The Board of Trustees
Franklin Universal Trust
One Franklin Parkway
San Mateo, CA 94403

Dear Board Members:

Opportunity Partners L.P. is the beneficial owner of shares of Franklin Universal Trust (the "Trust") with a market value in excess of \$2,000.00 and is a member of a group that has filed a schedule 13D. We have held our shares for at least 12 months and intend to hold them through the next annual meeting. We hereby submit the following proposal and supporting statement pursuant to rule 14a-8 of the Securities Exchange Act of 1934 for inclusion in management's proxy materials for the next meeting of stockholders.

RESOLVED: The shareholders of Franklin Universal Trust (the "Trust") request that the Board of Trustees promptly take the steps necessary to open end the Trust or otherwise enable shareholders to realize net asset value ("NAV") for their shares.

Supporting Statement

Despite a share repurchase program the shares of the Trust have continued to trade at a significant discount to NAV. For example, on July 19, 2006 the Trust's stock closed at \$6.30, a 9.1% discount from its net asset value of \$6.93.

Open-ending the Trust would allow all shareholders to obtain a higher price for their shares whenever they decide to sell. In 2005 the same Trustees that serve on the Trust's board recommended that another closed-end fund, Franklin Multi-Income Trust ("FMI") merge into Franklin Income Trust, an open-end fund because FMI had been trading at a persistent discount to NAV. Shareholders of FMI subsequently approved the transaction and FMI's discount was permanently eliminated.

We think the time is right to permanently eliminate the Trust's discount to NAV. If you agree, please vote in favor of this proposal.

Very truly yours,

Edgar Filing: FRANKLIN UNIVERSAL TRUST - Form SC 13D/A
