PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of TigerLogic Corporation, a Delaware corporation (the "Board" and the "Company," respectively), in connection with the solicitation of proxies to be voted at the Annual Meeting of Stockholders (the "Annual Meeting") of the Company to be held on Thursday, February 28, 2013, at 10:00 a.m. local time, at the Sheraton Sunnyvale Hotel located at 1100 North Mathilda Avenue, Sunnyvale, CA 94089, and at any adjournments or postponements thereof. Our principal executive office is located at 25A Technology Drive, Suite 100, Irvine, California 92618 and our telephone number is (949) 442-4400. The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Stockholders.

This Proxy Statement and the Notice of Annual Meeting and proxy are being mailed on or about January 28, 2013, to all stockholders entitled to vote at the Annual Meeting. ANY PROXY IN WHICH NO DIRECTION IS SPECIFIED WILL BE VOTED IN FAVOR OF EACH OF THE MATTERS FOR WHICH NO DIRECTION IS SPECIFIED.

GENERAL INFORMATION ABOUT THE MEETING

The close of business on January 11, 2013 has been fixed as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. On that date, the Company's outstanding voting securities consisted of 28,217,980 shares of Common Stock, which were held by approximately 131 stockholders of record.

Holders of a majority of the Company's outstanding securities entitled to vote must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the shares present, in person or by proxy, at the Annual Meeting do not constitute the required quorum, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum. If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted.

Shares that are voted "FOR," "AGAINST," "WITHHOLD AUTHORITY" or "ABSTAIN" will be treated as being present at the Annual Meeting for purposes of establishing a quorum. Accordingly, if you have returned a valid proxy or attend the Annual Meeting in person, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker "non-votes" (i.e., votes from shares held of record by brokers as to which the beneficial owners have given no voting instructions) will also be counted as present for purposes of determining the presence of a quorum.

Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals. Because directors are elected by a plurality of the votes of the shares represented at the Annual Meeting, abstentions will have no effect on the outcome of the election of directors. Although broker non-votes will be counted for the purpose of determining the presence of a quorum, broker non-votes will not be counted for the purpose of determining the number of shares voted on the proposals submitted to stockholders. Accordingly, broker non-votes will have no effect on the outcome of a vote on any of the proposals.

Whether or not you are able to attend the Annual Meeting, the Company urges you to submit your proxy, which is solicited by the Board. You are urged to give instructions as to how to vote your shares. All properly executed proxies delivered pursuant to this solicitation and not revoked will be

Edgar Filing: TigerLogic CORP - Form DEF 14A

voted at the Annual Meeting in accordance with the directions given. Any proxy for which no instructions are given will be voted in accordance with the following recommendations of our Board:

"FOR" the election of Richard W. Koe and Douglas G. Ballinger as Class II directors to serve a term of three (3) years expiring at the Annual Meeting of Stockholders following the fiscal year ending on March 31, 2015 or until their successors are duly elected and qualified.

"FOR" ratification of KPMG LLP as our independent auditors for the fiscal year ending March 31, 2013.

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the Annual Meeting, the persons designated in the enclosed proxy (the "Proxy Agents") will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the Proxy Agents can vote your shares on the new meeting date as well, unless you have revoked your proxy.

You may revoke your proxy at any time prior to its use by (i) delivering a written notice of revocation to the chief financial officer of the Company; (ii) filing a duly executed proxy bearing a later date with the Company; or (iii) attending the Annual Meeting and voting in person.

The costs of this solicitation, including the preparation, assembly, web hosting, printing and mailing of this Proxy Statement and the proxy, will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company's voting securities. The Company may reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, either personally or by telephone or facsimile. Except as described above, the Company does not intend to solicit proxies other than by mail.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

General

The Amended and Restated Bylaws of the Company provide that the Board is to be composed of no less than five (5) and no more than nine (9) directors divided into Classes I, II and III, each with as nearly equal a number of directors as possible. The exact number of directors is currently set at six (6) by resolution of the Board. The directors are elected to serve staggered three-year terms, with the term of one class of directors expiring each year at the Annual Meeting of Stockholders.

At the Annual Meeting, two (2) individuals will be elected as Class II directors to serve for a three (3) year term or until their successors are duly elected and qualified. The Board has nominated Richard W. Koe and Douglas G. Ballinger for election as Class II directors at the Annual Meeting.

The Board knows of no reason why the nominee would be unable or unwilling to serve, but if the nominee should, for any reason, be unable or unwilling to serve, the proxies will be voted for the election of such other person to the office of director as the Board may recommend in the place of the nominee.

**THE BOARD RECOMMENDS A VOTE "FOR" APPROVAL OF THE NOMINEES FOR
ELECTION AS MEMBERS OF THE BOARD.**

Voting Information

Proxies solicited by the Board will, unless otherwise directed, be voted to elect the nominees proposed by the Board. A stockholder submitting a proxy may vote for the nominees for election to the Board or may withhold his or her vote from the nominees. Each stockholder will be entitled to one (1) vote for each share of Common Stock held by the stockholder on the record date. Directors are elected by a plurality of votes, and, therefore, if a quorum is present and voting, the two nominees receiving the highest number of affirmative votes will be elected to the Board. Abstentions and broker non-votes, while included for the purpose of determining the presence of a quorum at the Annual Meeting, will have no effect on the vote. The Proxy Agents will vote your shares "FOR" the nominees unless instructions to the contrary are indicated in the enclosed proxy.

Each nominee has agreed to serve the Company as a director if elected. However, should a nominee become unwilling or unable to serve if elected, the Proxy Agents will exercise their voting power in favor of such other person as the Board may recommend. The Company's Amended and Restated Certificate of Incorporation does not provide for cumulative voting in the election of directors.

Mr. Koe was appointed President and Chief Executive Officer on January 17, 2013, after having served as Interim President and Chief Executive Officer since February 26, 2009. Mr. Koe joined the Board of Directors in January 2003 and has served as Chairman since December 2004. Mr. Koe has served as Managing General Partner for Astoria Capital Partners, L.P. and Montavilla Partners, L.P., both of which are investment partnerships, and as President of Astoria Capital Management ("ACM"), since July 1991. Astoria Capital Partners, L.P. ("Astoria") is a significant stockholder of the Company, holding a majority of the Company's outstanding Common Stock as of the record date for the Annual Meeting. Mr. Koe holds a B.A. in History from the University of Oregon. Mr. Koe served as Chairman of the Compensation Committee and the Nominating and Corporate Governance Committee through January 17, 2013. Mr. Koe continues to serve as the sole member of the Stock Committee. Mr. Koe has significant executive leadership experience having served as President of ACM and Managing General Partner for Astoria and Montavilla Partners, L.P., for over 20 years. This experience, combined with the long-standing relationship with us as a major shareholder, and over nine years of service on our Board of Directors, including as Chairman, uniquely qualifies Mr. Koe to continue to serve as our President and Chief Executive Officer, and as our director.

Mr. Chew was appointed as our Senior Vice President, Corporate and Product Development in September 2011. Mr. Chew joined the Board in July 1998. Since October 2003, Mr. Chew has served as Managing Director of Bridgetown Associates LLC, an investment advisory firm. Mr. Chew is also an advisor to several private companies. Until joining the Company as an employee in September 2011, Mr. Chew served as Chairman of the Audit Committee and served on the Compensation

Edgar Filing: TigerLogic CORP - Form DEF 14A

Committee and the Nominating and Corporate Governance Committee. The Board believes Mr. Chew's extensive senior executive experience in publicly listed technology companies, combined with his 14 years of service as a director on our Board, qualifies Mr. Chew to continue to serve as our director.

Mr. Marshall joined the Board in July 1998. Mr. Marshall is the Chief Membership Officer of First Tech Federal Credit Union, a financial services company formed from the merger of Addison Avenue Federal Credit Union and First Tech Credit Union in January 2011. From August 1994 to November 2001, Mr. Marshall held a number of marketing positions at Bank of America (NYSE: BAC), a financial services company, most recently as Senior Vice President of Brand Management. Mr. Marshall holds a B.A. in English from Seattle Pacific University and an M.B.A. from the University of Washington. Mr. Marshall serves as Chairman of the Nominating and Corporate Governance Committee and serves on the Audit Committee and the Compensation Committee. The Board believes Mr. Marshall's significant senior management and marketing experience, combined with his 14 years of service as a director on our Board, qualifies Mr. Marshall to continue to serve as our director.

Mr. Barrett joined the Board in November 2007. Mr. Barrett is the Chairman and co-owner of Machine Sciences Corporation, a private company he co-founded in July 2001 that specializes in the manufacturing of high precision machine parts for the aerospace and optics industries. Mr. Barrett also serves as Managing Partner of Barrett Hill Vineyards and Winery, a private wine company he founded in March 2005. In addition, Mr. Barrett has been a private investor since 1995. In July 1998, Mr. Barrett was appointed a director of the Company and served as our Chairman from December 1998 until our merger with PickAx, Inc. in November 2000. From January 1995 to November 1998, Mr. Barrett served as President and Owner of Oregon Pro Sport, a company that managed professional sports teams. From January 1991 to February 1994, Mr. Barrett served as President and co-owner of Supra Products, Inc., a manufacturer of high technology access control systems that was sold to Berwind Industries and General Electric in September 1994. Mr. Barrett received his B.A. in Accounting from Seattle Pacific University and his M.B.A. from the University of Rhode Island. Mr. Barrett currently teaches a Business Leadership course at Corban University as an adjunct professor. Mr. Barrett serves as Chairman of the Compensation Committee and serves on the Audit Committee. The Board believes Mr. Barrett's broad entrepreneurship and technology experience qualifies Mr. Barrett to continue to serve as our director.

Mr. Ballinger joined the Board in September 2009. Mr. Ballinger is President of PageDNA, a privately held company based in Redwood City, CA specializing in web-to-print software. Mr. Ballinger founded PageDNA in April 1997. From September 1991 to March 1997, Mr. Ballinger was a principal of Metagraphic, Inc., a Palo Alto based digital pre-media firm, and prior to that he was in sales with Pacific Lithograph Company of San Francisco. Mr. Ballinger holds a B.A. in History from Stanford University. Mr. Ballinger serves on the Compensation Committee and the Nominating and Corporate Governance Committee. The Board believes Mr. Ballinger's executive and management experience in the technology industry qualifies Mr. Ballinger to continue to serve as our director.

Ms. Harvey joined the Board in September 2011. Ms. Harvey currently serves as an Executive-in-Residence at UChicagoTech, the Office of Technology and Intellectual Property of the University of Chicago, and has been an independent management consultant since April 2010. From December 2005 to December 2007, Ms. Harvey was an independent management

Edgar Filing: TigerLogic CORP - Form DEF 14A

consultant. Ms. Harvey served as President and Chief Executive Officer of TenFold Inc. (Nasdaq and OTC Bulletin Board: TENF) a provider of enterprise software solutions and an applications development platform from January 2001 to November 2005, as a director of TENF from January 2001 to May 2006, as Chief Financial Officer of TENF from April 2002 to November 2005, and as Chief Operating Officer of TENF from July 2000 to January 2001. From October 1997 to May 2000, Ms. Harvey served as Executive Vice President of CSC Health Care Group, a global business vertical within the Computer Sciences Corporation (NYSE:CSC). Ms. Harvey holds a B.A. in Biology and Chemistry from the College of Creative Studies of the University of California, Santa Barbara; a Ph.D. in Chemical Physics from the University of Minnesota; and an M.B.A. from the Wharton School of the University of Pennsylvania. Ms. Harvey serves as Chairperson of the Audit Committee. The Board believes Ms. Harvey's extensive senior executive experience in publicly listed technology companies, combined with her previous directorship experience in a publicly listed technology company, qualifies Ms. Harvey to serve as our director.

To the Company's knowledge, with the exception of Mr. Chew and Mr. Koe, who are cousins, there are no family relationships between any of our directors and executive officers.

The Board's Leadership Structure

The Board believes the interests of all stockholders are best served at the present time through a leadership model with a combined Chairman/Chief Executive Officer position. Mr. Koe, our current President and Chief Executive Officer was our Chairman prior to his appointment as an executive officer and possesses an in-depth knowledge of the Company and its operations in the United States and Europe, and has been instrumental in identifying various growth opportunities. The Board believes that these experiences and other insights put Mr. Koe in the best position to provide broad leadership for the Board as it considers strategy and as it exercises its fiduciary responsibilities to our stockholders. We do not have a Lead Independent Director. A majority of the Board is comprised of independent directors who provide strong leadership for the Board and each of the committees of the Board. Each independent director has access to the Company's executives, may call meetings of the independent directors, and may request agenda topics to be added or dealt with in more detail at meetings of the full Board or an appropriate Board committee. The independent directors meet from time to time, as deemed appropriate in their discretion, in their various capacities, and the Audit Committee members meet with our outside auditors on a regular basis. Further, the Board periodically reviews the Company's leadership structure and retains authority to separate the positions of Chairman and Chief Executive Officer at any time.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board's oversight of the various risks facing the Company, including strategic and competitive risks, financial risks, legal risks and operational risks.

While the Board is responsible for appropriate risk oversight, Company management is responsible for the day-to-day risk management. The Company has robust processes and a strong internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management programs. Management communicates routinely with the Board, Board committees and individual directors on the significant risks identified and how they are being managed. Directors are free to, and often do, communicate directly with senior management.

Edgar Filing: TigerLogic CORP - Form DEF 14A

The Board implements its risk oversight function both as a whole and through committees. Much of the work is delegated to the committees, which meet regularly and report back to the full Board. All committees, and especially the Audit Committee, play significant roles in carrying out the risk oversight function. In particular:

The Audit Committee oversees risks related to the Company's financial matters, including credit and liquidity risks, the financial statements and reporting process, accounting and legal matters. The Audit Committee members meet separately with representatives of the independent auditors.

The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

The Nominating and Corporate Governance Committee oversees risk related to our overall governance, including Board and committee composition, Board size and structure, director independence, and corporate governance profile. The Nominating and Corporate Governance Committee oversees the Company's ethics programs, including the Code of Conduct, and is engaged in overseeing risks associated with succession planning for the Board and management.

Meetings and Committees of the Board of Directors

The Board currently has three (3) main committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The Board also has a Stock Committee, of which Mr. Koe is the sole member, and to which the authority has been delegated to grant equity incentives to non-executive employees and service providers and to determine the terms and conditions of such grants within the terms of the equity compensation plan.

The following describes each main committee, its current membership, the number of meetings held during the fiscal year ended March 31, 2012, and its function. All current members of these committees are non-employee directors.

The Board held nine (9) meetings during the fiscal year ended March 31, 2012. Each director, during his term, attended more than 75% of the meetings of the Board and of the committees on which he or she served. The Board has determined that all of its directors, other than Mr. Koe and Mr. Chew, are "independent" for purposes of the applicable rules and regulations of the Securities and Exchange Commission ("SEC") and the applicable rules of the listing standards of the NASDAQ Stock Market ("NASDAQ"). Mr. Chew was an "independent" director prior to joining the Company as an employee in September 2011. Until January 17, 2013, the Company relied on the "Controlled Company" exemption set forth in Rule 5615(c)(2) of the NASDAQ listing standards because Mr. Koe served on both the Compensation Committee and the Nominating and Corporate Governance Committee. The Company was a "Controlled Company" as defined in such Rule because more than 50% of the voting power of the Company was held by Astoria. Following the closing of the Company's acquisition of Storycode, Inc. on January 17, 2013, Astoria no longer holds more than 50% of the voting power of the Company. Accordingly, Mr. Koe resigned from both the Compensation Committee and the Nominating and Corporate Governance Committee effective upon the closing of the acquisition of Storycode, Inc. Effective January 17, 2013, Mr. Barrett was appointed Chairman of the Compensation Committee and Mr. Marshall was appointed Chairman of the Nominating and Corporate Governance Committee.

The members of the Audit Committee are Ms. Harvey, Mr. Marshall and Mr. Barrett. The Audit Committee held eight (8) meetings during the fiscal year ended March 31, 2012. The functions of the

Edgar Filing: TigerLogic CORP - Form DEF 14A

Audit Committee include reviewing and supervising the financial controls of the Company, appointing, compensating and overseeing the work of the independent auditors, reviewing the books and accounts of the Company, meeting with the officers of the Company regarding the Company's financial controls, acting upon recommendations of the independent auditors and taking such further actions as the Audit Committee deems necessary to complete an audit of the books and accounts of the Company. The Board has adopted a written charter for the Audit Committee which is posted on our website at www.tigerlogic.com. The Board has determined that the members of the Audit Committee are "independent" for purposes of the applicable rules and regulations of the SEC and the applicable rules of the NASDAQ listing standards. The Board has determined that Nancy M. Harvey qualifies as an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated by the SEC.

The current members of the Compensation Committee are Mr. Barrett, Mr. Marshall and Mr. Ballinger. Prior to January 17, 2013, the members of the Compensation Committee were Mr. Koe, Mr. Marshall and Mr. Ballinger. The Compensation Committee held one (1) meeting during the fiscal year ended March 31, 2012. The Compensation Committee's scope and authority includes reviewing with management cash and other compensation policies for employees, making recommendations to the Board regarding compensation matters, including the annual goals, objectives and compensation of the Chief Executive Officer and our other executive officers, and administering the Company's equity compensation plans and approving grants of equity compensation under such plans. The Compensation Committee has the ability to delegate its authority to administer the Company's equity compensation plans to a subcommittee.

The Compensation Committee did not retain a compensation consultant to advise them on compensation issues in the 2012 fiscal year. When reviewing our overall compensation strategy and policies, the Compensation Committee reviews performance goals and objectives relating to compensation, reviews and advises the Board concerning regional and industry-wide compensation practices and trends to assess the adequacy and competitiveness of our executive compensation programs among comparable companies in our industry, and reviews the terms of any employment agreement, severance agreement and change of control protections for our executive officers. The Compensation Committee considers recommendations from the Chief Executive Officer regarding total compensation for directors and the other executive officers, but does not delegate authority for such compensation decisions which are determined by the Compensation Committee and the full Board. The Board has adopted a written charter for the Compensation Committee, which is posted on our website at www.tigerlogic.com. The Board has determined that the members of the Compensation Committee, other than Mr. Koe during his prior service, are "independent" for purposes of the applicable rules and regulations of the SEC and the applicable rules of the NASDAQ listing standards.

The current members of the Nominating and Corporate Governance Committee are Mr. Marshall and Mr. Ballinger. Prior to January 17, 2013, Mr. Koe also served on the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held one (1) meeting during the fiscal year ended March 31, 2012. The Nominating and Corporate Governance Committee makes recommendations to the Board regarding the size and composition of the Board, establishes procedures for the nomination process, recommends candidates for election to the Board and nominates officers for election by the Board. In addition, the Nominating and Corporate Governance Committee reviews and reports to the Board on a periodic basis with regard to matters of corporate governance. The Board has adopted a written charter for the Nominating and Corporate Governance Committee, which is posted on our website at www.tigerlogic.com. The Board has determined that the members of the Corporate Governance and Nominating Committee, other than Mr. Koe during his prior service, are "independent" for purposes of the applicable rules and regulations of the SEC and the applicable rules of the NASDAQ listing standards.

Edgar Filing: TigerLogic CORP - Form DEF 14A

The Nominating and Corporate Governance Committee will consider recommendations for candidates to the Board from stockholders holding no less than 2% of the outstanding shares of the Company's voting securities continuously for at least 12 months prior to the date of the submission of the recommendation for nomination. If the Nominating and Corporate Governance Committee wishes to identify new independent director candidates for Board membership, it is authorized to retain, and to approve the fees of, third party executive search firms to help identify prospective director nominees. A stockholder that desires to recommend a candidate for election to the Board shall direct the recommendation in writing to TigerLogic Corporation, attention: Corporate Secretary, 25A Technology Drive, Suite 100, Irvine, California 92618, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years and evidence of the nominating person's ownership of Company stock, a statement from the recommending stockholder in support of the candidate, references, particularly within the context of the criteria for Board membership, including issues of character, diversity, skills, judgment, age, independence, industry experience, expertise, corporate experience, length of service, other commitments and the like, and a written indication by the candidate of her/his willingness to serve, if elected. The Nominating and Corporate Governance Committee has not formally adopted any specific, minimum qualifications that must be met by each candidate for the Board, nor are there specific qualities or skills that are necessary for one or more of the members of the Board to possess. The Nominating and Corporate Governance Committee believes that candidates and nominees must reflect a Board that is comprised of directors who (i) are predominantly independent, (ii) are of high integrity, (iii) have or have had experience in positions with a high degree of responsibility, (iv) are or were leaders in the companies or institutions with which they are or were affiliated, (v) have qualifications that will increase overall Board effectiveness and (vi) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members. In order to identify and evaluate nominees for director, the Nominating and Corporate Governance Committee regularly reviews the current composition and size of the Board, reviews qualifications of nominees, evaluates the performance of the Board as a whole, evaluates the performance and qualifications of individual members of the Board eligible for re-election at the annual meeting of stockholders, considers such factors as character; diversity; skills; judgment; age; independence; industry experience; expertise; corporate experience; length of service; other commitments and the like; and the general needs of the Board, including applicable independence requirements. The Nominating and Corporate Governance Committee considers each individual candidate in the context of the current perceived needs of the Board as a whole. The Nominating and Corporate Governance Committee uses the same process for evaluating all nominees, regardless of the original source of the nomination.

The Company encourages all incumbent directors and nominees for election as director to attend the annual meeting of stockholders. Mr. Koe, Mr. Chew, Mr. Marshall, Mr. Barrett, and Ms. Harvey attended the annual meeting of stockholders on February 23, 2012.

**PROPOSAL TWO
RATIFICATION
OF THE APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee has selected the accounting firm of KPMG LLP to serve as the Company's independent auditors for the fiscal year ending March 31, 2013. KPMG LLP was the independent auditor for the year ended March 31, 2012. A proposal to ratify the appointment of KPMG LLP for the current year will be presented at the Annual Meeting. Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The decision of the Audit Committee to appoint KPMG LLP was based on a careful consideration of the firm's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, the issues, if any, raised by the most recent quality control review, and the reputation for integrity and competence of the firm in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's Rules on Auditor Independence, including the nature and extent of non-audit services, to ensure that such services will not impair the independence of the auditors.

**THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE
APPOINTMENT OF INDEPENDENT AUDITORS.**

Voting Information

Although ratification by stockholders is not required by law, the Board has determined that it is good corporate governance to request ratification of this selection by the stockholders. Ratification of the selection requires the affirmative vote by a majority of the shares entitled to vote present in person or represented by proxy at the Annual Meeting. Abstentions, while included for the purpose of determining the presence of a quorum at the Annual Meeting, will have the effect of a vote against the ratification of KPMG LLP as our independent auditors. Broker non-votes, while included for the purpose of determining the presence of a quorum at the Annual Meeting, will have no effect on the vote. The Proxy Agents will vote your shares "FOR" approval of the ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending March 31, 2013 unless instructions to the contrary are indicated in the enclosed proxy. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint new independent auditors at any time during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. If the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee may reconsider its selection.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Regardless of the reason for termination, a named executive officer is entitled to receive upon termination of employment amounts earned through the termination date, including, base salary and unused vacation pay, and the right to exercise any shares of options vested up to the executive's termination date. The named executive officers are not otherwise entitled to any severance benefits upon voluntary resignation. Our Compensation Committee and Board of Directors determine whether any severance benefits are provided upon any voluntary termination on a case by case basis.

On April 8, 2009, in connection with the prior appointment of Richard W. Koe as Interim President and Chief Executive Officer, we entered into an employment agreement with Mr. Koe. This initial employment agreement provided that Mr. Koe would receive base compensation of \$240,000 per year beginning April 1, 2009, and that from his start date of February 26, 2009 until March 31, 2009, he received the minimum salary required by applicable law. Mr. Koe also was eligible to participate in our customary employee benefit plans. In the event the Board of Directors appointed a new President and Chief Executive Officer and Mr. Koe's employment with us was terminated, Mr. Koe would have been entitled to a lump sum payment equal to three months base salary, provided he agreed to execute and not revoke a release of claims agreement in a form acceptable to us. In connection with the closing of the acquisition of Storycode, Inc. by the Company and the change in Mr. Koe title to President and Chief Executive Officer effective January 17, 2013, the Company entered into an amended and restated employment and severance agreement with Mr. Koe. This amended agreement provides for the same base compensation of \$240,000 per year, and Mr. Koe is eligible for a discretionary bonus and is eligible to participate in our customary employee benefit plans, including dental, vision, and disability insurance plans. In the event Mr. Koe is involuntarily terminated by the Company, which includes termination without cause or resignation due to specified reasons, as defined in the agreement, but does not include termination for cause or due to death or disability, Mr. Koe will be entitled to a lump sum severance payment in the amount of six months of his annual base salary, as then in effect, plus an additional month of annual base salary for each year of employment with the Company, up to an aggregate maximum of 12 months. In the event such termination occurs within 12 months following a change in control of the Company, in addition to the foregoing severance, Mr. Koe will be entitled to the acceleration of vesting of any then unvested equity incentive awards. Mr. Koe's receipt of severance benefits will be contingent upon his signing and not revoking a general release in a commercially customary form prescribed by us. During his employment with us, Mr. Koe will continue to serve as the President of Astoria Capital Management, as the Managing General Partner of Astoria Capital Partners, L.P., and as a director on our Board of Directors.

Effective April 23, 2006, we entered into an offer letter agreement with Mr. Lim. On December 18, 2008, the Board approved an amendment to the offer letter primarily to bring the agreement into compliance with Section 409A of the Internal Revenue Code of 1986, as amended, and the regulations and other guidance promulgated thereunder. The amendment also provided for the removal of certain noncompetition provisions and the elimination of acceleration of equity awards other than in connection with a change of control of the Company. In connection with the closing of the acquisition of Storycode, Inc. by the Company, effective January 17, 2013, we entered into an

Edgar Filing: TigerLogic CORP - Form DEF 14A

amended and restated employment and severance agreement with Mr. Lim. This amended agreement provides for the same base compensation of \$200,000 per year, and Mr. Lim is eligible for a discretionary bonus and is eligible to participate in our customary employee benefit plans, including dental, vision, and disability insurance plans. In the event Mr. Lim is involuntarily terminated by the Company, which includes termination without cause or resignation due to specified reasons, as defined in the agreement, but does not include termination for cause or due to death or disability, Mr. Lim will be entitled to a lump sum severance payment in the amount of six months of his annual base salary, as then in effect, plus an additional month of annual base salary for each year of employment with the Company, up to an aggregate maximum of 12 months. In the event such termination occurs within 12 months following a change in control of the Company, in addition to the foregoing severance, Mr. Lim will be entitled to the acceleration of vesting of any then unvested equity incentive awards. Mr. Lim's receipt of severance benefits will be contingent upon his signing and not revoking a general release in a commercially customary form prescribed by us.

On June 13, 2011, in connection with Mr. Torng's appointment as the Company's Vice President of Marketing, we entered into an offer letter agreement with Mr. Torng (the "Torng Offer Letter"). The Torng Offer Letter provides that Mr. Torng will receive base compensation of \$175,000 per year and a grant of a stock option to purchase up to 250,000 shares of the Company's common stock, which will vest, so long as he remains a full-time employee of the Company, in twenty-five percent increments upon achievement of certain revenue milestones related to the performance of certain of the Company's product lines. In the event that Mr. Torng is terminated as a result of an involuntary termination, other than for cause or disability, within twelve (12) months after a change of control, one hundred percent (100%) of the shares subject to the options granted to Mr. Torng shall be vested on the date of Mr. Torng's termination. Prior to joining the Company as an employee, Mr. Torng provided certain consulting services to the Company and, in connection with such services, received a grant of a stock option to purchase up to 20,000 shares of the Company's common stock on March 23, 2011, which was fully vested as of March 31, 2012.

On September 1, 2011, in connection with Mr. Chew's appointment as the Company's Senior Vice President, Corporate and Product Development, we entered into an offer letter agreement with Mr. Chew (the "Chew Offer Letter"). The Chew Offer Letter provides that Mr. Chew will receive base compensation of \$200,000 per year, a one-time signing bonus in the amount of \$24,000 and a grant of a stock option to purchase up to 300,000 shares of the Company's common stock, which will vest, so long as he remains a full-time employee of the Company, in accordance with the Company's standard vesting schedule. In the event that Mr. Chew is terminated as a result of an involuntary termination, other than for cause or disability, within twelve (12) months after a change of control, one hundred percent (100%) of the shares subject to the options granted to Mr. Chew shall be vested on the date of Mr. Chew's termination. In the event that Mr. Chew's employment is terminated for any reason other than voluntary termination or for cause, the Company will pay (directly to the applicable service provider) for continuation of health care coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), for Mr. Chew and any of his eligible dependents who are covered under the Company's health care plans at the time of termination, for a six month period. Mr. Chew's receipt of COBRA reimbursement benefits will be contingent upon his signing and not revoking a general release in a commercially customary form prescribed by us.

Director Compensation

We reimburse directors for travel and other out-of-pocket expenses incurred in attending Board meetings. Until June 2009, we did not pay cash compensation to our directors. On June 3, 2009, the Board approved a compensation program for the non-employee members of the Board effective that same date that provides for the following cash payments. Each non-employee director will be entitled to receive \$1,000 for each Board meeting attended in-person; \$500 for each Board meeting attended

telephonically; and \$250 for each meeting of the Committees of the Board. On April 7, 2010, the Board adopted a compensation program for the non-employee members of the Board effective that same date that provides for: (1) the continuation of the cash payments for meeting attendance that was adopted on June 3, 2009 as described above, and (2) an equity incentive compensation for their services on the Board and the Committees of the Board. Under the equity incentive compensation program, each non-employee director will receive an annual stock option grant of 10,000 shares of the Company's common stock on the first business day immediately following the date of each Annual Meeting of stockholders. Any non-employee director newly elected to the Board will receive an initial stock option grant of 25,000 shares of the Company's common stock on the first business day immediately following the date of the election. A director first elected to the Board at any Annual Meeting will receive the initial grant, but not the annual grant on the date following the Annual Meeting at which he or she will have been elected. All of the options granted to non-employee directors will vest monthly over a three-year period and, in accordance with the Company's existing policy, will be subject to 100% acceleration in the event of a Corporate Transaction, as described below.

Richard W. Koe, the Company's Chairman and President and Chief Executive Officer, is not eligible to participate in this compensation program for so long as he is an employee of the Company. Gerald F. Chew, the Company's Senior Vice President, Corporate and Product Development, also lost his eligibility to participate in this compensation program upon joining the Company as an employee in September 2011.

The Board will annually evaluate and consider whether to maintain or modify the compensation program for the non-employee directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities to file certain reports of ownership and changes in ownership of our securities with the SEC. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations from these persons that no other reports were required during the fiscal year ended March 31, 2012, all reports required to be filed during the fiscal year ended March 31, 2012 pursuant to Section 16(a) of the Exchange Act by directors, executive officers and 10% beneficial owners were timely filed.

Certain Relationships and Related Party Transactions

A description of the terms of the employment and compensation agreements and arrangements between us and Messrs. Koe, Lim, Torng and Chew, may be found under the caption "Employment Contracts and Termination of Employment and Change-in-Control Arrangements" hereof. In addition,

Edgar Filing: TigerLogic CORP - Form DEF 14A

we entered into an expense reimbursement agreement with Astoria, our largest stockholder, in connection with Mr. Koe's appointment as our Interim President and Chief Executive Officer, pursuant to which we agreed to reimburse Astoria for a portion of overhead costs and expenses related to the use by Mr. Koe of Astoria's premises and office equipment while performing his employment duties for us. The agreement terminates 90 days after Mr. Koe is either no longer employed by us or is no longer performing services for us from Astoria's premises. Mr. Koe also serves as President of Astoria. Since the start of the agreement on April 1, 2009, the Company has reimbursed Astoria approximately \$7,100 per month. Effective April 1, 2011, the Company entered into a new office lease in Portland, Oregon, and as a result, the expense reimbursement agreement with Astoria terminated effective June 30, 2011.

In connection with the closing of the acquisition of Storycode, Inc., effective January 17, 2013, we became liable for the employment and severance agreement, as amended, of James McDermott, former Chief Executive Officer of Storycode, Inc., who has been appointed Senior Vice President, Mobile and Social, of the Company. This amended agreement provides Mr. McDermott base compensation of \$200,000 per year, and eligibility for a target bonus of up to 50% of annual base salary. He is also eligible to participate in our customary employee benefit plans, including dental, vision, and disability insurance plans. Mr. McDermott is entitled to a signing bonus of \$45,000, payable in two installments, the second installment being contingent upon continued employment after the initial six months. The bonus is also subject to certain clawback provisions in the event of employment termination prior to January 17, 2014. In the event Mr. McDermott is involuntarily terminated by the Company, which includes termination without cause or resignation due to specified reasons, as defined in the agreement, but does not include termination for cause or due to death or disability, Mr. McDermott will be entitled to severance payments in the amount of six months of his annual base salary, paid over such period on the Company's regular payroll dates, and reimbursement of COBRA benefits for a period of six months, all subject to compliance with applicable law. In addition, if such termination occurs prior to or more than 12 months after a change in control of the Company or Storycode, Inc., Mr. McDermott will receive accelerated vesting as to the greater of one year of vesting of his outstanding stock option awards or 50% of his then unvested outstanding stock option awards. If such termination occurs within 12 months after a change of control, he will receive accelerated vesting as to all of his then unvested outstanding stock option awards. Mr. McDermott's receipt of severance benefits will be contingent upon his signing and not revoking a general release in a commercially customary form prescribed by us.

We have entered into our standard form of indemnification agreement with each of our directors and executives.

It is our current policy that all transactions between us and our officers, directors, five percent (5%) stockholders and their affiliates will be entered into only if these transactions are approved by our Audit Committee, are on terms no less favorable to us than could be obtained from unaffiliated parties and are reasonably expected to benefit us.

REPORT OF AUDIT COMMITTEE

To the Board of Directors:

The Audit Committee has reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended March 31, 2012.

The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees.

The Audit Committee also has received and reviewed the written disclosures and the letter from KPMG LLP required by the applicable requirements of the Public Company Accounting Oversight Board, and has discussed with KPMG LLP its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2012 filed with the SEC on June 26, 2012.

The Audit Committee also has considered whether the provision of services by KPMG LLP, other than services related to the audit of the financial statements referred to above and the review of the interim financial statements included in the Company's quarterly reports on Form 10-Q for the most recent fiscal year, is compatible with maintaining the independence of KPMG LLP.

Respectfully submitted by:

Nancy M. Harvey
Douglas G. Marshall
Philip D. Barrett

The foregoing Audit Committee Report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in any previous or future documents filed by the Company with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the Report by reference in any such document.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

Stockholders may submit proposals on matters appropriate for stockholder action at subsequent annual meetings of the Company consistent with Rule 14a-8 promulgated under the Exchange Act and the Amended and Restated Bylaws of the Company, which may be amended from time to time. Proposals of stockholders intended to be presented at the Company's next annual meeting of stockholders must be received by the Company (Attention: Secretary, at the principal offices of the Company) no later than September 30, 2013, for inclusion in the Company's proxy statement and form of proxy for that meeting. If you intend to present a proposal at our 2013 annual meeting, but you do not intend to have it included in our 2013 proxy statement, you must provide written notice of the stockholder proposal to the Company (Attention: Secretary, at the principal offices of the Company) no later than September 30, 2013.

OTHER MATTERS

The Board does not intend to bring any matters before the Annual Meeting other than as stated in this Proxy Statement and is not aware that any other matters will be presented for action at the Annual Meeting. Should any other matters be properly presented, the Proxy Agents will vote the proxy with respect thereto in accordance with their best judgment, pursuant to the discretionary authority granted by the proxy.

Copies of the Company's recent reports on Form 10-K and Form 10-Q as filed with the SEC will be provided to stockholders without charge upon written or oral request to Thomas G. Lim, Chief Financial Officer, TigerLogic Corporation, 25A Technology Drive, Suite 100, Irvine, California 92618, telephone number (949) 442-4400. Copies may also be obtained from the Company's website at www.tigerlogic.com.

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for annual reports and proxy statements with respect to two or more security holders sharing the same address by delivering a single annual report and proxy statement addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for security holders and cost savings for companies.

This year, brokers with account holders who are TigerLogic Corporation stockholders may be "householding" our proxy materials. A single annual report and proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate annual report and proxy statement or, alternatively, if you wish to receive a single copy of the material instead of multiple copies, please notify your broker and direct your request to Thomas G. Lim, Chief Financial Officer, TigerLogic Corporation, 25A Technology Drive, Suite 100, Irvine, California 92618, telephone number (949) 442-4400.

By Order of the Board of Directors,

Richard W. Koe
Chairman of the Board
