State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Although the management of Companhia Energética de Minas Gerais CEMIG (the "Company") has been working diliegently to complete all the required information for its annual report on Form 20-F for the fiscal year ended December 31, 2003 (the "Form 20-F"), and a substantial part of such information has been completed as of this date, management does not believe the Form 20-F can be completed on or before the June 30, 2004 prescribed due date. The Company is currently restructuring the terms of its indebtedness and restructuring and reorganizing its operations to comply with recent Brazilian regulatory requirements and management has had many internal matters on which to focus such that it will not be possible for management to complete the Form 20-F by the June 30, 2004 prescribed due date without unreasonable effort or expense. Management anticipates filing the Form 20-F on or before July 15, 2004.
