PROXY STATEMENT

Solicitation

This proxy statement is furnished to our stockholders in connection with the solicitation of proxies by our Board of Directors for use at our annual meeting of stockholders to be held on Tuesday, May 17, 2005, at 10:00 a.m. local time, at our principal executive office and at any and all adjournments of our annual meeting. The approximate date on which this proxy statement and the form of proxy solicited on behalf of our Board of Directors will be sent to our stockholders is April 18, 2005.

Voting Rights

On April 14, 2005, the record date for the determination of stockholders entitled to notice of, and to vote at, our annual meeting, we had 21,582,153 shares of common stock outstanding. Each share of common stock is entitled to one vote on all matters properly brought before the annual meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast constitutes a quorum for the transaction of business at the annual meeting.

Voting of Proxies

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

For election of the nominated slate of directors;

For the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal 2005.

Our management and Board of Directors know of no matters to be brought before the annual meeting other than as set forth herein; no stockholder proposals were received by us on or before December 22, 2004, the deadline for inclusion of such proposals in this Proxy Statement. Other business may properly come before the annual meeting, and in that event, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

Revocability of Proxy

The giving of the enclosed proxy does not preclude the right to vote in person should the stockholder giving the proxy so desire. A proxy may be revoked at any time prior to its exercise by delivering a written statement to our Corporate Secretary that the proxy is revoked, by delivering to us a later-dated proxy executed by the person executing the prior proxy, or by attending the annual meeting and voting in person.

Our principal executive office is located at 22917 Pacific Coast Highway, Suite 350, Malibu, California 90265.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

LTC Properties, Inc. is committed to having sound corporate governance principles. Our Code of Business Conduct, Ethics and Corporate Governance and our Corporate Governance Policies are available on our website (www.ltcproperties.com).

Board Independence

The Board has affirmatively determined that each of the current directors standing for re-election, except the Chairman of the Board, Chief Executive Officer and President and the Vice Chairman of the Board, Chief Financial Officer and Treasurer, is independent within the meaning of our director independence standards, which reflect the New York Stock Exchange (or NYSE) director independence standards, as currently in effect. Furthermore, the Board has affirmatively determined that each of the committee members has no material relationship with LTC (either directly or as a partner, stockholder or officer of an organization that has a relationship with LTC) and is "independent" within the meaning of our independence standards.

Board Structure and Committee Composition

As of the date of this proxy statement, our Board has six directors and the following three committees: (1) Audit; (2) Compensation; and (3) Nominating and Corporate Governance. Mr. Boyd W. Hendrickson joined our Board of Directors on February 1, 2005. At our February 2, 2005 Board meeting, Mr. Sam Yellen was elected as the Lead Director. The Charter of the Lead Director is attached to this proxy statement as Appendix A. The membership currently and during the last fiscal year and the function of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available on our website (www.ltcproperties.com). During fiscal 2004, the Board held nine meetings. We had 100% attendance of Board members at all Board meetings in 2004 and at the 2004 Annual Meeting. Our policy is to schedule the Annual Meeting after consulting each Board member regarding their availability to help ensure their ability to attend.

Audit Committee

Edgar Filing: LTC PROPERTIES INC - Form DEF 14A

The functions of the Audit Committee are described in "*Report of the Audit Committee of the Board of Directors*" on page 17. The charter of the Audit Committee is attached to this proxy statement

as Appendix B and is available on our website (www.ltcproperties.com). The Audit Committee met six times during fiscal 2004.

On February 2, 2005, the Board selected the members of the Audit Committee for the current year, as shown above. All members of the Audit Committee are independent within the meaning of the Security and Exchange Commission's (or SEC) regulations, the listing standards of the NYSE and our Corporate Governance Policies. Mr. King, the current chair of the Committee and Mr. Yellen, the chair of the Committee in fiscal 2004, are both qualified as audit committee financial experts within the meaning of SEC regulations and the Board has determined that they have accounting and related financial management expertise within the meaning of the listing standards of the NYSE.

Compensation Committee

The functions of the Compensation Committee are described in the "*Compensation Committee Report*" on page 12. The charter of the Compensation Committee is attached to this proxy statement as Appendix C and is available on our website (www.ltcproperties.com). In fiscal 2004, the Compensation Committee met three times. On February 2, 2005, the Board selected the members of the Compensation Committee for the current year as shown above. All of the members of the Compensation Committee are independent within the meaning of the listing standards of the NYSE and our Corporate Governance Policies.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for (i) identifying, screening and reviewing individuals qualified to serve as directors and recommending to the Board candidates for nomination for election at the annual meeting of stockholders or to fill Board vacancies; (ii) overseeing our policies and procedures for the receipt of stockholder suggestions regarding Board composition and recommendations of candidates for nomination by the Board; (iii) developing, recommending to the Board and overseeing implementation of our Code of Business Conduct, Ethics and Corporate Governance; and (iv) reviewing on a regular basis our overall corporate governance policies and procedures and recommending improvements when necessary. Specifically, the Committee's Key Responsibilities are detailed on in Section IV of Nominating and Corporate Governance Committee Charter included herein as Appendix D. The Nominating and Corporate Governance Committee Charter is also available on our website (www.ltcproperties.com).

The Nominating and Corporate Governance Committee met one time in fiscal 2004 and on February 2, 2005, the Board selected the members for the current year, as shown above. All of the members of the Nominating and Corporate Governance Committee are independent within the meaning of the listing standards of the NYSE and our Corporate Governance Policies.

Executive Sessions

Executive sessions of independent directors are held at various times throughout the year. The sessions are typically requested and chaired by the Chairman of the Audit Committee, however, any non-management director may request an executive session be held.

Consideration of Director Nominees

The Board is responsible for the selection of candidates for the nomination or appointment of all Board members. The Nominating and Corporate Governance Committee, in consultation with the Chief Executive Officer, recommends candidates for election to our Board and considers recommendations for Board candidates submitted by stockholders using the same criteria it applies to recommendations from Nominating and Corporate Governance Committee members, Directors and members of management. The Nominating and Corporate Governance Committee will also consider

whether to nominate any person nominated by a stockholder pursuant to the provisions of our Bylaws relating to stockholder nominations as described in "*Stockholder Proposals*," below. Stockholders may submit recommendations in writing addressed to the Nominating and Corporate Governance Committee, LTC Properties, Inc., 22917 Pacific Coast Highway, Suite 350, Malibu, California 90265.

Once a prospective nominee has been identified, by either the Nominating and Corporate Governance Committee or proposed by the stockholders, the Nominating and Corporate Governance Committee makes an initial determination as to whether to conduct a full evaluation of the prospective candidate. This initial determination would include whatever information is provided with the recommendation of the prospective candidate, the Nominating and Corporate Governance Committee's own knowledge of the prospective candidate and the Nominating and Corporate Governance Committee may make inquiries of the person making the recommendation or of others regarding the qualifications of the prospective candidate. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board. The Board's policy is to encourage selection of directors who will contribute to our overall corporate goals and to the discharge of the Board's responsibility to our stockholders. As such, the Board would take into consideration the prospective candidate's ability to represent the interests of our stockholders, the prospective candidate's standards of integrity, commitment and independence of thought and judgment. The Nominating and Corporate Governance Committee may, at the request of the Board from time to time, review the appropriate skills and characteristics required of Board members in the context of the current makeup of the Board. Board members are expected to prepare for, attend and participate in meetings of the Board and of Nominating and Corporate Governance Committees on which they serve; therefore, a prospective candidate must have the ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties as a Board member.

The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. The Nominating and Corporate Governance Committee will conduct interviews with prospective nominees in person or by telephone. After completing the evaluation and interviews, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Director Compensation

In fiscal 2004, each non-employee director received a fee of \$6,250 per quarter and \$750 for attendance in person or telephonically at each meeting of the Board of Directors or of any committee meeting held on a day on which the Board of Directors did not meet. In addition, we reimbursed the directors for travel expenses incurred in connection with their duties as our directors.

Directors participate in our Amended and Restated 1992 Stock Option Plan (or the 1992 Plan), our 1998 Equity Participation Plan (or the 1998 Plan), our 2004 Stock Option Plan and our 2004 Restricted Stock Plan. Both the 1992 Plan and the 1998 Plan permit the Compensation Committee to grant nonqualified stock options or restricted shares to directors from time-to-time. No stock options were granted to non-employee Board members in 2004. The Compensation Committee may grant nonqualified stock options under our 2004 Stock Option Plan or restricted stock under our 2004 Restricted Stock Plan to directors from time to time. Mr. Boyd W. Hendrickson joined our Board on February 1, 2005 and in accordance with the provisions of the 1998 Plan was granted 15,000 nonqualified stock options that vest over three years on each anniversary date. In addition, at our February 2, 2005 Board meeting, the Compensation Committee granted 3,000; 3,000; 1,000 and 1,000 shares of restricted stock from our 2004 Restricted Stock Plan to Mr. Hendrickson, Dr. Triche,

Mr. King and Mr. Yellen, respectively. These shares vest over three years on the anniversary date of the grant.

In previous years, directors were eligible to participate in our Amended Deferred Compensation Plan (or Deferred Plan) whereby we made contributions of up to \$10,000 for each non-employee director. This Deferred Plan was frozen in 2002 and no contributions have been made on behalf of any employee or Board member since 2001. All previous contributions made by us to the deferred compensation plan trust were invested in shares of our common stock and as dividends are paid on these shares, additional shares of our common stock are purchased on behalf of the participants in the Deferred Plan.

Communications with the Board

Stockholders who wish to contact members of the Board or its committees may send written correspondence to the Lead Independent Director of LTC Properties, Inc. at P.O. Box 1043 Woodland Hills, CA 91365-1043. Stockholders should provide proof of share ownership with their correspondence. It is suggested that stockholders also include contact information.

New York Stock Exchange Certification

The certification of the Chief Executive Officer and our Annual Written Affirmation required by the New York Stock Exchange Listing Standards, Section 303A.12, relating to our compliance with the New York Stock Exchange Corporate Governance Listing Standards, was submitted to the New York Stock Exchange on June 7, 2004.

Dimitriadis and Chavez and Ms. Simpson, respectively, vested in January 2005. The remaining restricted shares held by Mr. Dimitriadis and Ms. Simpson vest at the rate of 10% of the original unvested amount per year provided that the Company's funds from operations per share for the year then ended increased over funds from operations of the previous year. The National Association of Real Estate Investment Trusts (or NAREIT) has defined funds from operations as net income applicable to common stockholders (computed in accordance with GAAP) excluding gains (or losses) from debt restructuring, sales of property, plus depreciation of real property and after adjustments for unconsolidated entities in which a REIT holds an interest. On January 3, 2005, Mr. Chavez resigned from the Company and his remaining unvested restricted shares were cancelled. During 2004, Mr. Malin and Ms. Shelley-Kessler were each granted 3,000 shares of restricted stock. The restricted shares held by Mr. Malin and Ms. Shelley-Kessler vest ratably over three years in May and August, respectively.

Employment Agreements

On March 26, 1999, we entered into an employment agreement with Mr. Dimitriadis. The employment agreement dated March 26, 1999 amends and restates an employment agreement dated June 30, 1998 between LTC Properties and Mr. Dimitriadis. The March 26, 1999 employment agreement was amended effective June 30, 2000. Mr. Dimitriadis, as Chairman, Chief Executive Officer and President, has been provided with a four-year "ever-green" employment contract. Mr. Dimitriadis' current annual base salary is \$400,000.

On April 10, 2000, we entered into an employment agreement with Ms. Simpson. Ms. Simpson, as Vice Chairman and Chief Financial Officer was provided with a one-year "ever-green" employment contract. This agreement was amended effective June 30, 2000. On March 9, 2004, we entered into a new employment agreement with Ms. Simpson. This new agreement provides Ms. Simpson with a two-year "ever-green" employment contract and otherwise, has identical terms and conditions as the previous amended agreement except for severance payments that would result from a change of control as disclosed below. Ms. Simpson's current base salary is \$300,000.

On September 4, 2001, we entered into an employment agreement with Mr. Chavez. Mr. Chavez, as Senior Vice President and Treasurer was provided with a one-year "ever-green" employment contract. On March 9, 2004, we entered into a new employment agreement with Mr. Chavez. This new agreement has identical terms and conditions as the previous agreement except for severance payments that would result from a change of control as disclosed below. Edgar Filing: LTC PROPERTIES INC - Form DEF 14A

On August 9, 2004, we entered into an employment agreement with Ms. Shelley-Kessler. Ms. Shelley-Kessler, as Vice President, Controller and Secretary, has been provided with a one-year "ever-green" employment contract.

On August 9, 2004, we entered into an employment agreement with Mr. Malin. Mr. Malin, as Vice President and Chief Investment Officer, has been provided with a one-year "ever-green" employment contract.

The employment agreements provide that the base salaries may be increased at the discretion of our Board of Directors. Any increase in base salary will automatically amend each executive's respective employment agreement to provide that thereafter the executive's annual base salary will not be less than the increased base salary approved by our Board of Directors.

If the officer's employment is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason or a change in control of our company, then we will pay the officer a lump sum severance payment equal to four times base salary for Mr. Dimitriadis, two times base salary for Ms. Simpson and one times base salary for Ms. Shelley-Kessler and Mr. Malin. Upon a change in control of our company whether or not the officer's employment is terminated, we will pay the officer a severance payment in cash equal to \$5,000,000 for Mr. Dimitriadis, \$1,000,000 for Ms. Simpson and one times base salary for Ms. Shelley-Kessler and Mr. Malin. Prior to the new employment agreement entered into with Ms. Simpson on March 9, 2004, she would have received a severance payment upon a change of control, equal to two times her base salary. In addition, if any payment or benefit received by an officer from us subjects the officer to excise taxes under the "golden parachute" rules on payments and benefits, the officer will be entitled to receive an additional amount (a "gross-up payment" to make the officer whole for these excise taxes (and for all taxes on the gross-up payment). Notwithstanding the foregoing, we will have no liability if an officer's employment is terminated for cause or by voluntary resignation without a good reason. During the term of his employment by us, each officer will devote the time necessary to provide the services reasonably required by our Board of Directors and will not, without the express approval of our Board of Directors, engage for his own account or for the account of any other person or entity, in a business which competes with us.

CERTAIN TRANSACTIONS

Employee and Director Stock Option Loans In 1997, the Board of Directors adopted a loan program designed to encourage executives, key employees, consultants and directors to acquire common stock through the exercise of options. Under the program, we made full recourse, secured loans to participants equal to the exercise price of vested options plus up to 50% of the taxable income resulting from the exercise of options. Such loans bear interest at the then current Applicable Federal Rate (or AFR). In January 2000, the Board of Directors approved a new loan agreement for current executives and directors in the amounts of the remaining principal balance of the original loans.

The new loan agreements provided that the interest rate was 6.07% (AFR for an equivalent 3 to 9 year instrument) and interest payments were to be paid from the dividends received on the shares pledged as security for the notes during the quarter in which the interest was due. If the dividend did not fully pay the interest due or if no dividend was paid during the quarter, the unpaid interest was added to the principal balance. In addition, the notes also required the borrower to reduce principal by one-half of the most recent dividend received on the pledged shares less the interest paid on the loans from that dividend.

Section 402 of The Sarbanes-Oxley Act of 2002 prohibits companies from making this type of loan after July 30, 2003 and prohibits companies from materially modifying or renewing existing loans. We no longer make loans under this program and we have not made a loan since 1998. Subsequent to February 23, 2004, the Company had no loans outstanding to officers or directors. The maximum amount outstanding during 2004, the outstanding principal, the number of shares of common stock and the market value (at \$19.91 per share) of the common stock securing these loans at December 31, 2004 was:

Name	Maximum Amount Outstanding in 2004	Outstanding Principal at December 31, 2004	Shares Securing the Loans at December 31, 2004

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There are no "interlocks" (as defined by the rules of the Securities and Exchange Commission) with respect to any member of the Compensation Committee of the Board of Directors, and this Committee consists entirely of independent, non-employee directors.

COMPENSATION COMMITTEE REPORT

The Compensation Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities and Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

During 2004, the Compensation Committee was comprised of Mr. King, Chair and Dr. Triche and Mr. Yellen each of whom is a "non-employee director" within the meaning of Rule 16b-3 issued by the SEC and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code, as amended. Each appointed Committee member will be subject to annual reconfirmation and may be removed by the Board at any time. The Compensation Committee reviews and approves the compensation of our executive officers and determines our general compensation policy. The Compensation Committee is also responsible for the administration of our 1992 Plan, 1998 Plan, 2004 Stock Option Plan, and 2004 Restricted Stock Plan. The Compensation Committee is authorized to determine the options and restricted stock awards to be granted under such plans and the terms and provisions of such options and restricted stock awards. We have two executive officers, one of which is our Chief Executive Officer.

Compensation Philosophy

The Compensation Committee endeavors to ensure that the compensation programs for our executive officers are effective in attracting and retaining key executives responsible for our company's success and are administered in appropriate fashion in the long-term interests of our company and our stockholders. The Compensation Committee seeks to align total compensation for executive management with our overall performance as well as the individual performance of each executive officer. Our compensation package, which currently is comprised of base salary, bonuses, stock options and restricted stock, is intended to reinforce management's commitment to enhancing profitability and stockholder value.

The policies of the Compensation Committee may be summarized as follows:

- (1) LTC Properties' compensation programs are designed to attract, motivate and retain qualified key executives;
- (2) An executive's salary, bonuses and incentive compensation and other benefit programs should reflect both the Company's performance as a whole and the executive's individual performance and effort;
- (3) LTC Properties' compensation programs should enable the executive to have a financial interest in the Company that parallels the financial interests of the Company's stockholders.

In determining the level and composition of compensation for the executive officers, the Compensation Committee considers various corporate performance measures, both in absolute terms and in relation to similar companies, and individual performance measures. Although the Compensation Committee considers funds from operations per share as an important measure of our performance, the Compensation Committee does not apply any specific quantitative formula in making compensation decisions. The Compensation Committee also may evaluate the following factors in establishing executive compensation: (a) periodically, the comparative compensation surveys and other material concerning compensation levels and stock grants at similar companies; (b) our historical compensation levels and stock awards; (c) overall competitive environment for executives and the level of compensation necessary to attract and retain executive talent; (d) financial performance of other real estate investment trusts and its peer group relative to market condition; and (e) from time to time, the Compensation Committee may seek the advice of an independent compensation consultant in assessing its overall compensation philosophy. The Compensation Committee assigns no specific weight to any of the factors discussed above in establishing executive compensation.

Base Salaries

Base salaries are reviewed and adjusted by the Compensation Committee on an annual basis. The Compensation Committee seeks to ensure that the base salaries are established at levels considered

appropriate in light of responsibilities and duties of the executive officers as well as at levels competitive to amounts paid to executive officers of its peer group. In determining an individual executive's actual base salary, the Compensation Committee also considers other factors, which may include the executive's past performance and contributions to our success. Base compensation for Mr. Dimitriadis and Ms. Simpson in 2004 and as of January 1, 2005, was \$400,000 and \$300,000 respectively.

Compensation of the Company's Chief Executive Officer

Mr. Dimitriadis is compensated pursuant to an employment agreement entered into on June 30, 1998 and amended March 26, 1999 and June 30, 2000. The agreement is described under "Employment Agreements" on page 10, and extends every March 26th for four years, subject to earlier termination under certain circumstances. Mr. Dimitriadis' employment agreement provides for an annual base salary of \$400,000; bonuses, if any, are determined by the Compensation Committee.

Bonuses

Bonuses are awarded based on our overall performance and individual performance of each executive officer. The amounts awarded may vary from year to year and may be awarded to executive officers in other forms such as stock awards in lieu of cash payments.

The Compensation Committee recommended that bonuses be paid to executives in part as recognition of the increase in the Company's common stock price from \$14.74 at December 31, 2003 to \$19.91 at December 31, 2004, the successful issuance of the Series F Cumulative Preferred Stock, the redemption of the Series A and Series B Preferred Stock outstanding as of December 31, 2003, and the benefits of additional revenue from new investments made during 2004. Bonuses were awarded to Mr. Dimitriadis and Ms. Simpson in the amounts of \$300,000 and \$225,000, respectively for fiscal 2004.

Stock Option Plans

Securities authorized for issuance under equity compensation plans as of December 31, 2004 are as follows:

Equity Compensation Plan Information			
	(a)	(b)	(c)
Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column(a))
Equity compensation plans approved by security holders	200,300	\$ 7.15	657,716
Equity compensation plans not approved by security holders			
Total	200,300	\$ 7.15	657,716

We have adopted the Restated 1992 Stock Option Plan, the 1998 Equity Participation Plan, the 2004 Stock Option Plan and the 2004 Restricted Stock Plan under which awards may be granted including stock options (incentive or non-qualified), stock appreciation rights, restricted stock, deferred stock and dividend equivalents. We reserved 1,400,000 shares of common stock for issuance under the 1992 Plan, 500,000 shares for issuance under the 1998 Plan, 500,000 shares for issuance under the 2004 Stock Option Plan and 100,000 shares for issuance under the 2004 Restricted Stock Plan. All plans are administered by the Compensation Committee which sets the terms and provisions of the awards

granted under the plans. Incentive stock options, stock appreciation rights, restricted stock, deferred stock and dividend equivalents may only be awarded officers and other full-time employees to promote our long-term performance and specifically, to retain and motivate senior management to achieve a sustained increase in stockholder value. Non-qualified stock options, stock appreciation rights, restricted stock, deferred stock and dividend equivalents may be awarded to non-employee directors, officers, other employees, consultants and other key persons who provide services to us. The Plan limits of common stock awards are 100,000 shares per year per individual under the 1998 Plan, 100,000 shares per year per individual under the 2004 Stock Option Plan and 20,000 shares per year per individual under the 2004 Restricted Stock Plan. The Compensation Committee reviews and evaluates the overall compensation package of the executive officers and determines the awards based on our overall performance and the individual performance of the executive officers.

No stock options or restricted stock were granted to named executive officers in fiscal 2004.

401(k) Savings Plan

In January 2002 we implemented a 401(k) Savings Plan which is a defined contribution plan covering all of our employees. Each year participants may contribute up to 15% of pre-tax annual compensation. In 2004 the contributions may not exceed \$13,000, or \$14,000 if the employee is 50 years or older. Our company will match up to 3% of salaries for our three vice presidents and contribute 3% of the individual's salary for staff that open an account. We will not contribute any amount, nor match contributions for our two named executive officers.

Policy with Respect to Section 162(m)

Section 162(m) of the Code denies deduction for Federal income tax purposes for certain compensation in excess of \$1,000,000 paid to certain executive officers, unless certain performance, disclosure, stockholder approval and other requirements are met. The Compensation Committee will continue to review the effects of its compensation programs with regard to Code Section 162(m). A substantial portion of the compensation program will be exempted from the \$1,000,000 deduction limitation. The Company will continue to evaluate alternatives to ensure executive compensation is reasonable, performance-based, and consistent with the Company's overall compensation objectives. The Compensation Committee reserves the right to design programs that recognize a full range of performance criteria important to the Company's success, even where the compensation paid under such programs may not be deductible.

Interpretations of and changes in the tax laws and other factors beyond the Compensation Committee's control may affect the deductibility of certain compensation payments. The Compensation Committee will consider various alternatives to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities to file with the Securities and Exchange Commission and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of common stock and other equity securities of our company. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2004, all directors, executive officers and persons who beneficially own more than 10% of our common stock have complied with the reporting requirements of Section 16(a).

STOCK PERFORMANCE GRAPH

This graph compares the cumulative total stockholder return on our common stock from December 31, 1999 to December 31, 2004 with the cumulative stockholder total return of (1) the Standard & Poor's 500 Stock Index and (2) the NAREIT Hybrid REIT Index. The comparison assumes \$100 was invested on December 31, 1999 in our common stock and in each of the foregoing indices and assumes the reinvestment of dividends.

Total Return Stock Performance

The stock performance depicted in the above graph is not necessarily indicative of future performance. The stock performance graph and compensation committee report shall not be deemed incorporated by reference into any filing by us under the Securities Act or the Exchange Act except to the extent that we specifically incorporate such information by reference, and shall not otherwise be deemed filed under such Acts.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities and Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the Board of Directors is comprised of three independent directors as determined by the Board within the meaning of the New York Stock Exchange listing standards and operates under a written charter adopted by the Board. The Charter was amended and approved by the Board on February 2, 2005. The amended Charter is attached to this proxy as Appendix B.

The Audit Committee has direct oversight of all compliance matters having to do with financial matters, Securities and Exchange Commission reporting and auditing. Additionally, it is the Audit Committee's duty to review annually the Audit Committee Charter and the Company's Code of Business Conduct, Ethics and Corporate Governance for adequacy and recommend any changes to the Board.

The Audit Committee is appointed by the Board to assist the Board in its oversight function by monitoring, among other things, the integrity of the Company's financial statements, the Company's financial reporting process and the independence and performance of the independent auditors. It is the responsibility of executive management of the Company to prepare financial statements in accordance with generally accepted accounting principles and of the Company's independent auditors to audit those financial statements. The Audit Committee has the sole authority and responsibility to select, appoint, evaluate, compensate and retain, approve significant non-audit services, confirm the independence of the independent public accountants and, where appropriate, replace the independent auditors. Additionally, the Audit Committee determines the extent of funding that the Company must provide to it.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

In addition, the Audit Committee has received the written disclosures and the letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), as amended, from the independent auditors and has discussed with the independent auditors the independent auditor's independence from the Company and its management. Further, the Audit Committee has considered whether the non-audit services provided by the independent auditors are compatible with maintaining the auditor's independence.

Further, the Audit Committee periodically meets with the independent auditors, without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

During the past year, the Audit Committee met with the independent auditors six times in total and without management present four times.

Based on the reviews and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and set forth in the Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's 2004 Form 10-K for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE CHARTER**

I. PURPOSE

The purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others, the systems of internal controls which management and the Board of Directors have established, the performance and selection of independent accountants, and the Company's audit and financial reporting process.

The Audit Committee will fulfill these responsibilities by carrying out the activities enumerated in Section 3 of the Charter. The Committee shall be given full and direct access to the Company's Chairman of the Board, Company executives and independent accountants as necessary to carry out these responsibilities. However, the Committee's function is one of oversight only and shall not relieve the Company's management of its responsibilities for preparing financial statements which accurately and fairly present the Company's financial results and conditions, or the responsibilities of the independent accountants relating to the audit or review of financial statements.

The independent accountants' ultimate responsibility is to the Board of Directors and the Audit Committee, as representatives of the shareholders. These representatives have the ultimate authority to select, evaluate, and where appropriate, replace the independent accountants.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall be comprised of not less than three directors, each of whom will be independent as required by Section 10A(m) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and rules of the New York Stock Exchange (or NYSE). Each appointed Committee member shall be subject to annual reconfirmation and may be removed by the Board at any time.

All members of the Committee shall be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background, which results in the individual's financial sophistication.

III. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

1. Review annually the Audit Committee Charter and the Code of Business Conduct, Ethics and Corporate Governance for adequacy and recommend any changes to the Board.
2. Review the significant accounting principles, policies and practices followed by the Company in accounting for and reporting its financial results of operations in accordance with generally accepted accounting principles (or GAAP).
3. Review the financial, investment and risk management policies followed by the Company in operating its business activities.
4. Review the Company's annual audited financial statements, related disclosures, including the MD&A portion of the Company's filings, and discuss with the independent accountants the matters required to be discussed by Auditing Standard No. 61, including (a) the quality as well as acceptability of the accounting principles applied in the financial statements, and (b) new or

Edgar Filing: LTC PROPERTIES INC - Form DEF 14A

changed accounting policies; significant estimates, judgments, uncertainties or unusual transactions; and accounting policies relating to significant financial statement items.

5. Review any management letters or internal control reports prepared by the independent accountants and responses to prior management letters, and review with the independent accountants the Company's internal financial controls.
6. Review the effectiveness of the independent audit effort, including approval of the scope of, and fees charged in connection with, the annual audit, quarterly reviews and any non-audit services being provided.
7. Be responsible for the appointment, determination of the funding for and oversight of the work of the independent accountant employed to conduct the audit (including resolution of disagreements between the independent accountants and management regarding financial reporting). The independent accountants shall report directly to the Audit Committee.
8. Approve all services that may be provided to the Company by the independent accountants whether or not related to the audit, and review the hiring policies for any employees or former employees of the independent accountants.
9. Obtain on an annual basis a formal written statement from the independent accountants delineating all relationships between the accountants and the Company consistent with Independent Standards Board Standard No. 1, and review and discuss with the accountants all significant relationships the accountants have with the Company, which may affect the accountants' independence.
10. For each of the first three fiscal quarters and at year end, at a Committee meeting, review with management the financial results, the proposed earnings press release and formal guidance which the Company may plan to offer and review with the independent accountants the results of their review of the interim financial information and audit of the annual financial statements.
11. Review management's analysis of any significant accounting issues, changes, estimates, judgments or unusual items relating to the financial statements and the selection, application and effects of critical accounting policies applied by the Company (including an analysis of the effect of alternative GAAP methods) and review with the independent accountants the reports on such subjects delivered pursuant to Section 10A(k) of the Exchange Act.
12. Following completion of the annual audit, review separately with the independent accountants and management any significant difficulties encountered during the course of the audit.
13. Engage and determine funding for such independent professional advisors and counsel as the Committee determines are appropriate to carry out its functions hereunder.
14. Report to the Board on a regular basis on the major events covered by the Audit Committee and make recommendations to the Board and management concerning these matters.
15. Perform any other activities consistent with this charter, the Company's Bylaws and governing law as the Committee or the Board deems necessary or appropriate, including but not limited to the Company's legal and regulatory compliance.
16. Approve all transactions between the Company and Related Party, as defined by applicable NYSE Rules.
17. Establish procedures for (a) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and

Edgar Filing: LTC PROPERTIES INC - Form DEF 14A

(b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

IV. AUDIT COMMITTEE MEETINGS

The Committee will meet on a regular basis at least 4 times each year, and will hold special meetings as circumstances require. The timing of the meetings shall be determined by the Audit Committee. However, the Committee will meet at any time that the independent accountants believe communication to the Committee is required. At each regular meeting the Committee will meet separately with representatives of the independent accountants.

At all Audit Committee meetings a majority of the total number of members shall constitute a quorum. A majority of the members of the Committee shall be empowered to act on behalf of the Committee. Minutes shall be kept of each meeting of the Committee.
