**2009 ANNUAL MEETING OF STOCKHOLDERS
OF
TERRA INDUSTRIES INC.**

**PROXY STATEMENT
OF
CF INDUSTRIES HOLDINGS, INC.
AND CF COMPOSITE, INC.**

This proxy statement and the accompanying **BLUE** proxy card are being furnished to you by (i) CF Industries Holdings, Inc., a Delaware corporation ("CF Holdings"), and (ii) CF Composite, Inc., a New York corporation ("CF Composite") and an indirect, wholly-owned subsidiary of CF Holdings (for convenience, throughout this proxy statement, we sometimes refer to CF Composite and CF Holdings, collectively, as "CF" or "we"), in connection with the solicitation of proxies from you, holders of common stock, without par value, or common shares, of Terra Industries Inc., a Maryland corporation (the "Company"). We intend to vote such proxies at the annual meeting of the Company's stockholders scheduled to be held at 10:00 a.m. Eastern Time, on Friday, November 20, 2009, at the offices of Credit Suisse, 11 Madison Avenue, Floor 2B Auditorium, New York, New York 10010, including any adjournments or postponements thereof and any special meeting that may be called in lieu thereof (the "Annual Meeting"), in order to take the following actions:

- (a) vote **FOR** the election of John N. Lilly, David A. Wilson and Irving B. Yoskowitz (each, a "Nominee" and, collectively, the "Nominees") to serve as Class II directors on the board of directors of the Company (the "Board") until the 2012 annual meeting of stockholders of the Company and until their respective successors are duly elected and qualify;
- (b) vote **FOR** the Company's proposal to ratify the selection by the Audit Committee of the Company (the "Audit Committee") of the firm of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009; and
- (c) transact such other business as may properly come before the Annual Meeting.

The Company has set the close of business on October 9, 2009 as the record date for determining stockholders entitled to vote at the Annual Meeting. The principal executive offices of the Company are located at Terra Centre, 600 Fourth Street, P.O. Box 6000, Sioux City, Iowa 51102-6000.

We are the beneficial owners of an aggregate of 6,986,048 common shares of the Company, representing approximately 7% of the issued and outstanding common shares of the Company. We intend to vote all of the common shares of the Company that we beneficially own at the Annual Meeting **FOR** the election of our Nominees and **FOR** the Company's proposal to ratify the selection by the Audit Committee of the firm of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009.

This proxy statement and the accompanying **BLUE** proxy card are first being sent or given on or about October 14, 2009 to all holders of common shares of the Company as of the record date.

On January 15, 2009, we announced that we had made a proposal to the Company to acquire all of the outstanding common shares of the Company at a fixed exchange ratio of 0.4235 shares of CF Holdings common stock, par value \$0.01 per share, for each common share of the Company. On March 9, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company that provides for an exchange ratio based on \$27.50 for each common share of the Company, with an exchange ratio of not less than 0.4129 of a CF Holdings share and not more than 0.4539 of a CF Holdings share for each common share of the Company. On March 23, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company with an exchange ratio based on \$30.50 for each common share of the Company, the exchange ratio to

Table of Contents

be not less than 0.4129 of a CF Holdings share and not more than 0.4539 of a CF Holdings share for each common share of the Company. On August 5, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company that provides for a fixed exchange ratio of 0.4650 shares of CF Holdings common stock for each common share of the Company, the return of a substantial amount of cash to the stockholders of the combined company and the issuance of "contingent future shares" to CF Holdings stockholders immediately prior to the closing of the transaction that would convert into shares of CF Holdings common stock under certain circumstances.

On September 24, 2009, the Company announced plans for a special cash dividend of \$7.50 per common share of the Company, an aggregate of approximately \$750 million, which the Company expected to declare and pay in the fourth quarter of 2009.

On September 28, 2009, we delivered to the Company a draft form of merger agreement setting forth the terms of our proposal for a business combination between CF Holdings and the Company. Under the terms of our proposal, upon the closing of the transaction, each outstanding common share of the Company would be converted into the right to receive 0.4650 of a share of CF Holdings common stock. If the Company declares the special dividend of \$7.50 per common share of the Company that the Company announced on September 24, 2009, the exchange ratio would be appropriately adjusted based on trading prices of shares of CF Holdings common stock for an agreed period prior to the closing of the transaction. The Company would also have the option to cause CF Holdings to issue, in lieu of the common stock consideration, a combination of a fraction of a share of CF Holdings common stock and a fraction of a share of a new series of CF Holdings participating preferred stock, which is intended to be equivalent in value, in the aggregate, to 0.4650 of a share of CF Holdings common stock (or the applicable adjusted exchange ratio if the Company declares the special dividend); however, the Company's election of such option would only become effective if our stockholders do not approve the issuance of the CF Holdings shares in the transaction. Under the terms of this proposal, CF Holdings would issue contingent future shares to CF Holdings' stockholders immediately prior to the closing of the business combination that would convert into an aggregate of 5 million CF Holdings shares if for a specified period following the business combination CF Holdings shares trade at over \$125 per share.

We are soliciting your vote because we believe that the current directors of the Company are not acting in what we believe to be your best interests with respect to our proposal for a business combination with the Company. As set forth in more detail under the caption "Background and Reasons for the Solicitation Reasons for Solicitation" below, we believe that a combination of CF Holdings' and the Company's businesses will create significant value for both CF Holdings' and the Company's stockholders. Under Maryland law, we are unable to complete the proposed business combination unless the transaction is approved by the Board. In an effort to obtain the approval of the Board, we have repeatedly expressed a desire to enter into negotiations with the Company regarding a business combination. We have also communicated to the Board that we are prepared to review any information it can provide that would justify a change in the terms of our proposal and are prepared to keep an open mind in that regard. The Board, however, has repeatedly rejected our proposal and has been unwilling to negotiate with us. In light of the significant benefits that we believe will result from the combination of CF Holdings' and the Company's businesses, we believe the Board's rejection of the proposed transaction and unwillingness to negotiate with us is not in your best interests.

We nominated the Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card to give you a means of showing your support for a business combination between CF Holdings and the Company. We believe that the election of the Nominees will demonstrate that the Company's stockholders support a business combination with us and want the Company to enter into negotiations with us. Because the proposed business combination between CF Holdings and the Company may only proceed with the approval of the Board, the election of our Nominees is also an important step toward a possible transaction because we anticipate that if the Nominees are elected,

Table of Contents

they would seek to maximize stockholder value and, in reviewing the proposed business combination transaction, would act in the best interests of the Company in accordance with their duties as directors. If elected, the Nominees could also take steps to try to persuade the other Board members to support and facilitate our proposal should the Nominees, as new directors, deem it appropriate in the exercise of their duties to the Company. In short, we believe the Nominees will do a better job of ensuring that your best interests are being served.

WE ARE NOT ASKING YOU TO VOTE ON OR TO APPROVE OUR PROPOSAL FOR A BUSINESS COMBINATION WITH THE COMPANY AT THIS TIME. HOWEVER, A VOTE "FOR" EACH OF THE NOMINEES WILL SEND A CLEAR MESSAGE TO THE BOARD THAT IT SHOULD GIVE PROPER CONSIDERATION TO OUR PROPOSAL.

This proxy statement does not constitute an offer to exchange, or a solicitation of an offer to exchange, common shares of the Company, nor is it a substitute for the prospectus/proxy statement CF Holdings would file with the U.S. Securities and Exchange Commission (the "SEC") regarding the proposed transaction if a negotiated transaction with the Company is reached or for any other document that CF Holdings may file with the SEC and send to CF Holdings or Company stockholders in connection with the proposed transaction. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ ANY SUCH DOCUMENTS AND OTHER RELEVANT MATERIALS IF AND WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION.

This solicitation is being made by CF and *not* on behalf of the Board or the Company's management.

**QUESTIONS AND ANSWERS RELATING TO
THIS PROXY SOLICITATION**

The following are some of the questions you may have as a stockholder of the Company, as well as the answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. We urge you to read this proxy statement carefully and in its entirety.

Who is making this solicitation?

CF Holdings is the holding company for the operations of CF Industries, Inc., a Delaware corporation ("CF Industries"). CF Industries is a major producer and distributor of nitrogen and phosphate fertilizer products. CF Industries operates world-scale nitrogen fertilizer plants in Donaldsonville, Louisiana and Medicine Hat, Alberta, Canada; conducts phosphate mining and manufacturing operations in Central Florida; and distributes fertilizer products through a system of terminals, warehouses and associated transportation equipment located primarily in the midwestern United States. CF Holdings also owns a 50% interest in KEYTRADE AG, a global fertilizer trading organization headquartered near Zurich, Switzerland.

CF Composite is a wholly-owned subsidiary of CF Industries.

We are the beneficial owners of an aggregate of 6,986,048 common shares of the Company, representing approximately 7% of the issued and outstanding common shares of the Company.

The solicitation for election of the Nominees and the ratification of the Audit Committee's selection of the Company's independent registered public accounting firm for 2009 at the Annual Meeting is being made by CF and certain other participants. For information regarding CF, please see the section entitled "Certain Information Regarding CF." For information regarding CF Industries and directors, executive officers and certain employees of CF and CF Industries who may assist in the solicitation of proxies, please see *Annex A* to this proxy statement.

What are we asking you to vote for?

We are asking you to vote **FOR** the following actions on the **BLUE** proxy card at the Annual Meeting:

1. the election of John N. Lilly, David A. Wilson and Irving B. Yoskowitz to serve as Class II directors on the Board until the 2012 annual meeting of stockholders of the Company and until their respective successors are duly elected and qualify; and
2. the Company's proposal to ratify the selection by the Audit Committee of the firm of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009.

Please see the sections entitled "Proposal 1: Election of the Nominees" and "Proposal 2: Ratification of Selection of Independent Accountants" for a more complete description of these proposals.

Who are the Nominees?

We are proposing that John N. Lilly, David A. Wilson and Irving B. Yoskowitz be elected as Class II directors of the Company to serve on the Board until the 2012 annual meeting of stockholders and until their respective successors are duly elected and qualify. The Board currently consists of eight directors who are divided into three classes, with the three members of Class II to be elected at the Annual Meeting.

We believe the Nominees are highly qualified to serve as directors on the Board and are independent within the meaning of the listing standards of the New York Stock Exchange (the

Table of Contents

"NYSE") and the Corporate Governance Guidelines of the Company. None of the Nominees is affiliated with CF or any subsidiary of CF or has any relationship with CF (except for his agreement to serve as a Nominee, as described in this proxy statement under "Arrangements between CF Holdings and the Nominees" below).

The principal occupation, business experience and certain other information with respect to each Nominee are set forth in this proxy statement under the section entitled "Proposal 1: Election of the Nominees," which we urge you to read.

Why are we soliciting your vote?

On January 15, 2009, we announced that we had made a proposal to the Company to acquire all of the outstanding common shares of the Company at a fixed exchange ratio of 0.4235 shares of CF Holdings common stock, par value \$0.01 per share, for each common share of the Company. On March 9, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company that provides for an exchange ratio based on \$27.50 for each common share of the Company, with an exchange ratio of not less than 0.4129 of a CF Holdings share and not more than 0.4539 of a CF Holdings share for each common share of the Company. On March 23, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company with an exchange ratio based on \$30.50 for each common share of the Company, the exchange ratio to be not less than 0.4129 of a CF Holdings share and not more than 0.4539 of a CF Holdings share for each common share of the Company. On August 5, 2009, we announced that we would be prepared to enter into a negotiated merger agreement with the Company that provides for a fixed exchange ratio of 0.4650 shares of CF Holdings common stock for each common share of the Company, the return of a substantial amount of cash to the stockholders of the combined company and the issuance of "contingent future shares" to CF Holdings stockholders immediately prior to the closing of the transaction that would convert into shares of CF Holdings common stock under certain circumstances.

On September 24, 2009, the Company announced plans for a special cash dividend of \$7.50 per common share of the Company, an aggregate of approximately \$750 million, which the Company expected to declare and pay in the fourth quarter of 2009.

On September 28, 2009, we delivered to the Company a draft form of merger agreement setting forth the terms of our proposal for a business combination between CF Holdings and the Company. Under the terms of our proposal, upon the closing of the transaction, each outstanding common share of the Company would be converted into the right to receive 0.4650 of a share of CF Holdings common stock. If the Company declares the special dividend of \$7.50 per common share of the Company that the Company announced on September 24, 2009, the exchange ratio would be appropriately adjusted based on trading prices of shares of CF Holdings common stock for an agreed period prior to the closing of the transaction. The Company would also have the option to cause CF Holdings to issue, in lieu of the common stock consideration, a combination of a fraction of a share of CF Holdings common stock and a fraction of a share of a new series of CF Holdings participating preferred stock, which is intended to be equivalent in value, in the aggregate, to 0.4650 of a share of CF Holdings common stock (or the applicable adjusted exchange ratio if the Company declares the special dividend); however, the Company's election of such option would only become effective if our stockholders do not approve the issuance of the CF Holdings shares in the transaction. Under the terms of this proposal, CF Holdings would issue contingent future shares to CF Holdings' stockholders immediately prior to the closing of the business combination that would convert into an aggregate of 5 million CF Holdings shares if for a specified period following the business combination CF Holdings shares trade at over \$125 per share.

We are soliciting your vote because we believe that the current directors of the Company are not acting in what we believe to be your best interests with respect to our proposal for a business combination with the Company. As set forth in more detail under the caption "Background and

Table of Contents

Reasons for the Solicitation "Reasons for Solicitation" below, we believe that a combination of CF Holdings' and the Company's businesses will create significant value for both CF Holdings' and the Company's stockholders. Under Maryland law, we are unable to complete the proposed business combination unless the transaction is approved by the Board. In an effort to obtain the approval of the Board, we have repeatedly expressed a desire to enter into negotiations with the Company regarding a business combination. We have also communicated to the Board that we are prepared to review any information it can provide that would justify a change in the terms of our proposal and are prepared to keep an open mind in that regard. The Board, however, has repeatedly rejected our proposal and has been unwilling to negotiate with us. In light of the significant benefits that we believe will result from the combination of CF Holdings' and the Company's businesses, we believe the Board's rejection of the proposed transaction and unwillingness to negotiate with us is not in your best interests.

We nominated the Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card to give you a means of showing your support for a business combination between CF Holdings and the Company. We believe that the election of the Nominees will demonstrate that the Company's stockholders support a business combination with us and want the Company to enter into negotiations with us. Because the proposed business combination between CF Holdings and the Company may only proceed with the approval of the Board, the election of our Nominees is also an important step toward a possible transaction because we anticipate that if the Nominees are elected, they would seek to maximize stockholder value and, in reviewing the proposed business combination transaction, would act in the best interests of the Company in accordance with their duties as directors. If elected, the Nominees could also take steps to try to persuade the other Board members to support and facilitate our proposal should the Nominees, as new directors, deem it appropriate in the exercise of their duties to the Company. In short, we believe the Nominees will do a better job of ensuring that your best interests are being served.

If I vote for the Nominees, am I agreeing to a business combination between the Company and CF Holdings?

No. Although the election of our Nominees to the Board is an important step toward a potential business combination with CF Holdings, we are not asking the Company's stockholders to consent to or vote on a merger with CF Holdings at this time. Even if all three of our Nominees are elected at the Annual Meeting, they will still only constitute a minority of the Board (i.e., three out of eight directors). If necessary, we presently intend to nominate additional persons to be considered for election to the Board at the Company's 2010 annual meeting of stockholders and, if the Nominees are elected, to ultimately replace a majority of the Company's directors with nominees selected by us.

Who can vote at the Annual Meeting?

According to publicly available information, the only securities eligible to be voted at the Annual Meeting are common shares of the Company. Only stockholders of record at the close of business on the record date, October 9, 2009, are entitled to vote at the Annual Meeting. Each common share represents one vote, and all shares vote together as a single class. If you are a stockholder of record as of the record date, you will retain your right to vote at the Annual Meeting, even if you sell your shares after the record date.

How many common shares of the Company must be voted in favor of the Nominees to elect them?

Directors of the Company are elected by a plurality of all the votes cast at the Annual Meeting, assuming a quorum is present. For this purpose, "plurality" means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be elected. Accordingly, at the Annual Meeting, the three nominees who receive the greatest number of votes cast by the Company's stockholders represented in person or by proxy will be elected as directors.

Table of Contents

How many common shares of the Company must be voted in favor of the other proposal described in this proxy statement?

Proposal 2, to ratify the selection by the Audit Committee of the Company's independent registered public accounting firm for 2009, and any other matter that comes before the Annual Meeting, require the approval of a majority of the votes cast at the Annual Meeting on the matter.

What should I do in order to vote for the Nominees and the other proposal?

If your common shares of the Company are held of record in your own name, please authorize a proxy to vote by signing and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us.

If you hold your common shares of the Company in "street name" with a bank, brokerage firm, dealer, trust company or other nominee, only they can exercise your right to vote with respect to your shares and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **BLUE** proxy card is submitted on your behalf. Please follow the instructions to authorize a proxy to vote provided on the enclosed **BLUE** proxy card. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by Internet or telephone, instructions will be included on the enclosed **BLUE** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to us, care of Innisfree M&A Incorporated, at 501 Madison Avenue, 20th Floor, New York, New York 10022, so that we may be aware of all instructions given and can attempt to ensure that such instructions are followed.

What is the deadline for submitting proxies?

Proxies can be submitted until the polls are closed at the Annual Meeting. However, to be sure that we receive your proxy in time to utilize it, we request that you provide your proxy to us as early as possible.

Who is paying for the solicitation on behalf of CF?

We will pay all costs of the solicitation of proxies on behalf of CF for the Annual Meeting, and we will not seek reimbursement of those costs from the Company.

Whom should I call if I have any questions about the solicitation?

If you have any questions, or need assistance in voting your shares, please call our proxy solicitor, Innisfree M&A Incorporated, toll free at 877-456-3507. Banks and brokers and callers from other countries may call collect at 212-750-5833.

BACKGROUND AND REASONS FOR THE SOLICITATION

Background of Solicitation

Since the late 1990's, management and representatives of CF Holdings (and its predecessor, CF Industries, Inc.) and the Company have engaged in several series of discussions and meetings concerning a potential business combination between the two companies. None of these discussions led to entry into any definitive agreement for a business combination transaction.

In late 2003, Mr. Michael L. Bennett, President and Chief Executive Officer of the Company, contacted Mr. Stephen R. Wilson, then President and Chief Executive Officer of CF Industries, Inc., to discuss a potential business combination between the Company and CF Industries, Inc. The parties then had multiple discussions regarding a possible transaction. On August 9, 2004, the Company announced it had reached a definitive agreement to acquire Mississippi Chemical Corporation for approximately \$268 million. On that same day, Mr. Bennett also informed Mr. Wilson that the Company was postponing further discussions to focus its efforts on acquiring and integrating Mississippi Chemical Corporation.

In August 2005, CF Holdings completed its initial public offering.

In May 2007, Mr. Wilson, the Chairman, President and Chief Executive Officer of CF Holdings, contacted Mr. Bennett to discuss a potential business combination between CF Holdings and the Company. Over the course of the summer of 2007 and early fall 2007, Mr. Wilson and Mr. Bennett engaged in a number of discussions regarding a potential transaction. In September 2007, Mr. Bennett informed Mr. Wilson that the Company was not interested in pursuing further discussions. In November 2007, Mr. Wilson and David R. Harvey, CF Holdings' lead independent director, met with Mr. Bennett and Henry R. Slack, the Chairman of the Board. During this meeting, Mr. Bennett reiterated that the Company was not interested in pursuing further discussions regarding a possible business combination transaction.

On the evening of January 15, 2009, Mr. Wilson met with Mr. Bennett and informed him that the CF Holdings board of directors had authorized him to make an offer for the Company of 0.4235 shares of CF Holdings common stock for each common share of the Company, subject to the negotiation of a definitive merger agreement, receipt of necessary approvals and limited confirmatory due diligence. At this meeting, Mr. Wilson delivered a letter containing CF Holdings' proposal to Mr. Bennett. The letter read as follows:

Attention: Henry R. Slack, Chairman of the Board
Michael L. Bennett, President and Chief Executive Officer

Dear Members of the Board:

I am writing on behalf of the Board of Directors of CF Industries Holdings, Inc. to make a proposal for a business combination between CF and Terra Industries Inc. Under our proposal, CF would acquire all of the outstanding shares of Terra common stock at a fixed exchange ratio of 0.4235 CF shares for each Terra common share. Our proposal represents a premium of 34% based on the 30-day volume weighted average prices for the shares of our two companies, and a 29% premium based on the 10-day volume weighted average. Our proposal also represents a 23% premium over the closing price of your shares today.

Since you first approached us several years ago regarding a combination of our companies, we believe that we have developed mutual respect for the two organizations and have both recognized that a combination makes strategic sense. Combining the talents and creative energy of our respective workforces will substantially enhance our ability to maximize value for shareholders going forward. CF respects the strong culture of Terra, an attribute we believe is highly complementary to our business, and we believe there are attractive opportunities at the combined company for Terra's employees.

We anticipate annual run-rate operating synergies from the combination will be in excess of \$100 million and your shareholders will share in the value of those synergies through their continued ownership of the combined company. In addition, the resulting company would emerge a global leader in nitrogen fertilizer production. Together we would create a company with greater scale and an improved strategic platform better able to compete in a global commodity industry. The combination creates a larger and better capitalized company than either company currently. A combination would provide shareholders greater market liquidity, a stronger and more flexible balance sheet and improved access to capital. An enhanced financial profile could support additional opportunities to pursue value-creating projects and attractive new investment opportunities. Furthermore, the combination provides Terra shareholders with important diversification from a single crop nutrient, nitrogen, into a strong new position in phosphate and participation in and global market insights through our 50% interest in KEYTRADE AG.

We have dedicated considerable time and resources to an analysis of a potential transaction and are confident that the combination will receive all necessary regulatory approvals. We are confident that you agree with this assessment given that you initially approached us regarding a combination.

Our proposal is subject to the negotiation of a definitive merger agreement and receipt of the necessary board and shareholder approvals. Because our proposal is based solely on publicly available information, it is subject to our having the opportunity to conduct limited confirmatory due diligence. In addition, because the merger consideration is payable in CF stock, we would provide you with an opportunity to conduct appropriate due diligence with respect to CF. We are prepared to send you a draft merger agreement and to begin discussions and due diligence immediately.

We understand that Terra's debt may need to be refinanced as a result of the combination. Our proposal is not subject to any financing contingency.

In light of the significance of this proposal to your shareholders and ours, as well as the potential for selective disclosures, our intention is to release the text of this letter to the public.

My leadership team and I would be happy to make ourselves available to meet with your management team and Board at your earliest convenience.

We believe this proposal represents a unique opportunity to create significant value for Terra's shareholders and employees, and that the combined company will be better positioned to provide an enhanced value proposition to customers. We hope that you share our enthusiasm, and we look forward to a favorable reply. We respectfully request that you respond no later than January 30, 2009.

Sincerely yours,

In considering whether to make an offer for a business combination between CF Holdings and the Company, the CF Holdings board of directors believed, based on the prior discussions between the parties, that further private negotiations would not likely lead to a definitive agreement within a reasonable period of time. For this reason, as well as our belief in the significance of the proposal to

the Company's and CF Holdings' stockholders, we publicly released the terms of the proposal and the text of the above letter later in the evening of January 15, 2009.

On January 16, 2009, the Company issued a press release confirming receipt of our proposal to acquire all of the outstanding common shares of the Company, indicating that the Board was considering and evaluating our proposal with its advisors and advised the Company's stockholders to take no action at that time pending the review by the Board.

On the morning of January 28, 2009, Mr. Wilson received a telephone message from Mr. Bennett informing him that shortly he would be receiving a written response to our proposal and that the response would be released to the public. Mr. Bennett subsequently delivered a letter to Mr. Wilson explaining that the Board had declined to accept our proposal. The letter read as follows:

January 28, 2009

Mr. Stephen R. Wilson
Chairman, President and Chief Executive Officer
CF Industries Holdings, Inc.
4 Parkway North, Suite 400
Deerfield, IL 60015

Dear Mr. Wilson:

The Board of Directors of Terra Industries Inc., with the assistance of its financial and legal advisors, has carefully considered your unsolicited proposal to combine our companies. Although we are perplexed by your decision to make a public approach that is conditioned on and subject to due diligence, we have nonetheless examined thoroughly the full range of strategic, industrial, financial and legal aspects of the combination you propose.

We concluded that your proposal does not present a compelling case to create additional value for the shareholders of either company, and that it substantially undervalues Terra on an absolute basis and relative to your company. Accordingly, our Board has unanimously concluded that your proposal is not in the best interests of Terra and our shareholders and we decline to accept it.

Sincerely,

On the evening of January 28, 2009, we issued a press release reiterating our commitment to our proposal to acquire all of the outstanding common shares of the Company.

On or about February 2, 2009, Mr. Wilson telephoned Mr. Bennett to request a meeting between the two executives to discuss our proposal for a business combination with the Company.

On February 3, 2009, we delivered a notice to the Company, in accordance with the Amended and Restated Bylaws of the Company (the "Bylaws"), nominating the Nominees for election as directors of the Company at the Annual Meeting. Also on February 3, 2009, we issued a press release in connection with this notice and announced our intention to commence an exchange offer for common shares of the Company. Later that day, the Company issued a press release in response to our announcement, acknowledging that we had nominated the Nominees and restating the Board's position with respect to our proposal.

On February 9, 2009, Mr. Wilson and a representative of Morgan Stanley & Co. Incorporated ("Morgan Stanley") met with Mr. Bennett and an advisor to the Company to review the terms of our proposal for a business combination with the Company. During the meeting, Mr. Wilson also communicated to Mr. Bennett the information set forth below in the February 23, 2009 letter from Mr. Wilson to the Board, including our willingness to review any information that the Company believed justified a change in the terms of our proposal. The advisor to the Company informed

Mr. Wilson that the Company had scheduled a meeting of the Board to be held during the week of February 16, 2009 and that we could expect to hear from the Company during that week.

On February 18, 2009, an advisor to the Company contacted a representative of Morgan Stanley and informed him that the Company had a different view as to the Company's strategy. The advisor also did not communicate any willingness on the part of the Company to provide us with information.

On February 23, 2009, Mr. Wilson sent a letter to the Board, which read as follows:

Attention: Henry R. Slack, Chairman of the Board
Michael L. Bennett, President and Chief Executive Officer

Dear Members of the Board:

As you are aware, it has been over one month since we made our offer for a business combination with Terra Industries. Our offer has been very well received in the market. Terra's shares are up over 50% since the offer, which is over three times the percentage increase of the peer group. The market clearly has recognized that the combination is compelling.

As we have communicated to you and your advisors since we made our offer, we view the transaction as a merger in which your stockholders are receiving stock and sharing in the future upside of the combined company, including over \$100 million of annual operating synergies. We believe that the elements of your strategy of which we are aware, including expansion of industrial nitrogen applications, would only be enhanced through a combination. As we also have communicated, we would welcome having a number of your board members join the board of the combined company. It is important to us that Mike Bennett be one of those board members and that he continue to serve in a senior executive capacity. Also, we would consider locating some functions of the combined company in the Sioux City area, while preserving the synergies in the transaction.

Given the significant premium we have offered, and the very positive market reaction, we have not seen any reason to consider changing the terms of our proposal. Our conversations with our stockholders (who significantly overlap with your stockholders) also lead us to believe that we have no reason to consider changing the terms. However, we have communicated to you that we are prepared to review any information you can provide us that you believe justifies a change in terms, and we are prepared to keep an open mind in that regard.

We are going forward with our proxy contest to replace three of your directors at the upcoming Annual Meeting. We are confident that your stockholders will show their support for a combination by voting for our slate. We also are commencing an exchange offer under which each share of Terra common stock would be exchanged for .4235 shares of CF Industries common stock. The exchange offer is subject to entering into a negotiated merger agreement since, as you are aware, under Maryland law we cannot close a transaction without the approval of your board. The exchange offer is scheduled to expire on May 15, 2009, which is the last date that your bylaws permit you to hold your Annual Meeting. By that time we believe your stockholders will have shown their support of a combination by voting for our slate.

We remain interested in entering into meaningful discussions for a negotiated transaction, and we are open to reviewing any information you believe we should consider.

CF Industries Holdings, Inc.

On February 23, 2009, we commenced an exchange offer for all of the outstanding common shares of the Company at a fixed exchange ratio of 0.4235 shares of CF Holdings common stock for each common share of the Company. Later that day, the Company issued a press release advising its stockholders to take no action with respect to our exchange offer.

On the morning of February 25, 2009, the CF Holdings board of directors received a letter from Mr. Michael M. Wilson, President and Chief Executive Officer of Agrium Inc. ("Agrium"), containing a non-binding proposal by Agrium to acquire each share of outstanding capital stock of CF Holdings for one share of Agrium common stock and \$31.70 in cash. Agrium stated that its proposal was conditioned on (i) CF Holdings terminating its bid for the Company, (ii) negotiation of a definitive merger agreement between Agrium and CF Holdings, (iii) receipt of the necessary CF Holdings board and stockholder approvals, (iv) receipt of necessary regulatory approvals, (v) the absence of any material adverse changes to CF Holdings or its business and the continued operation of CF Holdings in the ordinary course of business and (vi) the opportunity for Agrium to conduct limited confirmatory due diligence on CF Holdings. On that same morning, Agrium issued a press release containing its proposal to acquire CF Holdings and a copy of the text of the letter sent to CF Holdings.

Later in the morning of February 25, 2009, we issued a press release announcing that the CF Holdings board of directors would evaluate Agrium's proposal carefully in the context of its strategic plans to create shareholder value, including our proposal for a business combination with the Company, and would make its determination regarding Agrium's proposal in due course.

On March 5, 2009, the Company filed a Solicitation/Recommendation Statement on Schedule 14D-9 (the "Schedule 14D-9") with the SEC, reporting that the Board had unanimously determined to recommend that the Company's stockholders reject our exchange offer and not tender their Company common shares to us.

On March 6, 2009, the CF Holdings board of directors held a meeting, together with management and representatives of its legal advisor, Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden Arps"), and its financial advisors, Morgan Stanley and Rothschild Inc. ("Rothschild"), to review and analyze the Agrium proposal and related strategic and financial considerations, including the impact of the Agrium proposal on our proposed business combination with the Company. Following lengthy deliberations and a careful review of all aspects of the Agrium proposal with management and its legal and financial advisors, the CF Holdings board of directors concluded that the Agrium proposal was grossly inadequate, substantially undervalued CF Holdings and was not in the best interests of CF Holdings and its stockholders. In addition, the CF Holdings board of directors reaffirmed its intent to continue to pursue a business combination with the Company.

On the morning of March 9, 2009, Mr. Wilson sent a letter to the board of directors of Agrium rejecting the Agrium proposal.

Also on the morning of March 9, 2009, Mr. Wilson sent a letter to the Board reaffirming CF Holdings' commitment to a business combination with the Company and addressing certain issues raised by the Company in its Schedule 14D-9. The letter read as follows:

Board of Directors

Attention: Henry R. Slack, Chairman of the Board
Michael L. Bennett, President and Chief Executive Officer

Dear Members of the Board:

The Board of Directors of CF Industries Holdings, Inc. has rejected the acquisition proposal from Agrium and reaffirmed its intent to continue to pursue a business combination with Terra Industries. Our Board also has determined that CF Industries would be prepared to enter into a negotiated merger agreement with Terra on terms that provide certain value assurances to Terra's stockholders. Specifically, CF Industries would agree to an exchange ratio based on \$27.50 for each Terra share, with an exchange ratio of not less than 0.4129 of a CF Industries share and not more than 0.4539 of a CF Industries share. The \$27.50 per share represents an almost 70% premium to Terra's stock price before we made our offer, while peer group stock performance has been essentially flat since that time. While for Terra's stockholders these terms provide value assurance and the possibility of a higher exchange ratio than our current offer, they also provide CF Industries' stockholders with the possibility of a lower exchange ratio if CF Industries' stock performs as we expect it will. Agrium's proposal only validates the value and upside potential in the CF Industries stock (and that proposal is itself grossly inadequate).

In Terra's Schedule 14D-9, you raised the issue of whether, given Agrium's proposal, CF Industries will be able to obtain the stockholder approval required under NYSE rules to issue CF Industries common stock. While we are confident that the CF Industries stockholders will support a business combination with Terra, we are prepared to address the issue you raised by structuring the transaction so that a vote by the CF Industries stockholders will not be required. We are prepared to enter into a negotiated merger agreement under which we would issue a participating preferred stock that would trade at parity with CF Industries common stock. The terms of the participating preferred stock are set forth on the enclosed Term Sheet. Issuance of the participating preferred stock would not require a vote of the CF Industries stockholders under the NYSE rules.

Terra's 2009 Annual Meeting is required under its by-laws to be held not later than May 15. We are confident that Terra's stockholders support a business combination with CF Industries, and will show that support by voting for our slate of directors at the Annual Meeting. Our confidence in the support of Terra's stockholders is based on our belief that Terra's stock would be trading very significantly below its current level absent our offer and the expectation of a business combination with CF Industries.

We have been willing to engage in meaningful discussions since we made our offer almost two months ago, and we continue to be willing to engage.

Very truly yours,

/s/ Stephen R. Wilson

Dear Members of the Board:

The Board of Directors of CF Industries Holdings, Inc. is reaffirming to you CF Industries' commitment to a strategic business combination between CF Industries and Terra. To that end, our Board has determined that CF Industries would be prepared to enter into a negotiated merger agreement with Terra, structured as outlined in our letter to you dated March 9, 2009, with an exchange ratio based on \$30.50 for each Terra share, the exchange ratio to be not less than 0.4129 of a CF Industries share and not more than 0.4539 of a CF Industries share. The \$30.50 per Terra share is a premium of over 85% to Terra's stock price before we made our original offer on January 15, 2009.

We continue to believe that a business combination between CF Industries and Terra is a compelling combination with a number of strategic benefits. We are confident that Terra's stockholders agree with us and will show their support for the transaction by voting for our slate of directors at Terra's 2009 Annual Meeting. On March 27, 2009, Agrium revised the terms of its exchange offer for all outstanding shares of CF Holdings common stock by increasing the cash portion of the consideration from \$31.70 to \$35.00 per share of CF Holdings common stock.

On March 29, 2009, we issued a press release announcing that the CF Holdings board of directors concluded that the revised Agrium exchange offer was grossly inadequate, substantially undervalued CF Holdings and was not in the best interests of CF Holdings and its stockholders.

On April 14, 2009, the Company announced that on and effective April 13, 2009, the Board had amended the Bylaws in order to eliminate the requirement that the Company's annual meeting of stockholders be held during the period from April 15 to May 15 of each calendar year and to instead provide that the Company's annual meeting of stockholders be held on such day of each calendar year as shall be designated by the Board.

On May 11, 2009, Agrium announced that it had revised the terms of its exchange offer for all outstanding shares of CF Holdings common stock by increasing the cash portion of the consideration from \$35.00 to \$40.00 per share of CF Holdings common stock.

On May 14, 2009 and May 15, 2009, the CF Holdings board of directors held a meeting, together with management and representatives of its legal advisor, Skadden Arps, and its financial advisors, Morgan Stanley and Rothschild, to review and analyze the revised Agrium offer, including the impact of the offer on CF Holdings' proposed business combination with the Company. Following thorough deliberations and a careful review of all aspects of the offer with management and its legal and financial advisors, the CF Holdings board concluded that Agrium's revised offer continued to substantially undervalue CF Holdings and was not in the best interests of CF Holdings and its stockholders. Accordingly, the CF Holdings board continued to recommend that CF Holdings' stockholders reject the Agrium exchange offer and not tender their CF Holdings common stock in the Agrium exchange offer.

Attention: Henry R. Slack, Chairman of the Board
Michael L. Bennett, President and Chief Executive Officer

Dear Members of the Board:

Last week CF Industries announced very strong results for the second quarter, once again demonstrating the strength of our company and our business model. We expect that today we will have satisfied the regulatory conditions with respect to our proposed business combination with Terra Industries and will be in a position to close a transaction promptly. To that end, we are prepared to enter into a merger agreement under which each Terra share would be exchanged for 0.465 of a share of CF Industries. That exchange ratio represents a premium of 35% over the exchange ratio on January 15, 2009, just prior to when we made our initial offer, and it reflects a premium of 38% over the average exchange ratio for the year prior to that offer.

We also are prepared, following closing of the merger, to return at least \$1 billion of cash to the stockholders of the combined company, which likely would be accomplished through open market purchases or a self-tender. Given the significant increase in our offer, as well as our confidence in the future trading value of our stock, immediately before the merger we would distribute to CF Industries stockholders Contingent Future Shares ("CFs"), as described in the attached term sheet. The CFs would provide the holders with an opportunity to receive an aggregate of 5 million CF Industries shares should CF Industries shares trade at over \$115 per share during a specified period after the closing of the merger.

Through this business combination your stockholders will share in the future upside of the combined company, including \$105-135 million of annual operating synergies. As we have said, we would welcome having a number of your directors on the board of the combined company. We look forward to Mike Bennett being one of those directors and having him continue to serve in a senior executive capacity, working closely with me to manage the combined company. Also, we would consider locating some functions of the combined company in the Sioux City area, while preserving the synergies in the transaction.

We are enthusiastic about combining our two companies, and look forward to a favorable response.

Sincerely,

On August 25, 2009, we issued a press release reiterating our commitment to our proposed business combination with the Company.

On August 28, 2009, the CF Holdings board of directors held a meeting, together with management and representatives of its legal advisor, Skadden Arps, and its financial advisors, Morgan Stanley and Rothschild, to review the proposed business combination with the Company. Following discussions, the CF Holdings board of directors determined to allow the exchange offer to expire in accordance with its terms on August 31, 2009, as the exchange offer could not be consummated without the approval of the Board and the Board had repeatedly rejected our proposals for a business combination and had been unwilling to negotiate with us. The CF Holdings board of directors also authorized the commencement of litigation in Maryland to compel the Company to hold the Annual Meeting as soon as reasonably possible and give the stockholders of the Company the opportunity to show their support for our proposed business combination by voting for our Nominees at the Annual Meeting.

On August 31, 2009, we filed a complaint in Maryland, the Company's state of incorporation, requesting that the court compel the Company to schedule the Annual Meeting immediately and hold the Annual Meeting as soon as reasonably possible.

On August 31, 2009, our exchange offer expired at 5:00 p.m., Eastern time, without any shares being purchased thereunder.

Later on August 31, 2009, the Company announced plans to hold the Annual Meeting on Thursday, November 19, 2009.

On September 8, 2009, the Company announced that the Annual Meeting had been scheduled for November 20, 2009.

On September 9, 2009, because the Company scheduled the Annual Meeting for a date that is more than 60 days after the anniversary date of the 2008 Annual Meeting of Stockholders of the

Table of Contents

Company, we resubmitted to the Company our nomination of the Nominees for election as directors of the Company at the Annual Meeting in accordance with the Bylaws.

On September 10, 2009, the CF Holdings board of directors approved the purchase of common shares of the Company in order to further the proposed business combination. Between September 10, 2009 and September 25, 2009, CF Industries purchased 6,985,048 common shares of the Company, representing approximately 7% of the issued and outstanding common shares of the Company, in open market transactions for an aggregate purchase price of approximately \$247 million.

On September 24, 2009, the Company announced plans for a special cash dividend of \$7.50 per common share of the Company, an aggregate of approximately \$750 million, which the Company expected to declare and pay in the fourth quarter of 2009.

On September 26, 2009, the CF Holdings board of directors held a meeting, together with management and representatives of its legal advisor, Skadden Arps, and its financial advisors, Morgan Stanley and Rothschild, to discuss the plans announced by the Company on September 24, 2009 and CF Holdings' proposed business combination with the Company. Following discussions, the CF Holdings board of directors authorized sending a draft form of merger agreement to the Company containing the terms of the proposed business combination described below.

On September 28, 2009, we delivered to the Company a proposed draft form of merger agreement setting forth the terms of our proposal for a business combination between CF Holdings and the Company. Under the terms of our proposal, upon the closing of the transaction, each outstanding common share of the Company would be converted into the right to receive 0.4650 of a share of CF Holdings common stock. If the Company declares the special dividend of \$7.50 per common share of the Company that the Company announced on September 24, 2009, the exchange ratio would be appropriately adjusted based on trading prices of shares of CF Holdings common stock for an agreed period prior to the closing of the transaction. The Company would also have the option to cause CF Holdings to issue, in lieu of the common stock consideration, a combination of a fraction of a share of CF Holdings common stock and a fraction of a share of a new series of CF Holdings participating preferred stock, which is intended to be equivalent in value, in the aggregate, to 0.4650 of a share of CF Holdings common stock (or the applicable adjusted exchange ratio if the Company declares the special dividend); however, the Company's election of such option would only become effective if our stockholders do not approve the issuance of the CF Holdings shares in the transaction. Under the terms of this proposal, CF Holdings would issue contingent future shares to CF Holdings' stockholders immediately prior to the closing of the business combination that would convert into an aggregate of 5 million CF Holdings shares if for a specified period following the business combination CF Holdings shares trade at over \$125 per share. In addition to the conditions set forth in the draft merger agreement, the proposed business combination is subject to approval by the Board and CF Holdings' satisfactory completion of confirmatory due diligence on the Company and its subsidiaries.

Also on September 28, 2009, we filed a Schedule 13D with the SEC in connection with the purchase by CF Industries of more than 5% of the outstanding common shares of the Company.

On October 1, 2009, the Company issued a press release indicating that the Board had rejected our revised proposal as set forth in the draft form of merger agreement we delivered to the Company on September 28, 2009.

Reasons for Solicitation

We are soliciting your vote because we believe that the current directors of the Company are not acting in what we believe to be your best interests with respect to our proposal for a business combination with the Company. We believe that the combination of CF Holdings' and the Company's businesses will create significant value for both CF Holdings' and the Company's stockholders. We believe the combination of CF Holdings and the Company is a compelling combination with a number of strategic benefits, including the following:

Global Leader in Nitrogen Fertilizers The combined company will be a leading global producer of nitrogen fertilizers, as measured by capacity, among publicly traded companies. The combined company will be a stronger, more competitive player in the global nitrogen fertilizer industry.

Table of Contents

Synergies We expect the transaction to generate between \$105 and \$135 million in annual operational (or cost) synergies by combining overlapping corporate functions and optimizing transportation and distribution systems, and through greater economies of scale in procurement and purchasing. We expect the combined company to realize these synergies within two years after the closing of the transaction. We also expect the combined company to benefit from a one-time \$30 million-to-\$60 million release of cash due to inventory reduction. We believe that realization of these synergies combined with improved financial strength will enhance the combined company's ability to safeguard operating jobs.

Improved Financial Strength The combined company will have a strong financial platform, with a pro forma market capitalization of approximately \$7.8 billion (as of September 30, 2009), a strong, flexible balance sheet, featuring a substantial cash balance and relatively little indebtedness. The combined company will have increased trading liquidity on the NYSE and improved access to the capital markets. We believe these factors will provide the combined company with greater financial resources and flexibility to pursue future growth opportunities and an enhanced ability to weather difficult industry and capital market conditions than either CF Holdings or the Company would have alone.

Attractive Diversification The combined company and its stockholders will benefit from increased diversification in plant and distribution facility locations, product mix, and end use customer segments and increased exposure to the global market. CF Holdings provides access to an extensive in-market distribution network, one of the largest integrated ammonium phosphate complexes in the U.S. (with approximately 13 years of fully-permitted recoverable phosphate reserves remaining at current operating rates), an ammonia/urea complex under development in Peru, and the ability to import or export products efficiently through our 50% interest in KEYTRADE AG, a global fertilizer trading company headquartered near Zurich, Switzerland. The Company provides participation in an ammonia complex in Trinidad, a joint venture in the U.K. and a greater number of production facilities in North America. Additionally, the Company provides a position in ammonium nitrate and an increased position in serving industrial/environmental customers.

Complementary Businesses CF Holdings' and the Company's complementary footprints will give the combined company increased geographic reach in the U.S. In addition, CF Holdings' and the Company's complementary businesses and locations will allow the combined company to improve efficiency in manufacturing and distribution and enhance customer service.

Value Creation Potential for All Stockholders The all-stock nature of our proposal will allow stockholders of both the Company and CF Holdings to participate ratably in the growth and long-term value creation potential of the combined company, including the significant expected synergies. The exchange ratio of 0.4650 shares of CF Holdings common stock for each common share of the Company provided in our proposal represents a premium of 35% to the exchange ratio based on the closing price of shares of CF Holdings and the Company's common stock just prior to the public announcement of our proposal for a business combination with the Company on January 15, 2009 and a 38% premium based on the one year average exchange ratio prior to our original proposal. If the Company declares the special cash dividend of \$7.50 per share announced on September 24, 2009, the exchange ratio will be appropriately adjusted, and the stockholders of the Company will receive a significant cash payment through the special dividend while retaining a significant ownership stake in the combined company following the consummation of the transaction. We expect the transaction, giving effect to the realization of synergies, to be accretive to CF Holdings stockholders in the second year following the closing of the transaction.

Under Maryland law, we are unable to complete the proposed business combination unless the transaction is approved by the Board. In an effort to obtain the approval of the Board, we have repeatedly expressed a desire to enter into negotiations with the Company regarding a business combination. We have also communicated to the Board that we are prepared to review any information it can provide that would justify a change in the terms of our proposal and are prepared to keep an

Table of Contents

open mind in that regard. The Board, however, has repeatedly rejected our proposal and has been unwilling to negotiate with us. In light of the significant benefits that we believe will result from the combination of CF Holdings' and the Company's businesses, we believe the Board's rejection of the proposed transaction and unwillingness to negotiate with us is not in your best interests.

We nominated the Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card to give you a means of showing your support for a business combination between CF Holdings and the Company. We believe that the election of the Nominees will demonstrate that the Company's stockholders support a business combination with us and want the Company to enter into negotiations with us. Because the proposed business combination between CF Holdings and the Company may only proceed with the approval of the Board, the election of our Nominees is also an important step toward a possible transaction because we anticipate that if the Nominees are elected, they would seek to maximize stockholder value and, in reviewing the proposed business combination transaction, would act in the best interests of the Company in accordance with their duties as directors. If elected, the Nominees could also take steps to try to persuade the other Board members to support and facilitate our proposal should the Nominees, as new directors, deem it appropriate in the exercise of their duties to the Company. In short, we believe the Nominees will do a better job of ensuring that your best interests are being served.

PROPOSAL 1: ELECTION OF THE NOMINEES

We propose that the Company's stockholders elect John N. Lilly, David A. Wilson and Irving B. Yoskowitz as Class II directors of the Company at the Annual Meeting. According to publicly available information, the Board currently consists of eight directors who are divided into three classes, with each class to be elected for a three-year term on a staggered basis. The three members of Class II are up for election at the Annual Meeting. If the three Nominees are elected to the Board, they will replace the incumbent Class II directors: Martha O. Hesse, Henry R. Slack and Dennis McGlone. The Company has nominated each of Ms. Hesse and Messrs. Slack and McGlone for election at the Annual Meeting to a new three-year term.

The Nominees, if elected at the Annual Meeting, would hold office until the 2012 annual meeting of stockholders of the Company and until their respective successors have been duly elected and qualify. Each of the Nominees has consented to being named as a nominee in this proxy statement and, if elected, to serving as a director of the Company.

We believe the Nominees are highly qualified to serve as directors on the Board and are independent within the meaning of the listing standards of the NYSE and the Corporate Governance Guidelines of the Company. In addition, we believe that the Nominees are independent under the heightened independence standards applicable to audit committee members under the rules of the NYSE and the SEC. None of the Nominees is affiliated with CF or any subsidiary of CF or has any relationship with CF (except for his agreement to serve as a Nominee, as described in this proxy statement under "Arrangements between CF Holdings and the Nominees" below).

In addition, each of the Nominees understands that, if elected as a director of the Company, each Nominee would have an obligation to act in the best interests of the Company in accordance with his duties as a director. The only commitment given to us by the Nominees with respect to their service on the Board, if elected, and the only such commitment we have sought from the Nominees, is each Nominee's acknowledgement that his activities and decisions as a director of the Company, if elected, will be governed by applicable law and be subject to his duties to the Company. Each of the Nominees has specifically acknowledged that there is not, and cannot be, any agreement between any of them and CF regarding the decisions that they will make as a director of the Company. Accordingly, we expect that the Nominees will exercise their independent judgment in all matters before the Board in accordance with their duties to the Company.

We are not seeking control of the Board at the Annual Meeting, and there can be no assurance that, if the Nominees are elected, they would take any action to cause the Board to approve a business combination with us. The Nominees, if elected, will serve with the Company's other five directors and thus will not constitute a majority of the Board.

Arrangements between CF Holdings and the Nominees

Each Nominee has entered into a letter agreement with CF Holdings agreeing to stand for election as a Nominee in our proxy solicitation relating to the Annual Meeting (the "Proxy Solicitation") and, if elected, to serve as a director of the Company for a three-year term and until his successor is duly elected and qualifies (in each case, a "Nomination Agreement"). In consideration of this agreement, whether or not a Nominee is elected to the Board, CF Holdings will pay each Nominee a one-time fee of up to \$50,000 in cash, payable in two installments as follows: (i) \$25,000 upon submission of the name of the Nominee to the Company by delivery of written notice, which fee was paid by CF Holdings on or about February 4, 2009, and (ii) \$25,000 upon the earlier of (A) the mailing to the Company's stockholders of this proxy statement in

Edgar Filing: TERRA INDUSTRIES INC - Form DEFN14A

definitive form in connection with the Proxy Solicitation; or (B) the Nominee having to spend any substantial period of time (as reasonably determined by CF Holdings) in connection with serving as a Nominee as described in the Nomination Agreement (collectively, the "Fee"). The second installment of the Fee is reimbursable to CF Holdings if a Nominee voluntarily withdraws from serving as a nominee or otherwise refuses to serve as a

Table of Contents

director of the Company if elected to be a director. CF Holdings has also agreed to reimburse each Nominee for his reasonable and documented out-of-pocket expenses incurred by such Nominee in connection with serving as a Nominee in the Proxy Solicitation (including travel expenses, if any, and the reasonable legal fees and expenses of counsel).

Each Nomination Agreement contains an acknowledgement by CF Holdings and the Nominee subject thereto that, should such Nominee be elected to the Board, all of such Nominee's activities and decisions as a director of the Company will be governed by applicable law and subject to his duties to the Company and, as a result, there is not, and cannot be, any agreement between such Nominee and CF Holdings that governs the decisions that such Nominee will make as a director of the Company.

In consideration of the Nominees' respective undertakings in each Nomination Agreement, CF Holdings has agreed to indemnify and hold each Nominee harmless from any and all liabilities, losses, claims, damages, suits, actions, judgments and reasonable costs and expenses actually incurred (including reasonable attorneys' fees and expenses and costs and expenses) resulting from, based upon, arising out of or relating to (i) serving as a Nominee; (ii) being a participant in connection with the Proxy Solicitation; (iii) being otherwise involved in the Proxy Solicitation as a Nominee; or (iv) serving as a director of the Company, but (x) such indemnification pursuant to this item (iv) will be extended only to the extent that the Company has declined or failed to indemnify a Nominee, or to provide such Nominee with liability insurance coverage, to the same extent as other directors of the Company and (y) the indemnification pursuant to this item (iv) will (1) be limited to those matters as to which the Company could provide indemnification to such Nominee as a director under applicable law and (2) terminate with respect to occurrences taking place after the earlier of (A) the date that the Company offers to enter into an indemnification agreement with such Nominee on substantially the same terms as those made available to the Company's other directors and (B) the expiration of such Nominee's initial term as a director of the Company; *provided, however*, that CF Holdings will not be liable in any such case to the extent that any such losses incurred by a Nominee are found in a final judgment by a court, not subject to further appeal, to have arisen out of any false or misleading written information supplied by such Nominee for inclusion in any filings made with any federal or state governmental agency, including the Proxy Solicitation materials, or to have resulted from bad faith, willful misconduct or gross negligence on such Nominee's part.

Compensation of the Company's Directors

If elected to the Board, the Nominees will not receive any form of compensation, and will receive indemnification only to the extent and upon the limited conditions described above, from us for their service as directors of the Company. They will, however, receive whatever compensation the Board has established for non-employee directors of the Company unless and until the Board determines to change such compensation. The following discussion summarizes the Company's compensation and indemnification of directors based solely on the Company's Definitive Proxy Statement on Schedule 14A, filed with the SEC on October 13, 2009.

Under the Company's director compensation policy, in 2008, the Chairman of the Board received an annual cash retainer of \$100,000 (paid quarterly). The other non-employee directors of the Company each received an annual retainer of \$27,500 (paid quarterly) and meeting fees of \$1,250 per meeting attended, including committee meetings. The Chairman of the Audit Committee received an additional annual cash retainer of \$10,000 (paid quarterly) and the Chairman of the Nominating and Corporate Governance Committee and the Chairman of the Compensation Committee, each received an additional annual cash retainer of \$4,000 (paid quarterly), in each case for serving as committee chairs. The Company reimburses all directors for reasonable travel and other necessary business expenses incurred in the performance of their services for the Company. Non-employee directors do not receive any additional payments or perquisites.

Each director who is not an employee of the Company is also provided each year with equity grants of fully vested common shares of the Company. The number of shares awarded is determined by reference to a fixed dollar amount divided by the share price of Company common shares for the previous twenty trading days immediately preceding the date of grant, rounded up to the next whole

Table of Contents

share. The dollar value used in the numerator is \$150,000 for all non-employee directors except for the Chairman of the Board, in which case the numerator is \$225,000. Each newly elected outside director will receive, simultaneously with his or her election to the Board, an initial grant of common shares of the Company that is equivalent to the annual equity grant described above.

In addition to the above, the Company's Charter and Bylaws provide indemnification for its present or former officers and directors to the maximum extent permitted by law. In general, the Company will pay the costs of legal defense, settlements or judgments on behalf of an officer or director relating to actions taken in the course of employment or service with the Company, as long as such actions meet applicable standards. The Company has entered into Indemnity Agreements with the executive officers and directors, including the named executive officers. The agreements provide the maximum indemnity available under Maryland General Corporation Law, which is substantially the same as that provided under the Company's Charter and Bylaws, and provide for certain procedural requirements in order to obtain indemnification, the timing of required determinations, indemnification payments, advancement of expenses and the rights of officers and directors in the event that the Company fails to provide indemnification or to advance expenses.

Interests of the Nominees

We expect that each of the Nominees, if elected, will be (i) entitled to receive compensation customarily paid by the Company to its non-employee directors; (ii) indemnified for service as a director of the Company to the same extent indemnification is provided to the current directors of the Company; and (iii) covered by the Company's director and officer liability insurance.

Other than as described in this proxy statement, none of the Nominees has a substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the Annual Meeting.

The Nominees have furnished additional information located on *Annex A* to this proxy statement.

WE STRONGLY URGE YOU TO VOTE "FOR" AND TO USE THE BLUE PROXY CARD TO AUTHORIZE A PROXY TO VOTE "FOR" THE ELECTION OF JOHN N. LILLY, DAVID A. WILSON AND IRVING B. YOSKOWITZ TO SERVE AS CLASS II DIRECTORS ON THE BOARD.

Do not return any **WHITE** proxy card you may receive from the Company or otherwise authorize a proxy to vote your shares for the Company's nominees. If you have already submitted a **WHITE** proxy card that may have been sent to you by the Company or otherwise authorized a proxy to vote your shares for the Company's nominees, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign and return the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us. **PROPOSAL 2: RATIFICATION OF SELECTION OF
INDEPENDENT ACCOUNTANTS**

The Company has proposed that its stockholders ratify the Audit Committee's selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009. We do not object to the ratification of the Audit Committee's selection of Deloitte & Touche LLP and recommend that you vote "**FOR**" this proposal. Additional information regarding this proposal is contained in the Company's Definitive Proxy Statement on Schedule 14A, filed with the SEC on October 13, 2009.

OTHER MATTERS

We do not know of any other matters to be presented for approval by the Company's stockholders at the Annual Meeting. If, however, other matters are properly presented, the persons named in the enclosed **BLUE** proxy card will vote the common shares of the Company represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

We are the beneficial owners of an aggregate of 6,986,048 common shares of the Company, representing approximately 7% of the issued and outstanding common shares of the Company. We intend to vote all of the common shares of the Company that we beneficially own at the Annual Meeting **FOR** the election of our Nominees and **FOR** the Company's proposal to ratify the selection by the Audit Committee of the firm of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009.

VOTING AND PROXY PROCEDURES

Securities Entitled to Vote

According to publicly available information, the only securities eligible to be voted at the Annual Meeting are common shares of the Company. Only stockholders at the close of business on the record date, October 9, 2009, are entitled to vote. Each common share represents one vote, and all shares vote together as a single class. If you are a stockholder of record as of the record date, you will retain your right to vote, even if you sell your shares after the record date. According to the Company's Definitive Proxy Statement on Schedule 14A, filed with the SEC on October 13, 2009, there were 99,825,840 common shares issued and outstanding as of the record date and entitled to vote at the Annual Meeting.

Quorum; Vote Required

The quorum and voting requirements set forth below are based on current Article II, Sections 2.05 and 2.07, of the Bylaws.

The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum. Stockholders are entitled to one vote per common share.

A majority of all the votes cast at the Annual Meeting at which a quorum is present is sufficient to approve any matter which properly comes before the meeting, except as otherwise provided by law or by the Company's charter, and except that a plurality of all the votes cast at the Annual Meeting at which a quorum is present is sufficient to elect a director.

In the election of directors, every stockholder has the right to vote each common share of the Company owned by such stockholder on the record date for as many persons as there are directors to be elected and for whose election the share is entitled to vote. Cumulative voting is not permitted. To be elected, a director-nominee must receive a plurality of the votes cast at the Annual Meeting on the

Table of Contents

matter. Accordingly, the three nominees who receive the greatest number of votes cast by the Company's stockholders represented in person or by proxy at the Annual Meeting will be elected as directors. Abstentions, votes withheld and broker non-votes will not be counted as votes cast for such purpose and therefore will have no effect on the results of the election of directors.

Proposal 2, to ratify the selection by the Audit Committee of the Company's independent registered public accounting firm for 2009, and any other matter that properly comes before the Annual Meeting, require the approval of a majority of the votes cast at the Annual Meeting on the matter. Abstentions and broker non-votes will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote on Proposal 2 or any such other matters.

Voting by Proxy

Please authorize a proxy to vote by signing and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us.

If you return a signed **BLUE** proxy card without providing voting instructions, your common shares of the Company will be voted: (1) **FOR** the election of each of the Nominees as a Class II director; and (2) **FOR** the Company's proposal to ratify the Audit Committee's selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2009.

We do not know of any other matters to be presented for approval by the Company's stockholders at the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies in the enclosed **BLUE** proxy card will vote the shares represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

Your vote is very important. If you do not plan to attend the Annual Meeting, we encourage you to read this proxy statement and sign and return your completed **BLUE** proxy card prior to the Annual Meeting so that your shares will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you authorize a proxy to vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Revocation of Proxies

You may revoke your proxy at any time prior to its exercise by attending the Annual Meeting and voting in person, by mailing a validly executed, later dated proxy card or by submitting a written notice of revocation to either (A) CF Industries Holdings, Inc., care of Innisfree M&A Incorporated, 501 Madison Street, 20th Floor, New York, NY 10022, or (B) the Company's Vice President, General Counsel and Corporate Secretary at the principal executive offices of the Company at Terra Centre, 600 Fourth Street, P.O. Box 6000, Sioux City, IA 51102-6000. Attending the Annual Meeting alone without taking one of the actions above will not revoke your proxy. A revocation may be in any written form validly signed by the record holder or an authorized agent of the record holder as long as it clearly states that the proxy previously given is no longer effective. Stockholders who hold their shares in "street name" with a bank, brokerage firm, dealer, trust company or other nominee will need to notify the person responsible for their account to revoke or withdraw previously given instructions. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, care of Innisfree M&A Incorporated, at the address listed above, so that we may be aware of any revocation of a proxy.

Do not return any **WHITE** proxy card you may receive from the Company or otherwise authorize a proxy to vote your shares for the Company's nominees. If you have already submitted a **WHITE**

Table of Contents

proxy card that may have been sent to you by the Company or otherwise authorized a proxy to vote your shares for the Company's nominees, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign and return the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us. Only your latest dated proxy will be counted.

By submitting your proxy to vote to us by executing the enclosed **BLUE** proxy card, you are revoking all prior proxies you have previously given with respect to the Annual Meeting.

Attending the Annual Meeting

You are entitled to attend the Annual Meeting only if you are a stockholder of record or a beneficial owner as of the close of business on the record date, October 9, 2009, or if you hold a valid proxy for the Annual Meeting.

If you hold your common shares of the Company in "street name" with a bank, brokerage firm, dealer, trust company or other nominee, then your name will not appear in the Company's register of stockholders. Those shares are held in your nominee's name, on your behalf, and your nominee will be entitled to vote your shares. In order for you to attend the Annual Meeting, you must bring a letter or account statement showing that you beneficially own the shares held by the nominee, as well as proper photo identification. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your nominee unless you have a proxy from your nominee. Rather, you should promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **BLUE** proxy card is submitted on your behalf.

NO APPRAISAL OR DISSENTER'S RIGHTS

Stockholders of the Company will not have rights of appraisal or similar dissenter's rights with respect to any of the matters identified in this proxy statement to be acted upon at the Annual Meeting.

SOLICITATION OF PROXIES

Proxies may be solicited by mail, telephone, facsimile, telegraph, the Internet, e-mail, newspapers and other publications of general distribution and in person. We have retained Innisfree M&A Incorporated ("Innisfree") for solicitation and advisory services in connection with solicitations relating to the Annual Meeting, for which Innisfree is anticipated to receive a fee of up to approximately \$500,000. Up to 125 people may be employed by Innisfree in connection with the proxy solicitation. Innisfree also served as information agent in connection with our exchange offer for the common shares of the Company and is providing us with advisory services in connection with Agrium's proposal to acquire us. Innisfree is receiving a customary monthly retainer for its advisory and information agent services. We have also agreed to reimburse Innisfree for out-of-pocket expenses and to indemnify Innisfree against certain liabilities and expenses, including legal fees and related charges.

Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of common shares of the Company held as of the record date of the Annual Meeting. We will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith. In addition, directors, executive officers and certain other employees of CF Holdings may solicit proxies as part of their duties in the normal course of their employment without any additional compensation.

The entire expense of soliciting proxies for the Annual Meeting by us or on our behalf is being borne by us and we will not seek reimbursement of those costs from the Company. The total expenditures incurred by us to date in connection with this solicitation are approximately \$200,000. We anticipate that the total expenses we will incur in furtherance of, or in connection with, the proxy

Table of Contents

solicitation will be approximately \$1.8 million. The actual amount could be higher or lower depending on the facts and circumstances arising in connection with any such solicitation.

Morgan Stanley and Rothschild are acting as our financial advisors in connection with the proposed business combination between the Company and us and in connection with Agrium's proposal to acquire us, for which services Morgan Stanley and Rothschild will receive customary compensation. We also have agreed to reimburse Morgan Stanley and Rothschild for reasonable expenses (including reasonable fees and disbursements of counsel) incurred in connection with their engagement, and to indemnify Morgan Stanley and Rothschild, any controlling person of Morgan Stanley or Rothschild, as the case may be, and each of their respective directors, officers, employees, agents and affiliates against specified liabilities.

Morgan Stanley is a global financial services firm engaged in the securities, investment management and individual wealth management businesses. (1) The number of common shares of the Company listed above does not include shares of 4.25% Series A Cumulative Convertible Perpetual Preferred Shares of the Company. Unless otherwise indicated, beneficial ownership consists of sole power to vote or direct the vote and sole power to dispose or direct the disposition of the shares listed.

(2) Unless otherwise indicated, percentages calculated based upon Company common shares outstanding as of October 9, 2009, as reported in the Company's Definitive Proxy Statement on Schedule 14A, filed with the SEC on October 13, 2009, and beneficial ownership of common shares as set forth in the statements on Schedule 13G filed by the respective beneficial owners with the SEC.

(3) Based on a Schedule 13G, dated and filed with the SEC on April 9, 2009, jointly by FMR LLC ("FMR"), Fidelity Management & Research Company, a wholly-owned subsidiary of FMR and an investment advisor ("FMRC"), and Mr. Edward C. Johnson 3d (together, "Fidelity"). The Fidelity Schedule 13G reports that FMR is a parent holding company with sole power to vote or to direct the vote of 1,745,205 common shares and sole power to dispose or to direct the disposition of 11,187,505 common shares. The Fidelity Schedule 13G also reports that FMRC is the beneficial owner of 9,443,190 common shares as a result of acting as investment advisor to various registered investment companies (the "Funds"). According to the Fidelity Schedule 13G, FMR and FIL are of the view that they are not acting as a "group" for purposes of Section 13(d) under the Exchange Act and that they are not otherwise required to attribute to each other the beneficial ownership of securities beneficially owned by the other entity. However, Fidelity filed its Schedule 13G on a voluntary basis as if all of the reported common shares are beneficially owned by FMR and FIL on a joint basis.
