in any of the actions or transactions described in paragraphs (a) through (j) of Item 4 of the instructions to Schedule 13D. The Reporting Person may in the future acquire additional Common Stock or other securities of the Issuer, in the open market, in privately-negotiated purchases or otherwise and may also, depending on then current circumstances, dispose of all or a portion of the Common Stock beneficially owned by them in one or more transactions. FMA may decide to purchase on behalf of its advisory clients additional shares of the Common Stock or other securities of the Issuer. In addition, FMA may cause its advisory clients to dispose of any or all securities of the Issuer in any manner permitted by applicable securities laws. FMA's advisory clients reserve the right to exercise any and all of their respective rights as a stockholder of the Issuer in a manner consistent with their equity interests.

Other than as described above, neither FMA nor any executive officer or director of FMA, has any present plans or proposals which relate to or would result in:

- (ii) the sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (iii) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (iv) any material change in the present capitalization or dividend policy of the Issuer;

- (vii) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

- (ix) any action similar to any of those enumerated above.

### Item 5. Interest in Securities of the Issuer

(a-b) One or more of FMA's advisory clients is the owner of 4,421,973 shares of the Common Stock. Investment advisory contracts with FMA's advisory clients grant to FMA sole voting and investment discretion over the securities owned by its advisory clients. Therefore, FMA may be deemed to be, for purposes of Rule 13d-3 under the 1934 Act (the "1934 Act"), the beneficial owner of 4,421,973 shares, representing approximately 5.31% of the outstanding shares of Common Stock.

## Edgar Filing: ICN PHARMACEUTICALS INC - Form SC 13D

FMA is an indirect wholly owned subsidiary of Franklin Resources, Inc. ("FRI"). Beneficial ownership by investment advisory subsidiaries and other affiliates of FRI is being reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as FRI, where related entities exercise voting and investment powers over the securities being reported independently from each other. The voting and investment powers held by FMA are exercised independently from FRI, and from all other investment advisor subsidiaries of FRI (FRI, its affiliates and investment advisor subsidiaries other than FMA are collectively referred to herein as "FRI affiliates"). Furthermore, FMA and FRI internal policies and procedures establish informational barriers that prevent the flow between FMA and the FRI affiliates of information that relates to the voting and investment powers over the securities owned by their respective advisory clients. Consequently, FMA and the FRI affiliates are each reporting the securities over which they hold investment and voting power separately from each other.

Charles B. Johnson and Rupert H. Johnson, Jr. (the "Principal Shareholders") each own in excess of 10% of the outstanding Common Stock of FRI and are the principal shareholders of FRI. However, FMA exercises voting and investment powers on behalf of its advisory clients independently of FRI, the Principal Shareholders, and their respective affiliates. Consequently, beneficial ownership of the securities being reported by FMA is not attributed to FRI, the Principal Shareholders, and their respective affiliates other than FMA. FMA disclaims any economic interest or beneficial ownership in any of the securities covered by this statement.

Furthermore, FRI, the Principal Shareholders, and their respective affiliates including FMA, are of the view that they are not acting as a "group" for purposes of Section 13(d) under the Act and that they are not otherwise required to attribute to each other the "beneficial ownership" of securities held by any of them or by any persons or entities advised by FRI subsidiaries.

(c) Exhibit B sets forth all transactions in the shares of the Common Stock within the past sixty days.

(d) No person other than respective advisory clients of FMA have the right to receive or the power to direct the receipt of dividends from, or the proceeds of the sale of the securities being reported herein.

(e) Not applicable.

### Item 6. Contracts, Arrangements, Understandings, or Relationships with Respect to Securities of the Issuer

Other than as disclosed above, no persons named in Item 2 herein, nor to the best of such person's knowledge, no person named in Exhibit A hereto, has any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any securities, finders' fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
