* This estimate is made pursuant to Rule 457(h) solely for the purpose of determining the registration fee. It is not known how many shares will be purchased under the Boston Scientific Corporation 2003 Long-Term Incentive Plan and the Boston Scientific Corporation 401(k) Retirement Savings Plan, or at what price such shares will be purchased. The above calculation is based on the offering of 60,000,000 shares at a purchase price of \$34.84 per share, which is the average of the high and low prices of the Registrant's Common Stock as reported in the New York Stock Exchange Composite on December 9, 2003.

This Registration Statement registers shares of common stock available for issuance under the Boston Scientific Corporation (the "Registrant") 2003 Long Term Incentive Plan (the "LTIP"), which was approved by the Registrant's stockholders on May 6, 2003. On July 29, 2003, the Board of Directors approved a "two-for-one" common stock split effected in the form of a 100% stock dividend on November 5, 2003. The number of shares approved by stockholders and reserved for issuance under the LTIP have been adjusted to reflect the stock dividend in accordance with the terms of the LTIP. This Registration Statement also covers shares to be issued by the Boston Scientific Corporation 401(k) Retirement Savings Plan for the benefit of employees that participate in the Plan.

Item 5: Interests of Named Experts and Counsel

Edgar Filing: BOSTON SCIENTIFIC CORP - Form S-8

Legal matters in connection with the issuance of Common Stock offered hereby have been passed upon for the Registrant by Lawrence J. Knopf, Vice President, Assistant Secretary and Assistant General Counsel of the Registrant. Mr. Knopf holds shares and options to purchase shares of the Registrant's Common Stock and is compensated by the Registrant as an officer of the Registrant.

Item 6: Indemnification of Directors and Officers

Generally, Section 145 of the Delaware General Corporation Law (the "DGCL") empowers a Delaware corporation to indemnify any person for claims arising against the person for serving as a present or former director, officer, employee or agent of the corporation. Indemnity is available only if the person acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation. If the claim is a criminal action, indemnification may be available only if the person had no reasonable cause to believe his or her conduct was unlawful. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with the claim.

A Delaware corporation may also indemnify persons against expenses (including attorneys' fees) incurred for actions brought by or on behalf of the corporation subject to the conditions discussed above, except that no indemnification is permitted in respect of any claim as to which the person shall have been found to be liable to the corporation unless a court determines that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity. To the extent the person is successful in defending the claim, the corporation may indemnify the person against expenses (including attorneys' fees) actually and reasonably incurred. The indemnification and advancement of expenses provided for in Section 145 is not exclusive of any other rights to which the person may be entitled under any By-law, agreement, vote of stockholders or disinterested directors, or otherwise.

Section 145 of the DGCL also provides that a corporation may maintain insurance against liabilities for which indemnification is not expressly provided by the statute. The Registrant maintains reasonable levels of insurance against liabilities for indemnification which it may incur under its Certificate of Incorporation, By-laws and indemnification agreements.

Article Tenth of the Registrant's Certificate of Incorporation provides that the Registrant will indemnify, defend and hold harmless directors, officers, employees and agents of the Registrant to the fullest extent permitted under the DGCL.

In addition, Article Ninth of the Registrant's Certificate of Incorporation, as permitted by Section 102(b) of the DGCL, provides that neither the Registrant nor its stockholders may recover damages from the Registrant's directors for a breach of their fiduciary duty in the performance of their duties as directors of the Registrant, unless the breach relates to (i) the director's duty of loyalty, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL or (iv) any transactions for which the director derived an improper benefit. The Registrant's By-laws provide for indemnification of the Registrant's directors, officers, employees and agents on the terms permitted under Section 145 of the DGCL summarized above.

The Registrant has entered into indemnification agreements with its directors and executive officers. These agreements provide rights of

Edgar Filing: BOSTON SCIENTIFIC CORP - Form S-8

indemnification that are substantially similar to those provided by the Registrant's Certificate of Incorporation and By-laws. Additionally, the agreements provide that (i) within thirty days of a written demand for indemnification, and within five business days of a request for an advance of expenses, the Registrant shall either make payment or determine that the relevant standards for indemnification have not been met; (ii) in any action brought by an indemnitee to enforce the right to indemnification or advances, the burden of proving that any indemnification or advance is not appropriate shall be on the Registrant; (iii) neither the timing of the Registrant's decision whether to indemnify nor any determination by the Registrant shall create any presumption that the indemnitee has not met the applicable standards; and (iv) the indemnitee's expenses incurred in bringing an action to recover expenses under any directors' and officers' liability insurance policies maintained by the Registrant shall also be indemnified by the Registrant.

Item 9: Undertakings

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Edgar Filing: BOSTON SCIENTIFIC CORP - Form S-8

bona fide offering thereof;

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(b) The undersigned Registrant hereby undertakes that, for purposes of determining liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act and the Plan's annual report on Form 11-K that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
