Coffman Consulting Agreement

As previously reported in a Form 8-K filed on July 25, 2005, Jack Coffman, Senior Vice President of Power Supply for OG&E, announced his retirement effective December 1, 2005. On November 16, 2005, the Board of Directors of the Company approved a consulting agreement with Mr. Coffman. The consulting agreement, which is filed as Exhibit 10.01 hereto and incorporated herein by reference, is effective as of December 1, 2005. The term of the agreement extends to December 1, 2006, unless earlier terminated as provided therein. Under the terms of the agreement, Mr. Coffman agreed to consult and advise the Company and OG&E on specific matters designated by the chief executive officer (CEO) and chief operating officer (COO). In consideration for services provided under the agreement, Mr. Coffman will be paid \$132.50 per hour, plus reasonable out-of-pocket expenses, for consulting services performed at the request of the CEO or COO. The \$132.50 per hour represented Mr. Coffman's annual salary at the time of his retirement divided by 2,000 hours.

Director Compensation

On November 16, 2005, the Compensation Committee of the Board of Directors of the Company approved compensation levels for 2006 for non-officer directors of the Company. For 2006, the portion of the annual retainer which is to be payable in monthly installments in cash increased from \$24,000 to \$30,000 (the first such increase since 1995) and the portion of the annual retainer to be deposited in the director's account under the deferred compensation plan increased from \$42,000 to \$51,000. The amounts deposited in a director's account under the deferred compensation plan will be credited to such director's separate stock equivalent account under such plan, based on the closing price of the Company's common stock on November 30, 2005. For 2006, the meeting fees and additional retainers for committee chairmen and lead director will remain unchanged from 2005. The chairman of the audit committee will receive an additional annual retainer of \$10,000, the chairman of the compensation committee and nominating and corporate governance committees will each receive additional annual retainers of \$5,000 and the lead director will receive an additional annual retainer of \$10,000. All non-officer directors will receive a fee of \$1,200 for each board and committee meeting attended.
