RECENT EVENTS: DEREGISTRATION

On June 16, 2006, AnorMED Inc. ("AnorMED") filed a Form S-8 registration statement (File No. 333-135097) registering the issuance by AnorMED of 3,821,246 common shares, no par value, of AnorMED ("AnorMED Shares"), authorized for issuance under AnorMED's Incentive Stock Option Plan. On November 7, 2006, Dematal Corp., a wholly-owned subsidiary of Genzyme Corporation, completed a cash tender offer and related transaction pursuant to which it acquired all the outstanding AnorMED Shares.

As AnorMED will cease to be a reporting issuer in connection with this transaction, AnorMED hereby removes from registration any and all AnorMED Shares originally authorized for issuance under the Incentive Stock Option Plan and registered for issuance under this Registration Statement on Form S-8 which have not been issued. AnorMED's Incentive Stock Option Plan will be terminated and no additional AnorMED Shares may be issued or sold under such plan. There are no outstanding stock options under AnorMED's Incentive Stock Option Plan as of the date hereof.
