## **SECTION 1 - Registrant's Business and Operations**

### **Item 1.01 Entry Into a Material Definitive Agreement.**

On March 2, 2006, the Board of Directors of NVIDIA Corporation approved a new form of indemnification agreement to replace existing indemnification agreements. The new form is designed to provide members of our Board of Directors, executive officers and other selected officers of NVIDIA, collectively the Covered Parties, the maximum protection available under applicable law in connection with their services to NVIDIA and our affiliates. In connection with any change of control of NVIDIA, the Covered Parties will be entitled to a determination by independent legal counsel of the extent indemnification is permitted under the new form. In addition, unless otherwise approved by our Board of Directors prior to a change of control of NVIDIA, we are required to maintain directors and officers' insurance with respect to the Covered Parties. We intend to enter into the new form with current and future Covered Parties. The foregoing summary of changes contained in the new form is qualified in its entirety by the indemnification agreement itself, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

## **SECTION 5 - Corporate Governance and Management**

### **Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On March 2, 2006, the Board of Directors of NVIDIA Corporation approved our Amended and Restated Bylaws, or the Restated Bylaws, pursuant to which:

- references to Section 2115 of the California General Corporation Law were removed, as Section 2115 is no longer applicable to NVIDIA;
- provisions relating to our ability to grant loans to our officers were removed, as such loans are no longer permitted under applicable law;
  - provisions applicable to NVIDIA prior to our becoming a public company were removed;
- references in the "Officers" section of the Restated Bylaws were revised to conform to our current organizational structure;
- limitations on director and executive officer indemnification were removed in order to conform the Restated Bylaws to the new form of indemnification agreement (as discussed in Item 1.01 above); and
- the date for timely receipt of stockholder proposals was changed to no later than 120 days prior to the anniversary of the mailing date of the prior year's proxy materials in order to match the deadline set by federal proxy statement rules.

The foregoing summary of the Restated Bylaws is qualified in its entirety by the Restated Bylaws themselves, which are attached hereto as Exhibit 3.3 and are incorporated herein by reference.
