PATHFINDER BANCORP, INC. ANNOUNCES ADJUSTED FIRST QUARTER EARNINGS

Oswego, New York, May 14, 2003 Pathfinder Bancorp, Inc., the mid-tier holding company of Pathfinder Bank, (NASDAQ SmallCap Market; symbol: PBHC, listing PathBcp) reported adjusted net income of \$493,000, or \$0.20 per share, for the quarter ended March 31, 2003 compared to \$551,000 million, or \$0.22 per share, for the quarter ended March 31, 2001.

Previously reported earnings has been reduced by \$28,000, or 5.3%, as a result of an adjustment in the provision for income taxes identified during the preparation of quarterly financial reports. The adjustment increased income tax expense for the quarter and had no impact on income from operations.

This release may contain certain forward-looking statements, which are based on management's current expectations regarding economic, legislative, and regulatory issues that may impact the Company's earnings in future periods. Factors that could cause future results to vary materially from current management expectations include, but are not limited to, general economic conditions, changes in interest rates, deposit flows, loan demand, real estate values, and competition; changes in accounting principles, policies, or guidelines; changes in legislation or regulation; and economic, competitive, governmental, regulatory, and technological factors affecting the Company's operations, pricing, products, and services.
