Table of Contents

What am I being asked to vote on?

You are being asked to vote on the following proposals:

Proposal 1 (Election of Trustees): The election of the nine trustee nominees named in this Proxy Statement, each for a term expiring at the 2019 annual meeting of shareholders;

Proposal 2 (Ratification of PricewaterhouseCoopers LLP): The ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018;

Proposal 3 (Non-Binding Advisory Vote to Approve Named Executive Officer Compensation): An advisory (non-binding) vote to approve the compensation of our named executive officers, which is commonly referred to as "Say-On-Pay"; and

Proposal 4 (Non-Binding Advisory Vote on the Frequency of Say-On-Pay Advisory Votes): An advisory (non-binding) vote on the frequency of future shareholder advisory votes to approve the compensation of our named executive officers, which is commonly referred to as "Say When On Pay".

What are the Board's voting recommendations?

The Board recommends that you vote as follows:

Proposal 1 (Election of Trustees): "FOR ALL" of the Board's nine nominees for election as trustees;

Proposal 2 (Ratification of PricewaterhouseCoopers LLP): "FOR" the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018;

Proposal 3 (Non-Binding Advisory Vote to Approve Named Executive Officer Compensation): "FOR" the advisory (non-binding) "Say-On-Pay" vote to approve the compensation of our named executive officers; and

Proposal 4 (Non-Binding Advisory Vote on the Frequency of Say-On-Pay Advisory Votes): "EVERY YEAR" with respect to the advisory vote on the frequency of future Say-On-Pay votes. While our Board is recommending that you vote "EVERY YEAR" with respect to the frequency of holding future Say-On-Pay votes, shareholders are being asked to vote on whether future Say-On-Pay votes should occur every one, two or three years, or to abstain from voting on the matter, and not whether they approve or disapprove of the Board's recommendation.

Who is entitled to vote at the annual meeting?

Only holders of record of our common shares at the close of business on March 21, 2018, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the meeting. Our common shares constitute the only class of securities entitled to vote at the meeting.

What are the voting rights of shareholders?

Each common share outstanding on the record date entitles its holder to cast one vote on each matter to be voted on.

How many trustees can I vote for?

Edgar Filing: RLJ Lodging Trust - Form DEF 14A

Shareholders can vote for up to nine nominees for trustee. We recommend that you vote "**FOR ALL**" of our nominees for trustee.

Table of Contents

Who can attend the annual meeting?

All holders of our common shares at the close of business on March 21, 2018, the record date for the annual meeting, or their duly appointed proxies, are authorized to attend the annual meeting. Admission to the meeting will be on a first-come, first-served basis. If you attend the meeting, you may be asked to present valid photo identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the meeting. For directions to the annual meeting of shareholders, contact our proxy solicitor.

Please also note that if you are the beneficial owner of shares held in "street name" (that is, through a bank, broker or other nominee), you will need to bring a copy of the brokerage statement reflecting your share ownership as of March 21, 2018.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Many shareholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of record. If your shares are registered directly in your name with our transfer agent, EQ Shareowner Services you are considered the shareholder of record of those shares and these proxy materials are being sent directly to you by us.

Beneficial owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the annual meeting unless you bring with you a legal proxy from the shareholder of record.

What does it mean if I receive more than one WHITE proxy card?

If your shares are registered differently or are in more than one account, you will receive a **WHITE** proxy card for each account. To ensure that all of your shares are voted, please follow the instructions you receive for each account to complete, sign, date and return each **WHITE** proxy card you receive.

To ensure shareholders have the Company's latest proxy information and materials to vote, the Board may conduct multiple mailings prior to the date of the annual meeting and, as a result, you may receive more than one copy of the **WHITE** proxy card regardless of whether or not you have previously submitted your proxy. Whether or not you plan to attend the annual meeting in person, you are urged to mark, date, sign and return a **WHITE** proxy card in the postage-paid envelope provided as promptly as possible. **Only the latest dated proxy you submit will be counted.**

How will my shares be voted if I do not provide specific voting instructions in the WHITE proxy card that I submit?

If you submit a **WHITE** proxy card without giving specific voting instructions on one or more matters listed in the notice for the meeting, your shares will be voted as recommended by our Board on such matters, and as the proxy holders may determine in their discretion how to vote with respect to any other matters properly presented for a vote at the meeting.

May I change or revoke my vote after I return my proxy card?

Yes. You may change or revoke a previously granted proxy at any time before it is exercised by (i) filing with our Secretary a notice of revocation or a duly executed proxy bearing a later date or

Table of Contents

(ii) attending the meeting and voting in person. Please note that attendance at the meeting, in itself, will not constitute a revocation of a previously granted proxy.

If your shares are held in street name, then you may submit new voting instructions by contacting your broker or nominee. You may also vote in person at the annual meeting if you obtain a legal proxy from your broker.

What will constitute a quorum at the annual meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the common shares outstanding on March 21, 2018 will constitute a quorum, permitting the shareholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting for purposes of determining the presence of a quorum at the meeting. As of the March 21, 2018 record date, there were 175,205,952 common shares outstanding.

How many votes are needed for the proposals to pass?

The proposals to be voted on at the annual meeting have the following voting requirements:

Proposal 1 (Election of Trustees): As provided in our bylaws, in a situation where, as of the record date, the number of trustee nominees exceed the number of trustees to be elected, trustees are elected by a plurality of the votes cast at the annual meeting instead of by a majority of all the votes cast at a meeting of shareholders. As of the record date for this year's annual meeting, the number of trustee nominees exceeded the number of trustees to be elected in light of a shareholder having previously submitted to the Company a nomination notice for additional candidates; this nomination notice was subsequently withdrawn by the shareholder on April 18, 2018, after the record date. Accordingly, a plurality of votes cast standard applies to trustee elections this year and nominees receiving votes will be elected. Only votes cast "FOR" a nominee will be counted. If you submit the **WHITE** proxy card and do not indicate otherwise, your shares will be voted "**FOR ALL**" of the nine nominees named in Proposal 1 in this Proxy Statement.

Proposal 2 (Ratification of PricewaterhouseCoopers LLP): The affirmative vote of a majority of the votes cast is required to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018, which is considered a routine matter.

Proposal 3 (Non-Binding Advisory Vote to Approve Named Executive Officer Compensation): The affirmative vote of a majority of the votes cast is required for approval of the advisory (non-binding) vote to approve the compensation of our named executive officers.

Proposal 4 (Say-When-On-Pay): The affirmative vote of a majority of the votes cast is required for approval of the frequency of future shareholder advisory "Say-On-Pay" votes to approve the compensation of our named executive officers (Proposal 4). Since shareholders have several voting choices for Proposal 4, it is possible that no single choice will receive a majority of the votes cast. For Proposal 4, the option receiving a plurality of the votes cast on the proposal will be deemed the preferred option of shareholders.

What effect do withhold votes, abstentions and broker non-votes have on the proposals?

Withhold Votes. Only nominees receiving "FOR" votes will be elected as trustees. Withhold votes will be considered present for purposes of determining the presence of a quorum at the annual meeting but will not be counted in determining the outcome of Proposal 1 (election of trustees).

Edgar Filing: RLJ Lodging Trust - Form DEF 14A

Table of Contents

Abstentions. For purposes of each of the Proposals, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Broker Non-Votes. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the underlying beneficial owners. If that happens, the nominees may vote those shares only on matters deemed "routine" by the New York Stock Exchange (the 'NYSE'), the exchange on which our common shares are listed. On non-routine matters, nominees cannot vote without instructions from the beneficial owner, resulting in a so-called "broker non-vote." Under NYSE rules, Proposals 1, 3 and 4 (election of trustees, Say-On-Pay and Say-When-On-Pay) are considered non-routine. Proposal 2 (Ratification of PricewaterhouseCoopers LLP) is the only proposal that is considered "routine" under the NYSE rules. Accordingly, if you are a beneficial owner and your shares are held in the name of a broker, the broker is permitted to vote your shares on the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm even if the broker does not receive voting instructions from you. Consequently, if you do not give your broker instructions, your broker will not be able to vote on any of the non-routine proposals. **If you are a beneficial holder and want your vote to count on these non-routine proposals, it is critical that you instruct your broker how to vote your shares.** Consequently, if you do not submit any voting instructions to your broker, your broker may exercise its discretion to vote your shares on the proposal to ratify the appointment of PricewaterhouseCoopers LLP. If your shares are voted on this item as directed by your broker, your shares will constitute "broker non-votes" on each of the non-routine items and will not be counted in determining the number of shares necessary for approval of the non-routine items, although they will count for purposes of determining whether a quorum exists.

Will any other matters be voted on?

As of the date of this Proxy Statement, we are not aware of any matters that will come before the annual meeting other than those disclosed in this Proxy Statement. If any other matters are properly brought before the annual meeting, the persons named in the accompanying **WHITE** proxy card will vote the shares represented by the proxies on the other matters in the manner recommended by our Board, or, if no such recommendation is given, in the discretion of the proxy holders.

How do I vote?

If you are a shareholder of record, you may vote by telephone, via the Internet or by marking your voting instructions, signing, dating and mailing your **WHITE** proxy card in the enclosed postage-paid envelope. Simply follow the instructions provided on your **WHITE** proxy card. If you are a beneficial owner and your shares are held by a bank or broker, you should follow the instructions provided to you by the bank or broker. Although most banks and brokers now offer voting by mail, telephone and on the Internet, availability and specific procedures will depend on their voting arrangements.

If I plan to attend the annual meeting, should I still vote by proxy?

Yes. Voting in advance does not affect your right to attend the annual meeting. If you send in your **WHITE** proxy card and also attend the annual meeting, you do not need to vote again at the annual meeting unless you want to change your vote. Written ballots will be available at the meeting for shareholders of record. Beneficial owners who wish to vote in person at the annual meeting must request a legal proxy from their brokerage firm, bank, trustee or other agent and bring that legal proxy to the annual meeting.

How are proxy card votes counted?

If the accompanying **WHITE** proxy card is properly signed and returned to us, and not subsequently revoked, it will be voted as directed by you. Unless contrary instructions are given, the

Edgar Filing: RLJ Lodging Trust - Form DEF 14A

Table of Contents

persons designated as proxy holders on the **WHITE** proxy card will vote: "**FOR ALL**" of the Board's nominees named in Proposal 1 of this Proxy Statement; "**FOR**" the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018; "**FOR**" the advisory (non-binding) "Say-On-Pay" vote to approve the compensation of our named executive officers; "**FOR**" "one year" on the advisory vote on the frequency of holding advisory Say-On-Pay votes of shareholders; and as recommended by our Board of Trustees with regard to any other matters that may properly come before the meeting, or, if no such recommendation is given, in their own discretion.

Who will count the votes?

The Inspector of Election appointed for the annual meeting will separately tabulate the affirmative and negative votes, withheld votes, abstentions and broker non-votes.

Where can I find the voting results of the Annual Meeting?

We will report preliminary voting results by filing a Current Report on Form 8-K within four business days following the date of the annual meeting. If final voting results are not known when such report is filed, they will be announced in an amendment to such report within four business days after the final results become known.

Who pays the costs of soliciting proxies and what solicitation methods may be employed?

We will bear the entire costs of soliciting proxies, including the preparation, assembly, printing and mailing of this Proxy Statement and any additional solicitation material furnished to our shareholders, which additional materials may be furnished by mail and electronic means. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries, and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners, and we expect to reimburse the corresponding forwarding expenses. We have retained the services of Innisfree M&A Incorporated ("Innisfree") to solicit proxies, for which we estimate that we will pay a fee not to exceed \$50,000. Innisfree may solicit proxies by mail, telephonic and personal communication. In addition to soliciting proxies by mail, certain of our officers, trustees and other employees, without additional compensation, may solicit proxies personally (by telephone or other personal contact) or by other appropriate means.

Who can I contact if I have questions or need assistance in voting my shares, or if I need additional copies of the proxy materials?

If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor at:

Table of Contents**PROPOSALS TO BE VOTED ON****Proposal 1: Election of Trustees**

Our Board of Trustees is currently comprised of nine trustees, all of whom have terms expiring at the 2018 annual meeting. **In evaluating our Board and considering this Proposal, we encourage you to review the "Corporate Governance and Board Matters" section of this Proxy Statement below, including as to the role of the Board of Trustees in our strategy, our approach to board refreshment, our commitment to ensuring shareholders have an engaged and responsive Board of Trustees in place with the right skillsets and diversity, our shareholder engagement practices and our strong, shareholder-friendly corporate governance. More information about our nominees is included below.**

The nominees, all of whom are currently serving as trustees of the Company except Leslie D. Hale, who will serve as the Company's new President and Chief Executive Officer effective August 2018, have been recommended by our Board of Trustees for election or re-election to serve as trustees for one-year terms until the 2019 annual meeting of shareholders and until their successors are duly elected and qualified. Each nominee has consented to be named in this proxy statement and agreed to serve as a trustee if elected by shareholders. Based on its review of the relationships between the trustee nominees and the Company, the Board of Trustees has affirmatively determined that the following trustees are "independent" trustees under the rules of the NYSE and under applicable rules of the Securities and Exchange Commission (the "SEC"): Evan Bayh, Arthur R. Collins, Nathaniel A. Davis, Patricia L. Gibson, Robert M. La Forgia, Robert J. McCarthy and Glenda G. McNeal.

The Board of Trustees knows of no reason why any nominee would be unable to serve as a trustee. If any nominee is unavailable for election or service, the Board of Trustees may designate a substitute nominee and the persons designated as proxy holders on the **WHITE** proxy card will vote for the substitute nominee recommended by the Board of Trustees. Under these circumstances, the Board of Trustees may also, as permitted by our bylaws, decrease the size of our Board of Trustees.

Nominees for Election for a One-Year Term Expiring at the 2019 Annual Meeting

The following table sets forth the name and age of each nominee for trustee, indicating all positions and offices with us currently held by the trustee nominee.

Vote Required and Recommendation

The affirmative vote of a plurality of the votes cast on the election of trustees is necessary for the election of a trustee. Accordingly, the nominees for election to the Board who receive votes "FOR" their election will be elected to serve as trustees. Cumulative voting in the election of trustees is not permitted. For purposes of the election of trustees, shares for which voting authority is withheld and broker non-votes will have no effect on the result of the vote.

Table of Contents**Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm**

The Audit Committee of our Board of Trustees, which is composed entirely of independent trustees, has appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018. After careful consideration of the matter and in recognition of the importance of this matter to our shareholders, the Board of Trustees has determined that it is in the best interests of the Company and our shareholders to seek the ratification by our shareholders of our Audit Committee's selection of our independent registered public accounting firm. A representative of PricewaterhouseCoopers LLP will be present at the annual meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Vote Required and Recommendation

The affirmative vote of the holders of a majority of all the votes cast at the annual meeting with respect to the matter is necessary for the approval of the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm. For purposes of approving Proposal 2, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote. Even if the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm is ratified, the Audit Committee may, in its discretion, change that appointment at any time during the year should it determine such a change would be in our and our shareholders' best interests. In the event that the appointment of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

OUR BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2018.

Pre-Approval Policies and Procedures

The Audit Committee's policy is to review and pre-approve, either pursuant to the Audit Committee's Audit and Non-Audit Services Pre-Approval Policy or through a separate pre-approval by the Audit Committee, any engagement of the Company's independent auditor to provide any permitted non-audit service to the Company. The Audit Committee has delegated authority to its chairperson to pre-approve engagements for the performance of audit and non-audit services, for which the estimated cost for such services shall not exceed \$100,000 in the aggregate in any calendar year. The chairperson must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement. Proposal 3: Non-Binding Advisory Vote to Approve Named Executive Officer Compensation

We are providing our shareholders an annual opportunity to indicate whether they support our compensation program for our named executive officers as described in this Proxy Statement by voting for or against the resolution set forth below. This vote, pursuant to Section 14A of the Exchange Act and commonly referred to as "Say-On-Pay," is not intended to address any specific item of compensation, but instead relates to the Compensation Discussion and Analysis, the tabular disclosures regarding named executive officer compensation, and the narrative disclosure accompanying the tabular presentation. We believe that it is appropriate to seek the views of shareholders on the design and effectiveness of our executive compensation program. Although the vote on this resolution is advisory in nature and, therefore, will not bind us to take any particular action, our Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote and will carefully consider the outcome of the vote when making future compensation decisions for our named executive officers. Our current policy is to provide our shareholders with an opportunity to approve the compensation of our named executive officers each year at the annual meeting of shareholders. It is expected that the next advisory (non-binding) vote to approve executive compensation will be held at the 2019 annual meeting of shareholders.

We believe our executive compensation policies and procedures are centered on pay-for-performance principles and are closely aligned with the long-term interests of our shareholders. As described under the heading "Compensation Discussion and Analysis," our executive compensation program is designed to attract and retain outstanding executives, to reward them for superior performance and to ensure that compensation provided to them remains competitive. We seek to align the interests of our executives and shareholders by tying a substantial portion of our executives' total compensation to performance measures that align long-term shareholder value and leadership actions that are expected to position our Company for long-term success.

For the reasons discussed above, we believe our compensation program for our named executive officers is instrumental in helping us achieve our operational and financial goals. Accordingly, we believe that our compensation program should be endorsed by our shareholders, and we are asking our shareholders to vote "FOR" the following resolution:

"RESOLVED, that the shareholders hereby approve the compensation of the Company's named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and the related narrative executive compensation disclosure contained in this Proxy Statement."

Vote Required and Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting with respect to the matter is required to endorse (on a non-binding advisory basis) the compensation of the Company's named executive officers. For purposes of the vote on this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

OUR BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RESOLUTION APPROVING ON A NON-BINDING ADVISORY BASIS THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

Table of Contents

Proposal 4: Non-Binding Advisory Vote on the Frequency of Say-On-Pay Advisory Votes

We are presenting this proposal to provide shareholders the opportunity to cast a non-binding advisory vote on how frequently the Company should submit a "Say-On-Pay" proposal for consideration by our shareholders. As a shareholder, you may vote to hold an advisory "Say-On-Pay" vote every one, two or three years, or to abstain from voting.

After careful consideration of this proposal, our Board of Trustees has determined that an advisory "Say-On-Pay" vote to approve the compensation of our named executive officers that occurs every year is the most appropriate alternative for the Company. Our Board of Trustees believes an annual advisory vote is consistent with our philosophy on executive compensation and will allow shareholders to provide their most direct input on our executive compensation philosophy, policies and practices as disclosed in the Proxy Statement each year.

While this vote is advisory in nature and therefore will not bind us to adopt any particular frequency, our Board of Trustees intends to carefully consider the shareholder vote resulting from the proposal and to continue to evaluate the options for how frequently we hold "Say-On-Pay" votes.

Vote Required and Recommendation

Shareholders are not voting to approve or disapprove the recommendation of our Board of Trustees that the non-binding advisory vote to approve the compensation of our named executive officers be held every year. The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency for the advisory vote on executive compensation that has been selected (on a non-binding advisory basis) by the shareholders. For purposes of this proposal, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote.

OUR BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS A VOTE FOR THE "1 YEAR" ALTERNATIVE SET OUT IN THE PROXY CARD.

CORPORATE GOVERNANCE AND BOARD MATTERS

Role of the Board of Trustees

Our Board of Trustees acts as the steward of the Company for the benefit of all of our shareholders. Our trustees exercise their business judgment in the best interests of the Company and its shareholders consistent with their legal duties. Our trustees also bring to the Board a wealth of business experience and a track record of excellent business judgment in various situations relevant to the Company's operations. As further discussed below, our Board also prioritizes shareholder engagement and believes that hearing and listening to shareholder perspectives firsthand is valuable not only for management but also for trustees of the Board.

Our Board is committed to ensuring that our overall business strategy is designed to create long-term value for the Company's shareholders. The Board maintains an active role in formulating, planning and overseeing the implementation of the Company's strategy. It has a robust strategic planning process during which key elements of our business and financial plans, strategies and near- and long-term initiatives are developed and reviewed. This process culminates with a fulsome review of the Company's overall strategy, opportunities, challenges and capabilities with our management team. In addition to business strategy, the Board reviews the Company's short-term and long-term financial plans, which serve as the basis for the annual operating and capital plans for the upcoming year. The Board evaluates progress made, as well as related challenges and risks, with respect to our strategy and plans throughout the year.

Our Board has been actively engaged in overseeing the execution of the Company's four near-term strategic initiatives for unlocking shareholder value. As mentioned above, these near-term priorities include: (1) realizing corporate synergies from the FelCor merger; (2) optimizing the portfolio through the sale of non-core FelCor hotels and the opportunistic sale of RLJ legacy hotels; (3) improving our cost of capital and deleveraging our balance sheet; and (4) reinvesting strategically in our assets to drive additional market share and future growth through select renovations and brand conversions. Our Board's valuable insight and guidance with management on the execution of these strategic initiatives has facilitated the Company's successful sale of two non-core assets—the Fairmont Copley Plaza and the Sheraton Philadelphia—at significantly accretive valuations. The Board and management also facilitated the Company's negotiation of loan amendments to improve the Company's maturity profile, feature new favorable pricing, strengthen the balance sheet and reduce the Company's cost of capital. The Board will continue to oversee and support actions to enhance value for all shareholders and be deeply engaged in the Company's strategic direction and future.

Corporate Governance Profile

Our corporate governance is structured in a manner that our Board of Trustees believes aligns our interests with those of our shareholders. Notable features of our corporate governance structure include the following:

our Board of Trustees is actively involved in the oversight of strategic and risk matters, evaluates its own practices and composition, prioritizes shareholder engagement and takes actions to strengthen the Company;

our Board of Trustees has a Lead Independent Trustee and is not staggered, with each of our trustees subject to re-election annually;

our Board of Trustees currently has nine trustees, a majority (seven) of whom our Board of Trustees affirmatively has determined, after broadly considering all relevant facts and circumstances, to be "independent" under the listing standards of the NYSE and under applicable rules of the SEC;

we have adopted a majority voting standard for the election of trustees in uncontested elections, with a plurality voting standard applying if as of the record date for an annual meeting the number of trustee nominees exceeds the number of trustees to be elected;

we have adopted amendments to our Declaration of Trust and bylaws to allow shareholders to amend our bylaws by a majority vote of the outstanding shares entitled to be cast on the matter;

we have opted out of all of the provisions of Title 3, Subtitle 6 (the "Business Combination Act") of the Maryland General Corporation Law (the "MGCL"), Title 3, Subtitle 7 of the MGCL (the "Control Shares Acquisition Act") and Title 3, Subtitle 8 of the MGCL (the "Unsolicited Takeover Act") and we may not opt back in to any of these provisions without shareholder approval by a majority of votes cast on the matter; and

we do not have a shareholders rights plan.

Although we have opted out of the Unsolicited Takeover Act, we note that, pursuant to provisions in our Declaration of Trust and bylaws unrelated to the Unsolicited Takeover Act, we currently (1) require, unless called by the Executive Chairman or Chairman of the Board of Trustees, Chief Executive Officer, President or a majority of our trustees, the written request of shareholders entitled to cast not less than a majority of the votes entitled to be cast at a meeting to call a special meeting, and (2) provide that trustees may only be removed for cause and then only by the affirmative vote of holders of at least two-thirds of the votes entitled to be cast in the election of trustees. In addition, provisions in our Declaration of Trust and bylaws provide that the number of trustees may be determined by our Board of Trustees and that our trustees may fill vacancies on our Board of Trustees and, therefore, pursuant to provisions in the MGCL, shareholders do not have the authority to determine the number of trustees on our Board of Trustees or to fill vacancies on the Board of Trustees other than vacancies resulting from the removal of a trustee. By opting out of the Unsolicited Takeover Act and requiring shareholder approval to opt back in, we are prohibited from utilizing the anti-takeover provisions of the Unsolicited Takeover Act, without first receiving the approval of a majority of shareholders casting votes on the matter.

Corporate Governance Guidelines

Our Board of Trustees has adopted Corporate Governance Guidelines, which set forth a flexible framework within which the Board, assisted by its committees, directs the affairs of the Company. The Corporate Governance Guidelines address, among other things:

Independence of Trustees

NYSE listing standards require NYSE-listed companies to have a majority of independent board members and a nominating/corporate governance committee, compensation committee and audit committee, each comprised solely of independent trustees. Under the NYSE listing standards, no trustee of a company qualifies as "independent" unless the Board of Trustees of the company affirmatively determines that the trustee has no material relationship with the company (either directly or as a partner, shareholder or officer of an organization that has a relationship with such company).

The Board currently has nine trustees, a majority (seven) of whom our Board of Trustees affirmatively has determined, after broadly considering all relevant facts and circumstances, to be "independent" under the listing standards of the NYSE and under applicable rules of the SEC. The Board affirmatively has determined that each of the following trustees is independent under these standards: Evan Bayh, Arthur R. Collins, Nathaniel A. Davis, Patricia L. Gibson, Robert M. La Forgia, Robert J. McCarthy and Glenda G. McNeal. Robert L. Johnson and Leslie D. Hale are not independent as they are executive officers of the Company.

Table of Contents

Board Leadership Structure

Separate Chairman and Chief Executive Officer Positions

Since the formation of our Company, the roles of Executive Chairman and Chief Executive Officer have been held by different individuals; currently Robert L. Johnson serves as Executive Chairman and Ross H Bierkan serves as Chief Executive Officer. Mr. Johnson and Mr. Bierkan both are considered executive officers of the Company. The separation of the roles of Chairman and Chief Executive Officer allows Messrs. Johnson and Bierkan to have leadership roles on the executive management team, which our Board of Trustees believes is important in light of their respective roles with our predecessor entities, their knowledge of the Company and their extensive experience in the lodging industry. Our Board of Trustees continues to believe that our current leadership structure, including separate positions of Executive Chairman and Chief Executive Officer, provides an effective leadership model for the Company and the benefit of the distinct abilities and experience of both individuals. The Board of Trustees also believes having an Executive Chairman is useful as it ensures that Board leadership retains a close working relationship with management.

If Leslie D. Hale is elected to the Board of Trustees at the 2018 Annual Meeting, the roles of Executive Chairman and Chief Executive Officer will continue to be held by different individuals following her transition to the roles of President and Chief Executive Officer of the Company on August 22, 2018.

Lead Trustee

Our Board of Trustees believes that its governance structure ensures a strong, independent Board even though the Board does not have an independent Chairman. To strengthen the role of our independent trustees and encourage independent Board leadership, the Board of Trustees also has established the position of lead trustee, which currently is held by Nathaniel A. Davis. In accordance with our Corporate Governance Guidelines, the responsibilities of the lead trustee include, among others:

serving as liaison between (i) management, including the President and Chief Executive Officer, (ii) our other independent trustees and (iii) interested third parties and the Board of Trustees;

presiding at executive sessions of the independent trustees;

serving as the focal point of communication to the Board of Trustees regarding management plans and initiatives;

ensuring that the line between Board of Trustees oversight and management operations is respected;

providing the medium for informal dialogue with and between independent trustees, allowing for free and open communication within that group; and

serving as the communication conduit for third parties who wish to communicate with the Board of Trustees.

Our lead trustee will be selected on an annual basis by a majority of independent trustees then serving on the Board.

Board Qualifications, Attributes, Skills and Background

Trustee Selection Process

Our Corporate Governance Guidelines set forth minimum standards to be used in considering potential trustee candidates to further the Company's goal of ensuring that our Board of Trustees

Table of Contents

consists of a diversified group of qualified individuals who function effectively as a group and will drive shareholder value. Pursuant to our Corporate Governance Guidelines, candidates for trustee must possess, at a minimum:

high integrity;

an ability to exercise sound judgment;

an ability to make independent analytical inquiries;

a willingness and ability to devote adequate time and resources to diligently perform Board duties;

appropriate and relevant business experience and acumen;

an ability to add a diverse set of skills and experiences to those already on the Board; and

a reputation, both personal and professional, consistent with the image and reputation of the Company.

In addition to the aforementioned minimum qualifications, the Nominating and Corporate Governance Committee also has approved a written policy regarding qualification and nomination of trustee candidates. Among other things, the policy sets forth certain additional qualities and skills that, while not a prerequisite for nomination, should be considered by the Nominating and Corporate Governance Committee when evaluating a particular trustee candidate. These additional qualities and skills include, among others, the following:

whether the person possesses specific industry knowledge, expertise or contacts, including in the commercial real estate industry, and familiarity with general issues affecting the Company's business;

whether the person's nomination and election would enable the Board of Trustees to have a member that qualifies as an "audit committee financial expert" as such term is defined by the SEC;

whether the person would qualify as an "independent" trustee under the NYSE's listing standards and our Corporate Governance Guidelines;

the importance of continuity of the existing composition of the Board of Trustees; and

the importance of a diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

Table of Contents

The following table highlights some of the deep, diverse mix of skills, qualifications and experience that support value creation and which the Board considered in its selection of each nominee for election to the Board of Trustees. A particular nominee may possess additional skills, qualifications and experience even if not expressly indicated below.

*
Reflects composition of the Board of Trustees if all of the Board's recommended nominees are elected to the Board at the 2018 Annual Meeting.

The Nominating and Corporate Governance Committee will seek to identify trustee candidates based on input provided by a number of sources, including (a) other members of the Nominating and Corporate Governance Committee, (b) other members of the Board of Trustees and (c) shareholders of the Company. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified trustee candidates; however, we do not currently employ a search firm, or pay a fee to any other third party, to locate qualified trustee candidates.

As part of the candidate identification process, the Nominating and Corporate Governance Committee will evaluate the skills, expertise and diversity possessed by the current Board of Trustees, and whether there are additional skills, expertise or diversity that should be added to complement the composition of the existing Board of Trustees. The Nominating and Corporate Governance Committee also will take into account whether existing trustees have indicated a willingness to continue to serve as trustees if re-nominated. Once trustee candidates have been identified, the Nominating and Corporate Governance Committee will then evaluate each candidate in light of his or her qualifications and credentials, and any additional factors that the Nominating and Corporate Governance Committee deems necessary or appropriate. Existing trustees who are being considered for re-nomination will be re-evaluated as part of the Nominating and Corporate Governance Committee's process of recommending trustee candidates. All candidates submitted by shareholders will be evaluated in the same manner as all other trustee candidates, provided that the advance notice and other requirements set forth in our bylaws have been followed.

Table of Contents

After completing the identification and evaluation process described above, the Nominating and Corporate Governance Committee will recommend to the Board of Trustees the nomination of a number of candidates equal to the number of trustee vacancies that will exist at the annual meeting of shareholders. The Board of Trustees will then select the Board's trustee nominees for shareholders to consider and vote upon at the shareholders' meeting.

Board Refreshment

Our Board believes that a fully engaged Board of Trustees is a strategic asset of the Company, and that knowledgeable and fresh viewpoints and perspectives are important for informed decision-making. The Board also believes that appropriate tenure can facilitate trustees developing greater institutional knowledge and deeper insight into the Company's operations across a variety of economic and competitive environments.

Even before Board vacancies arise, the Board periodically evaluates whether it collectively has the right mix of skills, experience, attributes and diverse viewpoints necessary for it to drive shareholder value. The results of this evaluation are used to help inform the desirable skills set for potential Board nominees and to screen trustee candidates.

At the same time, as part of planning for Board refreshment and trustee succession, the Nominating and Corporate Governance Committee's practice has been to periodically consider potential trustee candidates. As a result of this ongoing review, in the last two years alone, the Board has appointed three new trustees.

With the Board's recommended slate of nine nominees, including four new trustees that would have joined the Board since 2016, the Board believes that it has an appropriate balanced board and will continue to consider opportunities to strengthen the Board's composition over time. As a group, the average tenure of the nominees for election to the Board of Trustees is approximately four years.

*
Reflects composition of the Board of Trustees if all of the Board's recommended nominees are elected to the Board at the 2018 Annual Meeting.

Board Diversity

As mentioned above, our Corporate Governance guidelines list the various characteristics that the Nominating and Corporate Governance Committee should consider in reviewing candidates for the Board. In addition to relevant business experience, qualifications, attributes, skills and willingness to

Table of Contents

devote sufficient time to the Board and its committees, our Corporate Governance Guidelines enumerate personal characteristics that should be considered, including reputation, high integrity, ability to exercise sound judgment and an adherence to high ethical standards.

In order to ensure that the Board benefits from diverse perspectives, our Board and Nominating and Corporate Governance Committee seek qualified nominees from a variety of backgrounds, including candidates of age, gender and ethnic diversity. To that end, 66% of the Company's trustee nominees contribute to gender/ethnic diversity. Our board's diversity is set forth below.

*
Reflects composition of the Board of Trustees if all of the Board's recommended nominees are elected to the Board at the 2018 Annual Meeting.

Shareholder Engagement

Our Board of Trustees is committed to being a responsible and responsive steward of shareholder capital, deeply engaged in the Company's strategic direction and performance. To that end, building and maintaining long-term relationships with our shareholders is a core goal of the Company, and there is no higher priority than earning and keeping the trust of our shareholders as we build value for the long-term. Additionally, both management and the Board believe that engaging with our shareholders is a year-round priority, not simply a box to check as we near our annual meeting. Furthermore, both management and the Board are committed to both proactive and reactive engagement; and we are determined to solicit feedback from our shareholders while also listening to any suggestions they might have to strengthen the long-term prospects of the Company. Thus, in addition to the valuable shareholder discussions and enhanced disclosures made by the Company in the Spring and Summer of 2017 in connection with securing shareholder approval for the FelCor merger, in the fall and winter of 2017 into 2018, led by the Board and management, the Company reached out and offered meetings to shareholders representing an aggregate of roughly 70% of our outstanding shares. In doing so, we hoped to update our shareholders on our long-term strategy of value creation while also hearing any feedback they might offer the company.

As a result of this outreach, in November and December of 2017, the Company met, either telephonically or in-person with shareholders representing an aggregate of more than 50% of our outstanding shares, and we continue to engage with our additional shareholders. Led by our lead independent trustee and other independent members of the Board as schedules permitted, members of the Board participated in many of these meetings. Additionally, at each meeting where trustees were

Table of Contents

present, they offered to conduct an executive session where shareholders could, if they wish, speak with members of the Board without management present. These and other meetings have proved invaluable in promoting two-way dialogue with our shareholders regarding the Company's strategic vision for value creation, the opportunities presented by the recent completion of the FelCor merger, confirming the value of our shareholder-friendly governance structures and potential enhancements to our board composition and governance, our approach to sustainability and environmental matters, and the investor expectations, business actions and opportunities before the Company to be responsive to shareholder feedback. The Board and management will continue this dialogue with our shareholders throughout the year and beyond.

Succession Planning

The Board has long taken succession planning seriously and views ensuring thoughtful, seamless and effective transitions of leadership to be a primary responsibility of the Board. In April 2018, the Board announced that President and Chief Executive Officer Ross H. Bierkan will retire from the Company, effective at the end of the term of his existing employment agreement on August 22, 2018, and that, in alignment with the Board's executive succession planning, the Board of Trustees has named Leslie D. Hale as President and Chief Executive Officer, effective August 22, 2018.

Corporate Responsibility, Environmental and Sustainability Matters

We have long recognized the growing interest of our investors, associates and business partners in environmental, social and governance issues and principles of responsible investing. As such, the Company has a long-standing commitment to our shareholders and communities to operate in an environmentally and socially responsible manner.

Environmental Oversight

We are an industry leader in ensuring strong environmental oversight and fostering new sustainability initiatives. Our efforts include implementing numerous programs to reduce energy and water consumption as well as upgrading various building systems to balance comfort with energy savings. Furthermore, we have continued installing energy-efficient lighting throughout our property portfolio and continue to study the feasibility of installing LED lighting throughout our hotels.

Corporate Citizenship

The Company takes seriously its responsibility to strengthen the communities in which we operate. Whether through numerous programs designed to benefit the underserved children of the Washington D.C. area or through our corporate sponsorship of the Montgomery County, Maryland Habitat for Humanity, we are always focused on adding real value to local communities.

The Company maintains an updated website devoted to the Company's ongoing Environmental, Corporate Social Responsibility and Governance Initiatives. Shareholders may access this page at: <http://www.rljlodgingtrust.com/jobpdfs/EnvirCorpSocialResGovPolicy.pdf>.

Board Oversight of Risk Management

One of our Board's most important roles is to oversee various risks that we may face from time to time. While the full Board of Trustees has primary responsibility for risk oversight, it utilizes its committees, as appropriate, to monitor and address the risks that may be within the scope of a

particular committee's expertise or charter. Our Board of Trustees uses its committees to assist in its risk oversight function as follows:

Audit Committee the Audit Committee's responsibilities include, among others, oversight relating to the integrity of our financial statements and financial reporting process; compliance with financial, legal and regulatory requirements; the performance of our internal audit function; and our overall risk profile;

Compensation Committee the Compensation Committee's responsibilities include, among others, oversight of risks related to our compensation practices and plans to ensure that such practices and plans (i) are designed with an appropriate balance of risk and reward in relation to our overall business strategy and (ii) do not encourage excessive or unnecessary risk-taking behavior; and

Nominating and Corporate Governance Committee the Nominating and Corporate Governance Committee's responsibilities include, among others, oversight of the general operations of the Board; the Company's compliance with our Corporate Governance Guidelines and applicable laws and regulations, including applicable rules of the NYSE; and corporate governance-related risk.

The Board believes that the composition of its committees, and the distribution of the particular expertise of each committee's members, makes this an appropriate structure to effectively monitor the risks discussed above.

An important feature of the Board's risk oversight function is to receive periodic updates from its committees, as appropriate. In addition to getting direct information from its committees, the Board receives updates directly from members of management. In particular, due to their executive management positions, Messrs. Johnson and Bierkan frequently communicate with other members of our management and periodically update the Board on the important aspects of the Company's day-to-day operations. The Board also receives periodic updates from members of senior management regarding financial risks, legal and regulatory developments, and policies and mitigation plans intended to address the related financial and legal risks.

Board and Committee Meetings

During the year ended December 31, 2017, the Board of Trustees met 17 times, including telephonic meetings. Each trustee attended at least 75% of Board and applicable committee meetings on which he or she served during his or her period of service. Trustees are expected to attend, in person or by telephone, all Board meetings and meetings of committees on which they serve. In addition, pursuant to our Corporate Governance Guidelines, trustees are expected to attend the Company's annual meetings of shareholders. All trustees attended the 2017 annual meeting of shareholders. Meeting attendance by all trustees serving during 2017 was 98%.

Board Committees

The Board of Trustees has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. All members of the committees described below are "independent" of the Company as that term is defined in the NYSE's listing standards.

Executive Sessions of Non-Management Trustees

Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, in order to promote open discussion among non-management trustees, our Board of Trustees devotes a portion of each regularly scheduled Board and committee meeting to executive sessions without management participation. In addition, our Corporate Governance Guidelines provide that if the group of non-management trustees includes trustees who are not independent, as defined in the NYSE's listing standards, at least one such executive session convened per year shall include only independent trustees. The lead trustee presides at these sessions.

Communications with the Board

Shareholders and other interested parties may communicate with the Board by sending written correspondence to the "Lead Trustee" c/o the Corporate Secretary of RLJ Lodging Trust, 3 Bethesda Metro Center, Suite 1000, Bethesda, MD 20814, who will then directly forward such correspondence to the lead trustee. The lead trustee will decide what action should be taken with respect to the communication, including whether such communication should be reported to the full Board of Trustees.

Trustee Compensation

The members of our Board of Trustees who are also our employees do not receive any additional compensation for their services on the Board. During the fiscal year ended December 31, 2017, annual compensation for non-employee trustees was based on the following schedule:

Each non-employee trustee receives the annual base retainer for his or her services in cash (or, as discussed below, in common shares) in quarterly installments in conjunction with quarterly meetings of our Board of Trustees. In addition to the annual retainers, each non-employee trustee will receive an annual equity award of restricted shares with an aggregate value of \$90,000, which will vest ratably on the first four quarterly anniversaries of the date of grant, subject to the trustee's continued service on our Board of Trustees. We also reimburse each of our trustees for his or her travel expenses incurred in connection with his or her attendance at full Board of Trustees and committee meetings.

Our non-employee trustees may elect to receive all or a portion of any annual cash retainer (including cash retainers for service as a chairperson of any committee or for service as lead trustee) in the form of common shares. During 2017, none of the trustees elected to receive their cash retainer in Company common shares.

In addition, each of our non-employee trustees is entitled to receive an annual allowance of \$3,000 for use at the Company's hotels. If a non-employee trustee does not use the allowance, the allowance is forfeited.

Company Policies

Share Ownership Guidelines

We believe that equity ownership by our trustees and officers can help align their interests with our shareholders' interests. To that end, we have adopted formal share ownership guidelines applicable to all of our trustees and officers. On an annual basis, we report ownership status to our Compensation Committee and failure to satisfy the ownership levels, or show sustained progress towards meeting

Edgar Filing: RLJ Lodging Trust - Form DEF 14A

Table of Contents

them, may result in payment to both trustees and officers of future compensation in the form of equity rather than cash.

With respect to our officers, the guidelines require ownership of our shares, within five years of becoming an executive officer or from promotion to a new executive officer position, with a value equal to the following multiple of his or her base salary:

Executive Officer Title	Multiple
Chief Executive Officer	5x
Executive Chairman	5x
Chief Investment Officer and Chief Financial Officer	3x
Senior Vice Presidents	3x
Chief Accounting Officer and Vice Presidents	1x

Once these requirements have been met, each executive is required to hold shares at this level as long as they remain in the position. With respect to our trustees, our share ownership guidelines require share ownership by our trustees of three times the annual cash retainer. Trustees must comply with the ownership requirement within five years of becoming a member of the Board and are required to hold shares at this level while serving as a trustee. **With the exception of Arthur Collins, who was elected to the Board in November 2016, and Robert McCarthy, who was elected to the Board in February 2018, each of the trustees' and named executive officers' individual holdings of Company shares exceed the applicable multiple set forth in the share ownership guidelines. For additional information on trustee share ownership, see the table of "Principal Shareholders" on page 65.**

Clawback Policy

The Company has in place a clawback policy to ensure that executives are not unduly enriched in the event of a financial restatement. If the Company is required to restate its financial results due to material non-compliance with financial reporting requirements that arise from misconduct, any individual (i) who knowingly engaged in misconduct; (ii) was grossly negligent in engaging in misconduct; (iii) knowingly failed to prevent such misconduct; or (iv) was grossly negligent in failing to prevent such misconduct, is required to reimburse the Company for payments received for any award that was earned or accrued in the twelve (12) month period after the incorrect financial report was filed with the SEC. In addition, in the case of any restatement of financial results, the Compensation Committee has the authority to (i) review cash and equity awards paid or awarded to executive officers during the restatement period and, if the award would have been lower based on the restatement, then (ii) to determine if an incremental portion of the award should be reimbursed to the Company by the executive officer.

No Hedging in or Pledging of Company Shares

Our insider trading policy prohibits our trustees and employees, including our named executive officers, from engaging in the following transactions: (i) trading in call or put options involving our securities and other derivative securities; (ii) engaging in short sales of our securities; (iii) holding our securities in a margin account; and (iv) pledging our securities to secure margins or other loans.

Table of Contents**EXECUTIVE OFFICERS**

The following table sets forth information concerning our executive officers. Executive officers are elected annually by our Board of Trustees and serve at the Board's discretion.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Compensation Committee of our Board of Trustees is responsible for establishing the underlying policies and principles of our compensation program. This Compensation Discussion and Analysis describes our executive compensation program for our named executive officers (the "NEOs") and describes how and why the Compensation Committee made its 2017 compensation decisions. Our NEOs for 2017 are as follows:

Robert L. Johnson Executive Chairman;

Ross H. Bierkan President, Chief Executive Officer and Chief Investment Officer; and

Leslie D. Hale Chief Operating Officer, Chief Financial Officer and Executive Vice President.

Executive Summary

We believe that a primary goal of executive compensation is to align the interests of our NEOs with those of our shareholders in a way that encourages prudent decision making and allows us to attract and retain the best executive talent. The Compensation Committee has adopted a compensation program designed to link financial and strategic results to executive rewards, reward favorable shareholder returns and enhance our competitive position within our segment of the hospitality industry. The Compensation Committee is committed to protecting the interests of shareholders by using fair and objective evaluation processes for our executives, prioritizing the creation of short-term and long-term shareholder value. The majority of each executive's compensation is tied directly to the achievement of pre-established individual and corporate goals, which we believe helps to ensure that the financial interests of our senior executives are aligned with those of our shareholders.

2017 Business Highlights

2017 was a transformational year for the Company. We completed a \$1.4 billion strategic merger with FelCor, which created a dominant platform in the most profitable hotel segments with imbedded growth and value creation opportunities. Key highlights of the transaction include:

Expected to be immediately accretive to Adjusted FFO per share, RevPAR and EBITDA per hotel;

Created the third largest pure-play lodging REIT, with a more efficient cost structure that is expected to yield approximately \$22.0 million of annualized general and administrative cost savings;

Acquired an ownership interest in 37 hotel properties that are located in major urban and resort markets that significantly enhanced the Company's presence in target markets such as California and Boston, while also reducing overall market specific earnings volatility and risk; and

Advanced our premium brand strategy and creates well-balanced diversification across Marriott, Hilton, Hyatt and Wyndham brands.

Beyond the successful completion of the FelCor merger, we also remained committed to executing on our fundamental guiding principles, including:

Driving Operational Excellence 2017 results were marked by an excellent fourth quarter that exceeded expectations and demonstrated the value creation potential from the FelCor merger with 2017 results as follows:

Pro forma Hotel EBITDA Margin of 33.1% for the year, which reflects one of the leading hotel EBITDA margins in the industry;

Pro forma RevPAR during the fourth quarter increased by 4.0% over the comparable period in 2016 and for the full year decreased by 0.5%; and

Pro forma Consolidated Hotel EBITDA of \$143.0 million in the fourth quarter, representing a 0.8% increase over the comparable period in 2016 and for the full year \$605.9 million representing a 4.1% decrease.

Prudently Allocating Capital We completed the disposition of the Fairmont Copley Plaza in Boston, Massachusetts for \$170.0 million in December 2017 consistent with our goal to enhance our overall portfolio quality through strategic dispositions. We declared cash dividends of \$0.975 on each Series A Preferred Share for the year and cash dividends of \$1.32 per common share for the year (consistent with 2016).

Disciplined Balance Sheet Management Our liquidity remains strong with 127 unencumbered hotels, a \$600.0 million revolver and an interest coverage under 3.9x.

Executive Compensation Program Highlights

Our focus is and continues to be to maintain a strong link between our NEO's compensation and the Company's performance. Highlights of our overall executive compensation program are outlined below:

Pay-for-Performance Alignment We maintain strong pay-for-performance alignment with more than 80% of our Chief Executive Officer's 2017 approved compensation variable and subject to the Company's performance.

Formulaic Annual Cash Bonuses with Pre-Determined Goals 100% of our Executive Chairman's and Chief Executive Officer's annual cash bonuses are formulaic and are based on the achievement of pre-established corporate performance goals (with only 10% based on individual performance for our Chief Operating Officer/Chief Financial Officer). Our cash bonus program employs challenging hurdles and may result in significant fluctuations in payouts aligned with our financial and operating success each year.

Equity Awards Aligned with Our Shareholders The annual grant size is determined, in part, based on a review of the execution of the Company's strategic business plan and the Company's total shareholder return ("TSR") performance. Approximately 75% of our Chief Executive Officer's and 25% of our other NEOs' equity award values are granted in performance-based stock that vest at the end of three-years subject to the Company achieving rigorous TSR hurdles, including relative TSR equal to the 50th to 80th percentile of hotel REIT peers and absolute TSR of 21% to 36%.

Year-End 2017 Compensation Decisions

The Compensation Committee, in consultation with its independent compensation consultant, FTI Consulting, Inc. (the "Compensation Consultant") took into account (i) the successful closing of the FelCor merger, (ii) the Company's operational performance, including the achievement of corporate performance measures in accordance with the cash bonus program, (iii) total return on both an absolute and relative basis and (iv) the results of a comprehensive analysis of market-based compensation data, industry trends and best practices. Based on this assessment, our Compensation

Table of Contents

Committee made the following key compensation decisions in February 2018, which we believe appropriately balance all of the foregoing considerations:

Pay Element	Key Decisions	Rationale
Base Salary	2018 base salaries for our NEOs were unchanged from 2017 levels.	Our NEOs received salary adjustments in 2017 at the time new employment agreements were executed and in connection with each individual's significant increase in responsibilities. The Committee believes that these amounts are still appropriate for 2018 and no increases were necessary.
Annual Cash Bonus	Approved 2017 cash bonuses in accordance with the bonus formula and the achievement of the established corporate performance hurdles. Ms. Hale's bonus includes a 10% individual performance component, which was approved at target. Each NEO's 2018 cash bonus opportunity was unchanged from 2017.	Our cash bonus is fully contingent upon the achievement of pre-determined corporate performance criteria (except for Ms. Hale's bonus, which has a 10% individual performance component). The corporate performance measures were achieved at between 103% and 104% of target. A target payout for Ms. Hale's individual performance component was viewed as appropriate given the significant time and effort she provided in connection with the consummation of the FelCor merger.
Annual Equity Awards	Significant reductions in the value of the time-based restricted share awards were approved equal to a 19% decrease for Mr. Johnson, a 77% decrease for Mr. Bierkan and a 6% decrease for Ms. Hale as compared to the prior year awards.	Based on sensitivity to the Company's stock price performance, the Compensation Committee believed that meaningful reductions in equity values were appropriate, especially for the Chief Executive Officer, whose compensation should be more directly tied to total return results.
Multi Year Performance Equity Awards	New 2018 Multi Year Performance Equity Awards were granted to our NEOs at target values at lower amounts than those approved in 2017, but for the CEO reflected a less substantial reduction as compared to his time-based restricted share awards.	For Mr. Johnson and Ms. Hale, equity awards were allocated 50/50 between time-based stock awards and the "target" value of the performance units. Given that performance units are at-risk and contingent upon rigorous total return performance, the Compensation Committee believe that a less material reduction in value for these awards was appropriate for Mr. Bierkan, who saw a 77% decrease in his time-based share award.

- (1) These amounts are different from the amounts set forth in the "2017 Summary Compensation Table," due to the reporting requirements under applicable SEC rules relating to the timing of the recognition of equity-based compensation.
- (2) Amounts reflect approved cash value of the awards, which may slightly vary from the grant date value used for accounting purposes.
- (3) Amounts reflect the approved target value of the awards. The grant date fair value of these awards calculated in accordance with FASB ASC Topic 718 based upon the probable outcome of the performance conditions as of the grant date. Given the rigorous hurdles associated with these awards, the accounting values are less than the target values.
- (4) For direct comparison purposes, excludes other compensation and the value associated with one-time promotional and retention awards granted in 2016.

Status of Outstanding Multi Year Performance Equity Awards

The compensation paid to our NEOs is also significantly tied to the Company's relative TSR performance. In addition to the significant reductions made to the approved value of the equity awards

granted for year-end 2017 performance, our NEOs' multi-year performance equity awards are currently tracking below target payout levels.

Philosophy and Objectives of our Compensation Program

We have designed our executive compensation program to achieve the following objectives:

be transparent and competitive with similarly situated publicly-traded REITs based on the Company's performance;

create the proper incentives for our executive management team to achieve corporate and individual performance objectives and maximize shareholder value over the long-term;

achieve an appropriate balance between risk and reward that does not incentivize unnecessary or excessive risk taking; and

attract and retain talented executives from within and outside of the hospitality industry.

Transparent and Competitive Compensation Program

In pursuit of our compensation objectives, we have developed a transparent and straightforward performance-based compensation program, which currently consists of four elements:

Base Salary. Base salary is set on the basis of assigned responsibilities and is reviewed periodically against market data;

Annual Cash Bonus Opportunity. Executive officers are eligible to receive annual cash bonuses based upon the achievement of pre-established goals and objectives;

Annual Performance Equity Grants. The Compensation Committee awards annual performance equity grants to ensure alignment with shareholders and as a retention tool, determined based on an assessment of the Company's overall corporate performance on both an absolute and relative basis to our peers; and

Multi-Year Performance Equity Grants. The Compensation Committee awards multi-year performance equity grants to ensure alignment with shareholders' interests over a multi-year period and as a retention tool, which will only be earned by the recipients if the Company achieves certain defined relative and/or absolute total shareholder return targets over a prospective performance period.

Table of Contents

We review the competitive compensation practices for executives of other public hospitality REITs and other public REITs of similar size to the Company to ensure that our compensation program is competitive with the market. In establishing compensation for our executive management team, our Compensation Committee uses its judgment in aligning compensation with its assessment of performance on both an absolute and relative basis as compared to the competitive peer group. Accordingly, in years of superior performance compared to the competitive peer group, our executives may receive total compensation towards the higher end of the market range and in years of lagging performance compared to the competitive peer group, our executives may receive total compensation towards the lower end of the market range.

Proper Incentives to Achieve Performance Objectives and Maximize Long-Term Shareholder Value

Our compensation program is designed to tie a substantial portion of our executives' total compensation to performance measures that align long-term shareholder value and leadership actions that are expected to position the Company for long-term success. Accordingly, the vast majority of our executives' total compensation is delivered through our annual cash bonus program, our multi-year performance equity program and our annual equity award program, and less than 30% of our named executive officers' total compensation is in the form of a guaranteed base salary.

We believe that our annual cash bonus program encourages our executives to take prudent steps to achieve, and if possible exceed, our annual business plan, which we believe will increase shareholder value over the long-term. We have not guaranteed our executives any minimum cash bonus payments. As a result, in the event of poor individual and/or corporate performance in any year, the executives could receive no cash bonus for that year.

The largest individual component of our executive officers' total compensation is equity compensation. We believe that approximately 40-50% of our executives' total annual compensation should be in the form of restricted shares or other long-term equity awards for the following reasons:

Equity awards help to ensure that a significant portion of each of our executives' net worth is tied to the value of our common shares, which we believe aligns the interests of our executives with those of our shareholders. We also believe that if we have superior long-term operating performance, our executives, through their equity compensation, will eventually receive above market compensation from dividends and capital appreciation in our common shares. Conversely, if we do not perform as well as our competitors, our executives' compensation will be below market over the long-term; and

We have designed our equity awards to be total shareholder return vehicles, rewarding our executive officers for both share price appreciation as well as the payment of dividends.

Appropriate Balance between Risk and Reward

Our Compensation Committee designed the compensation program to encourage our executives to prudently manage the Company for the long-term. The Compensation Committee believes the structure of our compensation program does not encourage unnecessary or excessive risk taking, as illustrated by the following features of the program:

We evaluate performance based on the achievement of a variety of business objectives and goals that we believe correlate to the long-term creation of shareholder value and that are affected by management decisions;

We provide a significant portion of each executive's annual compensation in the form of share-based compensation that will allow our executives to build sizable holdings of equity in the Company and align an appropriate portion of their personal wealth with our long-term performance. This share-based compensation includes restricted shares, which retain value even

Table of Contents

in a depressed market and provide executives with a baseline value that reduces the likelihood that executives will take excessive risks;

We structure our annual cash bonus program to provide for payouts once a minimum level of performance has been achieved, so that some compensation can be earned at levels below full target achievement rather than an "all-or-nothing" approach; and

We consider non-financial and other qualitative performance factors in determining actual compensation payouts.

Attract and Retain Talented Executives

We believe that the quality of our executive management team has been and continues to be a critical element of the success of our business. We have successfully attracted talented executives with significant experience in the hospitality and real estate industries who are highly motivated to achieve value for our shareholders. In order to continue to draw highly-skilled executives to our Company, we seek to maintain a competitive compensation program that can attract key talent from these and related industries. Our compensation program is also designed to retain our executives and motivate them to sustain a high level of performance over the long-term.

Compensation Review Process

Role of the Compensation Committee

Pursuant to the Compensation Committee's charter, the Compensation Committee is responsible to our Board for overseeing the development and administration of our compensation policies and programs. The Compensation Committee, which consists of three independent trustees, is responsible for the review and approval of all aspects of our executive compensation program. Among other duties, the Compensation Committee is responsible for the following:

Reviewing and approving, on an annual basis, the corporate incentive goals and objectives relevant to the compensation of our Chief Executive Officer and our other executive officers;

Evaluating the performance of our executive officers in light of these goals and objectives;

Evaluating the competitiveness of each executive officer's total compensation package; and

Approving any changes to our executives' total compensation package, including, but not limited to, base salary, annual and long-term incentive award opportunities, and payouts and retention programs.

The Compensation Committee is supported in its work by the Company's Senior Vice President, Administration and Corporate Secretary, her staff, and an executive compensation consultant, as described below. The Compensation Committee's charter, which sets out its duties and responsibilities and addresses other matters, can be found on our website at www.rljlodgingtrust.com, under the section, "Investor Relations Corporate Governance."

Role of the Chief Executive Officer

Within the framework of the compensation programs approved by the Compensation Committee and based on management's review of market competitive positions, each year our Chief Executive Officer recommends the level of base salary increase (if any) and the annual cash bonuses and the annual equity incentive awards for our NEOs (other than the Chief Executive Officer) and other members of the senior management team. These recommendations are based upon our Chief Executive Officer's assessment of the Company's overall performance, each executive officer's individual performance (if applicable) and employee retention considerations. The Compensation Committee

Table of Contents

reviews our Chief Executive Officer's recommendations, and in its sole discretion, determines all executive officer compensation.

Role of the Compensation Consultant

FTI Consulting, Inc. has been retained by the Compensation Committee as its independent, third-party executive Compensation Consultant. The Compensation Consultant was engaged by and reports directly to the Compensation Committee. Upon the request of the Compensation Committee, a representative of the Compensation Consultant attends meetings of the Compensation Committee and communicates with the chairman of the Compensation Committee between meetings; however, the Compensation Committee makes all decisions regarding the compensation of our executive officers.

The Compensation Consultant provides various executive compensation services to the Compensation Committee pursuant to a written consulting agreement between the Compensation Committee and the Compensation Consultant. Generally, these services include, among others, (i) advising the Compensation Committee on the principal aspects of our executive compensation program and evolving industry practices, (ii) presenting information to assist the Compensation Committee in determining the appropriate peer group to be used to evaluate the competitiveness of our compensation program, and (iii) providing market information and analysis regarding the competitiveness of our program design and our award values in relationship to our performance.

Peer Group Analysis

The Compensation Committee relies on compensation information as prepared by the Compensation Consultant to determine the competitive market for our executive officers, including the NEOs. The Compensation Committee uses compensation data compiled from a group of 12 publicly-traded REITs (the "Peer Group") selected using the following methodology:

In terms of size, should be comparable based on implied market capitalization and/or total enterprise value (approximately 1/2x the size to 2.5x the size of the Company). The Company should be at the approximate median in terms of size;

Companies having a primary investment focus generally on the lodging/resorts sector of the real estate industry; and

Select Maryland-based REITs with whom the Company competes for talent.

We believe the Peer Group represents the companies with which we currently compete for executive talent, and includes our principal business competitors. For 2017, the Peer Group consisted of the following companies:

Apple Hospitality REIT, Inc.	LaSalle Hotel Properties
Corporate Office Properties Trust	Omega Healthcare Investors, Inc.
Federal Realty Investment Trust	Park Hotels & Resorts Inc.
Gaming and Leisure Properties, Inc.	Pebblebrook Hotel Trust
Host Hotels and Resorts, Inc.	Ryman Hospitality Properties, Inc.
Hyatt Hotels Corporation	Sunstone Hotel Investors, Inc.

In 2017, the Peer Group was modified to reflect the Company's increase in market capitalization and total enterprise value as a result of the merger with FelCor. The Compensation Committee determined that Ashford Inc., Chesapeake Lodging Trust, DiamondRock Hospitality

Edgar Filing: RLJ Lodging Trust - Form DEF 14A

Company and Xenia Hotels, Inc. were no longer appropriate size comparisons and removed them from the Peer Group. Park Hotels & Resorts Inc., a new publicly-traded hotel REIT that was spun-off from Hilton Worldwide in 2017, and Omega Healthcare Investors, Inc., a comparable company in market capitalization and total enterprise value located in the Maryland/DC area, were added to the Peer

Table of Contents

Group. In addition to the aforementioned peer group, due to the limited number of REITs who, like us, separate the positions of Chairman of the Board and Chief Executive Officer, we also have created a selective Executive Chairman Peer Group (the "Executive Chairman Peer Group") for purposes of evaluating the compensation of Mr. Johnson. The Executive Chairman Peer Group consists of 12 equity REITs that have executives that function exclusively as Chairman of the Board and not also as Chief Executive Officer.

To assess the competitiveness of our executive compensation program, we analyze Peer Group and Executive Chairman Peer Group proxy compensation data levels, as well as the mix of our compensation components with respect to fixed versus variable, short-term versus long-term, and cash versus equity-based pay. This information is then presented to the Compensation Committee for its review and use. The Compensation Committee generally compares the compensation of each NEO in relation to both the median and the 75th percentile of the applicable peer group for similar positions. In addition, the Compensation Committee also takes into account various factors, such as our performance within the applicable peer group, the scope of responsibilities for each individual executive, internal equity considerations, and any succession and retention considerations.

Components of Executive Officer Compensation

The following is a summary of the elements and amounts of our compensation program for our NEOs in 2017. The NEOs will continue to be parties to employment agreements entered into in 2016 for their respective terms or until such time as our Compensation Committee determines in its discretion that revisions to such employment agreements are advisable and the Company and the executive officers agree to the proposed revisions.

Annual Base Salary

Base salary is designed to compensate our executive officers at a fixed level of compensation that serves as a retention tool throughout the executive's career. In determining base salaries, the Compensation Committee considered each executive officer's role and responsibility, unique skills, future potential with our Company, salary levels for similar positions in our core markets and internal pay equity.

The annual base salaries of our NEOs as of December 31, 2017 are as follows:

Name	Base Salary
Robert L. Johnson	\$ 500,000
Ross H. Bierkan	\$ 700,000
Leslie D. Hale	\$ 575,000

Annual Cash Bonus

Our NEOs each have an opportunity to earn an annual incentive cash award designed to reward annual corporate performance, and, with respect to Ms. Hale, to also encourage and reward individual achievement during the year. The Compensation Committee establishes a target annual incentive cash award opportunity for each of our NEOs following a review of their individual scope of responsibilities, experience, qualifications, individual performance and contributions to the Company, as well as an analysis of data from the Peer Group and Executive Chairman Peer Group discussed previously. The targeted annual incentive cash award opportunity and the performance goals set by the Compensation Committee (discussed below) are communicated to the NEOs at the beginning of each year. The Compensation Committee considers all relevant facts and circumstances when evaluating performance, including changing market conditions and broad corporate strategic initiatives, along with overall

responsibilities and contributions, and retains the ability to exercise its judgment and discretion to adjust an award up or down.

2017 Bonus Opportunity

For 2017, Mr. Johnson's and Mr. Bierkan's annual incentive cash awards were based solely on corporate performance. With respect to Ms. Hale, 90% of her annual incentive cash awards were based on corporate performance, with the remaining 10% based on individual performance. The Compensation Committee established threshold, target, maximum and outperform annual incentive cash award levels (as a percentage of base salary) for our NEOs as follows:

Name	2017 Annual Incentive Cash Awards			
	Threshold	Target	Maximum	Outperform
Robert L. Johnson	75%	125%	175%	225%
Ross H. Bierkan	100%	150%	200%	250%
Leslie D. Hale	75%	125%	175%	225%

2017 Performance Goals

The Compensation Committee adopted the performance goals for the 2017 annual incentive cash award following a review of our annual business plan and budget for the year. The Compensation Committee assigned each goal a weight of relative importance. The following were the initial annual incentive cash award performance goals for 2017:

Performance Measures	Weighting	Threshold	Target	Maximum	Outperform
Total EBITDA	50%	\$370.0 million	\$390.0 million	\$405.0 million	\$412.0 million
REVPAR Increase	20%	2.0%	0.0%	1.6%	2.35%
Net Debt to EBITDA	15%	4.25	4.00	3.85	3.75
Hotel EBITDA Margin	15%	34.0%	35.0%	35.8%	36.2%

Following the merger with FelCor, the Compensation Committee revised the annual incentive cash award performance goals for 2017 to take into account the acquisition of FelCor and its impact on the Company's performance in the fourth quarter of 2017. In revising the annual incentive cash award performance goals for 2017, the Compensation Committee prorated the performance goals set forth above, which are based on the Company's performance on a standalone basis, for the first three quarters of 2017 and established new performance goals for the fourth quarter of 2017, which reflect the performance of the Company following its acquisition of FelCor. In determining the 2017 annual incentive cash award, the Company's performance during the first three quarters of 2017 accounted for 75% of total annual performance and the Company's performance during the fourth quarter of 2017 accounted for 25% of total annual performance. The following were the revised annual incentive cash award performance goals for 2017:

First three quarters of 2017:

Performance Measures(1)	Weighting	Threshold	Target	Maximum	Outperform	Actual Results
Total EBITDA	50%	\$278.9 million	\$298.9 million	\$313.9 million	\$320.9 million	\$290.3 million
REVPAR Increase	20%	2.6%	0.6%	1.0%	1.75%	2.1%
Net Debt to EBITDA	15%	4.25	4.00	3.85	3.75(2)	3.1
Hotel EBITDA Margin	15%	34.4%	35.4%	36.2%	36.6%	35.1%

(1) Reflects performance of the Company without including the results of FelCor.

(2) For period prior to completion of the FelCor merger, the outperform performance goal for Net Debt to EBITDA was 3.1.

2017 Bonus Amounts

In determining the actual 2017 incentive cash award for our NEOs, the Compensation Committee considered the Company's performance and, in Ms. Hale's case only, her 2017 individual performance, and determined that Mr. Johnson and Mr. Bierkan each would receive incentive cash awards at approximately 103% of target level and that Ms. Hale would receive an incentive cash award at the target level. These amounts are as follows:

Name	2017 Actual Award
Robert L. Johnson	\$ 649,307
Ross H. Bierkan	\$ 1,084,030
Leslie D. Hale	\$ 743,908

Equity Awards

We grant equity awards pursuant to our 2015 Equity Incentive Plan (previously, our 2011 Equity Incentive Plan). Equity incentive awards are designed to focus our executive officers and other employees on, and reward them for, achieving our long-term goals and enhancing shareholder value.

Annual Equity Awards

In determining annual equity awards, our Compensation Committee takes into account the Company's overall financial performance. The awards made under the 2015 Equity Incentive Plan in 2017 were granted to recognize such individuals' efforts on our behalf in connection with the Company's performance in 2016 and to provide a retention element to their compensation. More detail with respect to the equity awards granted in 2017 is provided in the table under "Compensation of Executive Officers Grants of Plan-Based Awards."

As part of our review of 2017 performance in February 2018, we made our annual performance equity grants. The annual performance equity grant represents a time-based restricted share award that is based on a subjective review of the Company's performance, as well as the competitive pay of the Peer Group and the Executive Chairman Peer Group. The annual performance equity grants made in 2018 were as follows:

Name	Cash Value of 2018 Award
Robert L. Johnson	\$ 650,000
Ross H. Bierkan	\$ 360,000
Leslie D. Hale	\$ 1,125,000

These restricted share awards will vest ratably on each of the first 16 quarterly anniversaries of the date of grant, subject to the executive's continued employment. Because these awards for 2017 performance were made in 2018, pursuant to applicable SEC disclosure rules, such awards will be

reflected in the Summary Compensation Table and the Grants of Plan-Based Awards Table in our proxy statement for the 2019 annual meeting of shareholders, which reflects 2018 compensation.

Multi-Year Performance Equity Awards

2017 Multi-Year Performance Equity Awards

In order to further align the interests of our NEOs with those of our shareholders over a multi-year period, the Compensation Committee awarded performance units to each of our NEOs under the 2017 Multi-Year Performance Plan on February 17, 2017. Performance units awarded pursuant to the 2017 Multi-Year Performance Plan are earned and convert into restricted shares based on the Company's attainment of absolute and relative TSR hurdles. TSR is calculated to include both common share price appreciation and common share dividends paid during the applicable performance periods. The performance units vest over a four-year period, including three years of performance-based vesting (the "measurement period") plus an additional one year of time-based vesting.

The awards granted pursuant to the 2017 Multi-Year Performance Plan are subject to two separate performance measurements, with 40% of the award (the "2017 Absolute Award") based solely on the Company's TSR (the "2017 Absolute TSR Component") and 60% of the award (the "2017 Relative Award") measured by the Company's TSR (the "2017 Relative TSR Component") relative to the peer group (the "2017 Plan Peer Group") during the entire measurement period.

The 2017 Absolute Award may be earned at a range of 25% to 150% of the 2017 Absolute Award if the Company achieves a TSR over the measurement period ranging from 21% TSR to 42% TSR, as described below. The percentage of the 2017 Absolute Award that is earned for performance between the threshold and target, and between the target and maximum, levels will be calculated by linear interpolation. For TSR performance below 21%, no portion of the 2017 Absolute Award will be earned.

Actual Three-Year Performance	Percentage of 2017 Absolute Award Earned
Threshold: 21% TSR	25%
Target: 36% TSR	100%
Maximum: 42% TSR	150%

The 2017 Relative Award may be earned at a range of 25% to 150% of the 2017 Relative Award contingent on the Company's achieving TSR over the measurement period at specified percentiles of the peer group ranging from the 50th percentile to the 80th percentile, as described below. The percentage of the 2017 Relative Award that is earned for performance between the threshold and target, and between the target and maximum, levels will be calculated by linear interpolation. If the Company is below the 50th percentile of the 2017 Plan Peer Group at the end of the measurement period, no portion of the 2017 Relative Award will be earned.

Actual Three-Year Performance Compared to Peer Group	Percentage of 2017 Relative Award Earned
Threshold: 50 th percentile	25%
Target: 70 th percentile	100%
Maximum: 80 th percentile	150%

2016 Multi-Year Performance Equity Awards

The Compensation Committee awarded performance units to each of our NEOs under the 2016 Multi-Year Performance Plan on May 23, 2016. Performance units awarded pursuant to the 2016 Multi-Year Performance Plan are earned and convert into restricted shares based on the Company's attainment of absolute and relative TSR hurdles. TSR is calculated to include both common share price appreciation and common share dividends paid during the applicable performance periods. The performance units vest over a four-year period, including the measurement period plus an additional one year of time-based vesting.

The awards granted pursuant to the 2016 Multi-Year Performance Plan are subject to two separate performance measurements, with 40% of the award (the "2016 Absolute Award") based solely on the Company's TSR (the "Absolute TSR Component") and 60% of the award (the "2016 Relative Award") measured by the Company's TSR (the "Relative TSR Component") relative to the peer group (the "2016 Plan Peer Group") during the entire measurement period.

The percentage of the 2016 Relative Award that is earned for performance between the threshold and target, and between the target and maximum, levels will be calculated by linear interpolation. Retirement Savings Opportunities

All full-time employees are able to participate in our 401(k) Retirement Savings Plan (the "401(k) Plan"). We provide the 401(k) Plan to help our employees save a portion of their cash compensation for retirement in a tax-efficient manner. Under the 401(k) Plan, employees are eligible to defer a portion of their salary, and we, at our discretion, may make a matching contribution and/or a profit-sharing contribution commencing six months after they begin their employment. For calendar year 2017, we made a matching contribution of up to 4% of each participant's annual salary, determined by the individual's contribution and as restricted by the statutory limit.

Health and Welfare Benefits

We provide to all full-time employees a competitive benefits package, which includes health and welfare benefits, such as medical, dental, short- and long-term disability insurance, and life insurance plans.

Tax Limits on Executive Compensation

Under Section 162(m) of the Internal Revenue Code we may not receive a federal income tax deduction for compensation paid to our chief executive officer or any of the three other most highly compensated executive officers (excluding our chief financial officer) to the extent that any of the persons receive more than \$1 million in qualified non-performance-based compensation in any one year. To maintain flexibility in compensating officers in a manner designed to promote varying corporate goals, our Compensation Committee has not adopted a policy that all compensation must be deductible on our federal income tax returns. Instead, although our Compensation Committee will be mindful of the limits imposed by Section 162(m), even if it is determined that Section 162(m) applies or may apply to certain compensation packages, the Compensation Committee nevertheless reserves the right to structure compensation packages and awards in a manner that may exceed the limitation on the deduction imposed by Section 162(m).

Potential Payments upon Termination or Change-in-Control

Various Termination Events

The following discussion summarizes the amounts that we may be required to pay our NEOs in connection with the following termination events: (i) death or disability of the NEO; (ii) termination by us without "cause" or by the executive for "good reason" (including a termination at or after a "change in control" of the Company, with such term as defined in our 2015 Equity Incentive Plan); and (iii) the retirement of the NEO. The potential payments to our NEOs will vary depending on which one of these termination events occurs.

Regardless of the reason for any termination of employment, each executive officer is entitled to receive the following benefits upon termination: (1) payment of any unpaid portion of such NEO's base salary through the effective date of termination; (2) reimbursement for any outstanding reasonable business expense; (3) continued insurance benefits to the extent required by law; and (4) payment of any vested but unpaid rights as may be required independent of the employment agreement.

Termination by us for "Cause" or by the named executive officer without "Good Reason"

If we terminate any NEO's employment agreement for "cause" or the NEO terminates his or her employment agreement without "good reason," the executive will only receive the benefits to be provided regardless of the reason for the termination of employment.

Termination by us without "Cause" or by the named executive officer for "Good Reason"

If we terminate any NEO without "cause" or an NEO terminates his employment for "good reason" during the initial term of their employment agreement, the executive will have the right to receive, in addition to the benefits to be provided regardless of the reason for the termination of employment, a severance payment that will consist of: (i) a pro-rata bonus for the year of termination based on the portion of the year that has elapsed and the satisfaction of the performance criteria for such bonus (except in the case of a termination at or after a change of control (as defined in the 2015 Equity Incentive Plan) when satisfaction of the performance criteria is not required); (ii) continued payment by us of the NEO's base salary, as in effect as of the NEO's last day of employment, for a period of 36 months; (iii) continued payment for life and health insurance coverage for 24 months to the same extent we paid for such coverage immediately prior to termination; (iv) three times the NEO's target annual cash bonus for the year of termination; (v) vesting in any unvested portion of the retention award; and (vi) vesting as of the last day of employment in any unvested portion of any equity awards previously issued to the executive (except in the case of performance-based equity awards, accelerated vesting may be conditioned on the satisfaction of the performance criteria for such awards where the termination is not at or after a change in control). With respect to the employment agreements with Mr. Johnson and Mr. Bierkan, if both we and the NEO agree to renew the employment agreement for one year, and during such renewal term the NEO is terminated without "cause" or resigns for "good reason", the NEO will be entitled to the amounts set forth in the preceding sentence, except that continued base salary will be for a period of 24 months, and the NEO will receive two, rather than three, times the NEO' target annual bonus. With respect to the employment agreement with Ms. Hale, if the termination without cause is due to non-renewal by us of the initial term of the employment agreement for an additional one-year period, then Ms. Hale will be entitled to the payments above, except that continued payment of her base salary will be for a period of 24 months, and she will be entitled to two times her target annual cash bonus for the year of

termination. The foregoing benefits are conditioned upon the executive's execution of a general release of claims.

Upon a termination by us without "cause" or if the NEO resigns for "good reason", the amended and restated employment agreements no longer provide for a payment of three times (or two times, in the case of a termination during the renewal term) the highest grant date fair value of the annual equity award received by the NEO in the prior three calendar years.

Definitions of "Cause" and "Good Reason"

For purposes of the employment agreements, the term "cause" means any of the following, subject to any applicable cure provisions: (a) the conviction of the executive of any felony; (b) gross negligence or willful misconduct in connection with the performance of the executive's duties; (c) conviction of any other criminal offense involving an act of dishonesty intended to result in substantial personal enrichment of the executive at our expense; or (d) the material breach by the executive of any term of any employment, consulting or other services, confidentiality, intellectual property or non-competition agreements with us. The term "good reason" under the employment agreements means any of the following, subject to any applicable cure provisions, without the executive's consent: (a) the assignment to the executive of substantial duties or responsibilities inconsistent with the executive's position with us, or any other action by us that results in a substantial diminution of the executive's duties or responsibilities; (b) a requirement that the executive work principally from a location that is 30 miles further from the executive's residence than our address on the effective date of the executive's employment agreement; (c) a material reduction in the executive's aggregate base salary and other compensation (including the target bonus amount and retirement plan, welfare plans and fringe benefits) taken as a whole, excluding any reductions caused by the failure to achieve performance targets and excluding any reductions on account of the provisions of the employment agreement; or (d) any material breach by us of the employment agreement.

Death or Disability

If the NEO's employment terminates due to death or disability, in addition to the benefits to be provided regardless of the reason for the termination of employment, the executive, or in the case of death, the executive's estate is entitled to receive (i) payment of the pro rata share of any performance bonus to which such executive would have been entitled for the year of death or disability regardless of whether the performance criteria has been satisfied, (ii) vesting of all unvested equity awards and (iii) vesting of any unvested portion of the retention award. The amended and restated employment agreements added the provision regarding accelerated vesting of the retention awards in the event of termination due to death or disability.

Retirement

If the NEO's employment terminates due to retirement, in addition to the benefits to be provided regardless of the reason for the termination of employment, the executive is entitled to receive payment of any pro rata share of any performance bonus to which such executive would have been entitled for the year of retirement to the extent the performance goals have been achieved and vesting of all unvested equity awards.

Quantification of Benefits under the Termination Events

The tables below set forth the amount that we would be required to pay each of the NEOs under the termination events described above.
