PROXY STATEMENT ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Nature's Sunshine Products, Inc. for use at our Annual Meeting of stockholders to be held at our corporate offices at 75 East 1700 South, Provo, Utah, on Friday, May 28, 2004 at 10:00 a.m., Mountain Time. Stockholders will consider and vote upon the proposals described herein and referred to in the Notice of the Meeting accompanying this Proxy Statement. This Proxy Statement and the enclosed proxy are first being sent to stockholders on or about April 15, 2004.

We are sending these proxy materials to all of our stockholders of record on April 9, 2004 (the "Record Date"). Only stockholders who owned shares of our common stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. We use several abbreviations in this Proxy Statement. We may refer to our company as "we," "us" or "our company" or the "Company." The term "Annual Meeting" means our 2004 Annual Meeting of Stockholders.

QUESTIONS AND ANSWERS ABOUT OUR 2004 ANNUAL MEETING AND THIS PROXY STATEMENT

Q: When and where is the 2004 Annual Meeting?

A: The 2004 Annual Meeting of Stockholders of Nature's Sunshine Products, Inc. will be held at our executive offices located at 75 East 1700 South, Provo, Utah at 10:00 a.m. on Friday, May 28, 2004.

Q: Why am I receiving these materials?

A: You are receiving these proxy materials from us because you owned shares of our common stock on the Record Date. This Proxy Statement describes issues on which we would like you, as a stockholder of record, to vote. It also gives you information on these issues so that you can make an informed decision. The proxy card is used for voting.

Q: What is the effect of signing and returning my proxy card?

A:

Edgar Filing: NATURES SUNSHINE PRODUCTS INC - Form DEF 14A

When you sign and return the proxy card, you appoint Kristine F. Hughes and Douglas Faggioli as your representatives, or proxies, at the Annual Meeting. Kristine F. Hughes and Douglas Faggioli will vote your shares at the Annual Meeting as you have instructed them on the proxy card. In this way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card, just in case your plans change. You can always vote in person at the Annual Meeting, even if you have already sent in your proxy card.

2

Q:
What am I voting on?

A:
You are being asked to vote on (i) the election of two nominees to serve as Class II directors on our Board of Directors and (ii) the ratification and appointment of our independent accountants for the fiscal year ending on December 31, 2004. These proposals are described more fully below in these proxy materials. As of the date of this Proxy Statement, the only business that our Board of Directors intends to present or knows of that others will present at the Annual Meeting is as set forth in this Proxy Statement. If any other matter or matters are properly brought before the Annual Meeting, it is the intention of the persons holding proxies to vote the shares they represent in accordance with their best judgment.

Q:
What is the vote required for each of the proposals presented at the Annual Meeting to pass?

A:
The votes cast on a particular proposal include votes "FOR," "AGAINST," "WITHHELD" and "ABSTAINED," but do not include broker non-votes (discussed below). The vote required and method of calculation for the proposals to be considered at the Annual Meeting are as follows:

Proposal One Election of Directors. The two nominees receiving the highest number of votes, in person or by proxy, will be elected to serve as Class II directors. You may vote either "FOR" or "WITHHOLD" your vote for the director nominees.

Proposal Two Ratification of KPMG LLP as Independent Auditors. The ratification of KPMG LLP as our independent auditors will require the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy. You may vote "FOR," "AGAINST" or "ABSTAIN" from voting on this proposal.

Q:
How do I vote?

A:
As a stockholder of record, you have the right to vote on certain business matters affecting our company. Each share of our common stock you own entitles you to one vote on the proposals presented in these proxy materials. As described below, you can vote by returning the enclosed proxy card in the envelope provided, as instructed on the proxy card, or by attending the Annual Meeting. Please see detailed instructions on the proxy card.

If you return a signed proxy card (according to the enclosed instructions), you are enabling Kristine F. Hughes and Douglas Faggioli, who are named on the proxy card as "proxy holders," to vote your shares at the Annual Meeting in the manner you indicate on the proxy card. If you return a signed proxy card but you do not provide voting instructions on the card, your shares will be voted FOR Richard G. Hinckley and Eugene L Hughes to serve as Class II directors on our Board of Directors and FOR ratification of the appointment of KPMG LLP as our independent auditors for the current fiscal year. If an issue comes up for a vote at the meeting that is not described in this Proxy Statement,

3

Kristine F. Hughes and Douglas Faggioli will vote your shares, under your proxy, in their discretion.

If you attend the Annual Meeting and wish to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of

Edgar Filing: NATURES SUNSHINE PRODUCTS INC - Form DEF 14A

shares held in your name, but if you wish to vote in person at the Annual Meeting, you must bring with you to the meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

For shares of Common Stock that are beneficially owned by a stockholder and held in "street name" through a brokerage (if such stockholder's shares are registered in the name of a brokerage), your broker has the discretion to vote such shares on "routine matters" (such as election of directors), as more specifically described below.

Q:
What is a "broker non-vote"?

A:
Under the rules that govern brokers who have record ownership of shares that are held in "street name" for their clients, who are the beneficial owners of the shares, brokers have the discretion to vote such shares on "routine matters" (such as election of directors), but not on "non-routine" matters (such as stockholder proposals). Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares "FOR" routine matters but expressly instructing that the broker is NOT voting on non-routine matters. A "broker non-vote" occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine.

Q:
How are "broker non-votes" counted?

A:
Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will not be counted for the purpose of determining the number of votes cast "FOR" or "AGAINST" a particular proposal on which the broker has expressly not voted. Your broker will have discretionary authority to vote your shares on each of the proposals that are routine matters.

Q:
How are abstentions counted?

A:
If you return a proxy card that indicates an abstention from voting in all matters, the shares represented will be counted for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be voted on any matter at the Annual Meeting.

Q:
What does it mean if I receive more than one proxy card?

A:
It means that you have multiple accounts at the transfer agent and/or with stock brokers. Please vote each account by signing and returning all proxy cards to ensure that all your shares are voted.

4

Q:
What if I change my vote (i.e., what if I wish to revoke my proxy)?

A:
You may revoke your proxy (i.e., cancel it) and change your vote at any time prior to the voting at the Annual Meeting. In order to do this, you may either:

sign and return another proxy bearing a later date (only your latest vote will be counted);

provide written notice of the revocation to our Secretary, prior to the time we take the vote at the Annual Meeting;
or

attend the Annual Meeting and vote in person.

Q: Will my shares be voted if I do not sign and return my proxy card?

A: If your shares are held in street name, your brokerage firm may either vote your shares on "routine matters" (such as election of directors) or leave your shares unvoted. Your brokerage firm may not vote on "non-routine matters" such as a proposal submitted by a stockholder. We encourage you to provide instructions to your brokerage firm by completing the proxy that they send to you. This enables your shares to be voted at the Annual Meeting as you direct.

Q: How many shares can be voted at the Annual Meeting?

A: As of the Record Date, 14,731,854 shares of our common stock were outstanding. Each outstanding share of our common stock entitles the holder to one vote on all matters covered in these proxy materials. Accordingly, there are a maximum of 14,731,854 votes that may be cast at the Annual Meeting.

Q: What is a quorum?

A: A quorum is the number of shares that must be present, in person or by proxy, in order to hold the Annual Meeting and to conduct business. The required quorum for the Annual Meeting is a majority of the shares entitled to vote outstanding on the Record Date. Your shares will be counted as being present at the Annual Meeting if you appear in person at the meeting or if you submit a properly executed proxy card. All completed and signed proxy cards, whether representing a vote "FOR," "AGAINST," "WITHHELD" or "ABSTAINED" or a broker non-vote, will be counted toward the quorum requirement.

Q: Who is soliciting my vote?

A: We, on behalf of our Board of Directors, are soliciting your vote. In addition to this solicitation by mail, proxies may be solicited by members of our Board of Directors, our officers and other employees by telephone, Internet or facsimile, in person or otherwise. Such person will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward the proxy materials to the beneficial owners.

5

Q: Who will pay the costs of proxy solicitation?

A: We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing and mailing of the proxy materials.

Q: What is the deadline for receipt of stockholder proposals?

A: As a stockholder, you may be entitled to present proposals for action at a forthcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. In order to be considered for inclusion in the proxy materials for the 2005 Annual Meeting of Stockholders, stockholder proposals must be received by our Secretary no later than December 31, 2004, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended. If a stockholder wishes to present a proposal at the 2005 Annual Meeting of Stockholders, the proposal must be sent to Nature's Sunshine Products, Inc., Stockholder Relations, 75 East 1700 South, Provo, Utah 84606 and received prior to December 31, 2004. The Board of Directors will review any proposal, which is received by that date and determine whether it is a proper proposal to present to the 2005 Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Under our Restated Articles of Incorporation, directors are divided into three classes, each class to consist, as nearly as possible, of one-third of the number of directors then constituting the entire Board of Directors. Each year, one class of directors is elected, each director to serve a term of three years. All of the directors were elected for staggered terms at the last three annual meetings.

Edgar Filing: NATURES SUNSHINE PRODUCTS INC - Form DEF 14A

At the Annual Meeting, two directors are to be elected to serve for a term of three years or until a successor for such director is elected and qualified, or until the death, resignation, or removal of such director. It is intended that the proxies will be voted for the two nominees named below for election to our Board of Directors unless authority to vote for any such nominee is withheld. Each of the nominees is currently serving as one of our directors. Each person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable or will decline to serve. In the event, however, that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board of Directors to fill the vacancy. Unless otherwise instructed, the proxy holders will vote the proxies received by them "FOR" the nominees named below. The two candidates receiving the highest number of affirmative votes of the shares entitled to vote at the Annual Meeting will be elected as directors of our company.

Certain information concerning the two nominees to the Board of Directors, and directors whose terms will continue after the Annual Meeting is set forth below. Biographical information regarding the nominees is set for below under "EXECUTIVE OFFICERS AND DIRECTORS."

Affirmative Determinations Regarding Director Independence

The Board of Directors has determined each of the following directors to be an "independent director" as such term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers (the "NASD"):

Pauline Hughes Francis
 Kristine F. Hughes
 Richard G. Hinckley

In this Proxy Statement, these three directors are referred to individually as an "Independent Director" and collectively as the "Independent Directors." The Independent Directors intend to meet in executive sessions at which only Independent Directors will be present in conjunction with each scheduled meeting of the Board of Directors.

Meetings and Committees of the Board of Directors

There were eight meetings of the Board of Directors held during 2003. All directors attended at least 75 percent of the meetings of the Board and Committees of the Board on which they served.

The Board of Directors has formed the following committees:

The Compensation Committee. The Compensation Committee, which held three meetings during 2003, reviews compensation policies applicable to officers and key employees and recommends to the Board of Directors the compensation to be paid to our chief executive and operating officers. The Compensation Committee also administers or supervises our various stock option and incentive compensation plans. The Compensation Committee has not adopted a written charter. The members of Compensation Committee are Pauline Hughes Francis

(Chairman), Kristine F. Hughes and Richard G. Hinckley, each of whom is an Independent Director.

The Audit Committee. The Audit Committee, which held four meetings during 2003, assists the Board in the oversight of our financial statements, legal compliance, qualifications of independent auditors, performance of the internal audit function and engagement and oversight of our independent auditors. The Audit Committee acts pursuant to a written charter adopted by the Board. A copy of the Audit Committee Charter is attached to this Proxy Statement as Appendix A.

The members of the Audit Committee are Richard G. Hinckley (Chairman), Kristine F. Hughes and Pauline Hughes Francis, each of whom is an Independent Director. Our Board of Directors has determined that Richard G. Hinckley is an audit committee financial expert, as that term is defined in Item 401(h) of Regulation S-K promulgated by the Securities and Exchange Commission.

The Nominating Committee. The Nominating Committee, which held 1 meeting during 2003, makes recommendations to the Board of Directors about the size of the Board or any committee thereof, identifies and recommends candidates for the Board and committee membership, evaluates nominations received from stockholders, determines the compensation and benefits of all directors on the Board and develops and recommends to the Board corporate governance principles applicable to our company. The Nominating Committee has not adopted a written charter.

The members of the Nominating Committee are Kristine F. Hughes, Pauline Hughes Francis and Richard G. Hinckley, each of whom is an Independent Director.

The Company's Director Nominations Process

The Board selects the Director nominees to stand for election at the Company's annual meetings of stockholders and to fill vacancies occurring on the Board, based on the recommendations of the Nominating Committee. In recommending nominees to serve as Directors, the Nominating Committee will examine each Director nominee, including persons nominated by stockholders, on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate. However, the Nominating Committee believes the following minimum qualifications must be met by a Director nominee to be recommended to the Board:

Each Director must display high personal and professional ethics, integrity and values;

Each Director must have the ability to exercise sound business judgment;

Each Director must be highly accomplished in his or her respective field;

Each Director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience;

Each Director must be able to represent all stockholders of the Company and be committed to enhancing long-term stockholder value; and

Each Director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

Edgar Filing: NATURES SUNSHINE PRODUCTS INC - Form DEF 14A

Recommendations for consideration by the Nominating Committee, including recommendations from stockholders of the Company, should be sent to the Board of Directors, care of the Secretary of the Company, at the Company's headquarters in writing together with appropriate biographical information concerning each proposed nominee. See also the section dealing with "Stockholder Proposals," below.

Communications with Directors

We have not in the past adopted a formal process for stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. We believe our responsiveness to stockholder communications to the Board has been excellent. Nevertheless, during the upcoming year the Board or the Nominating Committee of the Board will give full consideration to the adoption of a formal process for stockholder communications with the Board and, if adopted, publish it promptly and post it to our website.

Compensation of Directors

Board members who are also employees of our company do not receive any directors' fees. We pay our non-employee Board members directors' fees of \$24,702 to \$45,858 and its Chairman of the Board, \$128,169 per year, as well as the cost of health and life insurance coverage. We do not pay any fees for attendance at Committee meetings.

Employment Agreements

We have entered into employment agreements with each of our executive officers who receive base annual salaries currently ranging from approximately \$172,000 to \$350,000. These agreements are renewable on an annual basis and generally provide for an initial term of one year. In the event we terminate or do not renew an officer's employment without cause, the officer is generally entitled to receive the balance of his base salary for twelve months.

Executive Incentive Plans

We have from time to time adopted incentive plans for key management and/or other employees.

In 1997, the Board of Directors adopted an Incentive Compensation Plan ("Bonus Plan"), which provides for bonuses ranging from 0% to 90% of base salary for all of our employees depending upon the employee's position with us. Up to 40% of the bonus for certain key employees is determined by how well an employee achieves certain specified individual performance objectives, and the balance is determined by how well we achieve certain sales and operating income goals. Payments totaling approximately \$441,000, \$142,000 and \$454,000 were made to executive officers for services rendered in 2003, 2002 and 2001, respectively, for this or similar executive incentive plans. Amounts paid, if any, to the officers participating in the Bonus Plan are included in the Summary Compensation Table.

In 1999, we adopted an Executive Loan Program. The Loan Program was intended to assist executive officers to purchase our common stock. Loans were limited to \$59,000. Loans were secured by the purchased common stock and bore interest at the current prime rate. The notes were due 90 days after demand or 90 days after termination of employment. No new loans will be made under the program and no amounts are currently outstanding.

Stock Option Plans

Our 1995 Stock Option Plan, as amended (the "1995 Plan"), authorizes the grant of incentive and non-qualified stock options to officers and key employees. The 1995 Plan currently allows for the granting of a maximum of 4,150,000 shares of our common stock (adjusted for stock splits and dividends).

Options issued under the 1995 Plan must have an exercise price at least equal to the fair market value on the date of grant and a term of not more than ten years. Options are generally not transferable and are exercisable in accordance with vesting schedules established by the Compensation Committee (the "Committee") of the Board of Directors administering the Plan. The Committee establishes with respect to each option granted to an employee, and sets forth in the option agreement, the effect of the termination of employment on the rights and benefits thereunder. In the event of certain changes in control of our company, options generally become immediately exercisable.

16

As of March 23, 2004, there were 2,177,245 shares subject to non-qualified options issued and outstanding under the 1995 Plan and 145,553 shares are available for issuance (as adjusted for stock splits and dividends). See "Executive Incentive Plans" above.

We also have 433,700 shares subject to non-qualified options issued and outstanding, which were granted under stock option plans or arrangements that have been terminated.

401(k) Plan

We sponsor a qualified deferred compensation plan ("401(k) Plan") under Section 401(k) of the Internal Revenue Code, in which full-time employees may reduce their salaries by up to 15% of their compensation limited to a maximum of \$12,000 and have the salary reduction amounts contributed to the 401(k) Plan. Such contributions are 100% matched by us, up to a maximum of 5 percent of the employee's compensation. Participants are fully vested at all times in their salary reduction contributions and after three years of service are fully vested in matching company contributions. Participants are eligible to receive distribution of vested amounts upon retirement, death or disability, or termination of employment. Contributions by us to the 401(k) Plan were approximately \$902,000, \$894,000 and \$743,000 for 2003, 2002 and

2001, respectively. Amounts contributed for executive officers participating in the 401(k) Plan are included in the Summary Compensation Table above.

Deferred Compensation Plan

Under our nonqualified deferred compensation plan for its executive officers, up to 100 percent of the officer's annual salary and bonus (less the officer's share of employment taxes) may be deferred. The deferrals become an obligation owed to the officer by us under the Plan. At December 31, 2003 and 2002, the amounts payable under the Plan are valued at the fair market value of the related assets and total \$2.2 million and \$1.5 million, respectively. Amounts deferred for executive officers participating in the nonqualified deferred compensation plan are included in the Summary Compensation Table above.

Compensation Committee Interlocks and Insider Participation

The Board of Directors' Compensation Committee is composed of Pauline Hughes Francis, Kristine F. Hughes and Richard G. Hinckley.

THE FOLLOWING REPORT OF THE COMPENSATION COMMITTEE AND THE PERFORMANCE GRAPH THAT APPEARS IMMEDIATELY AFTER SUCH REPORT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

COMPENSATION COMMITTEE REPORT

To: The Board of Directors

As members of the Compensation Committee (the "Committee"), it is our duty to administer or supervise various stock option and incentive compensation plans of the Company. In addition, the Committee recommends to the Board of Directors the compensation to be paid to the Company's chief executive and operating officers. The Committee also reviews compensation policies applicable to officers and key employees and considers the relationship of corporate performance to that compensation.

The Committee submits a report to the Board concerning the compensation policies followed by the Committee in recommending compensation for the Company's chief executive officer and chief operating officer. In establishing such compensation for 2003, the Committee considered a number of factors, including what it believed to be the competitive level of compensation that is necessary to attract, retain and motivate qualified officers. In this regard, the Committee reviewed several salary reports and surveys. The Committee also considered:

1. the contribution of the chief executive officer and chief operating officer to the Company's operating performance, as measured by increases in sales revenue, profitability and return on assets,
2. the contribution of the chief executive officer and chief operating officer in helping the Company meet its other objectives, such as providing a high level of service to its customers and in maximizing stockholder value, and
3. the Company's overall stock performance as measured against the stock market and the performance of the Company in its markets abroad.

For 2003 salaries, the Committee applying the factors set forth above did not increase base salaries for the chief executive officer and chief operating officer. In 2003, other salaries of executive officers were set by the chief executive officer and chief operating officer using the same factors as set forth above. There were no salary increases for the other executive officers in 2003. For 2004, the chief executive officer as well as all executive officers received pay increases of approximately three percent.

19

The compensation policy of the Company, which is endorsed by the Committee, is that a substantial portion of the annual compensation of each officer relate to and be contingent upon the performance of the Company, as well as the individual contribution of each officer. As a result, much of an officer's compensation is subject directly to annual bonus compensation measured by the Company's achievement of certain sales and income goals. Under the Company's Incentive Compensation Plan, bonuses are paid based on the officer's performance and the performance of the entire Company. The Committee believes the compensation paid to its officers is reasonable in view of the Company's performance and the contribution of the officers to that performance.

All officers and key employees participate in the Company's stock option plans. The Committee believes that stock options have been effective in attracting, motivating and retaining executives and key employees. During 2003, the Committee recommended stock option grants in the aggregate amount of 66,250 shares.

Except for Kristine F. Hughes, no member of the Committee is a former or current officer or employee of the Company or any of its subsidiaries. Mrs. Hughes served as President and CEO of the Company from September 1996 to October 1997.

CORPORATE STOCK PERFORMANCE

The following graph compares the performance (total return on investment as measured by the change in the year-end stock price plus reinvested dividends) of our common stock ("NATR") with that of the Index for NASDAQ National Stock Market (U.S. companies) and the Index for NASDAQ Stock (SIC 2800-2899) (herbal vitamins companies) for the five years ended December 31, 2003.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

Our Audit Committee has recommended to the Board of Directors that KPMG LLP be selected as our independent auditors. The Board of Directors has accepted this recommendation and has selected KPMG LLP to be our independent auditors for the fiscal year ending December 31, 2004. KPMG LLP served as our auditors for the fiscal years ended December 31, 2002 and 2003.

We are asking the stockholders to ratify the selection of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2004. The affirmative vote of the holders of a majority of the shares represented and voting on this proposal will be required to ratify the selection of KPMG LLP.

Edgar Filing: NATURES SUNSHINE PRODUCTS INC - Form DEF 14A

In the event the stockholders fail to ratify the appointment, the Audit Committee will consider it as a direction to select other auditors for the subsequent year. Even if the selection is ratified, the Board of Directors or Audit Committee in their discretion may direct the appointment of a different independent auditing firm at any time during the year if the Board of Directors determines that such change would be in the best interest of our company and its stockholders.

Representatives of KPMG LLP are expected to attend the Annual Meeting and will have an opportunity to make a statement if they desire to do so, and they will be available to answer appropriate questions from stockholders.

The Board of Directors unanimously recommends that our stockholders vote FOR the proposal to ratify the selection of KPMG LLP to serve as our independent auditors for the fiscal year ending December 31, 2004.

Recent Changes in Accountants

As was previously reported in our Current Report on Form 8-K filed on July 12, 2002, on July 8, 2002, we engaged KPMG LLP as the Company's independent auditors and dismissed Arthur Andersen LLP. The decision to change auditors was recommended and approved by our Audit Committee and approved by our Board of Directors on July 8, 2002. During the two most recent fiscal years ended December 31, 2001 and 2000 and the subsequent interim reporting periods from the last audit date of December 31, 2001, through and including the termination date of July 8, 2002, there were no disagreements between us and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, accounting scope or procedure, or any reportable events. The report of Arthur Andersen LLP on our financial statements for the two fiscal years ended December 31, 2001 and 2000 contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

We had not consulted with KPMG LLP during the two fiscal years ended December 31, 2001 and 2000 or during the subsequent interim reporting periods from the last audit date of December 31, 2001, through and including the termination date of July 8, 2002, on either the

22

application of accounting principles or type of opinion KPMG LLP might issue on our financial statements.

Audit and Other Fees

The following table presents fees for professional services rendered by KPMG LLP for the audit of our annual financial statements for the fiscal years ended December 31, 2003 and December 31, 2002 and fees billed for other services rendered by KPMG LLP during those periods:

	Fiscal 2003	Fiscal 2002
	<u> </u>	<u> </u>
Audit Fees(1)	\$ 332,353	\$ 195,000
Audit-Related Fees(2)	24,502	
Tax Fees(3)	131,091	54,000
All Other Fees		
	<u> </u>	<u> </u>
Total	\$ 487,946	\$ 249,000
	<u> </u>	<u> </u>

(1) Audit Fees consist of fees billed for the annual audits and quarterly reviews.

(2) Audit-Related Fees consist of fees billed for various SEC filings and accounting research.

(3) Tax Fees consist of fees billed for tax consultation and assistance in the preparation of tax returns.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of KPMG and has concluded that it is.

Pre-Approval Policy

The policy of the Audit Committee is to pre-approve all auditing and non-auditing services of the independent auditors, subject to *de minimus* exceptions for other than audit, review, or attest services that are approved by the Audit Committee prior to completion of the audit. Alternatively, the engagement of the independent auditors may be entered into pursuant to pre-approved policies and procedures established by the Committee, provided that the policies and procedures are detailed as to the particular services and the Committee is informed of each service.

23

During the period that each member has served on the Audit Committee, each has been "independent" as this term applies to Rule 4200(a)(15) of the National Association of Securities Dealers' ("NASD") and its listing standards.

To: The Board of Directors

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2003.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

The Committee shall meet as often as it determines, but not less frequently than quarterly. The Committee shall maintain minutes and other relevant documentation of all its meetings.

Committee Authority and Responsibilities

The Committee shall directly appoint, subject to shareholder ratification, retain, and compensate the Company's independent auditors. The Committee has the sole authority to approve all audit engagement fees and terms, as well as all significant non-audit engagements with the independent auditors. The Committee shall preapprove all auditing and non-auditing services of the independent auditors, subject to *de minimus* exceptions for other than audit, review, or attest services that are approved by the Committee prior to completion of the audit. The Committee shall ensure receipt of a written report from the independent auditors at least annually regarding (a) the independent auditors' internal quality-control procedures, (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and (c) to assess the auditors' independence, all relationships between the independent auditors and the Company, including each non-audit service provided to the Company and at least the matters set forth in Independent Standards Board No. 1.
