Mandalay Resort Group

Overview

We are one of the largest hotel-casino operators in the United States. Our operations consist of 12 wholly owned resorts in Nevada and Mississippi, as well as investments in four joint ventures with resorts in Nevada, Illinois and Michigan. Our resorts cater to a wide variety of customers and we strive to provide the best value in each of the market segments where we compete. We generate half of our net revenues from gaming activities, with hotel operations contributing approximately 25%.

We have the largest scaled hotel-casino resort development in Las Vegas, the world's largest gaming market where we generate approximately two-thirds of our operating income. This "Mandalay Mile" consists of three interconnected megaresorts on 230 acres, including our flagship property, Mandalay Bay. Mandalay Bay has become the best performer among our properties in this market, as it possesses amenities that appeal to higher-income customers. Strong demand from this segment of our customer base has permitted us greater pricing leverage, thus helping to drive results at this property. With the addition of our expanded convention center, an all-suites hotel tower and a retail center (each discussed more fully below), Mandalay Bay should continue to be the leading driver of future growth for our company.

Our operating results are highly dependent on the volume of customers visiting and staying at our resorts. This is particularly evident in our two principal revenue centers—the casino and the hotel. The volume of casino activity is measured by "drop," which refers to amounts wagered by our customers. The amount of drop that we keep and that is recognized as casino revenue is referred to as our "win" or "hold." Meanwhile, revenue per available room, or REVPAR, is a key metric for our hotel business. REVPAR reflects both occupancy levels and room rates, each of which is impacted by customer demand, among other factors.

We have provided below information as of July 31, 2003 about our properties and those of the joint ventures in which we participate. Except as otherwise indicated, we wholly own and operate these properties.

Property Descriptions

We are providing below additional information concerning the properties we, and the joint ventures in which we participate, own and operate.

Las Vegas, Nevada

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Mandalay Bay. This property, including a recently completed convention and meeting complex, is located on approximately 95 acres on the Las Vegas Strip adjacent to our Luxor property and is the first major resort on the Las Vegas Strip to greet visitors arriving in Las Vegas on I-15, the primary thoroughfare between Las Vegas and southern California. The 43-story South Seas themed hotel-casino resort has approximately 3,700 guest rooms, including a Four Seasons Hotel with 424 guest rooms that provides visitors with a luxury "five diamond" hospitality experience. Mandalay Bay's attractions include an 11-acre tropical lagoon featuring a sand-and-surf beach, a three-quarter-mile lazy river ride and a

2

30,000 square-foot spa. The property features 13 restaurants, such as Charlie Palmer's Aureole, Wolfgang Puck's Trattoria Del Lupo, China Grill, rumjungle, Red Square, Red, White and Blue and Border Grill, as well as a House of Blues nightclub and restaurant, including its signature Foundation Room (situated on Mandalay Bay's top floor). Mandalay Bay offers multiple entertainment venues that include the Shark Reef at Mandalay Bay featuring sharks and rare sea predators, a 1,760-seat showroom where the Broadway hit "Mamma Mia!" opened February 3, 2003, the rumjungle nightclub and a 12,000-seat special events arena that features additional entertainment and sporting events.

In January 2003, we opened a new convention and meeting complex adjacent to the Mandalay Bay Conference Center. The new complex includes more than one million square feet of exhibit space. With this new building and the original conference center, Mandalay Bay now offers almost two million gross square feet of conference and exhibit space.

We are currently building a new 1,122-suite hotel tower christened THEhotel at Mandalay Bay. The 43-story tower will be located on the west side of the property. The new suites will average 750 square feet, among the largest room product in the Las Vegas market. The tower will also include meeting suites, a spa and fitness center, two restaurants and a lounge. We expect that the new suites will serve the demand generated by the new convention center. The tower broke ground during the third quarter last year, and should be completed in December 2003. The total cost of the new tower is estimated to be \$230 million, excluding land, capitalized interest and preopening expenses. As of July 31, 2003, we had incurred costs of \$102.6 million related to this project.

In October, we opened Mandalay Place, a retail center located between Mandalay Bay and Luxor. The center will eventually include approximately 90,000 square feet of retail space and approximately 40 stores and restaurants, including several upscale, internationally branded retailers. The cost is estimated to be approximately \$40 million, excluding land, capitalized interest and preopening expenses. As of July 31, 2003, we had incurred costs of \$31.0 million related to this project.

Luxor. This property is an Egyptian-themed hotel and casino complex situated on 64 acres of our Mandalay Mile, between Mandalay Bay and Excalibur. The resort features a 30-story pyramid and two 22-story hotel towers. Luxor offers 20,000 square feet of convention space, a 20,000-square-foot spa, a 1,200-seat showroom currently featuring the off-Broadway show "Blue Man Group," a nightclub, and food and entertainment venues on three different levels beneath a soaring hotel atrium. The pyramid's guest rooms can be reached from the four corners of the building by state-of-the-art "inclinator" that travel at a 39-degree angle. Above the pyramid's casino, the property offers a special format motion base ride and an IMAX 2D/3D theater. Luxor's other public areas include a buffet, eight restaurants including three gourmet restaurants, as well as a snack bar, a food court featuring national fast food franchises, several cocktail lounges and a variety of specialty shops.

Excalibur. This property is a castle-themed hotel and casino complex situated on a 53-acre site immediately to the north of Luxor. Excalibur's public areas include a Renaissance fair, a medieval village, an amphitheater with a seating capacity of nearly 1,000 where nightly mock jousting tournaments and costume drama are presented, two dynamic motion theaters, various artisans' booths and medieval games of skill. In addition, Excalibur has a buffet restaurant, six themed restaurants, as well as several snack bars, cocktail lounges and a variety of specialty shops.

Circus Circus-Las Vegas. This property, which is our original resort, is a circus-themed hotel and casino complex situated on approximately 69 acres on the north end of the Las Vegas Strip. From a "Big Top" above the casino, Circus Circus-Las Vegas offers its guests a variety of circus acts performed daily, free of charge. A mezzanine area overlooking the casino has a circus midway with carnival-style games and an arcade that offers a variety of amusements and electronic games. Four specialty restaurants, a buffet, a coffee shop, four fast food snack bars, several cocktail bars and a variety of gift shops and specialty shops are also available to the guests at Circus Circus-Las Vegas. The

3

Adventuredome, covering approximately five acres, offers theme park entertainment that includes a high-speed, double-loop, double-corkscrew roller coaster, a coursing river flume ride on white-water rapids, an IMAX motion base ride, several rides and attractions designed for preschool age children, themed carnival-style midway games, a state-of-the-art arcade, a 65-foot waterfall, animated life-size dinosaurs, food kiosks and

souvenir shops, all in a climate-controlled setting under a giant space-frame dome. Circus Circus-Las Vegas also offers accommodations for approximately 400 recreational vehicles at the property's Circusland Recreational Vehicle Park.

Monte Carlo (50%-owned). Through wholly owned entities, we are a 50% participant with a subsidiary of MGM MIRAGE in, and manage the operations of, Victoria Partners, a joint venture which owns Monte Carlo, a hotel and casino resort situated on 46 acres with approximately 600 feet of frontage on the Las Vegas Strip. Monte Carlo is situated between Bellagio, a 3,000-room resort owned and operated by MGM MIRAGE, and New York-New York, a 2,000-room hotel-casino resort owned by MGM MIRAGE. Monte Carlo's casino reflects a palatial style reminiscent of the *Belle Epoque*, the French Victorian architecture of the late 19th century. Amenities at Monte Carlo include three specialty restaurants, including the popular Andre's gourmet restaurant, a buffet, a coffee shop, a food court, a microbrewery which features live entertainment, approximately 15,000 square feet of meeting and banquet space, and tennis courts. A 1,200-seat replica of a plush vaudeville theater, including a balcony and proscenium arch, features an elaborately staged show of illusions with the world-renowned magician, Lance Burton.

Reno, Nevada

Circus Circus-Reno. This property is a circus-themed hotel and casino complex situated in downtown Reno, Nevada. Like its sister property in Las Vegas, Circus Circus-Reno offers its guests a variety of circus acts performed daily, free of charge. A mezzanine area has a circus midway with carnival-style games and an arcade that offers a variety of amusements and electronic games. The property also has two specialty restaurants, a buffet, a coffee shop, a deli/bakery, a fast food snack bar, cocktail lounges, a gift shop and specialty shops.

Silver Legacy (50%-owned). Through a wholly owned entity, we are a 50% participant with Eldorado Limited Liability Company in Circus and Eldorado Joint Venture, a joint venture which owns and operates Silver Legacy, a hotel-casino and entertainment complex situated on two city blocks in downtown Reno, Nevada. Silver Legacy is situated between Circus Circus-Reno and the Eldorado Hotel & Casino, which is owned and operated by an affiliate of our joint venture partner at Silver Legacy. Silver Legacy's casino and entertainment complex is connected at the mezzanine level with Circus Circus-Reno and the Eldorado by enclosed climate-controlled skyways above the streets between the respective properties. The property's exterior is themed to evoke images of historical Reno. Silver Legacy features four restaurants and several bars, a 25,000-square-foot special events center, custom retail shops, a health spa and an outdoor pool and sun deck. Circus and Eldorado Joint Venture's executive committee, which functions in a manner similar to a corporation's board of directors, is responsible for overseeing the performance of Silver Legacy's management. Under the terms of the joint venture agreement, we appoint three of the executive committee's five members.

Laughlin, Nevada

Colorado Belle. This property is situated on a 22-acre site on the bank of the Colorado River (with nearly 1,080 feet of river frontage) in Laughlin, Nevada. The Colorado Belle features a 600-foot replica of a Mississippi riverboat and also includes a buffet, a coffee shop, three specialty restaurants, a microbrewery, fast-food snack bars and cocktail lounges, as well as a gift shop and other specialty shops.

Edgewater. This property is situated on a 16-acre site adjacent to the Colorado Belle with nearly 1,640 feet of frontage on the Colorado River. Edgewater's facilities include a specialty restaurant, a coffee shop, a buffet, a snack bar and cocktail lounges.

Jean, Nevada

Jean is located between Las Vegas and southern California, approximately 25 miles south of Las Vegas and 12 miles north of the California-Nevada state line. Jean attracts gaming customers almost entirely from the large number of people traveling between Las Vegas and southern California on Interstate-15, the principal highway between Las Vegas and southern California, which passes directly through Jean.

Gold Strike. This property is an "Old West" themed hotel-casino located on approximately 51 acres of land on the east side of Interstate-15. The property has, among other amenities, a swimming pool and spa, several restaurants, a banquet center, a gift shop and an arcade. The casino has a stage bar with regularly scheduled live entertainment and a casino bar.

Nevada Landing. This property is a turn-of-the-century riverboat themed hotel-casino located on approximately 55 acres of land across Interstate-15 from Gold Strike. Nevada Landing includes a 70-seat Chinese restaurant, a full-service coffee shop, a buffet, a snack bar, a gift shop, a swimming pool and spa and a 300-guest banquet facility.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Henderson, Nevada

Henderson is a suburb located southeast of Las Vegas.

Railroad Pass. This property is situated on approximately 56 acres along US-93, the direct route between Las Vegas and Phoenix, Arizona. This property includes, among other amenities, two full-service restaurants, a buffet, a gift shop, two bars, a swimming pool and a banquet facility. In contrast with our other Nevada properties, Railroad Pass caters to local residents, particularly from Henderson.

Tunica County, Mississippi

Tunica County is located 20 miles south of Memphis, Tennessee on the Mississippi River. Tunica County attracts customers from Mississippi and surrounding states, including cities such as Memphis, Tennessee and Little Rock, Arkansas.

Gold Strike-Tunica. This property is a dockside casino situated on a 24-acre site along the Mississippi River in Tunica County, approximately three miles west of Mississippi State Highway 61 (a major north/south highway connecting Memphis with Tunica County) and 20 miles south of Memphis. The property features an 800-seat showroom, a coffee shop, a specialty restaurant, a buffet, a snack bar and several cocktail lounges. Gold Strike-Tunica is part of a three-casino development covering approximately 72 acres. The other two casinos are owned and operated by unaffiliated third parties. We also own an undivided one-half interest in an additional 388 acres of land which may be used for future development.

Detroit, Michigan

MotorCity Casino (53.5%-owned). On December 14, 1999, along with our joint venture partner, Atwater Casino Group, we opened MotorCity Casino, a casino facility in Detroit, Michigan. The casino includes approximately 75,000 square feet of casino space, five restaurants and a 3,800-space parking facility. Under a revised development agreement with the City of Detroit, MotorCity Casino is to be expanded at its current location by December 31, 2005, into a facility that will include approximately

400 hotel rooms, 100,000 square feet of casino space, a 1,200-seat theater, convention space, and additional restaurants, retail space and parking. We are committed to contribute 20% of the cost of the permanent facility in the form of an investment in the joint venture, and the joint venture will seek to borrow the balance of the cost. The cost of the additional facilities, excluding land, capitalized interest and preopening expenses, is currently estimated to be \$275 million.

Various lawsuits have been filed in the state and federal courts challenging the constitutionality of the Detroit Casino Competitive Selection Process and the Michigan Gaming Control and Revenue Act, and seeking to appeal the issuance of a certificate of suitability to MotorCity Casino. No assurance can be given regarding the timing and outcome of these proceedings. An adverse ruling in any of these lawsuits could affect the joint venture's operation of the facility, as well as its ability to maintain its certificate of suitability and a casino license for its facility. All three casinos in Detroit are currently prevented from beginning construction of their new or expanded facilities as a result of one of these lawsuits.

Elgin, Illinois

Grand Victoria (50%-owned). Through wholly owned entities, we are a 50% participant with RBG, L.P. in a joint venture which owns Grand Victoria. Grand Victoria is a Victorian themed riverboat casino and land-based entertainment complex in Elgin, Illinois, a suburb approximately 40 miles northwest of downtown Chicago. The two-story vessel is 420 feet in length and 110 feet in width, and provides a maximum 80,000 square feet of casino space, approximately 36,000 square feet of which was being used as of July 31, 2003. The boat offers dockside gaming, which means its operation is conducted at dockside without cruising. The property also features a dockside complex that contains an approximately 83,000-square-foot pavilion with a buffet, a fine dining restaurant, a VIP lounge and a gift shop. Grand Victoria, which is strategically located in Elgin among the residential suburbs of Chicago, with nearby freeway access and direct train service from downtown Chicago, is located approximately 20 miles and 40 miles, respectively, from its nearest competitors in Aurora, Illinois and Joliet, Illinois, and holds one of only ten riverboat gaming licenses currently granted state-wide, nine of which are presently operational. Legislation in Illinois, which would allow a casino in Rosemont, approximately 16 miles from Grand Victoria, is being challenged in court. We manage the Grand Victoria, subject to the oversight of an executive committee which functions in a manner similar to a corporation's board of directors. Each joint venture partner is equally represented on the executive committee.

These items include 100% of Mandalay's joint venture properties. Mandalay acquired its 50% interest in the Grand Victoria, a then-operating riverboat casino in Elgin, Illinois, on June 1, 1995. Joint ventures in which Mandalay owns 50% interests opened Silver Legacy in Reno, Nevada on July 28, 1995 and Monte Carlo in Las Vegas, Nevada, on June 21, 1996. A joint venture in which Mandalay owns a 53.5% interest opened MotorCity Casino, a temporary casino in Detroit, Michigan, on December 14, 1999. The information as of January 31, 1999 includes figures for Mandalay Bay, which opened March 2, 1999. Silver City, a small casino on the Las Vegas Strip, was operated under a lease which expired October 31, 1999.

For purposes of determining the ratio of earnings to fixed charges, earnings are defined as net income before fixed charges, income taxes and minority interest, adjusted to exclude capitalized interest. Fixed charges consist of interest, whether expensed or capitalized, amortization of debt discount and issuance costs, Mandalay's proportionate share of the interest cost of 50%-owned ventures, and the estimated interest component of rental expense. Fixed charges for the six months ended July 31, 2003 do not include the loss on early extinguishment of debt of \$6.3 million (net of related gain on swap terminations).

Summary of the Exchange Offer

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

The Exchange Offer	We are offering to exchange \$1,000 principal amount of our exchange notes for each \$1,000 principal amount of old notes. As of the date of this prospectus, \$250 million in aggregate principal amount of old notes are outstanding. We have registered the exchange notes under the Securities Act of 1933 and they are substantially identical to the old notes, except for the elimination of some transfer restrictions, registration rights and liquidated damages provisions relating to the old notes.
Accrued Interest on the Exchange Notes and the Old Notes	Interest on the exchange notes will accrue from the last interest payment date on which interest was paid on the old notes or, if no interest was paid on the old notes, from the date of issuance of the old notes, which was on July 31, 2003. Holders whose old notes are accepted for exchange will be deemed to have waived the right to receive any interest accrued on the old notes.
No Minimum Condition	We are not conditioning the exchange offer on the tender of any minimum principal amount of old notes.
Expiration Date	The exchange offer will expire at 5:00 p.m., New York City time, on December 12, 2003, unless we decide to extend the exchange offer.
Withdrawal Rights	You may withdraw your tender at any time prior to 5:00 p.m., New York City time, on the expiration date.
Conditions to the Exchange Offer	The exchange offer is subject to customary conditions, which we may waive. We currently anticipate that each of the conditions will be satisfied and that we will not need to waive any conditions. We reserve the right to terminate or amend the exchange offer at any time before the expiration date if any of the conditions occurs. For additional information, see the section "The Exchange Offer" in this prospectus under the subheading "Certain Conditions to the Exchange Offer."
Procedures for Tendering Old Notes	If you are a holder of old notes who wishes to accept the exchange offer, you must: complete, sign and date the accompanying letter of transmittal, or a facsimile of the letter of transmittal, and mail or otherwise deliver the letter of transmittal, together with your old notes, to the exchange agent at the address set forth in the section "The Exchange Offer" in this prospectus under the subheading "Exchange Agent"; or arrange for The Depository Trust Company to transmit certain required information, including an agent's message forming part of a book-entry transfer in which you agree to be bound by the terms of the letter of transmittal, to the exchange agent in connection with a book-entry transfer. By tendering your old notes in either manner, you will be representing among other things, that: the exchange notes you receive pursuant to the exchange offer are being acquired in the ordinary course of your business; you are not participating, do not intend to participate, and have no arrangement or understanding with any person to participate, in the distribution of the exchange notes issued to you in the exchange offer; and you are not an "affiliate" of ours.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Special Procedures for Beneficial Owners	If you beneficially own old notes registered in the name of a broker, dealer, commercial bank, trust company or other nominee and you wish to tender your old notes in the exchange offer, you should contact the registered holder promptly and instruct it to tender on your behalf. If you wish to tender on your own behalf, you must, prior to completing and executing the letter of transmittal and delivering your old notes, either arrange to have your old notes registered in your name or obtain a properly completed bond power from the registered holder. The transfer of registered ownership may take considerable time.
Guaranteed Delivery Procedures	If you wish to tender your old notes and time will not permit your required documents to reach the exchange agent by the expiration date, or the procedures for book-entry transfer cannot be completed on time, you may tender your old notes according to the guaranteed delivery procedures described in the section "The Exchange Offer" in this prospectus under the subheading "Procedures for Tendering Old Notes."
Acceptance of Old Notes and Delivery of Exchange Notes	We will accept for exchange all old notes which are properly tendered in the exchange offer prior to 5:00 p.m., New York City time, on the expiration date. The exchange notes issued in the exchange offer will be delivered promptly following the expiration date. For additional information, see the section "The Exchange Offer" in this prospectus under the subheading "Acceptance of Old Notes for Exchange; Delivery of Exchange Notes."

10	
Federal Income Tax Consequences	The exchange of exchange notes for old notes in the exchange offer will not be a taxable event for federal income tax purposes. For additional information, see the section "Material Federal Income Tax Consequences of the Exchange" in this prospectus.
Effect on Holders of Old Notes	As a result of this exchange offer, we will have fulfilled a covenant contained in the registration rights agreement dated as of July 31, 2003 among Mandalay Resort Group and Banc of America Securities LLC and each of the other initial purchasers named in the agreement and, accordingly, there will be no increase in the interest rate on the old notes. If you do not tender your old notes in the exchange offer:
	you will continue to hold the old notes and will be entitled to all the rights and limitations applicable to the old notes under the indenture governing the notes, except for any rights under the registration rights agreement that terminate as a result of the completion of the exchange offer; and
	you will not have any further exchange rights or, except for any rights under the registration rights agreement, any registration rights, and your old notes will continue to be subject to restrictions on transfer. Accordingly, the trading market for untendered old notes could be adversely affected.
Restrictions on Transferability of Old Notes following Completion of the Exchange Offer	Following the completion of the exchange offer, holders of any old notes that are not exchanged may sell those notes only in transactions which are exempt from the registration requirements of the Securities Act of 1933, or in a transaction pursuant to an effective registration statement, if we subsequently register the old notes. Except as required by the terms of the registration rights agreement, we do not intend to register any old notes that remain outstanding following completion of the exchange offer. See the section "The Exchange Offer" in this prospectus under the subheading "Shelf Registration Statement."
Exchange Agent	The Bank of New York is serving as exchange agent in connection with the exchange offer.

Comparison of the Old Notes and the Exchange Notes

Exchange notes will be identical to the old notes except that

the old notes are, and following the exchange offer will be, subject to the restrictions on transfer described above under "Summary of the Exchange Offer" opposite the caption "Restrictions on Transferability of Old Notes following Completion of the Exchange Offer" compared with the more limited transfer restrictions applicable to the exchange notes described below opposite the caption "Resales of Exchange Notes;" and

any exchange notes acquired in exchange for old notes by any holder other than

a broker-dealer will cease to be entitled to be included in any shelf registration statement we may become obligated to file under the registration rights agreement and will cease to be entitled to any liquidated damages we may become obligated to pay on account of our failure to comply with the terms of the registration rights agreement with respect to a shelf registration statement. See the section "The Exchange Offer" in this prospectus under the subheadings "Shelf Registration Statement" and "Liquidated Damages."

Resales of Exchange Notes

Based on interpretations by the staff of the Securities and Exchange Commission as set forth in interpretive letters addressed to third parties in other transactions, we believe that the exchange notes issued pursuant to the exchange offer may be offered for resale, resold and otherwise transferred by a holder, other than any holder who is a broker-dealer or an "affiliate" of ours within the meaning of Rule 405 of the Securities Act of 1933, without further compliance with the registration and prospectus delivery requirements of the Securities Act of 1933, provided that:

the exchange notes are acquired in the ordinary course of the holder's business; and

the holder is not participating and has no arrangement or understanding with any person to participate, in a distribution of the exchange notes.

However, any holder who is:

an "affiliate" of ours;

who has an arrangement or understanding with respect to the distribution of the exchange notes to be acquired pursuant to the exchange offer; or

any broker-dealer who purchased old notes from us to resell pursuant to Rule 144A or any other available exemption under the Securities Act of 1933,

could not rely on the applicable interpretations of the staff and must comply with the registration and prospectus delivery

requirements of the Securities Act of 1933. A broker-dealer who holds old notes that were acquired for its own account as a result of market-making or other trading activities may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933 and must, therefore, deliver a prospectus meeting the requirements of the Securities Act of 1933 in connection with any resale of exchange notes. Each broker-dealer that receives exchange notes for its own account in exchange for old notes, where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, must acknowledge, as provided in the letter of transmittal, that it will deliver a prospectus in connection with any resale of the exchange notes. For more detailed information, see the section "Plan of Distribution" in this prospectus.

Risk Factors

See the section "Risk Factors" in this prospectus for a discussion of the factors you should carefully consider before deciding to invest in the exchange notes, including factors affecting forward-looking statements.

RISK FACTORS

You should carefully consider the following factors in addition to the other information set forth in this prospectus before making an investment in the exchange notes.

Risks Relating to Mandalay Resort Group

Our substantial indebtedness could adversely affect our financial results and prevent us from fulfilling our obligations under the notes.

We have a significant amount of indebtedness. As of July 31, 2003, we had total consolidated indebtedness of approximately \$3.0 billion and stockholders' equity of approximately \$0.9 billion. As of the date of this prospectus, we have a total of \$560 million outstanding under our \$1.1 billion revolving credit and term loan facilities and \$145 million outstanding under an equipment financing agreement pursuant to which, subject to certain conditions, we may borrow up to an additional \$105 million on or before December 31, 2003. In addition, Mandalay is a party to keep-well agreements relating to an existing joint venture in which we have an interest, and may become a party to other keep-well agreements relating to the same or other joint ventures in which we have or may acquire an interest. These agreements may require us to make additional cash contributions.

The notes do not restrict our ability to borrow substantial additional funds on a secured or unsecured basis in the future nor do they provide holders any protection should we be involved in transactions that increase our leverage. If we add new indebtedness to our anticipated debt levels following the date of this prospectus, it could increase the related risks that we face.

Our high level of indebtedness could have important consequences to you, such as:

limiting our ability to obtain additional financing to fund our growth strategy, working capital, capital expenditures, debt service, acquisitions or other obligations, including our obligations with respect to the notes;

limiting our ability to use operating cash flow in other areas of our business because we must dedicate a significant portion of these funds to make principal and interest payments on our indebtedness;

increasing our interest expense if there is a rise in interest rates, because a significant portion of our borrowings are and will continue to be under our credit facilities and, as such, the rates are of short-term duration (typically 1 to 90 days) that require ongoing refunding of advances under the revolving credit facility and resetting of rates under the term loan facility at then current rates of interest;

causing our failure to comply with the financial and restrictive covenants contained in the agreements and indentures governing our indebtedness which could cause a default under our other debt or the notes and which, if not cured or waived, could have a material adverse effect on us;

limiting our ability to compete with others who are not as highly leveraged, including our ability to explore business opportunities; and

limiting our ability to react to changing market conditions, changes in our industry and economic downturns.

If we do not generate sufficient cash from our operations to make scheduled payments on the notes or to meet our other obligations and/or our joint venture obligations, we will need to take one or more actions including the refinancing of our debt, obtaining additional financing, selling assets, obtaining additional equity capital, or reducing or delaying capital expenditures. We cannot assure you

that our business will generate cash flow or that we will be able to obtain funding sufficient to satisfy our debt service requirements.

On March 5, 2003, Mandalay's board of directors authorized the repurchase of up to an additional 10 million shares of Mandalay's common stock, as market conditions and other factors warrant, when the board's prior repurchase authorization was fully utilized. As of the date of this prospectus, we are authorized by our board to purchase up to an additional 10.3 million shares of our common stock. If Mandalay incurs additional indebtedness to repurchase shares of its common stock pursuant to the board's March 5, 2003 authorization or any subsequent authorization of the board, it will increase its leverage.

Until June 12, 2003, Mandalay had not declared a cash dividend on its common stock since it became publicly owned in 1983, although it had returned cash to its stockholders through its policy of periodic share repurchases, as cash flows, borrowing capacity and market conditions warranted. On June 12, 2003, Mandalay's board of directors instituted a policy of quarterly cash dividends and declared the first cash dividend to Mandalay's stockholders. This first quarterly dividend, which was \$0.23 per share, was paid on August 1, 2003 to stockholders of record on June 26, 2003. On August 27, 2003, Mandalay's board of directors declared a dividend of \$0.25 per share which was mailed on October 31, 2003 to stockholders of record on October 15, 2003. If Mandalay incurs additional indebtedness as a result of its payment of cash dividends to its stockholders, it will increase its leverage.

Our debt agreements impose restrictions on our operations.

Our credit facilities impose operating and financial restrictions on us. These restrictions include, among other things, limitations on our ability to:

incur additional debt;

create liens or other encumbrances;

pay dividends or make other restricted payments;

make investments, loans or other guarantees;

sell or otherwise dispose of a portion of our assets; or

merge or consolidate with another entity.

Each of our credit facilities contains a financial covenant that requires us not to exceed a total indebtedness ratio. Each credit facility also requires us to comply with a minimum interest coverage ratio. Our ability to borrow funds for any purpose will depend on our satisfying these tests.

If we fail to comply with either of the financial covenants or any of the other restrictions contained in our credit facilities or any future financing agreements, an event of default could occur. An event of default could result in the acceleration of some or all of our debt. We would not have, and are not certain we would be able to obtain, sufficient funds to repay our indebtedness if it is accelerated, including our obligations under the notes.

The terrorist attacks of September 11, 2001 adversely impacted our operations and any future attacks, as well as any hostilities which may develop between the United States and other countries, could have a material adverse effect on our future operations.

The terrorist attacks which occurred on September 11, 2001 had a pronounced impact on our operating results for the year ended January 31, 2002, and we believe the travel market has not fully recovered to historic norms. In addition, any hostilities between the United States and other countries, such as the recent war in Iraq, as well as any terrorist reprisals against American interests for such hostilities, or concern that such reprisals may be made, could also negatively affect the travel market. Our Las Vegas properties are particularly dependent on air travel for a substantial portion of their

customers. While passenger counts at McCarran International Airport and Las Vegas visitor volume reflected decided improvement in the month of September 2002 (versus the prior year when the attacks occurred), these figures remained weak in the period immediately preceding the anniversary of the attacks, when concerns of additional terrorist activity affected travel plans. Lower passenger counts and visitor volume caused declines in the number of customers visiting and staying at our Las Vegas properties, leading to decreases in revenues at most of our Las Vegas properties in fiscal 2003. Our operations in our other markets were not as vulnerable to the aftermath of September 11, 2001, and consequently, their operations do not appear to have been significantly impacted by the September 11 attacks. We cannot predict the extent to which the events of September 11, 2001 will continue to directly or indirectly impact our operating results, nor can we predict the extent to which the war with Iraq and its aftermath, future security alerts or additional terrorist attacks may interfere with our operations.

We and the joint ventures in which we participate are subject to extensive state and local regulation, and licensing and gaming authorities have significant control over our operations which could have an adverse effect on our business.

The ownership and operation of casino gaming facilities are subject to extensive state and local regulation. We currently conduct licensed gaming operations in Illinois, Michigan, Mississippi and Nevada through wholly owned subsidiaries and/or joint ventures. We are required by each of these states as well as the applicable local authorities in these states to hold various licenses and registrations, findings of suitability, permits and approvals to engage in gaming operations and to meet requirements of suitability. The gaming authorities in each state where we or a joint venture in which we participate conduct business may deny, limit, condition, suspend or revoke a gaming license, registration or finding of suitability. These gaming authorities also control approval of ownership interests in gaming operations. These gaming authorities may deny, limit, or suspend our or our joint ventures' gaming licenses, registrations, findings of suitability or the approval of any of our or our joint ventures' ownership interests in any of the licensed gaming operations conducted in these states for any cause they may deem reasonable.

If we violate gaming laws or regulations that are applicable to us or any joint venture in which we participate, we may have to pay substantial fines or forfeit assets. If any of our or our joint ventures' gaming licenses are denied, suspended, revoked or not renewed this could have a material adverse effect on our business.

To date, we and the joint ventures in which we participate have obtained all gaming licenses necessary for the operation of our existing gaming activities. However, gaming licenses and related approvals are privileges under Illinois, Michigan, Mississippi and Nevada law, and we cannot assure you that any new gaming license or related approvals that may be required in the future will be granted, or that our or our joint ventures' existing gaming licenses or related approvals will not be revoked, suspended or limited or will be renewed.

The Nevada Gaming Commission may, in its discretion, require the holder of any securities that we issue, including the notes, to file applications, be investigated and be found suitable to own our securities if it has reason to believe that the security ownership would be inconsistent with the declared policies of the State of Nevada. If the Nevada Gaming Commission determines that a person is unsuitable to own our securities, then, under the Nevada Gaming Control Act and the regulations promulgated under this Act, we can be sanctioned, including the loss of our approvals, if without the prior approval of the Nevada Gaming Commission, we:

pay to the unsuitable person any dividend, interest or any distribution whatsoever;

recognize any voting right by the unsuitable person in connection with the securities;

pay the unsuitable person remuneration in any form; or

make any payment to the unsuitable person including any principal, redemption, conversion, exchange, liquidation or similar payment.

Similar to Nevada, the Illinois Gaming Board, the Michigan Gaming Control Board and the Mississippi Gaming Commission have jurisdiction over the holders and beneficial owners of securities that we issue and may also require their investigation and approval. An applicant must pay all costs of investigation incurred by a gaming authority in conducting an investigation relating to the applicant.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

In Nevada as well as Illinois, Michigan and Mississippi, we may not make a public offering of our securities without the prior approval of the applicable gaming authorities if we intend to use the securities or proceeds from the offering to:

construct, acquire or finance gaming properties in these states; or

retire or extend obligations incurred for these purposes or for similar transactions.

On April 17, 2003, the Nevada Gaming Commission granted to us prior approval to make public offerings of our securities for a period of two years subject to some conditions. This approval also applies to any affiliated company that we wholly own which is a publicly traded corporation or would become a publicly traded corporation after a public offering. This approval also permits our registered and licensed subsidiaries to guarantee any security, and to pledge their assets to secure the payment or performance of any obligation evidenced by a security, issued by us or our wholly owned public affiliates in a public offering under the approval. However, this approval may be rescinded for good cause without prior notice upon the issuance of an interlocutory stop order by the Chairman of the Nevada State Gaming Control Board and must be renewed biennially. The approval does not constitute a finding, recommendation or approval by the Nevada Gaming Commission or the Nevada State Gaming Control Board as to the accuracy or adequacy of this prospectus or the investment merits of the securities being offered by this prospectus. Any statement indicating otherwise is unlawful. We have received a similar approval from the Mississippi Gaming Commission which is effective until January 16, 2004.

From time to time, various proposals are introduced in the legislatures of some of the jurisdictions in which we operate that, if enacted, could adversely affect the tax, regulatory, operational or other aspects of the gaming industry and our company in particular. Legislation of this type may be enacted in the future. The federal government has also previously considered a federal tax on casino revenues and may consider such a tax in the future. In addition, gaming companies are currently subject to significant state and local taxes and fees in addition to normal federal and state corporate income taxes, and such taxes and fees are subject to increase at any time. For example, effective July 1, 2002, Grand Victoria began paying higher gaming taxes pursuant to new legislation in Illinois and, effective July 1, 2003, it began paying even higher gaming taxes pursuant to new legislation signed by the Governor of Illinois on June 20, 2003. New tax legislation signed into law by the Governor of Nevada on July 22, 2003 also increased the taxes applicable to our Nevada operations and those of our Nevada joint ventures. If additional legislation of a similar nature is enacted in one or more of the states where we or our joint ventures operate, or if there is any material increase in state and local taxes and fees, our business, financial condition and results of operations could be adversely affected.

We face substantial competition in the hotel and casino industry.

The hotel and casino industry is very competitive. Our hotel-casino operations in Las Vegas, which are conducted primarily from properties located along the Las Vegas Strip, currently compete with numerous other major hotel-casinos and a number of smaller casinos located on or near the Las Vegas Strip. Our Las Vegas operations also compete with casinos located in downtown Las Vegas, in Las Vegas' suburban areas and, to a lesser extent, with casino and hotel properties in other parts of Nevada, including Laughlin, Reno and along I-15 (the principal highway between Las Vegas and southern California) near the California-Nevada state line. Las Vegas casinos, including our own, also

18

compete with Native American casinos in southern California (the principal source of business for Las Vegas casinos, including our own) and central Arizona and, to a lesser extent, with casinos in other parts of the country.

Circus Circus-Reno competes with seven other major casinos (the majority of which offer hotel rooms), including Silver Legacy, a hotel-casino complex with 1,711 guest rooms, which is 50%-owned by one of our wholly owned subsidiaries. Circus Circus-Reno and Silver Legacy also compete with numerous other smaller casinos in the greater Reno area and, to a lesser extent, with casinos and hotels in Lake Tahoe and other parts of Nevada. Reno casinos, including our own, also compete with Native American gaming in California and the northwestern United States.

In Laughlin, Colorado Belle and Edgewater, which together accounted for approximately 25% of the rooms in Laughlin as of July 31, 2003, compete with seven other Laughlin casinos. They also compete with the hotel-casinos in Las Vegas and those on I-15 near the California-Nevada state line, as well as a growing number of Native American casinos in Laughlin's regional market. The expansion of hotel and casino capacity in Las Vegas in recent years and the growth of Native American casinos in central Arizona and southern California have had a negative impact on Laughlin area properties, including Colorado Belle and Edgewater, by drawing visitors from the Laughlin market. This has, in turn, resulted in increased competition among Laughlin properties for a reduced number of visitors which contributes to generally lower revenues and profit margins at Laughlin properties, including Colorado Belle and Edgewater.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Our Jean, Nevada properties, Gold Strike and Nevada Landing, are located on I-15, approximately 25 miles south of Las Vegas and 12 miles north of the California-Nevada border. These properties attract their customers almost entirely from the large number of people traveling between Las Vegas and southern California. Accordingly, these properties compete with the large concentration of hotel, casino and other entertainment options available in Las Vegas as well as three hotel-casinos located at the California-Nevada border. The growth of Native American casinos in southern California has also drawn visitors from the Jean, Nevada market.

Gold Strike-Tunica competes with other casinos in Tunica County, Mississippi, including a hotel-casino which is closer to Memphis, the largest city in Tunica County's principal market. Gold Strike-Tunica's hotel tower provides this property with the second largest number of guest rooms in Tunica County.

Grand Victoria is a 50%-owned riverboat casino and land-based entertainment complex in Elgin, Illinois, a suburb approximately 40 miles northwest of downtown Chicago. Grand Victoria is one of nine licensed gaming riverboats currently operating in Illinois and is located approximately 20 miles and 40 miles, respectively, from its nearest competitors in Aurora, Illinois and Joliet, Illinois. Legislation in Illinois, which would allow a casino in Rosemont, approximately 16 miles from Grand Victoria, is being challenged in court.

MotorCity Casino, a 53.5%-owned casino in Detroit, Michigan, is one of three licensed casinos in Detroit. In addition to the other two Detroit casinos, MotorCity Casino competes with a government-owned casino and a racetrack which has an estimated 2,000 slot machines, each of which is located in Windsor, Ontario, directly across the Detroit River from Detroit. A number of Native American casinos are currently operating in central and northern Michigan, but the nearest of these casinos is approximately 150 miles from Detroit.

Gaming has expanded dramatically in the United States in recent years. Forms of gaming include:

riverboats;

dockside gaming facilities;

Native American gaming ventures;

land-based casinos;

19

state-sponsored lotteries;

racetracks, including slot machines at racetracks;

off-track wagering;

Internet gaming; and

card parlors.

Since 1990, when there were casinos in only three states (excluding casinos on Native American lands), gaming has spread to a number of additional states. In addition, other states are currently considering, or may in the future consider, legalizing casino gaming in specific geographic areas within their states. Many Native American tribes conduct casino gaming throughout the United States. Other Native American tribes are either in the process of establishing or are considering establishing gaming at additional locations, including sites in California and Arizona. The competitive impact on Nevada gaming establishments, in general, and our operations, in particular, from the continued growth of gaming in jurisdictions outside Nevada cannot be determined at this time, but, depending on the nature, location and extent of the growth of those operations, the impact could be material.

The continued growth of Native American gaming in California could have a material adverse effect on our Nevada operations.

On March 7, 2000, California voters approved Proposition 1A which amended the California constitution and legalized "Nevada-style" gaming on Native American reservations. The passage of this amendment has allowed the expansion of existing Native American gaming operations, as well as the opening of new Native American gaming facilities, in California. Each Native American tribe in California may operate up to 2,000 slot machines, and up to two gaming facilities may be operated on any one reservation. The number of machines each tribe is allowed to operate is subject to change pursuant to negotiations which have been initiated between the tribes and the State of California. Many existing Native American gaming facilities in California are modest compared to the larger Las Vegas and Reno casinos. However, some Native American tribes have established large-scale hotel and gaming facilities in California. In June 2003, a significant new Native American casino development opened in northern California, which will place additional competitive pressure on our operations in the Reno market. Numerous other tribes are at various stages of planning new or expanded facilities.

Our operations in Reno, Nevada have been adversely impacted by the growth in Native American gaming in northern California that has occurred to date, and our operations in Laughlin and Jean, Nevada have been adversely impacted by the growth of Native American gaming in southern California. The continued growth of Native American gaming establishments in California could have a material adverse effect on our Nevada operations.

Certain construction risks may arise during the building of any new properties.

Any major construction project we, or any joint venture in which we own an interest, may undertake will involve many risks. These risks include potential shortages of materials and labor, work stoppages, labor disputes, weather interference, unforeseen engineering, environmental or geological problems and unanticipated cost increases, any of which can give rise to delays or cost overruns. Construction, equipment or staffing requirements or problems or difficulties in obtaining any of the requisite licenses, permits, allocations or authorizations from regulatory authorities can increase the cost or delay the construction or opening of the facility or otherwise affect the project's planned design and features. It is possible that we may change budget and construction plans we have developed for a project for competitive or other reasons.

In addition to all of the risks referred to in the preceding paragraph, the Detroit joint venture's construction of its planned expansion to its facility is dependent on the satisfactory resolution of the litigation described in the documents we have incorporated by reference. Although a revised

development agreement has been approved by the City of Detroit which eliminates the distinction between a temporary casino and a permanent casino, and, in addition, provides for the expansion of the current MotorCity Casino facility by adding 400 hotel rooms, expanding our gaming area, adding a theater, convention space and additional restaurants, retail space and parking, by court order this construction is currently being held in abeyance pending resolution of litigation.

There can be no assurance as to the commencement or successful completion of any project we or any joint venture in which we are a participant may undertake, including the suites tower currently under construction on our Mandalay Mile and the Detroit joint venture's planned expansion of MotorCity Casino.

Risks Relating to the Notes

Mandalay is a holding company and depends on the business of its subsidiaries to satisfy its obligations under the notes.

Mandalay is a holding company and its assets consist primarily of investments in its subsidiaries. Our subsidiaries conduct substantially all of our consolidated operations and own substantially all of our consolidated assets. Consequently, Mandalay's cash flow and its ability to meet its debt service obligations depend on:

the cash flow of its subsidiaries; and

the payment of funds by the subsidiaries to Mandalay in the form of loans, dividends or otherwise.

Mandalay's subsidiaries are not obligated to make funds available to it for payment on the notes or otherwise. In addition, the ability of Mandalay's subsidiaries to make any payments to it will depend on:

their earnings;

the terms of their indebtedness;

business and tax considerations; and

legal and regulatory restrictions.

These payments may not be adequate to pay interest and principal on the notes when due. In addition, the ability of Mandalay's subsidiaries to make payments to it depends on applicable law and debt instruments to which they or we are or become parties, which may include requirements to maintain minimum levels of working capital and other assets.

Your right to receive payments on the notes will be effectively subordinated to the rights of our existing and any future secured creditors. The notes are also effectively subordinated to any existing and future liabilities of our subsidiaries.

The notes represent unsecured senior obligations of Mandalay. Although Mandalay's only secured debt as of the date of this prospectus is \$145 million under an equipment financing agreement we entered into on June 30, 2003, we are not restricted under the indenture from incurring additional secured debt, including the utilization of up to an additional \$105 million of capacity under the existing equipment financing agreement subject to some conditions, and holders of our existing and any future secured indebtedness will have claims that are superior to your claims as holders of the notes to the extent of the value of the assets securing that other indebtedness. In the event of any distribution or payment of Mandalay's assets in any foreclosure, dissolution, winding-up, liquidation, reorganization, or other bankruptcy proceeding, holders of secured indebtedness will have superior claims to those of Mandalay's assets that constitute their collateral. In any of the foregoing events, we cannot assure you that there will be sufficient assets to pay amounts due on the notes. Holders of the notes will participate ratably in our remaining assets with all holders of our unsecured indebtedness that ranks

21

equally in right of payment with the notes and potentially with all of our other general creditors, based upon the respective amounts owed to each holder or creditor. As a result, holders of the notes may receive less, ratably, than holders of secured indebtedness.

In addition, Mandalay is a holding company and conducts substantially all its operations through its subsidiaries. As a result, holders of the notes will be effectively subordinated to the liabilities of Mandalay's subsidiaries, which totalled \$638.8 million as of July 31, 2003. Therefore, in the event of the insolvency or liquidation of a subsidiary, following payment by such subsidiary of its liabilities, such subsidiary may not have sufficient remaining assets to make payments to Mandalay as a shareholder or otherwise after the payment of its liabilities so that Mandalay can meet its obligations including its obligations to you under the notes. In the event of a default by a subsidiary under any credit arrangement or other indebtedness, its creditors could accelerate such debt, prior to such subsidiary distributing amounts to Mandalay that it could have used to make payments on the notes. In addition, if Mandalay causes a subsidiary to pay a dividend to it to make payment on the notes and such dividend were determined to be a fraudulent transfer, holders of the notes would be required to return the payment to the subsidiary's creditors.

Our subsidiaries have also guaranteed Mandalay's obligations under its credit facilities, making the indebtedness owed under the credit facilities structurally senior to the notes. As of the date of this prospectus, we have a total of \$560 million outstanding under our \$1.1 billion revolving credit and term loan facilities.

We may not be able to purchase your notes upon a change of control.

Upon the occurrence of specified "change of control" events, Mandalay will be required to offer to purchase each holder's notes at a price of 101% of their principal amount plus accrued and unpaid interest. We may not have sufficient financial resources to purchase all of the notes that holders tender to us upon a change of control offer. The occurrence of a change of control could also constitute a default under our credit facilities and/or any of our future credit facilities. Our bank lenders may also have the right to prohibit any such purchase or redemption, in which event Mandalay would be in default on the notes. For further discussion, see "Description of the Exchange Notes Change of Control."

As a holder of the notes, you may be required to comply with registration, licensing, qualification or other requirements under gaming laws or dispose of your securities.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

The gaming authority of any jurisdiction in which we currently or in the future conduct or propose to conduct gaming, either through our subsidiaries or a joint venture, may require that a holder or beneficial owner of the notes be registered, licensed, qualified or found suitable, or comply with any other requirement under applicable gaming laws. If you purchase or otherwise accept an interest in the notes, by the terms of the indenture, you will agree to comply with all of these requirements, including your agreement to register or apply for a license, qualification or a finding of suitability, or comply with any other requirement, within the required time period, as provided by the relevant gaming authority. If you fail to apply to be, or fail to become, registered, licensed or qualified, or are found unsuitable or fail to comply with any other requirement of a gaming authority, then we will have the right, at our option, to:

require you to sell your notes or beneficial interest in the notes within 30 days after you receive notice of our election, or any earlier date that the relevant gaming authority may request or prescribe; or

redeem your notes (possibly within less than 30 days following the notice of redemption if requested or prescribed by the gaming authority) at a redemption price equal to the lesser of:

your cost;

22

100% of the principal amount of the notes, plus accrued and unpaid interest, if any, to the redemption date or the date of any failure to comply, whichever is earlier; and

any other amount required by applicable law or by order of any gaming authority.

We will notify the indenture trustee in writing of any redemption as soon as practicable. We will not be responsible for any costs or expenses you may incur in connection with your registration, application for a license, qualification or a finding of suitability, or your compliance with any other requirement of a gaming authority. The indenture also provides that as soon as you are required to sell your notes as a result of a gaming authority action, you will, to the extent required by applicable gaming laws, have no further right:

to exercise, directly or indirectly, any right conferred by the notes; or

to receive from us any interest, dividends or any other distributions or payments, or any remuneration in any form, relating to the notes, except the redemption price we refer to above.

See "Description of the Exchange Notes Mandatory Disposition Pursuant to Gaming Laws."

An active trading market may not develop for the exchange notes.

We do not intend to apply for a listing of the exchange notes on a securities exchange or on any automated dealer quotation system. The exchange notes are new securities for which there is currently no market. We cannot assure you as to the liquidity of markets that may develop for the exchange notes, your ability to sell the exchange notes or the price at which you would be able to sell the exchange notes. If such markets were to exist, the exchange notes could trade at prices that may be lower than their principal amount or purchase price depending on many factors, including prevailing interest rates and the markets for similar securities. The initial purchasers of the old notes have advised us that they currently intend to make a market with respect to the exchange notes. However, they are not obligated to do so, and any market making activities may be discontinued at any time without notice. In addition, any market making activity may be limited during the pendency of the exchange offer.

The liquidity of, and trading market for, the exchange notes also may be adversely affected by changes in our financial performance or prospects or in the prospects for companies in our industry generally.

As a result, you cannot be sure that an active trading market will develop for the exchange notes.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

We are offering the exchange notes to the holders of the old notes. The old notes were sold in July 2003 to a small number of institutional investors and are eligible for trading in the Private Offerings, Resale and Trading through Automatic Linkages (PORTAL) Market. To the extent that old notes are tendered and accepted in the exchange offer, the trading market for untendered and tendered but unaccepted old notes will be adversely affected. We cannot assure you that this market will provide liquidity for you if you want to sell your old notes.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

The debentures are redeemable at the option of their holders on November 15, 2003 at 100% of their principal amount plus accrued interest. Of the \$150 million principal amount outstanding, \$145.6 million principal amount of the debentures put to us by the holders will be redeemed on that date.

(3)

On June 30, 2003, we entered into an equipment financing agreement pursuant to which we borrowed \$145.0 million. The current portion of this financing is \$8.2 million and is included under "Current portion of long-term debt" in this table.

DESCRIPTION OF OTHER INDEBTEDNESS

The following is a brief summary of important terms of our material indebtedness other than the notes:

Credit Facilities

We have two credit facilities that total \$1.1 billion. The credit facilities, which are for general corporate purposes, include an \$850 million revolving facility, \$320 million of which was outstanding as of July 31, 2003, and a \$250 term loan facility. Each of the credit facilities is unsecured and provides for the payment of interest, at our option, either at a rate equal to or an increment above the higher of the Bank of America, N.A. "prime rate" and the Federal Reserve Board "Federal Funds Rate" plus 50 basis points or, alternatively, at a Eurodollar-based rate. Each of the credit facilities includes financial covenants regarding our total debt and interest coverage and contains covenants that limit our ability, among other things, to dispose of our assets, make distributions on our capital stock, engage in a merger, incur liens and engage in transactions with our affiliates. On August 26, 2006, the entire principal amount then outstanding under our credit facilities becomes due and payable, unless the maturity date is extended with the consent of the lenders.

As of February 5, 2003, we amended the covenants under our revolving credit facility and our term loan facility. This amendment modifies the definition of Adjusted EBITDA with respect to our 53.5% ownership in MotorCity Casino in Detroit, Michigan. As previously defined in our credit facilities, Adjusted EBITDA included only the cash distributions we actually received from MotorCity Casino. Under the amended definition, Adjusted EBITDA will include our 53.5% share of the Adjusted EBITDA of MotorCity Casino, whether or not distributed. The amendment also provides for a more liberal test for total debt coverage during the fiscal year ending January 31, 2004.

We used the net proceeds from the offering of the old notes, which were approximately \$245.7 million after deducting fees and expenses associated with the offering, to repay a portion of our outstanding indebtedness under our \$850 million revolving credit facility. See "Use of Proceeds."

6.45% Senior Notes due 2006

In February 1996, we issued \$200 million of 6.45% senior notes due February 1, 2006. The 6.45% notes are not redeemable prior to their maturity. The 6.45% notes are unsecured senior obligations and rank equally with all of our senior unsecured debt.

9 1/2% Senior Notes due 2008

In August 2000, we issued \$200 million aggregate principal amount of 9 1/2% senior notes due 2008. The 9 1/2% notes are redeemable at any time prior to their maturity at a redemption price equal to 100% of their principal amount plus a make-whole premium. The 9 1/2% notes are unsecured senior obligations and rank equally with our other senior debt and senior to our subordinated debt.

Floating Rate Convertible Senior Debentures due 2033

In March 2003 we issued \$350 million original principal amount of Floating Rate Convertible Senior Debentures due March 21, 2033, and in April 2003 we issued additional \$50 million original principal amount of these debentures. Regular interest on the debentures at an annual rate equal to 3-month LIBOR, reset quarterly, plus .75% is payable quarterly in arrears until March 31, 2008. After that date, we will not pay regular interest on the debentures prior to maturity. Instead, on March 21, 2033, the maturity date of the debentures, a holder will receive the accreted principal amount of a debenture, which will be equal to the original principal amount of \$1,000 per debenture increased daily by a variable yield

beginning on March 21, 2008. The yield will be reset quarterly to a rate of 3-month

LIBOR plus .75% per annum. Regardless of the level of 3-month LIBOR, however, this yield will not exceed 6.75% per annum. The debentures are redeemable for cash at any time on or after March 21, 2008, and holders may require us to purchase for cash, our shares or a combination of cash and shares all or a portion of the debentures on March 21, 2008, 2013, 2018, 2023 and 2028, in each case at prices calculated in accordance with their terms. In addition, holders may require us to purchase for cash all or a portion of the debentures in the event of a "change of control," as defined, occurring on or before March 21, 2008 at a purchase price equal to 100% of their original principal amount plus accrued and unpaid interest to the date of purchase. The debentures are unsecured senior obligations and rank equally with all of our other senior unsecured indebtedness.

7.0% Debentures due 2036

In November 1996, we issued \$150 million aggregate principal amount of 7.0% debentures due 2036. The 7.0% debentures are not redeemable at our option prior to their maturity. The debentures are redeemable at the option of their holders on November 15, 2008 at 100% of their principal amount plus accrued interest. The 7.0% debentures are unsecured senior obligations and rank equally with all of our senior unsecured debt.

6.70% Debentures due 2096

In November 1996, we issued \$150 million aggregate principal amount of 6.70% debentures due 2096. The 6.70% debentures are not redeemable at our option prior to their maturity. The debentures are redeemable at the option of their holders on November 15, 2003 at 100% of their principal amount plus accrued interest. Of the \$150 million principal amount outstanding, \$145.6 million principal amount of the debentures put to us by the holders will be redeemed on that date. The 6.70% debentures are unsecured senior obligations and rank equally with all of our senior unsecured debt.

10¹/₄% Senior Subordinated Notes due 2007

In July 2000, we issued \$500 million aggregate principal amount of 10¹/₄% senior subordinated notes due 2007. The 10¹/₄% notes are redeemable at any time prior to their maturity at a redemption price equal to 100% of their principal amount plus a make-whole premium. The 10¹/₄% notes are unsecured senior subordinated obligations and rank junior to all of our senior debt.

9³/₈% Senior Subordinated Notes due 2010

In December 2001, we issued \$300 million aggregate principal amount of 9³/₈% senior subordinated notes due 2010. The 9³/₈% notes are redeemable at any time prior to their maturity at a redemption price equal to 100% of their principal amount plus a make-whole premium. The 9³/₈% notes are unsecured senior subordinated obligations and rank junior to all of our senior debt.

7⁵/₈% Senior Subordinated Debentures due 2013

In July 1993, we issued \$150 million aggregate principal amount of 7⁵/₈% senior subordinated debentures due 2013. The 7⁵/₈% debentures are not redeemable prior to their maturity. The 7⁵/₈% debentures are unsecured senior subordinated obligations and rank junior to all of our senior debt.

Equipment Financing Agreement

Effective as of June 30, 2003, we entered into an equipment financing agreement with a group of financial institutions pursuant to which we borrowed \$145 million with the financial institutions having a security interest in certain equipment. The agreement has a five-year term. Under the terms of the agreement we may borrow up to an additional \$105 million subject to certain conditions on or before December 31, 2003.

THE EXCHANGE OFFER

General

As of the date of this prospectus, \$250 million in principal amount of the old notes is outstanding. This prospectus, together with the letter of transmittal, is first being sent to holders on November 12, 2003.

Purpose of the Exchange Offer

We issued the old notes on July 31, 2003 in a transaction exempt from the registration requirements of the Securities Act of 1933 (the "Securities Act"). Accordingly, the old notes may not be reoffered, resold, or otherwise transferred unless so registered or unless an applicable exemption from the registration and prospectus delivery requirements of the Securities Act is available.

In connection with the sale of the old notes, we entered into a registration rights agreement, which requires us to:

file a registration statement with the Securities and Exchange Commission (the "Commission") relating to the exchange offer not later than 90 days after the date of issuance of the old notes;

to cause the registration statement relating to the exchange offer to become effective under the Securities Act within 150 days after the date of issuance of the old notes; and

to complete the exchange offer within 180 days from the original issuance of the old notes or, if obligated to file a shelf registration statement, to use our best efforts to cause the shelf registration statement to be declared effective by the 90th day after the shelf registration statement is filed with the Commission. We have included the registration rights agreement as an exhibit to the registration statement of which this prospectus is a part.

We are making the exchange offer to satisfy our obligations under the registration rights agreement. Other than pursuant to the registration rights agreement, we are not required to file any registration statement to register any outstanding old notes. Following the completion of the exchange offer, holders of any old notes that are not exchanged may sell those notes only in transactions which are exempt from the registration requirements of the Securities Act of 1933, or in a transaction pursuant to an effective registration statement, if we subsequently register the old notes. Except as required by the terms of the registration rights agreements, we do not intend to register any old notes that remain outstanding following completion of the exchange offer. See the section "The Exchange Offer" in this prospectus under the subheading "Shelf Registration Statement."

We are making the exchange offer in reliance on the position of the staff of the Commission as set forth in interpretive letters addressed to third parties in other transactions. However, we have not sought our own interpretive letter and we can provide no assurance that the staff would make a similar determination with respect to the exchange offer as it has in interpretive letters to third parties. Based on these interpretations by the staff, we believe that the exchange notes issued in the exchange offer in exchange for old notes may be offered for resale, resold and otherwise transferred by a holder other than any holder who is a broker-dealer or an "affiliate" of ours within the meaning of Rule 405 of the Securities Act, without further compliance with the registration and prospectus delivery requirements of the Securities Act, provided that:

the exchange notes are acquired in the ordinary course of the holder's business;

the holder has no arrangement or understanding with any person to participate in the distribution of the exchange notes; and

the holder is not engaged in, and does not intend to engage in a distribution of the exchange notes.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. For additional information, see the section "Plan of Distribution" in this prospectus.

Terms of the Exchange

We are offering to exchange, subject to the conditions described in this prospectus and in the letter of transmittal accompanying this prospectus, \$1,000 in principal amount of exchange notes for each \$1,000 in principal amount of the old notes. The terms of the exchange notes are identical in all material respects to the terms of the old notes, except that the exchange notes will generally be freely transferable by holders of the exchange notes and will not be subject to the terms of the registration rights agreement. The exchange notes will evidence the same indebtedness as the old notes exchanged therefor and will be entitled to the benefits of the indenture. For additional information, see the section "Description of the Exchange Notes" in this prospectus.

The exchange offer is not conditioned upon the tender of any minimum principal amount of old notes.

We have not requested, and do not intend to request, an interpretation by the staff of the Commission as to whether the exchange notes issued in exchange for the old notes may be offered for sale, resold or otherwise transferred by any holder without compliance with the registration and prospectus delivery provisions of the Securities Act. Instead, based on an interpretation by the staff of the Commission set forth in a series of no-action letters issued to third parties, we believe that exchange notes issued in the exchange offer in exchange for old notes may be offered for sale, resold and otherwise transferred by any holder of exchange notes, other than any holder that is a broker-dealer or is an "affiliate" of ours within the meaning of Rule 405 under the Securities Act, without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that:

the exchange notes are acquired in the ordinary course of the holder's business;

the holder has no arrangement or understanding with any person to participate in the distribution of the exchange notes; and

the holder is not engaged in, and does not intend to engage in a distribution of the exchange notes.

Since the Commission has not considered the exchange offer in the context of a no-action letter, we can provide no assurance that the staff of the Commission would make a similar determination with respect to the exchange offer. Any holder who is an affiliate of ours or who tenders old notes in the exchange offer for the purpose of participating in a distribution of the exchange notes cannot rely on the interpretation by the staff of the Commission and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction. Each holder, other than a broker-dealer, must acknowledge that it is not engaged in, and does not intend to engage in, a distribution of exchange notes. Each broker-dealer that receives exchange notes for its own account in exchange for old notes, where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. For additional information, see the section "Plan of Distribution" in this prospectus.

The exchange notes will accrue interest from the last interest payment date on which interest was paid on the old notes or, if no interest was paid on the old notes, from the date of issuance of the old

notes, which was on July 31, 2003. Holders whose old notes are accepted for exchange will be deemed to have waived the right to receive any interest accrued on the old notes.

Tendering holders of the old notes will not be required to pay brokerage commissions or fees or, transfer taxes, except as specified in the instructions in the letter of transmittal, with respect to the exchange of the old notes in the exchange offer.

Expiration Date; Extension; Termination; Amendment

The exchange offer will expire at 5:00 p.m., New York City time, on December 12, 2003, unless we, in our sole discretion, have extended the period of time for which the exchange offer is open. The time and date, as it may be extended, is referred to herein as the "expiration date." The expiration date will be at least 20 business days after the commencement of the exchange offer in accordance with Rule 14e-1(a) under the

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Exchange Act. We expressly reserve the right, at any time or from time to time, to extend the period of time during which the exchange offer is open, and thereby delay acceptance for exchange of any old notes. We will extend the expiration date by giving oral or written notice of the extension to the exchange agent and by timely public announcement no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date. During the extension, all old notes previously tendered will remain subject to the exchange offer unless properly withdrawn. The maximum period of time the offer will remain open after the date of this prospectus, including any extensions of the expiration date, is 90 days.

We expressly reserve the right to:

terminate or amend the exchange offer and not to accept for exchange any old notes not previously accepted for exchange upon the occurrence of any of the events specified in this section under the subheading "Certain Conditions to the Exchange Offer" which have not been waived by us; and

amend the terms of the exchange offer in any manner which, in our good faith judgment, is advantageous to the holders of the old notes, whether before or after any tender of the old notes.

If any termination or amendment occurs, we will notify the exchange agent and will either issue a press release or give oral or written notice to the holders of the old notes as promptly as practicable.

For purposes of the exchange offer, a "business day" means any day other than Saturday, Sunday or a date on which banking institutions are required or authorized by New York State law to be closed, and consists of the time period from 12:01 a.m. through 12:00 midnight, New York City time. Unless we terminate the exchange offer prior to 5:00 p.m., New York City time, on the expiration date, we will exchange the exchange notes for the old notes promptly following the expiration date.

Procedures For Tendering Old Notes

Our acceptance of old notes tendered by a holder will constitute a binding agreement between the tendering holder and us upon the terms and subject to the conditions described in this prospectus and in the accompanying letter of transmittal. All references in this prospectus to the letter of transmittal are deemed to include a facsimile of the letter of transmittal.

A holder of old notes may tender the old notes by:

properly completing and signing the letter of transmittal;

properly completing any required signature guarantees;

properly completing any other documents required by the letter of transmittal; and

32

delivering all of the above, together with the certificate or certificates representing the old notes being tendered, to the exchange agent at its address set forth below on or prior to the expiration date; or

complying with the procedure for book-entry transfer described below; or

complying with the guaranteed delivery procedures described below.

The method of delivery of old notes, letters of transmittal and all other required documents is at the election and risk of the holders. If the delivery is by mail, it is recommended that registered mail properly insured, with return receipt requested, be used. In all cases, sufficient time should be allowed to ensure timely delivery. Holders should not send old notes or letters of transmittal to us.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

The signature on the letter of transmittal need not be guaranteed if:

tendered old notes are registered in the name of the signer of the letter of transmittal; and

the exchange notes to be issued in exchange for the old notes are to be issued in the name of the holder; and

any untendered old notes are to be reissued in the name of the holder.

In any other case, the tendered old notes must be:

endorsed or accompanied by written instruments of transfer in form satisfactory to us;

duly executed by the holder; and

the signature on the endorsement or instrument of transfer must be guaranteed by a bank, broker, dealer, credit union, savings association, clearing agency or other institution, each an "eligible institution" that is a member of a recognized signature guarantee medallion program within the meaning of Rule 17Ad-15 under the Exchange Act.

If the exchange notes and/or old notes not exchanged are to be delivered to an address other than that of the registered holder appearing on the note register for the old notes, the signature in the letter of transmittal must be guaranteed by an eligible institution.

The exchange agent will make a request within two business days after the date of receipt of this prospectus to establish accounts with respect to the old notes at The Depository Trust Company, the "book-entry transfer facility," for the purpose of facilitating the exchange offer. We refer to the Depository Trust Company in this prospectus as "DTC." Subject to establishing the accounts, any financial institution that is a participant in the book-entry transfer facility's system may make book-entry delivery of old notes by causing the book-entry transfer facility to transfer the old notes into the exchange agent's account with respect to the old notes in accordance with the book-entry transfer facility's procedures for the transfer. Although delivery of old notes may be effected through book-entry transfer into the exchange agent's account at the book-entry transfer facility, an appropriate letter of transmittal with any required signature guarantee and all other required documents, or an agent's message, must in each case be properly transmitted to and received or confirmed by the exchange agent at its address set forth below prior to the expiration date, or, if the guaranteed delivery procedures described below are complied with, within the time period provided under such procedures.

The exchange agent and DTC have confirmed that the exchange offer is eligible for the DTC Automated Tender Offer Program. We refer to the Automated Tender Offer Program in this prospectus as "ATOP." Accordingly, DTC participants may, in lieu of physically completing and signing the letter of transmittal and delivering it to the exchange agent, electronically transmit their acceptance of the exchange offer by causing DTC to transfer old notes to the exchange agent in accordance with DTC's ATOP procedures for transfer. DTC will then send an agent's message.

The term "agent's message" means a message which:

is transmitted by DTC;

received by the exchange agent and forming part of the book-entry transfer;

states that DTC has received an express acknowledgment from a participant in DTC that is tendering old notes which are the subject of the book-entry transfer;

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

states that the participant has received and agrees to be bound by all of the terms of the letter of transmittal; and

states that we may enforce the agreement against the participant.

If a holder desires to accept the exchange offer and time will not permit a letter of transmittal or old notes to reach the exchange agent before the expiration date or the procedure for book-entry transfer cannot be completed on a timely basis, the holder may effect a tender if the exchange agent has received at its address set forth below on or prior to the expiration date, a letter, telegram or facsimile transmission, and an original delivered by guaranteed overnight courier, from an eligible institution setting forth:

the name and address of the tendering holder;

the names in which the old notes are registered and, if possible, the certificate numbers of the old notes to be tendered; and

a statement that the tender is being made thereby and guaranteeing that within three business days after the expiration date, the old notes in proper form for transfer, or a confirmation of book-entry transfer of such old notes into the exchange agent's account at the book-entry transfer facility and an agent's message, will be delivered by the eligible institution together with a properly completed and duly executed letter of transmittal and any other required documents.

Unless old notes being tendered by the above-described method are deposited with the exchange agent, a tender will be deemed to have been received as of the date when:

the tendering holder's properly completed and duly signed letter of transmittal, or a properly transmitted agent's message, accompanied by the old notes or a confirmation of book-entry transfer of the old notes into the exchange agent's account at the book-entry transfer facility is received by the exchange agent; or

a notice of guaranteed delivery or letter, telegram or facsimile transmission to similar effect from an eligible institution is received by the exchange agent.

Issuances of exchange notes in exchange for old notes tendered pursuant to a notice of guaranteed delivery or letter, telegram or facsimile transmission to similar effect by an eligible institution will be made only against deposit of the letter of transmittal and any other required documents and the tendered old notes or a confirmation of book-entry and an agent's message.

All questions as to the validity, form, eligibility, including time of receipt, and acceptance of old notes tendered for exchange will be determined by us in our sole discretion, which determination will be final and binding. We reserve the absolute right to reject any and all tenders of any old notes not properly tendered or not to accept any old notes which acceptance might, in our judgment or the judgment of our counsel, be unlawful. We also reserve the absolute right to waive any defects or irregularities or conditions of the exchange offer as to any old notes either before or after the expiration date, including the right to waive the ineligibility of any holder who seeks to tender old notes in the exchange offer. The interpretation of the terms and conditions of the exchange offer, including the letter of transmittal and the instructions contained in the letter of transmittal, by us will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of old

notes for exchange must be cured within such reasonable period of time as we determine. Neither we, the exchange agent nor any other person has any duty to give notification of any defect or irregularity with respect to any tender of old notes for exchange, nor will any of us incur any liability for failure to give such notification.

If the letter of transmittal is signed by a person or persons other than the registered holder or holders of old notes, the old notes must be endorsed or accompanied by appropriate powers of attorney, in either case signed exactly as the name or names of the registered holder or holders appear on the old notes.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

If the letter of transmittal or any old notes or powers of attorney are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by us, such persons must submit proper evidence satisfactory to us of their authority to so act.

By tendering, each holder represents to us that, among other things:

the exchange notes acquired pursuant to the exchange offer are being acquired in the ordinary course of business of the holder;

the holder is not participating, does not intend to participate, and has no arrangement or understanding with any person to participate, in the distribution of the exchange notes; and

the holder is not an "affiliate," as defined under Rule 405 of the Securities Act, of ours.

Each broker-dealer that receives exchange notes for its own account in exchange for old notes, where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. For additional information, see the section "Plan of Distribution" in this prospectus.

Terms and Conditions of the Letter of Transmittal

The letter of transmittal contains, among other things, the following terms and conditions, which are part of the exchange offer.

The party tendering old notes for exchange exchanges, assigns and transfers the old notes to us and irrevocably constitutes and appoints the exchange agent as his agent and attorney-in-fact to cause the old notes to be assigned, transferred and exchanged. We refer to the party tendering notes herein as the "transferor." The transferor represents and warrants that it has full power and authority to tender, exchange, assign and transfer the old notes and to acquire exchange notes issuable upon the exchange of the tendered old notes, and that, when the same are accepted for exchange, we will acquire good and unencumbered title to the tendered old notes, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim. The transferor also warrants that it will, upon request, execute and deliver any additional documents deemed by the exchange agent or us to be necessary or desirable to complete the exchange, assignment and transfer of tendered old notes or transfer ownership of such old notes on the account books maintained by a book-entry transfer facility. The transferor further agrees that acceptance of any tendered old notes by us and the issuance of exchange notes in exchange for old notes will constitute performance in full by us of various of our obligations under the registration rights agreement. All authority conferred by the transferor will survive the death or incapacity of the transferor and every obligation of the transferor will be binding upon the heirs, legal representatives, successors, assigns, executors and administrators of the transferor.

The transferor certifies that it is not an "affiliate" of ours within the meaning of Rule 405 under the Securities Act and that it is acquiring the exchange notes offered hereby in the ordinary course of the transferor's business and that the transferor has no arrangement with any person to participate in the distribution of the exchange notes.

Each holder, other than a broker-dealer, must acknowledge that it is not engaged in, and does not intend to engage in, a distribution of exchange notes. Each transferor which is a broker-dealer receiving exchange notes for its own account must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. By so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

Withdrawal Rights

Tenders of old notes may be withdrawn at any time prior to the expiration date.

For a withdrawal to be effective, a written notice of withdrawal sent by telegram, facsimile transmission, with receipt confirmed by telephone, or letter must be received by the exchange agent at the address set forth in this prospectus prior to the expiration date. Any notice of withdrawal must:

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

specify the name of the person having tendered the old notes to be withdrawn;

identify the old notes to be withdrawn, including the certificate number or numbers and principal amount of such old notes;

specify the principal amount of old notes to be withdrawn;

include a statement that the holder is withdrawing his election to have the old notes exchanged;

be signed by the holder in the same manner as the original signature on the letter of transmittal by which the old notes were tendered or as otherwise described above, including any required signature guarantees, or be accompanied by documents of transfer sufficient to have the trustee under the indenture register the transfer of the old notes into the name of the person withdrawing the tender; and

specify the name in which any such old notes are to be registered, if different from that of the person who tendered the old notes.

The exchange agent will return the properly withdrawn old notes promptly following receipt of the notice of withdrawal. If old notes have been tendered pursuant to the procedure for book-entry transfer, any notice of withdrawal must specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn old notes or otherwise comply with the book-entry transfer facility procedure. All questions as to the validity of notices of withdrawals, including time of receipt, will be determined by us and our determination will be final and binding on all parties.

Any old notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any old notes which have been tendered for exchange but which are not exchanged for any reason will be returned to the holder without cost to the holder. In the case of old notes tendered by book-entry transfer into the exchange agent's account at the book-entry transfer facility pursuant to the book-entry transfer procedures described above, the old notes will be credited to an account with the book-entry transfer facility specified by the holder. In either case, the old notes will be returned as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn old notes may be retendered by following one of the procedures described in this section under the subheading "Procedures for Tendering Old Notes" at any time prior to the expiration date.

Acceptance of Old Notes for Exchange; Delivery of Exchange Notes

Upon satisfaction or waiver of all of the conditions to the exchange offer, we will accept, on the expiration date, all old notes properly tendered and will issue the exchange notes promptly after such acceptance. See the discussion in this section under the subheading "Certain Conditions to the Exchange Offer" for more detailed information. For purposes of the exchange offer, we will be deemed to have accepted properly tendered old notes for exchange when, and if, we have given oral or written notice of our acceptance to the exchange agent.

For each old note accepted for exchange, the holder of the old note will receive an exchange note having a principal amount equal to that of the surrendered old note.

In all cases, issuance of exchange notes for old notes that are accepted for exchange pursuant to the exchange offer will be made only after:

timely receipt by the exchange agent of certificates for the old notes or a timely book-entry confirmation of the old notes into the exchange agent's account at the book-entry transfer facility;

a properly completed and duly executed letter of transmittal, or a properly transmitted agent's message; and

timely receipt by the exchange agent of all other required documents.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

If any tendered old notes are not accepted for any reason described in the terms and conditions of the exchange offer or if old notes are submitted for a greater principal amount than the holder desires to exchange, the unaccepted or nonexchanged old notes will be returned without expense to the tendering holder of the old notes. In the case of old notes tendered by book-entry transfer into the exchange agent's account at the book-entry transfer facility pursuant to the book-entry transfer procedures described above, the non-exchanged old notes will be credited to an account maintained with the book-entry transfer facility. In either case, the old notes will be returned as promptly as practicable after the expiration of the exchange offer.

Certain Conditions to the Exchange Offer

Notwithstanding any other provision of the exchange offer, or any extension of the exchange offer, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any old notes and may terminate or amend the exchange offer, by oral or written notice to the exchange agent or by a timely press release, if at any time before the acceptance of the old notes for exchange or the exchange of the exchange notes for such old notes, any of the following conditions exist:

any action or proceeding is instituted or threatened in any court or by or before any governmental agency with respect to the exchange offer which, in our judgment would reasonably be expected to impair our ability to proceed with the exchange offer; or

the exchange offer, or the making of any exchange by a holder, violates applicable law or any applicable interpretation of the staff of the Commission.

Regardless of whether any of the conditions has occurred, we may amend the exchange offer in any manner which, in our good faith judgment, is advantageous to holders of the old notes.

The conditions described above are for our sole benefit and may be asserted by us regardless of the circumstances giving rise to the condition or we may waive any condition in whole or in part at any time and from time to time in our sole discretion. Our failure at any time to exercise any of the rights described above will not be deemed a waiver of the right and each right will be deemed an ongoing right which we may assert at any time and from time to time.

If we waive or amend the conditions above, we will, if required by law, extend the exchange offer for a minimum of five business days from the date that we first give notice, by public announcement or otherwise, of the waiver or amendment, if the exchange offer would otherwise expire within the five business-day period. Any determination by us concerning the events described above will be final and binding upon all parties.

The exchange offer is not conditioned upon any minimum principal amount of old notes being tendered.

Solicitation of Tenders; Fees and Expenses

We have not retained any dealer-manager in connection with the exchange offer and will not make any payments to brokers, dealers or others soliciting acceptances of the exchange offer. We, however, will pay the exchange agent reasonable and customary fees for its services and will reimburse it for its reasonable out-of-pocket expenses in connection therewith. We will also pay brokerage houses and other custodians, nominees and fiduciaries the reasonable out-of-pocket expenses incurred by them in forwarding copies of this and other related documents to the beneficial owners of the old notes and in handling or forwarding tenders for their customers.

We will pay the estimated cash expenses to be incurred in connection with the exchange offer. We estimate the expenses to be approximately \$125,000, which includes fees and expenses of the exchange agent and trustee, registration fees, and accounting, legal, printing and related fees and expenses.

No person has been authorized to give any information or to make any representations in connection with the exchange offer other than those contained in this prospectus. If given or made, such information or representations should not be relied upon as having been authorized by us. Neither the delivery of this prospectus nor any exchange made pursuant to this prospectus, under any circumstances, creates any implication that there has been no change in our affairs since the respective dates as of which information is given in this prospectus. The exchange offer is not being made to, and tenders will not be accepted from or on behalf of, holders of old notes in any jurisdiction in which the making of the exchange offer or the acceptance of the exchange offer would not be in compliance with the laws of the jurisdiction. However, we may, at our discretion, take such action as we may deem necessary to make the exchange offer in the jurisdiction and extend the exchange offer to holders of old notes in the jurisdiction. In any jurisdiction the securities laws or blue sky laws of which require the exchange offer to be made by a licensed broker or dealer, the exchange offer is being made on our behalf by one or more registered brokers or dealers which are licensed under the laws of the jurisdiction.

38

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of old notes pursuant to the exchange offer. However, the transfer taxes will be payable by the tendering holder if:

certificates representing exchange notes or old notes for principal amounts not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, any person other than the registered holder of the old notes tendered; or

tendered old notes are registered in the name of any person other than the person signing the letter of transmittal; or

a transfer tax is imposed for any reason other than the exchange of old notes pursuant to the exchange offer.

We will bill the amount of the transfer taxes directly to the tendering holder if satisfactory evidence of payment of the taxes or exemption therefrom is not submitted with the letter of transmittal.

Accounting Treatment

For accounting purposes, we will not recognize gain or loss upon the exchange of the exchange notes for old notes. We will amortize expenses incurred in connection with the issuance of the exchange notes over the term of the exchange notes.

Consequences Of Failure To Exchange

Holders of old notes who do not exchange their old notes for exchange notes pursuant to the exchange offer will continue to be subject to the restrictions on transfer of the old notes as described in the legend on the old notes. Old notes not exchanged pursuant to the exchange offer will continue to remain outstanding in accordance with their terms. In general, the old notes may not be offered or sold unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities

laws. We do not currently anticipate that we will register the old notes under the Securities Act.

Participation in the exchange offer is voluntary, and holders of old notes should carefully consider whether to participate. Holders of old notes are urged to consult their financial and tax advisors in making their own decision on what action to take.

As a result of the making of, and upon acceptance for exchange of all validly tendered old notes pursuant to the terms of, this exchange offer, we will have fulfilled a covenant contained in the registration rights agreement. Holders of old notes who do not tender their old notes in the exchange offer will continue to hold the old notes and will be entitled to all the rights and limitations applicable to the old notes under the indenture, except for any rights under the registration rights agreement that by their terms terminate or cease to have further effectiveness as a result of the making of this exchange offer. All untendered old notes will continue to be subject to the restrictions on transfer described in the indenture. To the extent that old notes are tendered and accepted in the exchange offer, the trading market for untendered old notes could be adversely affected.

We may in the future seek to acquire, subject to the terms of the indenture, untendered old notes in open market or privately negotiated transactions, through subsequent exchange offers or otherwise. We have no present plan to acquire any old notes which are not tendered in the exchange offer.

Resale of Exchange Notes

We are making the exchange offer in reliance on the position of the staff of the Commission as set forth in interpretive letters addressed to third parties in other transactions. However, we have not

39

sought our own interpretive letter and we can provide no assurance that the staff would make a similar determination with respect to the exchange offer as it has in such interpretive letters to third parties. Based on these interpretations by the staff, we believe that the exchange notes issued pursuant to the exchange offer in exchange for old notes may be offered for resale, resold and otherwise transferred by a holder, other than any holder who is a broker-dealer or an "affiliate" of ours within the meaning of Rule 405 of the Securities Act, without further compliance with the registration and prospectus delivery requirements of the Securities Act, provided that:

the exchange notes are acquired in the ordinary course of the holder's business; and

the holder is not participating, and has no arrangement or understanding with any person to participate, in a distribution of the exchange notes.

However, any holder who is:

an "affiliate" of ours;

who has an arrangement or understanding with respect to the distribution of the exchange notes to be acquired pursuant to the exchange offer; or

any broker-dealer who purchased old notes from us to resell pursuant to Rule 144A or any other available exemption under the Securities Act,

could not rely on the applicable interpretations of the staff and must comply with the registration and prospectus delivery requirements of the Securities Act. A broker-dealer who holds old notes that were acquired for its own account as a result of market-making or other trading activities may be deemed to be an "underwriter" within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of exchange notes. Each such broker-dealer that receives exchange notes for its own account in exchange for old notes, where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities, must acknowledge, as provided in the letter of transmittal, that it will deliver a prospectus in connection with any resale of such exchange notes. For more detailed information, see the section "Plan of Distribution" in this prospectus.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

In addition, to comply with the securities laws of various jurisdictions, if applicable, the exchange notes may not be offered or sold unless they have been registered or qualified for sale in the jurisdiction or an exemption from registration or qualification is available and is complied with. We have agreed, pursuant to the registration rights agreement and subject to specified limitations therein, to register or qualify the exchange notes for offer or sale under the securities or blue sky laws of the jurisdictions as any holder of the exchange notes reasonably requests. The registration or qualification may require the imposition of restrictions or conditions, including suitability requirements for offerees or purchasers, in connection with the offer or sale of any exchange notes.

Shelf Registration Statement

If:

any changes in law or the applicable interpretations of the staff of the Commission do not permit us to effect the exchange offer; or

for any reason the exchange offer is not completed within 180 days following the date of original issuance of the old notes; or

any holder of the old notes, other than the initial purchasers, is not eligible to participate in the exchange offer; or

upon the request of any initial purchaser under specified circumstances,

40

we will, at our cost:

as promptly as practicable, file the shelf registration statement covering resales of the old notes;

use our best efforts to cause the shelf registration statement to be declared effective under the Securities Act within 90 days after the shelf registration statement is filed with the Commission; and

use our best efforts to keep the shelf registration statement effective until two years after its effective date or until one year after the effective date if the shelf registration statement is filed at the request of any initial purchaser.

We will, in the event of the filing of a shelf registration statement, provide to each holder of the old notes copies of the prospectus which is a part of the shelf registration statement, notify each holder when the shelf registration statement for the old notes has become effective and take other actions as are required to permit unrestricted resales of the old notes. A holder of old notes that sells the old notes pursuant to the shelf registration statement generally:

will be required to be named as a selling securityholder in the related prospectus and to deliver a prospectus to purchasers;

will be subject to some of the civil liability provisions under the Securities Act in connection with the sales; and

will be bound by the provisions of the registration rights agreement which are applicable to the holder, including specified indemnification obligations.

In addition, each holder of the old notes will be required to deliver information to be used in connection with the shelf registration statement and to provide comments on the shelf registration statement within the time periods specified in the registration rights agreement in order to have their old notes included in the shelf registration statement and to benefit from the provisions regarding liquidated damages described below.

Liquidated Damages

The registration rights agreement states that if:

- (a) the exchange offer registration statement is not filed with the Commission on or prior to the 90th calendar day following the date of original issuance of the old notes;
- (b) the exchange offer registration statement is not declared effective on or prior to the 150th calendar day following the date of original issuance of the old notes; or
- (c) the exchange offer is not completed or a shelf registration statement is not declared effective, in either case, on or prior to the 180th calendar day following the date of original issuance of the old notes,

the interest rate borne by the old notes will increase by 0.25% per year upon the occurrence of any of the events described in (a) through (c) above, each of which will constitute a registration default. The interest rate will continue to increase by 0.25% each 90-day period that a registration default continues, provided that the maximum aggregate increase in the interest rate will in no event exceed one percent (1%) per year. We refer to this increase in the interest rate on the old notes as "Additional Interest." Following the cure of all registration defaults, the accrual of Additional Interest will cease and the interest rate will revert to the original rate. The registration statement of which this prospectus is a part was filed within the 90-day period specified in (a) above.

DESCRIPTION OF THE EXCHANGE NOTES

You can find the definitions of certain terms used in this description under the subheading "Certain Definitions." In this description, the word "Mandalay" refers only to Mandalay Resort Group and not to any of its subsidiaries. The term "exchange notes" refers to the 6¹/₂% Senior Notes due 2009 offered by this prospectus. The term "notes" refers to the old notes and the exchange notes collectively.

Mandalay will issue the 6¹/₂% senior notes due 2009 under an indenture between itself and The Bank of New York, as trustee. The terms of the exchange notes include those stated in the indenture and those made part of the indenture by reference to the Trust Indenture Act of 1939.

The following description is a summary of the material provisions of the indenture. It does not restate the indenture in its entirety. We urge you to read the indenture because the indenture, and not this description, defines your rights as holders of the exchange notes. A copy of the indenture is included as an exhibit to the registration statement of which this prospectus is a part.

Ranking

The exchange notes will be:

unsecured general obligations of Mandalay;

equal in right of payment to all existing and future unsecured senior Debt of Mandalay; and

senior in right of payment to all existing and future subordinated Debt of Mandalay.

The exchange notes will effectively rank junior to all secured Debt of Mandalay and to all liabilities of Mandalay's subsidiaries, including trade payables.

As of July 31, 2003, Mandalay's subsidiaries had approximately \$638.8 million of liabilities which would effectively rank senior to the exchange notes. Mandalay also has secured Debt consisting of \$145 million borrowed under an equipment financing agreement which we entered into on June 30, 2003, that will effectively rank senior to the notes, and we are permitted to borrow up to an additional \$105 million of

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

secured Debt under this equipment financing agreement subject to some conditions on or before December 31, 2003. The indenture will permit Mandalay and its subsidiaries to incur additional Debt.

Principal, Maturity and Interest

The indenture provides for the issuance by Mandalay of notes with an unlimited aggregate principal amount, including the currently outstanding \$250 million principal amount of notes. Mandalay will issue the exchange notes in denominations of \$1,000 and integral multiples of \$1,000. The exchange notes will mature on July 31, 2009. Additional notes may be issued from time to time.

Interest on the exchange notes accrues at the annual rate of 6½%. Interest is payable on the notes semiannually in arrears on January 31 and July 31, beginning on January 31, 2004. Mandalay will make each interest payment to the holders of record of the exchange notes on the immediately preceding January 15 and July 15.

Interest on the notes accrues from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

Optional Redemption

Except as provided below, or as permitted by a requirement of a gaming regulatory authority, as described under "Mandatory Disposition Pursuant to Gaming Laws," below, Mandalay may not redeem the notes prior to maturity. Prior to maturity, upon not less than 30 nor more than 60 days' notice, Mandalay may redeem the notes in whole but not in part at a redemption price equal to 100% of the principal amount of the notes plus the Make-Whole Premium, together with accrued and unpaid interest thereon, if any, to the applicable redemption date.

42

"*Make-Whole Premium*" means, with respect to any note at any redemption date, the excess, if any, of (a) the present value of the sum of the principal amount that would be payable on such note at maturity and all remaining interest payments (not including any portion of such payments of interest accrued as of the redemption date) to and including July 31, 2009 discounted on a semi-annual bond equivalent basis from July 31, 2009 to the redemption date at a per annum interest rate equal to the sum of the Treasury Yield (determined on the business day immediately preceding the date of such redemption), plus 50 basis points, over (b) the principal amount of the note being redeemed.

"*Treasury Yield*" means the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled by and published in the most recent Federal Reserve Statistical Release H.15 (519) which has become publicly available at least two business days prior to the date fixed for redemption (or, if such Statistical Release is no longer published, any publicly available source of similar data)) most nearly equal to the then remaining average life of the notes, provided that if the average life of the notes is not equal to the constant maturity of a United States Treasury security for which a weekly average yield is given, the Treasury yield shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the average life of the notes is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

Selection and Notice

In the case of a partial redemption, selection of the notes for redemption will be made pro rata, by lot or such other method as the trustee in its sole discretion deems appropriate and just. No notes of a principal amount of \$1,000 or less will be redeemed in part. If any note is to be redeemed in part only, the notice of redemption that relates to that note will state the portion of the principal amount of the note to be redeemed. A new note in a principal amount equal to the unredeemed portion of the note will be issued in the name of the holder of the note upon surrender for cancellation of the original note. Notices of redemption will be mailed at least 30 but not more than 60 days before the redemption date to each holder of notes to be redeemed at its registered address. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on notes called for redemption unless Mandalay defaults in providing the funds for the redemption and the notes will no longer be outstanding.

Mandatory Redemption

Mandalay is not required to make any mandatory sinking fund payments with respect to the notes.

Mandatory Disposition Pursuant to Gaming Laws

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Each holder or beneficial owner of an exchange note, by accepting an exchange note or a beneficial interest in an exchange note, is deemed to have agreed that if the gaming authority of any jurisdiction in which Mandalay or any of its subsidiaries (or any joint venture in which we or any of our subsidiaries is a participant) now or hereafter conducts or proposes to conduct gaming requires that a person who is a holder or the beneficial owner of exchange notes be registered, licensed, qualified or found suitable, or comply with any other requirement, under applicable gaming laws, the holder or beneficial owner, as the case may be, will register or apply for a license, qualification or a finding of suitability, or comply with any other requirement, within the required time period. If the person fails to

43

apply to be, or fails to become, registered, licensed or qualified or is found unsuitable or fails to comply with any other requirement of a gaming authority, Mandalay will have the right, at its option:

to require the person to dispose of its exchange notes or beneficial interest in the exchange notes within 30 days of receipt of notice of Mandalay's election or any earlier date that the gaming authority may request or prescribe; or

to redeem the exchange notes (possibly within less than 30 days following the notice of redemption if requested or prescribed by the gaming authority) at a redemption price equal to the lesser of:

the person's cost;

100% of the principal amount of the exchange notes, plus accrued and unpaid interest, if any, to the redemption date or the date of any failure to comply, whichever is earlier; and

any other amount as may be required by applicable law or by order of any gaming authority.

Mandalay will notify the trustee in writing of any redemption under these circumstances as soon as practicable. Mandalay will not be responsible for any costs or expenses any holder may incur in connection with its application for a license, qualification or a finding of suitability.

Immediately upon the imposition by any gaming authority of a finding that any holder or beneficial owner dispose of the exchange notes, that holder or beneficial owner will have no further right:

to exercise, directly or indirectly, through any trustee, nominee or any other person or entity, any right conferred by the exchange notes; or

to receive any interest, dividends or any other distributions or payments with respect to the exchange notes, except the redemption price referred to above.

Additional Covenants of Mandalay

Limitation on Liens

Neither Mandalay nor any subsidiary will issue, assume or guarantee any Debt secured by a Lien upon any Consolidated Property without securing the exchange notes on an equal or ratable basis with (or prior to) the Debt secured by the Lien, for so long as the Debt shall be so secured; *provided, however*, that this limitation will not apply to:

- (a) Liens existing on the date of issuance of the notes;
- (b)

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Liens affecting property of a corporation or other entity existing at the time it becomes a subsidiary of Mandalay or at the time of acquisition through a merger, a consolidation or otherwise by Mandalay or any subsidiary;

- (c) Liens on property existing at the time of acquisition or incurred to secure payment of all or part of the purchase price or to secure Debt incurred prior to, at the time of, or within 24 months after the acquisition, for the purpose of financing all or part of the purchase price;
- (d) Liens on property to secure all or part of the cost of improvements or construction or Debt incurred to provide funds for that purpose in a principal amount not exceeding the cost of those improvements or construction;
- (e) Liens to secure Debt of a subsidiary to Mandalay or to a subsidiary of Mandalay;
- (f) Liens to secure Debt of Mandalay, the proceeds of which are used substantially simultaneously to retire Funded Debt;

44

- (g) purchase money security Liens on personal property;
- (h) Liens securing Debt of Mandalay, the proceeds of which are used within 24 months for the Project Cost of the construction and development or improvement of a Resort Property;
- (i) Liens on the stock, partnership or other equity interest of Mandalay or any subsidiary in any Joint Venture or any subsidiary which owns an equity interest in the Joint Venture to secure Debt, provided the amount of the Debt is contributed and/or advanced solely to the Joint Venture;
- (j) Liens securing Debt under the Credit Facilities;
- (k) Liens to any government or governmental body, including the United States or any state, or any department, agency, instrumentality, or political subdivision of any such jurisdiction;
- (l) Liens required by any contract or statute in order to permit Mandalay or any subsidiary to perform any contract made by Mandalay or any subsidiary with or at the request of a governmental entity including the United States or any state, or any department, agency, instrumentality or political subdivision of any such jurisdiction;
- (m) mechanic's, materialman's, carrier's or other like Liens, arising in the ordinary course of business;
- (n) Liens for taxes and assessments and similar charges either (i) not delinquent or (ii) contested in good faith by appropriate proceedings and to which Mandalay or a subsidiary shall have set aside adequate reserves on its books;
- (o) zoning restrictions, easements, licenses, covenants, reservations, restrictions on the use of real property and minor irregularities of title incident thereto which do not in the aggregate materially detract from the value of the property or assets of Mandalay and its subsidiaries taken as a whole or impair the use of such property in the operation of Mandalay's or any of its subsidiary's business; and
- (p) any extension, renewal, replacement or refinancing of any Lien referred to in the foregoing clauses (a) through (j) inclusive or of any Debt secured thereby; *provided* that the principal amount of Debt secured thereby shall not exceed the principal

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

amount of Debt so secured at the time of such extension, renewal, replacement or refinancing, and that such extension, renewal, replacement or refinancing Lien shall be limited to all or part of substantially the same property which secured the Lien extended, renewed, replaced or refinanced (plus improvements on such property).

Notwithstanding the foregoing, Mandalay and any of its subsidiaries may, without securing the exchange notes, issue, assume or guarantee Debt which would otherwise be subject to the foregoing restrictions in an aggregate principal amount which, together with all other such Debt of Mandalay and its subsidiaries would otherwise be subject to the foregoing restrictions (not including Debt permitted to be secured under clauses (a) through (j) inclusive above) and the aggregate Value of Sale and Lease-Back Transactions (other than those in connection with which Mandalay has voluntarily retired Funded Debt) does not at any one time exceed 15% of Consolidated Net Tangible Assets of Mandalay and its subsidiaries.

Limitation on Sale and Lease-Back Transactions

Neither Mandalay nor any subsidiary will enter into any arrangement with any Person (other than Mandalay or a subsidiary of Mandalay), or to which any such Person is a party providing for the lease to Mandalay or a subsidiary for a period of more than three years of any Consolidated Property that has been or is to be sold or transferred by Mandalay or any subsidiary to that Person or to any other Person (other than Mandalay or a subsidiary), to which funds have been or are to be advanced by that

45

Person or other Person on the security of the leased property ("Sale and Lease-Back Transaction"), unless either:

Mandalay or the subsidiary would be entitled, pursuant to the provisions described in clauses (a) through (p) under " Limitation on Liens" above, to create, assume or suffer to exist a Lien on the property to be leased without equally and ratably securing the exchange notes, or

an amount equal to the Value of such Sale and Lease-Back Transaction (subject to credits for certain voluntary retirements of Funded Debt) is applied within 120 days to the retirement or other discharge of the notes or Funded Debt.

Merger, Consolidation, or Sale of Assets

Mandalay may not: (a) consolidate or merge with or into another Person; or (b) sell, assign, transfer or convey its properties and assets substantially in their entirety to any Person, unless:

either: (A) Mandalay is the surviving entity; or (B) the successor is an entity organized or existing under the laws of the United States, any state thereof or the District of Columbia;

the Person formed by or surviving the consolidation or merger (if other than Mandalay) or the Person to which the sale, assignment, transfer or conveyance shall have been made assumes all the obligations of Mandalay under the notes and the indenture; and

immediately after the transaction no Default or Event of Default exists.

Unless Mandalay is the surviving entity, all of Mandalay's obligations will terminate.

This "Merger, Consolidation or Sale of Assets" covenant will not apply to, and Mandalay will not be released from its obligations under the exchange notes and the indenture in the event of, a sale, assignment, transfer, conveyance or other disposition of properties or assets solely between or among Mandalay and any of its subsidiaries.

Change of Control

In the event of a Change of Control (the date of such occurrence being the "Change of Control Date"), Mandalay will notify the holders in writing of such occurrence and will make an offer to purchase (the "Change of Control Offer"), on a business day (the "Change of Control Payment Date") not later than 30 days following the Change of Control Date, all notes then outstanding at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the Change of Control Payment Date. Notice of a Change of Control Offer shall be mailed by Mandalay to the holders not less than 30 days nor more than 45 days before the Change of Control Payment Date. The Change of Control Offer is required to remain open for at least 20 business days and until the close of business on the Change of Control Payment Date. It is anticipated that a Change of Control will constitute an event of default under the Credit Facilities, which will allow the lenders to accelerate their loans and to require Mandalay to prepay all of its obligations under the Credit Facilities.

Mandalay shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act, and any other applicable securities laws or regulations and any applicable requirements of any securities exchange on which the notes are listed, in connection with the repurchase of notes pursuant to a Change of Control Offer, and any violation of the provisions of the indenture relating to such Change of Control Offer occurring as a result of such compliance shall not be deemed a Default under the indenture. Neither the Board of Directors nor the Trustee may waive Mandalay's obligations to repurchase the notes upon a Change of Control.

Gaming Approvals

Restrictions on the transfer of the equity securities of Mandalay's licensed Nevada subsidiaries, and agreements not to encumber these equity securities, in each case in respect of the old notes, require the prior approval of the Nevada Gaming Commission, upon the recommendation of the Nevada State Gaming Control Board, in order to become effective. This approval is required only in respect of such restrictions and agreements contained in indentures for notes that have not been registered under the Securities Act. Similar approvals must be obtained from the Mississippi Gaming Commission with respect to these restrictions, whether securities are issued in a private placement or a public offering, although the Mississippi Gaming Commission has granted Mandalay's licensed Mississippi subsidiary a waiver of such approvals through January 16, 2004 so that only notification is required.

Events of Default and Remedies

Each of the following is an Event of Default:

- (i) failure to pay any interest upon the notes when it becomes due and payable, and continuance of this default for a period of 30 days;
- (ii) failure to pay principal of or premium, if any, on the notes when due, at maturity, upon redemption, pursuant to an offer to purchase required under the indenture, pursuant to the Change of Control provisions or otherwise by acceleration or otherwise;
- (iii) failure to comply with its obligations described under "Change of Control";
- (iv) failure to perform, or breach of, any covenant of Mandalay in the indenture (other than the covenant relating to corporate existence and the article relating to successor corporations which are immediate Events of Defaults) that continues for a period of 30 days after notice to Mandalay;
- (v) the occurrence of an event of default under any instrument evidencing Debt of Mandalay or its subsidiaries entitling the holder or holders of the Debt to accelerate the payment of a total principal amount of \$10,000,000 or more of the Debt, which event of default is not cured or waived in accordance with the provisions of such instrument, or the Debt is not discharged, within 30 days after the receipt by Mandalay of notice from the trustee or the holders of 25% in principal amount of the then outstanding notes of the event of default and requiring Mandalay to cause the event of default to be cured or the Debt to be discharged; and
- (vi) certain events of bankruptcy, insolvency or reorganization in respect of Mandalay.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

If any Event of Default (other than as specified in clause (vi) of the preceding paragraph) occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the then outstanding notes may, by giving notice to Mandalay, declare all the notes to be due and payable immediately (but in no event more than the maximum amount of principal and interest on the notes allowed by law). Notwithstanding the foregoing, in case of an Event of Default arising from the events specified in clause (vi) of the preceding paragraph, the principal of, premium, if any, and any accrued and unpaid interest on all outstanding notes shall become immediately due and payable without further action or notice. Any declaration of acceleration may be rescinded by the holders of a majority in principal amount of the notes outstanding at that time if, among other conditions, all existing Events of Default relating to the notes have been cured or waived and if the rescission would not conflict with any judgment or decree.

Holders of the exchange notes may not enforce the indenture or the exchange notes except as provided in the indenture. Subject to certain limitations, holders of a majority in aggregate principal amount of the then outstanding notes may direct the trustee in its exercise of any trust or power. The trustee may withhold from holders of the notes notice of any continuing Default or Event of Default

47

(except a Default or Event of Default relating to the payment of principal or interest) if it determines in good faith that withholding notice is in their interest.

The holders of a majority in aggregate principal amount of the notes then outstanding by notice to the trustee may on behalf of the holders of all of the notes waive any existing Default or Event of Default and its consequences under the indenture except a continuing Default or Event of Default in the payment of interest on, or the principal of, the notes.

Mandalay is required to deliver to the trustee annually a statement regarding compliance with the indenture. Upon becoming aware of any Default or Event of Default, Mandalay is required to deliver to the trustee a statement specifying the Default or Event of Default.

Amendment, Supplement and Waiver

Mandalay and the trustee may amend any provisions of the indenture or the notes with the consent of the holders of at least a majority in principal amount of the notes then outstanding. The holders of a majority in principal amount of the notes may waive compliance by Mandalay with any such provision; *provided, however*, that without the consent of each holder affected, an amendment or waiver may not (with respect to any notes held by a non-consenting holder):

reduce the amount of the notes whose holders must consent to an amendment, supplement or waiver;

reduce the rate of, or extend the time for payment of interest on, any note in a manner adverse to the holders;

reduce the principal of, or extend the fixed maturity or fixed redemption date of any note, in a manner adverse to the holders;

waive a default in the principal of, or interest on, any note;

waive a default upon the occurrence of a Change of Control;

affect the ranking of the notes;

make any note payable in money other than that stated in the note; or

make any change relating to the percentage required for modification.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Notwithstanding the preceding, without the consent of any holder of notes, Mandalay and the trustee may amend or supplement the indenture or the notes:

to cure any ambiguity, defect or inconsistency;

to provide for the assumption of Mandalay's obligations to holders of notes in the case of a merger or consolidation or sale of assets in accordance with the covenant "Merger, Consolidation, or Sale of Assets;"

to provide for uncertificated notes in addition to or in place of certificated notes;

to comply with any requirements of the Securities and Exchange Commission in order to effect or maintain the qualification of the indenture under the Trust Indenture Act; or

to make any change that would not adversely affect the legal rights under the indenture of any such holder of notes.

No Personal Liability of Directors, Officers, Employees and Stockholders

No past, present or future director, officer, employee, incorporator or stockholder of Mandalay, as such, shall have any liability for any obligations of Mandalay or any successor entity or any of

48

Mandalay's Affiliates under the notes or the indenture, or for any claim based on, in respect of, or by reason of, those obligations or their creation. Each holder of exchange notes by accepting an exchange note will waive and release all such liability. The waiver and release are part of the consideration for issuance of the exchange notes. The waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the Securities and Exchange Commission that such a waiver is against public policy.

Reports

So long as any notes are outstanding, Mandalay will file with the trustee, and mail to holders of outstanding notes, all reports it mails or causes to be mailed to its stockholders generally, any of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 or Section 15(d) of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in these rules and regulations.

Legal Defeasance and Covenant Defeasance

Mandalay may elect to have all of its obligations discharged with respect to the outstanding notes ("Legal Defeasance") except for:

the rights of holders of outstanding notes to receive payments in respect of the principal of, premium, if any, and interest on their notes when these payments are due from the trust referred to below;

Mandalay's obligations with respect to the notes concerning issuing temporary notes, registration of notes, mutilated, destroyed, lost or stolen notes and the maintenance of an office or agency for payment and money for security payments held in trust;

the rights, powers, trusts, duties and immunities of the trustee, and Mandalay's obligations in connection therewith; and

the Legal Defeasance provisions of the indenture.

In addition, Mandalay may, at its option, elect to have the obligations of Mandalay released with respect to certain covenants that are described in the indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants shall not constitute a Default or Event of Default with respect to the notes. If Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) described under "Events of Default" will no longer constitute an Event of Default with respect to the notes.

In order to exercise either Legal Defeasance or Covenant Defeasance, among other things:

Mandalay must irrevocably deposit with the trustee, in trust, for the benefit of the holders of the notes, cash in U.S. dollars, Government Obligations, or a combination of the two, in amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the outstanding notes on the stated maturity or on the applicable redemption date, as the case may be, and Mandalay must specify whether these notes are being defeased to maturity or to a particular redemption date;

Mandalay shall have delivered to the trustee an opinion of counsel in the United States reasonably acceptable to the trustee confirming that the holders of the outstanding notes will not recognize income, gain or loss for Federal income tax purposes as a result of the Legal Defeasance or the Covenant Defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Legal Defeasance or Covenant Defeasance had not occurred;

49

no Default or Event of Default shall have occurred and be continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to the deposit) and with respect to Legal Defeasance only, insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time during the period ending on the 91st day after the date of deposit;

the Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under the terms of the indenture; and

Mandalay must deliver to the trustee an Officers' Certificate stating that all of the conditions listed above have been complied with.

Book-Entry; Delivery and Form

The exchange notes will be issued in the form of one or more global notes. The global notes will be deposited with, or on behalf of, The Depository Trust Company ("DTC") and registered in the name of DTC or its nominee, who will be the global notes holder. Except as described below, the global notes may be transferred, in whole and not in part, only to DTC or another nominee of DTC. Investors may hold their beneficial interests in the global notes directly through DTC if they are participating organizations or "participants" in the system or indirectly through organizations that are participants in the system.

Depository Procedures

DTC has advised Mandalay that DTC is a limited-purpose trust company that was created to hold securities for its participants and to facilitate the clearance and settlement of transactions in these securities between participants through electronic book-entry changes in accounts of its participants. The participants include securities brokers and dealers (including the initial purchasers), banks and trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies, which we refer to as "indirect participants," that clear through or maintain a custodial relationship with a participant, either directly or indirectly. Persons who are not participants may beneficially own securities held by or on behalf of DTC only through the participants or the indirect participants.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

Mandalay expects that pursuant to procedures established by DTC:

upon deposit of the global notes, DTC will credit the accounts of participants designated by the initial purchasers with portions of the principal amount of the global notes; and

ownership of the notes evidenced by the global notes will be shown on, and the transfer of ownership of the notes will be effected only through, records maintained by DTC (with respect to the interests of the participants), the participants and the indirect participants.

Prospective purchasers are advised that the laws of some states require that certain persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer notes evidenced by the global notes will be limited to that extent.

So long as the global notes holder is the registered owner of any notes, the global notes holder will be considered the sole holder under the indenture of any notes evidenced by the global notes. Beneficial owners of notes evidenced by the global notes will not be considered the owners or holders of the notes under the indentures for any purpose, including with respect to the giving of any directions, instructions or approvals to the trustee thereunder. Neither Mandalay nor the applicable trustee will have any responsibility or liability for any aspect of the records of DTC or for maintaining, supervising or reviewing any records of DTC relating to the notes.

50

Payments in respect of the principal of, premium, if any, interest and Additional Interest (as defined under "Exchange Offer; Registration Rights"), if any, on any notes registered in the name of the global notes holder on the applicable record date will be payable by the trustee to or at the direction of the global notes holder in its capacity as the registered holder under the indenture. Under the terms of the indenture, Mandalay and the trustee may treat the persons in whose names notes, including the global notes, are registered as the owners of the notes for the purpose of receiving any payments. Consequently, neither Mandalay nor the trustee has or will have any responsibility or liability for the payment of these amounts to beneficial owners of notes. Mandalay believes, however, that it is currently the policy of DTC to immediately credit the accounts of the relevant participants with these payments, in amounts proportionate to their respective holdings of beneficial interests in the relevant security as shown on the records of DTC. Payments by the participants and the indirect participants to the beneficial owners of notes will be governed by standing instructions and customary practice and will be the responsibility of the participants or the indirect participants.

Certificated Securities

Any person having a beneficial interest in a global note will not be entitled to receive physical delivery of the notes. However, if:

Mandalay notifies the trustee in writing that DTC is no longer willing or able to act as a depository and Mandalay is unable to locate a qualified successor within 90 days, Mandalay will issue notes in such form in exchange for the global notes, or

Mandalay, at its option, notifies the trustee in writing that it elects to cause the issuance of notes in the form of certificated securities under the indenture, then, upon surrender by the global notes holder of its global notes, notes in such form will be issued to each person that the global notes holder and DTC identify as being the beneficial owner of the related notes.

Neither Mandalay nor the trustee will be liable for any delay by the global notes holder or DTC in identifying the beneficial owners of notes and Mandalay and the trustee may conclusively rely on, and will be protected in relying on, instructions from the global notes holder or DTC for all purposes.

Same-Day Settlement and Payment

The indenture will require that payments in respect of the notes represented by the global notes (including principal, premium, if any, interest and Additional Interest, if any) be made to the accounts specified by the global notes holder. With respect to certificated securities, Mandalay will make all payments of principal premium, if any, interest and Additional Interest, if any, to the accounts specified by the holders of the notes or, if no account is specified, by mailing a check to each such holder's registered address.

Paying Agent and Registrar for the Notes

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

The trustee will initially act as paying agent and registrar for the exchange notes. Mandalay may change the paying agent or registrar without prior notice to the holders of the exchange notes, and Mandalay or any of its subsidiaries may act as paying agent, registrar or co-registrar.

Transfer and Exchange

A holder may transfer or exchange notes in accordance with the indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents and Mandalay may require a holder to pay any taxes and fees required by law or permitted by the indenture. Mandalay is not required to transfer or exchange any note selected for redemption.

51

Also, Mandalay is not required to transfer or exchange any note for a period of 15 days before a selection of notes to be redeemed.

The registered holder of an exchange note will be treated as the owner of it for all purposes.

Concerning the Trustee

The Bank of New York is the trustee under the indenture. If the trustee becomes a creditor of Mandalay, the indenture limits its right to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee is permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate the conflict within 90 days, apply to the Securities and Exchange Commission for permission to continue or resign.

The holders of a majority in total principal amount of the then outstanding notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The indenture provides that in case an Event of Default shall occur and be continuing and is known to the trustee, the trustee is required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to these provisions, the trustee is under no obligation to exercise any of its rights or powers under the indenture at the request of any holder of notes, unless the holder offers to the trustee security and indemnity satisfactory to it against any loss, liability or expense.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES OF THE EXCHANGE

The following is a discussion of the material federal income tax considerations relevant to the exchange of the old notes for the exchange notes. The discussion is based upon the Internal Revenue Code of 1986, as amended, applicable Treasury regulations, judicial authority and administrative rulings and practice. We cannot assure you that the Internal Revenue Service (the "Service") will not take a contrary view, and no ruling from the Service has been or will be sought. Legislative, judicial or administrative changes or interpretations may be forthcoming that could alter or modify the statements and conclusions set forth herein. Any such changes or interpretations may or may not be retroactive and could affect the tax consequences to holders. Certain holders (including, without limitation, insurance companies, tax-exempt organizations, financial institutions, broker-dealers, persons holding notes as a part of a hedging or conversion transaction or a straddle, persons whose functional currency is not the U.S. dollar, and persons who are not citizens or residents of the United States or who are foreign corporations, foreign partnerships or foreign estates or trusts as to the United States) may be subject to special rules not discussed below. In addition, the discussion does not consider the effect of any applicable state, local, foreign or other tax laws.

Each holder should consult its own tax advisor as to the particular tax consequences of exchanging old notes for exchange notes, including the applicability and effect of any state, local or foreign tax laws.

Exchange of Old Notes for Exchange Notes

The exchange of the old notes for the exchange notes in the exchange offer will not be treated as an "exchange" for federal income tax purposes, because the old notes will not be considered to differ materially in kind or extent from the exchange notes. The holder will have a basis for the exchange notes equal to the basis of the old notes and the holder's holding period for the exchange notes will include the period during which the old notes were held. Accordingly, no material federal income tax consequences will result to holders on account of an exchange of old notes for exchange notes pursuant to the exchange offer.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. Broker-dealers may use this prospectus, as it may be amended or supplemented from time to time, in connection with the resale of exchange notes received in exchange for old notes where the broker-dealer acquired the old notes as a result of market-making activities or other trading activities. To the extent a broker-dealer participates in the exchange offer and so

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

notifies us, we have agreed to make this prospectus, as amended or supplemented, available to the broker-dealer for use in connection with any such resale for a period of 90 days after the expiration date of the exchange offer. Notwithstanding the foregoing, we are entitled under the registration rights agreement to suspend the use of this prospectus by broker-dealers under specific circumstances. For example, we may suspend the use of this prospectus if:

the Securities and Exchange Commission or any state securities authority requests an amendment or supplement to this prospectus or the related registration statement or additional information;

the Securities and Exchange Commission or any state securities authority issues any stop order suspending the effectiveness of the registration statement or initiates proceedings for that purpose;

we receive notification of the suspension of the qualification of the exchange notes for offer or sale in any jurisdiction or the initiation of any proceedings for that purpose;

an event occurs which makes any statement in this prospectus untrue in any material respect or which constitutes an omission to state a material fact in this prospectus; or

we reasonably determine that a post-effective amendment to the registration statement would be appropriate.

If we suspend the use of this prospectus, the 90-day period referred to above will be extended by a number of days equal to the period of suspension in accordance with the provision of the registration rights agreement. We will promptly send additional copies of this prospectus and any amendment or supplement to any broker-dealer that requests the documents in the letter of transmittal.

We will not receive any proceeds from any sale of exchange notes by broker-dealers or any other persons. Broker-dealers may sell exchange notes received by them for their own account pursuant to the exchange offer from time to time in one or more transactions:

in the over-the-counter market;

in negotiated transactions;

through the writing of options on the exchange notes; or

through a combination of the above methods of resale,

at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Broker-dealers may resell exchange notes directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer and/or the purchasers of the exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of the exchange notes may be deemed to be "underwriters" within the meaning of the Securities Act and any profit on any resale of exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it

will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

We have agreed to pay all expenses incident to the exchange offer, other than commissions and concessions of any broker-dealer. We estimate the expenses we will incur in connection with the exchange offer to be approximately \$125,000, which includes fees and expenses of the exchange agent and trustee, registration fees, and accounting, legal, printing and related fees and expenses. We also will provide indemnification against specified liabilities, including liabilities that may arise under the Securities Act, to broker-dealers that make a market in the old notes and exchange old notes in the exchange offer for exchange notes.

By its acceptance of the exchange offer, any broker-dealer that receives exchange notes pursuant to the exchange offer agrees to notify us before using the prospectus in connection with the sale or transfer of exchange notes. The broker-dealer further acknowledges and agrees that, upon receipt of notice from us of the happening of any event which:

makes any statement in the prospectus untrue in any material respect;

requires the making of any changes in the prospectus to make the statements in the prospectus not misleading; or

may impose upon us disclosure obligations that may have a material adverse effect on us,

which notice we agree to deliver promptly to the broker-dealer, the broker-dealer will suspend use of the prospectus until we have notified the broker-dealer that delivery of the prospectus may resume and have furnished copies of any amendment or supplement to the prospectus to the broker-dealer.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes that insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "Act"), may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(b) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into this prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. (c) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

II-2

(d) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Act if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

Edgar Filing: MANDALAY RESORT GROUP - Form S-4/A

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(e) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
