PROXY STATEMENT

General Information

This proxy statement is furnished to holders of Newmont Mining Corporation common stock, Newmont Mining Corporation of Canada Limited exchangeable shares, and Newmont Mining Corporation CHESSE Depository Interests in connection with the solicitation of proxies on behalf of the Board of Directors of Newmont Mining Corporation (Newmont or the Corporation) to be voted at the Annual Meeting of Stockholders of Newmont to be held on May 7, 2003. Stockholders of record at the close of business on March 5, 2003 will be entitled to notice of and to vote at the meeting and at all adjournments.

Stockholders Entitled to Vote.

The holders of record of the following securities at the close of business on March 5, 2003 (the Record Date) are entitled to vote at Newmont's 2003 Annual Meeting of Stockholders (the Annual Meeting) to be held on Wednesday, May 7, 2003:

common stock of the Corporation, par value \$1.60 per share (the Newmont Common Stock), of which there were 353,498,884 shares outstanding as of the Record Date (including shares represented by the Newmont CHESSE Depository Interests (CDIs) referred to below);

exchangeable shares of Newmont Mining Corporation of Canada Limited, a Canadian corporation (Newmont Canada) (the Newmont Exchangeable Shares), of which there were 48,434,773 shares outstanding as of the Record Date and entitled to vote pursuant to the terms of the Newmont Special Voting Stock described below; and

CDIs, of which there were 66,921,659 outstanding as of the Record Date, which vote on a ten-for-one basis.

Voting Your Shares.

Newmont Common Stock. Each share of Newmont Common Stock that you own entitles you to one vote. Your proxy card shows the number of shares of Newmont Common Stock that you own.

You may vote your shares by signing and returning the enclosed proxy card. If you vote by proxy card, your proxy (each or any of the individuals named on the proxy card) will vote your shares as you instruct on the proxy card. If you sign and return the proxy card, but do not give instructions on how to vote your shares, your shares will be voted as recommended by the Newmont Board of Directors.

You may vote by telephone or by the Internet by following the telephone or Internet voting instructions that are included with your proxy card. If you vote by telephone or the Internet, you do not need to return your proxy card.

You may attend the Annual Meeting and vote in person. We will give you a ballot when you arrive. However, if your stock is held in the name of your broker, bank or another nominee, you must get a proxy from the broker, bank or other nominee. This will be the only way we can be sure that the broker, bank or other nominee has not already voted your shares on your behalf.

Newmont Exchangeable Shares. Each Newmont Exchangeable Share that you own has economic rights (such as the right to receive dividends and other distributions) that are, as nearly as practicable, equivalent to those of shares of Newmont Common Stock, as well as the right through a Voting and Exchange Trust Agreement (the "Voting Agreement") to vote at stockholders' meetings of the Corporation. The Newmont Exchangeable Shares, however, are not shares issued by Newmont and, therefore, a holder of Exchangeable Shares is not a registered stockholder of Newmont, but is a registered shareholder of Newmont Canada. The Newmont Exchangeable Shares are exchangeable at the option of the holders into Newmont Common Stock on a one-for-one basis.

There are two ways to vote your Newmont Exchangeable Shares:

You may vote by signing and returning the enclosed voting instruction form. The voting instruction form permits you to instruct Computershare Trust Company of Canada, as trustee under the Voting Agreement (the "Trustee"), to vote at the Annual Meeting. The Trustee holds one share of special voting stock of the Corporation (the "Newmont Special Voting Stock") that is entitled to vote on all matters on which the shares of Newmont Common Stock vote. The share of Newmont Special Voting Stock has a number of votes in respect of the Annual Meeting equal to the lesser of (i) the number of Newmont Exchangeable Shares outstanding on the Record Date (other than Newmont Exchangeable Shares held by Newmont or its affiliates), or (ii) 10% of the total number of votes attaching to the Newmont Common Stock then outstanding. Based upon the number of shares of Newmont Common Stock and Newmont Exchangeable Shares outstanding as of the Record Date, the Trustee will be entitled to cast up to 35,349,888 votes at the Annual Meeting. If more than that number of votes are received, the Trustee will cast its votes for or against each matter brought before the Annual Meeting in the same proportion as reflected in the votes actually received. Computershare must receive your voting instructions by 5:00 p.m. in Toronto, Ontario, Canada, on May 1, 2003. This will give Computershare time to tabulate the voting instructions and vote on your behalf. The Trustee will exercise each vote attached to the Newmont Special Voting Stock only on the basis of instructions received from the relevant holders of Newmont Exchangeable Shares. In the absence of instructions from a holder as to voting, the Trustee will not have any voting rights with respect to such Newmont Exchangeable Share.

You may attend the Annual Meeting and vote in person. As a holder of Newmont Exchangeable Shares, you may attend the Annual Meeting in person to vote directly the number of votes to which you are entitled (subject to the voting limitation discussed above). Please refer to the Notice to Exchangeable Shareholders and Voting Instruction Form enclosed with this proxy material for additional instructions on voting at the meeting.

Newmont CDIs. The Newmont CDIs are units of beneficial ownership in Newmont Common Stock held by CHESSE Depository Nominees Pty Ltd (ACN 071 346 506) ("CDN"), a wholly owned subsidiary of the Australian Stock Exchange Limited (ACN 008 624 691). References to Newmont Mining Corporation for purposes of Australian equity holders are to Newmont Mining Corporation ARBN 099 065 997, organized in Delaware with limited liability, and principally regulated in accordance with the laws and rules of Delaware. Since July 1, 2002, Newmont CDIs have traded on the Australian Stock Exchange (ASX) as a Foreign Exempt Listing granted by the ASX, which provides only an ancillary trading facility to the Corporation's primary listing on NYSE. Newmont CDIs entitle holders to dividends and other rights economically equivalent to Newmont Common Stock on a ten-for-one basis, including the right to attend stockholders' meetings of the Corporation. CDN, as the stockholder of record (or its proxy or substitute), will vote the underlying shares of Newmont Common Stock in accordance with the directions of the CDI holders. Your CDI Voting Instruction Form shows the number of Newmont CDIs that you own.

You may vote by signing and returning the enclosed CDI Voting Instruction Form. Newmont has appointed National Shareholder Services Pty Ltd in Adelaide, South Australia, Australia, as its agent with respect to the collection and processing of voting instructions from Newmont CDI holders. The enclosed CDI Voting Instruction Form permits you to instruct National Shareholder Services to vote your Newmont CDIs on your behalf. National Shareholder Services must receive your voting instructions by 5:00 p.m., Adelaide time on May 2, 2003, to give them enough time to tabulate the voting instructions on your behalf.

Revocation of Proxy or Voting Instruction Form.

Revocation of Newmont Common Stock Proxy. A stockholder who executes a proxy may revoke it by delivering to the Secretary of the Corporation, at any time before the proxies are voted, a written notice of

revocation bearing a later date than the proxy or attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Written notice revoking a proxy should be sent to the attention of the Secretary of the Corporation at 1700 Lincoln Street, Denver, Colorado 80203. A stockholder may substitute another person in place of those persons presently named as proxies.

Revocation of Exchangeable Shares Voting Instruction Form. A registered holder of Newmont Exchangeable Shares who has submitted a Voting Instruction Form may revoke the Voting Instruction Form by completing and signing a Voting Instruction Form bearing a later date and depositing it with the Trustee. No notice of revocation or later-dated Voting Instruction Form, however, will be effective unless received by the Trustee prior to 5:00 p.m., Toronto time, on May 1, 2003.

A non-registered holder of Newmont Exchangeable Shares may revoke a Voting Instruction Form at any time by written notice to the intermediary, except that an intermediary is not required to act on a revocation of a Voting Instruction Form that is not received by the intermediary at least ten days prior to the Annual Meeting.

Revocation of Newmont CDI Voting Instruction Form. A holder of Newmont CDIs who has completed and returned a CDI Voting Instruction Form (in the manner described above) may revoke the directions to CDN contained therein by delivering to National Shareholder Services, 180 Flinders Street, Adelaide 5000, South Australia, Australia, no later than May 2, 2003, a written notice of revocation bearing a later date than the CDI Voting Instruction Form previously sent.

Votes Required to Approve the Proposals.

The holders of a majority of the outstanding shares of capital stock of the Corporation entitled to vote at the Annual Meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. For purposes of determining the presence of a quorum, shares of capital stock of the Corporation include all shares of Newmont Common Stock (including shares represented by Newmont CDIs) and the maximum number of shares of Newmont Common Stock that the Trustee of the Newmont Exchangeable Shares is entitled to vote at the Annual Meeting.

Votes at the Annual Meeting will be tabulated by two inspectors of election who will be appointed by the Chairman of the meeting and who will not be candidates for election to the Board of Directors. The inspectors of election will treat shares of capital stock represented by a properly signed and returned proxy as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Election of Directors. Directors will be elected by a favorable vote of a plurality (meaning the largest number of votes cast) of those shares of capital stock present and entitled to vote, in person or by proxy, at the Annual Meeting. A stockholder may withhold votes from any or all nominees.

Other Proposals. If any other proposals are presented at the Annual Meeting they will require the approval of a majority of the votes cast on such matters.

Edgar Filing: NEWMONT MINING CORP /DE/ - Form DEF 14A

Broker Non-Votes and Abstentions. Abstentions and broker non-votes as to particular matters are counted for purposes of determining whether a quorum is present at the Annual Meeting. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved. Abstentions have the same effect as votes against proposals presented to stockholders. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions to do so from the beneficial owner.

Solicitation Costs.

Proxy Solicitation. The enclosed proxy and/or voting instruction form is solicited by the Board of Directors of the Corporation. This proxy material will be mailed to the holders of Newmont Common Stock, Newmont CDIs and Newmont Exchangeable Shares on or about April 8, 2003. In addition to solicitation by mail, solicitation of proxies and voting instruction forms may be made by certain officers and regular employees of the Corporation by mail, telephone or in person. The Corporation also has retained Georgeson & Company Inc. to aid in the solicitation of brokers, banks, intermediaries, and other institutional holders in the United States for a fee of \$10,000. Computershare Trust Company of Canada has been retained to assist the Corporation in the solicitation of Canadian brokers, banks, intermediaries and other institutional holders for a fee of CDN\$8,000. All costs of the solicitation of proxies will be borne by the Corporation. The Corporation also will reimburse brokerage firms and others for their expenses in forwarding proxy materials to beneficial owners of Newmont Common Stock, Newmont Exchangeable Shares and Newmont CDIs.

If you are a participant in the Employee Share Savings Program, a non-registered Canadian Savings Plan (Savings Plan), shares of Newmont Common Stock that are held for you under this Savings Plan may be voted through the proxy card accompanying this mailing. The Savings Plan is administered by Sun Life Financial (Sun Life). Sun Life, as the stockholder of record of the Newmont Common Stock held in the Savings Plan, will vote the shares held for you in accordance with the directions you give on the enclosed proxy card, provided that you return the proxy card duly signed and dated to the address indicated on the enclosed envelope. If the proxy cards representing shares of Newmont Common Stock held under the Savings Plan are not returned duly signed and dated, your shares will not be voted.

Relationship with Independent Public Accountants

Newmont's Board of Directors, upon recommendation of the Audit Committee, approved dismissal of Arthur Andersen LLP (Andersen) as the Corporation's independent auditors effective May 23, 2002.

Andersen served as the Corporation's independent auditors for the fiscal years ended December 31, 2001 and December 31, 2000. Andersen's reports on the Corporation's financial statements for each of the years ended December 31, 2001 and December 31, 2000 (the Reports) did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years ended December 31, 2001, and the subsequent interim period through March 31, 2002, there were no disagreements with Andersen within the meaning of Instruction 4 of Item 304 of Regulation S-K on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to Andersen's satisfaction would have caused Andersen to make reference to the subject matter of the disagreements in connection with its Report. During the term of Andersen's engagement, there were no reportable events (as such term is defined in Item 304(a)(1)(v) of Regulation S-K promulgated under the Securities Exchange Act of 1934).

The Board of Directors appointed the firm of PricewaterhouseCoopers LLP to serve as the Corporation's independent auditors for fiscal year 2002. PricewaterhouseCoopers LLP's engagement commenced May 23, 2002. During the two fiscal years of the Corporation ended December 31, 2001, and the subsequent interim period through March 31, 2002, the Corporation did not consult with PricewaterhouseCoopers LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) or (ii) of Regulation S-K.

On May 23, 2002, the Corporation filed a Current Report on Form 8-K, reporting the dismissal of Andersen and engagement of PricewaterhouseCoopers LLP. A letter from Andersen addressed to the Securities and Exchange Commission stating that Andersen agrees with the statements made by the Corporation in the Current Report on Form 8-K was included as Exhibit 16.1.

Representatives of PwC are expected to be present at the Annual Meeting and will be allowed to make a statement if they wish. Additionally, they will be available to respond to appropriate questions from stockholders during the meeting.

PwC billed the following fees in 2002 for professional services rendered to Newmont:

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR ALL OF THE FOREGOING NOMINEES AND, UNLESS A STOCKHOLDER GIVES INSTRUCTIONS ON THE PROXY CARD TO THE CONTRARY, THE PROXIES NAMED THEREON INTEND SO TO VOTE.

Independence of Directors. Each of the nominees for election as director are independent of management and the Corporation, except for Mr. Murdy and Mr. Lassonde, who are officers of the Corporation, and Mr. Schulich, who is a consultant for a subsidiary of the Corporation. The Board of Directors has determined that the members designated as independent have no relationship with the Corporation that may interfere with the exercise of their independence from management and the Corporation. In making the independence determination, the Board considered the requirements of the New York Stock Exchange and the Corporation's Corporate Governance Guidelines. Among other factors, the Board considered current or previous employment with the Corporation, its auditors or their affiliates by the director or his immediate family members, ownership of voting securities of the Corporation, and material relationships with the Corporation.

With respect to material relationships, the following relationships are not considered to be material for purposes of assessing independence: service as an officer, director, employee or trustee of, or greater than five percent beneficial ownership in (a) a supplier to the Corporation if the annual sales to the Corporation are less than one percent of the sales of the supplier; (b) a lender to the Corporation if the total amount of the Corporation's indebtedness is less than one percent of the total consolidated assets of the lender; or (c) a charitable organization if the total amount of the Corporation's annual charitable contributions to the organization are less than three percent of that organization's annual charitable receipts (excluding any amounts received through the Corporation's employee matching program for charitable contributions).

Stock Ownership. As of March 5, 2003, the directors and executive officers of the Corporation as a group beneficially owned in the aggregate 14,073,938 shares of Newmont Common Stock (including shares represented by Newmont CDIs) and Newmont Exchangeable Shares, constituting approximately 3.6% of the voting power of the outstanding capital stock of the Corporation. Except as set forth below, no director or executive officer beneficially owned (a) more than 1% of the outstanding shares of Newmont Common Stock, Newmont Exchangeable Shares or Newmont CDIs, or (b) shares with voting power in excess of 1% of the voting power of the outstanding capital stock of the Corporation. Each director and executive officer has sole voting power and dispositive power with respect to all shares beneficially owned by them, except as set forth below.

Messrs. Lassonde and Schulich beneficially owned 2,909,725 and 8,160,393 shares, respectively, of Newmont Exchangeable Shares, constituting in the aggregate 5.6% and 16.8%, respectively, of the outstanding Newmont Exchangeable Shares. Mr. Lassonde owned less than 1% of the voting power of the outstanding capital stock of the Corporation, and Mr. Schulich owned 2.1% of the voting power of the outstanding capital stock of the Corporation, which is comprised of 35,349,888 voting exchangeable shares and 353,498,884 common shares.

The following table sets forth the number of shares of Newmont Common Stock, including in the form of Newmont CDIs, and Newmont Exchangeable Shares beneficially owned by Newmont's directors and executive officers at March 5, 2003:

Directors Fees. In January 2003, the Board voted to increase the compensation payable to the directors who are neither officers nor employees of the Corporation. The new compensation plan will be effective as of the date of the 2003 Annual Meeting of Stockholders. The increase reflects the increased size and complexity of the Corporation's business and operations, and the levels of compensation paid to directors of other companies of similar size and complexity. The changes were evaluated by the Board and its Compensation and Management Development Committee in consultation with independent compensation consultants.

Directors who are neither officers nor employees of the Corporation will be entitled to receive \$35,000 per annum for serving as directors, increased from \$25,000 for prior periods, and a fee of \$1,000 per meeting of the Board of Directors. Each director who is neither an officer nor an employee of the Corporation is entitled to receive an attendance fee of \$1,000 per meeting of a committee of which he is a member, which represents a \$250 increase per meeting for committee members. The chairman of each committee will continue to receive a fee of \$1,000 per meeting.

In recognition of the additional time and effort devoted by the chairman of each committee, each non-employee chairman will receive an annual cash retainer. The chairman of the Audit Committee will receive an annual retainer of \$15,000, and the chairman of each of the other committees will receive an annual retainer of \$5,000.

As in the past, pursuant to the Corporation's 2000 Non-Employee Directors Stock Plan (the Directors Stock Plan), directors who are neither officers nor employees of the Corporation or any of its subsidiaries receive the equivalent of \$25,000 of shares of common stock of the Corporation annually on the first business day following their election or re-election at the Corporation's Annual Meeting, unless the director elects not to receive such a stock award. If a person who is neither an officer nor employee of the Corporation or any of its subsidiaries becomes a director in any calendar year after the date of the Corporation's Annual Meeting held in such calendar year, such person will receive the equivalent of \$25,000 of shares of Newmont Common Stock of the Corporation on the first business day following such person's election as a director of the Corporation, unless such person elects not to receive such a stock award. Shares awarded under the Directors Stock Plan may not be sold, transferred, pledged, assigned or otherwise encumbered or disposed of by the director until the earliest of the expiration of five years after the date of receipt of such shares by the director, the date the director ceases to be a director by reason of death or disability, or the later of (i) the date the director ceases to be a director for any reason other than death or disability or (ii) the expiration of six months after the date of receipt of such shares by the director. However, a director may sell, transfer or assign shares awarded under the Directors Stock Plan to, or instruct the Corporation to issue such shares directly to, a member of the director's immediate family or a trust or certain other entities solely for the benefit of, or owned by, the director or any such immediate family members.

In 2002, each director who was neither an officer nor employee of the Corporation or any of its subsidiaries was entitled to elect to receive stock options under the Directors Stock Plan in place of his annual cash retainer. Mr. Barton made such an election and received grants of stock options to purchase the Corporation's Common Stock following the regular May and November Board of Directors meetings of 1,334 and 1,591 options at a grant price of \$28.11 and \$23.57, respectively. The number of stock options granted was determined by dividing \$12,500 by the fair market value of Newmont Common Stock on the option grant date and multiplying the result by three. In addition, each such director was entitled to elect to receive stock options under the Directors Stock Plan in place of the annual stock award. Mr. Qureshi made such an election and received 2,667 options at a grant price of \$28.11 following the regular Board of Directors meeting in May. The number of options granted was determined by multiplying the number of shares of the Corporation's common stock that would have comprised the director's stock award if no such election had been made, by three. The options described in this paragraph had an exercise price equal to the fair market value of the common stock of the Corporation on the grant date of the option. Under the new director compensation plan, approved by the Board of Directors in January 2003 to be effective May 7, 2003, directors will not be entitled to receive stock options in place of other compensation.

In addition, the Corporation has a program under which it makes annual charitable contributions to qualified United States charitable programs at the request of each director who is not an officer or employee of the

Corporation or any of its subsidiaries: \$2,500 matching gift to a qualified cultural or charitable organization or hospital; \$5,000 matching gift to a qualified educational organization; and \$2,500 gift, with no matching requirement, to an educational or charitable organization.

As a director of the Corporation, Mr. Schulich is entitled to receive the cash retainer and meeting fees described above. Mr. Schulich also receives (a) \$25,000 in cash per year for serving as the non-executive chairman of Newmont Capital Limited, a wholly-owned subsidiary of the Corporation (Newmont Capital), and (b) \$250,000 in cash per year pursuant to a three-year Consulting Agreement with Newmont Capital, entered into on April 1, 2002 and expiring on March 31, 2005, under which he provides general merchant banking advice and guidance. The Consulting Agreement was entered into, in part, in lieu of \$750,000 in severance compensation that Mr. Schulich otherwise would have received following his resignation as an officer and employee of Franco-Nevada Mining Corporation Limited. Because he serves as an officer of and consultant to a subsidiary of the Corporation, Mr. Schulich is deemed to be ineligible to participate in the Corporation's 2000 Non-Employee Directors Stock Plan, which means that he is not eligible to receive the annual \$25,000 restricted stock award received by other non-employee directors of the Corporation, and he is not eligible to receive stock options under that Plan. In recognition of Mr. Schulich's contribution to the successful sale of Newmont's interest in the TVX-Newmont Americas joint venture and the conversion of Newmont's approximate 45% equity interest in Echo Bay to a 13.8% equity interest in Kinross Gold Corporation, the Board of Directors awarded him a special award of \$350,000. Mr. Schulich's Consulting Agreement provides for such awards.

Pierre Lassonde, President of the Corporation and a director, entered into an Employment Agreement with a wholly owned subsidiary of the Corporation. See *Executive Agreements* on Page 17 for a description of Mr. Lassonde's agreement.

The Corporation's retirement policy for directors provides that, except at the request of the Board, no director may stand for reelection to the Board of Directors after reaching age 72. Unless otherwise agreed in advance, employee directors retire from the Board of Directors when they retire from employment with the Corporation.

On retirement from the Board of Directors at any time after attaining age 65, a director who was serving on the Board of Directors on January 27, 1999 and who is not entitled to a pension under the Corporation's Pension Plan (i.e., a director who has not been an officer or employee of the Corporation or any of its subsidiaries) and who has served for at least ten consecutive years as a director of the Corporation is entitled to be paid an annual sum of \$25,000 and an amount equal to the per annum fee paid to him in the year 2002, for life.

A participant's remuneration covered by the Pension Plan is his or her average annual base salary and bonus, including amounts paid in the form of restricted stock (as reported in the Summary Compensation Table) for the 60 consecutive months in which the highest level of compensation was paid to the participant during the last 120 months of the participant's career with the Corporation or its subsidiaries (except for Mr. Lassonde). The approximate years of actual credited service as of the end of 2002 for each named executive officer (except for Mr. Lassonde) is: Mr. Murdy 10 years (see Executive Agreements below); Mr. Francisco 12 years; Mr. Dow 24 years; and Mr. Hansen 20 years. Benefits shown are computed on a straight single life annuity basis beginning at age 62. Such amounts have not been reduced for Social Security benefits.

Mr. Lassonde participates in the Corporation's International Retirement Plan (the International Plan), which provides participants with a basic, savings and supplemental payment upon retirement or termination of employment. The basic and savings payments are calculated based on participants' age and annual compensation during each year of participation in the International Plan. Because Mr. Lassonde is over 50 years of age, an amount equal to 9% of his annual compensation for 2002 (\$33,530) was accrued for his anticipated basic payment and an amount equal to 3% of his annual compensation for 2002 (\$11,175) was accrued for his anticipated supplemental payment. Additionally, \$12,000 was accrued for Mr. Lassonde's anticipated savings payment. Pursuant to Mr. Lassonde's Employment Contract, in 2004, accruals under the International Plan will increase to 18% of his annual compensation for his basic payment and 6% of his annual compensation for his supplemental payment. It is estimated that, upon retirement, Mr. Lassonde will be entitled to basic payment of \$571,000 and a savings payment of \$115,000. Mr. Lassonde also will be entitled to a supplemental payment of approximately \$191,000 upon termination of his employment or retirement. Thus, the total estimated retirement payment for Mr. Lassonde under the International Plan is \$877,000.

Officers Death Benefit Plan and Group Life Insurance Program. The Corporation has an Officers Death Benefit Plan for the benefit of the named executive officers and other executive officers of the Corporation. The plan provides a death benefit of three times annual base salary for an executive officer who dies while an active employee and a death benefit of one times final annual base salary for an executive officer who dies after retiring at or after normal retirement age. For retirement prior to normal retirement age, the post-retirement death benefit is 30% to 100% of one times final annual base salary, depending on the number of years to normal retirement age. Coverage under the Officers Death Benefit Plan is offset by group life insurance maintained for the benefit of all salaried employees of the Corporation and certain of its subsidiaries.

Executive Agreements

Mr. Murdy's letter of offer of employment from the Corporation provides that if his employment is terminated other than for cause (as defined in the Corporation's Severance Pay Plan), or if he terminates employment after a reduction in base salary or a significant reduction in duties and responsibilities (as determined by certain members of the Board of Directors of the Corporation), he will be entitled to receive 24 months of his then salary (as defined in the Corporation's Severance Pay Plan) plus certain other severance benefits. Mr. Murdy's letter agreement with the Corporation provides that upon his retirement from the Corporation on or after his 62nd birthday, he will receive an additional one-half year of credited service under the Corporation's supplemental pension plan for each otherwise credited year of his service with the Corporation or any of its subsidiaries in computing his pension benefits. In the event Mr. Murdy's employment with the Corporation or any of its subsidiaries terminates prior to his 62nd birthday, he will not be entitled to such benefit unless his termination constitutes a qualifying termination as defined in the letter agreement. Generally, a qualifying termination means (i) a termination due to Mr. Murdy's death or disability, (ii) a termination by Mr. Murdy for good reason (as defined in the letter agreement), (iii) a termination of Mr. Murdy by the Corporation without cause (as defined in the Corporation's Severance Pay Plan), or (iv) a termination that qualifies Mr. Murdy for enhanced severance benefits under his Change of Control Agreement (see Change of Control Employment Agreements below). Any benefits to which Mr. Murdy may be entitled under the Corporation's Severance Pay Plan (as described below) reduce the benefits due under these arrangements.

Pursuant to Mr. Lassonde's Employment Agreement dated February 16, 2002, Mr. Lassonde is paid a base salary of \$450,000 annually to perform his duties as President of the Corporation, including, but not limited to, the management, operation, strategic direction and overall conduct of the merchant banking and business development functions of the Corporation. In addition, Mr. Lassonde is eligible to participate in Newmont's incentive plans, welfare benefit program, stock option plan and retirement plans. Should Mr. Lassonde be terminated for any reason other than death, disability or cause, or if he terminates for good reason, prior to February 16, 2004, he will receive the greater of \$750,000 or the benefit he would otherwise be eligible for under the Company's Severance Plan. In the event his employment is terminated, Mr. Lassonde is not required to resign from the Board of Directors of the Corporation; instead, he will be considered a non-employee director at such time and will be eligible to be considered for nomination by the Board for re-election as a director at the next scheduled annual meeting of stockholders, on the same basis as any other non-employee director. Such agreement terminates on February 15, 2004; however, it allows for one-year renewals thereafter.

Effective December 31, 2001, Ronald C. Cambre resigned as Chairman of the Board of Directors of the Corporation. He remained on the Board of Directors as a non-employee Director beginning January 1, 2002, and retired as a director at the Annual Stockholders Meeting on May 15, 2002. Following his retirement, the Corporation entered into a consulting arrangement with Mr. Cambre under which he was paid a fee of \$100,000 for 2002, in connection with his ongoing service to the Corporation as Chairman of the National Mining Association and with other industry organizations. In addition, upon a cashless exercise of stock options in April 2002, Mr. Cambre received \$3.9 million at an average fair market value of \$29.31 per share.

Change of Control Employment Agreements. The Corporation is a party to change of control employment agreements with each of the named executive officers, other than Mr. Lassonde. The change of control employment agreements have three-year terms, which terms are automatically extended for one year upon each anniversary unless a notice not to extend is given by the Corporation. If a Change of Control (as defined in the agreements) occurs during the term of an agreement, then the agreement becomes operative for a fixed three-year period. The agreements provide generally that the executive's terms and conditions of employment (including position, location, compensation and benefits) will not be adversely changed during the three-year period after a Change of Control of the Corporation. If the Corporation terminates the executive's employment (other than for cause, death or disability), the executive terminates for good reason during such three-year period, or the executive terminates employment for any reason during the 30-day period following the first anniversary of the Change of Control, and upon certain terminations prior to a Change of Control in connection with or in anticipation of a Change of Control, the executive is generally entitled to receive (a) three times the sum of (i) the executive's annual base salary plus (ii) the executive's annual bonus (as determined in the agreements), (b) accrued but unpaid compensation, (c) welfare benefits for three years, (d) a pro rata bonus for the year in which the termination of employment occurs, and (e) a lump sum payment having an actuarial value equal to the additional pension benefits the executive would have received if he or she had continued to be employed by the Corporation for an additional three years. In addition, the agreements provide that the executive is entitled to receive a payment in an amount sufficient to make the executive whole for any excise tax on excess parachute payments imposed under Section 4999 of the Internal Revenue Code of 1986, as amended. In the event of a Change of Control, the agreements will supersede any individual employment agreements entered into by the Corporation with the executives, and the executive will not be permitted to participate in the Corporation's severance plans or policies, including the Severance Pay Plan described below, during the three-year period following a Change of Control. Mr. Lassonde participates in the Corporation's Change of Control Severance Plan for Executive Employees. In general, the terms of this Plan are similar to those of the change of control agreements described above, except for item (a) above, which under the Plan includes a payment of two (rather than three) times the sum of (i) the executive's annual base salary plus (ii) the executive's annual bonus.

Severance Pay Plan. Each of the named executive officers participates in the Corporation's Severance Pay Plan. Participants in the Severance Pay Plan with at least one year of service (a) who have been continually employed by the Corporation or one of its subsidiaries or affiliates on and after August 1, 1991, or (b) whose employment with the Corporation or one of its subsidiaries or affiliates is involuntarily terminated other than for cause (as defined in the Severance Pay Plan) within 24 months after a change of control (as defined in the Severance Pay Plan) of the Corporation (other than those participants whose employment began on or after May 1, 1993) are entitled to receive a minimum of the greater of (i) four weeks of salary (as defined in the Severance Pay Plan), together with an additional two weeks of salary for each year of service; or (ii) from nine to 78 weeks of salary depending on the salary grade of the participant, calculated based on the participant's salary as of April 30, 1993. Each of the named executive officers who are otherwise eligible for severance pay under clause (ii) above would receive 52 weeks of salary. Participants whose employment began on or after May 1, 1993 and whose employment is involuntarily terminated are entitled to receive only the amount determined as set forth in clause (i) in the previous sentence. Under the Severance Pay Plan, the maximum severance allowance benefit payable to a participant calculated as set forth above is 104 weeks of the participant's salary. In addition to the amount described above, each participant is also entitled to a lump sum payment equal to the Corporation's matching contribution that would have been made under the Corporation's Retirement Savings Plan calculated in accordance with the relevant provisions of the Severance Pay Plan and any accrued and unused vacation time. Participants under the Severance Pay Plan are also entitled to certain fringe benefits, such as coverage under the Corporation's medical and dental plans and life insurance plan, as set forth in the Severance Pay Plan.

Report of Compensation and Management Development Committee on Executive Compensation

The report of the Compensation and Management Development Committee and the performance graph that follow shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934 except to the extent that the Corporation specifically incorporates the information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation and Management Development Committee of the Board of Directors is composed entirely of directors who are not officers or employees of the Corporation or any of its subsidiaries, and are independent, as independent is defined in the proposed listing standards of the New York Stock Exchange and the Corporation's Corporate Governance Guidelines. The Compensation and Management Development Committee has adopted a Charter that describes its responsibilities in detail. The Committee's responsibilities include discharging the Board's responsibilities relating to compensation of the Corporation's executive officers and other key employees. Additional information about the Committee's role in corporate governance can be found in the Committee's charter, available at www.newmont.com under the Investor Information section.

The Compensation and Management Development Committee, in cooperation with management and independent experts in the field of executive compensation, is currently in the process of re-evaluating the Corporation's executive compensation plans. The current evaluation process will ensure that the Corporation will continue to pay competitive base salaries, along with annual and long-term incentives, as necessary or desirable to attract and retain a highly-skilled and motivated executive team. The Committee intends to review the level and mix of executive compensation on a regular basis, as necessary to meet the compensation goals of the Corporation.

Currently, there are four elements to the Corporation's executive compensation program: base salaries, annual incentives, intermediate term incentives and stock options. The Committee has determined that in general the value of the sum of these four elements, assuming certain performance-based targets are met, should be in the third quartile for comparable positions in the gold mining industry as set forth in the executive level compensation surveys described below.

Base Salaries. The base salaries for the Corporation's executive officers, including Mr. Murdy and the other named executive officers, fall within salary ranges that reflect competitive base pay levels within the mining industry as a whole for the positions they hold. The Corporation subscribes to and participates in surveys of executive level compensation. One of the surveys in which the Corporation participates not only includes the companies that comprise the Standard & Poor's Gold Index shown on the Corporation's Performance Graph below, but also includes a number of companies which the Committee believes are more appropriate for comparison with the Corporation for purposes of analyzing executive compensation. The Corporation participates in other surveys as well, which cover a wide range of industries and companies. Although many of the companies included in these broader surveys are not capable of meaningful comparison with the Corporation, the Corporation uses such surveys to identify general trends in executive compensation. Based on a review of such survey information and the advice of expert compensation consultants, the Committee believes that the base salaries of the Corporation's executive officers are generally in the median of salaries for comparable positions in the gold mining industry. Mr. Murdy's base salary is consistent with the Corporation's philosophy that base salaries be at approximately the median for comparable positions.

Annual Incentives. Annual incentive awards are made pursuant to the Corporation's Annual Incentive Compensation Plan (AICP). The named executive officers (and other senior management) are eligible to receive both a corporate performance bonus and a personal performance bonus. Corporate performance bonuses are paid in cash and are based upon the attainment of (a) certain cost goals, (b) certain cash flow goals and (c) an earnings goal. All of these goals were established by the Committee. At year end, actual results are compared

with the previously established goals to determine a performance percentage. In 2002, the Corporation's executive officers and other senior management achieved a performance percentage of 79.7%.

Personal performance bonuses are based upon an evaluation of a participant's personal contribution to the Corporation. In 2002, personal performance awards to the named executive officers and other AICP participants were based on certain subjective factors such as the individual skills, experience and accomplishments of the relevant executive officer, as well as such executive officers' contributions to the positive results realized by the Corporation during 2002.

Participants in the AICP are assigned target awards as a percentage of their eligible base salary. Target awards increase at higher management levels to 100% of eligible base salary in the case of the Chief Executive Officer. Actual payouts were lower than the target percentages for 2002 because actual results were lower than target performance. The weighting of corporate performance and personal performance factors varies by participant, and in the case of Mr. Murdy is approximately two-thirds corporate performance and one-third personal performance at target.

Mr. Murdy's total 2002 AICP bonus of \$615,110 was equal to 95% of his 2002 base salary. Mr. Murdy's corporate performance bonus of \$346,985 (56% of such total award) was based on a payout percentage of 79.7%, as described above. His personal performance bonus of \$268,125 (44% of such total award) was based on Mr. Murdy's personal performance evaluation. In making this determination, the Committee considered the following accomplishments and positive results:

- completion of the successful acquisitions of Franco-Nevada Mining Corporation Limited and Normandy Mining Limited, with minimal impact on pre-existing operations;
- the successful integration of the Franco-Nevada and Normandy properties into the Corporation's worldwide operations, including the retention of a number of key executives from each company and the realization of substantial synergies from the combination;
- the successful results of the Corporation's 2002 exploration program, highlighted by year-end equity gold reserves of 86.9 million ounces, representing the replacement of over 9 million reserve ounces depleted through production;
- the increase of copper and gold reserves at Batu Hijau by 13 percent in 2002, despite using a lower long-term copper price assumption of \$0.75 per pound;
- the reduction of the Corporation's net debt to total capitalization ratio to approximately 20 percent at year-end 2002;
- the substantial reduction, on a pro forma basis, of total hedged ounces from 11.5 million ounces to 6.6 million ounces, and of committed hedged ounces from 9.0 million ounces to 5.2 million ounces; and
- a renewed corporate emphasis in 2002 on safety and human resource development.

Intermediate Term Incentives. In 1997, the Corporation established the Intermediate Term Incentive Compensation Plan (ITIP) to provide incentive compensation to the named executive officers and to other participants at specified salary levels. The ITIP is intended to reward eligible participants based upon the attainment of objective financial and business goals over a three-year period established annually by the Committee. Such goals relate to gold production, cost of production, proven and probable gold reserves and earnings per share. The Corporation must achieve certain minimum results before any ITIP bonuses can be paid. ITIP bonuses are incrementally increased or decreased, as the case may be, depending on actual results. With respect to 2002, the payout percentage was 109.1% of target, based on 2002, 2001 and 2000 results. Bonuses are paid one-half in cash and one-half in the form of restricted shares of Newmont Common Stock. Such shares vest over two years. During such period, a recipient has the right to vote such shares and to receive dividends. Once fully vested, a recipient has all the rights of full ownership. Participants in the ITIP are assigned target awards as a percentage of their eligible base salary. For 2002, these target percentages ranged from 30% to 175%.

In recognition of Mr. Murdy's contributions to the Corporation during the three-year plan period (2000-2002), the Committee, according to the terms of the ITIP, awarded Mr. Murdy a bonus of \$1,241,012, of which approximately one-half was paid in cash, and one-half was awarded in restricted shares of Newmont Common Stock. This bonus was equal to 191% of his 2002 base salary.

Stock Options. The fourth element of executive compensation, stock options, is long term in nature and is designed to link executive rewards with stockholder value over time. The awarding of stock options promotes the creation of stockholder value because the benefits cannot be realized unless stock price appreciation occurs. The Committee believes that the number of stock options awarded should be sufficient in amount to provide a strong incentive to increase stockholder value, with the number of options increasing in proportion to the relative potential influence of the recipient on overall performance of the Corporation. In addition, the Committee believes that option awards are intended to reward recipients making a long-term commitment to the Corporation.

Summary. The Committee believes that the combination of competitive base salaries, annual incentives paid in cash, intermediate term incentives paid partially in cash and restricted stock and stock options represents a highly motivational and effective senior executive compensation program that works to attract and retain talented executives and strongly aligns the interests of senior management with those of the stockholders of the Corporation in seeking to achieve over time above average long-term returns on investment.

Section 16(a) Reporting

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's executive officers and directors and holders of greater than 10% of the Corporation's outstanding common stock to file initial reports of their ownership of the Corporation's equity securities and reports of changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Based solely on a review of the copies of such reports furnished to the Corporation and written representations from the Corporation's executive officers and directors, the Corporation believes that all Section 16(a) filing requirements were complied with in 2002. In connection with the Corporation's Savings and Equalization Plan, which became effective January 1, 2002, each of Wayne W. Murdy, David H. Francisco, John A.S. Dow, Bruce D. Hansen, Donald G. Karras and Thomas L. Enos were inadvertently late in filing reports under Section 16(a) regarding the Corporation's monthly matching contributions of salary deferrals and, in the case of Mr. Francisco, a portion of his semi-monthly salary deferrals, that were deemed to be made in or invested in the Corporation's common stock during 2002. In particular, each of these individuals was inadvertently late in filing a Form 5 reporting such monthly matching contributions and, in the case of Mr. Francisco, semi-monthly salary deferrals made during the period from January 1, 2002 through July 31, 2002 and was inadvertently late in filing a total of five Form 4s for monthly matching contributions and, in the case of Mr. Francisco, semi-monthly salary deferrals made in each of August, September, October, November and December 2002. A Form 5 for each of these individuals covering all relevant matching contributions and relevant salary deferrals for 2002 has been subsequently filed.

Other Matters

The Board of Directors does not intend to bring other matters before the Corporation's Annual Meeting of Stockholders except items incident to the conduct of the meeting. However, on all matters properly brought before the meeting by the Board of Directors or by others, the persons named as proxies in the accompanying proxy, or their substitutes, will vote in accordance with their best judgment.

NEWMONT MINING CORPORATION

Notice to Exchangeable Shareholders

Our records show that you own Exchangeable Shares of Newmont Mining Corporation of Canada Limited (formerly known as Franco-Nevada Mining Corporation Limited), a Canadian company. The Exchangeable Shares provide you with economic and voting rights which are, as nearly as practicable, equivalent to those of holders of shares of common stock of Newmont Mining Corporation (the Company), the U.S. parent of Newmont Mining Corporation of Canada Limited, including the right to attend and vote at meetings of the common stockholders of the Company. The Company will be holding an annual meeting (the Annual Meeting) of its common stockholders on May 7, 2003 to elect directors.

At such Annual Meeting you will have voting rights, based on the number of Exchangeable Shares you hold. You are permitted to instruct Computershare Trust Company of Canada, the Trustee under the Voting and Exchange Trust Agreement, as to how the Trustee is to vote your Exchangeable Shares at the Annual Meeting of the Company. If you do not give voting instructions, the Trustee will not be entitled to exercise the voting rights attached to your Exchangeable Shares. Alternatively, you may instruct the Trustee to give you or a person designated by you a proxy to exercise personally the voting rights attached to your Exchangeable Shares. To instruct the Trustee as to how you wish to exercise your voting rights, you must complete, sign, date and return the enclosed Voting Instruction Form to the Trustee by 5:00 p.m., Toronto time, on May 1, 2003. The Trustee will not be obligated to act on any instructions received after that time. Whether or not you plan to attend, please sign, date and return the Voting Instruction Form in the envelope provided in order to ensure that your Exchangeable Shares will be represented at the Annual Meeting.

You have the right to revoke any instructions to the Trustee by giving written notice of revocation to the Trustee or by executing and delivering to the Trustee a later-dated Voting Instruction Form. No notice of revocation or later-dated Voting Instruction Form, however, will be effective unless received by the Trustee prior to 5:00 p.m., Toronto time, on May 1, 2003.

Non-Registered Holders

Only registered holders of Exchangeable Shares of Newmont Mining Corporation of Canada Limited are permitted to instruct the Trustee as to how to vote their Exchangeable Shares at the Annual Meeting or to attend and vote at the Annual Meeting in person or by proxy as described above. You may be a beneficial owner of Exchangeable Shares (a Non-Registered Holder) if your Exchangeable Shares are registered either:

- (i) in the name of an intermediary (an Intermediary) with whom you deal in respect of the Exchangeable Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Newmont Mining Corporation of Canada Limited has distributed copies of the Notice of Meeting, the Proxy Statement dated March 27, 2003 and this Notice to Exchangeable Shareholders (collectively, the meeting materials) to Intermediaries who are required to forward these meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. If you are a Non-Registered Holder who has not waived the right to receive meeting materials you will be given either:

- (i) a voting instruction form which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Exchangeable Shares beneficially owned by you but which is otherwise uncompleted. This voting instruction form need not be signed by you. In this case, if you wish to direct the voting of the Exchangeable Shares held by you or attend and vote at the Annual Meeting (or have another person attend and vote on your behalf) you should properly complete the voting instruction form and deposit it with Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 or by fax to (416) 981-9803 prior to 5:00 p.m., Toronto time, on May 1, 2003; or

- (ii) a voting instruction form which must be completed and signed by you in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone).

The purpose of these procedures is to permit you, as a Non-Registered Holder, to direct the voting of the Exchangeable Shares you beneficially own or to attend and vote at the Annual Meeting, in person or by proxy. Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.

A Non-Registered Holder may revoke a voting instruction form given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction form that is not received by the Intermediary at least seven days prior to the Annual Meeting.

Information relating to Newmont Mining Corporation

Exchangeable Shares are exchangeable on a one-for-one basis for shares of common stock of Newmont Mining Corporation and you, as a holder of Exchangeable Shares, are entitled to receive dividends from Newmont Mining Corporation payable at the same time as and equivalent to, on a per-share basis, any dividends paid by Newmont Mining Corporation to holders of its shares of common stock. As a result of the economic equivalency and voting rights between the Exchangeable Shares and shares of common stock of Newmont Mining Corporation you, as a holder of Exchangeable Shares, will have a participating interest determined by reference to Newmont Mining Corporation and not Newmont Mining Corporation of Canada Limited. Accordingly, it is information related to Newmont Mining Corporation that is relevant to you and enclosed in this package is Newmont Mining Corporation's Proxy Statement which we urge you to read carefully.
