PROXY STATEMENT

The Board of Directors of Cogent Communications Group, Inc. (the "Company"), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 27, 2011, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's 2010 Annual Report to Stockholders are first being mailed to stockholders on or about March 10, 2011.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., March 1, 2011 (the "Record Date"), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 45,904,844 shares of common stock, par value \$0.001 per share.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. In general, our Bylaws provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. Broker non-votes (which occur when a brokerage firm has not received voting instructions from the beneficial owner on a non-routine matter, as defined by under applicable rules and as discussed in greater detail below) and abstentions are counted for purposes of determining whether a quorum is present.

Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders, including Proposals 1, 2 and 3. The outcome of Proposal 4 will be determined based on which option receives the affirmative vote of a plurality of the shares having voting power present in person or represented by proxy at the Annual Meeting.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

delivering written notice of revocation to the Company, Attention: Ried Zulager;

delivering a duly executed proxy bearing a later date to the Company; or

attending the Annual Meeting and voting in person.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted "FOR" the election of directors, "FOR" the ratification of the selection by the Audit Committee of Ernst & Young LLP as independent registered public accountants, "FOR" the non-binding approval of the compensation of the Company's named executive officers, "FOR" the holding of a non-binding advisory vote on executive compensation "every year" and as the proxy holders deem advisable on other matters that may come before the meeting, as the case may be, with respect to the item not marked.

Proposals 1, 3 and 4 are matters considered non-routine under applicable rules. A broker or other nominee cannot vote on these matters without specific voting instructions on non-routine matters, and therefore there may be broker non-votes on Proposals 1, 3 and 4.

Proposal 2 is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters without specific voting instructions, and therefore no broker non-votes are expected to exist in connection with Proposal 2.

Broker non-votes will not be deemed to have voting power and thus will have no effect on voting. However, abstentions will be treated as present and having voting power, and accordingly will have the effect of a negative vote for purposes of determining the approval of Proposals 1, 2 and 3.

The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or email.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Seven directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board of Directors shall be approved by a majority of the votes cast by holders of our common stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company. The Board has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

Set forth below is certain information concerning the seven directors of the Company nominated to be elected at the Annual Meeting:

Dave Schaeffer, age 54, founded our Company in August 1999 and is our Chairman of the Board of Directors, Chief Executive Officer and President. Prior to founding the Company, Mr. Schaeffer was the founder of Pathnet, Inc., a broadband telecommunications provider, where he served as Chief Executive Officer from 1995 until 1997 and as Chairman from 1997 until 1999. Mr. Schaeffer has been a director since 1999. Mr. Schaeffer serves as both Chairman and CEO because he is the founder of the Company and has successfully led the Company and the board since the Company was founded. For this reason he has been nominated to continue serving on the Board.

Steven D. Brooks, age 59, has served on our Board of Directors since October 2003. Mr. Brooks is a private investor. He was Managing Partner of BCP Capital Management from 1999 to 2009. From 1997 until 1999, Mr. Brooks headed the technology industry mergers and acquisition practice at Donaldson, Lufkin & Jenrette. Previously, Mr. Brooks held a variety of positions in the investment banking and private equity fields, including: Head of Global Technology Banking at Union Bank of Switzerland, Managing Partner of Corporate Finance at Robertson Stephens, founder and Managing Partner of West Coast technology investment banking at Alex Brown & Sons, and Principal at Rainwater, Inc., a private equity firm in Fort Worth, Texas. Mr. Brooks has been nominated to continue serving on the Board because of his extensive experience with firms such as Cogent and with public market activities of such companies. Having been involved with the Company since its early days he also brings extensive historical perspective to the Board.

Erel N. Margalit, age 50, has served on our Board of Directors since 2000. Mr. Margalit has been Managing Partner of Jerusalem Venture Partners since August 1997. He was a general partner of Jerusalem Pacific Ventures from December 1993 to August 1997. From 1990 to 1993, Mr. Margalit was Director of Business Development of the City of Jerusalem. Mr. Margalit serves on the board of directors (which also serves as the compensation committee in each case) of Sepaton, Inc., Animation Lab Ltd., Cyber-Ark Software, Ltd., Double Fusion Inc., Magink Display Technologies Inc., CyOptics, Inc., JVP Media Studio, L.P., Citypulse Ltd., PopTok Ltd., Siano Mobile Silicon, Inc., and Qlipso Media Networks Ltd. All of these companies are privately held. Mr. Margalit also serves on the board of directors of QLIK Technologies, Inc., which is listed on NASDAQ. A Jerusalem Venture Partners fund managed by him was a founding investor in Cogent. Mr. Margalit continues to play an active role in various technology ventures both in and outside the U.S. Mr. Margalit has been nominated to continue serving on the Board because of this extensive knowledge of the international technology market.

Timothy Weingarten, age 35, has served on our Board of Directors since October 2003. Mr. Weingarten is the Chief Executive Officer of Visage Mobile. He is also a consultant to and former

general partner of Worldview Technology Partners. From 1996 to 2000, Mr. Weingarten was a member of the telecom equipment research group at Robertson Stephens and Company. Mr. Weingarten is also a member of the board of directors of Visage Mobile, Zoove, Inc., and Ooma, Inc. He serves on the compensation committee of each of those companies and on the audit committee of Ooma and Visage. Mr. Weingarten has been nominated to continue serving on the Board because of his extensive knowledge of the U.S. venture capital backed companies making use of the Internet. The Board values this insight since Cogent's future growth depends to a great extent on the uses made of the Internet.

Richard T. Liebhaber, age 75, has served on our Board of Directors since March 2006. Mr. Liebhaber was with IBM from 1954 to 1985, where he held a variety of positions. Subsequently, he served as executive vice president and member of the management committee at MCI Communications, and served on the board of directors of MCI from 1992 to 1995. From 1995 to 2001, Mr. Liebhaber served as managing director at Veronis, Suhler & Associates, a New York media merchant banking firm. He also serves on the board of JDS Uniphase, where he serves on the development and governance committees. Mr. Liebhaber has been nominated to continue serving on the Board because of his extensive operational experience with telecommunications companies.

D. Blake Bath, age 48, has served on our Board of Directors since November 2006. He is the Chief Executive Officer of Bay Bridge Capital Management, LLC, an investment firm in Bethesda, MD. From 1996 until 2006, Mr. Bath was Managing Director at Lehman Brothers and, as a senior equity research analyst for Lehman Brothers, was Lehman's lead analyst covering wireline and wireless telecommunications services. Prior to joining Lehman Brothers he was the primary telecommunications analyst at Sanford C. Bernstein from 1992 to 1996. From 1989 to 1992 he was an analyst in the Strategic Planning and Corporate Finance organizations at MCI Communications. Mr. Bath has been nominated to continue serving on the Board because of his wide experience with the telecommunications industry which allows him to contribute a broad perspective to discussions about the Company's future activities and its place in the current competitive landscape.

Marc Montagner, age 49, has served on our Board of Directors since April 2010. He is currently Managing Partner of Dupont Circle Partners. Until recently he was Executive Vice President of Strategy, Development and Distribution at LightSquared (formerly SkyTerra). Prior to joining LightSquared in February of 2009, Mr. Montagner was Managing Director and Co-Head of the Global Telecom, Media and Technology Merger and Acquisition Group at Banc of America Securities. Until August of 2006, he was Senior Vice President, Corporate Development and M&A with the Sprint Nextel Corporation. Prior to this, Mr. Montagner had the same responsibilities with Nextel Communications. Prior to 2002, Mr. Montagner was a Managing Director in the Media and Telecom Group at Morgan Stanley. Prior to joining Morgan Stanley, Mr. Montagner worked for France Télécom in New York where he was Head of Corporate Development for North America. He has been nominated to the Board due to his extensive experience in the telecommunications industry, specifically with respect to operational, financial and strategic matters.

Unless marked otherwise, proxies received will be voted "FOR" the election of each of the nominees named above.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the election of all nominees named above.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2011. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal years 2009 and 2010 are described under "Relationship with Independent Registered Public Accountants Fees and Services of Ernst & Young LLP," below.

We are asking our stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

Representatives of Ernst & Young LLP will be available by telephone at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for ratification. The Board recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2011. Unless marked otherwise, proxies received will be voted "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2011.

In the event stockholders do not ratify the appointment, the appointment may be reconsidered by the Audit Committee and the Board. The Company believes that neither the Audit Committee nor the Board is obliged to make any such reconsideration under Delaware law, the rules of the stock exchange on which it is listed, or the rules promulgated by the Securities and Exchange Commission that frame certain specific obligations of the members of all public company audit committees with respect to the selection of independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2011.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to vote on the following advisory resolution at the 2011 Annual Meeting of Stockholders:

RESOLVED that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2011 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2010 Summary Compensation Table and the other related tables and disclosure.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Although the stockholder's vote is advisory and non-binding upon our Board of Directors, our Board will take your vote into consideration when making future decisions regarding executive compensation. However, our Board of Directors and the Compensation Committee will retain full responsibility for determining the final compensation of the executive management of the Company.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval.

As described in the Compensation Discussion and Analysis section of this Proxy Statement, the Company's executive compensation is designed to attract, reward and retain the executives of our Company in order to achieve our Company's corporate goals and to align the interests of the executives with the long-term interests of our stockholders. The compensation structure is modest by the standards of public companies and the Board believes that is at lower or equal levels as other, similar telecommunications and high tech companies. In summary, the Company has a simple and modest compensation structure that is tied to assessments of the Company's overall performance. The Board believes that this structure has been successful in recruiting and retaining its management team as evidenced by the Company's success and the low turnover of the management team.

The Board urges stockholders to carefully read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail our executive compensation policies and procedures, as well as the Summary Compensation Table and other related compensation tables and the narrative discussion.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the resolution set forth above thereby approving the compensation of the named executive officers.

PROPOSAL NO. 4 ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, we are asking stockholders to vote on the following advisory resolution at the 2011 Annual Meeting of Stockholders:

Resolved, that the stockholders of Cogent Communications Group, Inc. (the "Company") recommends that the Board of Directors of the Corporation obtain an advisory vote on compensation with the following frequency:

- (1) *Every Year*
- (2) *Every Two Years*
- (3) *Every Three Years*
- (4) *Abstain.*

Although your vote is advisory and non-binding upon our Board of Directors, our Board of Directors will carefully review the voting results and take it into consideration when determining the frequency of the stockholder's vote on executive compensation. In this proposal you are not voting to approve or disapprove any proposal or recommendation of our Board, but rather for the option you believe is the most appropriate (every one, two or three years) for holding stockholders advisory votes on the executive compensation.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

The outcome of this Proposal 4 will be determined based on which option receives the affirmative vote of a plurality of the shares having voting power present in person or represented by proxy at the Annual Meeting.

After careful consideration of both the advantages and disadvantages of each frequency option, our Board of Directors has determined that the most appropriate policy for the Company is to hold stockholders advisory vote on executive compensation every year. Such annual votes will allow our stockholders to express their views and concerns without delay and thus provide our Board of Directors with direct feedback regarding its annual decisions on Company's executive compensation policies and practices.

Recommendation of the Board of Directors:

The Board recommends a vote FOR "Every Year" for the frequency of future stockholder advisory votes on executive compensation.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met four (4) times during 2010 and acted once by unanimous written consent. Each director, during his term as director, attended all of the meetings of the Board. Each director, during his term as director, attended all of the meetings of the committees of the Board of which he was a member. All of the directors attended the annual meeting of stockholders. During 2010, the Board had a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

Mr. Schaeffer serves as CEO and Chairman of the Board of Directors. He is the founder of the Company and owns approximately 6% of the Company's stock. His dual role was established 10 years ago when he founded the Company. The Board believes that at the Company's current stage of growth the Board is best served by a chairman who is involved with the Company on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. The Board does not have a designated lead independent director.

The Board's role in the Company is to provide general oversight of strategy and operations. As part of its oversight of operations it reviews the performance of Company and the risks involved in the operations of the Company. The Board and the Audit Committee receive regular reports on the status of the Company's internal controls and each has reviewed key operational risks. The Board's risk oversight role has no effect on its leadership structure as all directors other than Mr. Schaeffer are independent directors and therefore have no conflict that might discourage critical review.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. During 2010, from January 1 to April 15, 2010, the members of this committee were Messrs. Brooks (Chairman), Liebhaber and Margalit. From April 15, 2010, the members of this committee are Messrs. Brooks (Chairman), Montagner and Margalit, each of whom are independent members of our Board. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com under the "Corporate Governance" tab. Pursuant to its charter, the Nominating and Corporate Governance Committee's tasks include assisting the Board of Directors in identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

The Nominating and Corporate Governance Committee seeks diversity in the membership of the Board. It does not have formal objective criteria for determining the amount of diversity needed or present on the Board. Instead it and the Board seek candidates with a range of experience. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the Nominating and Corporate Governance Committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, the Company seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the corporate Secretary, at least three months before the next annual meeting to ensure meaningful consideration by the Nominating and Corporate Governance Committee. See also "Stockholder Proposals" for Bylaw requirements for nominations.

The Nominating and Corporate Governance Committee had four (4) formal meetings in 2010; all meetings were held in conjunction with a scheduled in-person meeting of the full board to accommodate the views of all members of the Board of Directors concerning its membership and constitution.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, are then forwarded to the Board has served the Board's and the stockholders' needs. In view of Securities and Exchange Commission, or SEC, disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website at www.cogentco.com, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. The Company generally holds a Board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions regarding the facts and circumstances pertaining to each member, considered in the context of applicable Nasdaq Marketplace Rules, the Board has determined that all of the directors nominated for election, other than Mr. Schaeffer, are independent.

Audit Committee

The Audit Committee is established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During 2010, from January 1 to April 15, 2010, the members of this committee were Messrs. Liebhaber (Chairman), Bath and Weingarten. From April 15, 2010, the members of this committee are Messrs. Liebhaber (Chairman), Bath and Montagner, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each of Messrs. Liebhaber, Bath and Montagner qualifies as a financial expert, as that term is defined in the Exchange Act. The responsibilities of this Audit Committee include:

the appointment, compensation, retention and oversight of our independent registered public accountants;

reviewing with our independent registered public accountants the plans and results of the audit engagement;

pre-approving professional services provided by our independent registered public accountants;

reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;

reviewing the independence of our independent registered public accountants; and

reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met seven (7) times during 2010 and did not act by unanimous written consent. The charter of the Audit Committee may be found under the tab "About Cogent; Investor Relations; Corporate Governance" at www.cogentco.com.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of the Board of Directors is responsible for determining compensation changes for senior officers and employees in general. The Chief Executive Officer participates in the decision making by making recommendations to the committee. After informal discussion among the committee members and the CEO, recommendations for compensation changes are voted upon by the committee and the Board of Directors. The compensation changes take the form of specific amounts for the CEO and other executive officers and general guidelines for use by the CEO in determining compensation for other employees. Compensation changes are developed based upon the understanding of the CEO and the committee of the compensation of officers and employees in similar companies and the performance of the individual officers. Neither the CEO nor the committee has retained any third party consultants or engaged in any formal comparison of compensation at the Company to compensation at other companies.

The method of compensation decision making actually employed by the Company does not lend itself to extensive analytical and quantitative disclosure. Most of the analysis that goes into compensation determinations is simply the subjective business judgment of the Company's CEO and

the Board of Directors. Cogent is a small company, with approximately 570 employees, half of whom are sales people. Its salaries and bonuses are modest by the standards of public companies. The CEO has a salary of \$326,353 (in 2011) and cash bonuses to senior management have rarely exceeded 5% of salary. Stock and option awards to senior management are also modest and generally are, the Company believes, at lower levels than other, similar telecommunications and high tech companies. In summary, the Company has a simple and modest compensation structure. Accordingly, the compensation decisions do not involve extensive analysis, but rather are based on the judgment of the Company's Board of Directors, its Compensation Committee, and its CEO, based on their experience, described below.

Each member of the Compensation Committee has extensive personal experience with the determination of executive compensation. Blake Bath, the chairman of the committee, was an equity research analyst for 14 years and was involved with dozens of early stage telecommunication and internet companies that subsequently became public companies. As such, he reviewed the compensation of numerous senior executives, including the compensation of the founding CEOs of these companies. Erel Margalit is the founder of one of the venture capital funds that provided the Company with its initial investment and has managed venture capital funds for 15 years. During this time period, he has helped foster the growth of more than 60 companies in the U.S., Israel and Europe and has participated in the determination of CEO and executive compensation in dozens of cases. He was involved in the initial funding of the company when the CEO's compensation was initially determined. As an investor risking the money entrusted to him through his venture capital funds he has had the incentive and profit motive to effectively manage CEO compensation. Timothy Weingarten has been a venture capitalist for eight years. The funds with which he is affiliated were some of the initial investors in the Company when it was founded. He has served on the board of directors of seven companies in which the funds with which he is affiliated have invested. Serving on these boards he has participated in setting compensation for CEOs and other executives. The funds with which he is affiliated have invested in close to 100 companies. The fund managers have regularly discussed and debated executive compensation in the context of the decision of the funds to invest in these companies. He is also familiar with these issues in his role as CEO of Visage Mobile.

With their combined experience as a starting point, the members of the Compensation Committee have considered the proposed compensation of the named executive officers. They have shared their views, based on their experience, with one another and come to a consensus decision on the proper level of compensation. The ultimate decision is a synthesis of each member's experience and views on proper compensation levels.

The combined experience of the members of the committee, having seen hundreds of executives in start-up and other companies has given them a sense of the compensation that executives at various levels expect and the amount that must be paid to maintain a motivated executive who will not seek other employment. The Compensation Committee relies on this experience in determining that the awards granted to management are sufficient to retain the named executive officers and are comparable to compensation received by management at similar companies.

The compensation philosophy of the CEO and the committee is to pay reasonable salaries in light of the perceived market for the skills of each individual hired, to avoid offering any perquisites (such as automobiles, club dues, etc.), to pay cash bonuses from time to time related to specific events, and to make equity grants that vest over time. The Company believes that this philosophy has been successful in recruiting and retaining its management team as evidenced by the Company's success and the low management turnover.

The compensation of the CEO was originally determined in negotiations with the managers of the venture capital funds that initially invested in the Company in February 2000. At the same time he entered into an employment agreement that governs various aspects of his employment. His

employment agreement is described below. The compensation of subsequently hired executive officers was determined in negotiations between the CEO and such executive officers and in consultation with the Board of Directors and the Compensation Committee and is governed by the terms of employment agreements. Subsequent adjustments to the compensation of executive officers have been made based upon the recommendation of the CEO after consultation with the Compensation Committee in the manner described above. Any change to any aspect of the compensation of the CEO is approved by the Board of Directors, excluding the CEO, upon recommendation from the Compensation Committee.

The Company's current executive compensation program is composed primarily of salary paid in cash, bonuses paid in cash, stock options and restricted stock. All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan and its medical, dental and other benefits plans on the same basis as other employees. Changes in all elements of compensation for all executive officers, including the CEO, have generally arisen from informal discussions among the CEO and the directors followed by formal recommendations by the CEO to the Compensation Committee and the board of directors.

The Company's compensation components in 2010 were the same as in prior years—salary, cash bonus, and restricted stock. Changes in salaries over the years have been made on the basis of changes in responsibility and compensation for inflation. Cash bonuses have not been a significant part of compensation. Restricted stock and options (in prior years) have been used by the Compensation Committee to motivate the executives and link their interests to those of the stockholders. The elements are each viewed independently: salary increases to partially offset inflation; bonuses as a fairly immaterial element awarded primarily based on the CEO's and the Compensation Committee's subjective analysis of an employee's contributions and the Company's performance; and equity awards to motivate employees and align their interest with stockholders.

Salary

The Compensation Committee periodically reviews the compensation of the Company's Chief Executive Officer and each executive officer and, based on recommendations from the CEO, determines the compensation for each executive. In recent years the Company has given raises to all employees to partially compensate for general inflation. Specific executive officers have been given additional raises based on the officer's increased responsibilities as the Company has grown. The CEO and the committee members have determined the amount of these raises based on their experience as managers and directors without reference to studies or consultants. Consistent with its policy the Compensation Committee and the Board of Directors granted as of January 1, 2010 senior officers the same 1.0% salary increase granted to other employees. Effective January 1, 2011, the senior officers and other employees were granted a 1.0% salary increase.

Bonus

The Company's executive officers and employees have received cash bonuses based on accomplishing certain goals, and the subjective judgment of the Compensation Committee and the Board. The Compensation Committee and the Board of Directors have made specific awards to the CEO and others, specified the maximum awards for awards made by the CEO to executive officers other than himself, and determined the bonus pools for awards to non-executive employees. Subject to these limitations the Board has authorized the CEO to make bonus grants to executive officers and employees (other than the CEO). The CEO has also authorized specific cash bonuses to certain employees and officers for performance based on a qualitative assessment of performance. In all cases the Compensation Committee and the Board have reviewed and approved any bonus for the CEO.

The Company's Chief Revenue Officer and Vice President of Global Sales, Jeff Karnes, is paid commissions once a quarter based on the achievement of the entire sales organization (North America

and Europe) against a revenue quota for that quarter. The revenue quota for the entire sales organization is the sum of quotas assigned to each sales office. Within each sales office each sales person has a revenue quota assigned to him or her. The quota is an amount of revenue from new customers that the sales person is supposed to deliver. Salespersons are paid a commission based on the percentage of quota each achieves. Revenue, for the purpose of the quota and commission calculation, is the expected revenue from customers that have had the Company's service (Internet access and related services) installed during the relevant period. Revenue includes monthly recurring revenue and a portion of non-recurring revenue, such as installation charges. Mr. Karnes' revenue quota is based on the sum of the quotas for all sales offices. If the revenue generated by the entire sales organization for the quarter is 100% of Mr. Karnes' revenue quota, he will receive 100% of \$15,000. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the quarter, then he would be paid 50% of \$15,000, or \$7,500. If revenue were 200% of his quota he would receive \$30,000.

The Board and Compensation Committee made specific awards to several executives for work performed in 2010. These awards are set forth in the Summary Compensation Table, below.

Options and Restricted Stock

The Company has made awards of options and restricted stock to employees to align their interests with the Company's stockholders. Awards are not timed to material company events. The exercise price of the option awarded to an employee is the price of Company's common stock on the grant date.

Vesting of options and restricted stock is based on continued employment with acceleration of vesting upon a change of control or, for some awards, if the executive is discharged other than for cause or resigns for good cause. Awards to senior officers are determined by the Compensation Committee and/or the full Board of Directors as appropriate, taking into account such factors as the nature of the participant's responsibilities and the business priorities of the Company. Awards to employees other than senior officers are made by the CEO pursuant to general guidelines established by the Compensation Committee and the Board. The restricted stock granted to our executive officers fully vests upon a change of control, even if the officer is not discharged. A change of control is defined as a transaction after which the current stockholders of the Company have less than 50% of the stock of the surviving entity, for example, a merger, sale of substantially all of the assets of the Company, or similar transaction. Permitting the officers to become fully vested upon a change of control and allowing this to occur without the executive being discharged provides, in the view of the Board of Directors, an incentive for the executives to pursue a transaction that could be beneficial for the stockholders even though the change of control would create uncertainty with respect to the future of each officer.

The intent of the Compensation Committee has been to use the awards of restricted stock and options to align the interests of management with the interests of the stockholders. The size of these awards was based primarily on the Compensation Committee's subjective experience with awards to CEOs that are the founder of the company and to other executives hired to build a start-up company. The Compensation Committee's intent has been to make awards that are sufficient to retain the executives and that are comparable to the compensation received by management in other, similar companies. The awards of restricted stock made by the Compensation Committee and the Board of Directors continue this practice. The stock vests over a period of years to provide an incentive for the executives to stay with the company.

Mr. Schaeffer's stock awards have been substantially greater than the awards given to other executive officers. He was the founder of the Company and has been its CEO since inception. The Compensation Committee regards him as critical to the future prospects of the Company. Not only was

he the founder of the Company but he has been primarily responsible for hiring every member of management, has led all of the Company's capital raising activities, and has actively managed the Company for its entire history. No detailed analysis went into the decision of the Compensation Committee on the award he has received. Instead, the size of the award was based primarily on the business experience of the Compensation Committee members with respect to the size of the ownership position of a founder and CEO.

In 2010, the Board and the Compensation Committee made awards of restricted stock to the executive officers. The awards consisted of restricted stock that vests over time and restricted stock that may be received if certain performance measures are met. These awards are detailed in the Summary Compensation Table and other tables below.

Severance and Change of Control Compensation

Each of the senior managers is entitled to receive 6-12 months of salary and, in certain cases, acceleration of vesting in restricted stock and options. The specific amounts that each executive officer would receive are described below in the section titled "Employment Agreements and Other Potential Post-Employment Payments." The Compensation Committee and the Board believe these termination arrangements are necessary to secure and retain the services of experienced managers. Such arrangements are typical for executives. They serve a purpose in that they encourage executives to be receptive to changes, such as sale of the company or management changes, that benefit the company though they may place an individual executive at risk.

Tax Deductibility of Compensation

Section 162(m) of the U.S. Internal Revenue Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the four other most highly compensated executive officers. The awards made to the CEO will cause his compensation to exceed \$1,000,000 in most years and such compensation will not be fully deductible for federal income tax purposes.

Summary Compensation Table

The following table sets forth the cash and non-cash compensation paid or incurred on our behalf to our Chief Executive Officer, our principal financial officer, and each of our three other most highly compensated executive officers, or our named executive officers, whose annual compensation equaled or exceeded \$100,000 for the year three years ended December 31, 2010.

This was intended simply to compensate (partially) for inflation. On February 2, 2011 Mr. Schaeffer received an award of 100,000 shares of restricted stock that will vest on February 2, 2014. That award is not reflected in the table above because it was made in 2011.

The executive officers received grants of restricted stock in April 2010. A portion of the award will vest over time and another portion may vest if certain performance goals are met. Mr. Weed received an additional award in November 2010. The table and footnotes below detail the awards. Mr. Karnes commission has been paid on a continuing basis since he was hired. Mr. Karnes revenue quota is based on the sum of the quotas for all sales offices. If the revenue generated by the entire sales organization for the quarter is 100% of Mr. Karnes revenue quota, he will receive 100% of \$15,000. If the percentage is more or less he receives a proportionally lesser or greater amount. For example if revenue were at 50% of his quota for the quarter, then he would be paid 50% of \$15,000, or \$7,500. If revenue were 200% of his quota he would receive \$30,000.

Employment Agreements and Other Potential Post-Employment Payments

Each of Messrs. Schaeffer, Weed, Beury, Karnes, and Schleifer entered into an employment agreement with us. Among other things, these agreements and the terms of the grants of options and restricted stock provide for certain benefits upon change of control, termination of employment without cause and resignation for "good reason". The agreements are as follows:

Dave Schaeffer Employment Agreement. Dave Schaeffer has an employment agreement that provides for his services as Chief Executive Officer. He also receives all of our standard employee benefits. If he is discharged without cause or resigns for "good reason" he is entitled to a lump sum amount equal to his annual salary at the time and continuation of his benefits for one year. Under the terms of the grants of restricted stock that have been made to him in the event of a change of control 100% of his then unvested restricted stock will vest immediately. The value on December 31, 2010 of the unvested restricted stock and options that could have vested pursuant to these provisions was \$6,787,200. Had his employment been terminated without cause or had he resigned for "good reason" on December 31, 2010 he would have received a payment of \$323,122 (equal to one year's salary). In addition he would have continued to vest in a portion of this restricted stock. The value on December 31, 2010 of that stock was \$2,828,000. "Good reason" for resignation includes removal from his position as CEO or failure to elect him as chairman of the Board of Directors.

Thaddeus Weed Employment Agreement. Thaddeus Weed has an employment agreement under which he serves as Chief Financial Officer and Treasurer. In the event that his employment with us is terminated without cause or he resigns for good reason, the agreement entitles him to twelve months of salary and continuation of benefits for twelve months. Had this occurred on December 31, 2010 he would have received \$249,920 (12 months salary). Under the terms of the grants of restricted stock he is also entitled to continued vesting of a portion of his restricted stock during his severance period. The value on December 31, 2010 of the unvested stock for which vesting would continue was \$506,390. In the event of a change of control he becomes fully vested in his restricted stock. If this had occurred on December 31, 2010 the value of the restricted stock and options that would have vested was \$1,231,354. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock and options will vest immediately and he will receive his severance payment as a lump sum.

Equity Plan Information

2004 Incentive Award Plan. In 2004, we adopted our 2004 Incentive Award Plan (the "2004 Award Plan"). The 2004 Award Plan is intended to enhance and supplement the 2003 Award Plan (under which awards are no longer made) by broadening the types of awards that may be granted to employees and consultants and by providing for grants to directors. In addition to awards of restricted shares of common stock, the 2004 Award Plan provides us with the ability to award other equity-based incentive compensation, such as options to purchase shares of our common stock, stock appreciation rights, dividend equivalent rights, performance awards, restricted stock units, deferred stock and stock payments to employees, consultants and directors.

The principal purpose for the adoption of the 2004 Award Plan was to promote the success of our business and enhance our value by linking the personal interests of employees, consultants and directors to our success and by providing these individuals with an incentive for outstanding performance. We believe that the 2004 Award Plan also gives us the flexibility to offer a variety of types of compensation and to remain competitive in recruiting and retaining qualified key personnel.

We currently make all awards under our 2004 Award Plan, which has been approved by our stockholders. The following table provides information as of December 31, 2010 about outstanding options and shares reserved for future issuance:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with certain of our named executive officers as described in "Employment Agreements and Other Potential Post-Employment Payments."

Our Headquarters Lease

The Company's headquarters is located in an office building owned by a partnership (6715 Kenilworth Avenue Partnership). The two owners of the partnership are our Chief Executive Officer, Dave Schaeffer, who has a 51% interest in the partnership and his wife, Ruth Schaeffer, who has a 49% interest in the partnership. The Company paid \$0.6 million in 2010 in rent and related costs (including taxes and utilities) to this partnership under a lease that expires in August 2012. The dollar value of Mr. Schaeffer's interest in the lease payments in 2010 was \$0.3 million. The dollar value of Mrs. Schaeffer's interest in the lease payment in 2010 was \$0.3 million. If Mr. Schaeffer's interest is combined with that of his wife then the total dollar value of his interest in the lease payments in 2010 was \$0.6 million. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party.

Approval of Related Party Transactions

The Audit Committee, the Compensation Committee, and the independent directors review and approve related party transactions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's stock to file reports of ownership

Based on its records and other information, the Company believes that all Section 16(a) filing requirements applicable to its directors and executive officers for 2010 were timely met.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2011. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Ernst & Young LLP before the firm is retained. The policy requires an individual review by the committee in advance of each service to be provided by Ernst & Young LLP.
