**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On February 16, 2007, pursuant to the recommendation of the Corporate Governance and Nominating Committee of the Board of Directors of the Company, the Board of Directors amended in its entirety Article VI of the Company's By-Laws.

The By-Laws of the Company previously provided that all shares of the capital stock of the Company were to be represented by certificates. The By-Laws were amended due to certain rule changes by the New York Stock Exchange adopted in August 2006. These rule changes mandate that all stock listed on the New York Stock Exchange, such as the Company's stock, be eligible for participation in a direct registration system on or prior to January 1, 2008. Only uncertificated stock is eligible for participation in a direct registration system. Consistent with this New York Stock Exchange rule change, the revised Article VI now provides that the Board of Directors may determine by resolution that some or all of the shares of the capital stock of the Company may be uncertificated. Amended Article VI also adds procedures for handling uncertificated shares and makes other conforming changes throughout the Article.

A copy of the amendment is attached hereto as Exhibit 3.1 and incorporated herein by reference. The Company will file a complete copy of its current By-Laws as an exhibit to its annual report on Form 10-K for the year ended January 27, 2007.
