ANNUAL MEETING OF SHAREHOLDERS

December 1, 2004

This Proxy Statement is being furnished to Shareholders of Global Assets & Services, Inc. ("GAST") in connection with the Annual Meeting of Shareholders (the "Meeting") to be held on December 15, 2004 and at any adjournments thereof (the "Meeting"). The Meeting will be held at Rooms 1203-8, 12th Floor, No. 77 Des Voeux Road, Central, Hong Kong, Hong Kong, at 1:30 P.M. local time.

This Proxy Statement is first being mailed or given to Shareholders on or about December 4, 2004.

We are a Florida corporation. We are a full-reporting 1934 Act company, with our common stock quoted on the Over the Counter Bulletin Board (OTCBB) under the symbol GAST.OB. WE ARE ASKING YOU FOR A PROXY
YOU ARE REQUESTED TO SEND US A PROXY

We are soliciting proxies but the holders of more than 50% percent of the shares entitled to vote have indicated that they intend to vote in favor of these proposals. In light of the size of the holdings of these shareholders, the current Board and management of the Company deems the likelihood of a favorable vote on the proposals sufficient. Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

VOTING

SHAREHOLDERS ENTITLED TO VOTE

Holders of record of common stock, at the close of business on the date of mailing this proxy statement will be entitled to vote at the Annual Meeting. As of this date, December 1, 2004, 99,850,000 shares of common stock were issued and outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder. We have only the single class of stock, namely our common stock. Each share of Common Stock is entitled to one (1) vote

3

(for as many separate nominees as there are directors to be elected and for or against all other matters presented. For action to be taken at the Annual Meeting, a majority of the shares entitled to vote must be represented at the Annual Meeting in person or by proxy. Shares of stock may not be voted cumulatively. Abstentions and broker non-votes each will be included in determining the number of shares present and voting at the Annual Meeting. Abstentions will be counted in tabulations of the votes cast on proposals, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

QUORUM AND VOTE NECESSARY FOR APPROVALS

A majority of the shares of common stock outstanding at the record date must be represented at the Annual Meeting in person or by proxy in order for a quorum to be present and in order to take action upon all matters to be voted upon, but if a quorum should not be present, the meeting may be adjourned without further notice to shareholders, until a quorum is assembled. Each shareholder will be entitled to cast one vote at the Annual Meeting for each share of common stock registered in such shareholder's name at the record date.

Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the Annual Meeting. Holders of shares of Common Stock are not entitled to cumulative voting rights.

The favorable vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is necessary to elect the nominees for directors of the Company. To take the other actions at the meeting a majority of the shares outstanding must vote in favor of the proposals present in person or by Proxy.

A majority of shares issued and outstanding is sufficient to approve the proposal for a reverse split and name change to be incorporated in Amendments to the Articles of Incorporation.

PROXIES

In voting their Common Stock, stockholders may vote in favor of or against the proposal to approve the proposals on the agenda or may abstain from voting. Stockholders should specify their choice on the accompanying proxy card. All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted at the Meeting in accordance with the directions given. If no specific instruction are given with regard to the matter to be voted upon, then the shares represented by a signed proxy card will be voted "FOR" the approval of the Proposals and in the discretion of such proxies to any other procedural matters which may properly come before the Meeting or any

Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

adjournments thereof. All proxies delivered pursuant to this solicitation are revocable at any time before they are voted at the option of the persons executing them by (i) giving written notice to the Secretary of the Company, (ii) by delivering a later dated proxy card, or (iii) by voting in person at the Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to Kexi Xu, Rooms 1203-8, 12th Floor, Hang Seng Bldg., No. 77 Des Voeux Road, Central, Hong Kong, China.

4

IF THEY WISH TO VOTE, HOLDERS OF COMMON STOCK ARE REQUIRED TO COMPLETE, DATE, AND SIGN THE ACCOMPANYING PROXY CARD AND RETURN IT PROMPTLY TO THE COMPANY IN THE ACCOMPANYING ENVELOPE.

The person named as proxy is Kexi Xu, CEO & President of the Company.

In addition to the solicitation of proxies by mail, the Company, through its directors, officers, and employees, may solicit proxies from stockholders personally or by telephone or other forms of communication. The Company will not reimburse anyone for out-of-pocket costs and expenses incurred in the solicitation of proxies. The Company also will request brokerage houses, nominees, fiduciaries, and other custodians to forward soliciting materials to beneficial owners, and the Company will reimburse such persons for their reasonable expenses incurred in doing so. All expenses incurred in connection with the solicitation of proxies will be borne by the Company.

INTEREST OF PERSONS IN MATTERS TO BE ACTED UPON

No officer or director or principal shareholder has a substantial or material interest in the favorable action on these proposals.

COMPANY'S INDEPENDENT ACCOUNTANTS.

Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

Proposal #3

PROPOSED AMENDMENTS TO ARTICLES OF INCORPORATION AND
CHANGES IN CORPORATE CAPITALIZATION

NAME CHANGE

We are asking shareholders to authorize a change in the name of this corporation to Jointland Development, Inc. This requires an amendment to our Articles of Incorporation.

We believe that the name change in our Articles of Incorporation is in the best interest of our corporation to show a new business focus.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE NAME CHANGE.

6

Proposal #4

PROPOSED REVERSE SPLIT OF COMMON STOCK ISSUED AND OUTSTANDING

We are asking shareholders to approve a pro-rata reverse split of our common stock, by which up to each fifty shares would become one share. Fractional shares will be rounded up to the next whole share. The effective date of the reverse split will be the day following the date of the meeting. This is not a "going private" transaction, and no shareholders will be reduced to less than one share. This action will not have the effect of reducing our shareholders to less than 300.

We believe the recent per share price of the common stock has had a negative effect on the marketability of the existing shares, the amount and percentage of transaction costs paid by individual stockholders, and impairs the potential ability of the Company to raise capital by issuing new shares because we are very near our maximum authorization.

We believe that reverse split will be advantageous to us and to all shareholders, because it may provide the opportunity for higher share prices based upon fewer shares. It is also a factor that most brokerage houses do not permit or favor lower-priced stocks to be used as collateral for margin accounts. Certain policies and practices of the securities industry may tend to discourage individual brokers within those firms from dealing in lower-priced stocks. Some of those policies and practices involve time-consuming procedures that make the handling of lower priced stocks economically unattractive. The brokerage commissions on the purchase or sale of lower priced stocks may also represent a higher percentage of the price than the brokerage commission on higher priced stocks.

As a general rule, potential investors who might consider making investments in our company will refuse to do so when the company has a large number of shares issued and outstanding with no equity. In other words, the "dilution" which new investors would suffer would discourage them from investing, as general rule of experience. A reduction in the total outstanding shares may, without any assurance, make our capitalization structure more attractive.

While our acceptability for ultimate listing on one of the NASDAQ markets or an exchange is presently remote, we believe that it is in the interests of our company to adjust our capital structure in the direction of conformity with

Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

the NASDAQ structural requirements. At the current date, even with the proposed changes we would not meet NASDAQ criteria. NASDAQ requirements change constantly. There is no assurance that the proposed changes will meet NASDAQ requirements or any other exchange when, and if, we are otherwise qualified. There is no assurance that we will qualify for NASDAQ.

Once the reverse split has occurred, the Company may then be better structured to seek equity financing, because investors shy away from the very high dilution which would occur if an investment were made in the current structure.

7

TABLE SHOWING EFFECT OF REVERSE SPLIT ONE FOR FIFTY

100	2

There is no assurance that any effect of the price of our stock will result, or that the market price for our common stock, immediately or shortly after the proposed changes, if approved, will rise, or that any rise which may occur will be sustained. Market conditions obey their own changes in investor attitudes and external conditions. We are proposing the steps we deem the best calculation to meet the market attractively, however we cannot control the market's reaction.

Dissenting shareholders have no appraisal rights under Florida law or pursuant to our constituent documents of incorporation or bylaws, in connection with the proposed reverse split.

Fractional Shares. Fractional shares will be rounded up to the next whole share.

The reverse stock split may leave certain stockholders with one or more "odd lots" of new common stock, i.e., stock in amounts of less than 100 shares. These odd lots may be more difficult to sell or require greater transaction cost per share to sell than shares in even multiples of 100. There are frequently situations where transaction costs for odd lots in penny stocks exceed the net proceeds realized from a sale of the odd lot, effectively rendering the odd lot valueless to the holder.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE REVERSE SPLIT

ANNUAL MEETING OF SHAREHOLDERS

At the date of this proxy statement, no other matter will be presented for action at the Annual meeting. Only those matters proposed as discussed will be

Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

voted on at the meeting. Shareholders may propose matters to be presented at shareholder meetings and also nominate directors. Shareholder proposals must conform to the standards set out by the Securities Exchange Commission and must be received at our principal offices on or before, May 1, 2004, in order to be included in future proxy materials, if any, or presentation at our next annual meeting of shareholders, anticipated in early June, 2005.

8

VOTING SECURITIES AND BENEFICIAL OWNERSHIP

Committees and Procedures

- (1) The registrant has no standing audit, nominating and compensation committees of the Board of Directors, or committees performing similar functions. The Board acts itself in lieu of committees due to its small size.

- (5) The basis for the view of the board of directors that it is appropriate for the registrant not to have such a policy is that there is no need to adopt a policy for a small company.
- (6) The nominating committee will consider candidates recommended by security holders, and by security holders in submitting such recommendations; should provide a completed Directors Questionnaire to the Company.

- (7) There are no specific, minimum qualifications that the nominating committee believes must be met by a nominee recommended by security holders except to find anyone willing to serve with clean background. There are no differences in the manner in which the nominating

Edgar Filing: GLOBAL ASSETS & SERVICES INC - Form DEF 14A

committee evaluates nominees for director based on whether the nominee is recommended by a security holder, or found by the board.

- (8) The nominating committee's process for identifying and evaluation nominees for director, including nominees recommended by security holders, is to find anyone willing to serve with clean background. There are no differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee is recommended by a security holder, or found by the board.
- (9) With regard to each nominee approved by the nominating committee for inclusion on the registrant's proxy card (other than nominees who are executive officers or who are directors standing for re-election), state which one or more of the following categories of persons or entities recommended that nominee: Legal Counsel to Company.
