## Edgar Filing: OCWEN FINANCIAL CORP - Form 8-K

### Item 8.01. OTHER EVENTS

Effective January 1, 2005, we reorganized our business segment reporting to better reflect our focus on providing solutions to our customers.

This reorganization entailed changes to three core business segments:

- o Residential Servicing (including the Residential Loan Servicing, VA servicing and REALServicing(R) groups)
- o Residential Origination Services (including our loans for resale and title activities as well as the REALTrans(R), Ocwen Realty Advisors, Mortgage Due Diligence Services and Subprime Finance groups) and
- o Commercial Servicing, which now includes REALSynergy(TM).

REALServicing, REALTrans and REALSynergy were previously reported as components of the OTX segment, which is no longer a segment. Ocwen Realty Advisors and Subprime Finance were previously reported as individual segments. We continue to report on our other two core business segments - Ocwen Recovery Group and Business Process Outsourcing. These changes were reflected in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2005, which should be referred to for a more complete description of the revised business segments.

This Current Report on Form 8-K and the exhibits hereto update the business segment information presented in our Annual Report on Form 10-K for the year ended December 31, 2004 ("Annual Report"), but only to the extent this information is impacted by the realignment of our business segments. Portions of the following items from the Annual Report have been updated to reflect the new business segment structure:

- o Part I, Item 1. Business (filed as exhibit 99.1 and incorporated herein by reference).
- o Part II, Item 6. Selected Consolidated Financial Data (filed as exhibit 99.2 and incorporated herein by reference).
- o Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations (filed as Exhibit 99.3 and incorporated herein by reference).
- o Part II, Item 8. Financial Statements and Supplementary Data (filed as Exhibit 99.4 and incorporated herein by reference).

All of the changes to the Annual Report relate solely to the presentation of segment specific disclosures on a basis consistent with the revised reporting structure and had no impact on the consolidated statements of financial condition, statements of operations, statements of comprehensive income (loss), statements of changes in stockholders' equity or statements of cash flows. The information in this Current Report on Form 8-K is presented as of December 31, 2004, and other than as indicated above, has not been updated to reflect financial results subsequent to that date or any other changes since the date of the Annual Report.
