Item 1.01 Entry into a Material Definitive Agreement.

On July 2, 2008, the Altairnano 2008 Incentive Bonus Plan (the "Plan") of Altair Nanotechnologies Inc. (the "Company") was finalized and approved by the Compensation, Nominations and Corporate Governance Committee of the Company. All full time employees of the Company, including executive officers, are eligible for bonus awards under the Plan if applicable performance targets are met.

Under the Plan, employees are entitled to a "target bonus" equal to between 15% and 80% of their total salaries, with the potential bonus percentage being tied to the employee's position at the Company, if certain performance targets are met. The target bonus for the Company's Chief Executive Officer is 80% of his base salary. For all other executive officers of the Company, the target bonus is 60% of his base salary.

For non-executive employees, the targets are 50% based upon individual performance and 50% based upon company performance. For executive officers, the targets are 100% based upon Company performance.

The Company targets for 2008 include total revenue (25% weighting), order backlog as of year end (25%), cash at year end excluding cash from new stock issuances (45% weighting) and a safety measure (5% weighting). Under the Plan, if the weighted performance percentage for an employee is less than 100% of the target, the employee is not entitled to any bonus. At 100%, the employee is entitled to a bonus equal to his or her target bonus. If the weighted performance percentage for an employee is above 100%, the employee is entitled to a bonus in an amount equal to the product of a bonus multiplier (capped at 150% for weighted performance results at 125% of target) multiplied by the employee's target bonus.

Bonuses are paid in cash for certain entry-level employees and are paid 60% in cash and 40% in stock for mid-level and executive employees. The Company's Board of Directors retains discretion to award bonuses above, and below, the bonus amount dictated by the Plan.

The description of the Plan set forth above is, by its nature, a summary description and omits certain detailed terms set forth in the underlying Plan document. The summary set forth above is qualified by the terms and conditions of the Plan document attached as Exhibit 10.1 to this Current Report.
