PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished in connection with the solicitation by the Board of Directors of Columbus McKinnon Corporation, a New York corporation ("our Company", "we" or "us"), of proxies to be voted at the Annual Meeting of Shareholders to be held at our corporate offices, 140 John James Audubon Parkway, Amherst, New York, on August 18, 2003, at 10:00 a.m., local time, and at any adjournment or adjournments thereof. The close of business on June 27, 2003 has been fixed as the record date for the determination of shareholders entitled to receive notice of and to vote at the meeting. At the close of business on June 27, 2003, we had outstanding 14,896,172 shares of our common stock, \$.01 par value per share, the holders of which are entitled to one vote per share on each matter properly brought before the Annual Meeting.

The shares represented by all valid proxies in the enclosed form will be voted if received in time for the Annual Meeting in accordance with the specifications, if any, made on the proxy card. If no specification is made, the proxies will be voted FOR the nominees for Director named in this Proxy Statement.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting will constitute a quorum. Each nominee for election as a Director requires a plurality of the votes cast in order to be elected. A plurality means that the nominees with the largest number of votes are elected as Directors up to the maximum number of Directors to be elected at the Annual Meeting. Under the law of the State of New York, our state of incorporation, only "votes cast" by the shareholders entitled to vote are determinative of the outcome of the matter subject to shareholder vote. Votes withheld will be counted in determining the existence of a quorum, but will not be counted towards such nominee's or any other nominee's achievement of plurality.

The execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. A shareholder who executes a proxy may revoke it at any time before it is exercised by giving written notice to the Secretary, by appearing at the Annual Meeting and so stating, or by submitting another duly executed proxy bearing a later date.

This Proxy Statement and form of proxy is first being sent or given to shareholders on July 25, 2003.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Our Certificate of Incorporation provides that our Board of Directors shall consist of not less than three nor more than nine Directors to be elected at each annual meeting of shareholders and to serve for a term of one year or until their successors are duly elected and qualified. Currently, the Board of Directors is comprised of eight members. Mr. L. David Black, who has been a Director since 1995, has announced that he plans to retire as a Director effective as of the date of the Annual Meeting. Accordingly, Mr. Black has not been nominated for re-election as a Director and, effective as of the Annual Meeting, the Board of Directors will be reduced to seven members.

Unless instructions to the contrary are received, it is intended that the shares represented by proxies will be voted for the election as Directors of Timothy T. Tevens, Robert L. Montgomery, Jr., Herbert P. Ladds, Jr., Carlos Pascual, Richard H. Fleming, Ernest R. Verebelyi and Wallace W. Creek, each of whom is presently a Director. Each of these nominees has been previously elected by our shareholders, except for Mr. Verebelyi and Mr. Creek who were appointed Directors by our Board of Directors in January 2003. If any of these nominees should become unavailable for election for any reason, it is intended that the shares represented by the proxies solicited herewith will be voted for such other person as the Board of Directors shall designate. The Board of Directors has no reason to believe that any of these nominees will be unable or unwilling to serve if elected to office.

EMPLOYEE PLANS

EMPLOYEE STOCK OWNERSHIP PLAN. We maintain our ESOP for the benefit of substantially all of our domestic non-union employees. The ESOP is intended to be an employee stock ownership plan within the meaning of Section 4975(e)(7) of the Internal Revenue Code of 1986, as amended and an eligible individual account plan within the meaning of Section 407(d)(3) of the Internal Revenue Code. From 1988 through 1998, the ESOP has purchased from us 1,373,549 shares of common stock for the aggregate sum of approximately \$10.5 million. The proceeds of certain institutional loans were used to fund such purchases. The ESOP's loans are secured by our common stock which is held by the ESOP and such loans are guaranteed by us. The ESOP acquired 479,900 shares of our common stock in October 1998 for the aggregate sum of approximately \$7.7 million. The proceeds of a loan we made to the ESOP were used to fund the purchase.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

On a quarterly basis, we make a contribution to the ESOP in an amount determined by our Board of Directors. In fiscal 2003, our cash contribution was approximately \$1.2 million. The ESOP's trustees use the entire contribution to make payments of principal and interest on the ESOP's loans.

Common stock not allocated to ESOP participants is recorded in an ESOP suspense account and is held as collateral for repayment of the ESOP's loans. As payments of principal and interest are received by the lenders, these shares are released from the ESOP suspense account annually and are then allocated to the ESOP participants in the same proportion as a participant's compensation for such year bears to the total compensation of all participants.

An ESOP participant becomes fully vested in all amounts allocated to him or her after five years of service. The shares of our common stock held by the participants in the ESOP are voted by the participants in the same manner as any other share of our common stock.

- 9 -

In general, common stock allocated to a participant's account is distributed upon his or her termination of employment, normal retirement at age 65 or death. The distribution is made in whole shares of common stock with a cash payment in lieu of any fractional shares.

Messrs. Montgomery, Myers, Harvey and Ms. Howard serve as trustees of the ESOP. As of March 31, 2003, the ESOP owned 1,298,172 shares of our common stock. Common stock allocated pursuant to the ESOP to Messrs. Tevens, Montgomery and Librock, Ms. Howard and Mr. Owen as of March 31, 2003 is 4,637 shares, 14,877 shares, 4,721 shares, 1,668 shares and 1,016 shares, respectively.

PENSION PLAN. We have a non-contributory, defined benefit Pension Plan which provides certain of our employees with retirement benefits. As defined in the Pension Plan, a participant's annual pension benefit at age 65 is equal to the product of (i) 1% of the participant's final average earnings, as calculated by the terms of the Pension Plan, plus 0.5% of that part, if any, of final average earnings in excess of such participant's "social security covered compensation," as such term is defined in the Pension Plan, multiplied by (ii) such participant's years of credited service, limited to 35 years. Plan benefits are not subject to reduction for social security benefits.

The following table illustrates the estimated annual benefits upon retirement under our Pension Plan if the plan remains in effect and assuming that an eligible employee retires at age 65. However, because of changes in tax laws or future adjustments to the provisions of our Pension Plan, actual pension benefits could differ significantly from the amounts set forth in the table.

	YEARS OF SERVICE

	--	--	--	--	--

300,000	39,161	52,214	65,268	78,322	91,
350,000	39,161	52,214	65,268	78,322	91,
400,000	39,161	52,214	65,268	78,322	91,
450,000	39,161	52,214	65,268	78,322	91,
500,000	39,161	52,214	65,268	78,322	91,

A portion of the annual benefit for plan participants is determined by their final average earnings in excess of "social security covered compensation," as such term is defined in our Pension Plan. Since this amount can vary depending on the eligible employee's year of birth, all pension amounts shown above have been calculated using Mr. Tevens' year of birth and his social security covered compensation of \$77,856. Our Pension Plan excludes final average earnings in excess of \$200,000.

If Messrs. Tevens, Montgomery and Librock, Ms. Howard and Mr. Owen remain our employees until they reach age 65, the years of credited service under the Pension Plan for each of them would be 29, 16, 27, 31 and 28, respectively.

NON-QUALIFIED STOCK OPTION PLAN. In October 1995, we adopted our Non-Qualified Stock Option Plan and reserved, subject to certain adjustments, an aggregate of 250,000 shares of our common stock for issuance thereunder. Under the terms of our Non-Qualified Plan, options may be granted by our Compensation and Succession Committee to our officers and other key employees as well as to non-employee directors and advisors. In fiscal 2003, we did not grant any options to purchase shares of our common stock under our Non-Qualified Plan.

INCENTIVE STOCK OPTION PLAN. Our Incentive Stock Option Plan which was adopted in October 1995 and amended in 2002, authorizes our Compensation and Succession Committee to grant to our officers and other key employees of stock options that are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. Our Incentive Plan reserved, subject to certain adjustments, an aggregate of 1,750,000 shares of common stock to be issued thereunder. Options granted under the Incentive Plan become exercisable over a four-year period at the rate of 25% per year commencing one year from the date of grant at an exercise price of not less than 100% of the fair market value of our common stock on the date of grant. Any option granted thereunder may be exercised not earlier than one year and not later than ten years from the date the option is granted. In the event of certain extraordinary transactions, including a change in control, the vesting of such options would automatically accelerate. In fiscal 2003, we did not grant any options to purchase shares of our common stock under the Incentive Plan.

RESTRICTED STOCK PLAN. Our Restricted Stock Plan which was adopted in October 1995 and amended in 2002, reserves, subject to certain adjustments, an aggregate of 150,000 shares of our common stock to be issued upon the grant of restricted stock awards thereunder. Under the terms of the Restricted Stock Plan, our Compensation and Succession Committee may grant to our employees restricted stock awards to purchase shares of common stock at a purchase price of not less than \$.01 per share. Shares of common stock issued under the

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

Restricted Stock Plan are subject to certain transfer restrictions and, subject to certain exceptions, must be forfeited if the grantee's employment with us is terminated at any time prior to the date the transfer restrictions have lapsed. Grantees who remain continuously employed with us become vested in their shares five years after the date of the grant, or earlier upon death, disability, retirement or other special circumstances. The restrictions on any such stock awards automatically lapse in the event of certain extraordinary transactions, including a change in our control. In fiscal 2003, we awarded 1,000 shares of common stock under the Restricted Stock Plan.

CORPORATE INCENTIVE PLAN. In July 2001, we adopted our Incentive Plan and our Incentive Plan Addendum to replace our previous plan. Most of our employees are eligible to participate in the Incentive Plan. Under the Incentive Plan, for each fiscal year, each participant is assigned a participation percentage by our management. The actual bonus to be paid to a participant will be equal to his participation percentage times his base compensation, multiplied by a factor, which is the annual budgeted target percentage determined by the Board of Directors plus or minus two times the percentage difference between our actual pretax income and budgeted pretax income for the applicable quarter or year. The bonus is computed and paid quarterly at 75% of the calculated amount for each of the first three quarters. In fiscal 2003, bonuses paid under the Incentive Plan to Messrs. Tevens, Montgomery and Librock, Ms. Howard and Mr. Owen were \$47,471, \$39,555, \$22,098, \$18,796 and \$18,582, respectively.

Under the terms of our Incentive Plan Addendum, certain of the our executive officers and operating group leaders were eligible to receive an additional bonus equal to one percent per \$1 million of the excess of our actual

- 11 -

debt repayment in fiscal 2002 compared to a targeted debt repayment set by our Board of Directors.

In fiscal 2003, bonuses paid under the Incentive Plan Addendum to Messrs. Tevens, Librock and Owen were \$19,149, \$8,917 and \$7,480, respectively. Mr. Montgomery and Ms. Howard were entitled to receive bonuses under the Incentive Plan Addendum in fiscal 2003 of \$15,958 and \$7,561, respectively, but declined to accept such bonuses.

401(K) PLAN. We maintain a 401(k) retirement savings plan which covers all of our non-union employees in the U.S., including our executive officers, who have completed at least 90 days of service. Eligible participants may contribute up to 30% of their annual compensation (9% for highly compensated employees), subject to an annual limitation as adjusted by the provisions of the Internal Revenue Code. Employee contributions are matched by us in an amount equal to 50% of the employee's salary reduction contributions, as such term is defined in the 401(k) Plan. Our matching contributions are limited to 3% of the employee's base pay and vest at the rate of 20% per year.

CHANGE IN CONTROL AGREEMENTS

We have entered into change in control agreements with Messrs. Tevens and Librock, Ms. Howard, Mr. Owen and certain other of our officers and employees. The change in control agreements provide for an initial term of one year, which, absent delivery of notice of termination, is automatically renewed annually for an additional one year term. Generally, each of the named officers is entitled to receive, upon termination of employment within 36 months of a change in control of our Company (unless such termination is because of death, disability,

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

for cause or by an officer or employee other than for "good reason," as defined in the change in control agreements), (i) a lump sum severance payment equal to three times the sum of (A) his or her annual salary and (B) the greater of (1) the annual target bonus under the Incentive Plan in effect on the date of termination and (2) the annual target bonus under the Incentive Plan in effect immediately prior to the change in control of our Company, (ii) continued coverage for 36 months under our medical and life insurance plans, (iii) at the option of the executive or employee, either three additional years of deemed participation in our tax-qualified retirement plans or a lump sum payment equal to the actuarial equivalent of the pension payment which he or she would have accrued under our tax-qualified retirement plans had he or she continued to be employed by us for three additional years and (iv) certain other specified payments. Aggregate "payments in the nature of compensation" (within the meaning of Section 280G of the Internal Revenue Code) payable to any executive or employee under the change in control agreements is limited to the amount that is fully deductible by us under Section 280G of the Internal Revenue Code less one dollar. The events that trigger a change in control under the change in control agreements include (i) the acquisition of 20% or more of our outstanding common stock by certain persons, (ii) certain changes in the membership of the our Board of Directors, (iii) certain mergers or consolidations, (iv) certain sales or transfers of substantially all of our assets and (v) the approval by our shareholders of a plan of dissolution or liquidation.

CONSULTING AGREEMENT

In October 2001, we entered into a consulting agreement with Herbert P. Ladds, Jr., our Chairman of the Board. Under the terms of this consulting agreement, Mr. Ladds was available to us up to approximately 40 hours per month to advise us on such matters as may have been requested by our Board of

- 12 -

Directors or Chief Executive Officer. As compensation for his services, Mr. Ladds was paid a monthly fee of \$23,750. In the event Mr. Ladds provided more than 40 hours of services in any month, he would receive an additional payment for such month in an amount of \$200 per hour for each such hour in excess of 40. We also reimbursed Mr. Ladds for all reasonable out-of-pocket expenses incurred by him in rendering services pursuant to the consulting agreement. The consulting agreement was terminated in January 2003.

COMPENSATION AND SUCCESSION
COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation for our executive officers is administered by the Compensation and Succession Committee, which currently consists of four independent (non-employee) Directors. Our Board of Directors has delegated to the Compensation and Succession Committee responsibility for establishing, administering and approving the compensation arrangements of the Chief Executive Officer and other executive officers.

The following objectives, established by our Compensation and Succession Committee, are the basis for the Company's executive compensation program:

- o providing a comprehensive program with components including base salary, performance incentives, and benefits that support and align with our goal of providing superior value to customers and shareholders;

- o ensuring that we are competitive and can attract and retain qualified and experienced executive officers and other key personnel; and

- o appropriately motivating our executive officers and other key personnel to seek to attain short, intermediate and long-term corporate and divisional performance goals and to manage our Company to achieve sustained long term growth.

The Compensation and Succession Committee reviews compensation policy and specific levels of compensation paid to our Chief Executive Officer and other executive officers and makes recommendations to our Board of Directors regarding executive compensation, policies and programs.

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

The Compensation and Succession Committee is assisted in these efforts, when required, by an independent outside consultant and by our internal staff, who provide the Compensation and Succession Committee with relevant information and recommendations regarding compensation policies and specific compensation matters.

ANNUAL COMPENSATION PROGRAMS

Our executives' base salaries are compared to manufacturing companies included in a periodic management survey completed by outside compensation consultants and all data have been regressed to revenues equivalent to our revenues. This survey is used because it reflects companies with similar revenue and in the same industry sectors as us. The Compensation and Succession Committee believes salaries should be targeted toward the median of the surveyed salaries reported, depending upon the relative experience and individual performance of the executive.

Salary adjustments are determined by four factors: (i) an assessment of the individual executive officer's performance and merit, (ii) our goal of achieving market parity with salaries of comparable executives in the competitive market, (iii) the occurrence of any promotion or other increases in responsibility of the executive and (iv) the general economic environment in which we are operating. In assessing market parity, we target groups of companies surveyed and referred to above.

- 15 -

Each executive officer's corporate position is assigned a title classification reflecting evaluation of the position's overall contribution to our corporate goals and the value the labor market places on the associated job skills. A range of appropriate salaries is then assigned to that title classification. Each April, the salary ranges may be adjusted to reflect market conditions, including changes in comparison companies, inflation, and supply and demand in the market. The midpoint of the salary range corresponds to a "market rate" salary which the Compensation and Succession Committee believes is appropriate for an experienced executive who is performing satisfactorily, with salaries in excess of the salary range midpoint appropriate for executives whose performance is superior or outstanding.

The Compensation and Succession Committee has recommended that any progression or regression within the salary range for an executive officer will depend upon a formal annual review of job performance, accomplishments and progress toward individual and/or overall goals and objectives for each of our segments that such executive officer oversees as well as his contributions to our overall direction. The long-term growth in shareholder value is an important factor. The results of executive officers' performance evaluations will form a part of the basis of the Compensation and Succession Committee's decision to approve, at its discretion, future adjustments in base salaries of our executive officers.

CHIEF EXECUTIVE OFFICER COMPENSATION

Compensation decisions affecting our Chief Executive Officer were based on quantitative and qualitative factors. These factors were accumulated by an external compensation consulting firm and included comparisons of our fiscal 2003 financial statistics to peer companies, strategic achievements such as acquisitions and their integration, comparisons of the base salary level to the median for comparable companies in published compensation surveys and assessments prepared internally by other members of our executive management. In

Edgar Filing: COLUMBUS MCKINNON CORP - Form DEF 14A

fiscal 2003, Mr. Tevens received a bonus in the amount of \$66,620. Based upon the performance of Mr. Tevens and our results for fiscal 2003, the Compensation and Succession Committee determined that the base salary of Mr. Tevens should remain the same for fiscal 2004. However, as a cost savings measure, Mr. Tevens voluntarily requested that his base salary be decreased to \$472,500 for fiscal 2004, a decrease of approximately 5%.

SECTION 162(M) OF INTERNAL REVENUE CODE

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to a company's chief executive officer and any one of the four other most highly paid executive officers during its taxable year. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. Based upon the compensation paid to the Company's executive officers in fiscal 2003, it does not appear that the Section 162(m) limitation will have a significant impact on us in the near term. However, the Compensation and Succession Committee plans to review this matter periodically.

PRINCIPAL FUNCTIONS

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. The following functions are set forth as a guide to be supplemented and carried out as the Committee deems necessary and appropriate.

The following shall be the principal recurring functions of the Committee in carrying out its responsibilities for FINANCIAL STATEMENT AND DISCLOSURE MATTERS:
