RE: INDEPENDENT CHAIRMAN PROPOSAL TO BE PRESENTED AT ANNUAL SHAREHOLDERS MEETING OF ASHFORD HOSPITALITY TRUST (NYSE: AHT)

Meeting Date and Time: _____, 2009

Location: [_____]

A STOCKHOLDER PROPOSAL WILL BE PRESENTED TO:

Amend the Bylaws of Ashford Hospitality to include a requirement that the Chairman of the Board be independent, as defined by the New York Stock Exchange.

To Fellow Ashford Shareholders:

We write to seek your support for a proposal amending the Bylaws of Ashford Hospitality to require that the Chairman of the Board of Directors be independent, as defined by the New York Stock Exchange (see full text of our amendment below).

Our Corporation, Ashford Hospitality Trust, Inc., made some risky bets at the height of the hotel cycle. In 2007, it acquired a 51-hotel portfolio from CNL Hotels for \$2.4 billion, more than doubling our debt and issuing additional equity at \$11.75 per share. Also in 2007, Ashford resumed its mezzanine lending business as the credit markets became less favorable to hotel lending.

Chairman Archie Bennett, Jr. executed a central role in both of these strategic decisions. He is neither independent of the Corporation nor its Chief Executive Officer.

Chairman Bennett earns an annual salary from Ashford, which totaled \$300,000 in 2007. He is the father of Montgomery Bennett, Ashford's CEO. Messrs Archie and Montgomery Bennett are 100% owners of Remington Lodging and its affiliates, which managed 43 of Ashford's hotels as of year-end 2007, and were paid \$24 million in 2007 in hotel and project management fees.

In March 2008, the Board of Directors recognized our Chairman's role in the CNL acquisition by granting a "special one-time award of 145,000 equity securities . . . based on his contributions to the integration of key transactions initiated during 2007, most

specifically the CNL transaction." Our Chairman chose to receive those securities in the form of partnership units, not shares of the Corporation, while our shares have decline by more than 90% since that transaction was announced.

Furthermore, Ashford was advised in this acquisition by Eastdil Secured, where another Ashford Director, Mr. Charles Toppino, was at the time a Senior Managing Director. Eastdil was paid a \$1,125,000 "success fee" for the CNL transaction. Mr. Toppino serves on Ashford's Compensation Committee, which sets our compensation policies for Chairman Bennett, CEO Bennett and other executive officers.

The Chairman of our Board also chairs the Mezzanine Loan Investment Executive Committee, which was formed by the Board of Directors in 2007 to evaluate and approve mezzanine lending activity by the Corporation. Notes receivable have more than doubled in 2008, including a \$98 million investment in a short term loan to Extended Stay America. According to a December 8, 2008 Wall Street Journal article, "Extended Stay Hotels Inc. is in early talks that could result in turning the hotel chain over to its lenders...." Not only is our Corporation highly-leveraged, but its financial resources were allocated to risky mezzanine loans just as the hotel cycle started its decline.

Ashford's Board of Directors has suspended dividends on common shares through 2009, except for dividend payments required to maintain REIT status, in conjunction with amending the terms of its credit facility.

The job of all Boards of Directors is to exercise independent oversight of corporate management, including the Chief Executive Officer, to protect shareholders' investment and maximize shareholder value. Ashford's Board lacks that independent leadership, and we believe Ashford's recent risk-taking argues that its Board needs more checks and balances on management to improve shareholder value through this economic crisis.

Below is the full text of our proposal:

RESOLVED, pursuant to Maryland General Corporation Law, Section 2-109(b) and Article VI, Section 8 of the Amended and Restated Bylaws of Ashford Hospitality Trust, Inc. (the "Corporation"), that the following be added to Article III, Section 10 of the Corporation's Bylaws:

A.The Chairman of the Board shall be a director who is independent from the Corporation.

B.For purposes of this Bylaw, "independent" has the meaning set forth in the New York Stock Exchange ("NYSE") listing standards. If the Corporation's common stock is listed on another exchange and not on the NYSE, such other exchange's definition of independence

shall apply.

C.The Board of Directors shall assess semi-annually whether a Chairman who was independent at the time he or she was elected is no longer independent. If the Chairman is no longer independent, the Board of Directors shall select a new Chairman who satisfies the requirements of this Bylaw within 60 days of such assessment.

D.This Bylaw shall apply prospectively, so as not to violate any contractual obligation of the Corporation in effect when this Bylaw was adopted. The Board shall terminate any such contractual obligation as soon as it has the legal right to do so.

E.Notwithstanding any other Bylaw, the Board may not amend the above without shareholder ratification.

F.Each of the above provisions is severable.

IT IS FURTHER RESOLVED that if any law bars shareholders from making the above amendments, then this resolution shall be deemed a recommendation to the Board.

We urge all shareholders to vote FOR this proposal <R>on the Proxy Card sent to you by Ashford Hospitality</R>.
