PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 14, 2007

This proxy statement together with the form of proxy is being mailed to stockholders on or about April 13, 2007 in connection with the solicitation by the Board of Directors of Tompkins Trustco, Inc. (the "Company") of proxies to be used at the annual meeting of stockholders (the "Meeting") of the Company to be held at the Country Club of Ithaca, 189 Pleasant Grove Road, Ithaca, New York on Monday, May 14, 2007 at 5:30 p.m., and any adjournment thereof.

Voting

Only stockholders of record at the close of business on March 16, 2007 will be entitled to vote. On March 16, 2007, there were 9,806,224 shares of common stock of the Company, par value \$0.10 per share (the "Common Stock"), outstanding. Each share of Common Stock is entitled to one vote on each matter to be voted on

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

at the Meeting.

Stockholders whose shares are registered in their own names may vote by mailing a completed proxy, via the Internet or by telephone. Instructions for voting via the Internet or by telephone are set forth on the enclosed form of proxy. To vote by mailing a proxy, sign and return the enclosed form of proxy in the enclosed pre-addressed postage-paid envelope. Shares of Common Stock covered by a proxy that is properly executed and received prior to the close of business on the day of the Meeting will be voted and, if the stockholder who executes such proxy specifies therein how such shares shall be voted on such proposals, the shares will be voted as so specified. Executed proxies with no instructions will be voted "FOR" each proposal for which no instruction is given. Other than the election of directors, the proposal to amend the Company's Certificate of Incorporation to change the Company's name to "Tompkins Financial Corporation", and the decision to adjourn and solicit further proxies, as necessary, the Board is not aware of any other matters to be presented for stockholder action at the Meeting. However, if other matters do properly come before the Meeting or any adjournments thereof, the Board of Directors intends that the persons named in the accompanying proxy will vote the shares represented by all properly executed proxies on any such matters in accordance with the judgment of the person or persons acting under the proxy.

The presence of a stockholder at the Meeting will not automatically revoke a proxy previously delivered by that stockholder. A stockholder may, however, revoke his or her proxy at any time prior to its exercise by: (1) delivering to the Corporate Secretary a written notice of revocation prior to the Meeting, (2) delivering to the Corporate Secretary a duly executed proxy bearing a later date, or (3) attending the Meeting and filing a written notice of revocation with the Corporate Secretary at the Meeting prior to the vote and voting in person.

The presence, in person or by proxy, of the holders of at least a majority of the votes of shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum for the conduct of business at the Meeting and, in the event there are not sufficient votes on any matter, the Meeting may be adjourned.

Abstentions and Broker Non-votes

Abstentions, in person or by proxy, and broker non-votes will each be counted for purposes of determining the presence of a quorum. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that matter and has not received instructions from the beneficial owner. Abstentions and broker non-votes will have no effect on Proposal No. 1 - Election of Directors. As to Proposal No. 2 - Amendment to the Company's Certificate of Incorporation to change Company's name, and Proposal No. 3 - Adjournment of the Meeting, as necessary - abstentions will be counted toward the vote total, and will have the same effect as votes "Against" the proposal. As to Proposal No. 2, broker non-votes will have the same effect as votes "Against" the proposal, and as to Proposal No. 3 broker non-votes will have no effect and will not be counted towards the vote total.

Solicitation of Proxies

The total cost of solicitation of proxies in connection with the Meeting will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies for the Meeting personally or by telephone or electronic communication without additional remuneration. The Company will also provide brokers and other record owners holding shares in their names or in the names of nominees, in either case which are beneficially owned by others, proxy material for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so.

At the Meeting, stockholders will elect six directors to hold office until the 2010 annual meeting of stockholders or until their successors are duly elected and qualified. The nominees receiving the highest number of affirmative votes of the shares entitled to vote at the Meeting will be elected to the Board. The seventh director will be in the class of directors whose term will expire at the 2008 annual meeting of stockholders or until his successor is duly elected and qualified.

The proxies will vote as directed and, in the absence of instructions, will vote the shares represented by the proxies in favor of the election of nominees named below. In the event any nominee is unable or declines to serve as a director at the time of the Meeting, the proxies will be voted for any nominee, if any, who may be designated by the Board of Directors, upon recommendation of the Company's Nominating and Corporate Governance Committee, to fill the vacancy. As of the date of this proxy statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director.

The Board recommends a vote "FOR" the election of each of the director nominees.

The following table sets forth each director nominee and each person who served as a director in 2006 and includes such person's name, age, the year he or she first became a director, the year in which his or her term will expire, and whether he or she has been determined to be an independent director. Each of the members of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards.

The Board of Directors has adopted a written charter for the Audit/Examining Committee. A copy of the Audit/Examining Committee's charter is included as Appendix B. 9

establishes procedures for the nomination process and nominates or recommends to the Board qualified candidates for election to the Board.

The process for selecting director nominees entails making a preliminary assessment of each candidate based upon his or her qualifications, willingness to serve on the Board, and other background information. This information is then evaluated against the criteria set forth below, as well as the specific needs of the Company at that time. Based upon this preliminary assessment, candidates who appear to be the best fit may be interviewed. If the director nominee is a current Board member, the committee will also consider prior Board performance and contributions. At the conclusion of this process, the committee will nominate qualified candidate that best meet the Company's needs to the Board for election at the next annual meeting of stockholders. The committee uses the same process for evaluating all candidates, whether recommended by stockholders, directors or management.

The minimum qualifications and attributes that the committee believes must be possessed by a director nominee include: highest personal values, judgment and integrity; an understanding of the regulatory and policy environment in which the Company conducts its business; an understanding of, and interest in, the communities served by the Company; and experience in the key business, financial and management challenges that face financial service companies.

The committee considers nominees proposed by stockholders. To recommend a prospective nominee for the committee's consideration, stockholders should submit the candidate's name and qualifications to: Chairman, Nominating and Corporate Governance Committee, Tompkins Trustco, Inc. Board of Directors, P.O. Box 460, Ithaca, New York 14851. Each member of this committee is an "independent director" as defined in Section 121A of the AMEX listing standards.

The Pension Investment Review Committee met three times during fiscal 2006. This committee is responsible for reviewing the assets held in the Tompkins Trustco, Inc. Retirement Plan.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy, Policy, and Process

The Company has delegated to the Executive/Compensation/Personnel Committee (the "Compensation Committee") the responsibility for determining and recommending to the full Board the compensation of the Company's executive officers, including the named executive officers identified in the Summary Compensation Table. A goal of the Compensation Committee is to offer executive compensation that is fair and reasonable, consistent with the Company's size and the compensation practices of the financial services industry generally. A key objective of the Compensation Committee is to attract, develop and retain high caliber executives who are capable of maximizing the Company's performance for the benefit of its stockholders. In furtherance of this objective, the Compensation Committee periodically compares its compensation levels, practices and financial performance to those of a select group of banking institutions of similar size, geographic market and business makeup. Toward that end, the Compensation Committee considered the compensation practices of a comparative group of banking companies which it believed were reasonably comparable to the Company's asset size and performance. The information pertaining to the companies forming the comparative group considered by the Compensation Committee was gathered from information available to the public, from a survey developed by the Independent Bankers Association of New York (IBANYS), and the New York Bankers Association (NYBA) which provided information about the compensation practices of community banking institutions in New York State or from other independently published surveys. The Committee also has the authority to retain such outside counsel, experts, and other advisors as it determines appropriate to assist it in the full performance of its functions. The Committee engaged the services of Ben S. Cole Financial Incorporated in 2003 to review and make recommendations regarding its practices for Executive and Director compensation. In May of 2005, the Committee retained the services of Buck Consultants. They were charged with evaluating each subsidiary's then current compensation/benefit structure with the intent to develop a single salary structure for the Company.

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

In determining the compensation for the Company's executive officers for fiscal 2006, including the compensation of the Company's Chief Executive Officer, the Compensation Committee considered, but did not formally weigh, a number of quantitative and qualitative performance factors to evaluate the performance of its executive officers, including its Chief Executive Officer.

The performance factors considered included (1) the Company's net income for fiscal 2006 as compared to the Company's internal targets; (2) increases in earnings per share of the Company's Common Stock for the latest 12 months; (3) the Company's return on assets, as ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group Percentile); (4) increases in the Company's stock price over 12 months; and (5) the Company's return on equity, as ranked in the Federal Reserve Bank Holding Company Performance Report (Peer Group percentile). Executive officers do not play a role in setting their own or director compensation, but they may be called on to make recommendations concerning those individuals that report to them. The Compensation Committee believes that the total compensation provided to the Company's executive officers is competitive, reflects the Company's performance, and that the Company's compensation practices for fiscal 2006 were appropriate. As permitted by law, the Committee may delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

Components of Compensation

The three major components of the Company's executive officer compensation are: (i) base salary, (ii) annual bonus and (iii) long-term, equity-based incentive awards.

Base salary. The Compensation Committee annually reviews the salaries of the Company's executives. When setting base salary levels for recommendation, the Compensation Committee considers (a) competitive market conditions for executive compensation, (b) the Company's performance and (c) the individual's performance. The Company's performance is measured by the Company's strategic and financial performance in the fiscal year, with particular emphasis on earnings per share growth and return on stockholders' equity for the year. Although the Compensation Committee considers year-to-year changes in stock price in its evaluation of Company performance, the Committee does not emphasize this criterion because the Committee does not believe that short-term fluctuations in stock price necessarily reflect the underlying strength or future prospects of the Company. Individual performance is measured by the strategic and financial performance of the particular executive officer's operational responsibility in comparison to targeted performance criteria.

Annual bonus. The Company chooses to pay annual cash bonuses in order to motivate executives to work effectively to achieve the Company's financial performance objectives and to reward them when objectives are met. The Board maintains full discretion on the payment of bonuses in order to maintain the flexibility necessary to ensure its ability to act in the Company's best interests. Individual cash bonuses are paid based on three factors: (1) contribution to Company results, (2) contribution to department or business unit goals, and (3) achievement of individual goals. The higher an executive is in the management hierarchy, the greater the weight that is placed on Company results. Company results are reviewed in three areas: (1) achievement of annual goals, (2) relative performance compared to peers over a two-year period and related trends, and (3) strategic development

Long-term, equity-based awards. The Company chooses to award stock options because such grants (1) align executive's interests with stockholder interests by creating a direct link between compensation and stockholder return, (2) give

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

executives a significant, long-term interest in the Company's success and (3) help retain key executives in a competitive market for executive talent. While the Compensation Committee recognizes that the executives of the Company can exert very little influence on short-term fluctuations in stock price, the Compensation Committee does believe that long-term stock price appreciation reflects achievement of strategic goals and objectives. Stock option awards are based on the performance of the individual executive and his or her anticipated contribution to the achievement of the Company's strategic goals and objectives. In addition to stock options, executives may receive Common Stock through the profit sharing component of the Tompkins Trustco Inc. Employee Stock Ownership Plan. For a more detailed discussion of this, and other, deferred compensation and retirement plans, please see the text accompanying the tables following this section.

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Tompkins Trust Company, and Messrs. Fulmer, Romaine and Fetsko are parties to Supplemental Executive Retirement Agreements with the Company. These agreements contain change-in-control provisions and are discussed below under "Supplemental Employee Retirement Plans."

Life Insurance

Life insurance benefits are provided to certain officers of the Company, with respect to which the Company has entered into life insurance contracts. These insurance contracts are carried at cash surrender value on the Company's consolidated statements of financial condition. Increases in the cash surrender value of the insurance are reflected as noninterest income, and the related mortality expense is recognized as other employee benefits expense, in the Company's consolidated statements of income. Taxable amounts paid with respect to such life insurance on behalf of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table, above.

Stock Option Plan

The Company maintains the Tompkins Trustco, Inc. 2001 Stock Option Plan as a vehicle to encourage the continued employment of key employees of the Company and its subsidiaries, and to align their interests with those of the Company's stockholders by facilitating their purchase of a stock interest in Tompkins Trustco. Management believes that an incentive stock option plan is in the best interests of the Company and its stockholders since it will enhance the Company's ability to continue to attract and retain qualified directors, officers and other key employees.

Deferred Profit-Sharing Plan

The Company has an Investment and Stock Ownership Plan (the "ISOP") that covers substantially all of the employees of the Company and its subsidiaries. The ISOP is a profit-sharing plan with a salary deferral arrangement meeting the requirements of Section 401(k) of the Internal Revenue Code of 1986, as amended. Pursuant to the ISOP, an employee may defer a portion of the employee's base pay, within limits specified in the ISOP. The ISOP further provides that the Company will match 100% of an employee's contribution up to 3% of the employee's base pay, and will match 50% of an employee's additional contribution to the ISOP that is greater than 3%, but not more than 5%, of the employee's base pay. In addition, the ISOP has an employer-funded profit sharing component. Profit sharing contributions are discretionary contributions determined by the Company's Board of Directors and are limited to a maximum amount as stipulated in the ISOP. The ISOP allows employees to elect to defer a portion of their profit sharing component (which deferral is not eligible for matching by the Company), or to receive cash. Amounts contributed by the Company for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table and described in Note 4.

The Company also has the Tompkins Trustco, Inc. Employee Stock Ownership Plan (the "ESOP"), which covers substantially all employees of the Company. The purpose of the ESOP is to permit the Company to make discretionary profit sharing contributions to employees in the form of shares of Common Stock in order to facilitate stock ownership by employees. Contributions are determined by the Company's Board of Directors and are limited to a maximum amount as stipulated in the ESOP. Amounts accrued for the accounts of the Named Executive Officers are included as "All Other Compensation" in the Summary Compensation Table and described in Note 4.

Retirement Plans

The Company has a defined benefit plan, the Tompkins Trustco, Inc. Retirement Plan (the "Retirement Plan"), which covers substantially all employees of the Company. The retirement plan does not require or allow employee contributions. The assets of the Retirement Plan are held in a separate trust and administered by the Pension Investment Review Committee of the Board of Directors.

The following table provides information with respect to each pension plan that provides for payments or other benefits at, following, or in connection with retirement. This includes a tax-qualified defined benefit plan and a supplemental executive retirement plan, but it does not include defined contribution plans (whether tax-qualified or not).

The Retirement Plan provides a monthly benefit payable at retirement. This benefit is determined by the accumulation of credits which are earned as the participant works for the Company. The credits earned for each plan year are based on the sum of the participant's age and service at the beginning of that plan year. When a participant terminates employment or retires, the credits earned for all plan years are summed and multiplied by the "Average Final Earnings" under the Plan, and the results is then converted into a monthly annuity. This type of plan is often referred to as a "pension equity plan."

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

A participant's retirement benefit is fully vested upon the completion of five years of vesting service. The Normal Retirement Age under the Plan is age 65. The accrued benefit is payable at this age; however, a reduced benefit may be payable as early as age 55.

Benefits under the Retirement Plan are not subject to any reduction for Social Security benefits or other offset amounts. Benefits may be paid in certain alternative forms having actuarial equivalent values.

Potential Payments upon Termination or Change in Control

The Company has Supplemental Executive Retirement Plan ("SERP") agreements with four of the five Named Executive Officers - Mr. Updike does not have such an agreement. These agreements have been summarized below.

Mr. Byrnes: Tompkins Trust Company has a SERP Agreement with Mr. Byrnes dated July 12, 1994. This SERP agreement provides Mr. Byrnes with the following:

- o Retirement Benefits: An annual retirement benefit at age 65 equal to 50% of his highest average earnings (as defined in the SERP agreement) using five consecutive calendar years of his employment with Tompkins Trust Company, less (a) benefits payable to Mr. Byrnes under Tompkins Trust Company's retirement plan and (b) social security benefits. The retirement benefit is payable monthly and subject to reduction in the event Mr. Byrnes retires prior to age 65.
- o Disability Benefits: In the event of (a) short-term disability, with benefits in an amount sufficient to continue Mr. Byrnes's annual earnings immediately prior to such disability (taking into account disability benefits otherwise payable under Tompkins Trust Company's disability policies) for a period of up to 26 weeks and, (b) long-term disability, with benefits equal to those payable upon retirement, without regard to age, but subject to reduction of long-term disability payments.
- o Change of Control Benefits: In the event of a change in control, as defined in Mr. Byrnes's severance agreement, with a single, lump-sum distribution equal to the present value of the annual retirement benefit otherwise payable to Mr. Byrnes upon retirement at age 65. Except in the event of a change in control, no benefits are payable under the SERP agreement if

19

Mr. Byrnes's employment is terminated for cause, or he engages in competition (as defined in the SERP agreement) with Tompkins Trust Company or he performs acts of willful malfeasance or gross negligence in a matter of material importance to Tompkins Trust Company. Mr. Byrnes's SERP agreement is not an employment agreement and does not confer upon him any right to continued employment.

As of January 1, 2007, upon Mr. Byrnes' retirement, the disability benefits and change of control benefits are no longer applicable.

Messrs. Fulmer, Romaine and Fetsko:

In December 2005, Messrs. Fulmer, Romaine and Fetsko, each a Named Executive Officer, entered into Supplemental Executive Retirement Agreements with the

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Company, which, among other things, replaced the SERP agreements and employment agreements that were previously in place with Mr. Fulmer and Mr. Romaine. The December 2005 SERP agreements provide the covered executive officers with the following retirement, death, disability and change of control benefits:

- o Retirement Benefits. Upon his or her retirement, covered executive officers are eligible to receive payment of his or her annual retirement benefit amount, which is equal to 75% of the executive's earnings, less (a) the annual amount payable under any single life annuity provided under the Company's Retirement Plan and (b) any social security benefits. This benefit is also reduced by 5% for each year the Executive's service, as defined in the agreement, is less than 20 years. The retirement benefit is payable monthly until the executive officer's death and is subject to reduction depending upon the executive's age and years of service as of the date of his or her retirement date prior to age 65. For purposes of this benefit, an executive officer's "earnings" will be the average of the executive officer's five highest calendar years of base salary.
- o Death Benefits. In the event of the covered executive officer's death (i) after retirement, his or her spouse will be paid (monthly) 50% of the executive officer's annual retirement benefit until the spouse's death, and (ii) prior to retirement, his or her spouse will be paid (monthly) 50% of the vested portion of the executive officer's annual retirement benefit until the spouse's death, provided the spouse survives until the executive officer's designated retirement age in the SERP agreement.
- o Disability Benefits. Upon a covered executive officer becoming disabled, he or she is entitled to payment of his or her retirement benefits commencing at the executive officer's designated retirement date in the SERP agreement, but with the assumption that the executive officer has completed 20 years of service and is 100% vested in the benefit under the SERP agreement as of the date of his or her disability. In the event of the executive officer's death after disability, the executive officer's spouse will be entitled to payment of the death benefits described above.
- o Change of Control Benefits. In the event of a change in control, the covered executive officer will be deemed to have completed twenty (20) years of service and will be 100% vested in the benefit under the SERP agreement. Covered executive officers could be entitled to certain severance benefits following a change of control of the Company (as defined in the SERP agreements). If, within three years following a change in control the executive officer is terminated, other than for cause and subject to the discretion of the Company's executive committee, or, the executive officer's role or compensation is significantly reduced, then for a period of three years, the executive officer is entitled to (a) payment of his or her base salary in effect immediately prior to the change in control, but subject to reduction by 20% to 100% depending on the executive's age at the time of his or her termination, (b) the executive's bonus and profit sharing compensation, which will be the average of the executive's bonus and profit sharing compensation earned for the two most recently completed fiscal years of the Company and (c) continuation of all welfare benefits that he or she was

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

participating in immediately prior to the change in control.

In addition, the SERP agreements with Messrs. Fulmer and Romaine provide that in the event the executive officer's employment is terminated without cause (other than upon a change of control, death or disability), then the executive officer is entitled to (a) payment of his or her base salary in effect immediately prior to the executive officer's termination of employment and (b) participate (but not required) in the Company's welfare benefits. These severance benefits are payable for a period of 24 months to Mr. Fulmer and 12 months to Mr. Romaine.

Further, under the SERP agreements, in the event Messrs. Fulmer's, Romaine's or Fetsko's employment is involuntarily terminated (other than for cause) at any time, or voluntarily terminated after reaching age 55 and after completing 10 years of service, but prior to his designated retirement age in his SERP agreement, he will be entitled to payment of his retirement benefits on his designated retirement date, or, in the event of his death, his spouse will be entitled to payment of the death benefits described above.

No benefits are payable under the SERP agreements if the covered executive officer's employment is terminated for cause, or he or she engages in competition with the Company. And, if the executive officer voluntarily terminates his or her employment before age 55 and before completion of 10 years of service, other than because of death, disability or change of control, he or she will not be entitled to payment of any retirement benefits. The SERP agreements are not employment agreements and do not confer upon the covered executive officers any right to continued employment with the Company or any of its subsidiaries.

Deferred Compensation Plan for Selected Officers

The Company maintains a nonqualified deferred compensation plan for a select group of officers. This plan allows participating employees to defer receipt of all or a portion of bonuses and profit sharing payments otherwise payable to them until a future date. The Investment Committee, which is a subcommittee of the Executive/Compensation/Personnel Committee, directs the investment of these monies. Amounts deferred under the deferred compensation plan on the part of the Named Executive Officers are included as "Bonus" or included in "Other Compensation" in the Summary Compensation Table.

The bonuses listed in the Summary Compensation Table are reported for the year that they were "earned." The payment for said bonuses is made in the following year. If the NEO elected to defer a bonus or profit sharing, the payment to the deferred compensation plan is the net amount after Social Security and Medicare are withheld.

The \$41,480 represents the distribution made in 2006. The aggregate balance includes deferrals since Mr. Updike's election to participate in the plan in 1998.

Post-Retirement Life Insurance and Medical Insurance

The Company offers post-retirement life insurance coverage to employees who have worked for the Company for 10 or more years and who retire at or after age 55. All of the Named Executive Officers are entitled to receive life insurance coverage under this policy.

Additionally, Tompkins Trust Company offers post-retirement medical coverage to certain employees. Retiree medical insurance subsidized by the Company has been eliminated for new hires after December 31, 2004. The current Tompkins Trust Company retirees and active eligible employees (at least 55 years of age and 10 years of service as of December 31, 2004) are a "grandfathered group" and as such continue to receive a portion of their retiree medical benefit from the Company. There is currently a \$3,000 annual cap on the employer payments. The plan of benefits and the employer subsidy will be evaluated annually. All other active employees received a notional Health Reimbursement Account (HRA). Monies in this account will be available to individuals who retire from the Company. The FAS 106 APBO that is attributable to each employee determined the amount of "seed money" for these HRA's.

TRANSACTIONS WITH RELATED PERSONS

Certain directors and executive officers of the Company and its affiliated companies, members of their immediate families and companies or firms with which they are associated, were customers of, or had other transactions with, the Company in the ordinary course of business during fiscal 2006. Any and all loans and commitments to loan to such individuals were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. As of December 31, 2006, the balance of all such loans included in total loans was \$11,031,000. None of the loans outstanding to directors or executive officers of the Company, or members of their immediate families or companies or firms with which they are associated, were nonperforming at December 31, 2006.

Russell K. Achzet, a current director and a director nominee for consideration at the Meeting, was the founder and the majority shareholder of AM&M Financial Services, Inc., which the Company acquired, by merger, in January 2006, and is now a wholly-owned subsidiary of the Company. Under the terms of the agreement and plan of merger, the Company acquired all of the issued and outstanding shares of AM&M capital stock, including those shares held by Mr. Achzet, for an initial consideration of \$2,375,000 paid in cash and 53,976 shares of Company Common Stock. In addition to the merger consideration paid at closing, additional contingent amounts of up to \$8.5 million (payable one-half in cash and one-half in Company Common Stock) may be paid over a period of four years from closing. For his ownership interest in AM&M, Mr. Achzet received, as his portion of the initial merger consideration, \$1,687,400 in cash and 33,119 shares of Company Common Stock. Mr. Achzet is also eligible to receive contingent payments of up to \$5.2 million, payable in equal amounts of cash and Company Common Stock, depending on the earnings performance of AM&M over the next four years. In connection with the Company's acquisition of AM&M, Mr. Achzet entered into a consulting agreement with AM&M Financial Services, which will expire on January 1, 2010. Under the terms of the consulting agreement, Mr. Achzet provides certain management consulting and business referral services for AM&M. In consideration for his services, Mr. Achzet is paid a monthly fee, on a declining basis. Currently, banking transactions with related persons, which include the Company's directors, director nominees, and executive officers and their immediate family members, as well as persons owning more than 5% of the Company's common stock and any immediate family member of such shareholder, are reviewed by the management of the Company's subsidiary banks according to the requirements of Regulation O.

REPORT OF THE AUDIT/EXAMINING COMMITTEE OF THE BOARD OF DIRECTORS

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The Audit/Examining Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Audit/Examining Committee is composed of three non-employee directors, all of whom are "independent directors" under Section 121(A) of the AMEX listing standards and Rule 10A-3 under the Exchange Act.

The Audit/Examining Committee operates under a written charter approved by the Board of Directors, a copy of which is included as Appendix B to this proxy statement. The Audit/Examining Committee's primary duties and responsibilities are: to oversee the Company's accounting and financial reporting process and the audit of the Company's financial statements and to monitor the integrity of the Company's financial statements; to monitor the independence and qualifications of the Company's independent auditor; monitor the performance of the Company's independent auditor and internal auditing department; provide an avenue of communication among the Company's independent auditor, management, the internal auditing department, and the Board of Directors; and to monitor compliance by the Company with legal and regulatory requirements. The Audit/Examining Committee is also directly responsible for the appointment and compensation of the Company's independent auditor.

The Audit/Examining Committee met five times during fiscal 2006 and reports to the Board of Directors on a quarterly basis. The Audit/Examining Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit/Examining Committee's meetings include, whenever appropriate, executive sessions with the Company's independent auditors and with the Company's internal auditors, in each case without the presence of the Company's management.

The Audit/Examining Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities. It has direct access to the independent auditors and to any employee or officer of the Company it deems necessary. The Audit/Examining Committee has the ability to retain, at the Company's expense and at compensation it deems appropriate, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

Management is responsible for the Company's internal controls and financial reporting process. The Company's independent accountants, KPMG LLP ("KPMG"), are responsible for performing an independent audit of the Company's consolidated financial statements and an audit of the Company's internal control over financial reporting in accordance with auditing standards generally accepted in the United States of America and to issue reports thereon.

In connection with its responsibilities, the Audit/Examining Committee met with management and with KPMG to review and discuss the Company's audited consolidated financial statements for the fiscal year ended December 31, 2006. The Audit/Examining Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), received written disclosures and a letter from KPMG required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees), and has discussed with KPMG its independence.

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Based upon the Audit/Examining Committee's discussions with management, the Company's internal auditor, and KPMG and the Audit/Examining Committee's review of the information described in the preceding paragraph, the Audit/Examining Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2006, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, for filing with the SEC.

Members of the Audit/Examining Committee:

John E. Alexander, Chair

Patricia A. Johnson

Thomas R. Salm

INDEPENDENT AUDITORS

The Audit/Examining Committee has retained KPMG LLP ("KPMG") to continue as independent auditors and to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2007. A representative of KPMG is expected to attend the Meeting and will have an opportunity to make statements and respond to appropriate questions from stockholders.

Audit and Non-Audit Fees

KPMG is the Company's independent auditor. The following table sets forth the aggregate fees billed to the Company for the fiscal years ended December 31, 2006 and December 31, 2005 by KPMG:

	2006 (\$)	2005 (\$)
Audit Fees:	346,000	228,500
Audit-Related Fees:	0	95,000
Tax Fees:	84,015	85,165
All Other Fees:	0	0

Audit Fees: These are fees for professional services rendered for the audit of the Company's consolidated annual financial statements and review of the consolidated financial statements included in the Company's quarterly reports on Form 10-Q, and for services that would normally be provided by the Company's auditor in connection with statutory and regulatory filings or engagements for the periods covered.

Audit-Related Fees: No audit-related fees are disclosed in this proxy statement because the fees billed in 2006 for the audit of internal controls over financial reporting in accordance with the Public Company Accounting Oversight Board, including FDICIA reporting, are included in the chart above as "Audit Fees."

Edgar Filing: TOMPKINS TRUSTCO INC - Form DEF 14A

Tax Fees: These are fees for professional services rendered regarding tax compliance, tax advice or tax planning. More specifically, these include fees billed for tax return preparation, quarterly estimates, tax planning and tax related research.

All Other Fees: These are fees for all other products and services provided by the Company's independent accountant that do not fall within the previous categories.

All non-audit services were reviewed with the Audit/Examining Committee, which concluded that the provision of such services by KPMG was compatible with the maintenance of that firm's independence and the conduct of its auditing functions.

Audit/Examining Committee Pre-Approval Policy

The Audit/Examining Committee pre-approves all audit services and permitted non-audit services (including the fees and terms of such services) to be provided to the Company by its independent auditor, other than non-audit services falling within the de minimis exception described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit/Examining Committee prior to the completion of the audit. The Audit/Examining Committee may delegate to one or more designated members of the Audit/Examining Committee the authority to grant pre-approvals of audit services and permitted non-audit services, provided that decisions of such designated member(s) to pre-approve one or more such services shall be reported to the full Audit/Examining Committee at its next scheduled meeting.

All audit and non-audit services provided by the Company's independent auditor for fiscal 2006 and fiscal 2005 were pre-approved by the Company's Audit/Examining Committee.
