Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(2) These underlying shares were acquired on a periodic basis by the trustee of the Company's tax qualified Profit Sharing (401(k) and/or Supplemental Deferred Compensation Plan. The information was obtained from the plan administrator as of a recent date. The number of shares is based on the account balance of the Company stock fund under the plan (which includes some money market instruments) divided by the market price of the Company's stock as of that date.

(1) On February 15, 2006, reporting person's stock ownership was mistakenly reported as 37,328 shares of Common Stock of the Company. As of that date, reporting person owned only 31,018 shares. The error was due to a mistake in a prior Form 4 filed by reporting person which should have reported a sale of 20,000 (rather than 16,823) shares on February 27, 2004. Giving effect to exempt purchases made under the Company's stock purchase plan since the date of the last filing, and the transactions reported in this current Form 4, reporting person's stock ownership is 31,079 as of October 30, 2006.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
