PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 1, 2012

This proxy statement is furnished to the shareholders of AdCare Health Systems, Inc., an Ohio corporation (the "Company"), in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held at the Hilton Columbus at Easton, 3900 Chagrin Drive, Columbus, Ohio 43219 on June 1, 2012 at 10:00 a.m., and at any adjournment or postponement thereof (the "Annual Meeting"). The enclosed proxy is being solicited by our Board of Directors. This proxy statement and the enclosed proxy will be first sent or given to our shareholders on approximately April 17, 2012.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Annual Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the election of Jeffrey L. Levine, David A. Tenwick and Gary L. Wade as directors of the Company for three (3) year terms expiring at the Annual Meeting in 2015 and **FOR** the amendment to the Company's Articles of Incorporation to increase the number of authorized shares of common stock, no par value, from 29,000,000 shares presently authorized to 55,000,000 shares and to increase the number of authorized shares of preferred stock from 1,000,000 to 5,000,000 and **FOR** the amendment to the Company's 2011 Stock Incentive Plan to increase the maximum number of shares of Company stock that may be issued under the Plan from the current maximum of 1,000,000 to an aggregate of 2,000,000 shares and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. The officers, directors, and nominees for directors of the Company are the beneficial owners of 24% of the Company's issued and outstanding shares. The officers, directors and nominees for directors of the Company have indicated that they will vote for each nominee for director, for the amendment to the Articles of Incorporation, and for the increase in shares to the 2011 Stock Incentive Plan.

Only holders of record of our common stock at the close of business on April 4, 2012 will be entitled to vote at the Annual Meeting. At that time, we had _____ shares of common stock outstanding and entitled to vote. Each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

The presence, in person or by proxy, of one-third of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and non-votes will be counted for purposes of determining the presence or absence of a quorum. Non-votes occur when shares are voted on some matters, but not others. The election of the director nominees requires the favorable vote of a plurality of all votes cast by the holders of our common stock at a meeting at which a quorum is present. The amendment to the Articles of Incorporation and the increase in shares available under the 2011 Stock Incentive Plan requires that the affirmative vote of a majority of common stock present and entitled to vote on this matter. All votes will be tabulated by the inspector of elections for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

No Dissenters' Rights

The proposals described in this Proxy Statement will not afford shareholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

ELECTION OF DIRECTORS

Our Articles of Incorporation, as amended, provide that the number of directors shall be fixed at nine (9) with three (3) directors to be elected each year to serve a three (3) year term. At the 2010 Annual Shareholder Meeting, Christopher Brogdon, Peter J. Hackett and Laurence E. Sturtz were elected as directors for three (3) year terms expiring in 2013, Jeffrey L. INFORMATION CONCERNING THE BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND PRINCIPAL SHAREHOLDERS

Board Leadership, Diversity and Structure

Our Board has no formal policy on whether the same person should simultaneously serve as Chairman of the Board and Chief Executive Officer. This approach allows the Board to elect the most qualified Director to serve as Chairman, while preserving the flexibility to separate the Chairman and Chief Executive Officer roles when necessary. Currently, the Board has determined that David A. Tenwick and Boyd P. Gentry are the most qualified persons to serve as Chairman of the Board and Chief Executive Officer, respectively.

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote our corporate purposes, are sound and represent best practices. We strive for diversity on our Board and seek to nominate persons whose collective background and experience are relevant to the Company's operation and strategy. We continually review these governance practices to make sure we comply with state and Federal laws.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

Our Board of Directors oversees all business, property and affairs of the Company. Our officers keep the members of the Board informed of our business through discussions at Board meetings and by providing them with reports and other materials.

Risk Oversight

Our Board of Directors oversees an enterprise-wide approach to risk management, designed to support the achievement of organizational objectives, including strategic objectives, to improve long-term organizational performance and enhance shareholder value. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the company. The involvement of the full Board of Directors in setting the Company's business strategy is a key part of its assessment of management's appetite for risk and also a determination of what constitutes an appropriate level of risk for the Company. Risk is assessed throughout the business, focusing on three primary areas of risk: financial risk, legal/compliance risk and operational/strategic risk.

While the Board of Directors has the ultimate oversight responsibility for the risk management process, various committees of the Board also have responsibility for risk management. In particular, the Audit Committee focuses on financial risk, including internal controls, and receives an annual risk assessment report from an outside consultant. In addition, in setting compensation, the Compensation Committee strives to create a combination of near term and is working on longer term incentives that encourage a level of risk-taking behavior consistent with the Company's business strategy.

Meetings and Compensation of the Board of Directors

It is the Company's policy that directors will attend all board meetings in addition to the meetings of the committees on which they serve. If a director cannot attend in person it is expected that they attend by teleconference when possible. If a director is unable to attend in person or by teleconference, prior notice is to be provided.

Our Board of Directors had a total of seven (7) meetings, our Audit Committee had a total of four (4) meetings and our Compensation Committee had a total of two (2) meetings during the year ended December 31, 2011. All but three (3) directors attended all of the meetings they were responsible for attending. One director, Mr. McClellan, missed two telephonic Board meetings and one Committee meeting and two (2) directors missed one quarterly meeting. During the first calendar quarter of 2012, our Board of Directors had a total of two (2) meetings, our Audit Committee had two (2) meetings and our Compensation Committee had one (1) meeting. All directors attended all meetings.

Directors who are not employed by the Company receive a retainer of \$4,500 per month plus \$1,000 for each meeting attended in person and \$500 for each meeting attended via conference call. Committee chairs receive an additional \$1,100 per month as a retainer.

Shareholder Communication

Our Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors or to any director in particular, c/o Carol Groeber, AdCare Health Systems, Inc., 5057 Troy Road, Springfield, Ohio 45502-9032. Any correspondence addressed to the Board of Directors or to any one of our directors in care of our offices (or by email to carolg@adcarehealth.com) will be forwarded to the addressee without review by management.

We make our proxy solicitation materials on Schedule 14A, annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act available free of charge on our

website at www.adcarehealth.com as soon as reasonably practicable after we electronically file such material with the SEC.

Committees of the Board of Directors

We have an Audit Committee, a Compensation Committee and an Executive Committee.

The Audit Committee was established in accordance with section 3(e)(58)(A) of the Exchange Act. The Audit Committee has the responsibility of reviewing our financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities and determining that all audits and examinations required by law are performed. The Audit Committee also approves the appointment of the independent auditors for the next fiscal year, approves the services to be provided by the independent auditors and the fees for such services, reviews and approves the auditor's audit plans, review and reports upon various matters affecting the independence of the independent auditors and review with the independent auditors the results of the audit and management's responses.

The Audit Committee was established in 1995, and its charter was adopted in December, 2005. The charter can be found on our website at www.adcarehealth.com. The current Audit Committee is composed of Messrs. Hackett, Levine, Radcliffe and Sturtz. During 2011, all of the members of the Audit Committee were considered "independent," as independence for Audit Committee members is defined in applicable rules of the NYSE Amex listing standards and the rules of the SEC. The Board of Directors has designated Peter J. Hackett as Chairman of the Audit Committee and as "audit committee financial expert" as defined by Item 407 of Regulations S-K of the Exchange Act.

The Compensation Committee was established in 1995, and its charter was adopted in December, 2005. The charter can be found on our website at www.adcarehealth.com. During 2011 the Compensation Committee was comprised of Messrs. Radcliffe, Levine and Mr. McClellan. Our Compensation Committee is responsible for establishing our compensation plans. Its duties include the development with management of benefit plans for our employees and the formulation of bonus plans and incentive compensation packages. The Board of Directors has designated Philip S. Radcliffe as Chairman of the Compensation Committee.

The Executive Committee was established in 1991 in order to take actions necessary between the meetings of the Board of Directors. The Executive Committee is authorized to exercise all the powers of the Board of Directors and the management and business affairs of the Company, other than that of filling vacancies among the Directors or any Committee of the Board of Directors. At the beginning of 2011, the Executive Committee was comprised of Messrs. Tenwick, Wade, Hackett and Brogdon. In mid 2011, Mr. Gentry was added to the Executive Committee in replacement of Mr. Wade.

The Board of Directors has no standing nominating committee. We believe that, as a result of the role of the independent directors, as described below, it is not necessary to have a separate nominating committee at this time. Five of our nine current Directors, Messrs. Hackett, Levine, Radcliffe, Sturtz, and McClellan were independent in 2011 as determined utilizing the standards for director "independence" set forth in applicable rules of the NYSE Amex listing standards. The independent members of the Board select nominees for election as Directors by majority vote. In selecting nominees for Director, the Board does not operate pursuant to a charter.

In selecting Director nominees, the Board of Directors considers, among other factors, the existing composition of the Board of Directors and the mix of its members appropriate for the perceived needs of AdCare. The Board of Directors believes that continuity in leadership and tenure maximizes the Board of Directors ability to exercise meaningful oversight. Because qualified incumbent Directors are generally uniquely positioned to provide shareholders the benefit of continuity of leadership and seasoned judgment gained through experience as a director, the Board of Directors will generally consider as potential candidates those incumbent Directors interested in standing for re-election who

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

they believe has satisfied Director performance expectations, including regular attendance at, preparation for and meaningful participation in meetings of the Board of Directors and committee thereof. While the Board does not have a formal policy on diversity, it seeks nominees with a broad diversity of experiences, professions, skills and backgrounds. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Compensation Committee Interlocks and Insider Participation

During 2011, the Compensation Committee was comprised of Messrs. Levine, Radcliffe and McClellan. None of the members of the Compensation Committee is a former or current officer or employee of the Company or any of its subsidiaries.

None of our executive officers has served:

as a member of the compensation committee of another entity which has had an executive officer who has served on our compensation committee;

as a director of another entity which has had an executive officer who has served on our compensation committee; or

as a member of the compensation committee of another entity which has had an executive officer who has served as one of our directors.

The Board of Directors will consider the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Board of Directors:

such recommendations must be provided to the Board of Directors c/o AdCare Health Systems, Inc., 5057 Troy Road, Springfield, Ohio 45502-9032, in writing at least 120 days prior to the date of the next scheduled annual meeting;

the nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and

the shareholder must describe the qualifications, attributes, skills or other qualities of the recommended director candidate.

Purpose of the Compensation Committee of the Board of Directors and Committee Report

The Compensation Committee advises the Board of Directors with respect to the compensation of each senior executive and each member of the Board of Directors. The Committee is also charged with the oversight of compensation plans and practices for all employees of the Company. The Compensation Committee relies upon data made available for the purpose of providing information on organizations of similar or larger scale engaged in similar activities. The purpose of the Compensation Committee's activity is to assure that the Company's resources are used appropriately to recruit and maintain competent and talented executives and employees able to operate and grow the Company successfully.

Based upon its review and the discussions referred to herein the Committee has further recommended to the Board of Directors that the disclosure of compensation paid or awarded to executive officers and directors as required by Item 402 of Regulation S-K be disclosed pursuant to the filing of this proxy statement.

Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of officers and directors to the extent currently permitted by the Ohio Revised Code.

While indemnification for liabilities under the Securities Act of 1933 is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not such indemnification is against public policy as expressed in the Act. We will be governed by the final adjudication of the issue.

Code of Ethics

We have a Business Conduct Policy applicable to all employees of the Company. Additionally, the Chief Executive Officer and all senior financial officers, including the principal financial officer, the principal accounting officer or controller, or any person performing a similar function are bound by the provisions of our code of ethics relating to ethical conduct, conflicts of interest, and compliance with the law. Our code of Business Conduct and Ethics can be found on our website at www.adcarehealth.com.

Report of Audit Committee of the Board of Directors

The Audit Committee consults with our Chief Financial Officer and other key members of our management and with our independent auditors with regard to the plan of audit; reviews, in consultation with the independent auditors, their report of audit, or proposed report of audit and the accompanying management letter, if any; and consults with our Chief Financial Officer and other key members of our management and with our independent auditors with respect to the adequacy of the internal accounting controls.

In fulfilling its responsibilities, the Audit Committee selected Battelle & Battelle LLP as our independent accountants for purposes of auditing our financial statements for 2011. The Audit Committee has reviewed and discussed with management and the independent auditors our audited financial statements; discussed with the independent auditors the matters required to be disclosed by Codification of Statements on Auditing Standards No. 61, as amended; received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1; and discussed with the independent accountants their independence from our Company.

Based on the reviews and discussions with management and Battelle & Battelle LLP, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011, filed with the Securities and Exchange Commission.

The Board of Directors evaluated the independence of each member of the Audit Committee. As part of its evaluation, the Board of Directors determined, in the exercise of its business judgment, that Messrs. Hackett, Levine, Radcliffe and Sturtz are independent under NYSE Amex standards and is financially literate each in his own capacity.

Based upon the work and the information received in the inquiries outlined above, the Audit Committee is satisfied that its responsibilities for the period ended December 31, 2011, were met and that our financial reporting and audit processes are functioning effectively.

Stock Incentive Plans

At our 2011 Annual Meeting of Shareholders held on June 3, 2011, the stockholders of the Company adopted the 2011 Stock Option Plan. The 2011 Stock Incentive Plan is intended to further the growth and profitability of our Company by providing increase incentives to encourage the share ownership, on the part of key employees, officers, directors, and consultants and advisors who render services to the Company, and any future parent or subsidiary of the Company. The 2011 Stock Incentive Plan permits the granting of stock options and restricted stock awards (collectively, "Awards") to eligible participants. The 2011 Stock Incentive Plan authorizes issuance of options to purchase up to 1,050,000 shares of common stock (adjusted for stock dividends) and is administered by the Compensation Committee of the Board of Directors. Subject to the terms of the 2011 Stock Incentive Plan, the Compensation Committee has the sole discretion to determine the persons, who will be granted Awards under the 2011 Stock Incentive Plan and the terms and conditions of such Awards, and to construe and interpret the 2011 Stock Incentive Plan. The Compensation Committee is also responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect transactions such as stock splits and dividends. The Compensation Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (i) with respect to Section 16 Persons, or (ii) in any way which would jeopardize the 2011 Stock Incentive Plan's qualifying under Section 162(n) of Code or Rule 16b-3 promulgated under the Exchange Act. The 2011 Stock Incentive Plan allows for the exercise of options through cash, or with the consent of the Committee: (a) by tendering previously acquired shares; (b) by tendering a full recourse promissory note of the optionee; (c) through a cashless exercise without the payment of cash by reducing the number of shares of common stock that would be obtainable upon the exercise of the option; (d) through a brokerage transaction; or (e) any combination of the foregoing. Benefits under the 2011 Stock Incentive Plan will depend on a number of factors, including the fair market value of the Company's common stock on future dates. Consequently, it is not possible to determine the benefits that might be received by participants receiving Awards under the 2011 Stock Incentive Plan. The Company is not obligated to make any future grants of awards under the 2011 Stock Incentive Plan. The 2011 Stock Incentive Plan provides the issuance of both incentive stock options and nonqualified stock options as permitted by the 2005 stock option plan described below. As of December 31, 2011, 277,000 incentive options with prices ranging from \$4.96 to \$5.75 and 210,000 nonqualified options with prices ranging from \$4.32 to \$7.00 have been granted under the 2011 Stock Incentive Plan. A total of 75,000 of these options have been forfeited due to routine staff attrition. See page 20 of this proxy statement concerning our proposal to amend the 2011 Plan to increase the number of shares of common stock available for issuance under the Plan from 1,000,000 to 2,000,000 shares.

In November, 2007, the Board of Directors of the Company granted warrants to officers and directors of the Company equal to two warrants for every share of stock owned. The original warrants vested ratably over a period of five years and matured on the tenth anniversary of their grant. The exercise price of the warrants in each of the five years following the issuance of the warrants was initially determined as follows: warrants vesting in 2008 were exercisable at \$1.21; warrants vesting in 2009 were exercisable at \$2.25; warrants vesting in 2010 through 2012 were exercisable at a price equal to the greater of (i) the average closing price of the Company's common stock on NYSE-Amex exchange during the month of January each year or (ii) \$3.00. The issuance of these Warrants was approved at a Special Meeting of the Shareholders on August 15, 2008. In connection with the Company's private placement approved by shareholders on November 30, 2009, the Company amended

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

this plan to provide that (i) the unvested Warrants scheduled to vest in 2011 will be exercisable at \$4.00 per share, (ii) the unvested Warrants scheduled to vest in 2012 will be eliminated; and (iii) all unexercised warrants would be exercisable on a cashless basis. The warrants that were to vest in 2012 will be replaced by a like number of Restricted Shares.

In August 2005, we adopted a Stock Option Plan (the "2005 Plan") to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The 2005 Plan authorizes the grant of options to purchase an aggregate of 220,500 shares of our common stock (adjusted for stock splits and stock dividends) both as "incentive stock options" as that term is defined under Section 422(A) of the Internal Revenue Code of 1986, as amended, and stock options which do not qualify as incentive stock options ("non-qualified stock options"). The 2005 Plan provides that the Board of Directors or the Compensation Committee of the Board of Directors may grant options and otherwise administer the 2005 Plan. As of December 31, 2011, 166,800 incentive stock options and 32,200 non-qualified stock options have been granted at an exercise price of \$1.50 per share under the 2005 Plan. A total of 61,400 of these options have been forfeited due to routine staff attrition.

In August 2004, we adopted a Stock Option Plan ("2004 Plan") to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The terms and conditions of this plan is exactly the same as the 2005 Plan. The 2004 Plan authorizes the grant of options to purchase an aggregate of 132,300 shares of our common stock (adjusted for the stock split and stock dividends) As of December 31, 2011, 98,200 incentive stock options and 16,000 non-qualified stock options have been granted at an exercise price of \$2.50 per share under the 2004 Plan. A total of 28,040 of these options have been forfeited due to routine staff attrition and 38,280 have expired.

Retirement Programs

The Company's retirement programs are designed to facilitate the retirement of employees who have performed for AdCare over the long term. We currently maintain a 401(k) Plan with a match of 50% of the first 2% of an employee's gross income as well as non-qualified employee stock purchase program. The terms of these plans are essentially the same for all employees. Our named executive officers participate in the plans on the same basis as all other employees. AdCare does not provide our named executive officers any special benefits such as executive life insurance.

INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMPANY STOCK

The Board of Directors proposes and recommends the approval of an amendment to the Company's Articles of Incorporation to increase the number of authorized shares of Company stock from 30,000,000 shares presently authorized to 60,000,000 shares. Accordingly, the Board proposes to amend Article Fourth of the Company's Articles of Incorporation to read in its entirety as follows:

"FOURTH: The number of shares which the corporations authorized to have outstanding is: 60,000,000, divided into two classes consisting of (1) 55,000,000 shares, no par value, common, and (2) 5,000,000 shares of Serial Preferred, which Serial Preferred Shares may be issued for any purpose and for such consideration as may be fixed from time to time by the Board of Directors without further approval from the shareholders except where required by law."

If the proposed amendment is adopted, the Company intends to file a Certificate of Amendment to its Articles of Incorporation on or about June 4, 2012.

The Board has determined that the proposal to increase the number of shares of authorized stock is desirable and in the stockholders' best interest because it would provide the Company with the ability to support its present capital needs and future anticipated growth and would provide the Company with the flexibility to consider and respond to future business opportunities and needs as they arise, including equity offerings, acquisitions, stock dividends, issuances under stock incentive plans and other corporate purposes. The availability of additional shares of stock would permit the Company to undertake certain of the foregoing actions without the delay and expense associated with holding a special meeting of shareholders to obtain shareholder approval each time such an opportunity arises that would require the issuance of shares of our common stock.

The additional shares of stock for which authorization is sought would have the same par value and the same voting rights and rights to dividends and other distributions that will be identical in all respects to the shares of our stock now authorized. The preferred stock to be authorized is commonly referred to as "blank check" preferred stock because our Board of Directors has broad authority to determine voting, dividend, conversion, participating, and other special rights and qualifications with respect to such stock. The proposed amendment would not change the terms of our stock nor would it

affect the rights of the holders of currently issued and outstanding shares of our stock. If this proposal is approved, the additional shares of our stock may be issued from time to time upon authorization of our Board, without further approval by our shareholders, unless otherwise required by applicable law, and for the consideration that our Board may determine is appropriate and as may be permitted by applicable law. The authorization of the additional shares of our stock sought by this proposal would not have any immediately dilutive effect on the proportionate voting power or other rights of our existing shareholders. To the extent that the additional authorized shares of our stock are issued in the future, however, they may decrease the existing shareholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to existing shareholders.

As of March 16, 2012, of the 29,000,000 shares of common stock presently authorized, a total of 12,202,042 shares were issued and outstanding, no shares were held in the Company's treasury. There are currently no shares of preferred stock issued and outstanding.

The affirmative vote of holders of a majority of the outstanding shares of common stock authorized to vote on this proposal is required for adoption of the proposed amendment to the Company's Articles of Incorporation. The failure to vote, abstentions and broker non-votes will have the same effect as a vote against this proposal, although abstentions and broker non-votes will be counted as "present" for purposes of determining a quorum.

THE BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THIS PROPOSAL TO AMEND ARTICLE FOURTH OF OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMPANY STOCK FROM 30,000,000 SHARES TO 60,000,000 SHARES.

INCREASE THE NUMBER OF SHARES RESERVED FOR USE UNDER THE 2011 STOCK INCENTIVE PLAN

At our 2011 annual meeting, shareholders adopted our 2011 Stock Incentive Plan the ("2011 Plan"). The purpose of the 2011 Plan is to further the growth and the profitability of the Company by providing increased incentives to and encourage share ownership on the part of key employees, officers and directors of, and consultants and advisers who render services to the Company, and any future parent or subsidiary of the Company. The 2011 Plan permits granting of the stock options and restricted stock awards (collectively, "Awards"). Options granted under the Plan may include non-statutory options as well as incentive stock options intended to qualify under Section 422 of the Internal Revenue Code.

The aggregate number of shares of common stock which may be issued under the 2011 Plan was originally set at 1,000,000 shares. In order to continue and to enhance the effectiveness of the 2011 Plan, the Board approved, subject to stockholder approval, an amendment to increase the number of shares of common stock available for issuance under the Plan from 1,000,000 to 2,000,000.

The Board believes the approval of the amendment is necessary in order to make shares available for future awards, in part, due to the following:

As of the date of this proxy, 127,000 incentive stock options with prices ranging from \$4.96 to \$5.75 and 360,000 nonqualified stock options with prices ranging from \$4.32 to \$7.00 have been issued under the 2011 Plan.

It is anticipated that meeting the objectives and requirements of the 2011 Plan will likely utilize all of the shares presently available for awards under the Plan prior to the 2013 Annual Meeting of Shareholders.

The Company faces increasing competition from industry to retain its talented and experienced staff and add staff as appropriate, and we believe that retaining the flexibility to issue additional equity awards over time is an effective incentive for retention.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

In view of the limited number of shares remaining for grants under the 2011 Plan and the continued need to attract and maintain individuals of the highest caliber to positions on the Board, management and employment, the Board has concluded that the maximum number of shares of common stock that may be issued under the Plan should be increased from the current maximum of 1,000,000 to an aggregate of 2,000,000 shares.

The full text of the proposed amendment to increase the number of shares under the 2011 Plan is attached to this proxy statement as Annex A.

Administration of 2011 Plan

The 2011 Plan is administered by the Company's Stock Option and Compensation Committee (the "Committee"). The members of the Committee must qualify as "non-employee directors" under of the Securities Exchange Act of 1934 ("Rule 16b-3"), and as "outside directors" under section 162(m) of the Internal Revenue Code (the "Code"). Subject to the terms of the 2011 Plan, the Committee has the sole discretion to determine the employees, directors and consultants who shall be granted Awards, the terms and conditions of such Awards, and to construe and interpret the 2011 Plan. The Committee also is responsible for making adjustments in outstanding Awards, the shares available for Awards, and the numerical limitations for Awards to reflect any transactions such as stock splits or stock dividends. The Committee may delegate its authority to one or more directors or officers; provided, however, that the Committee may not delegate its authority and powers (a) with respect to Section 16 Persons, or (b) in any way which would jeopardize 2011 Plan's qualification under Section 162(m) of the Code or Rule 16b-3, The Board of Directors may amend or terminate 2011 Plan at any time and for any reason, but to the extent required under Rule 16b-3, material amendments to the 2011 Plan must be approved by the shareholders.

Eligibility to Receive Awards

Eligibility to participate in 2011 Plan extends to the management, key employees, directors and consultants of the Company. As of the date of this proxy 31 persons have been granted Awards under the 2011 Plan.

Options

The Committee may grant incentive stock options, which entitle the holder to favorable tax treatment, and/or non-statutory options. The number of shares covered by each option is determined by the Committee. The Committee will determine the option price per share of each option granted under the Plan, provided that the option price of each incentive stock option granted under the Plan may not be less than the fair market value of a share on the date of grant of such option.

Within five business days following the date of exercise of an option, the optionee or other person exercising the option will make full payment of the option price in cash or, with the consent of the Committee:

- (i) by tendering previously acquired shares (valued at fair market value, as determined by the Committee, as of such date of tender);
- (ii) with a full recourse promissory note of the optionee for the portion of the option price in excess of the par value of shares subject to the option, under terms and conditions determined by the Committee;
- (iii) without the payment of cash (a "Cashless Exercise"), by reducing the number of shares of Common Stock that would be obtainable upon the exercise of the Option and payment of the Exercise Price in cash so as to yield a number of shares of Common Stock upon the exercise of the Option equal to the product of (a) the number of shares of Common Stock for which the Option is exercisable as of the date of exercise (if the Exercise Price were being paid in

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form PRE 14A

cash) and (b) the Cashless Exercise Ratio. The "Cashless Exercise Ratio" shall equal a fraction, the numerator of which is the excess of the current market price per share of Common Stock on the Exercise Date over the Exercise Price per share as of the Exercise Date and the denominator of which is the Current Market Price per share of the Common Stock on the Exercise Date. Upon surrender of an Option in connection with the holder's option to elect a Cashless Exercise, the number of shares of Common Stock deliverable upon a Cashless Exercise shall be equal to the number of shares of Common Stock issuable upon the exercise of an Option that the holder specifies are to be exercised pursuant to a Cashless Exercise multiplied by the Cashless Exercise Ratio;

(iv)

if the shares subject to the option have been registered under the Securities Act of 1933, as amended, and there is a regular public market for the shares, by delivering to the Company on the date of exercise of the option written notice of exercise together with: (A) written instructions to forward a copy of such notice of exercise to a broker or dealer, as defined in section 3(a)(4) and 3(a)(5) of the Securities Exchange Act of 1934, as amended ("Broker"), designated in such notice and to deliver to the specified account maintained with the Broker by the person exercising the option a certificate for the Shares purchased upon the exercise of the option, and (B) a copy of irrevocable instructions to the Broker to deliver promptly to the Company a sum equal to the purchase price of the Shares purchased upon exercise of the option and any other sums required to be paid to the Company under the Plan; or

(v)

any combination of the foregoing. If tax offset payments sufficient to allow for withholding of taxes are not being made at the time of exercise of an option, the Company shall have the right to require the optionee or other person exercising such option to remit to the Company, by deduction from salary, wages or otherwise, an amount sufficient to satisfy federal, state and local withholding tax requirements or to deduct from all payments made under the Plan, including tax offset payments, amounts sufficient to satisfy all withholding tax requirements.

The Committee determines the period during which each option may be exercised; provided, however, that any incentive stock option granted under 2011 Plan will have an option period which does not exceed 10 years from the date of grant. If the grant of any option becomes-subject to Code Section 409A, then notwithstanding the foregoing, the Committee-designated exercise period may be modified to include only those dates that are compliant with Code Section 409A's distribution rules.

Options will expire at such time as the Committee determines at the date of grant; provided, however, that no incentive stock options may be exercised on or after 10 years from the date of grant.

Termination of Options

Any option granted under the 2011 Plan will, subject to earlier termination by its terms, terminate automatically if not exercised:

within 30 days after the optionee's termination of employment with the Company (other than by reason of death, disability, or for cause);

within one year after the employee's death or termination of employment by the Company by reason of disability, as defined in the 2011 Plan; and

immediately upon termination by the Company for Cause, as defined in the 2011 Plan.

Restricted Stock Awards

Restricted stock awards are shares of the Company's common stock which vest in accordance with terms established by the Committee in its discretion. For example, the Committee may provide that restricted stock will vest only if one or more performance goals are satisfied and/or only if the participant remains employed with the Company for a specified period of time. Any performance

measures may be applied on a Company-wide or an individual business unit basis, as deemed appropriate in light of the participant's specific responsibilities.

Awards to be Granted to Certain Individuals and Groups

The Committee has discretion to determine the number and type of Awards to be granted to any employee, director or consultant. Accordingly, the actual number and type of Awards to be granted in the future is not determinable.

Non-transferability of Options

Except for non-statutory stock options, Awards granted under the 2011 Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the applicable laws of descent and distribution. Non-statutory stock options may be transferred for no consideration to family members or to trusts or other entities for their benefit, or to other persons, if approved by the Committee.

Tax Aspects

As explained below, each type of Award has different federal income tax consequences. In addition to these, a participant may also be subject to foreign, state and local income or other tax consequences in the jurisdiction in which the participant works and/or resides. The following is a brief general summary of the material federal income tax consequences with respect to Awards under the 2011 Plan. It is not intended to be tax advice to participants. We do not intend the following discussion to be a complete explanation of all of the federal income tax consequences of participating in the 2011 Plan. Participants in the 2011 Plan should rely on their own tax advisers concerning the specific tax consequences to them, including the applicability and effect of state, local and foreign tax laws.

Stock Options

The 2011 Plan allows the Committee to grant non-statutory as incentive stock options. Generally, no income is recognized when either type of stock option is granted to the participant, but the subsequent tax treatment differs widely.

Non-statutory Stock Options

Generally, if a participant exercises a non-statutory stock option, the excess of the fair market value of a share on the date of exercise over the stock option price is ordinary compensation income to the participant at the time of the exercise. The tax basis for the shares purchased is their fair market value on the date of exercise. Any gain or loss that the participant realizes from a later sale of the shares for an amount in excess of or less than the tax basis of the shares will be taxed as capital gain or loss, respectively. The character of the gain or loss (short-term or long-term) will depend upon how long the participant held the shares since exercise. Generally capital gains will be taxable as long-term capital gains if the shares are held more than one year from exercise.

Incentive Stock Options

Generally, a participant will recognize no regular taxable income upon the exercise of an incentive stock option. The tax basis of the shares acquired will be the exercise price. If the participant meets the Holding Periods described below, all gain or loss that he or she realizes upon a later sale of the shares for an amount in excess of or less than their tax basis will be taxed as a capital gain or loss. To receive this favorable treatment, the participant must not dispose of the shares that he or she acquires by exercising an incentive stock option within two years after the date the stock option was granted, nor within one year after the exercise date (the "Holding Periods"). If the participant disposes of the shares before the end of the Holding Periods, the amount of that gain which equals the lesser of: (1) the

difference between the fair market value on the exercise date and the stock option price; or (2) the difference between the sale price and the stock option price, will be taxed as ordinary income. Any remaining gain or loss will be taxed as short-term or long-term capital gain, depending upon how long the participant held the shares.

Alternative Minimum Tax Incentive Stock Options

For determining a participant's alternative minimum taxable income subject to the alternative minimum tax, a participant's exercise of an incentive stock option will result in the recognition of alternative minimum taxable income at the time of the exercise of the stock option in an amount equal to the excess of the fair market value of the shares on the exercise date over the stock option price.

Restricted Stock

In general, a participant who is granted restricted shares of common stock will not recognize taxable income upon grant, but instead will recognize ordinary income when the shares vest and are no longer subject to restriction. Alternatively, within 30 days of the grant of the restricted stock a participant may elect, under Section 83(b) of the Code, to be taxed at the time of the grant. In all cases, the amount of ordinary income that a participant recognizes will be equal to the fair market value of the shares at the time the participant recognizes in income, less the price paid for the shares, if any. Generally, any gain recognized thereafter will be capital gain or loss.

AdCare Health Systems, Inc.

Generally, we will be entitled to a tax deduction for an Award made under the 2011 Plan to the extent that the participant recognizes ordinary income from the Award. Section 162(m) of the Code contains special rules regarding the federal income tax deductibility of compensation paid to our Chief Executive Officer and to each of the other four most highly compensated executive officers. The general rule is that compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000 or qualifies as "performance-based" compensation under Section 162(m). We have designed the Plan so that Awards to covered officers should qualify as performance-based compensation under Section 162(m).

Deferred Compensation/Section 409A Awards

Section 409A of the Code provides that covered amounts deferred under a nonqualified deferred compensation plan are includable in the participant's gross income to the extent not subject to a substantial risk of forfeiture and not previously included in income, unless certain requirements are met, including limitations on the timing of deferral elections and events that may trigger the distribution of deferred amounts.

The Company has designed the Plan so that Awards are either intended to comply with, or are exempt from coverage of, Section 409A of the Code. The Company intends to continue to review the terms of the Plan and may, subject to the terms of the Plan, adopt additional amendments to comply with current and additional guidance issued under Section 409A of the Code. However, if an Award fails to meet or is not granted in compliance with these new requirements the award may be subject to an additional 20% tax and interest.

Required Vote

Approval of the attached amendment increasing the number of shares reserved for use under the 2011 Plan requires the affirmative vote of a majority of the shares represented and voting, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE THE PROPOSAL TO INCREASE THE NUMBER OF SHARES RESERVED FOR USE UNDER THE 2011 STOCK INCENTIVE PLAN.

CERTAIN INFORMATION AND RELATED PARTY TRANSACTIONS

Riverchase Village ADK, LLC

On April 9, 2010, Riverchase Village ADK, LLC ("Riverchase"), then our wholly owned subsidiary, entered into a Purchase Agreement with an Oklahoma limited liability company controlled by a bank ("Riverchase Seller") to acquire the assets of Riverchase Village, a 105 bed assisted living facility located in Hoover, Alabama. The purchase price was approximately \$5,000,000. On June 22, 2010, we assigned to Mr. Brogdon, our Vice Chairman and Chief Acquisition Officer and a significant stockholder, 100% of the membership interests in Riverchase. On June 25, 2010, Riverchase, then owned by Mr. Brogdon, purchased Riverchase Village pursuant to the terms of the Purchase Agreement.

In connection with financing the Riverchase Village transaction, Riverchase borrowed from the Medical Clinic Board of the City of Hoover the proceeds from the issuance of \$5,845,000 First Mortgage Healthcare Facility Revenue Bonds (Series 2010 A) and \$520,000 First Mortgage Revenue Bonds (Series B), which proceeds were used to acquire Riverchase Village, pay the cost of certain repairs and improvements to Riverchase Village, fund certain services and pay the cost of the issuance of the bonds. As part of the financing, each of AdCare and Mr. Brogdon guaranteed Riverchase's obligations under the bonds. For a further description regarding the bonds, see Note 8 to our Consolidated Financial Statements included elsewhere in this Annual Report. Riverchase Seller refunded to AdCare the \$250,000 of earnest money related to the Riverchase Village transaction.

As consideration for: (i) our assignment of 100% of the membership interests in Riverchase to Mr. Brogdon; and (ii) our guaranteeing the bonds, Mr. Brogdon granted to us an option, exercisable until June 22, 2012, to acquire Riverchase for an exercise price of \$100,000 and otherwise under the same terms and conditions set forth in the Purchase Agreement. In addition, we entered into a five year management contract with Riverchase to manage Riverchase Village.

Mountain Trace

Effective January 1, 2011, pursuant to an Operations Transfer Agreement, we acquired the operations and selected assets of Mountain Trace, a 106 bed skilled nursing facility located in Sylva, North Carolina. To complete the acquisition, we issued a secured promissory note in the amount of \$5,000,000. The promissory note was secured by the Mountain Trace facility and was guaranteed personally by each of Mr. Brogdon and his spouse, Connie Brogdon, also a significant stockholder.

Oklahoma Operations

Effective August 1, 2011, entities controlled by Mr. Brogdon and his spouse, Connie Brogdon, purchased five skilled nursing facilities located in Oklahoma. In connection with the closing of this purchase, we paid closing costs on behalf of these entities in the amount of \$56,894. These entities refunded the \$56,894 to us in February of 2012.

Effective August 1, 2011, we began providing certain administrative services to these facilities and intend to negotiate an option agreement with these entities to provide us exclusive rights to acquire the facilities in the future.

Red Rose Facility

On October 31, 2011, pursuant to the terms of an Assignment of Lease and Landlord's Consent, Rose Missouri Nursing, LLC, our wholly owned subsidiary, became the tenant and operator of the Red Rose Facility, a 90 bed skilled nursing facility located in Cassville, Missouri. In connection with this transaction, Mr. Brogdon and his spouse, Connie Brogdon, each personally guaranteed the performance

of our obligations, including payment obligations, under the lease. In consideration of these personal guaranties, we paid to Mr. Brogdon the amount of \$25,000 as a guaranty fee.

Office Subleases

We currently sublease on a month-to-month basis from Winter Haven Homes, Inc., a corporation owned and controlled by Mr. Brogdon ("Winter Haven"), office space in the Buckhead area of Atlanta, Georgia. This sublease commenced in April 2011. Pursuant to this sublease, we pay to Winter Haven on a monthly basis base rent of approximately \$4,257, which includes all taxes, insurance and utilities. We paid an aggregate of \$38,314 in rent under this sublease in 2011. We also reimburse Winter Haven for our share of office supplies and other office expenses, which averages about \$1,000 per month.

We currently sublease on a month-to-month basis from JRT Group Properties, LLC ("JRT"), and the office space in Roswell, Georgia which we use as our service center. Mr. Brogdon's son is a one-third owner of JRT. This sublease commenced in April 2011. Pursuant to this sublease, we pay to JRT on a monthly basis base rent of approximately \$10,457. We paid an aggregate of \$94,120 in rent under this sublease in 2011. We periodically pay unrelated third parties for utilities and property taxes with respect to office space, and we pay to an unrelated office building association monthly dues in the amount of \$1,200. On or about September 15, 2011, we entered into a Purchase Agreement with JRT, pursuant to which we have agreed to purchase this office space for an amount equal to JRT's outstanding liabilities with respect thereto plus any accrued but unpaid property taxes at the time of the closing of the purchase transaction. We anticipate that this purchase amount will be approximately \$1.2 million.

SHAREHOLDER PROPOSALS FOR 2012 ANNUAL MEETING

Each year our Board of Directors submits its nominations for election of directors at the annual meeting of shareholders. Other proposals may be submitted by the Board of Directors or the shareholders for inclusion in the proxy statement for action at the annual meeting. Any proposal submitted by a shareholder for inclusion in the proxy statement for the annual meeting of shareholders to be held in 2013 must be received by us (addressed to the attention of the Secretary) on or before December 19, 2012. Any shareholder proposal submitted outside the processes of Rule 14a-8 under the Securities Exchange Act of 1934 for presentation at our 2013 annual meeting will be considered untimely for purposes of Rule 14a-4 and 14a-5 if notice thereof is received by us after December 19, 2012. To be submitted at the meeting, any such proposal must be a proper subject for shareholder action under the laws of the State of Ohio.

DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

We are delivering this Proxy Statement and an annual report to all stockholders of record as of the record date. Stockholders residing in the same household who hold their shares in the name of a bank, broker or other holder of record may receive only one Proxy Statement and annual report if previously notified by their bank, broker or other holder. This process, by which only one proxy statement and annual report, as the case may be, is delivered to multiple security holders sharing an address, unless contrary instructions are received from one or more of the security holders, is called "householding." Householding may provide convenience for stockholders and cost savings for companies. Once begun, householding may continue unless instructions to the contrary are received from one or more of the stockholders within the household.

Street name stockholders in a single household who received only one copy of the Proxy Statement or annual report may request to receive separate copies in the future by following the instructions provided on the voting instruction form sent to them by their bank, broker or other holder of record. Similarly, street name stockholders who are receiving multiple copies may request that only a single set

of materials be sent to them in the future by checking the appropriate box on the voting instruction form. Alternatively, street name stockholders whose holders of record utilize the services of Broadridge Financial Solutions (as indicated on the voting instruction form sent to them) may call 1-800-353-0103. The instructions must include the stockholder's name and account number and the name of the bank, broker or other holder of record. Otherwise, street name stockholders should contact their bank, broker or other holder.

If you are a registered stockholder receiving multiple copies of this Proxy Statement, you also may request orally or in writing to receive a single copy of this Proxy Statement by calling 1-937-964-8974, or writing to AdCare Health Systems.
