INFORMATION REQUIRED IN THE
REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents previously filed (File No. 1-16191) with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934 (the "Exchange Act") are, as of their respective dates, incorporated by reference in this registration statement:

- (a) The Annual Report on Form 10-K of Tennant Company (the "Company") for the fiscal year ended December 31, 2003 (which incorporates by reference certain portions of the Company's 2003 Annual Report to Shareholders, including financial statements and accompanying information, and certain portions of the Company's definitive proxy statement for the Company's 2004 Annual Meeting of Shareholders);
- (b) All other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Annual Report referred to in (a) above; and
- (c) The description of the Company's common stock contained in a registration statement filed pursuant to the Exchange Act, together with any amendments or reports filed for the purpose of updating that description.

In addition, all documents filed by the Company pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Exchange Act after the date of this registration statement and before the filing of a post-effective amendment that indicates that all shares of common stock offered have been sold, or that deregisters all shares of common stock then remaining unsold, shall be deemed to be incorporated by reference in, and to be a part of, this registration statement from the date of filing of those documents.

Any statement contained in a document incorporated, or deemed to be incorporated, by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or incorporated herein by reference or in any other subsequently filed document that is or is deemed to be incorporated by reference herein modifies or supersedes that statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Heidi M. Hoard, Assistant General Counsel of the Company, beneficially owns shares of the Company's common stock having a fair market value of more than \$4,000.

Item 6. Indemnification of Directors and Officers.

Article VI of the Company's Restated By-Laws provides that the Company shall indemnify its directors and officers to the full extent required by Minnesota Statutes, Section 302A.521, or by other provisions of law. Section 302A.521 requires the Company to indemnify a person made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person with respect to the Company against judgments, penalties, fines (including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan), settlements, and reasonable expenses, including attorneys' fees and disbursements,

Edgar Filing: TENNANT CO - Form S-8

incurred by the person in connection with the proceeding, if certain criteria are met. These criteria, all of which must be met by the person seeking indemnification, are:

- (a) the person has not been indemnified by another organization for the same judgments, penalties, fines, settlements, and expenses;
- (b) the person must have acted in good faith;
- (c) no improper personal benefit was obtained by the person and, if applicable, certain statutory conflict-of-interest provisions have been satisfied;
- (d) in the case of a criminal proceeding, the person had no reasonable cause to believe that the conduct was unlawful; and
- (e) the person acted in a manner he or she reasonably believed was in the best interests of the corporation or, in certain limited circumstances, not opposed to the best interests of the corporation.

The determination as to eligibility for indemnification is made by the members of the Company's board of directors, or a committee thereof, who are at the time not parties to the proceedings under consideration, by special legal counsel, by the shareholders who are not parties to the proceedings or by a court.

Article VIII of the Company's Restated Articles of Incorporation provides that no director shall be personally liable to the Company or its shareholders for monetary damages for breach of fiduciary duty as director, except:

- (a) any breach of the director's duty of loyalty to the Company or its shareholders;
- (b) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- (c) dividends, stock repurchases and other distributions made in violation of Minnesota law or for violations of the Minnesota securities laws;
- (d) any transaction from which the director derived an improper personal benefit; or
- (e) any act or omission occurring before the effective date of the provision in the Company's Restated Articles of Incorporation limiting such liability.

Article VIII does not affect the availability of equitable remedies, such as an action to enjoin or rescind a transaction involving a breach of fiduciary duty, although, as a practical matter, equitable relief may not be available. Nor does this Article limit the liability of directors for violations of, or relieve them from the necessity of complying with, federal securities laws.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 9. Undertakings.

A.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a twenty percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

Edgar Filing: TENNANT CO - Form S-8

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant any in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Ladies and Gentlemen:

In connection with the Registration Statement on Form S-8 under the Securities Act of 1933 (the "Registration Statement") relating to the offering of up to 115,000 additional shares of common stock, par value \$.375 per share (the "Shares"), of Tennant Company, a Minnesota corporation (the "Company"), together with the related plan interests, pursuant to the Tennant Company Profit Sharing and Employee Stock Ownership Plan, as amended, I have examined such corporate records and other documents, including the Registration Statement, and have reviewed such matters of law as I have deemed relevant hereto, and, based upon this examination and review, it is my opinion that all necessary corporate action on the part of the Company has been taken to authorize the issuance and sale of the Shares and that, when issued and sold as contemplated in the Registration Statement, the Shares will be legally issued, fully paid and nonassessable under the current laws of the State of Minnesota.

I am admitted to the practice of law in the State of Minnesota and the foregoing opinions are limited to the laws of that state and the federal laws of the United States of America.

I consent to the filing of this opinion as an exhibit to the Registration Statement.

Very truly yours,
