Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective December 6, 2012, Stephen Russell is no longer acting in his capacity as Chief Executive Officer of Celadon Group Inc., a Delaware corporation (the "Company"). Mr. Russell continues to serve full time as the Company's Chairman and a named executive officer.

On December 6, 2012, the Board of Directors of the Company named Paul Will as the Company's Chief Executive Officer and President. Mr. Will, 46, has served the Company as Vice Chairman, President, and Chief Operating Officer since November 2010. Previously, Mr. Will was the Company's Executive Vice President, Chief Financial Officer, Assistant Secretary, and Treasurer from April 2004 to November 2010. Mr. Will will continue to serve on the Company's Board of Directors but will not retain the title of Vice Chairman.

In connection with Mr. Russell's transition from the Chief Executive Officer position, the Compensation Committee of the Board of Directors amended Mr. Russell's compensation and voted to accelerate the vesting of all 157,000 previously unvested shares of restricted stock and 47,000 previously unvested shares of incentive stock options held by Mr. Russell. Mr. Russell's compensation as Chairman has been agreed to in principle subject to documentation. The primary aspects include: (1) a four-year term; (2) salary to remain at the current level; (3) bonus target reduced to 35% of salary from 65% of salary; and (4) no participation in annual equity grants. The acceleration of vesting will result in the following: (a) a non-cash increase to compensation expense of approximately \$1.6 million in the quarter ending December 31, 2012, (b) a reduction of non-cash amortization expense in future periods, and (c) an agreement by Mr. Russell to hold such shares until December 6, 2014 (other than shares sold to fund taxes attributable to the accelerated vesting).

Other than as described above, there were no compensation changes in connection with the management changes described above. The Board of Directors expects to evaluate the compensation of Mr. Will in light of his new responsibilities during the quarter ending March 31, 2013.
