SUMMARY

This summary highlights information contained elsewhere in or incorporated by reference into this prospectus. This summary does not contain all of the information that you should consider in making your investment decision. You should read the following summary together with the entire prospectus, including the more detailed information regarding Axiall, Eagle Spinco, the Exchange Notes and the consolidated financial statements and the related notes incorporated by reference into this prospectus. You should also carefully consider, among other things, the matters discussed in the section entitled "Risk Factors" in this prospectus before making an investment decision. Some of the statements in this prospectus constitute forward-looking statements. See "Cautionary Note Regarding Forward-Looking Statements." Our Company

Axiall (formerly known as Georgia Gulf Corporation), a Delaware corporation incorporated in 1984, is a leading North American manufacturer and international marketer of chemicals and building products.

The Merger

On July 18, 2012, Georgia Gulf Corporation (now known as Axiall), PPG Industries, Inc. ("PPG"), Eagle Spinco, Inc. ("Eagle Spinco"), a 100%-owned subsidiary of PPG, and Grizzly Acquisition Sub, Inc., a 100%-owned subsidiary of Axiall ("Merger Sub"), entered into an Agreement and Plan of Merger (as amended, the "Merger Agreement") pursuant to which we combined with the Merged Business in a Reverse Morris Trust transaction (the "Transactions"). On January 28, 2013 (the "Closing Date"), we completed the Transactions and changed our name to Axiall Corporation. In connection with the Transactions, PPG and Eagle Spinco, among other things, entered into a Separation Agreement, dated as of July 18, 2012 (the "Separation Agreement"), pursuant to which PPG transferred the Merged Business to Eagle Spinco. Merger Sub merged with and into Eagle Spinco, whereby the separate corporate existence of Merger Sub ceased and Eagle Spinco continued as the surviving company and as a 100%-owned subsidiary of Axiall (the "Merger").

On January 28, 2013, the Original 2021 Notes were initially issued by Eagle Spinco to PPG as partial consideration for Eagle Spinco's acquisition of the Merged Business. PPG then transferred the Original 2021 Notes to certain financial institutions in satisfaction of existing debt obligations of PPG held by those financial institutions. On January 30, 2013, the initial purchasers purchased the Original 2021 Notes held by the financial institutions referred to above and resold them to investors in the Original 2021 Notes offering pursuant to exemptions under Rule 144A and Regulation S of the Securities Act. Eagle Spinco did not receive any net proceeds from the sale of the Original 2021 Notes. Upon the consummation of the Merger, Axiall and certain subsidiaries of Axiall became guarantors of the Original 2021 Notes.

Following the Transactions, on February 1, 2013, Axiall issued \$450.0 million in aggregate principal amount of Original 2023 Notes. We used the net proceeds from the offering of the Original 2023 Notes, together with cash on hand, to fund the repurchase of \$500 million of our 9.0 percent senior secured notes due 2017 (the "9 percent notes") that were validly tendered and not validly withdrawn in a tender offer and related consent solicitation for the 9 percent notes, and to redeem on March 4, 2013 the remaining outstanding principal amount of 9 percent notes not repurchased in the tender offer and related consent solicitation.

Chlorovinyls Segment

Our chlorovinyls segment produces a highly integrated chain of products, including chlor-alkali and derivative products (chlorine, caustic soda, vinyl chloride monomer ("VCM"), vinyl resins, ethylene dichloride (or 1, 2 dichloroethane) ("EDC"), chlorinated solvents, calcium hypochlorite, hydrochloric acid (also known as muriatic acid) ("HCL") and phosgene derivatives) and compound products (vinyl compounds and compound additives and plasticizers). Axiall's acquisition of the Merged Business significantly expanded the production capacity and product offerings of our chlorovinyls segment. Based on industry data from IHS, Inc. ("IHS"), we are: (i) the third largest chlorine producer in North

Table of Contents

America; (ii) the second largest VCM producer in North America; (iii) the fourth largest polyvinyl chloride ("PVC") producer in North America; and (iv) one of the lowest-cost producers of chlor-alkali and derivative products in the world.

Building Products Segment

Our building products segment consists of two primary product groups: (i) window and door profiles and trim, mouldings and deck products; and (ii) outdoor building products, which currently includes siding and exterior accessories, pipe and pipe fittings. Our vinyl-based home improvement and building products are marketed under the Royal Building Products®, Celect Cellular Exteriors®, Zuri Premium Decking®, Royal Kor Flo®, Overture® patio doors, Genesis Cellular Window System®, Royal S4S Trimboard® and Exterior Portfolio® brand names. Our window and door profiles and mouldings products are customized based on customer specifications. The demand and pricing for our window and door profiles and mouldings products generally trend in similar patterns based on the product features and relative benefits of customized vinyl products when compared to alternative products, such as wood. Our outdoor building products are produced largely in accordance with industry standards, thereby providing for compatibility within the construction and renovation systems in which they are used. The demand and pricing for our outdoor building products generally trend in similar patterns primarily based on the cost of the underlying raw materials.

Aromatics Segment

Our aromatics segment manufactures cumene products and phenol and acetone products (co-products made from cumene). Since phenol and acetone are made from cumene, their pricing and sales volume are similarly impacted by industry and global economic conditions and supply and demand fundamentals for the underlying raw materials. Our aromatic products are produced to meet globally accepted standards for product grades and classifications.

The Exchange Offers

Axiall initially issued \$450,000,000 aggregate principal amount of outstanding 4.875% Senior Notes due 2023 in a private placement transaction on February 1, 2013 and Eagle Spinco initially issued \$688,000,000 aggregate principal amount of outstanding 4.625% Senior Notes due 2021 in a private placement transaction on January 28, 2013.

The Exchange Offers

Axiall is offering to exchange up to \$450,000,000 aggregate principal amount of its new 4.875% Senior Notes due 2023 (the "Exchange 2023 Notes") and related guarantees for an equal principal amount of its outstanding 4.875% Senior Notes due 2023 (the "Original 2023 Notes") and related guarantees. The Original 2023 Notes were initially issued on February 1, 2013.

Eagle Spinco is offering to exchange up to \$688,000,000 aggregate principle amount of its new 4.625% Notes due 2021 (the "Exchange 2021 Notes") and related guarantees for an equal principal amount of its outstanding 4.625% Notes due 2021 (the "Original 2021 Notes") and related guarantees. The Original 2021 Notes were initially issued on January 28, 2013.

The terms of each series of Exchange Notes are identical to those of the corresponding series of Original Notes in all material respects (except that the Exchange Notes will be issued in a transaction registered under the Securities Act and except for references to certain additional interest rate provisions, restrictions on transfers and restrictive legends). In addition, the Exchange 2023 Notes will bear a different CUSIP number than the Original 2023 Notes. Each series of Exchange Notes will be of the same class as the corresponding series of outstanding Original Notes. Holders of Original Notes do not have any appraisal or dissenters' rights in connection with the Exchange Offers.

Purpose of the Exchange Offers

The Exchange Notes and related guarantees are being offered to satisfy our obligations under the respective registration rights agreements entered into at the time Axiall and Eagle Spinco each issued and sold the corresponding series of Original Notes and related guarantees, in which each agreed, among other things, to use its best efforts to (i) have the registration statement of which this prospectus forms a part declared effective within 560 days following the closing of the applicable private placement transaction and (ii) deliver this prospectus to you. After the Exchange Offers are complete, you will not have any further rights under the registration rights agreements, including any right to require Axiall and Eagle Spinco to register any outstanding Original Notes that you do not exchange or to pay you the additional interest Axiall and Eagle Spinco agreed to pay to holders of Original Notes if Axiall and Eagle Spinco failed to timely complete the Exchange Offers.

SUMMARY HISTORICAL CONSOLIDATED FINANCIAL INFORMATION

The following table sets forth summary historical consolidated financial information for each of the fiscal years ended December 31, 2013, 2012 and 2011, which have been derived from Axiall's audited consolidated financial statements and should be read together with those audited consolidated financial statements and related notes and "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in the 2013 Form 10-K, which is incorporated by reference in this prospectus.

RISK FACTORS

The terms of each series of Exchange Notes are identical in all material respects to those of the corresponding series of Original Notes, except for the certain additional interest rate provisions, registration rights, restrictions on transfers and restrictive legends relating to the Original Notes that will not apply to the Exchange Notes. In addition, the Exchange 2023 Notes will bear a different CUSIP number than the Original 2023 Notes. Before making a decision regarding the Exchange Offers, you should carefully consider the risks described below and all of the information contained or incorporated by reference into this prospectus, including the information in Part I, Item 1A, "Risk Factors," in our 2013 Form 10-K. If any of those risks actually occurs, our business, financial condition and results of operations could suffer. The risks discussed below also include forward-looking statements, and our actual results may differ substantially from those discussed in these forward-looking statements. See "Cautionary Note Regarding Forward-Looking Statements" in this prospectus.

Risks Related to the Exchange Notes

We have a substantial amount of long-term indebtedness and liabilities following the Transactions and offerings of the Original Notes, which could adversely affect our liquidity, operations and financial condition.

We have a significant amount of indebtedness and liabilities. As of December 31, 2013, Axiall had total liabilities of \$3,148.9 million, which includes outstanding long-term indebtedness of \$1,332.8 million (of which \$194.8 million, net of \$2.4 million of debt issuance costs, is secured), and an additional \$420.2 million is available for borrowing under our \$500 million asset-based revolving credit facility (the "ABL Revolver"). We also have and will continue to have the ability to incur a significant amount of additional debt. Our indebtedness could have important consequences, including but not limited to:

limiting our ability to invest operating cash flow in our operations due to debt service and other obligations;

limiting our ability to obtain additional debt or equity financing for working capital expenditures or other general corporate purposes;

limiting our operational flexibility due to the covenants contained in our debt agreements;

requiring us to dispose of significant assets in order to satisfy our debt service and other obligations if we are not able to satisfy these obligations from cash from operations or other sources;

to the extent that our debt is subject to floating interest rates, increasing our vulnerability to fluctuations in market interest rates;

limiting our ability to buy back Axiall common stock or pay cash dividends;

limiting our flexibility in planning for, or reacting to, changes in our business or industry, thereby limiting our ability to compete with companies that are not as highly leveraged; and

increasing our vulnerability to economic downturns and changing market conditions.

Our ability to satisfy our debt service and other obligations will depend on our future performance, which will be affected by financial, business, economic and other factors, including prices, industry capacity levels and demand for our products, raw materials and energy costs and availability, feedstock availability and changes in governmental and environmental regulations. If we do not generate enough cash to satisfy our debt service and other obligations, we may be required to refinance all or part of our existing debt, sell our assets, borrow more money or raise equity. There is no assurance that we will be able to, at any given time, refinance our debt, sell our assets, borrow more money or raise capital on terms acceptable to us or at all.

Table of Contents

Despite our indebtedness levels, we may be able to incur substantially more debt. This could further exacerbate the risks associated with our substantial indebtedness.

We and our subsidiaries may be able to incur substantial additional indebtedness in the future. The terms of the term loan facility, which matures in 2017 (the "Term Loan Facility"), the ABL Revolver and the Indentures will not fully prohibit us from doing so. As of December 31, 2013, we have \$420.2 million of undrawn availability under the ABL Revolver, all of which is permitted to be drawn under the terms of the ABL Revolver, the Term Loan Facility and the Indentures. If new debt is added to our current debt levels, the risks that we could face with respect to its substantial indebtedness would be magnified.

The Exchange Notes will be effectively subordinated to all of our existing and future secured indebtedness.

Axiall's and Eagle Spinco's obligations under the Exchange Notes and the guarantors' respective obligations under their guarantee of the Exchange Notes will be unsecured and therefore will be effectively subordinated to all of our existing and future secured indebtedness, including indebtedness under the Term Loan Facility and the ABL Revolver, to the extent of the value of the assets securing such indebtedness. The Term Loan Facility and the ABL Revolver are guaranteed by all of our existing and future domestic subsidiaries, other than certain excluded subsidiaries, and, with respect to the obligations of our Canadian subsidiaries under the ABL Revolver, our Canadian subsidiaries, and are secured by certain of our assets. In the event of any dissolution, winding-up, liquidation, reorganization, bankruptcy or other similar proceeding, the assets which serve as collateral for any secured debt will be available to satisfy the obligations under the secured debt before any payments are made on the Exchange Notes. As of December 31, 2013, we have total liabilities of \$3,148.9 million, which includes outstanding long-term indebtedness of \$1,332.8 million (of which \$194.8 million, net of \$2.4 million of debt issuance costs, is secured) and an additional \$420.2 million is available for borrowing under the ABL Revolver.

The Exchange Notes will be structurally subordinated to all liabilities of our non-guarantor subsidiaries.

The Exchange Notes will be structurally subordinated to the indebtedness and other liabilities of our subsidiaries that are not guaranteeing the Exchange Notes, which include all of Axiall's non-domestic subsidiaries and certain other subsidiaries. These non-guarantor subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the Exchange Notes, or to make any funds available therefor, whether by dividends, loans, distributions or other payments. Any right that Axiall, Eagle Spinco or the guarantors have to receive any assets of any of the non-guarantor subsidiaries upon the liquidation or reorganization of those subsidiaries, and the consequent rights of holders of Exchange Notes to realize proceeds from the sale of any of those subsidiaries' assets, will be structurally subordinated to the claims of those subsidiaries' creditors, including trade creditors and holders of preferred equity interests of those subsidiaries. Accordingly, in the event of a bankruptcy, liquidation or reorganization of any of our non-guarantor subsidiaries, these non-guarantor subsidiaries will pay the holders of their debts, holders of preferred equity interests and their trade creditors before they will be able to distribute any of their assets to Axiall, Eagle Spinco or any guarantor.

In addition, the Indentures permit these subsidiaries, subject to some limitations, to incur additional indebtedness and do not contain any limitation on the amount of other liabilities, such as trade payables, that may be incurred by these subsidiaries.

As of December 31, 2013, Axiall's non-guarantor subsidiaries generated approximately 16% of Axiall's net sales to non-affiliates, held approximately 18% of Axiall's consolidated assets and had no indebtedness outstanding (excluding intercompany indebtedness).

Table of Contents

To service our indebtedness and meet our other cash needs, we will require a significant amount of cash, which may not be available to us.

Our ability to make payments on, or repay or refinance, our debt, including the Exchange Notes, and to fund planned capital expenditures, dividends and other cash needs will depend largely upon our future operating performance. Our future operating performance, to a certain extent, is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. In addition, our ability to borrow funds in the future to make payments on our indebtedness will depend on the satisfaction of the covenants in the ABL Revolver and our other financing arrangements, including the Term Loan Facility and the Indentures governing the Exchange Notes, and other agreements that we may enter into in the future. Specifically, we will need to maintain specified financial ratios and satisfy financial condition tests, including a fixed charge coverage ratio and a senior secured leverage ratio. We cannot assure you that our business will generate sufficient cash flow from operations or that future borrowings will be available to us under the ABL Revolver or from other sources in an amount sufficient to enable us to make payments on our indebtedness, including the Exchange Notes, or to fund our other liquidity needs.

In addition, prior to the repayment of the Exchange Notes, we may be required to refinance or repay amounts outstanding under the Term Loan Facility and the ABL Revolver. We cannot assure you that we would be able to refinance any of our indebtedness, including the Term Loan Facility and the ABL Revolver, on commercially reasonable terms, or at all. If we are unable to make payments or refinance our debt or obtain new financing under these circumstances, we would have to consider other options, including:

sales of assets;

reduction or delay of capital expenditures, strategic acquisitions, investments and alliances; or

negotiations with our lenders to restructure the applicable debt.

The credit agreements governing the Term Loan Facility and the ABL Revolver and the Indentures may restrict, or market or business conditions may limit, our ability to take some of these actions or the effectiveness of these actions.

Our variable rate indebtedness subjects us to interest rate risk, which could cause our annual debt service obligations to increase significantly.

Borrowings under the ABL Revolver and the Term Loan Facility are at variable rates of interest and expose us to interest rate risk. If interest rates increase, our debt service obligations on the variable rate indebtedness would increase even though the amount borrowed remained the same, and our net income would decrease.

Axiall and Eagle Spinco may be unable to make a change of control offer required by the Indentures governing the Exchange Notes, which would cause defaults under the Indentures, the Term Loan Facility and the ABL Revolver.

The terms of the Exchange Notes will require Axiall and Eagle Spinco to make an offer to repurchase the applicable series of Exchange Notes upon the occurrence of an Axiall change of control at a purchase price equal to 101% of the principal amount of the applicable series of Exchange Notes, plus accrued and unpaid interest, if any, to the date of the purchase. The terms of the Indentures, the Term Loan Facility and the ABL Revolver will require, and other financing arrangements may require, repayment of amounts outstanding in the event of a change of control and limit Axiall's and Eagle Spinco's ability to fund the repurchase of the applicable series of Exchange Notes in certain circumstances. Axiall and Eagle Spinco may not have sufficient funds at the time of a change of control to make the required repurchase of the applicable series of Exchange Notes or restrictions in the

Edgar Filing: Royal Group Sales (USA) Ltd - Form S-4

Table of Contents

Indentures, the Term Loan Facility and the ABL Revolver and other financing arrangements may not allow the repurchases. See "Description of Axiall's 2023 Notes Repurchase at the Option of Holders Change of Control Triggering Event" and "Description of Eagle Spinco's 2021 Notes Repurchase at the Option of Holders Change of Control Triggering Event."

Noteholders may not be able to determine if a change of control giving rise to mandatory repurchase rights has occurred following a sale of "substantially all" of our and our subsidiaries' assets.

The definition of change of control in both of the Indentures includes a phrase relating to the direct or indirect sale, transfer, conveyance or other disposition of "all or substantially all" of our and our restricted subsidiaries' assets, taken as a whole. There is no precise established definition of the phrase "substantially all" under applicable law. Accordingly, the ability of a noteholder to require us to repurchase the Exchange Notes as a result of a sale, transfer, conveyance or other disposition of less than all of our and our restricted subsidiaries' assets to another individual, group or entity may be uncertain.

Fraudulent transfer and conveyance laws may have adverse implications for the holders of the Exchange Notes.

If, under applicable federal and state fraudulent transfer and conveyance laws, in a bankruptcy or reorganization case or a lawsuit by or on behalf of unpaid creditors of Axiall or Eagle Spinco, a court were to find that, at the time that Axiall or Eagle Spinco or any guarantor, as applicable, issued the applicable series of Exchange Notes or incurred the guarantee:

Axiall or Eagle Spinco did so with the intent of hindering, delaying or defrauding current or future creditors, or received less than reasonably equivalent value or fair consideration for issuing the applicable series of Exchange Notes or incurring the applicable guarantees of the series of Exchange Notes, as applicable; and

Axiall or Eagle Spinco or a guarantor:

was insolvent or was rendered insolvent by reason of the related financing transaction;

was engaged, or about to engage, in a business or transaction for which its remaining assets constituted unreasonably small capital;

intended to incur, or believed that it would incur, debts beyond its ability to pay these debts as they mature; or

was a defendant in an action for money damages, or had a judgment for money damages docketed against it if, in either case, after final judgment the judgment is unsatisfied, as all of the foregoing terms are defined in or interpreted under the relevant fraudulent transfer or conveyance statutes;

then the court could void or subordinate the applicable series of Exchange Notes or the applicable guarantees to existing or future indebtedness of Axiall or Eagle Spinco or the subject guarantor, and take other action detrimental to the holders of the applicable series of Exchange Notes, including under certain circumstances, invalidating the applicable series of Exchange Notes or the applicable guarantees.

The measure of insolvency for purposes of the foregoing considerations will vary depending upon the law of the jurisdiction that is being applied in the relevant legal proceeding. Generally, however, an entity would be considered insolvent if, at the time it incurred the indebtedness:

it could not pay its debts or contingent liabilities as they become due;

the sum of its debts, including contingent liabilities, is greater than its assets, at fair valuation; or

Table of Contents

the present fair saleable value of its assets is less than the amount required to pay the probable liability on its total existing debts and liabilities, including contingent liabilities, as they become absolute and mature.

We cannot assure you as to what standard a court would apply in order to determine whether the issuer or any of the guarantors were "insolvent" as of the date the applicable series of Exchange Notes were issued and the applicable guarantees incurred, and we cannot assure you that, regardless of the method of valuation, a court would not determine that we were insolvent on that date. Nor can we assure you that a court would not determine, regardless of whether we or any of the guarantors were insolvent on the date the applicable series of Exchange Notes were issued and the guarantees incurred, that the payments constituted fraudulent transfers on another ground.

Each guarantee will contain a provision intended to limit the guarantor's liability to the maximum amount that it could incur without causing the incurrence of obligations under its guarantee to be a fraudulent transfer. This provision may not be effective to protect the guarantees from being voided under applicable fraudulent transfer laws or may reduce the guarantor's obligation to an amount that makes the guarantee effectively worthless. Although subsequently overturned on other grounds, a recent Florida bankruptcy court found this kind of provision insufficient to protect such guarantees.

Many of the covenants in the Indentures will cease to apply to a series of Exchange Notes from and after the first date when that series of Exchange Notes is rated investment grade by both Moody's and Standard & Poor's.

Many of the covenants in the Indentures will cease to apply to a series of Exchange Notes from and after the first date when that series of Exchange Notes is rated investment grade by both Moody's and Standard & Poor's, provided at such time no default or event of default has occurred and is continuing. Such terminated covenants will not be reinstated if the applicable series of Exchange Notes loses its investment grade ratings at any time thereafter. These covenants restrict, among other things, our ability to pay distributions, incur debt and to enter into certain other transactions. Termination of these covenants will allow us to engage in certain transactions that would not be permitted while these covenants were in force. There can be no assurance that either series of Exchange Notes will ever be rated investment grade, or that, if such series of Exchange Notes is rated investment grade, it will maintain these ratings. See "Description of Axiall's 2023 Notes Certain Covenants Termination of Certain Covenants When 2023 Notes Rated Investment Grade" and "Description of Eagle Spinco's 2021 Notes Certain Covenants Termination of Certain Covenants When 2021 Notes Rated Investment Grade."

Any decline in the ratings of our corporate credit could adversely affect the value of the Exchange Notes.

Any decline in the ratings of our corporate credit or any indications from the rating agencies that their ratings on our corporate credit are under surveillance or review with possible negative implications could adversely affect the value of the Exchange Notes. In addition, a ratings downgrade could adversely affect our ability to access capital.

Your ability to transfer the Exchange Notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market will develop for the Exchange Notes.

The Exchange Notes constitute new issues of securities with no established trading market. We do not intend to list the Exchange Notes on any securities exchange or to include the Exchange Notes in any automated quotation system. Accordingly, no market for the Exchange Notes may develop, and any market that develops may not last. If the Exchange Notes are traded, the market price of the Exchange Notes may decline depending on prevailing interest rates, the market for similar securities, our

performance and other factors. To the extent that an active trading market does not develop, you may not be able to resell your Exchange Notes when desired, at their fair market value or at all.

In addition, if you do participate in the Exchange Offers for the purpose of participating in the distribution of the Exchange Notes, you must comply with the registration and prospectus delivery requirements of the Securities Act for any resale transaction. Each broker-dealer who holds Original Notes for its own account due to market-making or other trading activities and who receives Exchange Notes for its own account must acknowledge that it will deliver a prospectus in connection with any resale of the Exchange Notes.

The Exchange Offers are intended to satisfy Axiall's and Eagle Spinco's obligations under the applicable registration rights agreements. Axiall and Eagle Spinco will not receive any cash proceeds from the issuance of the Exchange Notes. In consideration for issuing the applicable series of Exchange Notes as contemplated in this prospectus, Axiall or Eagle Spinco, as applicable, will receive, in exchange, an equal principal amount of the corresponding series of Original Notes. The Original Notes surrendered in exchange for the Exchange Notes will be retired and cannot be reissued.

DESCRIPTION OF OTHER INDEBTEDNESS

Senior Secured Term Loan Facility

On January 28, 2013, in connection with the Transactions, Eagle Spinco entered into a credit agreement for the Term Loan Facility with a syndicate of banks led by Barclays Bank PLC (the "Term Loan Agreement") in order to finance the cash portion of the special distribution made to PPG and the net working capital adjustment as required by the merger agreement governing the Merger. The cash proceeds of the \$279.0 million Term Loan Facility incurred by Eagle Spinco under the Term Loan Agreement were distributed to PPG. At December 31, 2013, we had \$194.8 million, net of \$2.4 million of debt issuance costs, outstanding under the Term Loan Facility. The Term Loan Facility is scheduled to mature on January 28, 2017.

The Term Loan Agreement governing the Term Loan Facility has several features similar to credit facilities of this nature, including, but not limited to:

Maturity and Amortization

Borrowings under the Term Loan Facility are expected to mature on the fourth anniversary of the closing date of the Merger.

The outstanding principal amount of the term loans under the Term Loan Facility is payable in equal quarterly amounts of 1.0% *per annum* prior to the fourth anniversary of the closing date of the Merger, with the remaining balance, together with all amounts owed with respect thereto, payable on the maturity date.

Interest Rates

Amounts outstanding under the Term Loan Facility bear interest, at Eagle Spinco's option, at a rate equal to:

the Base Rate *plus* 1.50% per annum; or

the reserve adjusted Eurodollar Rate *plus* 2.50% per annum;

provided that at no time will the Base Rate be deemed to be less than 2.00% *per annum* or the reserve adjusted Eurodollar Rate be deemed to be less than 1.00% *per annum*.

For purposes of this summary: (i) "Base Rate" has a meaning customary and appropriate for financings of this type, and the basis for calculating accrued interest for loans bearing interest at the base rate will be customary and appropriate for financings of this type and (ii) "reserve adjusted Eurodollar Rate" means a fluctuating rate *per annum* equal to (a) the rate *per annum* determined by the administrative agent to be the offered rate appearing on the page of the Reuters Screen which displays an average British Bankers Association Interest Settlement Rate applicable to U.S. dollar deposits or (b) if the rate in clause (a) above does not appear on such page or service or if such page or service is not available, the rate *per annum* determined by the administrative agent to be the offered rate on such other page or other service which displays an average British Bankers Association Interest Settlement Rate applicable to U.S. dollar deposits or (c) if the rates in clauses (a) and (b) are not available, the administrative agent's offered quotation rate to first class banks in the London interbank market, in each case as adjusted for applicable reserve requirements.

As of December 31, 2013, the effective interest rate, inclusive of amortization of debt issuance costs, on the outstanding balance under the Term Loan Facility was 4.0%.

Prepayments

Subject to certain conditions and exceptions, the Term Loan Agreement requires Eagle Spinco to prepay outstanding loans in certain circumstances, including (a) in an amount equal to 100% of the net cash proceeds from sales or dispositions of certain property or assets of Axiall and its subsidiaries in excess of certain amounts, subject to customary reinvestment rights, (b) in an amount equal to 100% of the net cash proceeds from property insurance or condemnation awards in excess of certain amounts, subject to customary reinvestment rights, and (c) in an amount equal to 100% of the net cash proceeds from the incurrence of additional debt other than debt permitted under the Term Loan Agreement. Eagle Spinco is also required to prepay outstanding loans with specified percentages of excess cash flow based on Axiall's leverage ratio. The Term Loan Agreement contains other customary prepayment obligations.

The Term Loan Agreement also provides for voluntary prepayment of loans without premium or penalty, subject to certain conditions and exceptions.

Covenants

The Term Loan Agreement contains customary affirmative covenants (subject to exceptions), including covenants related to: financial statements and other reports, existence, payment of taxes and claims, maintenance of properties, insurance, books and records, inspections, lenders' meetings, compliance with laws, environmental, subsidiaries, additional material real estate assets, additional collateral, further assurances, and maintenance of ratings (but no minimum rating requirement). The Term Loan Agreement also contains customary negative covenants (subject to exceptions) that restrict Axiall and its subsidiaries in their activities, including covenants related to: indebtedness, liens, no further negative pledges, restricted junior payments, restrictions on subsidiary distributions, investments, fundamental changes, disposition of assets, acquisitions, contingent obligations, sales and lease-backs, transactions with affiliates, conduct of business, amendments or waivers of organizational documents, amendments or waivers with respect to certain indebtedness, and fiscal year. In addition, Axiall is subject to a senior secured leverage ratio of 3.50 to 1.00.

Guarantee/Collateral

Obligations under the Term Loan Facility are fully and unconditionally guaranteed, on a senior secured basis, by Axiall and its existing and future domestic subsidiaries, other than certain excluded subsidiaries, and are secured by substantially all of the assets of Axiall and the subsidiary guarantors.

Events of Default

The Term Loan Agreement contains the following events of default (and, as appropriate, grace and cure periods): failure to make payments when due, default under certain other agreements, breach of certain covenants, material breach of representations, other defaults under the Term Loan Facility documentation, involuntary bankruptcy, voluntary bankruptcy, judgments and attachments, dissolution, employee benefit plans, change of control, guaranties, security documents, and failure of subordinated indebtedness to be subordinated, subject to customary qualifications and limitations for materiality.

ABL Revolver

In connection with the Transactions, Axiall refinanced its asset-based revolving credit facility with a syndicate of banks led by General Electric Capital Corporation (the "ABL Revolver") increasing the revolver commitment from \$300.0 million to \$500.0 million, subject to applicable borrowing base limitations and certain other conditions. As of December 31, 2013, Axiall had no outstanding balance under its ABL Revolver and its availability was approximately \$420.2 million, net of outstanding letters of credit totaling \$79.8 million.

Table of Contents

The credit agreement governing the ABL Revolver has several features including, but not limited to:

Availability

The ABL Revolver provides for revolving credit financing of up to \$500.0 million, subject to borrowing base availability. The borrowing base at any time equals the sum (subject to certain reserves and other adjustments) of:

85% of the net amount of eligible accounts receivable; *plus*,

the lesser of (i) 70% of the lesser of cost or market of eligible inventory and (i) 85% of the net orderly liquidation value of eligible inventory; *plus*,

100% of qualified cash; *less*,

reserves reasonably determined by the co-collateral agents.

The ABL Revolver also includes a \$200.0 million sub-facility for borrowings by Axiall's Canadian subsidiaries, a \$200.0 million sub-facility for letters of credit, and, subject to lender commitments, a \$200.0 million accordion.

Maturity and Amortization

Borrowings under the ABL Revolver mature on the fifth anniversary of the closing date of the Merger.

There is no scheduled amortization under the ABL Revolver. All outstanding loans under the facility are due and payable in full on the fifth anniversary of the closing date of the Merger.

Interest Rates

U.S. Borrowings under the ABL Revolver bear interest at a rate *per annum* equal to, at Axiall's option, either (a) an index rate determined by reference to the highest of (1) the "prime rate" as published by The Wall Street Journal (or another national publication selected by the administrative agent), (2) the federal funds effective rate plus 1/2 of 1% and (3) the London Interbank Offered Rate ("LIBOR") determined by reference to the costs of funds for U.S. dollar deposits for a three-month interest period adjusted for certain additional costs plus 1% or (b) LIBOR determined by reference to the costs of funds for U.S. dollar deposits for a three month interest period adjusted for certain additional costs, in each case plus an applicable margin based on Axiall's utilization under the ABL Revolver.

Borrowings by Axiall's Canadian subsidiaries under the ABL Revolver bear interest at a rate *per annum* equal to, at Axiall's option, either (a) an index rate determined by reference to the higher of (1) the annual rate of interest quoted from time to time in the "Report on Business" section of The Globe and Mail as being "Canadian prime" or "chartered bank prime rate" and (2) the rate *per annum* determined by reference to the average rate applicable to Canadian Dollars bankers' acceptances with a term comparable to the applicable period plus 1.35% *per annum* or (b) LIBOR determined by reference to the costs of funds for U.S. dollar deposits for a three month interest period adjusted for certain additional costs, in each case plus an applicable margin based on Axiall's utilization under the ABL Revolver.

The applicable margin for borrowings under the ABL Revolver is 1.50% *per annum* for LIBOR margin loans and 0.50% *per annum* for base rate and index loans, provided that if Axiall has not

Table of Contents

received a corporate family credit rating of at least Ba3 from Moody's and BB- from Standard & Poor's, the applicable margin will be as follows.

Utilization	LIBOR Margin	Base Rate/ Index Margin
>50%	2.00%	1.00%
25% - 50%	1.75%	0.75%
<25%	1.50%	0.50%

In addition to paying interest on outstanding principal under the ABL Revolver, Axiall is required to pay a commitment fee in respect of the unutilized commitments thereunder, which fee Axiall expects to be 0.375% of the unutilized commitments, provided that if Axiall has received a corporate family credit rating of at least Ba3 from Moody's and BB- from Standard & Poor's, the fee will be 0.375% if utilization is less than 25%, and 0.25% if utilization is greater than 25%. Axiall must also pay customary letter of credit fees equal to the applicable margin on LIBOR loans and agency fees.

Prepayments

If at any time the aggregate amount of outstanding loans, unreimbursed letter of credit drawings and undrawn letters of credit under the ABL Revolver exceeds the lesser of (i) the commitment amount and (ii) the borrowing base, Axiall will be required to repay outstanding loans and cash collateralize letters of credit in an aggregate amount equal to such excess, with no reduction of the commitment amount. If the amount available under the ABL Revolver is less than \$62.5 million for a period of five consecutive business days or any event of default shall have occurred, Axiall will be required to deposit cash from its material deposit accounts (including all concentration accounts) daily in a collection account maintained with the administrative agent under the ABL Revolver, which will be used to repay outstanding loans and cash collateralize letters of credit.

The credit agreement governing the ABL Revolver also provides for voluntary prepayment of loans without premium or penalty other than customary "breakage" costs with respect to LIBOR loans, subject to certain conditions and exceptions.

Covenants

The ABL Revolver contains customary affirmative covenants (subject to exceptions), including, among other things, covenants related to: financial statements and other reports, existence, payment of taxes and claims, maintenance of properties, insurance, books and records, inspections, compliance with laws, environmental, subsidiaries, additional material real estate assets, additional collateral, further assurances, cash management systems and insurance protection. The ABL Revolver also contains customary negative covenants (subject to exceptions) that restrict Axiall and its subsidiaries in their activities, including, among other things, covenants related to: indebtedness, liens, transactions with affiliates, restricted junior payments, restrictions on subsidiary distributions, investments, disposition of assets, acquisitions and sale and lease-backs. In addition, Axiall is subject to a fixed charge coverage ratio of 1.10 to 1.00 if excess availability is less than \$62.5 million for three consecutive business days.

Guarantee/Collateral

U.S. borrowing obligations under the ABL Revolver are unconditionally guaranteed by each of Axiall's existing and subsequently acquired or organized direct or indirect domestic subsidiaries. Canadian borrowing obligations under the ABL Revolver are unconditionally guaranteed by each of Axiall's existing and subsequently acquired or organized direct or indirect domestic and Canadian subsidiaries. All obligations under the ABL Revolver, and the guarantees of those obligations, are

secured, subject to certain exceptions, by substantially all of Axiall's assets and the assets of the guarantors, including, subject to certain exceptions:

a first-priority security interest in Axiall's and its U.S. subsidiaries' receivables and inventory and related general intangibles, certain other related assets and proceeds thereof, as well as substantially all of the present and future personal property assets of Axiall's Canadian subsidiaries; and

a second-priority security interest in substantially all of Axiall's and its U.S. subsidiaries' present and future assets located in the United States (other than the collateral in which the ABL Revolver has a first-priority lien as described above, and other excluded assets) including equipment, certain owned real property, and all present and future shares of capital stock or other equity interests of each of Axiall's and its U.S. subsidiaries' owned domestic subsidiaries and 65% of the present and future shares of capital stock or other equity interests of each of Axiall's and its U.S. subsidiaries' directly owned foreign restricted subsidiaries.

Events of Default

The ABL Revolver contains the following events of default (and, as appropriate, grace and cure periods): failure to make payments when due, default under certain other agreements, breach of certain covenants, material breach of representations, other defaults under the ABL Revolver documentation, involuntary bankruptcy, voluntary bankruptcy, judgments and attachments, dissolution, employee benefit plans, change of control, guaranties, security documents, and failure of subordinated indebtedness to be subordinated, subject to customary qualifications and limitations for materiality.

Lease Financing Obligation

As of December 31, 2013, Axiall had a lease financing obligation of \$104.7 million. The lease financing obligation is the result of the sale and concurrent leaseback of certain land and buildings in Canada in 2007 for a term of ten years. In connection with this transaction, a collateralized letter of credit was issued in favor of the buyer-lessor resulting in the transaction being recorded as a financing transaction rather than a sale for GAAP purposes. As a result, the land, building and related accounts continue to be recognized in the consolidated balance sheets. The amount of the collateralized letter of credit was \$3.8 million as of December 31, 2013. Axiall is not obligated to repay the lease financing obligation amount of \$104.7 million. Axiall's obligation is for the future minimum lease payments under the terms of the related lease agreements. The future minimum lease payments under the terms of the related lease agreements as of December 31, 2103 are \$7.3 million in 2014, \$7.6 million in 2015, \$7.6 million in 2016 and \$1.9 million in 2017, the final year of the lease agreements. The change the future minimum lease payments from such amounts disclosed as of December 31, 2012 is due to current period payments and the change in the Canadian dollar exchange rate as of December 31, 2013.

THE EXCHANGE OFFERS

Purpose of the Exchange Offers

In connection with the offer and sale of the Original Notes, Axiall and Eagle Spinco and the respective guarantors of each series of the Original Notes entered into registration rights agreements with the initial purchasers of each series of the Original Notes. Axiall and Eagle Spinco are making the Exchange Offers to satisfy their respective obligations under the applicable registration rights agreement.

Terms of the Exchange Offers

Axiall and Eagle Spinco are offering to exchange, upon the terms and subject to the conditions set forth in this prospectus and in the accompanying letters of transmittal, the applicable series of Exchange Notes for an equal principal amount of the corresponding series of Original Notes. The terms of each series of Exchange Notes will be identical in all material respects to those of the corresponding series of Original Notes, except that certain additional interest rate provisions, restrictions on transfers and restrictive legends relating to the Original Notes will not apply to the Exchange Notes. In addition, the Exchange 2023 Notes will bear a different CUSIP number than the Original 2023 Notes. Each series of Exchange Notes will be of the same class as the corresponding series of outstanding Original Notes. Each series of Exchange Notes will be entitled to the benefits of the Axiall Indenture or Eagle Spinco Indenture, as applicable, under which the Original Notes were issued. See "Description of Axiall's 2023 Notes" and "Description of Eagle Spinco's 2021 Notes." The Exchange Offers are not conditioned upon any minimum aggregate principal amount of Original Notes of either series being tendered or accepted for exchange and each Exchange Offer is not conditioned on the consummation of the other Exchange Offer. As of the date of this prospectus, \$450,000,000 aggregate principal amount of Original 2023 Notes and \$688,000,000 aggregate principal amount of Original 2021 Notes were outstanding. Original Notes tendered in the Exchange Offers must be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Based on certain interpretive letters issued by the staff of the SEC to third parties in unrelated transactions, holders of Original Notes, except any holder who is an "affiliate" of Axiall or Eagle Spinco within the meaning of Rule 405 under the Securities Act, who exchanges their Original Notes for the applicable series of Exchange Notes pursuant to the Exchange Offers generally may offer the Exchange Notes for resale, resell the Exchange Notes and otherwise transfer the Exchange Notes without compliance with the registration and prospectus delivery provisions of the Securities Act, provided that the Exchange Notes are acquired in the ordinary course of the holders' business and such holders are not participating in, and have no arrangement or understanding with any person to participate in, a distribution of the Exchange Notes.

Each broker-dealer that receives the applicable series of Exchange Notes for its own account in exchange for the corresponding series of Original Notes, where the Original Notes were acquired by the broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the Exchange Notes as described in "Plan of Distribution." In addition, to comply with the securities laws of individual jurisdictions, if applicable, the Exchange Notes may not be offered or sold unless they have been registered or qualified for sale in the jurisdiction or an exemption from registration or qualification is available and complied with. If you do not exchange Original Notes for Exchange Notes pursuant to the Exchange Offers, your Original Notes will continue to be subject to restrictions on transfer.

If any holder of the applicable series of Original Notes is an affiliate of Axiall or Eagle Spinco, is engaged in or intends to engage in or has any arrangement or understanding with any person to participate in the distribution of the Exchange Notes to be acquired in the Exchange Offers, the holder would not be able to rely on the applicable interpretations of the SEC and would be required to

comply with the registration requirements of the Securities Act, except for resales made pursuant to an exemption from, or in a transaction not subject to, the registration requirement of the Securities Act and applicable state securities laws.

Expiration Date; Extensions; Termination; Amendments

Each Exchange Offer expires on the Expiration Date, which is 9:00 a.m., New York City time, on _____, 2014 (or the 21st business after the commencement of the Exchange Offers) unless Axiall or Eagle Spinco, as applicable, in its sole discretion, extends the period during which the Exchange Offer relating to the corresponding series of Original Notes are open. Each of Axiall and Eagle Spinco will keep the applicable Exchange Offer open for the period required by applicable law, but in any event for at least twenty business days.

Each of Axiall and Eagle Spinco reserve the right to extend the Exchange Offer relating to the applicable series of Original Notes at any time and from time to time prior to the Expiration Date by giving written notice to U.S. Bank National Association, the exchange agent, and by public announcement communicated by no later than 9:00 a.m., New York City time, on the next business day following the previously scheduled Expiration Date, unless otherwise required by applicable law or regulation, by making a release to PR Newswire or other wire service. During any extension of the Exchange Offers, all Original Notes previously tendered will remain subject to the Exchange Offers and may be accepted for exchange by Axiall and Eagle Spinco, as applicable.

The Exchange Date will promptly follow the Expiration Date. With respect to the applicable series of Exchange Notes, Axiall and Eagle Spinco expressly reserve the right to:

extend the corresponding Exchange Offer or both of the Exchange Offers, delay acceptance of the corresponding series of Original Notes due to an extension of the corresponding Exchange Offer or terminate the corresponding Exchange Offer and not permit acceptance of the corresponding series of Original Notes not previously accepted if any of the conditions set forth under " Conditions to the Exchange Offers" shall have occurred and shall not have been waived by Axiall or Eagle Spinco; and

amend the terms of the corresponding Exchange Offer in any manner, whether before or after any tender of the corresponding series of the Original Notes.

If any termination or material amendment occurs, Axiall or Eagle Spinco, as applicable, will notify the exchange agent in writing and will either issue a press release or give written notice to the holders of the applicable series of Original Notes as promptly as practicable. Additionally, in the event of a material amendment or change in either of or both of the Exchange Offers, which would include any waiver of a material condition hereof, Axiall or Eagle Spinco, as applicable, will extend the offer period, if necessary, so that at least five business days remain in the applicable Exchange Offer or both Exchange Offers following notice of the material amendment or change, as applicable. Unless Axiall or Eagle Spinco terminates the applicable Exchange Offer prior to 9:00 a.m., New York City time, on the next business day following the previously scheduled Expiration Date, Axiall or Eagle Spinco, as applicable will exchange the applicable series of Exchange Notes for the tendered Original Notes of the corresponding series promptly after the Expiration Date, and will deliver to the exchange agent the applicable series of Exchange Notes for the Original Notes of the corresponding series validly tendered, not withdrawn and accepted for exchange. Original Notes not accepted for exchange for any reason will be returned without expense to the tendering holder promptly after expiration or termination of the applicable Exchange Offer. See " Acceptance of Original Notes and Delivery of Exchange Notes."

This prospectus and the accompanying letters of transmittal and other relevant materials will be distributed by Axiall and Eagle Spinco to record holders of the applicable series of Original Notes and will be furnished to brokers, banks and similar persons whose names, or the names of whose nominees,

appear on the lists of holders for subsequent transmittal to beneficial owners of the applicable series of Original Notes.

Procedures for Tendering

To participate in the Exchange Offers, you must properly tender your Original Notes to the exchange agent as described below. Axiall and Eagle Spinco will only issue the applicable series of Exchange Notes in exchange for the Original Notes of the corresponding series that you timely and properly tender. Therefore, you should allow sufficient time to ensure timely delivery of the Original Notes, and you should follow carefully the instructions on how to tender your Original Notes. It is your responsibility to properly tender your Original Notes. Beneficial owners may request their respective brokers, dealers, commercial banks, trust companies or nominees to effect the above transactions for them. The tender of Original Notes by you pursuant to any one of the procedures set forth below will constitute an agreement between you and Axiall or Eagle Spinco, as applicable, in accordance with the terms and subject to the conditions set forth in this prospectus and in the applicable accompanying letter of transmittal.

If you have any questions or need help in exchanging your Original Notes, please contact the exchange agent at the address or telephone numbers set forth below.

All of the Original Notes were issued in book-entry form, and all of the Original Notes are currently represented by global certificates registered in the name of Cede & Co., the nominee of DTC. You must tender your Original Notes using ATOP. The exchange agent will make a request to establish an account with respect to the Original Notes at DTC for purposes of the Exchange Offers, and any financial institution that is a participant in DTC must make book-entry delivery of Original Notes by causing DTC to transfer the Original Notes into the exchange agent's account at DTC in accordance with DTC's procedures for transfer. In connection with the transfer, DTC will send an "agent's message" to the exchange agent stating that DTC has received instructions from the participant to tender the Original Notes and that the participant agrees to be bound by the terms of the letter of transmittal.

By using the ATOP procedures to exchange the Original Notes, you will not be required to deliver the applicable letter of transmittal to the exchange agent. However, you will be bound by its terms just as if you had signed it.

All questions as to the validity, form, eligibility, including time of receipt, and acceptance for exchange of any tender of Original Notes will be determined by Axiall or Eagle Spinco, as applicable, and will be final and binding. Axiall and Eagle Spinco reserve the absolute right, as applicable, to reject any or all tenders not in proper form or the acceptances for exchange of which may, upon advice of their counsel, be unlawful. Axiall and Eagle Spinco also reserve the right, as applicable, to waive any defect, irregularities or conditions of tender as to particular Original Notes. Axiall's and Eagle Spinco's interpretations of the terms and conditions of the applicable Exchange Offer, including the instructions in the applicable letter of transmittal, will be final and binding on all parties. Unless waived, all defects or irregularities in connection with tenders of the applicable series of Original Notes must be cured within such time as Axiall or Eagle Spinco, as applicable, shall determine. Although Axiall and Eagle Spinco, as applicable, intend to notify holders of defects or irregularities with respect to tenders of the Original Notes, neither Axiall, Eagle Spinco, the exchange agent nor any other person will incur any liability for failure to give such notification. Tenders of the Original Notes will not be deemed made until such defects or irregularities have been cured or waived. Any series of Original Notes received by the exchange agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned to the tendering holder as soon as practicable after the Expiration Date of the applicable Exchange Offer.

Table of Contents

In all cases, Axiall and Eagle Spinco will issue the applicable series of Exchange Notes for the Original Notes of the corresponding series that Axiall or Eagle Spinco have accepted for exchange under the applicable Exchange Offer only after the exchange agent receives, prior to the Expiration Date, a book-entry confirmation of such amount of the Original Notes into the exchange agent's account at DTC and a properly transmitted agent's message.

If Axiall or Eagle Spinco do not accept any tendered Original Notes of the applicable series for exchange or if such Original Notes are submitted for a greater principal amount than the holder desires to exchange, the unaccepted or non-exchanged Original Notes of the applicable series will be returned without expense to their tendering holder. Such non-exchanged Original Notes of the applicable series will be credited to an account maintained with DTC. These actions will occur as promptly as practicable after the expiration or termination of the applicable Exchange Offer.

Each broker-dealer that receives the applicable series of Exchange Notes for its own account in exchange for the corresponding series of Original Notes, where those Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of those Exchange Notes. See "Plan of Distribution."

Terms and Conditions Contained in the Letters of Transmittal

The accompanying letters of transmittal contain, among other things, the following terms and conditions, which are part of the corresponding Exchange Offer.

The transferring party tendering the applicable series of Original Notes for exchange will be deemed to have exchanged, assigned and transferred the applicable series of Original Notes to Axiall or Eagle Spinco, as applicable, and irrevocably constituted and appointed the exchange agent as the transferor's agent and attorney-in-fact to cause the applicable series of Original Notes to be assigned, transferred and exchanged.

The transferor will be required to represent and warrant that it has full power and authority to tender, exchange, assign and transfer the applicable series of Original Notes and to acquire the applicable series of Exchange Notes issuable upon the exchange of such tendered Original Notes and that, when the same are accepted for exchange, Axiall or Eagle Spinco, as applicable, will acquire good and unencumbered title to the tendered applicable series of Original Notes, free and clear of all liens, restrictions (other than restrictions on transfer), charges and encumbrances and that such tendered Original Notes are not and will not be subject to any adverse claim. The transferor will be required to also agree that it will, upon request, execute and deliver any additional documents deemed by the exchange agent or Axiall or Eagle Spinco, as applicable, to be necessary or desirable to complete the exchange, assignment and transfer of the applicable series of tendered Original Notes. The transferor will be required to agree that acceptance of any tendered Original Notes by Axiall or Eagle Spinco, as applicable, and the issuance of the corresponding series of Exchange Notes in exchange for such tendered Original Notes will constitute performance in full by Axiall and Eagle Spinco of their respective obligations under the applicable registration rights agreement and that Axiall and Eagle Spinco will have no further obligations or liabilities under the applicable registration rights agreement, except in certain limited circumstances. All authority conferred by the transferor will survive the death, bankruptcy or incapacity of the transferor and every obligation of the transferor will be binding upon the heirs, legal representatives, successors, assigns, executors, administrators and trustees in bankruptcy of the transferor.

Upon agreement to the terms of the applicable letter of transmittal pursuant to an agent's message, a holder, or beneficial holder of the applicable series of Original Notes on behalf of which the

holder has tendered, will, subject to that holder's ability to withdraw its tender, and subject to the terms and conditions of the applicable Exchange Offer generally, thereby certify, as applicable, that:

it is not an affiliate (as defined in Rule 405 of the Securities Act) of Axiall, Axiall's subsidiaries, Eagle Spinco, Eagle Spinco's subsidiaries or an affiliate of any guarantor or, if it is an affiliate thereof, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable;

the Exchange Notes are being acquired in the ordinary course of business of the person receiving the Exchange Notes, whether or not the person is the registered holder:

the transferor has not entered into, engaged in, does not intend to engage in, and has no arrangement or understanding with any other person to engage in a distribution, within the meaning of the Securities Act, of the Exchange Notes issued in the Exchange Offers;

the transferor is not a broker-dealer who purchased the applicable series of Original Notes for resale pursuant to an exemption under the Securities Act, tendering the applicable series of Original Notes acquired directly from Axiall or Eagle Spinco for the transferor's own account; and

the transferor is not restricted by any law or policy of the SEC from trading the Exchange Notes acquired in the Exchange Offers.

Each broker-dealer that receives the applicable series of Exchange Notes for its own account in exchange for the corresponding series of Original Notes where such Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. See "Plan of Distribution."

Withdrawal Rights

Original Notes of the applicable series tendered pursuant to the corresponding Exchange Offer may be withdrawn at any time prior to the applicable Expiration Date.

For a withdrawal to be effective, a written letter, telegram, telex or facsimile transmission notice of withdrawal must be received by the exchange agent at its address set forth in the applicable letter of transmittal not later than 9:00 a.m., New York City time, on the Expiration Date. Any notice of withdrawal must specify the name of such holder, the principal amount of Original Notes delivered for exchange, a statement that such holder is withdrawing such holder's election to have such Original Notes exchanged, must be signed by the holder in the same manner as the original signature on the applicable letter of transmittal, including any required signature guarantees, or be accompanied by evidence satisfactory to us that the person withdrawing the tender has succeeded to the ownership of the Original Notes being withdrawn, and also include the name and number of the account at DTC to be credited with withdrawn Original Notes and otherwise comply with the procedures of DTC. The exchange agent will return properly withdrawn Original Notes promptly following receipt of notice of withdrawal. Properly withdrawn Original Notes may be retendered by following the procedures described under "Procedures for Tendering" above at any time on or prior to the Expiration Date. All questions as to the validity of notices of withdrawals, including time of receipt, will be determined by Axiall or Eagle Spinco, as applicable, and will be final and binding on all parties.

Acceptance of Original Notes and Delivery of Exchange Notes

Upon the terms and subject to the conditions of the Exchange Offers, the acceptance for exchange of the applicable series of Original Notes validly tendered and not withdrawn and the issuance of the corresponding series of Exchange Notes will be made on the Exchange Date. For purposes of the

Exchange Offers, Axiall and Eagle Spinco will be deemed to have accepted for exchange validly tendered Original Notes of the applicable series when and if Axiall or Eagle Spinco, as applicable, has given written notice to the exchange agent. The applicable series of Original Notes surrendered in exchange for the applicable series of Exchange Notes will be retired and cannot be reissued.

The exchange agent will act as agent for the tendering holders of each series of Original Notes for the purposes of receiving corresponding series of Exchange Notes from Axiall and Eagle Spinco and causing the Original Notes to be assigned, transferred and exchanged. Original Notes tendered by book-entry transfer into the exchange agent's account at DTC pursuant to the procedures described above will be credited to an account maintained by the holder with DTC for the Original Notes, promptly after withdrawal, rejection of tender or termination of the applicable Exchange Offer of the corresponding series of Original Notes.

Conditions to the Exchange Offers

Notwithstanding any other provision of the Exchange Offers, Axiall and Eagle Spinco will not be required to issue Exchange Notes in exchange for any properly tendered Original Notes of the corresponding series not previously accepted. Neither Exchange Offer is conditioned upon the completion of the other Exchange Offer. Axiall or Eagle Spinco, as applicable, may terminate the applicable Exchange Offer by oral or written notice to the exchange agent and by timely public announcement communicated, unless otherwise required by applicable law or regulation, to PR Newswire or other wire service, or, as applicable, at Axiall's or Eagle Spinco's option, modify or otherwise amend the applicable Exchange Offer, if, in Axiall's or Eagle Spinco's reasonable determination:

there is threatened, instituted or pending any action or proceeding before, or any injunction, order or decree shall have been issued by, any court or governmental agency or other governmental regulatory or administrative agency or the SEC:

seeking to restrain or prohibit the making or consummation of the Exchange Offers;

assessing or seeking any damages as a result thereof; or

resulting in a material delay in our ability to accept for exchange or exchange some or all of the applicable series of Original Notes pursuant to the applicable Exchange Offer; or

the applicable Exchange Offer violates any applicable law or any applicable interpretation of the staff of the SEC.

These conditions are for the sole benefit of Axiall and Eagle Spinco, as applicable, and may be asserted by Axiall and Eagle Spinco, as applicable, with respect to all or any portion of the applicable Exchange Offer regardless of the circumstances, including any action or inaction by Axiall or Eagle Spinco, giving rise to the condition or may be waived by Axiall or Eagle Spinco, as applicable, in whole or in part at any time or from time to time in Axiall's or Eagle Spinco's sole discretion. The failure by Axiall or Eagle Spinco, as applicable, at any time to exercise any of the foregoing rights will not be deemed a waiver of any right, and each right will be deemed an ongoing right that may be asserted at any time or from time to time. Axiall and Eagle Spinco, as applicable, reserve the right, notwithstanding the satisfaction of these conditions, to terminate or amend the applicable Exchange Offer.

In addition, Axiall and Eagle Spinco, as applicable, reserve the right to take any action with respect to the exchange for one series of Original Notes (including, without limitation, extending, amending, terminating or waiving a condition to the applicable Exchange Offer with respect to such series) without taking the same action with respect to the Exchange Offer for the other series of

Table of Contents

Original Notes. Any determination by Axiall or Eagle Spinco, as applicable, concerning the fulfillment or non-fulfillment of any conditions will be final and binding upon all parties.

In addition, Axiall and Eagle Spinco, as applicable, will not accept for exchange any Original Notes of the applicable series tendered, and no Exchange Notes of the corresponding series will be issued in exchange for any such Original Notes, if at such time, any stop order has been issued or is threatened with respect to the registration statement of which this prospectus forms a part, or with respect to the qualification of the indenture, under which the Original Notes were issued under the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act").

Solicitation of Tenders; Expenses

Axiall and Eagle Spinco have not retained any dealer-manager or similar agent in connection with the Exchange Offers and Axiall and Eagle Spinco will not make any payments to brokers, dealers or others for soliciting acceptances of the Exchange Offers. We will, however, pay the exchange agent reasonable and customary fees for its services and will reimburse it for actual and reasonable out-of-pocket expenses. Axiall and Eagle Spinco have agreed to pay all expenses incident to the Exchange Offers other than commissions or concessions of any brokers or dealers, and will indemnify the holders of the Original Notes, including any broker-dealers, against certain liabilities, including liabilities under the Securities Act.

No person has been authorized to give any information or to make any representations in connection with the Exchange Offers other than those contained in this prospectus. If given or made, the information or representations should not be relied upon as having been authorized by Axiall or

Eagle Spinco. Neither the delivery of this prospectus nor any exchange made in the Exchange Offers will, under any circumstances, create any implication that there has been no change in Axiall's or Eagle Spinco's affairs since the date of this prospectus or any earlier date as of which information is given in this prospectus.

The Exchange Offers are not being made to, nor will tenders be accepted from or on behalf of, holders of Original Notes in any jurisdiction in which the making of the Exchange Offers or the acceptance would not be in compliance with the laws of the jurisdiction. However, Axiall or Eagle Spinco may, each at its own discretion, take any action as it may deem necessary to make the applicable Exchange Offer in any jurisdiction. In any jurisdiction where its securities laws or blue sky laws require the Exchange Offers to be made by a licensed broker or dealer, the Exchange Offers are being made on behalf of Axiall and Eagle Spinco by one or more registered brokers or dealers licensed under the laws of the jurisdiction.

Appraisal Rights

You will not have appraisal or dissenters' rights in connection with the Exchange Offers.

Transfer Taxes

If you tender your Original Notes, you will not be obligated to pay any transfer taxes in connection with the Exchange Offers, unless you instruct Axiall or Eagle Spinco, as applicable, to register Exchange Notes in the name of, or request Original Notes not tendered or not accepted in the Exchange Offers be returned to, a person other than the registered holder, in which case you will be responsible for the payment of any applicable transfer tax.

Consequences of Failure to Exchange

As a consequence of the offer or sale of each series of Original Notes pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws, holders of each series of Original Notes who do not exchange Original Notes for the corresponding series of Exchange Notes in the Exchange Offers will continue to be subject to the restrictions on transfer of the corresponding series of Original Notes. In general, each series of Original Notes may not be offered or sold unless such offers and sales are registered under the Securities Act, or exempt from, or not subject to, the registration requirements of the Securities Act and applicable state securities laws.

Upon completion of the Exchange Offers, due to the restrictions on transfer of the Original Notes and the absence of similar restrictions applicable to each series of Exchange Notes, Axiall and Eagle Spinco likely expect a substantial decrease in the amount of the corresponding series of Original Notes outstanding. It is highly likely that the market, if any, for Original Notes will be relatively less liquid than the market for Exchange Notes. Consequently, holders of each series of Original Notes who do not participate in the Exchange Offers could experience significant diminution in the value of their Original Notes compared to the value of the corresponding series of Exchange Notes.

DESCRIPTION OF AXIALL'S 2023 NOTES

You can find the definitions of certain terms used in this Description of Axiall's 2023 Notes under "Certain Definitions." For purposes of this section, references to the "Axiall" refer only to Axiall and not to any of its Subsidiaries. The term "2023 Notes" refers to Axiall's 4.875% senior notes due 2023 and includes the Original 2023 Notes, the Exchange 2023 Notes and any additional notes issued under the Axiall Indenture (and Exchange Notes relating thereto) from time to time after this offering (the "Additional 2023 Notes").

The Original 2023 Notes were, and the Exchange 2023 Notes will be, issued under an indenture (the "Axiall Indenture"), dated as of February 1, 2013, among Axiall, the subsidiary guarantors named therein and U.S. Bank National Association, as trustee (the "Trustee"). The terms of the Exchange 2023 Notes include those stated in the Axiall Indenture and those made part of the Axiall Indenture by reference to the Trust Indenture Act.

Because this section is a summary, it does not describe every aspect of the Axiall Indenture or the 2023 Notes. This summary is subject to and qualified in its entirety by reference to all of the provisions of the Axiall Indenture, including definitions of certain terms used in the Axiall Indenture, and the 2023 Notes. You should read the Axiall Indenture and the 2023 Notes because they contain additional information and they, and not this description, define your rights as a holder of the 2023 Notes. A copy of the Axiall Indenture has been filed with the SEC. Additionally, copies of the Axiall Indenture and forms of the 2023 Notes are available without charge upon request to us at the address provided under "Where You Can Find More Information."

Brief Description of the 2023 Notes and the 2023 Note Guarantees

The 2023 Notes. The 2023 Notes are:

general unsecured obligations of Axiall;

unconditionally guaranteed, jointly and severally, by the Guarantors on a senior unsecured basis;

pari passu in right of payment with all existing and future senior Indebtedness of Axiall, including obligations under the Credit Agreements and the 2021 Notes;

senior in right of payment to all existing and future Subordinated Indebtedness of Axiall;

effectively subordinated to Axiall's obligations under the Credit Agreements and other secured Indebtedness to the extent of the value of the assets securing such Indebtedness; and

structurally subordinated to all indebtedness and other liabilities and preferred stock of Subsidiaries of Axiall that are not Guarantors.

The 2023 Note Guarantees. The 2023 Notes are jointly and severally guaranteed by each of Axiall's current and future Domestic Subsidiaries (other than any Unrestricted Subsidiaries) that also guarantee the U.S. dollar obligations under the Credit Agreements (which, include Eagle Spinco and its Domestic Subsidiaries). Axiall's Foreign Subsidiaries do not guarantee the 2023 Notes. The Guarantors of the 2023 Notes (excluding Eagle Spinco) are the same as the guarantors of the 2021 Notes (other than Axiall).

Each 2023 Note Guarantee is:

a general unsecured obligation of each Guarantor;

senior in right of payment to all existing and future Subordinated Indebtedness of that Guarantor;

effectively subordinated to the obligations of that Guarantor under the Credit Agreements and other secured Indebtedness to the extent of the value of the assets pledged by that Guarantor securing such Indebtedness; and

structurally subordinated to all indebtedness and other liabilities and preferred stock of any Subsidiaries of that Guarantor that are not Guarantors.

All of Axiall's Subsidiaries (including Eagle Spinco and its Subsidiaries) are "Restricted Subsidiaries"; other than TCI which has been designated as an Unrestricted Subsidiary. Under the circumstances described below under the caption " Certain Covenants Designation of Restricted and Unrestricted Subsidiaries," Axiall is permitted to designate certain of its Subsidiaries as "Unrestricted Subsidiaries." Axiall's Unrestricted Subsidiaries are not subject to any of the restrictive covenants in the Axiall Indenture and do not guarantee the 2023 Notes. See "Risk Factors Risks Related to the Exchange Notes The Exchange Notes will be structurally subordinated to all liabilities of our non-guarantor subsidiaries."

Principal, Maturity and Interest

Axiall previously issued a total of \$450 million in aggregate principal amount of Original 2023 Notes. Axiall will issue up to \$450 million in aggregate principal amount of Exchange 2023 Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Original 2023 Notes, the Exchange 2023 Notes and any Additional 2023 Notes subsequently issued under the Axiall Indenture will be treated as a single class for all purposes under the Axiall Indenture. The 2023 Notes mature on May 15, 2023.

Interest on the Exchange 2023 Notes accrues from May 15, 2014 at the rate of 4.875% per annum and is payable semi-annually in arrears on May 15 and November 15. Axiall will make each interest payment to the persons in whose names such 2023 Notes are registered at the close of business on the immediately preceding May 1 and November 1, respectively. Interest on the Original 2023 Notes accrues from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

Payments

Principal of, premium, if any, and interest on the 2023 Notes is payable at Axiall's office or agency maintained for such purpose or, at the option of Axiall, payment of interest may be made by check mailed to the holders of the 2023 Notes at their respective addresses set forth in the register of holders; *provided* that all payments of principal, premium, if any, and interest with respect to 2023 Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made through the facilities of DTC. Until otherwise designated by Axiall, Axiall's office or agency is the office of the trustee maintained for such purpose.

Ranking

The Indebtedness evidenced by the 2023 Notes and the 2023 Note Guarantees is senior Indebtedness of Axiall or the applicable Guarantor, as the case may be, and ranks equally in right of payment with all existing and future senior Indebtedness of Axiall or the applicable Guarantor, as the case may be. The Indebtedness under the Credit Agreements is secured by substantially all of the assets of Axiall and the Guarantors. The Indebtedness evidenced by the 2023 Notes and the 2023 Note Guarantees is (i) senior in right of payment to all existing and future Subordinated Indebtedness of

Table of Contents

Axiall and the Guarantors, as the case may be, (ii) effectively subordinated to Axiall's obligations under the Credit Agreements and other secured Indebtedness to the extent of the value of the assets securing such Indebtedness and (iii) structurally subordinated to all indebtedness and other liabilities and preferred stock of Subsidiaries of Axiall that are not Guarantors.

As of December 31, 2013, Axiall and the Guarantors had approximately \$194.8 million, net of \$2.4 million of debt issuance costs, of secured Indebtedness outstanding and an additional \$420.2 million of secured Indebtedness available for borrowing under the Credit Agreements. In addition, as of December 31, 2013, Axiall and the Guarantors have total indebtedness of \$1,332.8 million.

A significant portion of the operations of Axiall are conducted through its Subsidiaries. Claims of creditors, including trade creditors, of Subsidiaries of Axiall that do not guarantee the 2023 Notes and claims of preferred stockholders (if any) of such Subsidiaries generally have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of Axiall, including the holders of the 2023 Notes. The 2023 Notes, therefore, are structurally subordinated to holders of Indebtedness and other creditors (including trade creditors) and preferred stockholders (if any) of Subsidiaries of Axiall that are not Guarantors. Although the Axiall Indenture limits the incurrence of Indebtedness by and the issuance of Disqualified Stock and preferred stock of Restricted Subsidiaries, such limitation is subject to a number of significant qualifications. See " Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock."

2023 Note Guarantees

Axiall's obligations under the 2023 Notes and the Axiall Indenture are guaranteed by the Guarantors. These 2023 Note Guarantees are joint and several, full and unconditional obligations of the Guarantors. The obligations of each Guarantor under its 2023 Note Guarantee are limited as necessary to prevent that 2023 Note Guarantee from constituting a fraudulent conveyance under applicable law. See "Risk Factors Risks Related to the Exchange Notes Fraudulent transfer and conveyance laws may have adverse implications for the holders of the Exchange Notes."

Not all of Axiall's Subsidiaries guarantee the 2023 Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries are required to pay the holders of their debt and other liabilities, including their trade creditors and holders of their preferred stock, if any, before they will be able to distribute any of their assets to us. Axiall's non-guarantor Subsidiaries accounted for approximately 16% of Axiall's net sales to non-affiliates for the year end December 31, 2013, and held 18% of Axiall's consolidated assets and had no indebtedness outstanding (excluding intercompany indebtedness), as of December 31, 2013.

The Axiall Indenture provides that a Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than Axiall or another Guarantor, unless:

- (1) immediately after giving effect to that transaction, no Default exists; and
- (2) either:
 - (a) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) is a corporation, partnership or limited liability company, organized or existing under (i) the laws of the United States, any state thereof or the District of Columbia or (ii) the laws of the same jurisdiction as that Guarantor and, in each case, assumes all the obligations of that Guarantor under the Axiall Indenture and its 2023 Note Guarantee pursuant to a supplemental indenture; or

Table of Contents

- (b) such sale or other disposition, if any, does not violate the "Asset Sale" provisions of the Axiall Indenture.

The 2023 Note Guarantee of a Guarantor will be released:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (after giving effect to such transaction) Axiall or a Restricted Subsidiary, if the sale or other disposition does not violate the "Asset Sale" provisions of the Axiall Indenture; provided, however, that such Guarantor is also released from its obligations under the Credit Agreements, the 2021 Notes and any other Indebtedness of Axiall or any Restricted Subsidiary
- (2) in connection with any sale or other disposition of all of the Capital Stock of that Guarantor to a Person that is not (after giving effect to such transaction) Axiall or a Restricted Subsidiary, if the sale or other disposition does not violate the "Asset Sale" provisions of the Axiall Indenture; provided, however, that such Guarantor is released from its obligations under the Credit Agreements, the 2021 Notes and any other Indebtedness of Axiall or any Restricted Subsidiary;
- (3) upon the contemporaneous or substantially contemporaneous release or discharge of such Guarantor as a guarantor or borrower in respect of the Credit Agreements and the 2021 Notes, except (x) a release, discharge or termination by or as a result of payment under such instrument or (y) to the extent such Guarantor is otherwise required to provide a Guarantee pursuant to the covenant described under " Certain Covenants Additional 2023 Note Guarantees";
- (4) if Axiall designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the Axiall Indenture;
- (5) upon legal defeasance, covenant defeasance or satisfaction and discharge of the Axiall Indenture as provided below under the captions " Legal Defeasance and Covenant Defeasance" and " Satisfaction and Discharge"; or
- (6) upon the contemporaneous release or discharge of all Guarantees by such Guarantor which would have required such Guarantor to guarantee the 2023 Notes pursuant to the covenant described under " Certain Covenants Additional 2023 Note Guarantees" (including, without limitation, the Guarantee of obligations under the Credit Agreements).

Optional Redemption

At any time prior to May 15, 2016, Axiall may on any one or more occasions redeem up to 35% of the aggregate principal amount of 2023 Notes issued under the Axiall Indenture at a redemption price of 104.875% of the principal amount plus accrued and unpaid interest to the date of redemption (the "Redemption Date"), with the net cash proceeds of one or more Equity Offerings; *provided that*:

- (1) at least 65% of the aggregate principal amount of 2023 Notes originally issued under the Axiall Indenture (excluding 2023 Notes held by Axiall and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) notice of such redemption is given within 90 days of the closing of such Equity Offering;

Additionally, at any time prior to May 15, 2018, Axiall may on any one or more occasions also redeem all or part of the 2023 Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the 2023 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest to the Redemption Date, subject to the

Table of Contents

rights of holders of 2023 Notes on the relevant record date to receive interest due on the relevant interest payment date.

Except pursuant to the preceding two paragraphs, the 2023 Notes are not redeemable at Axiall's option prior to May 15, 2018.

On or after May 15, 2018, Axiall may on any one or more occasions redeem all or a part of the 2023 Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest on the 2023 Notes redeemed, to the applicable Redemption Date, if redeemed during the twelve-month period beginning on May 15 of the years indicated below, subject to the rights of holders of 2023 Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2018	102.438%
2019	101.625%
2020	100.813%
2021 and thereafter	100.000%

Unless Axiall defaults in the payment of the redemption price, interest will cease to accrue on the 2023 Notes or portions thereof called for redemption on the applicable Redemption Date.

Mandatory Redemption

Except to the extent that Axiall may be required to offer to purchase the 2023 Notes as set forth below under "Repurchase at the Option of Holders," Axiall is not required to make mandatory repurchase, redemption or sinking fund payments with respect to the 2023 Notes. Axiall may acquire 2023 Notes by means other than a redemption, whether then by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with the applicable securities laws.

Repurchase at the Option of Holders

Change of Control Triggering Event

If a "Change of Control Triggering Event" occurs, each holder of 2023 Notes will have the right to require Axiall to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's 2023 Notes pursuant to an offer (a "Change of Control Offer") on the terms set forth in the Axiall Indenture. In the Change of Control Offer, Axiall will offer payment (a "Change of Control Payment") in cash equal to 101% of the aggregate principal amount of 2023 Notes repurchased plus accrued and unpaid interest on the 2023 Notes repurchased to the date of purchase, subject to the rights of holders of 2023 Notes on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event, Axiall will deliver a notice to each holder describing the transaction or transactions and identifying the ratings decline that together constitute the Change of Control Triggering Event and offering to repurchase 2023 Notes on the date specified in the notice (the "Change of Control Payment Date"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered, pursuant to the procedures required by the Axiall Indenture and described in such notice. Axiall will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the 2023 Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions of the Axiall Indenture, Axiall will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Axiall Indenture by virtue of such compliance.

Table of Contents

On the Change of Control Payment Date, Axiall will, to the extent lawful:

- (1) accept for payment all 2023 Notes or portions of 2023 Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all 2023 Notes or portions of 2023 Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2023 Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of 2023 Notes or portions of 2023 Notes being purchased by Axiall.

The paying agent will promptly deliver to each holder of 2023 Notes properly tendered the Change of Control Payment for such 2023 Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each holder a new 2023 Note equal in principal amount to any unpurchased portion of the 2023 Notes surrendered, if any. Axiall will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Axiall to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of the Axiall Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the Axiall Indenture does not contain provisions that permit the holders of the 2023 Notes to require that Axiall repurchase or redeem the 2023 Notes in the event of a takeover, recapitalization or similar transaction.

Axiall will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Axiall Indenture applicable to a Change of Control Offer made by Axiall and purchases all notes properly tendered and not withdrawn under the Change of Control Offer, or (2) a notice of redemption has been given pursuant to the Axiall Indenture prior to the latest date by which such Change of Control Offer must be sent as described above under the caption " Optional Redemption," unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control Triggering Event, contingent upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of Axiall and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder to require Axiall to repurchase its 2023 Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Axiall and its Subsidiaries taken as a whole to another Person or group may be uncertain.

The existence of a holder's right to require Axiall to repurchase such holder's 2023 Notes upon the occurrence of a Change of Control Triggering Event may deter a third party from seeking to acquire Axiall in a transaction that would constitute a Change of Control.

The Change of Control Triggering Event purchase feature of the 2023 Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control Triggering Event purchase feature is a result of negotiations between the initial purchasers of the 2023 Notes and us. As of the Issue Date, we have no present intention to engage in a transaction involving a Change of Control, although it is possible that

Table of Contents

we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Axiall Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings.

Restrictions on Axiall's ability to incur additional Indebtedness are contained in the covenants described under "Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock." Such restrictions in the Axiall Indenture can be waived only with the consent of the holders of a majority in principal amount of the 2023 Notes then outstanding. Except for the limitations contained in such covenants, however, the Axiall Indenture does not contain any covenants or provisions that may afford holders of the 2023 Notes protection in a highly leveraged transaction.

The Credit Agreements contain, and future agreements may contain, prohibitions of certain events, including events that would constitute a Change of Control and including repurchases of or other prepayments in respect of the 2023 Notes. The exercise by the holders of the right to require Axiall to repurchase their 2023 Notes upon a Change of Control Triggering Event could cause a default under these other agreements, even if the Change of Control itself does not, due to the financial effect of such repurchases on Axiall. In the event a Change of Control Triggering Event occurs at a time when Axiall is prohibited from purchasing 2023 Notes, Axiall could seek the consent of its other lenders and noteholders to the purchase of 2023 Notes or could attempt to refinance the borrowings that contain such prohibition. If Axiall does not obtain a consent or repay those borrowings, Axiall will remain prohibited from purchasing 2023 Notes. In that case, Axiall's failure to purchase tendered 2023 Notes would constitute an Event of Default under the Axiall Indenture which could, in turn, constitute a default under the other Indebtedness. Finally, Axiall's ability to pay cash to the holders of 2023 Notes upon a repurchase may be limited by Axiall's then existing financial resources. See "Risk Factors Risks Related to the Exchange Notes We may be unable to make a change of control offer required by the Indentures governing the Exchange Notes, which would cause defaults under the Indentures, the Term Loan Facility and the ABL Revolver."

Asset Sales

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Axiall (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by Axiall) of the assets sold or otherwise disposed of; and
- (2) at least 75% of the consideration therefor received by Axiall or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
 - (a) any liabilities, as shown on Axiall's most recent consolidated balance sheet, of Axiall or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the 2023 Notes or any 2023 Note Guarantee) that are assumed by the transferee of any such assets pursuant to customary terms and conditions that releases Axiall or such Restricted Subsidiary from further liability;
 - (b) any securities, notes or other obligations received by Axiall or any such Restricted Subsidiary from such transferee that are within 180 days following the closing of such Asset Sale, converted by Axiall or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion;

(c) any Designated Noncash Consideration having an aggregate fair market value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed the greater of (x) \$100.0 million and (y) 3.75% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being determined in good faith by Axiall and measured at the time received and without giving effect to subsequent changes in value); and

(d) any stock or assets of the kind referred to in clauses (2) or (4) of the next paragraph of this covenant.

Within 365 days after Axiall's or Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, Axiall or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale:

(1) to repay, prepay or purchase Indebtedness and other Obligations (other than Disqualified Stock, Indebtedness of Axiall or any Restricted Subsidiary that is contractually subordinated to the 2023 Notes or any 2023 Note Guarantee or any intercompany Indebtedness between or among Axiall and any of its Restricted Subsidiaries) and, if the Indebtedness repaid is revolving credit Indebtedness under a Credit Facility, to correspondingly reduce commitments with respect thereto;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Axiall;

(3) to make a capital expenditure; or

(4) to acquire properties or to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business,

provided that in the case of clauses (2), (3) and (4) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as Axiall or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment; *provided, further*, that if such commitment is later terminated or cancelled prior to the application of such Net Proceeds, then such Net Proceeds shall constitute Excess Proceeds.

Pending the final application of any Net Proceeds, Axiall may temporarily reduce revolving credit borrowings or otherwise use the Net Proceeds in any manner that is not prohibited by the Axiall Indenture.

Any Net Proceeds from Asset Sales that are not (i) applied or invested as provided in the second paragraph of this covenant (which may be, at Axiall's determination, prior to expiration of the 365 day period) or (ii) otherwise subject to an asset sale offer pursuant to the terms of any secured Indebtedness (in which event such Net Proceeds will not constitute Excess Proceeds until the asset sale offer provisions of such secured Indebtedness are complied with and then only to the extent of Net Proceeds remaining after consummation of such asset sale offer) will constitute "Excess Proceeds." Within 10 business days after the aggregate amount of Excess Proceeds exceeds \$65.0 million, Axiall will make an offer (an "Asset Sale Offer") to all holders of 2023 Notes and all holders of other Indebtedness that is *pari passu* with the 2023 Notes and is also unsecured containing provisions similar to those set forth in the Axiall Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of 2023 Notes and such other *pari passu* and unsecured Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, and will be payable in cash. If any

Table of Contents

Excess Proceeds remain after consummation of an Asset Sale Offer, Axiall may use those Excess Proceeds for any purpose not otherwise prohibited by the Axiall Indenture. If the aggregate principal amount of 2023 Notes and other *pari passu* Indebtedness tendered pursuant to such Asset Sale Offer exceeds the amount of Excess Proceeds, the trustee will select the 2023 Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Axiall Indenture provides that Axiall will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of 2023 Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Axiall Indenture, Axiall will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the Axiall Indenture by virtue of such compliance.

Selection and Notice

If less than all of the 2023 Notes are to be redeemed at any time, selection of such 2023 Notes for redemption, will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such 2023 Notes are listed, or, if such 2023 Notes are not so listed, on a *pro rata* basis or by lot or such similar method in accordance with the procedures of DTC; *provided* that no 2023 Notes of \$2,000 or less shall be purchased or redeemed in part.

Notices of purchase or redemption shall be delivered, at least 30 but not more than 60 days before the purchase or redemption date to each holder of 2023 Notes to be purchased or redeemed. If any 2023 Note is to be purchased or redeemed in part only, any notice of purchase or redemption that relates to such 2023 Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

A new 2023 Note in principal amount equal to the unpurchased or unredeemed portion of any 2023 Note purchased or redeemed in part will be issued in the name of the holder thereof upon cancellation of the original 2023 Note. On and after the purchase or redemption date, unless Axiall defaults in payment of the purchase or redemption price, interest shall cease to accrue on 2023 Notes or portions thereof purchased or called for redemption.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Axiall Indenture.

Termination of Certain Covenants When 2023 Notes Rated Investment Grade

If on any date following the Issue Date (i) the 2023 Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under the Axiall Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Termination Event"), then, beginning on that day, the following covenants will cease to apply and will not be later reinstated even if one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the 2023 Notes below an Investment Grade Rating:

- (1) " Repurchase at the Option of Holders Asset Sales";
- (2) " Restricted Payments";
- (3) " Incurrence of Indebtedness and Issuance of Preferred Stock";
- (4) clause (4) of the first paragraph of " Merger, Consolidation or Sale of Assets";

Table of Contents

- (5) " Transactions with Affiliates"; and
- (6) " Dividend and Other Payment Restrictions Affecting Subsidiaries."

No Subsidiaries shall be designated as Unrestricted Subsidiaries following a Covenant Termination Event.

There can be no assurance that the 2023 Notes will ever achieve Investment Grade Ratings or that such ratings, if achieved, will be maintained.

Restricted Payments

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of Axiall's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Axiall or any of its Restricted Subsidiaries) or to the direct or indirect holders of Axiall's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends, distributions or payments payable in Equity Interests (other than Disqualified Stock) of Axiall and other than dividends or distributions payable to Axiall or a Restricted Subsidiary);
- (2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving Axiall) any Equity Interests of Axiall or any direct or indirect parent of Axiall held by Persons other than Axiall or any of its Restricted Subsidiaries;
- (3) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value or give any irrevocable notice of redemption with respect to any Subordinated Indebtedness of Axiall or any Guarantor (excluding any intercompany Indebtedness between or among Axiall and any of its Restricted Subsidiaries, and giving of an irrevocable notice of redemption with respect to transactions described in clauses (2) or (3) of the second paragraph of this covenant), except a payment, purchase, redemption, defeasance or other acquisition or retirement for value within one year of the Stated Maturity thereof; or
- (4) make any Restricted Investment

(all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments"), unless, at the time of and after giving effect to such Restricted Payment:

- (1) no Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;
- (2) Axiall would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock"; and
- (3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Axiall and its Restricted Subsidiaries since December 22, 2009 (excluding

Edgar Filing: Royal Group Sales (USA) Ltd - Form S-4

Restricted Payments permitted by clauses (2) through (15) of the next succeeding paragraph), is less than the sum, without duplication, of:

(a) 50% of the Consolidated Net Income of Axiall for the period (taken as one accounting period) from January 1, 2010 to the end of Axiall's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(b) 100% of the aggregate net cash proceeds and the Fair Market Value of marketable securities or other property received by Axiall since December 22, 2009 as a contribution to its common equity capital or from the issue or sale of Equity Interests of Axiall (other than Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities of Axiall that have been converted into or exchanged for such Equity Interests (other than a contribution made by or Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of Axiall); *plus*

(f) any dividends received by Axiall or a Restricted Subsidiary of Axiall after December 22, 2009 from an Unrestricted Subsidiary of Axiall, to the extent that such dividends were not otherwise included in the Consolidated Net Income of Axiall for such period.

The preceding provisions will not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of the Axiall Indenture;

(3) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of Axiall or any Guarantor that is contractually subordinated to the 2023 Notes or to any 2023 Note Guarantee with the net cash proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness;

(15) Restricted Payments made as part of the Transactions.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by Axiall or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this covenant will be determined by the Board of Directors of Axiall whose resolution with respect thereto will be delivered to the Trustee.

Notwithstanding anything contained herein to the contrary, (i) the Fair Market Value of any property received in connection with the Transactions and (ii) Axiall's redemption of its 10.75% Senior Subordinated Notes due 2016 shall be excluded for purposes of calculating the Restricted Payment capacity of Axiall and its Restricted Subsidiaries pursuant to clause (3) of the first paragraph of this covenant.

Incurrence of Indebtedness and Issuance of Preferred Stock

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and Axiall will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that Axiall may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Guarantors may incur Indebtedness (including Acquired Debt) or issue preferred stock, if Axiall's Consolidated Coverage Ratio would be at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

The first paragraph of this covenant will not prohibit the incurrence of any of the following items of Indebtedness, Disqualified Stock or Restricted Subsidiary preferred stock (collectively, "Permitted Debt"):

(1) the incurrence of Indebtedness of Axiall or any of its Restricted Subsidiaries under Credit Facilities in an aggregate amount at any time outstanding not to exceed the greater of

(x) \$500.0 million, less the aggregate amount of all Net Proceeds of Asset Sales applied by Axiall or any of its Restricted Subsidiaries since the Issue Date to repay any term Indebtedness under a Credit Facility incurred in reliance on this clause (1) or to repay any revolving credit Indebtedness under a Credit Facility incurred in reliance on this clause (1) and effect a corresponding commitment reduction thereunder to the extent required by the covenant described above under the caption " Repurchase at the Option of Holders Asset Sales," or (y) the Borrowing Base as of the date of such incurrence;

(2) Existing Indebtedness other than Indebtedness in existence under clauses (1), (3) and (16) on the Issue Date;

(3) the incurrence by Axiall and the Guarantors of Indebtedness represented by the 2023 Notes and the related 2023 Note Guarantees issued on the Issue Date and the Exchange 2023 Notes and the related 2023 Exchange Guarantees to be issued in exchange therefor pursuant to the Registration Rights Agreement;

(4) the incurrence by Axiall or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money or other obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property, plant or equipment used in the business of Axiall or any of its Restricted Subsidiaries, in an aggregate amount at any one time outstanding, including all indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (4), not to exceed the greater of (x) \$150.0 million and (y) 5.5% of Consolidated Tangible Assets;

(5) the incurrence by Axiall or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) that was permitted by the Axiall Indenture to be incurred under the first paragraph of this covenant or clauses (2), (3), (4), (5), (12), (13) or (15) of this paragraph;

(6) the incurrence by Axiall or any of its Restricted Subsidiaries of intercompany Indebtedness between or among Axiall and any of its Restricted Subsidiaries; *provided, however*, that:

(a) if Axiall or any Guarantor is the obligor on such Indebtedness and the payee is not Axiall or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the 2023 Notes, in the case of Axiall, or the 2023 Note Guarantee, in the case of a Guarantor; and

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than Axiall or a Restricted Subsidiary of Axiall and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either Axiall or a Restricted Subsidiary of Axiall,

will be deemed, in each case, to constitute an incurrence of such Indebtedness by Axiall or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) the issuance by any of Axiall's Restricted Subsidiaries to Axiall or to any of its Restricted Subsidiaries of shares of preferred stock; *provided, however*, that:

(a) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than Axiall or a Restricted Subsidiary of Axiall; and

(b) any sale or other transfer of any such preferred stock to a Person that is not either Axiall or a Restricted Subsidiary of Axiall,

will be deemed, in each case, at the time of such subsequent issuance, sale or transfer to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this clause (7);

(8) the incurrence by Axiall or any of its Restricted Subsidiaries of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(9) the guarantee by Axiall or any Restricted Subsidiary of Indebtedness of Axiall or a Restricted Subsidiary of Axiall that was permitted to be incurred by another provision of this covenant; *provided* that, in the case of a guarantee of any Restricted Subsidiary that is not a Guarantor, such Restricted Subsidiary complies with the covenant described below under the caption " Additional 2023 Note Guarantees";

(10) the incurrence by Axiall or any of its Restricted Subsidiaries of Indebtedness in respect of workers' compensation claims, self-insurance obligations, bankers' acceptances, performance and surety bonds in the ordinary course of business;

(11) the incurrence by Axiall or any of its Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five business days;

(12) (x) Acquired Debt of a Restricted Subsidiary incurred and outstanding on or prior to the date on which such Restricted Subsidiary was acquired by Axiall or any of its Restricted Subsidiaries and (y) Indebtedness incurred to finance an acquisition, merger, consolidation or amalgamation; *provided, however*, that in the case of clauses (x) and (y), on the date of such acquisition, merger, consolidation or amalgamation, either (a) Axiall would have been able to incur \$1.00 of additional Indebtedness pursuant to the first paragraph of this covenant, or (b) the Consolidated Coverage Ratio of Axiall and the Restricted Subsidiaries is equal to or greater than immediately prior to the acquisition of such Restricted Subsidiary, in each case after giving effect to the incurrence of such Indebtedness pursuant to this clause (12);

(13) the incurrence by non-guarantor Restricted Subsidiaries of Indebtedness in an aggregate amount at any time outstanding pursuant to this clause (13), including all indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (13), not to exceed the greater of (x) \$150.0 million and (y) 5.5% of the Consolidated Tangible Assets of such non-guarantor Restricted Subsidiaries;

(14) the incurrence of Indebtedness arising from agreements of Axiall or any of its Restricted Subsidiaries providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or Capital Stock of a Restricted Subsidiary; *provided* that the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the gross proceeds actually received by Axiall and its Restricted Subsidiaries in connection with such disposition;

(15) the incurrence by Axiall or its Restricted Subsidiaries of additional Indebtedness or Disqualified Stock or the issuance by any of Axiall's Restricted Subsidiaries of shares of preferred stock in an aggregate amount at any time outstanding, including all indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (15), not to exceed the greater of \$150.0 million and 5.5% of Consolidated Tangible Assets; and

(16) the incurrence by Axiall and the Guarantors of Indebtedness under the Term Loan Agreement on the Merger Date in an aggregate amount not to exceed \$212.0 million.

Table of Contents

For purposes of determining compliance with this "Incurrence of Indebtedness and Issuance of Preferred Stock" covenant, in the event that an item of proposed Indebtedness, Disqualified Stock or preferred stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be incurred pursuant to the first paragraph of this covenant, Axiall will be permitted to classify such item of Indebtedness, Disqualified Stock or preferred stock on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, Disqualified Stock or preferred stock in any manner that complies with this covenant. Indebtedness under Credit Facilities outstanding on the date on which notes are first issued and authenticated under the Axiall Indenture (after giving effect to the issuance of the 2023 Notes, the application of the proceeds thereof and the incurrence of any Indebtedness under Credit Facilities on such date) will initially be deemed to have been incurred on such date in reliance on the exception provided by clause (1) (and in the case of the Term Loan Agreement, clause (16)) of the definition of "Permitted Debt."

The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this covenant; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in Consolidated Interest Expense of Axiall as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness where the Indebtedness to be incurred is denominated in a different currency, (1) the amount of such Indebtedness shall be the U.S. Dollar Equivalent determined on the date of the incurrence of such Indebtedness and (2) in the case of any Permitted Refinancing Indebtedness incurred in the same currency as the Indebtedness being refinanced, the principal amount thereof shall be the U.S. Dollar Equivalent of the Indebtedness being refinanced, except to the extent that the principal amount of the Permitted Refinancing Indebtedness exceeds the principal amount of the Indebtedness being refinanced, in which case the U.S. Dollar Equivalent of such excess principal amount shall be determined on the date such Permitted Refinancing Indebtedness is incurred. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that Axiall or any Restricted Subsidiary may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values subsequent to the incurrence of such Indebtedness.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (a) the Fair Market Value of such assets at the date of determination; and
 - (b) the amount of the Indebtedness of the other Person.

Liens

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind (other than Permitted Liens) on any of their properties or assets, now owned or hereafter acquired, unless all

payments due under the Axiall Indenture and the 2023 Notes are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Dividend and Other Payment Restrictions Affecting Subsidiaries

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to Axiall or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any indebtedness owed to Axiall or any of its Restricted Subsidiaries (it being understood that the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions paid on common stock shall not be deemed to be a restriction on the ability to make distributions on Capital Stock);

(2) make loans or advances to Axiall or any of its Restricted Subsidiaries (it being understood that the subordination of loans or advances made to Axiall or any Restricted Subsidiary to other Indebtedness incurred by Axiall or any Restricted Subsidiary shall not be deemed to be a restriction on the ability to make loans or advances); or

(3) sell, lease or transfer any of its properties or assets to Axiall or any of its Restricted Subsidiaries.

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

(1) any encumbrance or restriction pursuant to an agreement as in effect at the Issue Date, including agreements governing Existing Indebtedness and Credit Facilities as in effect on the Issue Date and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(2) any encumbrance or restriction pursuant to any agreement governing other Indebtedness permitted to be incurred under the covenant described above under " Incurrence of Indebtedness and Issuance of Preferred Stock," and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that such encumbrances and restrictions are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those permitted by the immediately preceding clause (1);

(3) the Axiall Indenture, the 2023 Notes and the 2023 Note Guarantees;

(4) applicable law, rule, regulation or order;

(5) any instrument governing Indebtedness or Capital Stock of a Person acquired by Axiall or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired, and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of any such instrument by such Person; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, than those contained in any such instrument on

the date of acquisition; *provided, further*, that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the Axiall Indenture to be incurred;

(6) customary encumbrances or restrictions (i) on the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract that was entered into in the ordinary course of business, or the assignment or transfer of any such lease, license or other contract, (ii) contained in mortgages, pledges or other security agreements permitted under the Indenture to secure Indebtedness of Axiall or any of its Restricted Subsidiaries or (iii) pursuant to provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of Axiall or any of its Restricted Subsidiaries entered into in the ordinary course of business;

(7) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of the preceding paragraph;

(8) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending the sale or other disposition;

(9) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(10) Liens permitted to be incurred under the provisions of the covenant described above under the caption " Liens" that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements, which limitation is applicable only to the assets or property that are the subject of such agreements;

(12) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, manufacturing alliance agreements and other similar agreements entered in to in the ordinary course of business, so long as such encumbrances or restrictions are not applicable to any Person (or its property or assets) other than such joint venture or a Subsidiary thereof or the assets used exclusively in such manufacturing alliance, as applicable;

(13) Indebtedness or other contractual requirements of a Receivables Entity or any Standard Securitization Undertakings, in each case in connection with a Qualified Receivables Transaction; *provided* that such restrictions apply only to such Receivables Entity, Receivables and Related Assets;

(14) restrictions on cash or other deposits or net worth under leases or other contracts entered into in the ordinary course of business; and

(15) Indebtedness of non-Guarantor Subsidiaries permitted to be incurred under the covenant described above under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock" that impose restrictions solely on the non-Guarantor Subsidiaries party thereto.

Merger, Consolidation or Sale of Assets

The Axiall Indenture provides that Axiall will not, directly or indirectly, (1) consolidate or merge with or into another Person (whether or not Axiall is the surviving corporation); or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of Axiall and

its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) either: (a) Axiall is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than Axiall) or to which such sale, assignment, transfer, conveyance or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the "Successor Company") *provided* that, in the case such Person is an entity other than a corporation, such Person will form a wholly owned Subsidiary that is a corporation and cause such Subsidiary to become a co-issuer of the 2023 Notes;

(2) the Successor Company (if other than Axiall) assumes all the obligations of Axiall under the 2023 Notes and the Axiall Indenture;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, (A) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Coverage Ratio test set forth in the first paragraph of the covenant described above under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock," or (B) the Consolidated Coverage Ratio for the Successor Company and the Restricted Subsidiaries would be equal to or greater than such ratio immediately prior to such transaction;

(5) if the Successor Company is not Axiall, each Guarantor shall have by supplemental indenture confirmed that its Guarantee shall apply to the Successor Company's obligations under the Axiall Indenture and the 2023 Notes; and

(6) Axiall shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Axiall Indenture and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture shall comply with the applicable provisions of the Axiall Indenture.

In addition, Axiall will not, directly or indirectly, lease all or substantially all of the properties and assets of it and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to any other Person.

This "Merger, Consolidation or Sale of Assets" covenant will not apply to:

(1) a merger of Axiall with an Affiliate solely for the purpose of reincorporating Axiall in another U.S. jurisdiction;

(2) any consolidation or merger, or any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among Axiall and any Restricted Subsidiary; or

(3) a sale, assignment, transfer, conveyance or disposition of assets between or among Axiall and any non-guarantor Subsidiaries.

Transactions with Affiliates

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any

transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Axiall (each, an "Affiliate Transaction"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to Axiall or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Axiall or such Restricted Subsidiary with an unrelated Person; and

(2) Axiall delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$40.0 million, a resolution of the Board of Directors of Axiall set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this covenant and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Axiall.

The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

(1) any employment agreement, employee benefit plan, officer or director indemnification agreement or any similar arrangement entered into by Axiall or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among Axiall and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of Axiall) that is an Affiliate of Axiall solely because Axiall owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of fees to, and indemnity provided on behalf of, officers, directors or employees of Axiall or any Restricted Subsidiary;

(5) any issuance of Equity Interests (other than Disqualified Stock) of Axiall to Affiliates of Axiall;

(7) transactions between or among Axiall and/or its Restricted Subsidiaries on the one hand and a Receivables Entity on the other hand, or transactions between a Receivables Entity and any Person in which the Receivables Entity has an Investment, in each case effected as part of a Qualified Receivables Transaction;

(8) transactions between Axiall and its Restricted Subsidiaries and PPG and its subsidiaries in effect on the Merger Date and any amendments, modifications, renewals, supplements or replacements; *provided* that such amendments, modifications, renewals, supplements or replacements are not materially less favorable, taken as a whole, than the transactions in effect on the Merger Date;

(9) transactions involving or relating to TCI and RS Cogen;

(10) any transaction or series of transactions involving aggregate consideration of \$5.0 million or less;

(11) loans or advances to employees by Axiall or any of its Restricted Subsidiaries in the ordinary course of business; and

(12) the transactions comprising Transactions and the payment of all fees and expenses related to the Transactions.

Business Activities

The Axiall Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to Axiall and its Restricted Subsidiaries taken as a whole.

Additional 2023 Note Guarantees

The Axiall Indenture provides that if, on or after the Issue Date (unless such acquired or created Domestic Subsidiary is properly designated as an Unrestricted Subsidiary):

(1) Axiall or any of its Domestic Subsidiaries acquires or creates another Domestic Subsidiary that incurs any Indebtedness under the Credit Agreements, any syndicated loan or capital markets Indebtedness or guarantees any such Indebtedness of Axiall or any of its Domestic Subsidiaries; or

(2) any Domestic Subsidiary of Axiall incurs Indebtedness under the Credit Agreements, any syndicated loan or capital markets Indebtedness or guarantees any such Indebtedness of Axiall or any of its Domestic Subsidiaries and that Domestic Subsidiary was not a Guarantor immediately prior to such incurrence or guarantee (an "Additional Obligor"),

then that newly acquired or created Domestic Subsidiary or Additional Obligor, as the case may be, will become a Guarantor and guarantee Axiall's Obligations in respect of the 2023 Notes and execute a supplemental indenture and deliver an opinion of counsel satisfactory to the Trustee within 30 days after the date on which it was acquired or created or incurred, as the case may be; *provided* that no Receivables Entity will be required to become a Guarantor at any time.

Designation of Restricted and Unrestricted Subsidiaries

The Axiall Indenture provides that except after a Covenant Termination Event, the Board of Directors of Axiall may designate any Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Subsidiary (other than TCI) is designated as an Unrestricted Subsidiary after the Issue Date, the aggregate Fair Market Value of all outstanding Investments owned by Axiall and its Restricted Subsidiaries in the Subsidiary so designated will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under the caption " Restricted Payments" or under one or more clauses of the definition of Permitted Investments, as determined by Axiall. That designation will only be permitted if the Investment would be permitted at that time and if the Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of Axiall may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of Axiall as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by the covenant described above under the caption " Restricted Payments." If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of the Axiall Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of Axiall as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the covenant described under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock," Axiall will be in default of such covenant. The Board of Directors of Axiall may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of Axiall; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Axiall of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under the covenant

Table of Contents

described under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock," calculated on *pro forma* basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default would be in existence following such designation.

Reports and Other Information

The Axiall Indenture provides that notwithstanding that Axiall may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the Commission, the Axiall Indenture requires Axiall to file with the Commission (and make available to the Trustee and holders of the notes (without exhibits), without cost to each holder, within 15 days after it files them with the Commission), *provided* that this provision will be deemed to have been satisfied with respect to any reports, filings and other information that is available on the Securities and Exchange Commission's EDGAR system),

(a) within 90 days (or the successor time period then in effect under the rules and regulations of the Exchange Act) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(b) within 45 days (or the successor time period then in effect under the rules and regulations of the Exchange Act) after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q, containing the information required to be contained therein, or any successor or comparable form;

(c) within the time periods specified under the Exchange Act from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and

(d) any other information, documents and other reports which the Company would be required to file with the Commission if it were subject to Section 13 or 15(d) of the Exchange Act;

provided that Axiall shall not be so obligated to file such reports with the Commission if the Commission does not permit such filing, in which event Axiall will make available such information to prospective purchasers of 2023 Notes, in addition to providing such information to the Trustee and the holders of the 2023 Notes, in each case within 15 days after the time Axiall would have been required to file such information with the Commission, if it were subject to Sections 13 or 15(d) of the Exchange Act by posting such information to a publicly accessible website on Axiall's website.

Notwithstanding anything herein to the contrary, Axiall will not be deemed to have failed to comply with any of its agreements under this covenant for purposes of clause (4) under " Events of Default and Remedies" until 120 days after the date any report hereunder is required to be filed with the Commission (or posted on Axiall's website) pursuant to this covenant.

Events of Default and Remedies

Each of the following is an "Event of Default" for the 2023 Notes:

(1) default for 30 days in the payment when due of interest on the 2023 Notes;

(2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the 2023 Notes;

(a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default"); or

(b) results in the acceleration of such Indebtedness prior to its express maturity,

Subject to certain limitations, holders of a majority in aggregate principal amount of the then outstanding 2023 Notes may direct the Trustee in its exercise of any trust or power with respect to the 2023 Notes. The Trustee may withhold from holders of the 2023 Notes notice of any continuing Default if it determines that withholding notice is in their interest, except a Default relating to the payment of principal, interest or premium.

Table of Contents

Subject to the provisions of the Axiall Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Axiall Indenture at the request or direction of any holders of 2023 Notes unless such holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no holder of a note may pursue any remedy with respect to the Axiall Indenture or 2023 Notes unless:

- (1) such holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the then outstanding 2023 Notes have requested the Trustee to pursue the remedy with respect to the 2023 Notes;

- (5) holders of a majority in aggregate principal amount of the then outstanding 2023 Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The holders of a majority in aggregate principal amount of the then outstanding 2023 Notes by notice to the Trustee may, on behalf of the holders of all of the 2023 Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Axiall Indenture with respect to the 2023 Notes, except a continuing Default in the payment of interest or premium on, or the principal of, the 2023 Notes.

Axiall is required to deliver to the Trustee annually a statement regarding compliance with the Axiall Indenture. Upon becoming aware of any Default, Axiall is required to deliver to the Trustee a statement specifying such Default, unless such Default shall have been cured prior to the time such statement is required to be delivered.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of Axiall or any Guarantor, as such, has any liability for any obligations of Axiall or the Guarantors under the 2023 Notes, the Axiall Indenture, the 2023 Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of 2023 Notes by accepting a 2023 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2023 Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

Axiall may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have all of its obligations discharged with respect to the outstanding 2023 Notes, and all obligations of the Guarantors discharged with respect to their 2023 Note Guarantees ("Legal Defeasance") except for:

- (1) the rights of holders of outstanding 2023 Notes to receive payments in respect of the principal of, or interest or premium on, such 2023 Notes when such payments are due from the trust referred to below;
- (2) Axiall's obligations with respect to the 2023 Notes concerning issuing temporary 2023 Notes, registration of 2023 Notes, mutilated, destroyed, lost or stolen 2023 Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

- (3) the rights, powers, trusts, duties and immunities of the Trustee, and Axiall's and the Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance and Covenant Defeasance provisions of the Axiall Indenture.

In addition, Axiall may, at its option and at any time, elect to have the obligations of Axiall and the Guarantors released with respect to certain covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Axiall Indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants will not constitute a Default with respect to the 2023 Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy and insolvency events) described under " Events of Default and Remedies" will no longer constitute an Event of Default with respect to the 2023 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Axiall must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the 2023 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium on, the outstanding 2023 Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Axiall must specify whether the 2023 Notes are being defeased to such stated date for payment or to a particular redemption date;
- (2) in the case of Legal Defeasance, Axiall must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) Axiall has received from, or there has been published by, the Internal Revenue Service (IRS) a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding 2023 Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, Axiall must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the holders of the outstanding 2023 Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default has occurred and is continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Axiall or any Guarantor is a party or by which Axiall or any Guarantor is bound;
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Axiall Indenture) to which Axiall or any of its Subsidiaries is a party or by which Axiall or any of its Subsidiaries is bound;
- (6) Axiall must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by Axiall with the intent of preferring the holders of the 2023 Notes, over the other creditors of Axiall with the intent of defeating, hindering, delaying or defrauding any creditors of Axiall or others; and

(7) Axiall must deliver to the Trustee an Officers' Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Axiall Indenture, the 2023 Notes or the 2023 Note Guarantees may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the 2023 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2023 Notes), and any existing Default or compliance with any provision of the Axiall Indenture, the 2023 Notes or the 2023 Note Guarantees may be waived with the consent of the holders of a majority in aggregate principal amount the 2023 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2023 Notes).

Without the consent of each holder of 2023 Notes affected thereby, an amendment, supplement or waiver may not (with respect to any 2023 Notes held by a non-consenting holder):

- (1) reduce the principal amount of 2023 Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any 2023 Note or alter the provisions with respect to the redemption of the 2023 Notes (other than provisions relating to the covenants described above under the caption " Repurchase at the Option of Holders");
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any 2023 Note;
- (4) waive a Default in the payment of principal of, or interest or premium on, the 2023 Notes (except a rescission of acceleration of the 2023 Notes by the holders of at least a majority in aggregate principal amount of the then outstanding notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any 2023 Note payable in money other than U.S. dollars;
- (6) make any change in the provisions of the Axiall Indenture relating to waivers of past Defaults or the rights of holders of 2023 Notes to receive payments of principal of, or interest or premium on, the 2023 Notes;
- (7) waive a redemption payment with respect to any 2023 Note (other than a payment required by one of the covenants described above under the caption " Repurchase at the Option of Holders");
- (8) release any Guarantor from any of its obligations under its 2023 Note Guarantee or the Axiall Indenture, except in accordance with the terms of the Axiall Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of the 2023 Notes, Axiall, the Guarantors and the Trustee may amend or supplement the Axiall Indenture, the 2023 Notes or the 2023 Note Guarantees (for avoidance of doubt, existing Guarantors are not required to execute any supplemental indenture to add additional Guarantors pursuant to clause (8) below):

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated 2023 Notes in addition to or in place of certificated 2023 Notes;

Table of Contents

(3) to provide for the assumption of Axiall's or a Guarantor's obligations to holders of 2023 Notes and 2023 Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of Axiall's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the holders of 2023 Notes or that does not adversely affect the legal rights under the Axiall Indenture of any such holder in any material respect;

(5) to comply with requirements of the SEC in order to effect or maintain the qualification of the Axiall Indenture under the Trust Indenture Act;

(6) to conform the text of the Axiall Indenture, the 2023 Note Guarantees or the 2023 Notes to any provision of this Description of Axiall's 2023 Notes to the extent that such provision in this Description of Axiall's 2023 Notes was intended to be a verbatim recitation of a provision of the Axiall Indenture, the 2023 Note Guarantees or the 2023 Notes;

(7) to provide for the issuance of Additional 2023 Notes in accordance with the limitations set forth in the Axiall Indenture as of the Issue Date;

(8) to allow any Guarantor to execute a supplemental indenture and/or a 2023 Note Guarantee with respect to the 2023 Notes;

(9) to secure the 2023 Notes or any 2023 Note Guarantee; or

(10) to add to the covenants of Axiall for the benefit of the holders of 2023 Notes or surrender any right or power conferred upon Axiall.

The consent of the holders is not necessary under the Axiall Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

Satisfaction and Discharge

The Axiall Indenture will be discharged and will cease to be of further effect as to all 2023 Notes, issued thereunder when:

(1) either:

(a) all 2023 Notes that have been authenticated, except lost, stolen or destroyed notes that have been replaced or paid and all 2023 Notes for whose payment money has been deposited in trust and thereafter repaid to Axiall, have been delivered to the Trustee for cancellation; or

(b) all 2023 Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Axiall or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders of such notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;

(2) no Default has occurred and is continuing on the date of the deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Axiall or any Guarantor is a party or by which Axiall or any Guarantor is bound;

Table of Contents

(3) Axiall or any Guarantor has paid or caused to be paid all sums payable by it under the Axiall Indenture with respect to the 2023 Notes; and

(4) Axiall has delivered irrevocable instructions to the Trustee under the Axiall Indenture to apply the deposited money toward the payment of the 2023 Notes at maturity or on the redemption date, as the case may be.

In addition, Axiall must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of Axiall or any Guarantor, the Axiall Indenture limits the right of the Trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee is permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if the Axiall Indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in aggregate principal amount of the then outstanding 2023 Notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, with respect to the 2023 Notes, subject to certain exceptions. The Axiall Indenture provides that in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Axiall Indenture at the request of any holder of 2023 Notes, unless such holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

Governing Law

The Axiall Indenture and the 2023 Notes are governed by, and construed in accordance with, the laws of the State of New York, without regard of conflicts of laws principles that would require the application of the laws of another jurisdiction.

otherwise discharged with the proceeds of such new Indebtedness as if such discharge had occurred on the first day of such period; or

(b) has repaid, repurchased, defeased or otherwise discharged any Indebtedness since the beginning of the period that is no longer outstanding on such date of determination or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio involves a discharge of Indebtedness (in each case other than Indebtedness incurred under any revolving Credit Facility unless such Indebtedness has been permanently repaid and the related commitment terminated), Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving effect on a *pro forma* basis to such discharge of such Indebtedness, including with the proceeds of such new Indebtedness, as if such discharge had occurred on the first day of such period;

(2) if since the beginning of such period Axiall or any of its Restricted Subsidiaries will have made any Asset Sale or disposed of any company, division, operating unit, segment, business, group of related assets or line of business or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio is such an Asset Sale or disposition:

(b) Consolidated Interest Expense for such period will be reduced by an amount equal to the Consolidated Interest Expense directly attributable to any Indebtedness of Axiall or any of its Restricted Subsidiaries repaid, repurchased, defeased or otherwise discharged with respect to Axiall and its continuing Restricted Subsidiaries in connection with such Asset Sale or disposition for such period (or, if the Capital Stock of any Restricted Subsidiary is sold, the Consolidated Interest Expense for such period directly attributable to the Indebtedness of such Restricted Subsidiary to the extent Axiall and its continuing Restricted Subsidiaries are no longer liable for such Indebtedness after such sale);

(3) if since the beginning of such period Axiall or any of its Restricted Subsidiaries (by merger or otherwise) will have made an Investment in any Restricted Subsidiary (or any Person which becomes a Restricted Subsidiary or is merged with or into Axiall) or an acquisition of assets, including any acquisition of assets occurring in connection with a transaction causing a calculation to be made hereunder, which constitutes all or substantially all of a company, division, operating unit, segment, business or line of business, Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving *pro forma* effect thereto (including the incurrence of any Indebtedness) as if such Investment or acquisition occurred on the first day of such period; and

(4) if since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period) will have made any Asset Sale or any Investment or acquisition of assets that would have required an adjustment pursuant to clause (2) or (3) above if made by Axiall or any of its Restricted Subsidiaries during such period, Consolidated EBITDA and Consolidated Interest Expense for such period will be calculated after giving *pro forma* effect thereto as if such Asset Sale or Investment or acquisition of assets occurred on the first day of such period.

For purposes of this definition, whenever *pro forma* effect is to be given to any calculation under this definition, the *pro forma* calculations will be determined in good faith by a responsible financial or accounting officer of Axiall (and, to the extent such calculation includes *pro forma* expense and cost reductions, such *pro forma* expense and cost reductions shall be limited to, for the avoidance of doubt,

If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest expense on such Indebtedness will be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Hedging Obligation applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months; *provided* that if such Hedging Obligation has a remaining term of less than 12 months such Hedging Obligation shall be taken into account for the number of months remaining). If any Indebtedness that is being given *pro forma* effect bears an interest rate at the option of Axiall, the interest rate shall be calculated by applying such optional rate chosen by Axiall.

"*Consolidated EBITDA*" means with respect to any specified Person for any period, without duplication, the Consolidated Net Income of such Person for such period, plus the following to the extent deducted in calculating such Consolidated Net Income (other than clause (8)):

(7) the consolidated interest expense of such Person and its Restricted Subsidiaries that was capitalized during such period;

(8) the product of (a) all dividends paid or payable, in cash or otherwise or accrued during such period on any series of preferred stock of such Person or its Restricted Subsidiaries payable to a party other than Axiall or a wholly-owned Subsidiary of Axiall, other than dividends on Equity Interests payable solely in Equity Interests of the Company (other than Disqualified Stock) or to Axiall or a Restricted Subsidiary of Axiall, *times* (b) a fraction, the numerator of which is one and the denominator of which is one minus the then current combined federal, state, provincial and local statutory tax rate of such Person, expressed as a decimal, in each case, on a consolidated basis and in accordance with GAAP;

DESCRIPTION OF EAGLE SPINCO'S 2021 NOTES

You can find the definitions of certain terms used in this Description of Eagle Spinco's 2021 Notes under "Certain Definitions." For purposes of this section, references to (1) "Axiall" refer only to Axiall Corporation and not to Eagle Spinco Inc. or any of Axiall's other Subsidiaries and (2) "Eagle Spinco" refer only to Eagle Spinco Inc. and not to any of its Subsidiaries. The term "2021 Notes" refers to Spinco's 4.625% senior notes due 2021, including the Original 2021 Notes, the Exchange 2021 Notes and any additional notes issued under the Eagle Spinco Indenture (and Exchange Notes related thereto) from time to time after this offering (the "Additional 2021 Notes").

The Original 2021 Notes were, and the Exchange 2021 Notes will be, issued under an indenture (the "Eagle Spinco Indenture"), dated as of January 28, 2013, among Eagle Spinco, Axiall, the subsidiary guarantors named therein and U.S. Bank National Association, as trustee (the "Trustee"). The terms of the 2021 Notes include those stated in the Eagle Spinco Indenture and those made part of the Eagle Spinco Indenture by reference to the Trust Indenture Act. On January 28, 2013, the Original 2021 Notes were initially issued by Eagle Spinco to PPG Industries, Inc. ("PPG") as partial consideration for Eagle Spinco's acquisition of the Merged Business (as defined under the caption "Certain Terms Used in this Prospectus"). PPG then transferred the Original 2021 Notes to certain financial institutions in satisfaction of existing debt obligations of PPG held by those financial institutions. On January 30, 2013, the initial purchasers purchased the Original 2021 Notes held by the financial institutions referred to above and resold them to investors in the Original 2021 Notes offering pursuant to exemptions under Rule 144A and Regulation S of the Securities Act. Eagle Spinco did not receive any net proceeds from the sale of the Original 2021 Notes. Following consummation of the Merger, Eagle Spinco became a 100%-owned subsidiary of Axiall and Axiall and its 100%-owned Domestic Subsidiaries (other than any Unrestricted Subsidiaries) that also guarantee the U.S. dollar obligations under the Credit Agreements became Guarantors of the 2021 Notes and each executed a supplemental indenture.

Because this section is a summary, it does not describe every aspect of the Eagle Spinco Indenture or the 2021 Notes. This summary is subject to and qualified in its entirety by reference to all of the provisions of the Eagle Spinco Indenture, including definitions of certain terms used in the Eagle Spinco Indenture, and the 2021 Notes. You should read the Eagle Spinco Indenture and the 2021 Notes because they contain additional information and they, and not this description, define your rights as a holder of the 2021 Notes. A copy of the Eagle Spinco Indenture has been filed with the SEC. Additionally, copies of the Eagle Spinco Indenture and forms of the 2021 Notes are available without charge upon request to us at the address provided under "Where You Can Find More Information."

Eagle Spinco's and Axiall's Foreign Subsidiaries do not guarantee the 2021 Notes. The Guarantors of the 2021 Notes (excluding Axiall) are the same as the guarantors of the 2023 Notes (other than Eagle Spinco).

Each 2021 Note Guarantee is:

a general unsecured obligation of each Guarantor;

pari passu in right of payment with all existing and future senior Indebtedness of that Guarantor, including its obligations under the Credit Agreements (whether as primary obligor in the case of Axiall or as guarantor in the case of the other Guarantors);

senior in right of payment to all existing and future Subordinated Indebtedness of that Guarantor;

effectively subordinated to the obligations of that Guarantor under the Credit Agreements (whether as primary obligor in the case of Axiall or as guarantor in the case of the other Guarantors) and other secured Indebtedness to the extent of the value of the assets pledged by that Guarantor securing such Indebtedness; and

structurally subordinated to all indebtedness and other liabilities and preferred stock of any Subsidiaries of that Guarantor that are not Guarantors.

All of Axiall's Subsidiaries (including Eagle Spinco) are "Restricted Subsidiaries"; other than TCI which has been designated as an Unrestricted Subsidiary. Under the circumstances described below under the caption " Certain Covenants Designation of Restricted and Unrestricted Subsidiaries," Axiall is permitted to designate certain of its Subsidiaries as "Unrestricted Subsidiaries." Axiall's Unrestricted Subsidiaries are not subject to any of the restrictive covenants in the Eagle Spinco Indenture and do not guarantee the 2021 Notes. See "Risk Factors Risks Related to the Exchange Notes The Exchange Notes will be structurally subordinated to all liabilities of our non-guarantor subsidiaries."

Principal, Maturity and Interest

Eagle Spinco previously issued a total of \$688 million in aggregate principal amount of Original 2021 Notes. Eagle Spinco will issue up to \$688 million in aggregate principal amount of Exchange 2021 Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Original 2021 Notes, the Exchange 2021 Notes and any Additional 2021 Notes subsequently issued under the Eagle Spinco Indenture will be treated as a single class for all purposes under the Eagle Spinco Indenture. The 2021 Notes mature on February 15, 2021.

Interest on the Exchange 2021 Notes accrues from February 15, 2014 at the rate of 4.625% per annum and is payable semi-annually in arrears on February 15 and August 15, commencing on August 15, 2014. Interest on overdue principal and interest on the 2021 Notes accrues at the then applicable interest rate on the 2021 Notes. Eagle Spinco will make each interest payment to the persons in whose names such 2021 Notes are registered at the close of business on the immediately preceding February 1 and August 1, respectively. Interest on the Original 2021 Notes accrues from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

Payments

Principal of, premium, if any, and interest on the 2021 Notes is payable at the office or agency of Eagle Spinco maintained for such purpose or, at the option of Eagle Spinco, payment of interest may

be made by check mailed to the holders of the 2021 Notes at their respective addresses set forth in the register of holders; *provided* that all payments of principal, premium, if any, and interest with respect to 2021 Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made through the facilities of DTC. Until otherwise designated by Eagle Spinco, Eagle Spinco's office or agency is the office of the trustee maintained for such purpose.

Ranking

The Indebtedness evidenced by the 2021 Notes and the 2021 Note Guarantees is senior Indebtedness of Eagle Spinco or the applicable Guarantor, as the case may be, and ranks equally in right of payment with all existing and future senior Indebtedness of Eagle Spinco or the applicable Guarantor, as the case may be. The Indebtedness under the Credit Agreements is secured by substantially all of the assets of Eagle Spinco and the Guarantors. The Indebtedness evidenced by the 2021 Notes and the 2021 Note Guarantees is (i) senior in right of payment to all existing and future Subordinated Indebtedness of Eagle Spinco and the Guarantors, as the case may be, (ii) effectively subordinated to Eagle Spinco's obligations under the Credit Agreements and other secured Indebtedness to the extent of the value of the assets securing such Indebtedness and (iii) structurally subordinated to all indebtedness and other liabilities and preferred stock of Subsidiaries of Eagle Spinco that are not Guarantors.

As of December 31, 2013, Axiall, Eagle Spinco and the other Guarantors had approximately \$194.8 million, net of \$2.4 million of debt issuance costs, of secured Indebtedness outstanding and an additional \$420.2 million of secured Indebtedness available for borrowing under the Credit Agreements. In addition, as of December 31, 2013, offer, Axiall, Eagle Spinco and the other Guarantors have total indebtedness of \$1,332.8 million.

Eagle Spinco is a holding company with no direct operations and a significant portion of the operations of Axiall are conducted through its Subsidiaries. Claims of creditors, including trade creditors, of Subsidiaries of Axiall (other than Eagle Spinco) that do not guarantee the 2021 Notes and claims of preferred stockholders (if any) of such Subsidiaries generally have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of Eagle Spinco, including the holders of the 2021 Notes. The 2021 Notes, therefore, are structurally subordinated to holders of Indebtedness and other creditors (including trade creditors) and preferred stockholders (if any) of Subsidiaries of Axiall (other than Eagle Spinco) that are not Guarantors. Although the Eagle Spinco Indenture limits the incurrence of Indebtedness by and the issuance of Disqualified Stock and preferred stock of Restricted Subsidiaries, such limitation is subject to a number of significant qualifications. See " Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock."

2021 Note Guarantees

Eagle Spinco's obligations under the 2021 Notes and the Eagle Spinco Indenture are guaranteed by the Guarantors. These 2021 Note Guarantees are joint and several, full and unconditional obligations of the Guarantors. The obligations of each Guarantor under its 2021 Note Guarantee is limited as necessary to prevent that 2021 Note Guarantee from constituting a fraudulent conveyance under applicable law. See "Risk Factors Risks Related to the Exchange Notes Fraudulent transfer and conveyance laws may have adverse implications for the holders of the Exchange Notes."

Not all of Axiall's Subsidiaries guarantee the 2021 Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries are required to pay the holders of their debt and other liabilities, including their trade creditors and holders of their preferred stock, if any, before they will be able to distribute any of their assets to us. Axiall's non-guarantor Subsidiaries accounted for approximately 16% of Axiall's net sales to

non-affiliates for the year ended December 31, 2013, and held 18% of Axiall's consolidated assets and had no indebtedness outstanding (excluding intercompany indebtedness), as of December 31, 2013.

The Eagle Spinco Indenture provides that a Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than Eagle Spinco or another Guarantor, unless:

- (1) immediately after giving effect to that transaction, no Default exists; and
- (2) either:
 - (a) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) is a corporation, partnership or limited liability company, organized or existing under (i) the laws of the United States, any state thereof or the District of Columbia or (ii) the laws of the same jurisdiction as that Guarantor and, in each case, assumes all the obligations of that Guarantor under the Eagle Spinco Indenture and its 2021 Note Guarantee pursuant to a supplemental indenture; or
 - (b) such sale or other disposition, if any, does not violate the "Asset Sale" provisions of the Eagle Spinco Indenture.

The 2021 Note Guarantee of a Guarantor (other than Axiall (except in the case of clause (5) below)) will be released:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (after giving effect to such transaction) Axiall, Eagle Spinco or a Restricted Subsidiary, if the sale or other disposition does not violate the "Asset Sale" provisions of the Indenture; provided, however, that such Guarantor is also released from its obligations under the Credit Agreements and any other Indebtedness of Axiall, Eagle Spinco or any Restricted Subsidiary;
- (2) in connection with any sale or other disposition of all of the Capital Stock of that Guarantor to a Person that is not (after giving effect to such transaction) Axiall, Eagle Spinco or a Restricted Subsidiary, if the sale or other disposition does not violate the "Asset Sale" provisions of the Eagle Spinco Indenture; provided, however, that such Guarantor is released from its obligations under the Credit Agreements and any other Indebtedness of Axiall, Eagle Spinco or any Restricted Subsidiary;
- (3) upon the contemporaneous or substantially contemporaneous release or discharge of such Guarantor as a guarantor or borrower in respect of the Credit Agreements, except (x) a release, discharge or termination by or as a result of payment under such instrument or (y) to the extent such Guarantor is otherwise required to provide a Guarantee pursuant to the covenant described under " Certain Covenants Additional 2021 Note Guarantees";
- (4) if Axiall designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the Eagle Spinco Indenture;
- (5) upon legal defeasance, covenant defeasance or satisfaction and discharge of the Eagle Spinco Indenture as provided below under the captions " Legal Defeasance and Covenant Defeasance" and " Satisfaction and Discharge"; or
- (6) upon the contemporaneous release or discharge of all Guarantees by such Guarantor which would have required such Guarantor to guarantee the 2021 Notes pursuant to the covenant described under " Certain Covenants Additional 2021 Note Guarantees" (including, without limitation, the Guarantee of obligations under the Credit Agreements).

Optional Redemption

At any time prior to February 15, 2018, Eagle Spinco may on any one or more occasions also redeem all or a part of the 2021 Notes, upon not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the 2021 Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest to the Redemption Date, subject to the rights of holders of 2021 Notes on the relevant record date to receive interest due on the relevant interest payment date.

On or after February 15, 2018, Eagle Spinco may on any one or more occasions redeem all or a part of the 2021 Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest on the 2021 Notes redeemed, to the applicable Redemption Date, if redeemed during the twelve-month period beginning on February 15 of the years indicated below, subject to the rights of holders of 2021 Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2018	102.313%
2019	101.156%
2020 and thereafter	100.000%

Unless Eagle Spinco defaults in the payment of the redemption price, interest will cease to accrue on the 2021 Notes or portions thereof called for redemption on the applicable Redemption Date.

Mandatory Redemption

Except to the extent that Eagle Spinco may be required to offer to purchase the 2021 Notes as set forth below under "Repurchase at the Option of Holders," Eagle Spinco is not required to make mandatory repurchase, redemption or sinking fund payments with respect to the 2021 Notes. Eagle Spinco may acquire 2021 Notes by means other than a redemption, whether then by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with the applicable securities laws.

Repurchase at the Option of Holders

Change of Control Triggering Event

If a "Change of Control Triggering Event" occurs, each holder of 2021 Notes will have the right to require Eagle Spinco to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's 2021 Notes pursuant to an offer (a "Change of Control Offer") on the terms set forth in the Eagle Spinco Indenture. In the Change of Control Offer, Eagle Spinco will offer payment (a "Change of Control Payment") in cash equal to 101% of the aggregate principal amount of 2021 Notes repurchased plus accrued and unpaid interest on the 2021 Notes repurchased to the date of purchase, subject to the rights of holders of 2021 Notes on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event, Eagle Spinco will deliver a notice to each holder describing the transaction or transactions and identifying the ratings decline that together constitute the Change of Control Triggering Event and offering to repurchase 2021 Notes on the date specified in the notice (the "Change of Control Payment Date"), which date will be no earlier than 30 days and no later than 60 days from the date such notice is delivered, pursuant to the procedures required by the Eagle Spinco Indenture and described in such notice. Eagle Spinco will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the 2021 Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions of the Eagle Spinco Indenture, Eagle Spinco will comply with the

Table of Contents

applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Eagle Spinco Indenture by virtue of such compliance.

On the Change of Control Payment Date, Eagle Spinco will, to the extent lawful:

- (1) accept for payment all 2021 Notes or portions of 2021 Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all 2021 Notes or portions of 2021 Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the 2021 Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of 2021 Notes or portions of 2021 Notes being purchased by Eagle Spinco.

The paying agent will promptly deliver to each holder of 2021 Notes properly tendered the Change of Control Payment for such 2021 Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each holder a new 2021 Note equal in principal amount to any unpurchased portion of the 2021 Notes surrendered, if any. Eagle Spinco will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Eagle Spinco to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of the Eagle Spinco Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the Eagle Spinco Indenture does not contain provisions that permit the holders of the 2021 Notes to require that Eagle Spinco repurchase or redeem the 2021 Notes in the event of a takeover, recapitalization or similar transaction.

Eagle Spinco will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Eagle Spinco Indenture applicable to a Change of Control Offer made by Eagle Spinco and purchases all 2021 Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Eagle Spinco Indenture prior to the latest date by which such Change of Control Offer must be sent as described above under the caption " Optional Redemption," unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control Triggering Event, contingent upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of Axiall and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder to require Eagle Spinco to repurchase its 2021 Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Eagle Spinco and its Subsidiaries taken as a whole to another Person or group may be uncertain.

The existence of a holder's right to require Eagle Spinco to repurchase such holder's 2021 Notes upon the occurrence of a Change of Control Triggering Event may deter a third party from seeking to acquire Eagle Spinco in a transaction that would constitute a Change of Control.

The Change of Control Triggering Event purchase feature of the 2021 Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control Triggering Event purchase feature is a result of

Table of Contents

negotiations between the initial purchasers of the 2021 Notes and us. As of the Issue Date, we have no present intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings.

Restrictions on Axiall's ability to incur additional Indebtedness are contained in the covenants described under "Certain Covenants Incurrence of Indebtedness and Issuance of Preferred Stock." Such restrictions in the Eagle Spinco Indenture can be waived only with the consent of the holders of a majority in principal amount of the 2021 Notes then outstanding. Except for the limitations contained in such covenants, however, the Eagle Spinco Indenture will not contain any covenants or provisions that may afford holders of the 2021 Notes protection in a highly leveraged transaction.

The Credit Agreements contain, and future agreements may contain, prohibitions of certain events, including events that would constitute a Change of Control and including repurchases of or other prepayments in respect of the 2021 Notes. The exercise by the holders of the right to require Eagle Spinco to repurchase their 2021 Notes upon a Change of Control Triggering Event could cause a default under these other agreements, even if the Change of Control itself does not, due to the financial effect of such repurchases on Eagle Spinco. In the event a Change of Control Triggering Event occurs at a time when Eagle Spinco is prohibited from purchasing 2021 Notes, Eagle Spinco could seek the consent of its other lenders and noteholders to the purchase of 2021 Notes or could attempt to refinance the borrowings that contain such prohibition. If Eagle Spinco does not obtain a consent or repay those borrowings, Eagle Spinco will remain prohibited from purchasing 2021 Notes. In that case, Eagle Spinco's failure to purchase tendered 2021 Notes would constitute an Event of Default under the Eagle Spinco Indenture which could, in turn, constitute a default under the other Indebtedness. Finally, Eagle Spinco's ability to pay cash to the holders of 2021 Notes upon a repurchase may be limited by Eagle Spinco's then existing financial resources. See "Risk Factors Risks Related to the Exchange Notes We may be unable to make a change of control offer required by the Indentures governing the Exchange Notes, which would cause defaults under the Indentures, the Term Loan Facility and the ABL Revolver."

Asset Sales

The Eagle Spinco Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- (1) Axiall (or such Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by Axiall) of the assets sold or otherwise disposed of; and
- (2) at least 75% of the consideration therefor received by Axiall or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
 - (a) any liabilities, as shown on Axiall's most recent consolidated balance sheet, of Axiall or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the 2021 Notes or any 2021 Note Guarantee) that are assumed by the transferee of any such assets pursuant to customary terms and conditions that releases Axiall or such Restricted Subsidiary from further liability;
 - (b) any securities, 2021 Notes or other obligations received by Axiall or any such Restricted Subsidiary from such transferee that are within 180 days following the closing of such Asset Sale, converted by Axiall or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion;

Table of Contents

- (c) any Designated Noncash Consideration having an aggregate fair market value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed the greater of (x) \$100.0 million and (y) 3.75% of Consolidated Tangible Assets at the time of the receipt of such Designated Noncash Consideration (with the fair market value of each item of Designated Noncash Consideration being determined in good faith by Axiall and measured at the time received and without giving effect to subsequent changes in value); and
- (d) any stock or assets of the kind referred to in clauses (2) or (4) of the next paragraph of this covenant.

Within 365 days after Axiall's or Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale, Axiall or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale:

- (1) to repay, prepay or purchase Indebtedness and other Obligations (other than Disqualified Stock, Indebtedness of Axiall or any Restricted Subsidiary that is contractually subordinated to the 2021 Notes or any 2021 Note Guarantee or any intercompany Indebtedness between or among Axiall and any of its Restricted Subsidiaries) and, if the Indebtedness repaid is revolving credit Indebtedness under a Credit Facility, to correspondingly reduce commitments with respect thereto;
- (2) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Axiall;
- (3) to make a capital expenditure; or
- (4) to acquire properties or to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business,

provided that in the case of clauses (2), (3) and (4) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as Axiall or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment; *provided, further*; that if such commitment is later terminated or cancelled prior to the application of such Net Proceeds, then such Net Proceeds shall constitute Excess Proceeds.

Pending the final application of any Net Proceeds, Axiall may temporarily reduce revolving credit borrowings or otherwise use the Net Proceeds in any manner that is not prohibited by the indenture.

Any Net Proceeds from Asset Sales that are not (i) applied or invested as provided in the second paragraph of this covenant (which may be, at Axiall's determination, prior to expiration of the 365 day period) or (ii) otherwise subject to an asset sale offer pursuant to the terms of any secured Indebtedness (in which event such Net Proceeds will not constitute Excess Proceeds until the asset sale offer provisions of such secured Indebtedness are complied with and then only to the extent of Net Proceeds remaining after consummation of such asset sale offer) will constitute "Excess Proceeds." Within 10 business days after the aggregate amount of Excess Proceeds exceeds \$65.0 million, Eagle Spinco will make an offer (an "Asset Sale Offer") to all holders of 2021 Notes and all holders of other Indebtedness that is *pari passu* with the 2021 Notes and is also unsecured containing provisions similar to those set forth in the Eagle Spinco Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of 2021 Notes and such other *pari passu* and unsecured Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, and will be payable in cash. If any

Table of Contents

Excess Proceeds remain after consummation of an Asset Sale Offer, Axiall may use those Excess Proceeds for any purpose not otherwise prohibited by the Eagle Spinco Indenture. If the aggregate principal amount of 2021 Notes and other *pari passu* Indebtedness tendered pursuant to such Asset Sale Offer exceeds the amount of Excess Proceeds, the trustee will select the 2021 Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Eagle Spinco Indenture provides that Eagle Spinco will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of 2021 Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Eagle Spinco Indenture, Eagle Spinco will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of the Eagle Spinco Indenture by virtue of such compliance.

Selection and Notice

If less than all of the 2021 Notes are to be redeemed at any time, selection of such 2021 Notes for redemption, will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such 2021 Notes are listed, or, if such 2021 Notes are not so listed, on a *pro rata* basis or by lot or such similar method in accordance with the procedures of DTC; *provided* that no 2021 Notes of \$2,000 or less shall be purchased or redeemed in part.

Notices of purchase or redemption shall be delivered, at least 30 but not more than 60 days before the purchase or redemption date to each holder of 2021 Notes to be purchased or redeemed. If any 2021 Note is to be purchased or redeemed in part only, any notice of purchase or redemption that relates to such 2021 Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

A new 2021 Note in principal amount equal to the unpurchased or unredeemed portion of any 2021 Note purchased or redeemed in part will be issued in the name of the holder thereof upon cancellation of the original 2021 Note. On and after the purchase or redemption date, unless Axiall defaults in payment of the purchase or redemption price, interest shall cease to accrue on 2021 Notes or portions thereof purchased or called for redemption.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Eagle Spinco Indenture.

Termination of Certain Covenants When 2021 Notes Rated Investment Grade

If on any date following the Issue Date (i) the 2021 Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under the Eagle Spinco Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Termination Event"), then, beginning on that day, the following covenants will cease to apply and will not be later reinstated even if one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the 2021 Notes below an Investment Grade Rating:

- (1) " Repurchase at the Option of Holders Asset Sales";
- (2) " Restricted Payments";
- (3) " Incurrence of Indebtedness and Issuance of Preferred Stock";
- (4) clause (4) of the first paragraph of" Merger, Consolidation or Sale of Assets";

Table of Contents

- (5) " Transactions with Affiliates"; and
- (6) " Dividend and Other Payment Restrictions Affecting Subsidiaries."

No Subsidiaries shall be designated as Unrestricted Subsidiaries following a Covenant Termination Event.

There can be no assurance that the 2021 Notes will ever achieve Investment Grade Ratings or that such ratings, if achieved, will be maintained.

Restricted Payments

The Eagle Spinco Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- (1) declare or pay any dividend or make any other payment or distribution on account of Axiall's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Axiall or any of its Restricted Subsidiaries) or to the direct or indirect holders of Axiall or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends, distributions or payments payable in Equity Interests (other than Disqualified Stock) of Axiall and other than dividends or distributions payable to Axiall or a Restricted Subsidiary);
- (2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving Axiall) any Equity Interests of Axiall or any direct or indirect parent of Axiall held by Persons other than Axiall or any of its Restricted Subsidiaries;
- (3) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value or give any irrevocable notice of redemption with respect to any Subordinated Indebtedness of Axiall or any Guarantor (excluding any intercompany Indebtedness between or among Axiall and any of its Restricted Subsidiaries, and giving of an irrevocable notice of redemption with respect to transactions described in clauses (2) or (3) of the second paragraph of this covenant), except a payment, purchase, redemption, defeasance or other acquisition or retirement for value within one year of the Stated Maturity thereof; or
- (4) make any Restricted Investment

(all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments"), unless, at the time of and after giving effect to such Restricted Payment:

- (1) no Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;
- (2) Axiall would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock"; and
- (3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Axiall and its Restricted Subsidiaries since December 22, 2009 (excluding Restricted

Payments permitted by clauses (2) through (15) of the next succeeding paragraph), is less than the sum, without duplication, of:

- (a) 50% of the Consolidated Net Income of Axiall for the period (taken as one accounting period) from January 1, 2010 to the end of Axiall's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); plus

(16)

the incurrence by Axiall and the Guarantors of Indebtedness under the Term Loan Agreement in an aggregate amount not to exceed \$212.0 million.

For purposes of determining compliance with this "Incurrence of Indebtedness and Issuance of Preferred Stock" covenant, in the event that an item of proposed Indebtedness, Disqualified Stock or preferred stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be incurred pursuant to the first paragraph of this covenant, Axiall will be permitted to classify such item of Indebtedness, Disqualified Stock or preferred stock on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, Disqualified Stock or preferred stock in any manner that complies with this covenant. Indebtedness under Credit Facilities outstanding on the date on which 2021 Notes are first issued and authenticated under the Eagle Spinco Indenture (after giving effect to the issuance of the 2021 Notes, the application of the proceeds thereof and the incurrence of any Indebtedness under Credit Facilities on such date) will initially be deemed to have been incurred on such date in reliance on the exception provided by clause (1) (and in the case of the Term Loan Agreement, clause (16)) of the definition of "Permitted Debt."

The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this covenant; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in Consolidated Interest Expense of Axiall as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness where the Indebtedness to be incurred is denominated in a different currency, (1) the amount of such Indebtedness shall be the U.S. Dollar Equivalent determined on the date of the incurrence of such Indebtedness and (2) in the case of any Permitted Refinancing Indebtedness incurred in the same currency as the Indebtedness being refinanced, the principal amount thereof shall be the U.S. Dollar Equivalent of the Indebtedness being refinanced, except to the extent that the principal amount of the Permitted Refinancing Indebtedness exceeds the principal amount of the Indebtedness being refinanced, in which case the U.S. Dollar Equivalent of such excess principal amount shall be determined on the date such Permitted Refinancing Indebtedness is incurred. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that Axiall or any Restricted Subsidiary may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values subsequent to the incurrence of such Indebtedness.

The amount of any Indebtedness outstanding as of any date will be:

(1)

the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2)

the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3)

in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(a)

the Fair Market Value of such assets at the date of determination; and

(b)

the amount of the Indebtedness of the other Person.

The Eagle Spinco Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind (other than Permitted Liens) on any of their properties or assets, now owned or hereafter acquired, unless all payments due under the Eagle Spinco Indenture and the 2021 Notes are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien.

Dividend and Other Payment Restrictions Affecting Subsidiaries

- (2) make loans or advances to Axiall or any of its Restricted Subsidiaries (it being understood that the subordination of loans or advances made to Axiall or any Restricted Subsidiary to other Indebtedness incurred by Axiall or any Restricted Subsidiary shall not be deemed to be a restriction on the ability to make loans or advances); or

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (2) any encumbrance or restriction pursuant to any agreement governing other Indebtedness permitted to be incurred under the covenant described above under " Incurrence of Indebtedness and Issuance of Preferred Stock," and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; provided that such encumbrances and restrictions are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those permitted by the immediately preceding clause (1);
- (3) the Eagle Spinco Indenture, the 2021 Notes and the 2021 Note Guarantees;
- (4) applicable law, rule, regulation or order;
- (5) any instrument governing Indebtedness or Capital Stock of a Person acquired by Axiall or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of

such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired, and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of any such instrument by such Person; provided that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, than those contained in any such instrument on the date of acquisition; provided, further, that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the Eagle Spinco Indenture to be incurred;

- (6) customary encumbrances or restrictions (i) on the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract that was entered into in the ordinary course of business, or the assignment or transfer of any such lease, license or other contract, (ii) contained in mortgages, pledges or other security agreements permitted under the Eagle Spinco Indenture to secure Indebtedness of Axiall or any of its Restricted Subsidiaries or (iii) pursuant to provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of Axiall or any of its Restricted Subsidiaries entered into in the ordinary course of business;
- (7) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of the preceding paragraph;

- (9) Permitted Refinancing Indebtedness; provided that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (10) Liens permitted to be incurred under the provisions of the covenant described above under the caption " Liens" that limit the right of the debtor to dispose of the assets subject to such Liens;
- (11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements, which limitation is applicable only to the assets or property that are the subject of such agreements;
- (12) provisions with respect to the disposition or distribution of assets or property in joint venture agreements, manufacturing alliance agreements and other similar agreements entered into in the ordinary course of business, so long as such encumbrances or restrictions are not applicable to any Person (or its property or assets) other than such joint venture or a Subsidiary thereof or the assets used exclusively in such manufacturing alliance, as applicable;

Transactions with Affiliates

The Eagle Spinco Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Axiall (each, an "Affiliate Transaction"), unless:

- (1) the Affiliate Transaction is on terms that are no less favorable to Axiall or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Axiall or such Restricted Subsidiary with an unrelated Person; and
- (2) Axiall delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$40.0 million, a resolution of the Board of Directors of Axiall set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this covenant and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Axiall.

The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

- (1) any employment agreement, employee benefit plan, officer or director indemnification agreement or any similar arrangement entered into by Axiall or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;
- (2) transactions between or among Axiall and/or its Restricted Subsidiaries;
- (3) transactions with a Person (other than an Unrestricted Subsidiary of Axiall) that is an Affiliate of Axiall solely because Axiall owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;
- (4) payment of fees to, and indemnity provided on behalf of, officers, directors or employees of Axiall or any Restricted Subsidiary;
- (5) any issuance of Equity Interests (other than Disqualified Stock) of Axiall to Affiliates of Axiall;
- (6) Restricted Payments and Permitted Investments that do not violate the provisions of the Eagle Spinco Indenture described above under the caption " Restricted Payments";
- (7) transactions between or among Axiall and/or its Restricted Subsidiaries on the one hand and a Receivables Entity on the other hand, or transactions between a Receivables Entity and any Person in which the Receivables Entity has an Investment, in each case effected as part of a Qualified Receivables Transaction;
- (8) transactions between Axiall and its Restricted Subsidiaries and PPG and its subsidiaries in effect on the Issue Date and any amendments, modifications, renewals, supplements or replacements; provided that such amendments, modifications, renewals, supplements or replacements are not materially less favorable, taken as a whole, than the transactions in effect on the Issue Date;
- (9) transactions involving or relating to TCI and RS Cogen;
- (10) any transaction or series of transactions involving aggregate consideration of \$5.0 million or less;
- (11) loans or advances to employees by Axiall or any of its Restricted Subsidiaries in the ordinary course of business; and
- (12) the transactions comprising Transactions and the payment of all fees and expenses related to the Transactions.

Business Activities

The Eagle Spinco Indenture provides that Axiall will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to Axiall and its Restricted Subsidiaries taken as a whole.

Additional Note Guarantees

The Eagle Spinco Indenture provides that if, on or after the Issue Date (unless such acquired or created Domestic Subsidiary is properly designated as an Unrestricted Subsidiary):

(1)

Axiall or any of its Domestic Subsidiaries acquires or creates another Domestic Subsidiary that incurs any Indebtedness under the Credit Agreements, any syndicated loan or capital markets

Table of Contents

Indebtedness or guarantees any such Indebtedness of Axiall or any of its Domestic Subsidiaries; or

(2)

any Domestic Subsidiary of Axiall incurs Indebtedness under the Credit Agreements, any syndicated loan or capital markets Indebtedness or guarantees any such Indebtedness of Axiall or any of its Domestic Subsidiaries and that Domestic Subsidiary was not a Guarantor immediately prior to such incurrence or guarantee (an "Additional Obligor"),

then that newly acquired or created Domestic Subsidiary or Additional Obligor, as the case may be, will become a Guarantor and guarantee Axiall's Obligations in respect of the 2021 Notes and execute a supplemental indenture and deliver an opinion of counsel satisfactory to the Trustee within 30 days after the date on which it was acquired or created or incurred, as the case may be; *provided* that no Receivables Entity will be required to become a Guarantor at any time.

Designation of Restricted and Unrestricted Subsidiaries

The Eagle Spinco Indenture provides that except after a Covenant Termination Event, the Board of Directors of Axiall may designate any Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Subsidiary (other than TCI) is designated as an Unrestricted Subsidiary after the Issue Date, the aggregate Fair Market Value of all outstanding Investments owned by Axiall and its Restricted Subsidiaries in the Subsidiary so designated will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under the caption " Restricted Payments" or under one or more clauses of the definition of Permitted Investments, as determined by Axiall. That designation will only be permitted if the Investment would be permitted at that time and if the Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of Axiall may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of Axiall as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by the covenant described above under the caption " Restricted Payments." If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of the Eagle Spinco Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of Axiall as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the covenant described under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock," the Axiall will be in default of such covenant. The Board of Directors of Axiall may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of Axiall; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Axiall of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under the covenant described under the caption " Incurrence of Indebtedness and Issuance of Preferred Stock," calculated on *pro forma* basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default would be in existence following such designation.

Reports and Other Information

The Eagle Spinco Indenture provides that notwithstanding that Eagle Spinco may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the Commission, the Eagle Spinco Indenture requires Eagle Spinco to file with the Commission (and make available to the Trustee and holders of the 2021 Notes (without

exhibits), without cost to each holder, within 15 days after it files them with the Commission), *provided* that this provision will be deemed to have been satisfied with respect to any reports, filings and other information that is available on the Commission's EDGAR system),

- (a) within 90 days (or the successor time period then in effect under the rules and regulations of the Exchange Act) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;
- (b) within 45 days (or the successor time period then in effect under the rules and regulations of the Exchange Act) after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q, containing the information required to be contained therein, or any successor or comparable form;
- (c) within the time periods specified under the Exchange Act from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and
- (d) any other information, documents and other reports which Eagle Spinco would be required to file with the Commission if it were subject to Section 13 or 15(d) of the Exchange Act;

provided that Eagle Spinco shall not be so obligated to file such reports with the Commission if the Commission does not permit such filing, in which event Eagle Spinco will make available such information to prospective purchasers of 2021 Notes, in addition to providing such information to the Trustee and the holders of the 2021 Notes, in each case within 15 days after the time Eagle Spinco would have been required to file such information with the Commission, if it were subject to Sections 13 or 15(d) of the Exchange Act by posting such information to a publicly accessible website on Axiall's website

Notwithstanding anything herein to the contrary, Eagle Spinco will not be deemed to have failed to comply with any of its agreements under this covenant for purposes of clause (4) under " Events of Default and Remedies" until 120 days after the date any report hereunder is required to be filed with the Commission (or posted on Eagle Spinco's website) pursuant to this covenant.

Because Axiall is a Guarantor of the 2021 Notes and Eagle Spinco is a 100%-owned subsidiary of Axiall, the Eagle Spinco Indenture permits Eagle Spinco to satisfy its obligations in this covenant with respect to financial information relating to Eagle Spinco by furnishing financial information relating to Axiall, as such direct or indirect parent; *provided* that such parent financial information includes a footnote containing consolidating financial information if required by Rule 3-10 of Regulation S-X of the Securities Act. Eagle Spinco currently satisfies this requirement by furnishing financial information of Axiall in accordance with Rule 3-10 of Regulation S-X of the Securities Act.

Events of Default and Remedies

Each of the following is an "Event of Default" for the 2021 Notes:

- (1) default for 30 days in the payment when due of interest on the 2021 Notes;
- (2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the 2021 Notes;
- (3) failure by Axiall or any of its Restricted Subsidiaries to comply with the provisions described under the captions " Repurchase at the Option of Holders Change of Control Triggering Event," " Repurchase at the Option of Holders Asset Sales" or " Certain Covenants Merger, Consolidation or Sale of Assets";

Table of Contents

- (4) failure by Axiall or any of its Restricted Subsidiaries for 60 days after notice to Axiall by the Trustee or the holders of at least 25% in aggregate principal amount of the 2021 Notes then outstanding voting as a single class to comply with any of the other agreements in the Eagle Spinco Indenture;
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Eagle Spinco, Axiall or any of its Restricted Subsidiaries (or the payment of which is guaranteed by Eagle Spinco, Axiall or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:
- (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "Payment Default"); or
- (b) results in the acceleration of such Indebtedness prior to its express maturity,
- and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$75.0 million or more;
- (6) failure by Axiall, Eagle Spinco or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$75.0 million (net of any amounts paid by an insurance carrier or bonded), which judgments are not paid, discharged or stayed for a period of 60 days;
- (7) except as permitted by the Eagle Spinco Indenture, any 2021 Note Guarantee of Axiall or a Guarantor that is a Significant Subsidiary is, or 2021 Note Guarantees of a group of Subsidiaries that, taken together, would constitute a Significant Subsidiary are, held in any judicial proceeding to be unenforceable or invalid or cease or ceases for any reason to be in full force and effect, or Eagle Spinco, Axiall or any Guarantor that is a Significant Subsidiary, or any group of Guarantors that, taken together, would constitute a Significant Subsidiary, or any Person acting on its or their behalf, denies or disaffirms its obligations under its 2021 Note Guarantee; and
- (8) certain events of bankruptcy or insolvency described in the Eagle Spinco Indenture with respect to Axiall or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary.

Notwithstanding the foregoing, in no event shall the consummation of the transactions comprising the Transactions comprise or form the basis of an Event of Default.

In the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to Axiall, any Restricted Subsidiary of Axiall that is a Significant Subsidiary or any group of Restricted Subsidiaries of Axiall that, taken together, would constitute a Significant Subsidiary, all outstanding 2021 Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding 2021 Notes may declare all the 2021 Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in aggregate principal amount of the then outstanding 2021 Notes may direct the Trustee in its exercise of any trust or power with respect to the 2021 Notes. The Trustee may withhold from holders of the 2021 Notes notice of any continuing Default if it determines that withholding notice is in their interest, except a Default relating to the payment of principal, interest or premium.

Table of Contents

Subject to the provisions of the Eagle Spinco Indenture relating to the duties of the Trustee, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Eagle Spinco Indenture at the request or direction of any holders of 2021 Notes unless such holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no holder of a 2021 Note may pursue any remedy with respect to the Eagle Spinco Indenture or 2021 Notes unless:

- (1) such holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the then outstanding 2021 Notes have requested the Trustee to pursue the remedy with respect to the 2021 Notes;
- (3) such holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) holders of a majority in aggregate principal amount of the then outstanding 2021 Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The holders of a majority in aggregate principal amount of the then outstanding 2021 Notes by notice to the Trustee may, on behalf of the holders of all of the 2021 Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Eagle Spinco Indenture with respect to the 2021 Notes, except a continuing Default in the payment of interest or premium on, or the principal of, the 2021 Notes.

Eagle Spinco is required to deliver to the Trustee annually a statement regarding compliance with the Eagle Spinco Indenture. Upon becoming aware of any Default, Eagle Spinco is required to deliver to the Trustee a statement specifying such Default, unless such Default shall have been cured prior to the time such statement is required to be delivered.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of Eagle Spinco or any Guarantor, as such, has any liability for any obligations of the Issuer or the Guarantors under the 2021 Notes, the Eagle Spinco Indenture, the 2021 Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of 2021 Notes by accepting a 2021 Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the 2021 Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

Eagle Spinco may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have all of its obligations discharged with respect to the outstanding 2021 Notes, and all obligations of the Guarantors discharged with respect to their 2021 Note Guarantees ("Legal Defeasance") except for:

- (1) the rights of holders of outstanding 2021 Notes to receive payments in respect of the principal of, or interest or premium on, such 2021 Notes when such payments are due from the trust referred to below;
- (2) Eagle Spinco's obligations with respect to the 2021 Notes concerning issuing temporary 2021 Notes, registration of 2021 Notes, mutilated, destroyed, lost or stolen 2021 Notes and the

maintenance of an office or agency for payment and money for security payments held in trust;

- (3) the rights, powers, trusts, duties and immunities of the Trustee, and Eagle Spinco's and the Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance and Covenant Defeasance provisions of the Eagle Spinco Indenture.

In addition, Eagle Spinco may, at its option and at any time, elect to have the obligations of Eagle Spinco and the Guarantors released with respect to certain covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Eagle Spinco Indenture ("Covenant Defeasance") and thereafter any omission to comply with those covenants will not constitute a Default with respect to the 2021 Notes. In the event Covenant Defeasance occurs, certain events (not including non-payment, bankruptcy and insolvency events) described under " Events of Default and Remedies" will no longer constitute an Event of Default with respect to the 2021 Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance:

- (1) Eagle Spinco must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the 2021 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest and premium on, the outstanding 2021 Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Eagle Spinco must specify whether the 2021 Notes are being defeased to such stated date for payment or to a particular redemption date;
- (2) in the case of Legal Defeasance, Eagle Spinco must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that (a) Eagle Spinco has received from, or there has been published by, the Internal Revenue Service (IRS) a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding 2021 Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
- (3) in the case of Covenant Defeasance, Eagle Spinco must deliver to the Trustee an opinion of counsel reasonably acceptable to the Trustee confirming that the holders of the outstanding 2021 Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default has occurred and is continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Eagle Spinco or any Guarantor is a party or by which Eagle Spinco or any Guarantor is bound;
- (5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than the Eagle Spinco Indenture) to which Axiall or any of its Subsidiaries is a party or by which Axiall or any of its Subsidiaries is bound;

Table of Contents

- (6) Eagle Spinco must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by Eagle Spinco with the intent of preferring the holders of the 2021 Notes, over the other creditors of Eagle Spinco with the intent of defeating, hindering, delaying or defrauding any creditors of Eagle Spinco or others; and
- (7) Eagle Spinco must deliver to the Trustee an Officers' Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Eagle Spinco Indenture, the 2021 Notes or the 2021 Note Guarantees may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount the 2021 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2021 Notes), and any existing Default or compliance with any provision of the Eagle Spinco Indenture, the 2021 Notes or the 2021 Note Guarantees may be waived with the consent of the holders of a majority in aggregate principal amount the 2021 Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the 2021 Notes).

Without the consent of each holder of 2021 Notes affected thereby, an amendment, supplement or waiver may not (with respect to any 2021 Notes held by a non-consenting holder):

- (1) reduce the principal amount of 2021 Notes whose holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any 2021 Note or alter the provisions with respect to the redemption of the 2021 Notes (other than provisions relating to the covenants described above under the caption " Repurchase at the Option of Holders");
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any 2021 Note;
- (4) waive a Default in the payment of principal of, or interest or premium on, the 2021 Notes (except a rescission of acceleration of the 2021 Notes by the holders of at least a majority in aggregate principal amount of the then outstanding 2021 Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any 2021 Note payable in money other than U.S. dollars;
- (6) make any change in the provisions of the Eagle Spinco Indenture relating to waivers of past Defaults or the rights of holders of 2021 Notes to receive payments of principal of, or interest or premium on, the 2021 Notes;
- (7) waive a redemption payment with respect to any 2021 Note (other than a payment required by one of the covenants described above under the caption " Repurchase at the Option of Holders");
- (8) release any Guarantor from any of its obligations under its 2021 Note Guarantee or the Eagle Spinco Indenture, except in accordance with the terms of the Eagle Spinco Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of the 2021 Notes, Eagle Spinco, the Guarantors and the Trustee may amend or supplement the Indenture, the 2021 Notes or the 2021

Note Guarantees (for avoidance of doubt, existing Guarantors are not required to execute any supplemental indenture to add additional Guarantors pursuant to clause (8) below):

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated 2021 Notes in addition to or in place of certificated 2021 Notes;
- (3) to provide for the assumption of Eagle Spinco's or a Guarantor's obligations to holders of 2021 Notes and 2021 Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of Eagle Spinco's or such Guarantor's assets, as applicable;

- (5) to comply with requirements of the Commission in order to effect or maintain the qualification of the Eagle Spinco Indenture under the Trust Indenture Act;
- (6) to conform the text of the Eagle Spinco Indenture, the 2021 Note Guarantees or the 2021 Notes to any provision of this Description of Eagle Spinco's 2021 Notes to the extent that such provision in this Description of Eagle Spinco's 2021 Notes was intended to be a verbatim recitation of a provision of the Eagle Spinco Indenture, the 2021 Note Guarantees or the 2021 Notes;
- (7) to provide for the issuance of Additional 2021 Notes in accordance with the limitations set forth in the Eagle Spinco Indenture as of the Issue Date;
- (8) to allow any Guarantor to execute a supplemental indenture and/or a 2021 Note Guarantee with respect to the 2021 Notes;
- (9) to secure the 2021 Notes or any 2021 Note Guarantee; or
- (10) to add to the covenants of Axiall for the benefit of the holders of 2021 Notes or surrender any right or power conferred upon Axiall.

The consent of the holders is not necessary under the Eagle Spinco Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

Satisfaction and Discharge

The Eagle Spinco Indenture will be discharged and will cease to be of further effect as to all 2021 Notes, issued thereunder when:

- (1) either:
 - (a) all 2021 Notes that have been authenticated, except lost, stolen or destroyed 2021 Notes that have been replaced or paid and all 2021 Notes for whose payment money has been deposited in trust and thereafter repaid to Eagle Spinco, have been delivered to the Trustee for cancellation; or
 - (b)

all 2021 Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Eagle Spinco or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders of such 2021 Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any

reinvestment of interest, to pay and discharge the entire Indebtedness on the 2021 Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;

- (2) no Default has occurred and is continuing on the date of the deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Eagle Spinco or any Guarantor is a party or by which Eagle Spinco or any Guarantor is bound;
- (3) Eagle Spinco or any Guarantor has paid or caused to be paid all sums payable by it under the Eagle Spinco Indenture with respect to the 2021 Notes; and
- (4) Eagle Spinco has delivered irrevocable instructions to the Trustee under the Eagle Spinco Indenture to apply the deposited money toward the payment of the 2021 Notes at maturity or on the redemption date, as the case may be.

In addition, Eagle Spinco must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the Trustee becomes a creditor of Eagle Spinco or any Guarantor, the Eagle Spinco Indenture limits the right of the Trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee is permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if the Eagle Spinco Indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in aggregate principal amount of the then outstanding 2012 Notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, with respect to the 2021 Notes, subject to certain exceptions. The Eagle Spinco Indenture provides that in case an Event of Default occurs and is continuing, the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Eagle Spinco Indenture at the request of any holder of 2021 Notes, unless such holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

Governing Law

The Eagle Spinco Indenture and the 2021 Notes are governed by, and construed in accordance with, the laws of the State of New York, without regard of conflicts of laws principles that would require the application of the laws of another jurisdiction.

For purposes of this definition, whenever *pro forma* effect is to be given to any calculation under this definition, the *pro forma* calculations will be determined in good faith by a responsible financial or accounting officer of Axiall (and, to the extent such calculation includes *pro forma* expense and cost reductions, such *pro forma* expense and cost reductions shall be limited to, for the avoidance of doubt, cost savings and operating expense reductions resulting from such Investments, acquisition, merger or consolidation which is being given *pro forma* effect that have been or are expected to be realized within twelve (12) months after the date of such Investment, acquisition, merger or consolidation as the result of specified actions taken or to be taken within six (6) months after such date). If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest expense on such Indebtedness will be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Hedging Obligation applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months; *provided* that if such Hedging Obligation has a remaining term of less than 12 months such Hedging Obligation shall be taken into account for the number of months remaining). - (7) the consolidated interest expense of such Person and its Restricted Subsidiaries that was capitalized during such period;
- (8) the product of (a) all dividends paid or payable, in cash or otherwise or accrued during such period on any series of preferred stock of such Person or its Restricted Subsidiaries payable to a party other than Axiall or a wholly-owned Subsidiary of Axiall, other than dividends on Equity Interests payable solely in Equity Interests of Axiall (other than Disqualified Stock) or to Axiall or a Restricted Subsidiary of Axiall, times (b) a fraction, the numerator of which is one and the denominator of which is one minus the then current combined federal, state, provincial and local statutory tax rate of such Person, expressed as a decimal, in each case, on a consolidated basis and in accordance with GAAP;

BOOK-ENTRY; DELIVERY AND FORM

Except as set forth below, the Exchange Notes of each series will be issued in registered global form in minimum denominations of \$2,000 and multiples of \$1,000 in excess of that amount.

The Exchange Notes of each series will initially be represented by one or more fully registered global Exchange Notes (collectively, the "Global Notes"). Each such Global Note will be deposited upon issuance with the Trustee as custodian for DTC in New York, New York, and registered in the name of DTC or its nominee, in each case for credit to an account of a direct or indirect participant in DTC as described below. Transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

The following are summaries of certain rules and operating procedures of DTC that affect the payment of principal and interest and the transfers of interests in the Global Notes. The Exchange Notes of each series will be issued only in the form of definitive global securities that will be deposited with, or on behalf of, DTC and registered in the name of Cede & Co., as nominee of DTC. Unless and until they are exchanged in whole or in part for Exchange Notes in definitive form under the limited circumstances described below, a Global Note may not be transferred except as a whole (1) by DTC to a nominee, (2) by a nominee of DTC to DTC or another nominee of DTC or (3) by DTC or any such nominee to a successor of DTC or a nominee of such successor. Accountholders in the Euroclear or Clearstream Banking clearance systems may hold beneficial interests in the Exchange Notes through the accounts that each of these systems maintain as participants in DTC.

Ownership of beneficial interests in the Global Notes will be limited to persons that have accounts with DTC for such Global Notes, who we refer to as participants, or persons that may hold interests through participants. Upon the issuance of the Global Notes, DTC will credit, on its book-entry registration and transfer system, the participants' accounts with the respective principal amounts of the Exchange Notes represented by such Global Note beneficially owned by such participants. Ownership of beneficial interests in the Global Notes will be shown on, and the transfer of such ownership interests will be effected only through, records maintained by DTC (with respect to interests of participants). Beneficial owners will not receive written confirmation from DTC of their purchase. Beneficial owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the participant through which the beneficial owner entered into the transaction. Transfers of ownership interests in the Global Notes are to be accomplished by entries made on the books of participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interest in the Global Notes, except in the event that use of the book-entry system for the Global Notes is discontinued. The laws of some states may require that certain purchasers of securities take physical delivery of such securities in definitive form. Such laws may limit or impair the ability to own, transfer or pledge beneficial interests in the Global Notes.

So long as DTC or its nominee is the registered owner of the Global Notes, DTC or its nominee, as the case may be, will be considered the sole owner or holder of the Exchange Notes represented by such Global Notes for all purposes under the Indentures. Except as set forth below, owners of beneficial interests in the Global Notes will not be entitled to have Exchange Notes represented by such Global Notes registered in their names, will not receive or be entitled to receive physical delivery of such Exchange Notes in certificated form and will not be considered the registered owners or holders thereof under the Indentures. Accordingly, each person owning a beneficial interest in the Global Notes must rely on the procedures of DTC and, if such person is not a participant, on the procedures of the participant through which such person owns its interest, to exercise any rights of a holder under the Indentures.

Table of Contents

Axiall and Eagle Spinco understand that under existing industry practices, if Axiall or Eagle Spinco requests any action of holders or if an owner of a beneficial interest in any of the Global Notes desires to give or take any action that a holder is entitled to give or take under the Indentures, DTC would authorize the participants holding the relevant beneficial interests to give or take such action, and such participants would authorize beneficial owners owning through such participants to give or to take such action or would otherwise act upon the instructions of beneficial owners holding through them.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial owners may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Global Notes, such as redemptions, tenders, defaults and proposed amendments to the Exchange Notes documents. Beneficial owners may ascertain that the nominee holding the Global Notes for their benefit has agreed to obtain and transmit notices to beneficial owners or beneficial owners may provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Principal and interest payments on interests represented by the Global Notes will be made to DTC or its nominee, as the case may be, as the registered owner of such Global Notes. None of Axiall, Eagle Spinco, the Trustee or any other agent of Axiall or Eagle Spinco or agent of the Trustee will have any responsibility or liability for any facet of the records relating to or payments made on account of beneficial ownership of interests. Axiall and Eagle Spinco expect that DTC, upon receipt of any payment of principal or interest in respect of the Global Notes, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in such Global Notes as shown on the records of DTC. Axiall and Eagle Spinco also expect that payments by participants to owners of beneficial interests in the Global Notes held through such participants will be governed by standing customer instructions and customary practice, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such participants.

If DTC is at any time unwilling or unable to continue as depository for the Global Notes of either or both series of Exchange Notes, and Axiall and Eagle Spinco fail to appoint a successor depository registered as a clearing agency under the Exchange Act within 90 days with respect to either or both series of Exchange Notes, Axiall and Eagle Spinco, as applicable, will issue Exchange Notes of such series in definitive form in exchange for the Global Notes. Any Exchange Notes issued in definitive form in exchange for such Global Notes will be registered in such name or names, and will be issued in denominations of \$2,000 and integral multiples of \$1,000 as DTC shall instruct the Trustee. It is expected that such instructions will be based upon directions received by DTC from participants with respect to ownership of beneficial interests in the Global Notes.

DTC has advised Axiall and Eagle Spinco that DTC is a limited purpose trust company organized under the Banking Law of the State of New York, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold the securities of its participants and to facilitate the clearance and settlement of transactions among its participants in such securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movement of securities certificates. DTC's participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations, some of which (and/or their representatives) directly or indirectly own DTC. Access to the DTC book-entry system is also available to others, such as banks, brokers and dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following is a summary of certain U.S. federal income tax considerations relating to the exchange of unregistered Original Notes for registered Exchange Notes pursuant to the Exchange Offers, but does not purport to be a complete analysis of all the potential tax considerations relating to the Exchange Offers. This summary is based upon the provisions of the Internal Revenue Code of 1986, as amended, Treasury Regulations promulgated thereunder, administrative rulings and pronouncements and judicial decisions, all as in effect on the date of this prospectus and all of which are subject to change, possibly with retroactive effect, or different interpretations. We have not sought and will not seek any rulings from the Internal Revenue Service (IRS), with respect to the statements made in this summary, and there can be no assurance that the IRS will not take a position contrary to these statements or that a contrary position taken by the IRS would not be sustained by a court. This discussion does not address all of the U.S. federal income tax consequences that may be relevant to a holder in light of such holder's particular circumstances or to holders subject to special rules, such as banks and certain other financial institutions, partnerships and other pass-through entities, regulated investment companies, real estate investment trusts, U.S. expatriates, insurance companies, dealers in securities or currencies, traders in securities, U.S. holders whose functional currency is not the U.S. dollar, holders subject to alternative minimum tax, tax-exempt organizations, tax deferred or other retirement accounts and persons holding the Notes as part of a "straddle," "hedge," "conversion transaction" or other integrated transaction. This discussion also does not address the tax considerations arising under the laws of any foreign, state or local jurisdiction, or the effects of any other U.S. federal tax laws, including the gift and estate tax and the Medicare tax.

The exchange of an Original Note for an Exchange Note pursuant to the Exchange Offers (described under "Exchange Offers") will not constitute a taxable exchange for U.S. federal income tax purposes. Consequently, you will not recognize any taxable gain or loss upon the receipt of an Exchange Note pursuant to the Exchange Offers, your holding period for an Exchange Note will include the holding period of the Original Note exchanged therefor, your adjusted tax basis in an Exchange Note will be the same as the adjusted tax basis in the Original Note immediately before such exchange, and all of the U.S. federal income tax considerations associated with owning an Original Note will continue to apply to the Exchange Note received in exchange therefor.

THE PRECEDING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS IS FOR GENERAL INFORMATION ONLY AND IS NOT TAX ADVICE. INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE U.S. FEDERAL, STATE AND LOCAL AND FOREIGN INCOME AND OTHER TAX CONSIDERATIONS RELATING TO THE EXCHANGE OFFERS IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES.

PLAN OF DISTRIBUTION

Any broker-dealer that holds Original Notes that were acquired for its own account as a result of market-making activities or other trading activities (other than Original Notes of the applicable series acquired directly from Axiall or Eagle Spinco) and that will be a beneficial owner (as defined in Rule 13d-3 under the Securities Act) of Exchange Notes to be received by such broker-dealer in the Exchange Offers, may exchange such Original Notes pursuant to the Exchange Offers. Any such broker-dealer, however, may be deemed to be an "underwriter" within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of Exchange Notes received by such broker-dealer in the Exchange Offers. Such prospectus delivery requirement may be satisfied by the delivery by such broker-dealer of this prospectus.

Axiall and Eagle Spinco have agreed to make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with such resales for a period up to 180 days from the effective date of the registration statement of which this prospectus forms a part. Axiall and Eagle Spinco will provide sufficient copies of this prospectus, as amended or supplemented, to any broker-dealer promptly upon request at any time during such 180-day period in order to facilitate such resales.

Axiall and Eagle Spinco will not receive any proceeds from any sale of Exchange Notes by broker-dealers. Exchange Notes received by broker-dealers for their own account in the Exchange Offers may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any of these resales may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from these broker-dealers and/or the purchasers of Exchange Notes. Any broker-dealer that resells Exchange Notes that were received by it for its own account in the Exchange Offers and any broker-dealer that participates in a distribution of the Exchange Notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit on any such resale of Exchange Notes and any commission or concessions received by any such person may be deemed to be underwriting compensation under the Securities Act. The accompanying letters of transmittal state that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

Axiall and Eagle Spinco have agreed to pay all expenses incident to the Exchange Offers, other than commissions or concessions of any brokers or dealers and will indemnify the holders of the Original Notes, including any broker-dealers, against certain liabilities, including liabilities under the Securities Act.

PART II

INFORMATION NOT REQUIRED IN THE PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The following summary is qualified in its entirety by reference to the complete text of the statutes referred to below and the certificate of incorporation, bylaws or other organizational documents of Axiall, Eagle Spinco and the Guarantors.

(a) Axiall, Eagle Spinco, Axiall Holdco, Inc., Axiall Ohio, Inc., Rome Delaware Corp., and Royal Plastics Group (U.S.A.) Limited are incorporated in Delaware and subject to the General Corporation Law of the State of Delaware (the "DGCL").

Section 102(b)(7) of the DGCL allows a corporation to include in its certificate of incorporation a provision that limits or eliminates the personal liability of directors of a corporation or its stockholders for monetary damages for a breach of a fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase or redemption in violation of Delaware corporate law or obtained an improper personal benefit.

Section 145 of the DGCL allows a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. A Delaware corporation may indemnify directors, officers, employees and other agents of such corporation in an action by or in the right of a corporation to procure a judgment in its favor under the same conditions against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit, except that no indemnification is permitted without judicial approval if the person to be indemnified has been adjudged to be liable to the corporation with respect to such claim, issue or matter. Where a present or former director or officer of the corporation is successful on the merits or otherwise in the defense of any action, suit or proceeding referred to above or in defense of any claim, issue or matter therein, the corporation must indemnify such person against the expenses (including attorneys' fees) which he or she actually and reasonably incurred in connection therewith.

Section 174 of the DGCL provides, among other things, that a director who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held liable for such actions. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to such actions to be entered into the books containing the minutes of the meetings of the board of directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

Article XIII of Axiall's certificate of incorporation permits indemnification of directors and officers to the fullest extent permitted by the DGCL.

Article Seven of Rome Delaware Corp.'s charter provides for the indemnification of its directors and officers to the full extent permitted by the DGCL or any other applicable laws and allows the

corporation to enter into one or more agreements with any person which provide for indemnification greater or different than that provided in the charter.

Axiall's bylaws and Axiall Ohio, Inc.'s charter both provide for indemnification of company officers and directors against all expenses, liability or losses reasonably incurred or suffered by the officer or director to the extent legally permissible under the DGCL. Generally, indemnification will only be available where an officer or director can establish that such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the company. Axiall's bylaws and Axiall Ohio, Inc.'s charter also limit such indemnification in connection with actions, suits, or proceedings commenced by the officer or director to instances where the commencement of the proceeding (or part thereof) was authorized by the board of directors of the company. Axiall also maintains a director and officer insurance policy against any expense, liability or less, whether or not Axiall would have the power to indemnify such person against such expense, liability, or loss under the DGCL or any other applicable laws.

Eagle Spinco's charter provides that a director of the company shall not be liable to the company or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by the DGCL or other Delaware Law. Eagle Spinco may, by action of its board of directors, provide indemnification to such employees and agents of the company as to such extent and to such effect as the board shall determine to be appropriate and authorized by the DGCL or other Delaware Law. Eagle Spinco may also have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the company.

Axiall Holdco, Inc.'s charter provides indemnification for directors or officers of the company, or each such person who is or was serving or who had agreed to serve at the request of the board of directors, to the fullest extent permitted by the DGCL or any other applicable laws. Axiall Holdco, Inc. may also enter into one or more agreements with any person which provide for indemnification greater or different than that provided in its charter.

(b) Axiall, LLC, Eagle Holdco 3 LLC, Eagle Natrium LLC, Eagle US 2 LLC, and Georgia Gulf Lake Charles, LLC are limited liability companies formed under the laws of Delaware.

Section 18-108 of the Delaware Limited Liability Company Act (the "DLLCA") empowers a Delaware limited liability company to indemnify and hold harmless any member or manager of the limited liability company from and against any and all claims and demands whatsoever.

The limited liability company agreements of Axiall, LLC and Georgia Gulf Lake Charles, LLC provide indemnification for managers to the fullest extent permissible by the DLLCA. Axiall, LLC and Georgia Gulf Lake Charles LLC may indemnify any person who would not be entitled to mandatory indemnification with approval of all the members of the limited liability company.

The limited liability company agreements of Eagle Holdco 3 LLC, Eagle Natrium LLC, and Eagle US 2 LLC provide that each company will indemnify to the fullest extent of the law any manager, director or officer of such company to the fullest extent permissible by the DLLCA if such representative acted in good faith and in a manner such person reasonably believed to be in the best interests of each company, respectively. No indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of such person's duty to the company. These companies may also purchase and maintain insurance for officer and director liability, whether or not they would have the power or the obligation to indemnify such person.

(c) Eagle Pipeline, Inc. is incorporated in, and PHH Monomers, L.L.C. is organized under, the laws of the state of Louisiana.

Section 83A(1) of the Louisiana Business Corporation Law ("LBCL") permits corporations to indemnify any person who was or is a party or is threatened to be made a party to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, including any action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee, or agent of another business, foreign or nonprofit corporation, partnership, joint venture, or other enterprise, against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 83A(2) of the LBCL provides that, in case of actions by or in the right of the corporation, the indemnity shall be limited to expenses, including attorney's fees and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the action to conclusion, actually and reasonably incurred in connection with the defense or settlement of such action, and that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable for willful or intentional misconduct in the performance of his duty to the corporation, unless, and only to the extent that the court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, he is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. Section 83(B) of the LBCL provides that to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Any indemnification under Section 83A of the LBCL, unless ordered by the court, shall be made by the corporation only as authorized in a specific case upon a determination that the applicable standard of conduct has been met, and such determination shall be made: (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, or (ii) if such a quorum is not obtainable and the board of directors so directs, by independent legal counsel, or (iii) by the stockholders.

The indemnification provided for by Section 83 of the LBCL shall not be deemed exclusive of any other rights to which the person indemnified is entitled under any bylaw, agreement, authorization of stockholders or directors, regardless of whether directors authorizing such indemnification are beneficiaries thereof, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of his heirs and legal representative; however, no such other indemnification measure shall permit indemnification of any person for the results of such person's willful or intentional misconduct.

Section 1315 of the Louisiana Limited Liability Company Act states that a limited liability company's articles of organization or written operating agreement may (1) eliminate or limit the personal liability of such entity's members or managers for monetary damages for breach of their fiduciary duties or (2) provide for indemnification of such entity's members or managers for judgments, settlements, penalties, fines, or expenses incurred because of their current or former status as such.

The operating agreement of PHH Monomers, L.L.C. states that the company will indemnify, defend and hold harmless any officers or directors against any and all claims to the extent such claims arise out of operation of the Lake Charles complex. company if he acted in good faith and in a reasonable manner in the best interest of the company. This right is not exclusive of any other rights to which those seeking indemnification may be entitled under any other agreement or pursuant to the direction of any court of competent jurisdiction or otherwise. PHH Monomers, L.L.C. may purchase and maintain insurance on behalf of any person who is or was a member of the committee, director, officer, employee, agent or servant of the company, whether or not the company would have the power or the obligation to indemnify him against such liability under the above provisions.

(d) Exterior Portfolio, LLC is organized under the laws of the state of Ohio.

Exterior Portfolio, LLC is a limited liability company organized under the laws of Ohio. Section 1705.32 of the Ohio Revised Code ("Section 1705.32") provides that a limited liability company may indemnify or agree to indemnify any person who was or is a party, or who is threatened to be made a party, to any threatened, pending, or completed civil, criminal, administrative, or investigative action, suit, or proceeding, other than an action by or in right of the company, because such person is or was a manager, member, partner, officer, employee, or agent of the company or is or was serving at the request of the company as a manager, director, trustee, officer, employee, or agent of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise. The company may indemnify or agree to indemnify a person in that position against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement that actually and reasonably were incurred by such person in connection with the action, suit, or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the company and, in connection with any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful.

With respect to a suit by or in the right of the company, indemnity may be provided to the foregoing persons under Section 1705.32 on a basis similar to that set forth above, except that no indemnity may be provided in respect of certain claims, including any claim, issue or matter as to which such person has been adjudged to be liable for negligence or misconduct in the performance of such person's duty to the company unless and to the extent that the Court of Common Pleas or the court in which such action or suit was brought determines, upon application, that despite the adjudication of liability but in view of all the circumstances of the case such person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper. Moreover, Section 1705.32 provides for mandatory indemnification in certain circumstances. If a manager, officer, employee or agent of a limited liability company has been successful in defense of any claim, issue, or matter in an action, suit or proceeding referred to in those divisions, such person shall be indemnified against expenses, including attorney's fees, that were actually and reasonably incurred by such person in connection with the action suit and proceeding.

The operating agreement for Exterior Portfolio, LLC provides that the company shall indemnify, save harmless, and pay all judgments and claims against a member, director, or officer relating to any liability or damage incurred by reason of any act performed or omitted to be performed by such member or director in connection with the business of the company. The company will indemnify, save harmless, and pay all expenses costs or liabilities of the member or director who, for the benefit of the company makes any deposit, acquires any option, or makes any other similar payment or assumes and obligation in connection with any property proposed to be acquired by the company and who suffers any financial loss as the result of such action. The company may also purchase and maintain insurance on behalf of any one or more indemnitees.

(e) Plastic Trends, Inc. is incorporated under the laws of the state of Michigan.

Under Section 561 of the Michigan Business Corporation Act ("MIBCA"), a Michigan corporation may indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative

and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another enterprise, against expenses, including attorney's fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred in connection therewith if the person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders and, with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful.

Under Section 562 of the MIBCA, a Michigan corporation may also provide similar indemnity to such a person for expenses, including attorney's fees, and amounts paid in settlement actually and reasonably incurred by the person in connection with actions or suits by or in the right of the corporation if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the interests of the corporation or its shareholders, except in respect of any claim, issue or matter in which the person has been found liable to the corporation, unless the court determines that the person is fairly and reasonably entitled to indemnification in view of all relevant circumstances, in which case indemnification is limited to reasonable expenses incurred. To the extent that such person has been successful on the merits or otherwise in defending any such action, suit or proceeding referred to above or any claim, issue or matter therein, he or she is entitled to indemnification for expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Under Section 563 of the MIBCA if a director or officer of a corporation has been successful on the merits or otherwise in defense of an action, suit, or proceeding referred to in Section 561 or 562, or in defense of a claim, issue, or matter in the action, suit, or proceeding, the corporation shall indemnify him or her against actual and reasonable expenses, including attorneys' fees, incurred by him or her in connection with the action, suit, or proceeding and an action, suit, or proceeding brought to enforce the mandatory indemnification

Under Section 564a of the MIBCA, an indemnification under Section 561 or 562, unless ordered by the court or otherwise required by Section 563, shall be provided by the corporation only as authorized upon a determination that such officer, director, employee, or agent is proper because the applicable standard of conduct set forth in Sections 561 and 562 have been met. 564a(1) sets forth the following ways such determination may be made: (a) by a majority vote of a quorum of the board consisting of directors who are not parties or threatened to be made parties to the action, suit, or proceeding; (b) if a quorum cannot be obtained under subdivision (a), by majority vote of a committee duly designated by the board and consisting solely of 2 or more directors not at the time parties or threatened to be made parties to the action, suit, or proceeding; (c) in a written opinion by independent legal counsel selected by the board; (d) by all independent directors who are not parties or threatened to be made parties to the action, suit, or proceeding; or (e) by the shareholders, but shares held by directors, officers, employees, or agents who are parties or threatened to be made parties to the action, suit, or proceeding may not be voted.

The MIBCA also permits a Michigan corporation to purchase and maintain on behalf of such a person insurance against liabilities incurred in such capacities.

The bylaws of Plastic Trends, Inc. state that directors and officers shall be indemnified by the company against expenses, including attorneys fees, reasonably incurred by him in connection with any action, suit or proceeding (whether civil or criminal) to which he may be made a party by reason of his being, or having been a director or officer of the company. This includes the cost of reasonable settlement where such settlement is approved by the corporation. The corporation shall not indemnify any director or officer with respect to matters as to which he shall have been finally adjudged to have

been liable for negligence or misconduct in the performance of his duty as such director or officer. The bylaws of Plastic Trends, Inc. do not require the determination in Section 564(a) of the MIBCA.

(f) Royal Group Sales (USA) Limited and Royal Mouldings Limited are formed under the laws of the state of Nevada.

Section 78.138(7) of the Nevada Revised Statutes (the "NRS") provides that a director or officer is not individually liable to the corporation or its stockholders or creditors for any damages as a result of any act or failure to act in his capacity as a director or officer unless it is proven that his act or failure to act constituted a breach of his fiduciary duties as a director or officer and his breach of those duties involved intentional misconduct, fraud or knowing violation of law. The articles of incorporation or an amendment thereto may, however, provide for greater individual liability. Furthermore, directors may be jointly and severally liable for the payment of certain distributions in violation of Chapter 78 of the NRS.

The NRS also provide that under certain circumstances, a corporation may indemnify any person for amounts incurred in connection with a pending, threatened or completed action, suit or proceeding in which he is, or is threatened to be made, a party by reason of his being a director, officer, employee or agent of the agent of the corporation or serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, if such person (i) is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of law or such greater standard imposed by the corporation's articles of incorporation or (ii) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Additionally, a corporation may indemnify a director, officer, employee or agent with respect to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor, if such person (i) is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of law or such greater standard imposed by the corporation's articles of incorporation or (ii) acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, however, indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court to be liable to the corporation or for amounts paid in settlement to the corporation, unless the court determines that the person is fairly and reasonably entitled to indemnity for such expenses as the court.

The bylaws of Royal Group Sales (USA) Limited state that the company shall indemnify any person by reason of the fact that he is or was a director, officer, employee or agent of the company if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the company. No indemnification shall be made in respect of any claim as to which such person shall have been adjudged to be liable. Any indemnification shall be made by the company only as authorized in the specific case upon a determination by majority vote of a quorum of the board of directors who were not a party so such action or, if not available, or if directed by a quorum of disinterested directors, by independent legal counsel in a written opinion or by the stockholders. Royal Group Sales (USA) Limited has the power to purchase and maintain insurance on behalf of any director, officer, employee or agent of the company whether or not the company would have the power to indemnify such person against such liability under the above provisions.

The articles of incorporation of Royal Mouldings Limited state that no director or officer of the corporation will be liable to the corporation for damages for breach of fiduciary duty as director or officer except in the case of acts or omissions which involve intentional misconduct, fraud or a knowing violation of the law or the payment of dividends in violation of NRS 78.300. The bylaws of Royal Mouldings Limited provide that the company shall indemnify the officers and directors of Royal Mouldings Limited to the fullest extent permitted by Nevada law, and that the company shall pay

expenses incurred in advance of the final disposition of such matter, upon the undertaking by such officer or director to repay such expenses if it should ultimately be determined that indemnification is not permitted. Indemnity of any such person who is entitled to indemnification shall be reduced by any amounts such person may collect with respect to liability under any policy of insurance purchased and maintained on his or her behalf by the company or from any other entity or enterprise served by such person.

(g) Royal Window and Door Profiles Plant 13 Inc. is incorporated under the laws of the state of Pennsylvania.

Pursuant to Sections 1741 and 1742 of the Pennsylvania Business Corporation Law ("PBCL"), a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding (i) if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation and (ii) with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe such conduct was unlawful. In an action by or in the right of the corporation, such indemnification is limited to expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to the corporation unless, and only to the extent that, a court determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses that the court deems proper.

PBCL Section 1744 provides that, unless ordered by a court, any indemnification referred to above shall be made by the corporation only as authorized in the specific case upon a determination that indemnification is proper in the circumstances because the director, officer, employee or agent of the corporation has met the applicable standard of conduct. Such determination shall be made: (i) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action or proceeding; (ii) if such a quorum is not obtainable or if obtainable and a majority vote of a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; or (iii) by the shareholders.

Notwithstanding the above, PBCL Section 1743 provides that to the extent that a director, officer, employee or agent of a business corporation is successful on the merits or otherwise in defense of any proceeding referred to above as contained in sections 1741 and 1742, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

PBCL Section 1745 provides that expenses (including attorneys' fees) incurred by an officer, director, employee or agent of a business corporation in defending any such proceeding may be paid by the corporation in advance of the final disposition of the action or proceeding upon receipt of an undertaking to repay the amount advanced if it is ultimately determined that the director, officer, employee or agent of the corporation is not entitled to be indemnified by the corporation.

PBCL Section 1746 provides that the indemnification and advancement of expenses provided by, or granted pursuant to, the foregoing provisions is not exclusive of any other rights to which a person

seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise both as to action in such person's official capacity and as to action in another capacity while holding office, and that indemnification may be granted under any bylaw, agreement, vote of shareholders or directors or otherwise for any action taken whether or not the corporation would have the power to indemnify the person under any other provision of law and whether or not the indemnified liability arises or arose from any threatened, pending or completed action by or in the right of the corporation, provided, however, that no indemnification may be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

(h) Royal Window and Door Profiles Plant 14 Inc. is incorporated under the laws of the state of Washington.

Section 23B.08.510 of the Washington Business Corporation Act ("WABCA") empowers a corporation to indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if: (1) the individual acted in good faith; and (2) the individual reasonably believed (i) in the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in its best interests; and (ii) in all other cases, that the individual's conduct was at least not opposed to its best interests; and (3) in the case of any criminal proceeding, the individual had no reasonable cause to believe the individual's conduct was unlawful. Indemnification permitted under such provision of the WABCA in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding. A corporation may not indemnify a director (1) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or (2) in connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director. Unless limited by its articles of incorporation, a corporation must indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because of being a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. Unless limited by the corporation's articles of incorporation, an officer of the corporation who is not a director is also entitled to such mandatory indemnification, to the same extent as a director. Under Section 23B.08.530 of the WABCA, a corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of the final disposition of the proceeding if: (1) the director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in Section 23B.08.510 of the WABCA; and (2) the director furnishes the corporation an undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the relevant standard of conduct. Unless a corporation's articles of incorporation provide otherwise, the corporation may indemnify and advance expenses under Sections 23B.510 through 23B.08.560 of the WABCA to an officer, employee or agent of the corporation who is not a director to the same extent as to a director. A corporation may also indemnify and advance expenses to an officer, employee or agent who is not a director to the extent, consistent with law, that may be provided by the corporation's articles of incorporation, bylaws, general or specific action of its board of directors, or contract. A corporation may also purchase and maintain on behalf of a director, officer, employee or agent of the corporation insurance against liabilities incurred in such capacities, whether or not the corporation would have the power to indemnify him against the same liability under the WABCA.

Article 12 of the Royal Window and Door Profiles Plant 14 Inc. charter states that to the full extent the WABCA permits the limitation or elimination of the liability of directors, a director of the company shall not be liable to the company or its shareholders for monetary damages for conduct as a

Table of Contents

director. Section 10 of the Royal Window and Door Profiles Plant 14 Inc. bylaws states that each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any actual or threatened action, suit or proceeding, by reason of the fact that such person is or was a director or officer of the corporation or, that being or having been such a director or officer or an employee of the corporation, such person is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless by the corporation, to the full extent permitted by applicable law, against all expenses, liability, and loss actually and reasonably incurred or suffered by such indemnitee in connection therewith. The company may maintain insurance to protect itself and any director, officer, employee or agent of the corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss whether or not the corporation would have the power to indemnify such person against such expense, liability or loss under the WABCA.

The undersigned registrants hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Exchange Offers.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or

prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5)

That, for the purpose of determining liability of such registrants under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrant pursuant to the registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be a seller to the purchaser and will each be considered to offer or sell such securities to such purchaser:

(i)

any preliminary prospectus or prospectus of the undersigned registrant relating to the Exchange Offers required to be filed pursuant to Rule 424;

(ii)

any free writing prospectus relating to the Exchange Offers prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii)

the portion of any other free writing prospectus relating to the Exchange Offers containing material information about the undersigned registrant or their securities provided by or on behalf of the undersigned registrant; and

(iv)

any other communication that is an offer in the Exchange Offers made by the undersigned registrant to the purchaser.

(6)

That for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7)

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, each registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(8)

To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(9)

To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
