**Item 5. Other Events and Required FD Disclosure.**

On May 19, 2003, MicroStrategy Incorporated (the Company ) and its wholly-owned domestic subsidiaries (collectively, the Borrowers ) entered into a \$10 million secured credit facility with Bank of America, N.A. (the New Facility ). The credit facility consists of a \$10 million revolving line of credit subject to a borrowing base limitation based on accounts receivable. Loans under the facility will bear interest at a variable rate based on LIBOR plus a margin, or 1% over the Bank's prime rate, at the Company's selection. The facility includes a letter of credit sub-limit of \$10 million, and is secured against substantially all of the assets of the Borrowers.

In connection with the New Facility, the Security Agreement, dated July 25, 2002, between the Company and Bank of America, N.A., under which letters of credit issued in favor of the Company are secured by restricted cash equal to the balance of the outstanding letters of credit of \$5.6 million, will be terminated, and the \$5.6 million of restricted cash currently securing the letters of credit will no longer be restricted.

The terms of the New Facility are more fully set forth in a Secured Credit Agreement and a Security Agreement attached hereto as Exhibit 10.1 and Exhibit 10.2, respectively, and incorporated herein by reference.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
