Item 3.02 Unregistered Sales of Equity Securities

On February 13, 2007, we closed the final tranche of our private placement with Cornell Capital Partners, LP. The total gross proceeds of the private placement was \$25,000,000 for 25,000 shares of Series E Convertible Preferred Stock (the Series E Stock). We received the first tranche of the total gross proceeds in the amount of \$9,000,000 on or about June 29, 2006. We received the second tranche of the total gross proceeds in the amount of \$8,500,000 on or about August 11, 2006 when we filed a registration statement (the Registration Statement) covering the resale of our common shares convertible from the Series E Stock. On February 13, 2007, we received the final tranche of the total gross proceeds in the amount of \$7,500,000 after the Registration Statement was declared effective.

The Series E Stock is convertible into common stock by the holder at any time by dividing the dollar amount being converted by \$2.50. The holder of the Series E Stock may only convert up to \$1,250,000 of Series E Stock into

common shares in any 30 day period. Commencing on the earlier of the month after registration and December 1, 2006, we are required to redeem up to 5% of the Series E Stock each month, payable in common shares valued at \$2.50 per share if our common stock trading price is \$2.50 or above; in common shares valued at \$1.67 per share or in cash at the initial investment amount plus 20% if our common stock trading price is between \$1.67 and \$2.50; and in cash at the initial investment amount plus 20% if our common stock trading price is below \$1.67. Cornell Capital Partners, LP has temporarily waived the redemption requirement that is required. However, the existing waiver from Cornell Capital Partners, LP currently extends through March 15, 2007, after which Cornell Capital Partners, LP may enforce the redemption requirements outlined above.

The gross proceeds from the private placement will be used to fund development of our Oregon project, exploration of our Washington project and for general working capital.

The Investment Agreement and Registration Rights Agreement can be found in the exhibits to the current report filed on June 30, 2006.
