Attachment to Form 12b-25 for SimplePons, Inc. for the period ended June 30, 2012.

As a result of the exit from shell status and the commencement of operations in the fourth quarter of 2011, the registrant anticipates that its balance sheet at June 30, 2012 and its statement of operations (unaudited) for the three and six months ended June 30, 2012 which will be included in the Quarterly Report on Form 10-Q when filed will differ materially from the comparable periods in the prior fiscal year; however, the registrant is not presently able to quantify the amount of such anticipated change as it is still compiling its financial statements.
