ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On October 14, 2014, SunOpta Inc.'s wholly owned subsidiary The Organic Corporation B.V, based in the Netherlands, entered into a Multi-Purpose Facilities Agreement (Club Facility), with ING Bank N.V. (ING Bank), Cooperative Centrale Raiffeissen-Boerenleenbank B.A. (Rabobank) and Deutsche Bank AG, Amsterdam Branch (Deutsche Bank) (collectively, the Lenders). The Borrowers include The Organics Corporation B.V., Tradin Organics Agriculture B.V., SunOpta Foods Europe B.V., Tradin Organics USA Inc. and Trabocca B.V. (collectively the Borrowers). The Club Facility expands the Borrowers' capacity to borrow and provides for a total of €92.5 million in financing via three main facilities, an €80 million revolving credit facility covering working capital needs, a €5.0 million facility covering commodity hedging requirements, a €5.0 million facility designated for letters of credit, and a €2.5 million pre-settlement facility covering currency hedging requirements.

The new €80 million revolving credit facility is secured by the working capital of the Borrowers and replaces an existing €45 million credit facility with ING Bank N.V. and ABN AMRO Bank N.V. The increased facility size will be used to support growth within SunOpta Inc.'s international sourcing and supply operations. There is no set maturity to the Club Facility and the Club Facility credit limit can be extended or adjusted based on the needs of the business and upon approval of the Lenders. A Lender may demand repayment of the Club Facility at any time.

Interest costs under the Club Facility accrue based on the aggregate of a loan margin of 1.75%, a rate based off of EURIBOR or LIBOR, as the cost of funds as set by each of ING Bank and Deutsche Bank on a periodic basis, or a premium as set by Rabobank on a periodic basis. Initial interest rates under the Club Facility are expected to be similar to the previous €45 million credit facility as the loan margin and pricing are comparable.

The Club Facility contains certain customary representations and warranties, customary affirmative and customary negative covenants that restrict the Borrowers' ability to, among other things, incur liens, dispose of assets, sell, transfer or otherwise dispose of its receivables on recourse terms, engage in consolidations or mergers, incur additional indebtedness, engage in transactions with affiliates, pay certain management fees to affiliates or incur certain capital expenditures.

Under the Club Facility, the Borrowers are obligated to pay certain fees that are customary for a credit facility of this size and type, including, among others, an arrangement fee, a security agent fee, a documentary agent fee, and fees on letters of credit.

The foregoing description of the Club Facility is only a summary and does not purport to be complete and is qualified in its entirety by reference to the full text of the Club Facility, which is attached hereto as Exhibit 10.1, and is incorporated herein by reference.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.
