Item 1.01 Entry into a Material Definitive Agreement.

Private Placement of Common Stock

On January 27, 2014, Southern First Bancshares, Inc. (the Company) entered into a Securities Purchase Agreement (the Purchase Agreement) with two controlled affiliates of EJV Capital, Inc. (collectively, EJV), pursuant to which the Company issued a total of 475,000 shares of its common stock to EJV at \$13.00 per share (the Private Placement). The Purchase Agreement contains representations and warranties and covenants of the Company and EJV that are customary in private placement transactions.

The gross proceeds to the Company from the Private Placement were \$6,175,000 of which \$4,057,000 was used by the Company to redeem certain of its outstanding preferred stock, as described below. The remaining proceeds will be retained by the Company to pay related transaction fees and expenses and for general corporate purposes.

On the same date and in connection with the Private Placement, the Company entered into a Registration Rights Agreement (the Registration Rights Agreement) with EJV pursuant to which the Company has agreed to file a registration statement with the Securities and Exchange Commission (the SEC) to register for resale the 475,000 shares of common stock issued to EJV in the Private Placement not later than 21 days after the closing of the Private Placement and to use commercially reasonable efforts to cause such registration statement to be declared effective, subject to certain exceptions, the earlier of (i) the 120th calendar day following the closing the Private Placement in the event that such registration statement is subject to review by the SEC and (ii) if the Company is notified by the SEC that such registration statement will not be reviewed, then the 5th trading day after such notification date. The Company will be required to make certain payments as liquidated damages under the Registration Rights Agreement to EJV in certain circumstances if the registration statement is not (i) filed with the SEC within specific time periods, (ii) declared effective by the SEC within specified time periods or (iii) available (with certain limited exceptions) after having been declared effective.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete, and are qualified in their entirety by reference to the form of such agreements, which are filed as Exhibits 10.1 and 10.2 hereto, respectively, and are incorporated herein by reference.

Redemption of Series T Preferred Stock

On January 27, 2014, immediately following the consummation of the Private Placement, the Company redeemed 4,057 shares of its outstanding Fixed Rate Cumulative Perpetual Preferred Stock, Series T (the Series T Preferred Stock) held by two separate controlled affiliates of EJP Capital, Inc. at a redemption price of \$1,000 per share (the Preferred Stock Redemption). The redemption of the 4,057 shares of Series T Preferred Stock will save the Company approximately \$200,000 annually in dividend expenses.

The Company originally issued 17,299 shares of the Series T Preferred Stock to the U.S. Department of the Treasury (the Treasury) on February 27, 2009 as part of the Treasury s Capital Purchase Program. On June 28, 2012, the Treasury sold its Series T Preferred Stock through a public offering structured as a modified Dutch auction, and the Company was successful in repurchasing 1,000 shares of the 17,299 shares of Series T Preferred Stock outstanding through the auction process. The remaining 16,299 shares of Series T Preferred Stock held by the Treasury were sold to unrelated third-parties through the auction process, including the controlled affiliates of EJP Capital, Inc. On January 3, 2013 and April 1, 2013, the Company redeemed a total of \$1,000,000 of its outstanding Series T Preferred Stock from three of its preferred shareholders. Following the consummation of the Preferred Stock Redemption, the Company has redeemed a cumulative \$6,057,000 of its outstanding Series T Preferred Stock and reduced the balance to \$11,242,000.

A copy of the Company s transaction overview describing the consummation of the Private Placement and the Preferred Stock Redemption is attached hereto as Exhibit 99.1 and incorporated herein by reference.
