SONIC JET PERFORMANCE, INC.

FORM 10-KSB
Amendment 1

The following information is supplied as an amendment with respect to the financials that were prepared pursuant to the Form 10 K filed on 3/15/2002. The following auditor report should be read in conjunction with the financial information furnished for the year 2000.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors and Stockholders
Sonic Jet Performance, Inc. and subsidiary

We have audited the accompanying consolidated balance sheet of Sonic Jet Performance, Inc. and subsidiary as of December 31, 2000, and the related consolidated statements of operations, stockholders' equity (deficit), and cash flows for each of the two years in the period ended December 31, 2000. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis

Edgar Filing: SONIC JET PERFORMANCE INC - Form 10KSB/A

for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Sonic Jet Performance, Inc. and subsidiary as of December 31, 2000, and the consolidated results of their operations and their consolidated cash flows for each of the two years in the period ended December 31, 2000 in conformity with generally accepted accounting principles in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. During the years ended December 31, 2000 and 1999, the Company incurred net losses of \$7,458,046 and \$1,659,116, respectively. In addition, the Company's accumulated deficit was \$9,590,253 as of December 31, 2000. The Company must also obtain additional financing to meet its working capital needs. These factors, as discussed in Note 2 to the financial statements, raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2.

Further, as discussed in Note 13, the Company is a co-defendant in a lawsuit, of which the outcome and the amount of loss cannot be estimated.

No adjustment has been made in the financial statements for the outcome of these uncertainties.
