(1) The Vulcan Materials Company Thrift Plan for Salaried Employees is a defined contribution plan that accounts for participant interests in the Plan, including interests in the Employee Stock Ownership Plan (ESOP) account, in terms of dollars. The number reported has been calculated by converting into shares the change in the dollar amount (net of changes due to intra-plan transfers) allocated to the participant's employer stock account during the period (resulting from participant contributions, Company-matching contributions and dividend equivalent payments on employer stock account balances) based on a formula used by the Company in the administration of the Plan. The corresponding transactions by the Plan in the Company's common stock are exempt from the application of Section 16(b).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
