructuring of the remaining option the Rechler family members have agreed to pay Reckson \$1 million in return for Reckson's agreement not to exercise the option during the next three years. As part of the agreement, the exercise price of the option payable by Reckson will be increased by \$1 million.

In recent weeks, a number of shareholder derivative actions have been commenced against the Company and the Board of Directors in the Supreme Court of the State of New York, County of Nassau ((Index No. 01 4162/03), the Supreme Court of the State of New York, County of Suffolk (Index No. 03 32545 and Index No. 03 23593) and in the United States District Court, Eastern District of New York (Case No. cv 03 4917, Case No. cv 03 5008 and Case No. cv 03 5178), relating to the recently announced sale of the Long Island Industrial Portfolio to certain members of the Rechler family. The complaints allege, among other things, that the process by which the directors agreed to the transaction was not sufficiently independent of the Rechler family and did not involve a " market check" or third party auction process and as a result was not for adequate consideration. The Plaintiffs seek similar relief, including a declaration that the directors violated their fiduciary duties, an injunction against the transaction and damages. The Company believes that complaints are without merit.

The description of the Disposition contained in the Company's current reports on Form 8-K filed with the Securities and Exchange Commission on September 18, 2003 and October 1, 2003 are incorporated herein by reference. The information in this current report on Form 8-K supplements and amends the information contained in those previously filed current reports.
