CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered(1)	Proposed maximum offering price per share(2)	Proposed maximum aggregate offering price(2)	Amount of registration fee
Common Stock, par value \$0.01 per share ("Common Stock")	5,000,000 shares	\$8.19	\$40,950,000	\$3,776(3)

- (1) This Registration Statement shall also cover any additional shares of Common Stock which become issuable under the CIBER, Inc. 2004 Incentive Plan by reason of any stock dividend, stock split, recapitalization or other similar transaction effectuated without the Company's receipt of consideration which results in an increase in the number of outstanding shares of the Company's Common Stock.
- (2) Estimated solely for the purpose of determining the amount of the registration fee pursuant to Rule 457(h)(1), based upon the average of the high and low prices of the Company's Common Stock on May 20, 2004, as quoted on The New York Stock Exchange.
- (3) In accordance with Rule 457(p) of the Securities Act, the aggregate total dollar amount of the Registration Fee is being offset by the dollar amount of registration fees previously paid with respect to unissued shares previously registered by the Company on Form S-8, Registration No. 333-91368 (the "Prior Registration Statement"). The Company has filed a post-effective amendment to the Prior Registration Statement to deregister the 2,307,248 shares not subject to outstanding option grants under its expired Plans. The Amount of Registration Fee was calculated as the difference between the aggregate registration fee of \$5,188 (calculated based on the number of 2004 shares), less \$1,412, which represents the portion of the registration fee associated with the 2,307,248 deregistered shares that was previously paid in connection with the Prior Registration Statement.

Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers

The Company's Amended and Restated Certificate of Incorporation and Bylaws provide that the Company will indemnify, to the fullest extent permitted by applicable law as from time to time may be in effect, any person against all liability and expense (including attorneys' fees and settlement costs) incurred by reason of the fact that he is or was a director or officer of the Company, or while serving as a director or officer of the Company, he is or was serving at the request of the Company as a

director, officer, partner or trustee of, or in any similar managerial or fiduciary position of, or as an employee or agent of, another corporation, partnership, joint venture, trust, association, or other entity, or by reason of any action alleged to have been taken or omitted in such capacity. Expenses (including attorneys' fees) incurred in defending an action, suit or proceeding will be paid by the Company in advance of the final disposition of such action, suit, or proceeding to the fullest extent and under the circumstances permitted by the laws of the State of Delaware. The right to indemnification conferred upon such persons under the Amended and Restated Certificate of Incorporation and Bylaws shall be a contract right. The Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, fiduciary, or agent of the Company against any liability asserted against and incurred by such person in any such capacity or arising out of such person's position, whether or not the Company would have the power to indemnify against such liability under the provisions of the Certificate of Incorporation.

The indemnification provided by the Amended and Restated Certificate of Incorporation is not deemed to be exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, statute, or otherwise, and inures to the benefit of their heirs, executors, and administrators. The provisions of the Amended and Restated Certificate of Incorporation do not preclude the Company from indemnifying other persons from similar or other expenses and liabilities as the Board of Directors or the stockholders may determine in a specific instance or by resolution of general application.

With respect to a determination of entitlement to indemnification, the indemnitee is presumed to be entitled to indemnification and the Company has the burden of proof to overcome that presumption. The termination of any proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, unless expressly provided herein or in the bylaws, of itself affect the right of any person to indemnification or create a presumption that such person did not act in good faith and in a manner which is reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal proceeding, that such person had reasonable cause to believe that his conduct was unlawful.

The foregoing description of certain provisions of the Company's Amended and Restated Certificate of Incorporation and Bylaws is qualified in its entirety by the actual Amended and Restated Certificate of Incorporation and Bylaws of the Company filed as exhibits to the Registration Statement on Form S-1 (No. 33-74774).

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if total dollar value securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent not more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
