DEREGISTRATION OF SECURITIES

On May 2, 2001, Lattice Semiconductor Corporation (the "Company") filed a registration statement on Form S-3 (No. 333-59992) (the "Registration Statement") which registered for resale from time to time 228,973 shares of its common stock issued to former stockholders of Integrated Intellectual Property, Inc. ("I2P"), which was acquired by the Company on March 16, 2001. The Registration Statement was declared effective by the Securities and Exchange Commission (the "Commission") on May 18, 2001.

Based on the records of the Company's transfer agent, of the 228,973 shares registered under the Registration Statement, the selling stockholders resold an aggregate of 166,794 shares under the Registration Statement or Rule 144 of the Securities Act of 1933, as amended.

In accordance with the undertaking contained in the Registration Statement pursuant to item 512(a)(3) of Regulation S-K, the Company respectfully requests that the Commission remove from registration a total of 62,179 shares of its common stock that remain unsold under the Registration Statement. The Company is requesting the removal from registration of these shares as its obligation to maintain the effectiveness of the Registration Statement with respect to the shares pursuant to the registration rights agreements between the Company and former stockholders of I2P has expired.

Accordingly, the Company hereby de-registers 62,179 shares of its common stock registered pursuant to the Registration Statement remaining unsold thereunder.
