**ITEM 7.01 REGULATION FD DISCLOSURE**

In the fourth quarter of 2013, SunOpta Inc. (the “Company”) implemented changes to its organizational structure to align and focus the operations of SunOpta Foods on three key “go-to-market” categories: raw material sourcing and supply; value-added ingredients; and consumer-packaged products. The Company believes this new operational structure better aligns with SunOpta Foods’ integrated “field-to-table” business model and product portfolio. Effective with the realignment, SunOpta Foods operates in the following three reportable segments: Global Sourcing and Supply; Value Added Ingredients; and Consumer Products. The Opta Minerals operating segment remained unchanged.

This Form 8-K provides a summary of the effects of the above reporting changes on SunOpta Foods’ historical operating segment results for fiscal year 2013. The information contained in this Form 8-K is being furnished pursuant to Regulation FD in order to provide the financial community with summary financial information and historical data that is on a basis consistent with SunOpta Foods’ new segment reporting structure. The Company filed its Annual Report on Form 10-K for the fiscal year ended December 28, 2013 on March 6, 2014. The Annual Report contains additional information regarding the Company’s operating segments, including segmented operating results based on the new operating segments for the fiscal years ended December 28, 2013, December 29, 2012 and December 31, 2011.

The information furnished in Item 7.01, including the exhibit attached hereto, shall not be deemed filed for any purpose, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, regardless of any general incorporation language in any such filing. This report will not be deemed an admission as to the materiality of any information in the report that is provided in connection with Regulation FD.
