PROXY STATEMENT

Information Concerning Voting and Solicitation

This Proxy Statement is being furnished to you in connection with the solicitation by the Board of Directors of TROY Group, Inc., a Delaware corporation, of proxies to be used at the 2004 Annual Meeting of Stockholders to be held at the Embassy Suites Hotel, 1325 E. Dyer Road, Santa Ana, California, at 10:00 a.m., Pacific Time, on Monday, March 29, 2004 and any adjournments or postponements thereof. This Proxy Statement and the accompanying form of proxy card are being mailed to stockholders on or about March 4, 2004.

Appointment of Proxy Holders

Your Board of Directors asks you to appoint Patrick J. Dirk and Brian P. Dirk as your proxy holders to vote your shares at the 2004 Annual Meeting of Stockholders. You make this appointment by voting the enclosed proxy card using one of the voting methods described below.

If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by your Board.

Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters not known by your Board at the time this Proxy Statement was printed and which, under our Bylaws, may be properly presented for action at the Annual Meeting.

Who Can Vote

Only stockholders who owned shares of our common stock at the close of business on February 19, 2004, the record date for the Annual Meeting, can vote at the Annual Meeting. As of the close of business on February 19, 2004, we had 10,642,677 shares of common stock outstanding and entitled to vote. Each holder of common stock is entitled to one vote for each share held as of February 19, 2004. There is no cumulative voting in the election of directors.

How You Can Vote

You may vote your shares at the Annual Meeting either in person or by mail as described below. Stockholders holding shares through a bank or broker should follow the voting instructions on the form of proxy card received.

Voting by Mail. You may vote by proxy by dating, signing and returning your proxy card in the enclosed postage-paid envelope. Giving a proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person.

Voting at the Annual Meeting. The method by which you vote your proxy card will not limit your right to vote at the Annual Meeting, if you decide to attend in person. Your Board recommends that you vote by mail as it is not practical for most stockholders to attend the Annual Meeting. If you hold shares through a bank or broker, you must obtain a proxy, executed in your favor, from the bank or broker to be able to

vote at the Annual Meeting.

1

If you submit your proxy, but do not mark your voting preference, the proxy holders will vote your shares **FOR** the election of the nominees for director.

Revocation of Proxies

Stockholders can revoke their proxies at any time before they are exercised in any of three ways:

by voting in person at the Annual Meeting;

by submitting written notice of revocation to the Secretary prior to the Annual Meeting; or

by submitting another proxy of a later date that is properly executed.

Required Vote

Directors are elected by a plurality vote, which means that the five nominees receiving the most affirmative votes will be elected.

A quorum, which is a majority of the outstanding shares as of February 19, 2004, must be present to hold the Annual Meeting. A quorum is calculated based on the number of shares represented by the stockholders attending in person and by their proxy holders. If you indicate an abstention as your voting preference, your shares will be counted toward a quorum but they will not be voted on the matter.

Abstentions on any matters are treated as shares present or represented and entitled to vote on that matter and have the same effect as a vote against such matter.

If a broker indicates on the enclosed proxy card or its substitute that such broker does not have discretionary authority to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence of a quorum but will not be treated as shares entitled to vote on that matter.

Solicitation of Proxies

TROY will pay the cost of printing and mailing proxy materials. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and other employees by personal interview, telephone or facsimile. No additional compensation will be paid to these persons for solicitation. We will reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation materials to beneficial owners of our common stock.

IMPORTANT

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

Your Board of Directors recommends a vote FOR the election of the nominees set forth above as directors of the Company.

Other Information About Nominees

Board Meetings

Your Board of Directors held seven meetings during the year ended November 30, 2003. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which such director serves.

Committees of the Board of Directors

Your Board of Directors has a Compensation Committee and an Audit Committee. Each of these committees is comprised entirely of non-employee directors. Your Board does not have a Nominating Committee because under the Nasdaq Stock Market rules a controlled company is not required to establish this committee. According to the Nasdaq Stock Market rules, we are a controlled company because the Dirk family holds more than 50% of our outstanding shares of common stock.

<i>Members:</i>	Gene A. Bier, Chairman Lambert Gerhart
<i>Number of Meetings in 2003:</i>	Two

Audit Committee

<i>Number of Members:</i>	Three

<i>Number of Meetings in 2003:</i>	Six
<i>Functions:</i>	Oversee the integrity of our financial statements and our compliance with legal and regulatory reporting requirements. Appoint a firm of certified public accountants whose duty it is to audit our financial records for the fiscal year for which it is appointed. Evaluate the qualifications and independence of the independent auditors. Oversee the performance of our independent auditors. Determine the compensation and oversee the work of the independent auditors.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that our financial statements are complete and accurate and are prepared in accordance with generally accepted accounting principles. Management is responsible for preparing our financial statements, and the independent auditors are responsible for auditing those financial statements.

Directors' Compensation

Directors who are employees receive no separate compensation for their service as directors. Our non-employee directors receive \$10,000 per year, payable in quarterly installments, for attending meetings of our Board of Directors and the committees on which they serve. Non-employee directors are also reimbursed for travel expenses for attending Board and committee meetings.

Our 1998 Stock Incentive Plan provides for the grant of stock based awards to eligible key employees, officers and directors. On December 30, 2003, we granted Mr. Lambert Gerhart a ten-year option to purchase 10,000 shares of common stock at an exercise price of \$2.96 per share, the fair market value of the common stock on that date. This option is fully exercisable. Pursuant to the Plan, an option will, to the extent exercisable on termination of a director's service, remain exercisable for a period of three months after such termination of service of a director, except that, if termination of service is due to death, disability or retirement, an option will remain exercisable for a period of one year, but never beyond the option's original term. In the event of a change in control of TROY (as discussed more fully below under the heading "Employment, Severance and Change of Control Arrangements"), these options remain fully exercisable for the remainder of their respective terms.

Compensation Committee Interlocks and Insider Participation

Gene A. Bier and Lambert Gerhart serve as members of the Compensation Committee. No interlocking relationship exists between your Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity, nor has any interlocking relationship existed in the past.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. Officers, directors and greater than 10% stockholders are required to furnish us with copies of all Forms 3, 4 and 5 they file.

Edgar Filing: TROY GROUP INC - Form DEF 14A

Based solely on our review of the copies of such forms we have received and written representations from certain reporting persons that they filed all required reports, we believe that all of our officers, directors and greater than 10% stockholder complied with all Section 16(a) filing requirements applicable to them with respect to transactions during fiscal year 2003, except Mr. Patrick J. Dirk, Mrs. Mary J. Dirk, Mr. Brian P. Dirk and the Dirk Family Trust each filed a late Form 4 that disclosed one transaction and a late Form 5 for fiscal year 2003 that disclosed one transaction.

Report of the Audit Committee

The Audit Committee operates under a written charter adopted by your Board of Directors. A copy of the Audit Committee Charter is included as Appendix A in this Proxy Statement. All members of the Audit Committee meet the independence standards established by the Nasdaq Stock Market.

The Audit Committee assists your Board in fulfilling its responsibility to oversee management's implementation of TROY's financial reporting process. In discharging its oversight role, the Audit Committee reviewed and discussed the audited financial statements contained in the 2003 Annual Report on Form 10-K with TROY's management and independent auditor. Management is responsible for the financial statements and the reporting process, including the system of internal controls and disclosure controls. The independent auditor is responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

The Audit Committee met privately with the independent auditor, and discussed issues deemed significant by the auditor, including those required by Statements on Auditing Standards No. 61 and No. 90 (Audit Committee Communications), as amended. In addition, the Audit Committee discussed with the independent auditor its independence from TROY and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and considered whether the provision of nonaudit services was compatible with maintaining the auditor's independence.

In reliance on the reviews and discussions outlined above, the Audit Committee has recommended to your Board that the audited financial statements be included in TROY's Annual Report on Form 10-K for the year ended November 30, 2003, for filing with the Securities and Exchange Commission.

Respectfully submitted on February 10, 2004, by the members of the Audit Committee of your Board:

Stephen G. Holmes, Chairman

Gene A. Bier

Lambert Gerhart

Principal Accountant Fees and Services

The Audit Committee, which is composed entirely of non-employee independent directors, has selected McGladrey & Pullen LLP as independent accountants to audit our books, records and accounts and our subsidiaries for the fiscal year 2004. Your Board has endorsed this appointment. Your Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of TROY and its stockholders. McGladrey & Pullen LLP previously audited our consolidated financial statements and during the two fiscal years ended November 30, 2003. Representatives of McGladrey & Pullen LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Changes in Accountants

On May 31, 2002, our Audit Committee approved a change in auditors and our Board of Directors ratified the Audit Committee's dismissal of McGladrey & Pullen LLP. We entered into a formal engagement letter with KPMG LLP to serve as our independent public accountants on July 5, 2002.

On January 13, 2003, our Audit Committee again approved a change in auditors and our Board of Directors ratified the Audit Committee's dismissal of KPMG LLP as our independent public accountants. We entered into a formal engagement letter with McGladrey & Pullen LLP to

serve as our independent public accountants on February 3, 2003.

The information required by Item 304(a) of Regulation S-K regarding these changes in our accountants has been previously reported on Forms 8-K filed on June 4, 2002, July 9, 2002, January 21, 2003 and February 7, 2003.

Disagreements or Reportable Events

During our fiscal years ended November 30, 2001 and 2000 and the subsequent interim period through May 28, 2002, the date we dismissed McGladrey and Pullen LLP, there were no disagreements between us and McGladrey & Pullen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, and there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K.

During the period from July 5, 2002 through January 13, 2003, the date we dismissed KPMG LLP, except as set forth in the paragraphs below, there were no disagreements between us and KPMG LLP on any matter of accounting principles or practices, or financial statement disclosure, and there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K.

On October 15, 2002, we issued a press release announcing that the filing of our Form 10-Q for the fiscal quarter ended August 31, 2002 would be delayed. We had conducted physical inventory counts and discovered certain inventory adjustments. We delayed the filing of our Form 10-Q for the fiscal quarter ended August 31, 2002 in order to give us sufficient time to review the causes of such inventory adjustments and to determine if any of the financial statements for prior periods would need to be restated.

At the time of their dismissal, KPMG LLP had not completed their review of the procedures and methodology used by us in our review of the inventory adjustments in order to determine the final amount of the adjustments and which prior periods would need to be restated. Because these adjustments pertained to periods in which McGladrey & Pullen LLP served as our independent auditors, our procedures and methodology needed to be reviewed by McGladrey & Pullen LLP. KPMG LLP had previously advised us that the adjustments could have a material impact on the financial statements for the first and second quarters of fiscal 2002 and fiscal 2001.

9

KPMG LLP had also expressed a concern regarding material weaknesses in our inventory accounting controls. Since that time, we have implemented a number of corrective measures that we believe addresses these concerns.

Audit and Non-Audit Fees

Aggregate fees for professional services rendered for us by McGladrey & Pullen LLP and its affiliated entity, RSM McGladrey, Inc., for the years ended November 30, 2003 and 2002, were as follows:

Services Provided	2003	2002
Audit Fees	\$ 441,000	\$ 426,000
Tax Fees	92,000	78,000
All Other Fees	10,000	38,000
Total	\$ 543,000	\$ 542,000

Audit Fees. The aggregate fees billed for the years ended November 30, 2003 and 2002 were for the audits of our financial statements and reviews of our interim financial statements included in our annual and quarterly reports.

Audit Related Fees. There were no fees billed for the years ended November 30, 2003 and 2002 for the audit or review of our financial statement that are not reported under *Audit Fees*.

Tax Fees. The aggregate fees billed for the years ended November 30, 2003 and 2002 were for professional services for tax compliance, tax advice and tax planning. These services include preparation of original and amended tax returns and advice regarding our international operations.

Edgar Filing: TROY GROUP INC - Form DEF 14A

All Other Fees. The aggregate fees billed for the years ended November 30, 2003 and 2002 were for services other than the services described above. These services include executive compensation analysis in fiscal year 2003 and analysis of fair value assumptions for acquired companies in fiscal year 2002.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by McGladrey & Pullen LLP and RSM McGladrey, Inc. and the estimated fees related to these services.

During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the auditor. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with SEC rules and regulations.

Throughout the year, the Audit Committee will review any revisions to the estimates of audit and non-audit fees initially approved.

Amounts represent matching contributions made under TROY Group's 401(k) Plan.

Employment, Severance and Change of Control Arrangements.

Under our 1998 Stock Incentive Plan, if a "change in control" of TROY occurs, then, unless the Compensation Committee decides otherwise either at the time of grant of an incentive award or at any time thereafter, all options that have been outstanding at least three months

Edgar Filing: TROY GROUP INC - Form DEF 14A

will become immediately exercisable for the remainder of their terms, regardless of whether the participants to whom such options have been granted remain the employ or service of TROY or any subsidiary. Under the terms of their respective option agreements, all of the options granted to our executive officers will be subject to such accelerated vesting upon a change in control.

In addition, upon a change in control, the Compensation Committee may pay cash for all or a portion of the outstanding options. The amount of cash the participants would receive will equal the excess of the fair market value immediately prior to the effective date of such change in control over the exercise price per share of the options. The acceleration of the exercisability of options under the Plan may be limited, however, if the acceleration would be subject to an excise tax imposed upon "excess parachute payments."

The Plan also provides that if a "change in control" of TROY occurs, then, unless the Compensation Committee decides otherwise either at the time of grant of an incentive award or at any time thereafter:

all stock appreciation rights that have been outstanding at least three months will become immediately exercisable in full and will remain exercisable for the remainder of their terms, regardless of whether the participant remains in the employ or service of TROY or any subsidiary;

all outstanding restricted stock awards will become immediately fully vested and non-forfeitable; and

11

all outstanding performance units and stock bonuses will vest and/or continue to vest in the manner determined by the Compensation Committee and reflected in the award agreement.

Under the Plan, a "change in control" will include any of the following:

the sale or other disposition of substantially all of our assets;

the approval by our stockholders of a Plan or proposal for the liquidation or dissolution of TROY;

a merger or consolidation to which we are a party if our stockholders immediately prior to the merger or consolidation beneficially own, immediately after the merger or consolidation, securities of the surviving corporation representing (A) more than 50%, but not more than 80%, of the combined voting power of the surviving corporation's then outstanding securities unless such transaction was approved in advance by the "continuity directors," which are the directors as of the effective date of the Plan or any persons who subsequently become directors and whose election or nomination was approved by a majority vote of the continuity directors, or (B) 50% or less of the combined voting power of the surviving corporation's then outstanding securities, regardless of any approval by the continuity directors;

any person becoming, after the effective date of the Plan, the beneficial owner of (A) 20% or more, but less than 50%, of the combined voting power of our outstanding securities, unless the transaction was approved in advance by the continuity directors, or (B) 50% or more of the combined voting power of our outstanding securities, regardless of any approval by the continuity directors; or

the continuity directors cease for any reason to constitute at least a majority of your Board.

Notwithstanding anything in the foregoing to the contrary, no change in control will be deemed to have occurred for purposes of the Plan by virtue of certain transfers among the members of Patrick J. Dirk's family or family trusts.

Indebtedness of Management.

We entered into a split dollar life insurance arrangement whereby we paid the underlying life insurance premiums on policies covering Patrick J. Dirk and his spouse as a condition of Mr. Dirk's continued employment with us. Pursuant to this arrangement, we made quarterly payments of \$100,000 for a \$23 million dollar policy, and quarterly payments of \$8,750 for a \$7 million policy. We have an unsecured receivable from Mr. Dirk's heirs for the return of the premiums paid under these policies. We expect to recover all split-dollar premiums paid by us from the policies or the owners of the policies. Mr. Dirk's heirs, including Brian P. Dirk who is a director and one of our executive officers, are third-party beneficiaries of these policies. In addition, in 1999, we entered into a split dollar insurance arrangement whereby we paid the underlying life insurance premiums on a policy covering Patrick J. Dirk whose spouse is the beneficiary. Pursuant to this arrangement, we made quarterly payments of \$32,000 for a \$2 million face amount policy which carries a death benefit of \$8 million and semi-annual payments of \$10,850 for a \$1 million policy. In November 2003, the \$2 million policy was returned to us by Mr. Dirk under the terms of the arrangement. We cancelled the policy and wrote off the associated receivable of \$168,000 to expense. The Sarbanes-Oxley Act of 2002 prohibits extensions of credit in the form of a personal loan to certain insiders after July 29, 2002. As a result, since July 29, 2002 we have not funded the annual premium payments on the policies. If the SEC issues new regulations or other guidance that causes us to reevaluate our position, we may demand payment on the unsecured receivable and terminate our participation in these arrangements. At November 30, 2003, we recorded \$1,903,000 as an asset that represents the policy premiums paid to date.

Certain Transactions

Prior to April 1998, TROY and its subsidiary, Troy Group Systems International, were 100% beneficially owned by Patrick J. and Mary J. Dirk as trustees under The Dirk Family Trust UTD March 6, 1990, the trustees of The Dirk 1997 Education Trust, the trustees of the Dirk 1998 Alaska Trust, Brian P. Dirk and Patrick J. Dirk's other three children. For convenience, we refer to each of these individuals and trusts collectively as the Dirk stockholders.

We lease a total of 77,000 square feet at our West Virginia facility from Dirk Investments, Inc. Dirk Investments is wholly-owned by the Dirk stockholders. This lease expires on March 31, 2008 and is automatically renewable for successive six-year terms unless either party gives notice to cancel. It provides for rent, of approximately \$23,800 per month, which can be increased up to 6% per year. Total rental payments made by us under this lease for the fiscal year ended November 30, 2003 were approximately \$279,000.

See "Executive Compensation Indebtedness of Management" regarding certain life insurance arrangements.

Report of the Compensation Committee of the Board of Directors on Executive Compensation

The Compensation Committee reviews general programs of compensation and benefits for all employees and makes recommendations to your Board of Directors concerning compensation paid to TROY executive officers, directors and certain key employees. Compensation paid to these individuals is reviewed and set annually by the Compensation Committee to coincide with TROY's fiscal year. The Compensation Committee is currently composed of two independent directors who meet the independent standards established by the Nasdaq Stock Market.

The Compensation Committee also administers TROY's stock-based compensation plans, including TROY's 1998 Stock Incentive Plan, which allows the Compensation Committee to grant incentive stock options, non-statutory stock options, restricted stock awards, stock appreciation rights, performance units and stock bonuses to eligible key employees, officers, directors and consultants.

Compensation Philosophy and Objectives.

The overall philosophy underlying the decisions and recommendations of the Compensation Committee is to recognize and reward results and achievement at both the individual and company level by linking compensation to such achievement. Consistent with this philosophy, the Compensation Committee has set the following objectives for TROY's executive compensation program:

Encourage the achievement of desired individual and company performance goals by rewarding such achievements.

Provide a program of compensation that is competitive with comparable companies to enable TROY to attract and retain key executive talent.

Align the interests of TROY's executives with the interests of TROY's stockholders by linking compensation to company performance and ensuring that TROY's executives have opportunities for long-term stock ownership.

In making our recommendations to your Board of Directors, the Compensation Committee considers factors such as company performance, both in isolation and in comparison to companies of comparable profitability, complexity and size; the individual performance of each executive officer; our historical compensation levels; the overall competitive environment for executives and the level of compensation necessary to attract and retain the level of key executive talent that TROY desires. In analyzing these factors, the Compensation Committee may from time to time review competitive compensation data gathered in comparative surveys or collected by independent consultants.

Executive Compensation Program Components.

TROY's executive compensation policies are recommended and administered by the Compensation Committee of the Board of Directors.

Since the date of TROY's initial public offering, the Compensation Committee has established an executive compensation program consisting of base salary, annual cash bonus compensation, long-term incentive opportunities under the 1998 Plan and other benefits. Each element of this compensation program is discussed in greater detail below.

Base Salary. Each executive officer's base salary is determined annually by the Compensation Committee and ratified by your Board of Directors after considering the compensation levels of executives at comparable companies in our industry, the potential impact of the individual on company performance, the level of skill, responsibility and experience required by the individual's position and the other factors described above. In evaluating comparable company compensation, the Compensation Committee places particular emphasis on data for companies with revenues similar to our forecasted revenues for the relevant fiscal year.

Annual Cash Bonuses. The Compensation Committee utilizes annual cash bonuses to provide a direct financial incentive to TROY's executive officers. Under the executive officer bonus program administered by the Compensation Committee, each executive is eligible to receive a bonus, subject to achievement of specified company goals and overall revenues and profitability of TROY.

Long-Term Incentive Compensation. The Compensation Committee makes long-term incentive compensation available to TROY's executive officers through its administration of the 1998 Plan, as discussed above. From time to time the Compensation Committee evaluates equity ownership by TROY's executive officers and may grant stock-based compensation under the 1998 Plan in order to reward such executives for their contributions to achievement of company objectives and to further align their interests with those of our stockholders. During fiscal 2003, no stock options were granted to the executive officers.

Other Benefits. In addition to the compensation described above, our executive officers receive benefits under our insurance, 401(k) and employee stock purchase plans, each of which is generally available to our other employees. TROY also compensates two of its executive officers for automobile expense.

Section 162(m). Section 162(m) of the Internal Revenue Code of 1986 limits TROY's ability to deduct certain compensation in excess of \$1 million paid to its chief executive officer and each of its four other most highly compensated executives. In 2003, TROY did not pay "compensation" within the meaning of Section 162(m) in excess of \$1 million to its executive officers, and it does not believe that it will do so in the near future. As a result, the Compensation Committee has not established a policy for qualifying compensation paid to TROY's executive officers for deductibility under Section 162(m), but will formulate such a policy if compensation levels ever approach \$1 million.

Compensation of Chief Executive Officer

Pursuant to the recommendation of the Compensation Committee, Mr. Dirk received an annual base salary of \$350,000 for fiscal year 2003. The Compensation Committee determined Mr. Dirk's compensation based on objective data synthesized to competitive ranges following statistical analysis and subjective policies and practices, including assessment of his achievements, and a review of compensation paid to chief executive officers of comparable companies.

The Committee shall also periodically review the Company's policies and procedures regarding compliance with the Company's Code of Ethics and Business Conduct for Employees, Officers and Directors.

16. The Committee shall communicate to the Board any issues with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor or the performance of the independent audit function.
