Item 2.

Identity and Background

(a) - (c) and (f) This Schedule is being filed by August Technology Corporation, a Minnesota corporation (August Technology), with its principal executive offices located at 4700 West 78th Street, Bloomington, Minnesota 55435. August Technology is a provider of automated defect detection and product characterization systems for microelectronic device manufacturers, selling its systems to microelectronic device manufacturers through the world within the markets of semiconductors, advanced packaging applications, optoelectronics, MEMS, data storage and other emerging markets.

The (i) name, (ii) business address, (iii) present principal occupation or employment and (v) citizenship of each director and executive officer of August Technology are set forth on Annex A hereto and incorporated herein by reference.

(d) (e) During the last five years, neither August Technology, nor, to August Technology s knowledge, any of the individuals referred to in Annex A, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction resulting in a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding violations with respect to such laws.

Item 3.

Source and Amount of Funds or Other Consideration

As an inducement for August Technology to enter into an Agreement and Plan of Merger and Reorganization with Nanometrics, Major League Merger Corporation, a Minnesota Corporation (Merger Sub 1), and Minor League Merger Corporation, a Delaware Corporation (Merger Sub 2) dated January 21, 2005 (the Merger Agreement), the directors and executive officers of Nanometrics (the Nanometrics Shareholders), who are identified on Annex B hereto, each entered into a Parent Shareholder Voting Agreement with August Technology dated as of January 21, 2005 (the Voting Agreement). August Technology did not pay any consideration to the Nanometrics Shareholders in connection with the execution and delivery of the Voting Agreement. Copies of the Merger Agreement and a form of the Voting Agreement are filed as Exhibits 1 and 2 to this Schedule, respectively.

Item 4.

Purpose of Transaction

As stated above, the Voting Agreement was entered into as an inducement for, and in consideration of, August Technology entering into the Merger Agreement. Subject to the terms and conditions thereof, the Merger Agreement provides that (i) Nanometrics will reincorporate in Delaware by merging into Merger Sub 2, and each share of Nanometrics common stock will be exchanged for one share of Merger Sub 2, and (ii) Merger Sub 1 will be merged into August Technology and each share of August Technology common stock will be exchanged for 0.6401

of a share of Merger Sub 2. In connection with the mergers, the name of Merger Sub 2 will be changed to August Nanometrics Inc. The transaction is conditioned on obtaining requisite shareholder approvals from the shareholders of each of Nanometrics and August Technology, necessary regulatory clearances and other customary closing conditions, including the receipt of legal opinions that the transaction will qualify as a reorganization under the Internal Revenue Code.

Pursuant to the Voting Agreement, the Nanometrics Shareholders, who collectively own 3,672,301 shares of common stock of Nanometrics as set forth in Annex B and which represents 28.6% of the common stock deemed to be outstanding pursuant to Rule 13d-3(d)(1), have agreed to vote (or cause to be voted) their shares of Nanometrics common stock (i) in favor of the approval of the Merger Agreement and (ii) against approval of any proposal made in opposition to the transactions contemplated by the Merger Agreement, (iii) against any actions (other than those contemplated by the Merger Agreement) for the merger, consolidation, sale or lease of assets, reorganization, liquidation, change in the capitalization or corporate structure of Nanometrics or any other action that would interfere with the actions contemplated by the Merger Agreement; and (iv) in favor of waiving any notice that may have been or may be required relating to any reorganization of Nanometrics. The Nanometrics Shareholders cannot sell, transfer or otherwise dispose of the shares subject to the Voting Agreement unless the transferee becomes a party to the Voting Agreement. In addition, the Nanometrics Shareholders cannot transfer the shares into a voting trust or enter into an arrangement whereby the voting rights would be transferred.

The Voting Agreement terminates on the earlier of (i) such date and time as the Merger Agreement shall have been validly terminated in accordance with its terms and conditions, or (ii) such date and time as the Merger shall become effective in accordance with its terms and conditions.

The purpose of the Voting Agreement is to enable August Technology and Nanometrics to consummate the transactions contemplated by the Merger Agreement.

Item 5.

Interest in Securities of the Issuer

(a) (b) As of the date of this Schedule, as a result of the Voting Agreement, August Technology may be deemed to have (i) beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) and (ii) shared power to vote or direct the vote of 3,672,301 shares of Nanometrics common stock held by the Nanometrics Shareholders (see Annex B), which represents approximately 28.6% of the shares of Nanometrics common stock deemed to be outstanding pursuant to Rule 13d-3(d)(1).

(c) Except as set forth or incorporated herein, neither August Technology nor, to August Technology's knowledge, any of the individuals referred to in Annex A has effected any transaction in Nanometrics common stock during the past sixty (60) days.

(d) (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than the Merger Agreement and the Voting Agreement, to the knowledge of August Technology, there are no contracts, arrangements, understandings or relationships, legal or otherwise, among the persons named in Item 2 and Annex A or between such persons and any other person with respect to the securities of Nanometrics, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
