### PROXY STATEMENT

#### 2010 Annual Meeting of Stockholders

This Proxy Statement is furnished by the Board of Directors of Summer Infant, Inc., a Delaware corporation, in connection with the solicitation of proxies to be used at the Annual Meeting of Stockholders to be held on Thursday, June 3, 2010, and at any adjournments or postponements of that meeting. Our Board of Directors has fixed April 29, 2010 as the record date for determining those stockholders entitled to receive notice of, and to vote at, the Annual Meeting. Only stockholders of record at the close of business on April 29, 2010 will be entitled to vote at the Annual Meeting. We intend to first mail or give to holders of our common stock this Proxy Statement and the accompanying proxy card on or about April 30, 2010.

Any proxy, if received in time for voting and not revoked, will be voted at the Annual Meeting in accordance with the stockholder's instructions on the proxy card. If no instructions are given on the proxy card, the proxy will be voted (1) **FOR** the election as directors of the nominees named in this proxy statement, (2) **FOR** the amendment to our Amended and Restated Certificate of Incorporation described in this proxy statement, (3) to ratify the appointment of Caturano and Company, P.C., an independent public accounting firm, as the independent auditor of our company for the year ending December 31, 2010, and (4) as the persons specified in the proxy deem advisable on such other business as may properly come before the meeting. At present, management knows of no additional business to be presented at the Annual Meeting, but if other business is presented, the persons named in the proxy card and acting under the proxy card will vote or refrain from voting in accordance with their best judgment pursuant to the discretionary authority conferred by the proxy.

#### Revocability of Proxies

A proxy may be revoked at any time prior to its exercise:

by submitting a written notice revoking that proxy, addressed to our Board of Directors at our principal office at 1275 Park East Drive, Woonsocket, RI 02895, or

at the Annual Meeting prior to the taking of a vote.

Any stockholder entitled to vote at the Annual Meeting may attend the Annual Meeting and vote in person on any matter presented for a vote to our stockholders at the Annual Meeting, whether or not that stockholder has previously given a proxy.

#### Solicitation of Proxies

Proxies in the form enclosed are solicited by our Board of Directors. Solicitation of proxies will be made initially by mail. Proxies may also be solicited personally, by telephone, e-mail or by facsimile transmission by our directors, officers and other employees. We will bear all costs and expenses incurred in connection with this solicitation, including the cost of printing and mailing these proxy materials and the expenses, charges and fees of brokers, custodians, nominees and other fiduciaries who, at the request of our management, mail material to, or otherwise communicate with, the beneficial owners of our common stock held of record by those brokers, custodians, nominees or other fiduciaries.

#### Householding of Special Meeting Materials

Some banks, brokers, and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of these proxy materials may have been sent to multiple stockholders in each household. We will promptly deliver a

---

separate copy of these proxy materials to any stockholder upon written or verbal request to us at our principal office at 1275 Park East Drive, Woonsocket, RI 02895, telephone: (401) 671-6550. Any stockholder who wants to receive separate copies of proxy materials in the future, or any stockholder who is receiving multiple copies and would like to receive only one copy per household, should contact that stockholder's bank, broker, or other nominee record holder, or that stockholder may contact us at the address and phone number set forth above.

### **Voting Securities**

As of April 29, 2010, the record date for the Annual Meeting, there were 15,437,477 shares of common stock issued and outstanding, all of which are entitled to vote at the Annual Meeting. Fractional shares will not be entitled to vote, but each full share of common stock entitles the holder of that share to one vote on all matters properly brought before the Annual Meeting. At present, our common stock is the only class of our capital stock that is issued and outstanding.

### **Vote Required**

Each stockholder is entitled to one vote for each share held by that stockholder on April 29, 2010. The representation in person or by proxy of at least a majority of the shares of common stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business. Abstentions and "broker non-votes," as described below, will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

The affirmative vote of a plurality of the shares of our common stock represented in person or by proxy at the Annual Meeting is necessary for the election of directors. The affirmative vote of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting is necessary for the approval of the amendment to our Amended and Restated Certificate of Incorporation. The affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval of the other proposals described in this proxy statement. With regard to these proposals, shares which are entitled to vote but abstain from voting on a matter will be excluded from the vote and will have no effect on its outcome. Furthermore, shares held in "street name" by a broker or nominee who indicates on a proxy that it does not have discretionary authority to vote those shares as to a particular matter will also be entirely excluded from the vote and will have no effect on its outcome. We refer to these shares as "broker non-votes." If you are a beneficial holder and do not provide specific voting instructions to your broker, under a recent rule change the organization that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to vote promptly, even if you plan to attend the Annual Meeting.

We will report voting results at [www.summerinfant.com](http://www.summerinfant.com) and in a filing with the United States Securities and Exchange Commission, or the SEC, on Form 8-K.

### **Annual Report and Other Matters**

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2009, which was made available to stockholders with or preceding this proxy statement, contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, or Exchange Act.

## **Board Leadership Structure and Board's Role in Risk Oversight**

### *Board Leadership Structure*

Our board of directors believes that the company's Chief Executive Officer is best situated to serve as Chairman of the Board because he is the director most familiar with our business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside the company and industry, while the Chief Executive Officer brings company-specific experience and expertise. Our board believes that the combined role of Chairman and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and the board, which are essential to effective governance.

One of the key responsibilities of the board is to assist the company in developing strategic direction and to hold management accountable for the execution of strategy once it is developed. The board believes the combined role of Chairman and Chief Executive Officer, together with an independent Lead Director having the duties described below, is in the best interests of the company because it provides the appropriate balance between strategy development and independent oversight of management.

### *Lead Director*

Robert Stebenne, an independent director, was selected by our board to serve as the Lead Director for all meetings of the non-employee directors held in executive session. The Lead Director has the responsibility of presiding at all executive sessions of the board, consulting with the Chairman and Chief Executive Officer on board and committee meeting agendas, acting as a liaison between management and the non-employee directors, including maintaining frequent contact with the Chairman and Chief Executive and advising him on the efficiency of the board meetings, facilitating teamwork and communication between the non-employee directors and management, as well as additional responsibilities.

### *Board's Role in Oversight of Risk*

Our board is responsible for overseeing the company's risk management. The board of directors regularly reviews information regarding the company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee discusses with the company's independent auditor the major financial risk exposures and the steps management has taken to monitor and control such exposures.

## Corporate Governance

### *Independence*

In determining the independence of directors, our board of directors will analyze each director's relationship with the company and its subsidiaries to determine whether our directors are independent under the applicable rules of The NASDAQ Stock Market and the SEC. Our board of directors has determined that all of our current directors, except Messrs. Macari and Gibree, are "independent" within the meaning of the independence rules of The NASDAQ Stock Market and the SEC.

### *Executive Sessions*

The aggregate number of stock awards granted to directors as of December 31, 2009, was as follows: Mr. Fogelman, 8,000 shares; Ms. Hart, 2,000 shares; Mr. Stebenne, 8,000 shares; and Mr. Wenz, 8,000 shares. For the grants to Messrs. Fogelman, Stebenne, and Wenz, 2,000 shares were immediately vested and the remaining shares vest in equal installments over the next three anniversaries of the grant date. Because Ms. Hart resigned from the board of directors in 2009, she retained only 2,000 vested shares and the remaining shares were forfeited.
- (3) The amounts in this column reflect the aggregate grant date fair value for financial statement reporting purposes in accordance with FASB ASC Topic 718 of the award of options to purchase common stock granted to each of the directors indicated. Almagor and Sanders each received an option to purchase 40,000 shares of common stock, which are not reflected in this table because they were not granted until 2010.
- (5) Mr. Fogelman receives \$4,750 per month as a paid consultant to our company.
- (6) Effective July 31, 2009, Ms. Hart resigned from our Board of Directors.

*Committees of the Boards of Directors*

Our Board of Directors has designated the following standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee. The composition and objectives of each committee are described below.

*Audit Committee*

The Audit Committee held four meetings in 2009. As described in the Audit Committee's charter, a copy of which is available on our website at [www.summerinfant.com](http://www.summerinfant.com), the primary function of the Audit Committee is to appoint, retain, set compensation of, and supervise our independent accountants, review the results and scope of the audit and other accounting related services, and review our accounting practices and systems of internal accounting and disclosure controls.

The Audit Committee currently consists of three members: Richard Wenz, Chairman, Dan Almagor, and Robert Stebenne. Each member of the Audit Committee is an "independent" director under the rules of The NASDAQ Stock Market. The members of the Audit Committee are required to have extensive business and financial experience. They are also required to have a good understanding of financial statements, including our balance sheet, income statement, cash flow statement and our quarterly and annual reports on Forms 10-Q and 10-K and related financial statements and disclosures. Our Board of Directors has determined that Mr. Wenz qualifies as an Audit Committee "financial expert."

The Audit Committee meets with our external and internal auditors and principal financial personnel to review quarterly financial results and the results of the annual audit (in both regular and executive sessions). The Audit Committee reviews and approves annual external auditor engagement plans, scopes and fees. The Audit Committee approves all fees and terms related to the annual independent audit as well as all permissible non-audit engagements of the external auditors. The Audit Committee pre-approves all audit and permissible non-audit services to be performed by the external auditors.

*Compensation Committee*

The Compensation Committee met four times in 2009. The Compensation Committee currently consists of four members: Richard Wenz, Chairman, Martin Fogelman, Robert Stebenne, and Derial Sanders. Each member of the Compensation Committee is an "independent" director under the rules of The NASDAQ Stock Market.

As described in the Compensation Committee's charter, which is available on our website at [www.summerinfant.com](http://www.summerinfant.com), the Compensation Committee is responsible, on behalf of our board of directors, for reviewing and approving the amounts and types of compensation paid to our executive officers and non-employee directors, as well as all bonus and equity compensation paid to other company employees. The committee is responsible for determining that compensation paid under the company's compensation programs is equitable (i.e., that it is appropriate to the responsibilities of the position), is based on the performance of the company and the individual, and meets the standards of the competitive marketplace. The committee meets at least four times per year and additionally as needed. The Chairman of the committee regularly reports to our board of directors on compensation committee policy, procedures, actions, and recommendations. The committee has authority to retain (at our company's expense) outside counsel, compensation consultants and other advisors to assist as needed.

### *Compensation Objectives and Methodology*

The following describes the committee's current compensation philosophy and objectives, and the various methodologies, policies and practices for establishing and administering the compensation program for our executive officers. The goals of the compensation program are:

To attract, retain and motivate qualified executives who will lead the company to in achieving high performance.

To support business strategies that result in superior long term stockholder value.

To align pay with performance by making a substantial portion of compensation dependent on achievement of corporate financial and strategic objectives as well as individual performance goals.

To align management interests with those of our stockholder base by making a substantial portion of compensation equity-based.

The committee believes that a properly structured compensation program attracts and retains talented individuals and motivates them to achieve specific short and long-term strategic objectives. In order to do that, a significant percentage of executive pay is based on the principle of pay-for-performance. The committee is committed to ensuring that the total compensation package of executive officers is competitive with compensation at peer-group companies.

The company's executive compensation programs are designed to provide:

levels of base compensation that are appropriate to the responsibilities of the position and competitive with comparable companies;

annual incentive awards that vary in a manner consistent with the achievement of the performance targets for the company and of individual performance objectives;

long-term incentive compensation that focuses executive efforts on building stockholder value through meeting longer-term financial and strategic goals; and

executive benefits that are competitive with comparable companies.

In designing and administering our executive compensation program, the committee attempts to strike an appropriate balance among these various elements. Compensation includes cash, in the form of base salary and annual incentives, and equity, in the form of restricted stock and options. The compensation committee evaluates the mix between these elements of compensation based on the pay practices of comparable companies. Summer Infant is a young company and its compensation design is a work in progress.

With respect to performance-based cash compensation, the committee believes that executive compensation should be closely tied to achievement of the financial and operational goals established in advance by our board of directors, as well as to the achievement individual performance goals of the executive officers. The committee uses equity-based compensation to align the executives' interests with those of our stockholders over a longer period of time. For purposes of retention, the committee believes that the equity-based compensation should have meaningful conditions that encourage valued employees to remain in the employ of the company as well as to achieve the performance goals of the company. The committee also considers executive benefit programs as a means to attract, retain and motivate highly qualified executives. Executive officers are entitled to participate in the benefits programs that are available to all full-time employees, including health, dental, and life insurance, healthcare reimbursement accounts, paid vacation and company contributions to a 401(k) profit-sharing retirement plan. The company's 401(k) plan provides for matching contributions by us in an amount

equal to the first 2% of employee compensation deferred, plus 50% of the next 1% of employee compensation deferred.

The compensation committee is responsible for all compensation decisions for the chief executive officer and other executive officers. The chief executive officer annually reviews the performance of the other executive officers, including consideration of market pay practices of the comparable companies in conjunction with both company and individual performance. The conclusions and recommendations of the chief executive officer are presented to the compensation committee for approval. The compensation committee has absolute discretion as to whether it approves the recommendations of the chief executive officer or makes adjustments, as it deems appropriate.

All compensation decisions are made with consideration of the compensation committee's guiding principles of fairness to employees, retention of talented executives and the achievement of improved company performance, which ultimately benefits the company's stockholders. Additional information about the components of compensation for our named executive officers in 2009 can be found in the narrative description following the Summary Compensation Table in this proxy statement.

#### *Nominating Committee*

The Nominating Committee met twice in 2009. As described in the Nominating Committee's charter, which is available on our website at [www.summerinfant.com](http://www.summerinfant.com), the Nominating Committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors. Each member of the Nominating Committee is an "independent" director under the rules of The NASDAQ Stock Market.

Nominations to our board of directors may also be submitted to the Nominating Committee by our stockholders in accordance with our policy, as described below. Whether the candidate has any prohibitive interlocking relationships or conflicts of interest.

Whether the candidate is able to develop a good working relationship with other board members and contribute to the board's working relationship with our senior management.

Whether the candidate is able to suggest business opportunities to us.

Although the Nominating Committee does not have a formal diversity policy concerning Board membership, the committee does consider diversity in its broadest sense when evaluating nominees, including persons diverse in gender, ethnicity, experience, and background.

Stockholders who wish to recommend to the Nominating Committee a candidate for election to our board of directors should send their letters to the company at 1275 Park East Drive, Woonsocket, Rhode Island 02895, Attention: Nominating Committee. **NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE**

**Elements of Compensation.** As described in the section "Compensation Objectives and Methodology" of this proxy statement, each year the Compensation Committee reviews the various elements of executive compensation to determine an appropriate mix for each named executive officer. For 2009, the following elements were considered in determining the 2009 compensation of our named executive officers reflected in the Summary Compensation Table.

*Base Salary.* The compensation committee strives to provide that the named executive officers are paid a base salary that is competitive with salaries paid by comparable companies organizations for similar work, based on each employee's experience, performance and geographic location. Generally, our company has chosen to target cash compensation at market median levels in order to remain competitive in attracting and retaining executive talent. The compensation committee considers a combination of the executive's performance, the performance of our company and the individual business or corporate function for which the executive is responsible, the nature and importance of the position and role within our company, the scope of the executive's responsibility, internal relationships or comparisons and the current compensation package in place for that executive, including the executive's current annual salary and potential bonus awards. The committee reviewed compensation information from a survey of comparable companies in New England and elsewhere, such as RC2, Kids Brands, and Rocky Brands. The committee also considered the chief executive officer's recent performance, his achievements in prior years, his achievement of specific short-term goals and our company's performance in fiscal year 2008 when determining his base salary. For the other named executive officers, the committee met with the chief executive officer to review his compensation recommendations for those named executive officers, including his performance evaluation of all such persons and the basis of his recommendations, including the scope of each person's duties, oversight responsibilities and individual objectives and goals against results achieved for fiscal year 2008.

*Annual Incentive Bonus.* Our company uses short-term cash incentive compensation programs to recognize and reward executive officers and other employees who contribute meaningfully to an increase in stockholder value and profitability. In general, the funding of the annual incentive bonus pool is dependent upon the company's earnings before interest, taxes, depreciation and amortization (after deducting incentive compensation), in addition to meeting certain other targets. If the plan is fully funded, each named executive officer has the ability to receive the target bonus payout. The percentage of the target bonus actually paid to each named executive officer depends on the attainment of corporate financial goals and individual performance targets. For fiscal 2009, the compensation committee approved a bonus pool for all eligible employees, including our named executive officers, based on the company's earnings before interest, taxes, depreciation and amortization (after deducting incentive compensation), of which \$140,000 was approved for our Chief Executive Officer. The bonuses for our other named executive officers were determined by our Chief Executive Officer and were based on his performance evaluation of such persons and the achievement of the individuals' objectives and goals against results achieved for fiscal year 2009.

*Long-Term Incentive Awards.* The compensation committee believes that equity-based compensation ensures that the its executive officers have a continuing stake in the long-term success of our company. Awards are made under our 2006 Performance Equity Plan. Award levels are determined based on the compensation practices of the comparable companies. In general, long-term incentive awards are targeted at the median of the compensation peer group with appropriate adjustments for individual and company performance, although past awards have generally been below market levels. Options granted in 2009 vest and become exercisable in annual equal installments over a four-year period from the grant date. In addition, in 2009,

## Edgar Filing: Summer Infant, Inc. - Form DEF 14A

Mr. Gibree and Mr. Driscoll were granted restricted stock awards of 40,000 shares each, of which 10,000 shares were immediately vested and the remaining shares vest in annual equal installments over a three-year period. Restricted stock cannot be sold or transferred until the shares vest. If a named executive officer leaves the company prior to the completion of the applicable vesting schedule, the unvested portion of the option or stock grant is forfeited.

### Material Terms of Employment and Change of Control Agreements of Named Executive Officers

*Jason Macari, Chief Executive Officer*

*Employment Agreement Effective in 2009.* In connection with KBL/Summer Predecessor merger, Mr. Macari entered into an employment agreement with us. Under the terms of this employment agreement, Mr. Macari serves as our chief executive officer for an initial term of three years and provides that Mr. Macari will receive an initial annual base salary of \$275,000, which was subsequently increased in 2008 to \$350,000. Mr. Macari also may be awarded a bonus in an amount equal to up to 50% of his base salary during any fiscal year during the employment term. One half of that bonus would be based on his performance against performance criteria for that fiscal year to be set, in writing, by the Compensation Committee within 45 days after our board of directors approves the budget for that year and the remaining portion would be awarded in the discretion of the Compensation Committee. The employment agreement provides that, in the event of the termination of Mr. Macari's employment without cause or upon termination of his employment as a result of a breach of the employment agreement, we will continue to pay him his base salary in accordance with our normal payroll schedule for a period of twelve months from the date of termination. The employment agreement contains certain restrictive covenants that prohibit Mr. Macari from disclosing information that is confidential to our company and its subsidiaries and generally prohibits him, during the employment term and for one year thereafter, from soliciting or hiring employees or competing with the company. This employment agreement was terminated on February 1, 2010.

*New Employment Agreement including Change of Control Provisions.* On February 1, 2010, we entered into a new employment agreement with Mr. Macari. Pursuant to the new employment agreement, Mr. Macari will continue to serve as our chief executive officer, and will receive a base salary of \$375,000 per annum commencing on February 1, 2010, which is subject to increase at the end of each year at the discretion of the Compensation Committee. The employment agreement has a term of three years and will automatically renew for successive one-year terms unless we or Mr. Macari give notice of non-renewal within sixty days of expiration of the applicable term, subject to earlier termination in accordance with the terms of the new employment agreement.

The new employment agreement provides that Mr. Macari will participate in our performance incentive plans and will be eligible to receive a minimum annual bonus of 100% of his salary if specified financial targets and performance criteria as set forth annually in our performance incentive plans are achieved. Mr. Macari will also be able to participate in any other compensation plan or other perquisites generally made available to the company's executive officers from time to time.

If Mr. Macari's employment is terminated by Mr. Macari for "good reason," by our company "without cause," or due to the death or disability of Mr. Macari: (1) we will pay to Mr. Macari all base salary and unreimbursed expenses which have accrued through the termination date, (2) we will continue to pay Mr. Macari's base salary in accordance with normal payroll procedures for a period of twenty-four months, (3) we will provide Mr. Macari with health and dental insurance for a period of twenty four months except where comparable health and dental insurance is available from subsequent employer, and (4) any and all options granted to Mr. Macari shall immediately vest. If Mr. Macari's employment is terminated by Mr. Macari other than for "good reason," or by us "with cause," we will pay to Mr. Macari all base salary and unreimbursed expenses which have accrued through the termination date. The new employment agreement also contains non-competition and similar covenants

which are in effect during Mr. Macari's employment with the company and for a period of twenty-four months following the termination of Mr. Macari's employment.

The new employment agreement also contains a change of control provision which provides that in the event that there is a "Change of Control" and Mr. Macari's employment is terminated within twelve months of such Change of Control (1) other than with cause or due to the death or disability of Mr. Macari or (2) by Mr. Macari for good reason, then Mr. Macari shall be entitled to (a) a lump sum cash payment equal to the sum of (i) two times Mr. Macari's base salary for the previous twelve months and (ii) the average of Mr. Macari's annual cash bonuses from our company for the two fiscal years preceding the fiscal year in which the termination occurs and (b) health and dental insurance for a period of one year, except where comparable health and dental insurance is available from a subsequent employer.

A "Change of Control" for purposes of the employment agreement means:

individuals who, as February 1, 2010, constitute our board of directors (the "Incumbent Board") cease for any reason to constitute at least a majority of our board of directors, provided that any individual becoming a director subsequent to February 1, 2010, whose election, or nomination for election by the company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the directors of the company, as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Securities Exchange Act of 1934) shall be considered as though such individual was a member of the Incumbent Board; or

the approval by the company's stockholders of a reorganization, merger, consolidation or other form of corporate transaction or series of transactions (excluding an underwritten public offering of our common stock or other voting securities for the company's own account registered under the Securities Act of 1933), in each case, with respect to which persons who were stockholders of the company immediately prior to such reorganization, merger, consolidation or other corporate transaction do not, immediately thereafter, own more than fifty percent (50%) of the combined voting power entitled to vote generally in the election of directors of the reorganized, merged or consolidated entity's then outstanding voting securities, or a liquidation or dissolution of the company or the sale of all or substantially all of the assets of the company (unless such reorganization, merger, consolidation or other corporate transaction, liquidation, dissolution or sale is subsequently abandoned or terminated prior to being consummated); or

the acquisition by any person, entity or "group", within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, of more than thirty percent (30%) of either the then-outstanding shares of the our common stock or the combined voting power of the company's then-outstanding voting securities entitled to vote generally in the election of directors (a "Controlling Interest") excluding any acquisitions by (i) the company or any of our affiliates, (ii) any employee benefit plan (or related trust) sponsored or maintained by the company or any of our affiliates or (iii) any person, entity or "group" that, as of February 1, 2010, owns beneficially (within the meaning of Rule 13d-3 promulgated under the Securities Exchange Act of 1934) a Controlling Interest.

*Steven Gibree, Executive Vice President, Product Development*

*Employment Agreement Effective in 2009.* In connection with the KBL/Summer Predecessor merger, Mr. Gibree entered into an employment agreement with us. Under the terms of this employment agreement, Mr. Gibree serves as our executive vice president of product development for an initial term of three years. The employment agreement provides that Mr. Gibree is to receive an annual base salary of at least \$220,000, which was subsequently increased in 2008 to \$240,000.

## Edgar Filing: Summer Infant, Inc. - Form DEF 14A

Mr. Gibree also may be awarded a bonus in an amount equal to up to 50% of his base salary during any fiscal year during the employment term. One half of that bonus would be based on his performance against performance criteria for that fiscal year to be set, in writing, by our Compensation Committee within 45 days after the Board of Directors approves the budget for that year, and the remaining portion would be awarded in the discretion of the Compensation Committee.

The employment agreement provides that, in the event of the termination of Mr. Gibree's employment by us without cause or upon termination of his employment as a result of our breach of the employment agreement, we will continue to pay him his base salary in accordance with our normal payroll schedule for a period of 12 months from the date of termination. The employment agreement contains certain restrictive covenants that prohibit Mr. Gibree from disclosing information that is confidential to us and our subsidiaries and generally prohibits him, during the employment term and for one year thereafter, from soliciting or hiring our employees or competing with us. On February 5, 2010, this employment agreement was terminated.

*Change of Control Agreement.* In connection with the termination of Mr. Gibree's employment agreement, we entered into a change of control agreement with Mr. Gibree. The change of control agreement entitles Mr. Gibree to certain payments and benefits if (1) there is a "Change of Control" (as described above) and (2) within twelve months thereafter Mr. Gibree's employment is terminated other than for cause or due to the death or disability of Mr. Gibree, or by Mr. Gibree for good reason. If these events occur, Mr. Gibree shall be entitled to (a) a lump sum cash payment equal to the sum of (i) 100% of Mr. Gibree's base salary that was in effect at the time of termination and (ii) the average of Mr. Gibree's annual base bonuses from the company for two fiscal years preceding the fiscal year in which the termination occurs, and (b) for a period of one year, except where comparable benefits are available from a subsequent employer, Mr. Gibree and his covered dependents, if any, shall be entitled to all benefits under the company's welfare benefit plans, as if Mr. Gibree were still employed during such period, at the same level of benefits and at the same dollar cost to Mr. Gibree as is in effect at the time of termination. The change of control agreement also contains non-competition and similar covenants which are in effect during Mr. Gibree's employment with our company and for a period of twelve months following the termination of Mr. Gibree's employment with our company.

### *Joseph Driscoll, Chief Financial Officer*

*Employment Agreement Effective in 2009.* In September 2006, Mr. Driscoll entered into a full-time employment agreement with the predecessor company to our company. Under the terms of this employment agreement, Mr. Driscoll serves as our chief financial officer for an initial term of two years. The employment agreement provides that Mr. Driscoll is to receive an annual base salary of at least \$170,000, which was subsequently increased in 2008 to \$200,000. Mr. Driscoll received a cash bonus of \$50,000 upon completion of the merger. Mr. Driscoll also may be awarded a bonus in an amount equal to up to 25% of his base salary during any fiscal year during the employment agreement as long as we attain our projected revenue, net income and other performance criteria goals as determined in writing by the Compensation Committee prior to, or within, sixty (60) days after our operating budget is established for that fiscal year.

The employment agreement provides that, in the event of the termination of Mr. Driscoll's employment by us without cause or upon termination of his employment as a result of our breach of the employment agreement, we will continue to pay him his base salary in accordance with our normal payroll schedule for a period of six months from the date of termination. The employment agreement contains certain restrictive covenants that prohibit Mr. Driscoll from disclosing information that is confidential to us and our subsidiaries and generally prohibits him, during the employment term and for one year thereafter, from soliciting or hiring our employees or competing with us. On February 1, 2010, this employment agreement was terminated.

## Edgar Filing: Summer Infant, Inc. - Form DEF 14A

*Change of Control Agreement.* In connection with the termination of the employment agreement, we entered into a change of control agreement with Mr. Driscoll. The change of control agreement entitles Mr. Driscoll to certain payments and benefits if (1) there is a "Change of Control" (as defined above) and (2) within twelve months thereafter Mr. Driscoll's employment is terminated other than for cause or due to the death or disability of Mr. Driscoll, or by Mr. Driscoll for good reason. If these events occur, Mr. Driscoll shall be entitled to (a) a lump sum cash payment equal to the sum of (i) 100% of Mr. Driscoll's base salary that was in effect at the time of termination and (ii) the average of Mr. Driscoll's annual base bonuses from the company for two fiscal years preceding the fiscal year in which the termination occurs, and (b) for a period of one year, except where comparable benefits are available from a subsequent employer, Mr. Driscoll and his covered dependents, if any, shall be entitled to all benefits under the company's welfare benefit plans, as if Mr. Driscoll were still employed during such period, at the same level of benefits and at the same dollar cost to Mr. Driscoll as is in effect at the time of termination. The change of control agreement also contains non-competition and similar covenants which are in effect during Mr. Driscoll's employment with our company and for a period of twelve months following the termination of Mr. Driscoll's employment with our company.

### **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and changes in ownership of our common stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such reports furnished to us during the fiscal year ended December 31, 2009, we believe that each person who, at any time during fiscal year 2009, was a director, officer or beneficial owner of more than 10% of our common stock complied with all Section 16(a) requirements during 2009, except for the following: Dan Almagor filed a late Form 3 related to his becoming a reporting person; Joseph Driscoll filed two late Form 4s related to two stock option grants and a grant of restricted common stock; Steven Gibree filed two late Form 4s related to two stock option grants and a grant of restricted common stock; Jeffrey Hale filed a late Form 3 related to his becoming a reporting person and a late Form 4 related to a stock option grant; Myra Hart filed a late Form 4 related to a grant of restricted common stock; Jason Macari filed a late Form 4 related to a stock option grant; and Derial Sanders filed a late Form 3 related to his becoming a reporting person.

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

In June 2007, we relocated to a new, 52,000 square foot headquarters/warehouse facility in Woonsocket, Rhode Island we constructed. The facility contains 12,000 square feet of office space and a 40,000 square foot warehouse. In March 2007, in connection with the KBL/Summer Predecessor merger, we acquired the facility from Faith Realty, an affiliated company owned by Messrs. Macari and Gibree. In connection with the acquisition of the facility, we assumed the obligations of Faith Realty under its \$500,000 construction loan with Bank of America.

In March 2009, our wholly owned subsidiary, Summer Infant (USA), Inc. ("Summer USA"), entered into a definitive agreement with Faith Realty II, LLC, a company whose members are Jason Macari, our current Chairman of the Board and Chief Executive Officer and his spouse. Under this agreement, Faith Realty purchased our corporate headquarters located at 1275 Park East Drive, Woonsocket, Rhode Island and subsequently leased the headquarters back to Summer USA. Faith Realty purchased the Headquarters for \$4,052,500 and then leased the headquarters back to Summer USA for an annual rent of \$390,000 for an initial seven-year term, payable monthly and in advance. The lease expires on its seventh anniversary unless an option period is exercised by Summer USA. If Summer USA elects to exercise the option, Summer USA will have the opportunity to extend the lease for one additional period of five years, and the annual rent for the first two years of the extension will be \$429,000 and for the final three years of the extension will be \$468,000. In addition, during the first six months of the last lease year of the initial term of the lease, Summer USA has the option to repurchase the headquarters for \$4,457,750, or 110% of the initial sales price. With the majority of the proceeds of the sale of the headquarters, Summer USA paid off the construction loan relating to the headquarters.

**AUDIT COMMITTEE REPORT**

*This Audit Committee Report shall not be deemed to be "soliciting material" or to be filed with the Securities and Exchange Commission or subject to Regulation 14A or 14C under the Exchange Act, or to the liabilities of Section 18 of the Exchange Act. Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, this report shall not be incorporated by reference into any such filings.*

The Audit Committee reviews our financial reporting process on behalf of our Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. Our independent outside auditors are responsible for expressing an opinion on the conformity of our audited financial statements to accounting principles generally accepted in the United States of America.

In this context, the Audit Committee has reviewed and discussed with management and the independent outside auditors the audited financial statements. The Audit Committee has discussed with the independent outside auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent outside auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from us and our management. In addition, the Audit Committee has considered whether the independent outside auditor's provision of non-audit services to us is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited financial statements be included in our Annual Report on SEC Form 10-K for the year ended December 31, 2009, for filing with the SEC.

The foregoing report has been furnished by the current members of the Audit Committee.

Richard Wenz, Chairman, Dan Almagor and Robert Stebenne

**PROPOSAL NUMBER TWO**

**AMENDMENT TO CERTIFICATE OF INCORPORATION  
TO DECREASE AUTHORIZED SHARES OF COMMON STOCK**

Our Amended and Restated Certificate of Incorporation, as amended to date (the "Certificate of Incorporation"), currently authorizes the issuance of up to 100,000,000 shares of common stock, and 1,000,000 shares of preferred stock. On April 14, 2010, our board of directors adopted a resolution setting forth a proposed amendment to Article IV of the Certificate of Incorporation, subject to stockholder approval, to decrease the shares of common stock that are authorized for issuance by 51,000,000 shares, bringing the total number of shares of common stock authorized for issuance to 49,000,000. No change will be made to any other provision of the Certificate of Incorporation.

As of April 29, 2010, there were 15,437,477 shares of common stock issued and outstanding and 3,000,000 shares of common stock reserved for issuance under our 2006 Performance Equity Plan (including outstanding options). Accordingly, as of April 29, 2010, there were an aggregate of 18,437,477 shares issued and outstanding and reserved for issuance, leaving 81,562,523 shares available for future issuances. If this amendment is approved, the number of shares available for future issuances will be reduced to 30,562,523 shares.

To implement the Amendment, the first paragraph of Article IV of our Certificate of Incorporation would be amended to read as follows: "The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 50,000,000 of which 49,000,000 shares shall be Common Stock of the par value of \$.0001 per share and 1,000,000 shares shall be Preferred Stock of the par value of \$.0001 per share." A copy of the proposed Amendment is set forth in **Annex A** to this proxy statement.

Our board of directors believes that it is advisable and in the best interests of the company and our stockholders to decrease the number of authorized shares of common stock. We currently do not anticipate that we will seek authorization from stockholders for issuance of additional shares of common stock unless required by applicable laws or exchange rules, and a reduction in number of authorized shares of common stock will allow the company to reduce its annual fees paid to the State of Delaware. Except for shares of common stock reserved for issuance under our 2006 Performance Equity Plan, the board of directors has no current plans to issue additional shares of common stock and believes that the company will still have sufficient authorized common stock remaining to enable us to respond to any business opportunities that may present themselves from time to time.

The proposed decrease in the number of authorized shares of common stock could have a number of effects on our stockholders. The decrease could limit some anti-takeover strategies that the company may implement, as the number of additional shares that could be issued (within the limits imposed by applicable law) would be decreased. For example, additional shares could be issued by us as an anti-takeover strategy so as to dilute the stock ownership or voting rights of persons seeking to obtain control of us. Similarly, the issuance of additional shares to certain persons allied with our management could have the effect of making it more difficult to remove our current management by diluting the stock ownership or voting rights of persons seeking to cause such removal. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of our company.

*Vote Required*

The affirmative vote of a majority of the outstanding shares of common stock entitled to vote on this proposal is required to approve this amendment to our Certificate of Incorporation.

*Recommendation*

Our Board of Directors recommends a vote "FOR" the approval of the amendment to our Certificate of Incorporation decreasing the authorized number of shares of common stock from 100,000,000 to 49,000,000 shares.

**PROPOSAL NUMBER THREE****RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR**

Our Audit Committee has appointed Caturano and Company, P.C. ("Caturano"), an independent registered public accounting firm, to audit the consolidated financial statements of our company for the fiscal year ending December 31, 2010 and recommends that stockholders vote in favor of the ratification of such appointment. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We anticipate that representatives of Caturano will be present at the Annual Meeting, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

On May 27, 2009, based on the decision of our Audit Committee, we dismissed McGladrey & Pullen, LLP ("M&P") as our company's independent registered public accounting firm. M&P's reports on the company's financial statements for the years ended December 31, 2008 and 2007 did not contain an adverse opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2008 and 2007 and through the date of dismissal, there were no disagreements with M&P on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to M&P's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the company's consolidated financial statements for such years. There were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

We provided M&P with a copy of the disclosures in the preceding two paragraphs and requested in writing that M&P furnish the company with a letter addressed to the SEC stating whether or not they agree with such disclosures. M&P provided a letter, dated May 27, 2009 stating its agreement with such statements, which was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the SEC on May 27, 2009.

On May 27, 2009, we engaged Caturano to serve as the company's independent registered public accounting firm for the remainder of the fiscal year ending December 31, 2009. During the years ended December 31, 2008 and 2007 and through the date of the Audit Committee's decision, the company did not consult Caturano with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the company's consolidated financial statements, or any other matter or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has considered whether the provision of non-audit services by Caturano is compatible with maintaining Caturano's independence.

**Fees**

The following table shows the aggregate fees paid or accrued for audit and other services provided for the years ended December 31, 2009 and 2008:

	2009	2008(1)
Audit Fees	\$ 210,540(2)	\$ 239,000
Audit-Related Fees	5,356(3)	77,500
Tax Fees		
All Other Fees	24,188(4)	
<b>Total Fees</b>	<b>\$ 240,084</b>	<b>\$ 316,500</b>

(1) Represents fees paid to M&P only.

- (2) Represents \$37,500 paid to M&P and \$173,040 paid to Caturano.
- (3) Represents fees paid only to Caturano.
- (4) Represents \$15,000 paid to M&P and \$9,188 paid to Caturano.

*Audit Fees* were for professional services rendered for the audit of our annual consolidated financial statements and review of consolidated financial statements included in our Quarterly Reports on Form 10-Q and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements.

*Audit-Related Fees* were for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees," specifically research on interest rate swaps.

*All Other Fees* were for services other than the services reported above, specifically fees paid to (i) Caturano for work on Sarbanes-Oxley compliance and the company's Form S-3 filing in 2009 and (ii) M&P for work on the company's Form S-3 filing in 2009.

**Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors**

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with the pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

**OTHER MATTERS**

We know of no other matters that may come before the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on those matters. This discretionary authority is conferred by the proxy.

**STOCKHOLDER PROPOSALS FOR 2011 ANNUAL MEETING**

These proposals must also comply with the requirements as to form and substance established by the SEC if those proposals are to be included in the proxy statement and form of proxy.
