(2) Represents the maximum number of shares of Class A common stock, par value \$0.0001 per share, of the registrant ("Hemisphere Class A common stock") that may be issued to Azteca stockholders and holders of warrants to acquire shares of Hemisphere Class A common stock in connection with the consummation of the proposed mergers described herein (the "Transaction"). The number of shares is based upon the sum of the product obtained by multiplying (i) the shares of Azteca Acquisition Corporation, par value \$0.0001 per share ("Azteca common stock"), estimated to be outstanding immediately prior to the Transaction, by (ii) the exchange ratio in the Transaction of 1.0 per share of the registrant's Class A common stock for each share of Azteca common stock plus the number of shares of Hemisphere Class A common stock that may be issued pursuant to immediately exercisable warrants.

(3) Pursuant to Rules 457(c) and 457(f) under the Securities Act and solely for the purpose of calculating the registration fee, the proposed maximum aggregate offering price is (i) the product obtained by multiplying (a) \$9.99, which represents the average of the high and low prices of the common shares, par value \$0.0001 per share of Azteca common stock (the securities to be cancelled in the Transaction) on January 22, 2013, by (ii) 19,583,334, which represents the number of shares of Azteca common stock estimated to be outstanding immediately prior to the Transaction plus the number of shares of Hemisphere Class A common stock that may be issued pursuant to immediately exercisable warrants.

(4) Represents maximum number of warrants to purchase shares of Hemisphere Media Group, Inc. Class A common stock issuable in connection with the Transaction as described in the enclosed proxy statement/prospectus.

(5) In accordance with existing SEC interpretations and Rule 457(g), the entire registration fee for the warrants is allocated to the Hemisphere Class A common stock registered underlying the warrants, and no separate fee is recorded for the warrants to purchase shares of Hemisphere Class A common stock.

(6) Previously paid.

The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this Registration Statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

EXPLANATORY NOTE

This Pre-Effective Amendment #4 to the registration statement on Form S-4 filed by the Registrant on March 15, 2013 (File No. 333-186210) is being filed solely to amend "Part II Item 21. Exhibits and Financial Statement Schedules," to include certain updated exhibits. No other changes or additions are being made to the proxy statement/prospectus constituting Part I of the Registration Statement (not included herein) or to Part II of the Registration Statement.

PART II

INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 20. Indemnification of Officers and Directors.

Exculpation and Indemnification

Section 102(b)(7) of the DGCL permits a corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director; provided, that such provision may not eliminate or limit the liability of a director for any breach of the director's duty of loyalty to the corporation or its stockholders, for acts or omissions that are not in good faith or that involve intentional misconduct or a knowing violation of law, for the payment of unlawful dividends or unlawful stock repurchases or redemptions, or for any transaction from which the director derived an improper personal benefit. Hemisphere's certificate of incorporation limits the personal liability of a director to the Registrant and its stockholders for monetary damages for a breach of fiduciary duty as a director to the fullest extent permitted by law.

In addition, Section 145 of the DGCL permits a corporation to indemnify any of its directors, officers, employees or agents who was or is a party, or is threatened to be made a party to any third party proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or firm, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner such person reasonably believed to be in and not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reason to believe that such person's conduct was unlawful. In a derivative action, *i.e.*, one by or in the right of a corporation, the corporation is permitted to indemnify any of its directors, officers, employees or agents against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of an action or suit if the person acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification will be made if such person will have been adjudged liable to the corporation, unless and only to the extent that the Delaware Court of Chancery or the court in which the action or suit was brought determines upon application that such person is fairly and reasonably entitled to indemnity for such expenses despite the adjudication of liability. Hemisphere's certificate of incorporation provides for indemnification of directors or officers of the Registrant for any liability incurred in their official capacity to the fullest extent permissible under the DGCL.

Indemnification Agreements

Hemisphere may enter into indemnification agreements with its directors, officers and key employees which may, in certain cases, be broader than the specific indemnification provisions contained in its amended and restated certificate of incorporation and amended and restated bylaws. The indemnification agreements may require Hemisphere, among other things, to indemnify such officers, directors and key employees against certain liabilities that may arise by reason of their status or service as directors, officers or key employees of Hemisphere or of another entity at the request of Hemisphere and to advance the expenses incurred by such parties as a result of any threatened claims or proceedings brought against them as to which they could be indemnified.

Merger Agreement Provisions Relating to Azteca, WAPA and Cinelatino Directors and Officers

Under the terms of the Merger Agreement, the parties have agreed that all rights of indemnification to Azteca's, WAPA's and Cinelatino's current and former directors, officers, managers and members, and any person who assumes such position prior to the effective date, provided by Azteca, WAPA or Cinelatino, as applicable, in their respective organizational documents or indemnification contracts will survive the mergers and continue in full force and effect and will be assumed and performed by Hemisphere and the surviving entities after consummation of the mergers. In addition, the Merger Agreement requires that Hemisphere maintain either (i) "tail" insurance policies purchased by Azteca, WAPA and Cinelatino with a claims period of no more than six years from the effective time of the mergers with respect to directors' and officers' liability insurance and fiduciary liability insurance with benefits and levels no less favorable than Azteca's, WAPA's and Cinelatino's existing policies, or (ii) maintain Azteca's, WAPA's and Cinelatino's current directors' and officers' liability insurance policies for a period of six years from the effective time of the mergers or obtain substitute policies, in each case that provides coverage for events occurring on or before the effective time of mergers. The terms of the insurance policies will be no less favorable than Azteca's, WAPA's and Cinelatino's respective existing policies, unless the annual premiums of the policies would exceed 200% of the current policies' premiums as of the date of the merger agreement, in which case the coverage will be the greatest amount of coverage available for a premium amount not exceeding 200% of such current premiums.

(b) Financial Statement Schedules:

All schedules are omitted because the required information is either not present, not present in material amounts or presented within the consolidated financial statements included in the prospectus and are incorporated herein by reference.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under Act to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Act to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Edgar Filing: HEMISPHERE MEDIA GROUP, INC. - Form S-4/A

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(c) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11 or 13 of Form S-4 within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(d) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
